A HUEVO SIDELINED A Huevo (Cool Joe), who completed a return to the races after a nearly four-year absence with a win in Saturday's GI Frank J De Francis Memorial Dash S., will be sidelined again after suffering a tendon injury. The seven-year-old gelding will be out of action for at least six months, trainer Michael Dickinson said Tuesday. "There is no thought of retiring him," Dickinson told *Thoroughbred Times*. "But he'll be out for six months minimum. It's tough, but at least we got a Grade I win for him." A Huevo has won five of seven starts for earnings of \$253,500. The De Francis was his third start of the year and followed a two-length victory in a Sept. 21 Delaware Park allowance.

GODOLPHIN SNAP UP SNOW RIDGE Godolphin has purchased G2 Royal Lodge S. winner **Snow Ridge (Ire)** (Indian Ridge {Ire}) for an undisclosed sum, it was announced yesterday. The Weinstock Family's colt, who took the Ascot contest Sept. 27 before disappointing when ninth in the G1 Dewhurst S. at Newmarket Oct. 18, will leave conditioner Marcus Tregoning's stable for Godolphin's Dubai base at Al Quoz Stables. "We have bought the colt and he will be coming over to Dubai in the next few weeks before he returns for a European campaign which will probably begin in the 2000 Guineas," Simon Crisford, Godolphin's racing manager, told *PA Sport* yesterday. "His plan has not really been discussed at this point, but his initial race will be the Guineas. He's a very exciting prospect and he's a good colt for us to look forward to."

FLORES GETS CALL ON MAIDEN TOWER IN MATRIARCH According to agent Jim Pegram yesterday, jockey David Flores will ride Darley Stable's **Maiden Tower (GB)** (Groom Dancer) in the \$500,000 GI Matriarch S. Nov. 30. The winner of the G2 Prix de Sandringham at Chantilly in June, the three-year-old filly finished second by a nose last time out in the GI Queen Elizabeth S. at Keeneland Oct. 11. Trained by Henri-Alex Pantall in Europe, the bay joined trainer Eoin Harty's Santa Anita string following her U.S. debut. Maiden Tower has recorded five wins from eight career starts for earnings of \$346,797.

Lone Star Withdraws from Southern Racing Co-op:

Due to possible conflicts of interest in the future, it was yesterday mutually agreed to end Lone Star Park's membership with the Southern Racing Cooperative, a group of racetracks which banded together more than 3 1/2 years ago to strengthen their causes. "While we have been supporters of the Southern Racing Cooperative, we feel a conflict of interest could arise in future negotiations between the group and our ownership, Magna Entertainment," said Lone Star Park Vice President and General Manager Jeff Greco. As a result of this development, Lone Star will be allowed to receive the simulcast signal from the Churchill Downs Simulcast Network.

Frankel Has Nothing to Lose:

Ken and Sarah Ramsey's **Nothing to Lose** (Sky Classic) has joined the barn of trainer Bobby Frankel in preparation for his four-year-old campaign, according to *Thoroughbred Times*. With trainer D. Wayne Lukas, the bay colt won the GIII Tropical Park Derby and GIII Palm Beach S. last winter. He has been sidelined since February with a stress fracture. In his first work for Frankel, **Nothing to Lose** went three furlongs at Hollywood Park on Nov. 14 in :36.60. "To me, Frankel right now is probably the greatest trainer in the world, so this was an opportunity to put one in his hands," Ken Ramsey told *Thoroughbred Times*. "I didn't want the horse to go back to Gulfstream. He got hurt there last year, along with a couple of my other horses. Lukas is going to have his horses at Gulfstream, so we needed to make a change." The Ramseys have two juveniles with Lukas, but have not decided if their three-year-old **Ten Cents a Shine** (Devil His Due) will rejoin the Hall of Fame conditioner when he returns from a tendon injury suffered in a ninth-place finish in the Preakness S.

Purchased a little over a year ago by Barry Irwin and Jeff Siegel's Team Valor, Sweet Stream ended her juvenile campaign with a respectable fifth in the G3 Premio Dormello in Milan in October before being transferred to John Hammond's base. She got off the mark for her new conditioner in a handicap at Saint-Cloud Oct. 30 and took the step up to stakes company in stride with an impressive success in this competitive contest. Settled in rear by Thierry Gillet off the honest early fractions, she was asked to quicken at the top of the straight as Subtile Bed was committed by Stephane Pasquier. Accelerating in dramatic fashion in the desperate conditions, she collared that rival and left her for dead in the final 75 yards.

BHB WIDEN PREMIUM SCHEME

The British Horseracing Board has announced revised terms for the Owners' Premium Scheme due to commence on New Year's Day. British-bred foals which were purchased at a public auction in Britain for export have been afforded eligibility under the scheme and will qualify for payment when running in a race in Britain. "The Board has moved to address the real concerns expressed by some British breeders and foal sellers that the attractiveness of these animals would be much reduced by their exclusion from the Scheme," BHB Industry Marketing Manager Paul Struthers said yesterday. "They were anxious that Irish customers, in particular, would be less likely to buy these foals and take them abroad as this would make them ineligible. This would lead to an undesirable fall in both demand and prices for these horses. The Owners' Premium Scheme is going to be a major boost for British Racing and Breeding and we are greatly looking forward to the start of its operation." **British Report cont.**

BEAUCHAMP GIGI TOPS DONCASTER FINALE

Howard Johnson secured **Beauchamp Gigi (Ire)** (Bob Back) for 200,000gns, the highest price on the final day of the Doncaster November Sale. The five-year-old mare won a bumper at Cork Oct. 19. Henry Beeby, Doncaster's managing director, was pleased with the overall results achieved in 2003 by the auction company. "The 41st year of DBS has had so many high points, it is hard to single out any particular moment," said Beeby. "Two new world record [prices], four Group 1 winners, record turnover, record average...and improvement at every single sale we have conducted. But these excellent sales returns are of no long-term use unless they are backed up by real racetrack success, and it gives us enormous pleasure to see DBS winners at the highest level around the globe every year." KEMPTON PRESS ON WITH ALL-WEATHER PLANS

Kempton Park has announced that they hope to stage their first all-weather meeting in 2005. Outlining the plans for the floodlit 10-furlong oval track, Managing Director Julian Thick said yesterday, "Building a floodlit all-weather track is a significant undertaking and we are working hard towards making this a reality at the moment. All being well, we are hopeful that the new track will be open for racing during 2005."

FLYING SPUR COLT TOPS READY TO RUN

SALE Tuesday's Select Session of the New Zealand Bloodstock Ready to Run Sale began strongly when Rob McAnulty paid NZ\$300,000 for Lot 11, an Australian-bred two-year-old by Flying Spur (Aus). The bay colt is out of Joy (Aus) (Bluebird) and is a half brother to multiple group winner Thorn Park (Aus) (Spinning World). He was consigned by Ebony Lodge. McAnulty purchased the colt on behalf of the San Luis Partnership, which also raced the star colt San Luis. During the select session, 183 horses sold for NZ\$6,400,00 and an average of NZ\$52,459. Last year, 114 lots sold for NZ\$5,738,500 and an average of NZ\$50,338. The clearance rate Tuesday was 75.31, up from 64 percent a year ago. During Tuesday's general session, 27 lots brought NZ\$493,000. The average was NZ\$18,259--up from NZ\$16,617 in 2002. The clearance rate was 57.45 percent. "We were reasonably confident going into the sale, but I'd have to say that the turn out of buyers and strength of the sale well exceeded our hopes," said New Zealand Bloodstock's General Manager of Bloodstock and Marketing Julia Naismith. "Demand for quality horses just keeps growing. Being the only major breeze-up sale in the southern hemisphere also worked in our favour this year. As well as our traditional markets of Hong Kong, Macau, Singapore and Malaysia, this sale has really established a firm foothold with Australian buyers now and they were out in force today. Overall we were delighted with the attendance and results achieved and it gives us a positive boost as we head towards our National Yearling Sales in January."
