TRUST N LUCK SITTING ON GO

Einar P. Robsham's **Trust N Luck** (Montbrook), who will vie for the favorite's role in the GI Florida Derby Mar. 15, worked an easy five furlongs in 1:02 Tuesday morning at his Calder base, to the delight of trainer Ralph Ziadie. "So far, so good," the conditioner commented. "He worked good, he came back good. We got just about what we were looking for. He's on schedule for the Florida Derby." The handsome chestnut colt will enter the Florida Derby off an impressive 5 1/4-length victory over **Supah Blitz**

(Mecke) and **Midway Cat** (Sir Cat) in the GI Fountain of Youth S. Feb. 15. The former breezed five-eighths of a mile in 1:02 yesterday at Calder for trainer Manny Tortora, while Midway Cat's Wednesday morning move didn't go as scripted. "The jock [Jorge Chavez] was late getting to the barn," trainer Rick Hiles said after his charge went five-eighths in 1:02 3/5. "We had him tacked up for half an hour before he got there. The work was okay. It wasn't exactly what I wanted, but it will have to do."

Janis Whitham's **Affluent** (Affirmed) and George Krikorian's **Starrer** (Dynaformer) have been assigned the co-highweight of 121 pounds and are expected to square off in the Santa Margarita. "She's doing too good [to quibble about the weights]," trainer Ron McAnally said yesterday of Affluent. "We've got to go." The five-year-old mare, a multiple Grade I winner on turf and dirt, will be one of two starters in the field for her trainer, who will also saddle **Printemps** (Chi) (Hussonet). Affluent will be ridden for the first time by jockey Julie Krone, who takes over for Alex Solis. The Panamanian will ride La Canada series winner **Got Koko** (Signal Tap) for trainer Bruce Headley.

Team Pletcher Readies For Stakes Assault

Indy Dancer (A.P. Indy), seventh to **Badge of Silver** (Silver Deputy) in the GIII Risen Star S. at Fair Grounds Feb. 16, was timed in 1:01 3/5 for a five-furlong drill at Palm Meadows Tuesday morning. "He's doing well and he worked well," trainer Todd Pletcher commented. "We haven't ruled out the Florida Derby for Indy Dancer. We'll work him again, probably on Monday or Tuesday next week and then make a decision for sure where he runs next." The conditioner said that GII Hutcheson S. winner **Lion Tamer** (Will's Way), who worked five furlongs Monday at Palm Meadows in 1:03 4/5, remains under consideration for the Florida Derby as well as the GII Lane's End S. at Turfway Park Mar. 22. Recent Gulfstream maiden winner **Aristocat** (Tale of the Cat) remains on the list of 'possibles' for the Florida Derby, but is more likely to ship north for the GIII Tampa Bay Derby Mar. 16. The Michael Tabor colorbearer breezed an easy four furlongs in :50 2/5 Monday at Palm Meadows. Pletcher has a commitment from jockey John Velazquez to ride in the Florida Derby should one of the trio start in the race.

Nothing To Lose Out With Stress Fracture

Nothing To Lose (Sky Classic), a multiple graded-stakes winner on the turf who was to be re-routed to the Triple Crown trail, suffered a stress fracture and will be forced to miss all three Triple Crown races. Following his win in the GIII Palm Beach S. over the Gulfstream turf course, the D. Wayne Lukas camp expressed interest in trying the Ken and Sarah Ramsey homebred colt on the main track and were planning on running in the Mar. 22 GII Lane's End S. at Turfway.

Back To One Turn For Our Bobby V.

Our Bobby V. (Majesterian), fourth in the GII San Rafael S. at Santa Anita Mar. 1, will return to sprint distances and is off the Triple Crown trail, trainer Bill Spawr confirmed yesterday. "He came out fine," the conditioner said, "I don't think he can go that far. We'll keep him sprinting for now and point him to the [6 1/2-furlong Mar. 22] San Pedro S."

SOMETHING VENTURED (f, 4, Cobra King--Intend, by Seattle Slew), a \$40,000 KEENOV weanling, was persistently knocking on the door in 2002, but had problems closing the deal several times in a campaign that saw her finish third in the Calder Oaks in October and second in the Opera Diva S. Nov. 24, her season finale. After a two-month freshening, the bay got 2003 started off the right way with a win against allowance rivals going about nine furlongs over Gulfstream's sod Jan. 20. Continuing through her conditions here while adding more ground, the 3-2 chalk was smartly placed just off the pacesetters before a strong move leaving the turn propelled her to a three-length score. NYRA Alters Pick Six Wager:

Beginning Wednesday, March 12, Pick Six wagering will be offered on the final six races of the day at NYRA tracks. "The change will allow for more participation from horseplayers in the western U.S.," said New York Racing Association Senior Vice President Bill Nader. "Additionally it will create a better alignment with out pick four, which will be offered on the final four races on the card."

Shelved following that effort, the Anthony Dutrow-trained filly returned from a 3 1/2-month respite as the crowd's prohibitive 1-5 choice. Sent to the fore under jockey Mario Pino, the bay contested the pace from an outside position, pulled clear when asked and splashed home an easy 4 3/4-length winner. Monmouth Announces Stakes Schedule:

Officials at the New Jersey Sports and Exhibition Authority have released the graded-stakes portion of the Monmouth Park meeting, encompassing 14 races and combined purse money of \$3.25 million. The stakes program is highlighted, as usual, by the \$1 million GI Haskell Invitational H. to be run this year Sunday, Aug. 3. The other Grade I race on the New Jersey racing calendar, the GI United Nations H. for older turf horses, receives a \$250,000 increase in purse money to \$750,000. The GII Molly Pitcher Breeders' Cup H. for older fillies and mares has also received a healthy boost and is worth \$400,000 this year, up from \$300,000 a year ago.

A # will distinguish first-time stakes-winners, a @ will indicate first-time graded stakes-winners, a ▲ will denote a first-time Grade/Group 1 winner, a + will first-time starters, an (S) will be used for state-bred races, a (C) will be used for maiden-claiming races and an (R) will be used for other restricted races. Purses for Canadian races are in Canadian dollars.

Civilisation To West Virginia:

Civilisation (Gone West--Toussaud, by El Gran Senor) will enter stud at Renee Moore's Naylee Farm in Summit Point, West Virginia, for a fee of \$3,500. A 3/4-brother to GI Arlington Million winner Chester House (Mr. Prospector) and GI Secretariat S. winner Chiselling (Woodman), the five-year-old made three starts on the racetrack before losing an eye in a freak accident, which compromised his racing career. Civilisation is also a half brother to GISW Honest Lady (Seattle Slew) and leading three-year-old of this year Empire Maker (Unbridled). "We are delighted to stand a stallion of Civilisation's caliber," Mrs. Moore commented. "We expect unprecedented demand for Civilisation throughout the Mid-Atlantic." The Juddmonte homebred is expected to cover his first mare next week.

McCarron Named Santa Anita GM:

Frank Stronach's Magna Entertainment Corporation has named Hall of Fame jockey Chris McCarron to assume the duties of general manager at Santa Anita Park. He will also hold the title of vice president and will report directly to F. Jack Liebau, president and current general manager of the track. "It sounds scripted, but I am so excited to be with Magna, a company that has tremendous vision for the future," the retired rider told *The Blood-Horse*. "It was unexpected. I'm so flattered. I always wanted to get into racetrack administration someday," he added. His new duties, as yet unspecified, will begin Mar. 31.

Delahoussaye Back...As Bloodstock Agent:

Jockey Eddie Delahoussaye, who retired from the saddle Jan. 13 due to injuries suffered in a spill at Del Mar last summer, was back at Santa Anita Wednesday morning, where he confirmed he is beginning a career as a bloodstock agent. "I've just been kicking back and stuff," the 51-year-old commented. "I went back home to New Iberia, Lafayette, New Orleans (Louisiana) and Texas. I tried to make some connections in Louisiana, which I did, as far as becoming a bloodstock agent and buying horses for people. Hopefully I picked up a couple of clients."

Building off that one as part of a diminished four-horse field, the handsome bay battled with first-time starter City Desk (Carson City) and longshot Continuum (Saint Ballado) up the backstretch. The 3-5 pick relaxed a bit off that pair on the turn, then powered clear in the stretch to get the win by 4 1/2 lengths despite racing greenly. City Desk held for second. Tax Break for Foreign Bettors?

A military tax-break bill with an attached provision to eliminate the 30-percent withholding tax for foreigners who wager on horses races in the U.S. is set to be addressed today by the House of Representatives, reports the *Washington Post*. Brought forward by Republicans, the bill would, presumably, make American Thoroughbred pari-mutuel wagering more attractive to out-of-country handicappers. Few foreigners currently bet on American races because of the stiff levy on wagers coming in from abroad. Proponents of the bill argue that the elimination of the tax would actually increase money taken in by the Treasury, as the result would most likely be an increase in American betting pools. Tim Smith, commissioner of the National Thoroughbred Racing Association, said, "It would almost certainly increase foreign wagering on U.S. horse racing. It would boost both the entertainment side of our business and the agribusiness side."

Congratulations to the best customers in the world!

ASIAN FEDERATION CREATES GRADING AND ADVISORY COMMITTEE The Asian Racing Federation (ARF) announced the creation of the Grading and Race Planning Committee (GRPC) Wednesday at the 29th Asian Racing Conference in Auckland, New Zealand. Primarily operating in an advisory capacity, the GRPC was created to assist the International Cataloguing and Standards Committee (ICSC) with the grading of International races. "Pattern races should be comparable and this advisory body will harmonize the process by which races are graded," said Hong Kong Jockey Club Executive Director of Racing Winfried Engelbrecht-Bresges. Engelbrecht-Bresges, who was chairing Wednesday's session, has been appointed chairman of the newly created GRPC. "One of the main goals is to consider the terms of reference of the Federation's GRPC," added Engelbrecht-Bresges. "That is, to establish the criteria on how member countries formulate their pattern races, and how we can raise these to a higher profile internationally."

PAOLINI PRIMED Paolini (Ger) (Lando {Ger}) warmed up for the G1 Dubai Duty Free at Nad al Sheba Mar. 29 with a solid breeze at the Pisa San Rossore training center Tuesday morning. Conditioner Andreas Wohler, who supervised the six-year-old as he worked with stable companion **Sabiango (Ger)** (Acatenango {Ger}) over a straight five furlongs, expressed himself satisfied. "Here the temperature has been mild and today is nearly 20 degrees (Celsius)," Wohler explained. Paolini will work again on Tuesday before being shipped back to Germany Mar. 17 en route to Dubai. Wohler is convinced that last year's runner-up in the G1 Singapore Airlines International Cup and G1 Hong Kong Cup will be suited by the likely fast tempo of the Duty Free. "He won the Premio Repubblica in Rome, breaking the track record, two years ago and last year on his first start we were only beaten by Grandera in Singapore. I hope to go one better in Dubai."
