**Franny Freud Injured, Retired...**

The likely favorite for Saturday's GI Test S. at Saratoga, Grade I winner **Franny Freud** (Freud--Frankly Fran, by D'accord), has been retired because of injury, according to *Daily Racing Form*. Trainer John Terranova detected some filling in the three-year-old filly's ankle,

Adam Coglianese photo

and an ultrasound performed Thursday morning revealed a torn ligament in her left front ankle. "We noticed some filling on the outside of her ankle," Terranova explained to *DRF*. "She never had anything wrong with her. But we decided there's no sense risking her. She's proven enough to everybody.

She doesn't need to prove any more. It's a dangerous injury to come back from." Owned by Paul Pompa Jr., Stephen Yarbrough and Winter Park Partners, Franny Freud won eight of 11 starts and banked \$686,029. She took her first graded stakes in the GII Beaumont S. at Keeneland Apr. 7, then, after two facile wins against Empire-breds, won the GI Prioress S. at Belmont July 4, defeating the GI Acorn S. winner Champagne d'Oro (Medaglia d'Oro). Her defection leaves the Test a wide-open event. The second choice on the morning line at 7-2 is **Pica Slew** (Pico Central {Brz}), who is undefeated this season after winning the GIII Azalea S. at Calder by two lengths.

**CORRECTION:** The TDN Insta-tistics "Top Freshman Sires by Yearling Average" that ran in Thursday's news-letter omitted **Purim** (Dynaformer). The Richland Hills stallion has had four of five 2010 yearlings sell for an average of \$47,750 (18th on the list). His 2010 yearling median is \$50,500.

**THE 'FINAL' WORD IN SORRENTO?**

**Final Mesa** (Sky Mesa), who is owned and trained by Wesley Ward, will put her unbeaten record on the line and she ships in to face six locals in tonight's GIII Sorrento S. at Del Mar for two-year-old fillies. Trainer Bob Baffert scratched **Alienation** (Rock Hard Ten). Knocked down for \$72,000 at last year's Fasig-Tiptop Preferred New York-bred Sale, Final Mesa opened her account with a runaway 7 1/2-length score at Keeneland Apr. 16. She showed she could handle conventional dirt with a daylight victory in the Polly Drummond S. at Delaware May 15, then took the show on the road and won the \$150,000 My Dear S. by 7 3/4 lengths.

# RACETRACK Round-Up

**Pletcher Plots for Interactif, Take the Points...**

Trainer Todd Pletcher has targeted a pair of Saratoga turf stakes for two of his runners. Wertheimer and Frere's **Interactif** (Broken Vow), who bounced out of a seventh in the GI Belmont S. June 5 to be second in the nine-furlong GII Virginia Derby July 17, will head to

**Interactif**

*Adam Coglianese*

the GII Hall of Fame S. at the Spa Aug. 13. "We're backing him up a little," said Pletcher. "He's a versatile colt that runs well at different distances. I think he's at his best on the turf, although he's had decent races on dirt and pretty good races on synthetic." Starlight Partners **Take the Points** (Even the

**Points** (Even the

Score), fourth in the GI Manhattan S. June 5 and runner-up in the GI United Nations h. at Monmouth July 3, will likely appear next in the GI Sword Dancer Aug. 14. "We thought he ran a good race in the United Nations," said Pletcher. "It was his first trip around three turns, and he seemed to handle a mile and three-eighths. A mile and a half seems to be in his range."

**Lookin at Lucky Still at Monmouth...**

**Lookin at Lucky** (Smart Smart), who was removed from consideration for the Aug. 28 GI Travers S. after coming down with a temperature following his victory in Sunday's GI IZOD Haskell Invitational, is still at Monmouth Park. Dr. Bernie Dowd is attending veterinarian at Monmouth for the Bob Baffert-trained colt, who is in the care of longtime Baffert head traveling groom Roberto Luna. "He ran a temperature Tuesday morning," Dowd said, "and we're treating him for that. It's a pretty hot time of year. We

**Lookin at Lucky last week at Monmouth**

want to make sure he's totally stable and normal, and then he can travel. He's a very healthy horse. He's bright and alert. He's doing well, and he's in good hands." Lookin at Lucky was treated with penicillin.

**Adirondack Attracting Plenty of Talent...**

The field for the 6 1/2-furlong GII Adirondack S. at Saratoga is beginning to take shape. Starlight Partners' **Position Limit** (Bellamy Road), who romped by 6 3/4 lengths in the mud at Belmont July 14, is likely for the Todd Pletcher barn. "I thought that with the way she broke her maiden that she could handle stakes competition," said Pletcher. "She's a big, scopey filly, and she'll prefer the added distance." Gatewood Bell and Wesley Ward's **Nina Fever** (Borrego), who won by eight lengths at first asking before running last of five in the GIII Kentucky Juvenile S. Apr. 30, has been working very well in the mornings. She recently posted a four-furlong drill in :46 4/5 over the main track Aug. 1. "Her debut race was great, because she really isn't bred to do that," said Ward, who trains the filly. "She sort of had a bad trip in the race at Churchill. She broke like a rocket, and [jockey] Robby Albarado sent her over to the rail after he saw that the favorite [Lou Brissie] didn't break well. But then [Lou Brissie] rushed up and kept us in a pocket." Ward said he wasn't set on running in the Adirondack, but "then she worked sensationally." Also probable for the Adirondack is Gold Mark Farm's **Silvislip** (Forestry). She won by 1 1/4 lengths in her first start, a 5 1/2-furlong maiden in the slop at Saratoga July 23. "She was always quick from the gate, and when I breezed her with other fillies," said her trainer, John Kimmel. "The track was sloppy that day, and that can help speed horses because they can avoid the kick back. But she doesn't need a sloppy racetrack to run well. With a little improvement, hopefully we'll be in position to be competitive."

**Woodward On Tap for Convocation...**

Centennial Farms' **Convocation** (Pulpit) will return to stakes company after a hard-fought allowance victory at Saratoga Wednesday. Trainer Jimmy Jerkens said the four-year-old is being pointed toward the GI Woodward S. at the Spa Sept. 4. Sent off the 3-10 pick dropping into a nine-furlong optional claimer Wednesday, Convocation outfought the pacesetting Glenwood Canyon (Silver Deputy) to the wire to win by a neck. He stopped the clock in 1:48.78 for the nine furlongs. "He's a little funny," said trainer Jimmy Jerkens. "He's not going to do more than what he has to. As soon as [the other horse] pulled up next to him, right up close to him, he surged again." Convocation, fourth in the GI Met Mile two back, was coming off a runner-up effort to Haynesfield (Speightstown) in the GII Suburban H. at Belmont July 3. He had been among those invited to tomorrow's \$750,000 GI Whitney, where he would have faced Haynesfield again, as well as the likes of Quality Road (Elusive Quality) and Blame (Arch). "We were toying with running in the Whitney, but it looks like the best he could have done is run the race of his life and finish third, and he's tired of that," Jerkens said. "That's what he had been doing the last couple of times. We hoped he'd get a race like this under his belt and get a little boost in his confidence, and then run him back in the Woodward."

# Gr. 1 Winner Bullsbay To Northview For 2011!

One of leading sire TIZNOW's best runners, BULLSBAY will become the first son of the two-time Breeders' Cup Classic-G1 winner and Horse of the Year to enter stud in the Mid-Atlantic region when he arrives at Northview's Maryland division for 2011!

Winner of Saratoga's 2009 Whitney H.-G1 over millionaires Commentator, Macho Again, Dry Martini and Smooth Air, BULLSBAY consistently faced the best of his generation in the country's most important events. In the venerable 1 1/8 mi. Whitney, he earned a **107 Beyer** Speed Figure.

BULLSBAY also scored in the Gr. 3 Alysheba S. at Churchill Downs and Laurel Park's Johnson

Memorial H., the latter over a field that included Gr. 1 winner Richard's Kid.

His stakes-placings included a second to millionaire Delightful Kiss in the Gr. 3 Hal's Hope S., and a third to Horse of the Year Rachel Alexandra in the Gr. 1 Woodward S. while posting a **106 Beyer**.

Out of the stakes-placed LORD CARSON mare The Hess Express, BULLSBAY is a half-brother to juvenile stakes winners OUR KHRYSTY and HIDDEN EXPRESSION.

**After R&R, Presious Passion To Resume Training...**

Patricia Generazio's **Presious Passion** (Royal Anthem) is set to return to training after receiving some time off. The veteran was sent to a local farm after running a

listless seventh in the GIII Monmouth S. in June, but will be rejoin trainer Mary Hartmann's stable today. "I'm going over to pick him up," Hartmann said. "He's had his rest, and he's doing great. He'll go back into training as soon as I get him back here." A dead-game second in last year's GI Breeders' Cup Turf at Santa Anita,

Presious Passion began the year with a win in the GII Mac Diarmida S. at Gulfstream. But he tired to last of 16 in the G1 Dubai Sheema Classic in March, and, after returning from Dubai, was through early in the Monmouth.

**Gio Ponti Chicago-bound to Defend Million Title. . .**

Defending champion older horse and 2009 GI Arlington Million hero **Gio Ponti** (Tale of the Cat) has been confirmed for this year's event, to be contested at 1 1/4 miles over Arlington Park's grass course Aug. 21.

Adam Coglianesi photo

The Castleton Lyons-owned Christophe Clement trainee was also being considered for the GI Pacific Classic at Del Mar Aug. 28. "[Gio Ponti] worked [Wednesday at Saratoga in 1:03.40 for five furlongs on the Oklahoma training track turf course] and I was very happy with the way he went," said Clement. "He will have a more aggressive work next week

and then we will head to the Arlington Million." The five-year-old will bid to become the first horse in the prestigious race's 28-year history to win back-to-back runnings. Legendary John Henry won the 1981 and 1984 editions, and Powerscourt (GB) was first under the wire in 2004 and 2005, but was taken down to fourth in the '04 renewal for interference. Gio Ponti is coming off a win in the GI Man o' War S. at Belmont July 10, snapping a five race losing streak for the earner of over \$4 million.

### Gitano Hernando Has Champion...

Team Valor International and Gary Barber's **Gitano Hernando (GB)** (Hernando {Fr}) has Newmarket's G1 Emirates Airline Champion S. as a target, trainer Marco Botti announced yesterday. One of 66 entries unveiled for the Oct. 16 10-furlong contest, last year's GI Good-

Benoit photo

wood H. winner is on the way back after a recent splint problem ruled him out of his major summer targets.

"Gitano Hernando had a splint, but he is back in full work now and we are looking forward to the au-

tumn," his conditioner said. "The horse is doing well, so we have given him an entry in the Emirates Airline Champion Stakes and we will see how he comes along. He looks well and he is an athletic horse, so he always keeps himself quite fit at home. At the moment, nothing is set, there is plenty of time to decide between now and the middle of October, so we will see how he progresses before committing him to any target. It has not quite been decided yet if the Breeders' Cup is his long-term target, we will just see at the moment how he progresses and then we will consider his options, but the Emirates Airline Champion S. is a race we will look at."

## NEWS TODAY

**PALERMO TO INSTALL TURF COURSE** Palermo, one of the most prestigious racecourses in South America, is set to begin work on the installation of a turf course. Construction will begin this Monday, and hopes are that the course will be completed by April, 2010. Antonio Bullrich, president of the racing commission, offered some details of the new track. "It will cover what is right now the second [dirt] course of the race-track, having in consequence a circumference of approximately 2200 meters," explained Bullrich. "The benefits will be great, for the trainers, horses and betting public." A meeting was held by officials last week to address any concerns the local horsemen might have. "We are not going to interfere in the most important thing, the training of the horses," said Bullrich. "We crossed the world to observe many turf courses, studied the logistics, the different species of grass, and the changing ideas on maintenance. We learned a lot."

**GRADE I WINNER BULLSBAY TO NORTHVIEW**

The six-year-old **Bullsbay** (Tiznow--The Hess Express, by Lord Carson) has been retired and will begin his stud career at Northview Stallion Station in Chesapeake City, Maryland, in 2011. Bullsbay registered his biggest

*Adam Coglianese*

career score a year ago in the GI Whitney H. at Saratoga, when he defeated a field that included Commentator (Distorted Humor) and Macho Again (Macho Uno). He earned a 107 Beyer Speed Figure for the effort. He also won the GIII Alysheba S. at Churchill Downs in

2009 and placed third behind Rachel Alexandra (Medaglia d'Oro) in last year's GI Woodward S. at the Spa. In his career finale, he ran second in a sloppy renewal of the Sussex S. at Delaware July 10. Racing for Mitchell Ranch LLC and Frank Lewkowitz and trained by H. Graham Motion, Bullsbay was first or second in 13 of 25 starts and retires with \$923,245 in earnings. Produced by the stakes-placed The Hess Express, he is a half to the juvenile black-type winners Our Khrysty (Newfoundland) and Hidden Expression (Yonaguska).

Second to Red Rally in their respective debuts last June, Bridgetown graduated over course and distance in August before shipping north of the border to annex the GIII Summer S. at Woodbine Sept. 19. The chestnut made the running in the GII Breeders' Cup Juvenile Turf at Santa Anita Nov. 7 and looked home leaving the eighth pole, but was run down by Pounced (Rahy). He ended the season on a sour note, weakening to fourth in the GIII Generous S. Nov. 28, and was looking to atone in his seasonal debut. Bridgetown tracked the pace under a long hold from Julien Leparoux, and when the Frenchman gave his colt the cue, he responded, opening daylight before holding a late run from Flamin' Hot. ## ERIC GUILLOT

General Manager and Trainer,  
Southern Equine Stables

*Southernequinstables.com*

**Birthdate:** January 3, 1962

**Birthplace:** New Iberia, Louisiana

**Current residence:** Wherever the meet is.

**Family:** Three sons: Rhett (21), Carter (15) and Eric Jr. (8).

**How did you first get involved in racing?** I'm from the heart of Cajun country and I've been around horses since I was six years old. I was born within a 30 mile radius of [jockeys] Calvin Borel, Eddie Delahoussaye, Kent Desormeaux, Robby Albarado, Randy Romero, Shane Sellers and Mark Guidry.

**When did you first get started with Southern Equine Stables?** Mike [Moreno, owner] and I have been doing this since 1999.

**How many horses do you currently have?** Altogether we have about 200. In training I have 65 or so.

**This is your first year coming to Saratoga full-time. What prompted that decision?** The synthetic tracks in California are like kryptonite to a racehorse.

**What do you think of 'The Spa' so far?** I love the atmosphere and the weather is a lot better than Southern Louisiana. It's a lot cooler and I love that.

**Favorite restaurant in Saratoga?** The Wishing Well was pretty good, but I think The Ripe Tomato was my favorite so far.

**Champagne d'Oro looks like a major contender in Saturday's GI Test .**

**How has she been training?** She's training like a boogie bear lost in the forest. As far as the race itself, there's a lot of speed. That horse from Calder (Pica Slew) is inside of her, so that's good. I think three or four horses can win, so it'll come down to who brings their best race.

**SES bred the sale topper from this past week's Fasig-Tipton sale (Hip #102 - A.P. Indy--Maryfield, \$1.2m). What did you think of him?** We also bred the sale topper at the July sale in Kentucky (Hip #159 - Medaglia d'Oro--Beright, \$450,000), so I'd say we were doing a pretty good job. I thought [the A.P. Indy] would have brought \$3 million in a good economy.

**Who was Maryfield bred back to?** She has an outstanding Unbridled's Song that I think is better than the A.P. Indy colt, and she's currently in foal to Medaglia d'Oro.

**Favorite horse you have ever trained?** I'm most proud of what I did with Show Me the Stage. I took her 36,000 miles by trailer and ran her at 10 different tracks in six different states in 28 consecutive stakes races over three years. She beat the boys and won four graded stakes.

**If you could change one thing about the sport what would it be?** I wish I could wear shorts in the Saratoga paddock.

**Favorite track?** That's a no-brainer--Del Mar. Every racing fan should go there at least once in their life.

**What track would you visit that you have never been to before?** I've never been to Arlington, believe it or not. I've heard that it's beautiful. As far as the whole world, I would love to go to Dubai. And I think I'll get to go there soon with the types of horses I have now.

**Favorite food?** Cajun food - especially my brother's famous jambalaya. He won a gumbo cook-off against professional chefs and restaurants in Louisiana.

# TODAY'S INSIGHTS

**3:48p HR/TVG 6th-SAR, \$50k, Msw, 3yo/up, f/m, 5 1/2f**  
**BRONZED (Smart Strike)** comprises half of an Al Goldberg-trained entry for owner Rich Santulli. A daughter of Touch of Greatness (Hero's Honor), the chestnut is a 3/4-sister to top sire and world-record holder Elusive Quality (Gone West) and MGSW Rossini (Miswaki). Touch of Greatness is the dam of three seven-figure yearlings. Entrymate **Pin Turn (Pivotal {GB})** is a daughter of MG1SW Ipi Tombe (Zim) (Manshood {GB}). Peter Blum's **Inspired (Unbridled's Song)** gets started in this abbreviated affair. The chestnut is a half to SW & GSP Elope (Gone West); SW Initiation (Gone West); and a full sister to SW & GSP Silver City. [brisnet.com pps](http://brisnet.com pps)

**AMERICAN STORY (Ghostzapper)**, a \$400k FTFEB graduate last year, put together a formidable worktab at Santa Anita before shipping to Del Mar, where she's had a couple of steadier works over five-eighths of a mile. He had one start to his credit since, an even fifth over the Keeneland Poly Apr. 23, and was a 2-1 chance in this off-the-turfer. Able to save ground as Temple Fair (Tiger Hill {Ire}) cut out the running, he overtook that foe in the lane and won by 1 1/4 lengths. Lifetime Record: 7-1-2-1, \$56,455. The attractive chestnut had the apparent misfortune of drawing the one hole for his debut, but was nevertheless sent off the 8-5 chalk to get his career started on a high note. Minus the shades for the debut, Skylord was away without incident and clicked off an opening quarter-mile in a smart :21.71 with second choice Saucy Stash (Maria's Mon) closest in pursuit. He put that one away with a minimum of fuss entering the stretch and opened up at will to score by a promising 5 3/4-length margin. Gangsterontherun (City Zip), one of two Wesley Ward firsters in the field, closed up the fence to be second best. Saucy Stash weakened to fifth. Lifetime Record: 1-1-0-0, \$30,000. **+ MAPLE FOREST (f, 2, Forestry--Maple Syrple, by American Chance)** gave the Pletcher barn a sweep of the day's baby races and a 1-2 finish in this heat with another front-running tally from the fence. The homebred, bought back for \$200,000 out of last year's KEESEP sale, trained with promise at the Spa dating all the way back to late May, but was the lesser-preferred of the stable's runners at 9-1. Ridden for speed by David Cohen, Maple Forest had a two-length advantage on the turn, widened past the eighth pole and was never seriously challenged, scoring by 2 1/2 lengths. The winner's dam was second in the 2003 GII Schuylerville S. at the Spa. Elusive Raven (Elusive Quality), the half-sister to the sidelined GSW Winslow Homer (Unbridled's Song), chased from second throughout and rounded out the exacta. Lifetime Record: 1-1-0-0, \$30,000. **Silver Medallion to Pilgrim?**

TYB Stable's **Silver Medallion** (Badge of Silver), a half-brother to Grade I winner Sweet Talker (Stormin Fever), could make his next start in the GIII Pilgrim Breeders' Cup S. at Belmont Oct. 3. The two-year-old colt showed plenty of grit in his debut at Saratoga Wednesday, getting his nose down over Forum (Roman Ruler) in a two-turn maiden special weight on the turf ([video](#)). Trainer Chat Brown said the ultimate goal is the GII Breeders' Cup Juvenile Turf at Churchill Downs. "I'd be more inclined to wait for the Pilgrim at Belmont [and] give him one start before the Breeders' Cup," he said. "I think the horse is good enough to run in the turf race. He's as nice a two-year-old grass horse that I've had. He's loaded with talent." Brown added that he was impressed with his charge's debut effort, especially given the colt's demeanor before the race. "He acted very nervous in the paddock," said Brown. "I saw him get nervous around people. He has been a high-strung colt. I knew we could win this race on talent alone."

**Bonnie's Poker, Dam of Silver Charm, Euthanized:**

*Edited Press Release*

**Bonnie's Poker** (Poker--What a Surprise, by Wise Margin), dam of 1997 GI Kentucky Derby winner Silver Charm (Silver Buck), was humanely euthanized yestreday at Old Friends Thoroughbred Retirement Facility in Georgetown, Kentucky. The 28-year-old mare was suffering from EPM. Trained by Anthony Dutrow, Robert Lake, and others, Bonnie's Poker was a hard-knocking claimer in the 1980s, starting 63 times with 11 wins--including three wins in 10 days at Aqueduct in 1986--and 19 other appearances on the boards. Her earnings totaled \$153,960. She made her real claim to racing fame, however, as the dam of the brilliant Derby and Preakness winner Silver Charm. "She had the biggest heart," said Robbie Davis, one of several jockeys to ride Bonnie's Poker during her four-year racing career. "She gave her best every time." In 2003, Bonnie's owners, Bill and Kristie Jakeman of the Florida-based Latitude 27 farm, opted to pension the aging broodmare after she suffered complications delivering a Fusaichi Pegasus colt. "Bonnie was doing very well until the last few weeks," said Old Friends founder and president, Michael Blowen. "Then she started to develop some problems with rear-end mobility." Added Blowen, "She was one of our big stars. She was proud and dignified until the very end."
