**CIGAR BREEZES; EYES DUBAI** Horse of the Year Cigar (Palace Music) had his first breeze since suffering a stone bruise February 20, going an easy half-mile in :51 1/5 at Gulfstream yesterday under regular exercise rider Judy Nicks. "It was about what I expected to see," said trainer Bill Mott. "He went off easy and went evenly. I was just trying to do a little bit more with him and see how the foot was. He passed the first test alright. I just felt his legs and feet, and everything was cool. We'll go right back and gallop him (today) and probably breeze Monday. Then he'll breeze again Saturday morning before he leaves for Dubai."

**NORTHERN SPUR BACK ON COURSE** Champion turf horse Northern Spur (Ire) (Sadler's Wells), who was scratched from today's GII Crown Royal Pan American H., returned to the racetrack for a jog Friday and seems to be recovered from a slight temperature and a bout with colic. Trainer Ron McAnally attributed the Eclipse Award winner's troubles to a 10-hour flight from Los Angeles, which included a four-hour stopover in a hot hangar in Tennessee. "It looks like we are out of the woods now," said McAnally. "He is eating good and back to his old self--biting at us and eating sugar." Northern Spur will return to California--on a non-stop flight--in four days; he will be pointed for the San Luis Rey S. March 24.

**CAESARS SWEEP WORTH \$1 MILLION** The Caesars East-West Challenge, which links the \$500,000 International at Atlantic City to the \$700,000 Caesars Palace Turf Championship at Hollywood, will offer a bonus of \$280,000 to the horse which can sweep both races, so that the winner of both events would bankroll a total of \$1 million. Last year, Sandpit (Brz) (Baynoun {Ire}) met the Challenge and earned a total of \$750,000. "Once again, Caesars is pleased to be associated with the sport of horse racing in general, and two of the country's finest racing facilities in particular," said Rich Rose, president of Caesars World Sports. "We had two tremendous races last year...and are looking forward to continuing the momentum of the series long into the future." The mile-and-three-sixteenths GI Caesars International moves to Saturday night, June 22, this year and will be featured live on ESPN, with post time set for 6:40 p.m. EDT. The 12-furlong GII Caesars Palace Turf Championship will be run July 21.

**WALLY DOLLASE IS COBRA GOLF/TDN SUBSCRIBER OF THE MONTH** Southern California-based trainer Wally Dollase has been named the Cobra Golf/Thoroughbred Daily News Subscriber of the Month for February. Last month, Dollase entered runners in five stakes at Santa Anita, and won with four of them, taking The Bart S. with **Southern Wish** (Lyphard's Wish {Fr}) Feb. 1, the Feb. 4 GI Strub S. with **Helmsman** (El Gran Senor), the Feb. 11 GII La Canada S. with **Jewel Princess** (Key to the Mint), and the Feb. 19 GII San Luis Obispo H. with **Windsharp** (Lear Fan); his **Alyrob** (Alysheba) finished fourth in the Feb. 4 Santa Catalina S. As the Subscriber of the Month, Dollase will receive a set of King Cobra Oversize golf clubs with a retail value of \$1,200. "That's great," Dollase said. "I'll sure use those clubs. I play golf every year in the charity tournament at Del Mar." He added, "February was the best month I've had since I've been a trainer. Winning the Strub was exciting and winning the La Canada with the filly was equally as exciting. My two big guns came through for me."

**WINTER WEATHER KO'S CARDS** Spring is less than two weeks away, but the late winter storm that hit Thursday left as much as a foot of snow and sub-zero temperatures in its wake, canceling live racing at Garden State Thursday night and at Aqueduct, Garden State, Laurel, Suffolk Downs, Thistledown and Turfway Park Friday. Racing is expected to resume at all tracks today.

**ROCKINGHAM RELEASES STAKES SCHEDULE** Rockingham Park has upgraded its stakes schedule for 1996, offering 16 black-type events which will carry a minimum purse of \$25,000 each. The highlights of the meet, which runs June 9-October 16, will be the GIII \$200,000 New Hampshire Sweepstakes, New England's only graded stakes, to be run at nine furlongs on the turf June 16; the \$100,000-added Rockingham Breeders' Cup, for fillies and mares at 1 1/16 miles on the turf July 7; and the \$100,000 Spicy Living S., for distaffers at nine furlongs on the grass August 4.

**TOP STALLIONS TO AUSTRALIA** Following a number of approaches from abroad, The National Stud and Mr. Henri Chalhoub, the joint owners of the 1991 Prix de l'Arc de Triomphe and French Derby winner **Suave Dancer** (Green Dancer), have agreed, subject to contract, to stand the stallion at the Muranna Stud in Victoria, Australia, for the 1996 Southern Hemisphere season. Suave Dancer, who was fully booked in his first four seasons at stud, will be represented by his first crop of runners this year. He is expected to travel to Australia in August and return to The National Stud in December. Suave Dancer is the first Arc winner and the highest-rated European-trained runner to go to stud in Australia. Muranna Stud Pty Ltd., Roulston MacDonald Bloodstock Pty Ltd. and the Independent Stallion Station at Toolern Vale, Victoria, have agreed to lease Suave Dancer for one season, but with an option to renew for 1997. The fee is private. Suave Dancer will join Ashford Stud's **Thunder Gulch** (Gulch) and **Eagle Eyed** (Danzig) as new stallions in Australia for 1996. The Ashford duo, standing their first seasons this year, will travel from the Versailles, Kentucky farm to the operation's Australia division, Coolmore Australia in New South Wales. The two will return to Kentucky at the end of the Southern Hemisphere season.

**FLORIDA DERBY HOPEFULS ON WORK TAB** Jockey Chris McCarron flew in from California to guide **Cobra King** (Farma Way) through a six-furlong workout in 1:13 1/5 at Gulfstream yesterday. "He worked just the way I wanted. He put in a good, strong finish," said trainer Mike Puype. "That will be it for him until the Florida Derby. He'll gallop into the race." As for how the colt, probable favorite for the March 16 Florida Derby, is coming into the race, Puype said, "He is relaxing better and he has put on weight since his last race. He was never doing bad, but he is doing better now than before the Holy Bull." Also working for the Florida Derby yesterday, **Skip Away** (Skip Trial) went six furlongs in 1:12 3/5 from the gate with jockey Shane Sellers in the saddle. "I wanted to give him a wake-up call," said trainer Sonny Hine. "It has been four weeks since he ran. He has had a little trouble breaking. He got knocked down leaving there last time. I wanted to see if that bothered him and if he was going to shy from horses. It didn't seem to have affected him."

**TURFWAY RAISES PURSES AGAIN** Turfway Park officials announced Friday that they are increasing purses by 10 percent, effective immediately, and are substantially raising the value of several Winter/Spring stakes races. The increases, the third of the current race meet, resulted from strong business levels and from two unexpected cancellations because of snow and cold weather Thursday and Friday. Turfway's minimum purse will be \$7,700 for \$4,000 claimers going six furlongs, while the top allowance purse will be \$56,800 in money-conditions allowance races at a mile or longer. Saturday's Valdale S. and Sunday's Marigold S. have been increased to \$75,000 from \$60,000. Also increased to \$75,000 are the March 17 Wintergreen S. and March 23 Pioneer S. The March 16 John Battaglia Memorial S. will be run for a \$125,000 purse, up from \$100,000. Purses will also be increased for five stakes on Turfway's March 30 Jim Beam Day program. The Bourbonette S. will rise to \$125,000 from \$100,000, the Queen Breeders' Cup will be increased to \$110,000 from \$100,000, the Rushaway S. and Fairway Fun S. will be increased to \$100,000 from \$75,000, and the Hansel S. will carry a \$75,000 purse, up from \$60,000.

### Local News: Arlington International Racecourse

Arlington International Racecourse is asking the Illinois Racing Board for permission to run five days weekly instead of the mandated six in order to "conduct a quality race meet" May 12-October 13. "Arlington is in the midst of recruiting stables," the track stated in its petition. "Frequently voiced concerns by the horsemen include: 'How do you plan to fill the race cards for six days? If you can't fill your races, how can I be sure my better horses will be able to run?' No jurisdiction conducts a six-day week for more than 21 weeks a year. Arlington has scheduled six-day per week racing for 45 consecutive weeks in 1996." Arlington also cited Sportsman's Park's recent problems in filling races.

**Serena's Song** (Rahy) will skip Sunday's GI Santa Margarita Invitational H. and point instead for the GI Apple Blossom H. at Oaklawn April 12. "She probably could go over there and win (the Santa Margarita), but it's a long season and we don't need to force a race into her," said trainer D. Wayne Lukas.

**Jumron** (GB) (Sharpo {GB}), unraced since fourth in last year's Kentucky Derby, worked six furlongs in 1:13 3/5 at Santa Anita Thursday and will likely make his comeback in the \$60,000 TCK Cup on the grass Friday, March 15. "He's doing great--he's come a long way," said trainer Walter Greenman of the four-year-old, who suffered a ligament injury last spring. "He's ready to run, and I'm anxious to try him on the turf." The TCK Cup could also feature the return of **Vaudeville** (Theatrical {Ire}); the GISW has been off since finishing fifth in the GII Arlington H. last August 6.

The California Horse Racing Board Thursday issued a complaint against Bobby Frankel, the trainer of **Nimble Mind** (Lyphard), which tested positive for morphine after winning the seventh race at Santa Anita January 3. Ohio State University confirmed the findings of Truesdail Laboratories, Inc. after testing the split sample. The matter will be heard by the Board of Stewards at Santa Anita beginning April 3.
