HELLEBORINE BLOOMS AT LONGCHAMP

Helleborine (GB) (Observatory), successful in a fillies-only newcomers' event at Maisons-Laffitte June 25, upgraded her portfolio with a stylish victory in the

Listed Prix Six Perfections at Deauville July 31, and continued on an upward curve with an easy win in Thursday's G3 Prix d'Aumale at Longchamp. Settled last of the four runners, but within range, from the outset, she

made smooth headway in the straight to lead approaching the final eighth and was pushed clear in the closing stages to earn a personal best in comfortable fashion. "We knew Helleborine was good after she won her first two races so well, and she has taken this next step in her stride," said trainer Criquelette Head-Maarek. "She's a totally different filly than her full-sister African Rose as she settles better and stays better. All being well, she will now return in the [Oct. 3 G1] Prix Marcel Boussac [over this course and distance]." African Rose captured the G1 Ladbrokes Sprint Cup at three in 2008, and New Orchid produced another Observatory filly this past spring. [Click for the Racing Post chart.](#)

PHIPPS STABLE TO OFFER MARES AT KEENOV

The Phipps Stable of Ogden Mills 'Dinny' Phipps announced yesterday that a few of its mares will be offered at the upcoming Keeneland November Breeding Stock Sale. Claiborne Farm, which boards the Phipps' bloodstock, will act as agent. "The decision to sell some of our horses was made as part of the normal course of stable management," said Daisy Phipps Pulito, who assists her father with stable operations. "My family remains fully invested in the Thoroughbred industry."

Among the mares slated to go through the ring this fall are **Just Reward** (Deputy Minister), in foal to Malibu Moon; and **Resort** (Pleasant Colony), in foal to Tapit.

Just Reward, a daughter of champion Heavenly Prize (Seeking the Gold), is the dam of recent G1 Personal Ensign H. winner **Persistently** (Smoke Glacken), while MGISP Resort has been represented by GSW & GISP Sightseeing (Pulpit). Among the Eclipse Award winners campaigned by Dinny Phipps are Inside Information, Rhythm and Smuggler. His late father Ogden Phipps was the nation's champion breeder in 1988, and received an Eclipse Award of Merit in 2002.

Unraced as a juvenile, Eastern Aria bounded through her sophomore campaign, claiming seven victories, including Saint-Cloud's Listed Prix Joubert, and closed last term with a fourth in the GI E.P. Taylor S. at Woodbine. She opened this semester with three off-the-board efforts before taking out the Listed Aphrodite S. at Newmarket July 17, and the G3 Lillie Langtry S., in course-record time, at Goodwood July 29. The bay lined up here off a fourth in the G2 Prix de Pomone at Deauville Aug. 14, and bagged a career top in battling fashion. Positioned in fourth until making smooth headway in the long straight to lead at the two pole, she was headed by Rumoush approaching the final eighth, but rallied gamely under a drive to deflate that rival, with G1 Epsom Oaks runner-up Meeznah staying on well to hit the board. "She's very tough and you know if something comes to challenge, you are going to find plenty when you're on a Mark Johnston [-trained] horse," said jockey Frankie Dettori. "She has kept her form all year and was a good winner today. They went plenty fast enough and I wanted to wait a bit longer rather than kicking on three [furlongs] out. She stayed on really well." Deirdre Johnston, wife of the victorious trainer, added, "She broke the track record at Goodwood over much the same trip, so we knew she stayed. She's unbelievably tough and she will not give in." Meeznah's trainer was far from downcast with the performance of his star distaffer. "We were a little bit short of room and the winner had first run on us," David Lanigan told *PA Sport*. "Meeznah's run another good race and we have a couple of engagements in France, but we will see how she is after this." **Click for the [Racing Post chart](#), the [brisnet.com PPs](#) or the [free brisnet.com catalogue-style pedigree](#). KEENELAND NAMED OFFICIAL INDUSTRY CHAMPION OF BREEDERS' CUP The Keeneland Association has been named an official industry champion of the Breeders' Cup World Championships as part of a multi-year agreement, it was announced yesterday. During telecasts of the championship event, the auction company's logo will appear on-screen next to its graduates who are starters, and will also be featured prominently in the past performances of the official track program. The Breeders' Cup will be held Nov. 5-6 at Churchill Downs. "We are very excited about our new partnership with Keeneland and the opportunity to work together to showcase the best horses in the world to the broadest possible audience of racing fans and prospective horse owners," said Breeders' Cup President and CEO Greg Avioli. Keeneland President and CEO Nick Nicholson added, "This partnership is a natural extension of the long-standing relationship between Keeneland and the Breeders' Cup. With 48 of our graduates having won Breeders' Cup races through the years, our sales alumni have had an exceptional showing at these championships. This partnership allows us to showcase the outstanding horses that come through our auction ring and go on to Breeders' Cup greatness."

WALTER HAEFNER - THE MOYGLARE LEGACY

A Word Apart (Ire) (Desert Style {Ire}) will carry the renowned red, black and white silks of Walter Haefner's Moyglare Stud in Saturday's G1 Vincent O'Brien National S. at the Curragh. The Dermot Weld-trained colt,

a half-brother to the talented Casual Conquest (Ire) (Hernando {Ire}), bids to add yet another chapter to the Moyglare legacy. Profound Beauty (Ire) (Danehill) will also go to post, for the same connections, in the G1 Irish Field St. Leger later that day. Victory for either horse would be a fitting tribute to Haefner, who celebrates his 100th birthday on Sept. 13. A gifted entrepreneur and talented rider, Haefner

developed a passion for Thoroughbred breeding, and set about acquiring a boutique broodmare band in 1962. The Swiss-native purchased Moyglare Stud in Ireland with the aim of breeding commercially however, the decision was made in 1980 to race all homebreds. This shift in emphasis was no doubt encouraged by his long-serving trainer Dermot Weld, a keen advocate of international racing. "Walter Haefner was always a man of great vision, and he gave me the confidence and encouragement to travel horses like Moyglare-breds Go and Go (GB) [1990 GI Belmont S. winner by Be My Guest] and Additional Risk (Ire) [1991 Hong Kong Bowl winner by Ahonoora {GB}]. These horses traveled long distances by air before it became the norm, and their success was due in large part to Walter Haefner's influence," explained Weld. The audacious plan to send Go and Go across the Atlantic was revolutionary, and he remains the only European-trained horse to win an American Classic. Haefner has shunned the media spotlight and remained extremely humble, despite experiencing sustained success in both the racing and breeding spheres.

TDN Feature Presentation cont.

Haefner has allowed his horses to do the talking, with a record of almost 100 black-type winners indicative of his actions-speak-louder-than-words philosophy. Although, Mr. Haefner officially handed over the reins of Moyglare to his daughter Eva-Maria Bucher Haefner in 2008, his passion has not abated and he continues to take pleasure from seeing his famous colors compete at the highest level. With the transition from father to daughter almost complete, the Moyglare legacy appears to be in safe hands.

Ladbrokes St Leger cont.

Ed Dunlop yesterday gave the green light for Cristina Patino's dual Oaks heroine **Snow Fairy** to take her place in the line-up for tomorrow's G1 St Leger. Unfavorable forecasts early in the week had prompted connections to cast doubt on the participation of the Epsom and Curragh Classic heroine, but, with the weather improving, it has been decided that she will take on the boys. "Following Monday's heavy rain, the weather has done a u-turn on Town Moor and things are looking much more favourable, though they are talking of a possible eight millimetres of rain on Friday night, so we will have to hope that they have got that wrong," Dunlop commented. With regular pilot Ryan Moore on Khalid Abdullah's longshot **Total Command**, Eddie Ahern will take over on the homebred who bids to become the first of her sex to win since User Friendly (GB) (Slip Anchor {GB}) in 1992. Oaks winners Ramruma (Diesis {GB}) and Look Here (GB) (Hernando {Fr}) have failed in the interim. "Snow Fairy is in great form, and, while it's disappointing that we can't have Ryan Moore, who has been claimed by Sir Michael Stoute for Total Command, Eddie Ahern is a more-than-able deputy," Dunlop added. "Eddie did the job for us on Native Khan in the Solario S. at Sandown, and let's hope we get lucky together again." Colm O'Donoghue will be on board Ballydoyle's main hope **Midas Touch**, as Johnny Murtagh is on duty at The Curragh, while Jamie Spencer resumes his partnership with the operation's **Joshua Tree** after they were third in the G2 Great Voltigeur S. at York last time Aug. 17. Britain's leader in the jockeys' championship Paul Hanagan has been booked to partner Highclere Thoroughbred Racing's June 18 G3 Queen's Vase runner-up **Theology**. Subsequently sixth in the G3 Gordon S. at Goodwood July 27, the Jeremy Nosedata trainee needs to improve to feature here. "Paul Hanagan, who rode the Highclere Thoroughbred-owned colt at Goodwood, will remain at the helm," a statement on www.highclereracing.co.uk read. "Jeremy reports him in great shape, having worked really well this past week and is confident that he will be spot-on for the big day."

Last year's one-two **Askar Tau** and **Darley Sun** re-oppose with questions hanging over the pair following off-the-board efforts this term. While the former was eighth in Ascot's G1 Sagaro S. when last seen Apr. 28, Godolphin's recruit Darley Sun has slipped in the rankings and comes here on the back of a disappointing 12th behind **Dirar** reverting to top handicap company in York's Ebor Aug. 18. Askar Tau's trainer Marcus Tregoning has been hard at work attempting to revitalise his charge. "He's got used to the visor, and he needs a bit more of a surprise, perhaps," Tregoning told *PA Sport*. "He's quirky, but a lot of the breed are. He's by Montjeu out of a German staying mare. He doesn't like soft ground, but possibly a lot of that could be he doesn't want things too difficult. This two-mile-two trip suits him best of all because it gives him a long time to get into the race." **Electrolyser** was third in the Sagaro and runner-up in the July 29 G2 Goodwood Cup before filling fourth spot behind the winner **Opinion Poll** and runner-up **Samuel** in the G2 Lonsdale Cup at York last time Aug. 18. Trainer Clive Cox said, "He has really done well this year and is a worthy Group 2 performer. He is still progressive and comparatively lightly raced and Opinion Poll has a penalty here."

All carry 124 pounds.

This sees a clash between the potentially top-class **White Moonstone** and **Midnight Caller**, who both captured the imagination on their last visits to the races. The former accounted for some smart rivals when extending her unbeaten record in the G3 Sweet Solera S. at Newmarket last time Aug. 7, while Midnight Caller was barely off the bridle opening her account over this trip at Leicester Aug. 31. "White Moonstone is a filly that I like a lot and she has been doing very well recently," trainer Saeed bin Suroor commented. "She has been impressive on both her starts and deserves to take another step up in class. Racing over a mile will be no problem for her and I am looking to see her run another big race." **Lily Again** has proven form in the book, having won Sandown's seven-furlong Listed Star S. July 22 before finishing a respectable fourth in the G1 Moyglare Stud S. at The Curragh Aug. 8.

Zebedee bids to add another big prize to his already impressive tally, having garnered the Listed Dragon S. at Sandown July 2, the G3 Molecomb S. at Goodwood July 27 and Newmarket's £100,000 Tattersalls Millions Auction S. last time Aug. 28. "Zebedee showed at Newmarket that he gets the six furlongs, but arguably this five is his optimum trip," trainer Richard Hannon commented. "There looks like being plenty of pace in the race which will suit us perfectly as Hughesie, who knows the little horse inside out, will be able to creep there quietly and, hopefully, produce one of his customary late swoops." Unbeaten in two starts, **New Planet** looked a colt with a future when capturing the Listed Roses S. at York last time Aug. 18, and trainer John Quinn is hoping he can extend his record in this tougher test. "He's very well, he's come out of his race well and we are hoping for a good run and hope he wins," Quinn told *PA Sport*. "He doesn't burn the place up at home, but we are pleased with him. He's joint-top rated on the figures with Zebedee and you'd have to have huge respect for him with what he's done this year."

Meow, who was runner-up in the June 16 G2 Queen Mary S. at Royal Ascot, recorded a narrow verdict over **Ladie's Choice** in The Curragh's Listed Grangecon Stud S. last time Aug. 21 and trainer David Wachman expects improvement. "I think she needed the run the last day, Johnny [Murtagh] said she had a good blow a furlong out," Wachman told *PA Sport*. "She's very quick and we'll know where we stand after tomorrow. Time will tell if she stays further next year."

TVG NAMED EXCLUSIVE TV PARTNER OF OAK TREE MEET, SPONSORING TWO RACES

Edited Press Release

TVG announced Thursday that it has been designated exclusive TV partner of the 2010 Oak Tree at Hollywood Park race meet, and will be the title sponsor of two of the meet's premier events, the GI Lady's Secret S., Presented by TVG, and the GI Clement L. Hirsch Turf Championship, Presented by TVG. The Lady's Secret, expected to feature unbeaten Zenyatta in her final race prior to her anticipated attempt at back-to-back victories in the GI Breeders' Cup Classic, is scheduled for Oct. 2, while the Hirsch will be run the following day. The Oak Tree Meet, which kicks off Sept. 30 and concludes Oct. 31, will be contested at Hollywood Park for the first time following a run at Santa Anita Park from 1969-2009. "We are thrilled to be partnering with Oak Tree as it embarks on this next stage in its historic position on the racing calendar," said TVG CEO Stephen Burn. "With Zenyatta saying goodbye to her California followers, and the meet featuring eight Breeders' Cup Challenge Races, we are confident racing fans are in for a special treat. It is our privilege to be the only TV outlet delivering all the action as it unfolds." Oak Tree's Executive Vice President Sherwood Chillingworth added, "Oak Tree is very pleased to be teaming with TVG. Their sponsorship of our two premier Grade I races--Lady's Secret S. and Clement L. Hirsch Turf Championship--is very much appreciated. When Oak Tree racing fans can't make it out to the track at Hollywood Park, they'll be in good hands via TVG's excellent broadcast coverage of our races."

SIMPLE SPLENDID RETIRED

Graded stakes winner **Simply Splendid** (Maria's Mon--Lears and Limos, by Hennessy) has been retired and will be offered at Keeneland November, *Daily Racing Form* reported. "She'd had a couple of issues before her last race, and we just decided to retire her sound and healthy, with the great form," trainer and co-owner Gail Cox told *DRF*. The five-year-old had been under consideration for the GII Canadian S. Sept. 18 and GI E.P. Taylor S. Oct. 16. "I was on the fence a little bit," Cox added. "But there would really be just the one race left for her, because she wouldn't be ready for the Canadian. Winner of the Sweet Briar Too S. on Polytrack in 2009, the chestnut captured the GII Nassau S. on the Woodbine turf in June, and returned to the main track to finish second in the Ontario Matron S. July 25 in what would be her career finale. She retires with a record of 13-6-3-2 and earnings of \$462,767.

KEENELAND SEPTEMBER Yearling Sale

Sept. 12 & 13 • 7 p.m.
Sept. 14-26 • 10:00 a.m.

Do Not Go Gently...

The 2010 Keeneland September Sale will draw a curtain on one of the most successful commercial runs in yearling sales history. The great Storm Cat, sire of more million-dollar yearlings than any other stallion, finds the remaining two members of his diminutive three-horse final crop slated to go under the hammer during Book 1.

On opening night Sunday, John Sikura's Hill 'n' Dale Sales Agency consigns [hip 47](#), a full-brother to Marino Marini, runner-up in the G1 Phoenix S. in Ireland as a juvenile and second again in the GI Malibu S. in the U.S. at three. The Feb. 25-foaled colt, also a half to MGSP Quick Temper (A.P. Indy), is a son of the hard-knocking millionairess Halo America (Waquoit), whose wins included the GI Apple Blossom S. at Oaklawn.

"He's a unique horse," said Sikura, whose Hill 'n' Dale co-bred the bay along with Gaines-Gentry Thoroughbreds, Rancho San Miguel and NETP. "The mare was a Grade I winner, a wonderful racemare, and she's also been a wonderful producer. We bred, foaled and raced Marino Marini. He was a very good two-year-old over in Europe, and a very fast, Grade I-calibre horse in California. And this is his full-brother. It's the end of an era, the last Storm Cat colt out of a major racemare and major producer. It makes him special."

Monday's second session features [hip 108](#) ([walking video](#)), a filly consigned by Craig and Holly Bandoroff's Denali Stud. Bred by Earle Mack, the filly is a daughter of the New York stakes horse Western Princess (Gone West), and hails from a family that has shown an affinity for Storm Cat blood. Under the third dam is the sister-and-brother combo November Snow and Scatmandu, both by the former Overbrook stallion. The latter was a Grade III winner and sire, while the former pulled off the rare GI Test S./GI Alabama S. double.

"She's a nice filly," said Craig Bandoroff. "She's got good size and good leg, and a little bit of stretch for a Storm Cat. And she's correct--Storm Cats are not always that way. Her knees are good, and overall I think she's a nice, quality filly. As advertised, she's unique. Not only is Storm Cat a great sire, but he's also a top broodmare sire. I think she's attractive from both those perspectives."

Bandoroff talked about Mack's good fortune, owning one of the only three mares to get in foal to Storm Cat in the spring of 2008, the year in which he was pensioned from stud duty.

"I am a big fan of Corinthian as a stallion prospect. A son of Pulpit, like Tapit and Sky Mesa, Corinthian has the royally-bred Easy Goer as his broodmare sire and hails from one of the strongest female lines in the stud book."

CORINTHIAN

"We always talk about being unlucky in this business, but you can be lucky, too," he said. "She went to Storm Cat, had one cover, and in a year that there weren't many who did--got in foal. And here we are."

The third yearling from Storm Cat's final-crop triumvirate, a filly out of Richwoman, was offered at Fasig-Tipton Saratoga, but bought back for \$220,000.

While Storm Cat's rise to prominence has been well documented and his stats well known, the grandson and chief flagbearer of Northern Dancer, along with Danzig, still has the capacity to awe when certain figures are considered. According to Brisnet, for instance, there have been 457 yearlings by Storm Cat to sell at public auction (a figure that may not include some European sales in the 1990s and early 2000s). The gross of the group? A staggering \$318,349,351. That's good for a \$696,607 average. This, from a sire who had just one six-figure yearling from his first crop, the \$160,000 Keeneland graduate Blue Tiger, who would go on to become one of his sire's first stakes winners.

Eaton Fully Loaded at Keeneland...

The September sale just wouldn't be the same without the presence of consignor Eaton Sales, who once again is well represented at Keeneland. With just over two dozen yearlings on offer over the course of the first two select sessions, Reiley McDonald, who operates Eaton with Archie St. George, is confident that this year's consignment offers a broad range of yearlings that should prove attractive to all levels of buyers.

Reiley McDonald
www.eatonsales.com

"In terms of the big hitters, there are any one of 10 horses than can break \$500,000 and possibly kick on," said McDonald. "We are pretty solid as we go through each day

pretty much through to the end. So we have somebody in there for everybody."

Among those likely to headline the consignment is [hip 46](#), a Distorted Humor half-brother to 2003 GI Breeders' Cup Juvenile Fillies winner and champion Halfbridled (Unbridled).

"He is just exceptional," confirmed McDonald. "He is, physically, as nice a colt as I think we have. He obviously has the pedigree, and I'd say if we have a breakout horse in the consignment, I think it's him."

Sure to keep buyers around through to the end of the second day of Book 1 is [hip 207](#), a colt by leading sire A.P. Indy. Bred by Eaton Sales, the dark bay is out of Take Charge Lady (Dehere), winner of GI Ashland S. and GI Overbrook Spinster S. (twice), and over \$2 million in earnings on the track. A \$175,000 Fasig-Tipton July sale graduate, the 11-year-old mare was knocked down for \$4.2 million at Keeneland's November sale in 2004.

"He is a big, strapping colt who looks a lot like his mother, just from that standpoint," McDonald said of the youngster. "He is a very dominant yearling."

Also offered late in Monday's session is [hip 205](#), a daughter of Pulpit. Purchased by Brushwood Stable for \$275,000 from the Overbrook dispersal at Keeneland last November, the bay is a half-sister to GIII Holy Bull S. winner Winslow Homer (Unbridled's Song), a nine-length winner in his most recent appearance in the Aug. 1 Curlin S. at Saratoga.

"She is quite pretty, and since she's by Pulpit, she's not as big as Winslow Homer, but she's quite nice," confirmed McDonald. "We were hoping Winslow Homer was going to go to the GI Travers S., but he was caught short because of injury. He was probably one of the most talented three-year-olds in the country this year." **Cont. p13**

THE STAR WHO'S EARNED HIS STRIPES

Go down the **Quality** road...

Elusive Quality is America's leading sire by Stakes winners and Stakes wins. He also just happens to have sired the best horse in the land, too...

Also likely to appeal to U.S. buyers are a pair of fillies by the American-based sires Dynaformer and Street Sense, offered as [hip 118](#) and [hip 130](#).

The first through the ring is a daughter of multiple graded stakes winner Bank Audit (Wild Rush). The Apr. 29 foal was bred by Ian Banwell's St. George Farm.

"She is quite special physically," said McDonald. "She looks exactly like Dynaformers are supposed to look. There probably won't be very many more of them, and he is probably one of our more well-rounded sires around today."

Set to enter the arena soon afterward is Hip 130, a filly by juvenile champion and GI Kentucky Derby winner Street Sense (Street Cry {Ire}), who is represented by his first crop of yearlings this year. The Jan. 30 foal is out of Cat's Fair (Sir Cat), already responsible for GI Santa Anita Oaks winner Crisp (El Corredor). The bay is from the family of MGSWs Whywhywhy (Mr. Greeley) and Spellbinder (Tale of the Cat).

Eaton grad Crisp
Benoit photo

"She is a big, tall, leggy filly that is very athletic," said McDonald. "She also is a half to a very talented horse in Crisp. She is in a bit of a growthy stage right now, which is kind of what I like to see when I'm buying horse, because you can kind of see what they are going to become."

A Taste for the International...

Adding international flair to the consignment's select offerings is a trio of yearlings. Early in session 1, Eaton presents [hip 15](#), a son of Mr. Greeley, out of the unraced mare Balistroika (Nijinsky II). The Feb. 16 foal is a half-sister to European champion three-year-old filly and G1 1000 Guineas heroine Russian Rhythm (Kingmambo); Group 2 winner Perfectperformance (Rahy); and GSP I've Gota Bad Liver (Mt. Livermore).

"Physically, this yearling is really quite special," said McDonald. "She certainly has the pedigree to match."

Also sure to attract some overseas interest on day two is [hip 140](#), a chestnut filly by Giant's Causeway, out of the Unbridled's Song mare Diamond Necklace. The six-year-old mare is a daughter of Helsinki (GB) (Machiavellian)--herself a full-sister to Grade I/Group 1 winner Street Cry (Ire)--and a half-sister to champion and MG1SW Shamardal (Giant's Causeway). A \$1.15-million weanling purchase at Keeneland November in 2004, stakes-placed Diamond Necklace was purchased by a partnership of BBA Ireland & Dean Fleming's Tyreel Stud at that venue in 2008 for \$1.3 million.

"We sold A.P. Warrior for [\$1.3 million at KEESEP in 2004 on behalf of BBA Ireland], and they have been good clients for us for a long time," said McDonald. "[BBA Ire and Tyreel] stepped out when they bought Diamond Necklace, and they asked us to sell this filly. She has a marvelous pedigree, and is great for somebody who is in the market for a potential broodmare, that also has racing potential. In this case, the residual value is all over her, and then you're hoping to get some racing out of her." Cont. p14

Also slated to sell late in Monday's session is [hip 201](#), a daughter of Mr. Greeley. Offered on behalf of Grousemont Farm, the May 24 foal is out of the unraced mare Star of Paris (Dayjur), dam of the French highweighted two-year-old colt Elusive City (Elusive Quality).

"This is the kind of filly that anybody would want with that pedigree," McDonald added.

And according to McDonald, this September's Eaton consignment should stack up well with the current selection of yearlings.

"The overall quality of yearlings offered here is really very good. I have to say that from the few farms I've already visited, [Keeneland] has kept the physical standard very high. I think we should have a good sale."

WHY CALIFORNIA WILL GET AWAY WITH THIS CRIME

By Bill Finley

special to [espn.com](#)

Horseplayers are stupid.

That's what they are counting on in California, where the California Horse Racing Board is about to push through an exorbitant increase in takeout. Starting Dec. 26, the take on trifectas, superfectas, Pick Threes and Pick Fours is going up to 23.68 percent (an increase of 3 percentage points). Exactas and daily doubles are going to go up to 22.68 percent (an increase of 2 percentage points), which will be the highest takeout rate on such bets among any major racing jurisdiction. Only the irrelevant racing states of Massachusetts, Colorado and Minnesota will have a higher take on the doubles and exactas.

The day after Christmas, they're going to start robbing you blind. And they're going to get away with it... because horseplayers, as a lot, are, indeed, stupid.

When there are so many better betting opportunities out there, why would any rational person continue to bet on California racing? Not only is it a product plagued by small fields, overwhelming favorites and a lot of unplayable races, but it's going to be one of the worst values in the game. The same exacta that would pay \$81.40 in New York and \$81 in New Jersey will pay just \$76.20 in California. That's a big bite to begin with and the type of thing that turns into a huge number over time.

The CHRFB, track owners and horsemen should be quaking in fear that such an onerous takeout increase will destroy their business. After all, what other slumping business would dare try to improve the bottom line by increasing prices, especially when the competition gives its customers such a better deal?

One of the biggest problems racing faces is that the casinos, which have become the sport's biggest competition, offer their customers far lower takeouts on its many games of chances. Betting in a casino makes a lot more sense than betting at the track.

In a logical world, the house would be slashing takeout prices and coming up with all sorts of incentives to get the customers coming back through the doors. In a logical world, with such a hefty takeout increase, the customers would flee from the California product and bet only on the tracks that give them a better deal. Handle would then fall so precipitously that the California tracks would be forced out of business.

That's what should happen, but it won't. And they know it.

Very few horseplayers ever react to takeout increases, or decreases, for that matter. If history is any kind of guide at all, there will hardly be a single horseplayer who will decide on Dec. 26 that because the takeout is so high in California they will boycott the first at Santa Anita and instead bet on the seventh at Aqueduct because their money will go a lot farther playing New York races. The vast majority of horseplayers won't change their betting habits one bit.

Cont. p15

The result will be that whatever changes there are to the total betting handle in California will be marginal and this legalized robbery will go off without any serious penalties being inflicted on those committing the crime. California is raising the takeout in an effort to find more money for purses. They'll get just what they are looking for, because most horseplayers won't fight back.

That's why they keep doing this to us. They know they will get away with it. Even when racetrack operators or racing commissions have tried to do the right thing, the players haven't done their part. Keeneland and Laurel both tried dramatic takeout decreases in recent years, hoping that would spur bettors to bet more on their races. In both cases, it didn't happen and those tracks soon went back to the old takeout levels.

I have written hundreds of articles over the years blasting tracks that have raised their takeouts and predicting they will eventually pay for it with smaller total handles. I thought I was right. After all, when you continually take so much money out of the players' pockets, handle will fall. A broke customer is not a good customer.

The problem I overlooked is simulcasting. If players had only the California tracks as a betting option, the handle at those tracks would eventually decline and decline by a lot because so much betting money would eventually be taken out of circulation.

Have something to get off your chest?

The problem is that most players are playing tracks all over the map. If they go home with \$20 less in their pockets at the end of the day because they were ripped off by the new California takeout rate, that probably means they'll be betting less on not just Santa Anita but on Aqueduct, Fair Grounds, Calder, Hawthorne and whatever other signals they might be playing. That limits the hit California takes.

Tracks just keep digging deeper into our pockets. Who's to say that a takeout increase to 30 percent won't be next in California? The only way to put a stop to these things is for the customers to rebel, for them to stop betting on the tracks that gouge them and support the ones that don't. But horseplayers have never looked out for their best interests and I don't hold out any hope that that will change.

Tired of getting fleeced at the track? You have no one but yourself to blame.

Godolphin's **Gayego** will stretch out off of a fourth-place finish in the GI Alfred G. Vanderbilt H. Aug. 8 over six furlongs at Saratoga. The \$1.5-million earner and Grade I-winning sprinter should have no problem with the added ground, having won the 2008 GII Arkansas Derby and finishing second in last year's G2 Godolphin Mile at Nad Al Sheba. In two tries on Tapeta, the five-year-old finished second in the G3 Al Shindagha Sprint and eighth in the G1 Dubai Golden Shaheen, both at Meydan earlier this term. **Successful Dan** could play the role of upsetter for conditioner Charles Lopresti, who shipped Here Comes Ben (Street Cry {Ire}) up to Saratoga to take the GI Forego S. last weekend. Successful Dan was a dull fifth in an Arlington allowance sprint Aug. 6, but that was nothing more than a prep after a 14-month vacation. The four-year-old gelding was three-for-three before the break, taking the GIII Northern Dancer S. by a head over subsequent GI winner Warrior's Reward (Medaglia d'Oro) last June.

RCI Forms Regulatory Attorney Group:

Racing Commissioners International has formed a special committee of racing regulatory attorneys, and Susan Speckert of Lexington, Kentucky, is the new committee's first Chair. Speckert currently serves as General Counsel to the Kentucky Horse Racing Commission. "This committee will provide a forum where racing regulatory legal issues can be discussed among the various attorneys who support the work of the commissions," said RCI Chairman Dan Hartman. "In the coming months, we anticipate this committee will assist in creating a library of racing regulatory case decisions which would be available to commission legal staff." RCI is currently engaging with the Racing Medication and Testing Consortium (RMTTC) to develop a uniform way in which treatment overages and drug violations are issued and ultimately communicated to the public. "There is a tremendous amount of misunderstanding that exists when a medication rule infraction is issued," said RCI President Ed Martin. "Many accidental treatment overages are perceived by the public as deliberate attempts to cheat. It's time we look at how these matters are handled to see if we can help the fans better understand that there is a major difference between a deliberate attempt to drug a horse for fraudulent gain, and an accidental treatment overage of a substance prescribed by a veterinarian for no other reason than to protect a horse's health." The Horse Farm Workers Education Assistance Fund Awards 32 Scholarships

Edited press release

The Horse Farm Workers Education Assistance Fund has awarded 32 scholarships for the 2010-2011 academic year to children of full-time workers on Central Kentucky Thoroughbred farms. Scholarships for tuition are granted for education after high school and are based upon need, merit, essays and personal interviews. To date, 416 annual scholarships (averaging nearly \$2,000 each) have been awarded since the Fund's inception in 1996. Two of the current recipients are Pollard Scholars at the University of Kentucky. (For a complete list of the scholarship recipients and the schools they're attending, click [here](#).) Scholarships are also available for full-time horse farm workers who wish to take equine or training related courses to work more effectively with horses in their current farm jobs. Rob Whiteley, president of the Fund, said, "Year after year, hard-working, extraordinary young people continue to impress the board with their ability, accomplishments, and enthusiasm. They have internalized the work ethic of their parents and most of them help pay their way through school by working one or more jobs in addition to attending classes. Thus the goal of the Fund is to provide enough money to these deserving students so that their schoolwork can be their number one priority. In many instances our scholars are the first in their families to pursue a post-secondary education, and in some cases, they would not be able to attend without our financial assistance." Whiteley cited a number of organizations responsible for helping to fund the effort, including the Carl Pollard Foundation, the Crafty Prospector syndicate, the Kentucky Farm Managers' Club, Kentucky Owners and Breeders and KTA, Fasig-Tipton, Keeneland and individual donors, including William Marquard of Eaglestone Farm and William T. Young of Overbrook. "Horse Farm workers are the backbone of the Thoroughbred industry, and these scholars are a source of pride to their parents who have worked so hard in order for their children to enjoy a fulfilling and productive quality of life," said Whiteley. "Several graduates are distinguishing themselves in the industry, one having served as the director of racing at a major North American race track." INCREASES AT LEGER SALE

Doncaster's St. Leger Festival Sale showed the benefit of being cut to one session yesterday, with the end result being substantial increases on its two-day equivalent of 2009. After revealing an average of £10,644, which represented a 30-percent hike on its predecessor, and median of £8,000, which was up by a third, Doncaster Bloodstock Sales' Managing Director Henry Beeby was understandably pleased. "It is never easy for an auction house to take the decision to cut a sale in terms of numbers, as that inevitably means a lower turnover and that is what pays us," he commented. "However, we feel vindicated on this occasion as, although the turnover is down as predicted, contracting the sale to one good evening has resulted in a sale of relative strength. We feel this sale has a proper role to play and have been heartened by the depth of the trade over the three hours [of] selling, to the extent that we anticipate building on these results next year."

It was the last yearling into the ring who stole the headlines, with Wheelersland Stud's Royal Applause (GB) filly making the highest price at £65,000. Hip [96](#) is a half to numerous winners including former DBS graduate Kyllachy (GB), one of the best sprinters of recent times and now a successful sire. After seeing off Ed Sackville, David Armstrong and Bobby O'Ryan, Peter Doyle prevailed for owners Chris and Julie Wood. Monsieur Bond (Ire) has enjoyed a furtive spell with his runners of late including the Group winners My Name Is Bond (Fr) and Gilt Edge Girl (GB), and Jamie Railton's colt by the 2004 G2 Duke of York S. winner was snapped up by his former trainer Bryan Smart.

Hip [19](#), whose dam is a sister to the dual Group winner Tropical Star (Ire) (Machiavellian) and who has already produced another Smart trainee in Weatherbys Super Sprint third-place getter Move In Time (GB), was sold for £44,000. Doncaster regular Bobby O'Ryan paid £32,000 for The National Stud's hip [68](#), a son of the 2007 G1 English and Irish 2000 Guineas hero Cockney Rebel (Ire) from the extended family of Mr Brooks (GB) and First Trump (GB). Successful in a June 9 handicap at Kempton, Dever Dream hit the board in the Listed Eternal S. at Warwick next time June 24, before regaining the winning thread in a Newmarket handicap July 17. She ran second in the Listed Flying Fillies' S. at Pontefract last time Aug. 15, and pounced late in this straight seven-furlong contest to register a first black-type score. Settled off the pace until cruising into contention approaching the two pole, she quickened smartly under urging to lead inside the final furlong and ran on strongly to win with panache. "We trained her mother, who stayed well, so she's bred to get seven [furlongs] or a mile and should stay the latter," commented trainer's wife Maureen Haggas. "She's always shown a bit of speed and has been quite keen to get on with things, but she is growing up and settling better now. She's got a good temperament, seems to be improving with every race and we can't ask for any more than that. We'll get her home and then decide where to go next." [Video, courtesy of Racing UK.](#)

Wootton Bassett warded off Galtymore Lad to bring off a rare Sales race double here in a virtual copy of the DBS Premier Yearling S. Having been pushed all the way to the line by that rival in the six-furlong York contest Aug. 19, the dark bay's extra stamina came into play late on as he extended his unbeaten record. Familiar with this track after recording an impressive conditions win on his second start July 15, he jumped fast and was always in the front line of four or five with his arch-rival, who was eight pound better off this time, stalking in the main group behind. Narrowly in front before halfway as he tugged at Paul Hanagan's arms, he was initially swamped by the eventual runner-up with a quarter-mile remaining, but maintained his momentum to regain the advantage in the final 100 yards. "He's a good hardy horse who is getting better," commented trainer Richard Fahey, whose G2 Gimcrack S. third Sir Reginald (GB) (Compton Place {GB}) put the form in a solid context three lengths back in fifth. "There is massive money on offer, so I was never in doubt about coming here, but we'll have to step him up to pattern company now and see from there. He's a big, scopey horse and I hope he stays, but he has a lot of natural speed." His jockey added, "These good horses don't come along too often, and he's a bit of a freak. It's his temperament that sets him apart--he is such a straightforward, laid-back horse and has come in like he hasn't had a race. The further he went there, the better and, although he's a bit keen in his races, it's because nothing has been good enough to lead him, so I think he'll definitely get further and the better the race, the better he'll be." EUCHARIST (IRE) (f, 2, Acclamation {GB}--Satin Rose {GB}, by Lujain), who overcame trouble in running when taking a competitive six-furlong Goodwood nursery last time July 31, was held up in rear throughout the early stages. Sent in pursuit of the likely winner Ragsah (Ire) (Shamardal) with a quarter-mile remaining, the 9-2 second choice wore down that rival in the final 50 yards before asserting to score by a half-length. Godolphin's Ragsah, the half-sister to Dubai Millennium (GB) (Seeking the Gold), was judged by the stewards to have interfered with the third-placed Mortitia (GB) (Dansili {GB}) when veering right in the final yards and was demoted to third behind that rival. 1st Dam: Shirley Valentine (GB) (SP-Eng), by Shirley Heights (GB)

2nd Dam: Slightly Dangerous, by Roberto

3rd Dam: Where You Lead, by Raise a Native

Picture Editor was an intriguing entry from Henry Cecil here, with the two colts that had followed his exciting Frankel (GB) (Galileo {Ire}) home at Newmarket last month Nathaniel (Ire) (Galileo {Ire}) and Genius Beast (Kingmambo) in the line-up with the benefit of that experience. The former was a hot 5-6 favorite to build on his highly promising debut effort, and it was that rival which the initially keen Picture Editor was asked to track through the early stages in midpack. Able to cover the move of the crowd's choice, who worked his way to the front approaching the furlong pole, the Juddmonte homebred was coaxed past in the final yards without the need for Tom Queally's whip to record a short-head success at 10-1. "He was a little bit green towards the middle of the race, but he picked up well and was starting to idle a little bit going to the line," the winning rider said. "If he can build on that, he should be okay. He'll definitely stay well and I didn't have to be hard on him." Picture Editor is a half-brother to Memorise (Lyphard), GSW-Ire, MGSP-Eng, \$121,853; and a 3/4-brother to Multiplex (GB) (Danehill), GSW-Fr, \$171,573. FRANKEL (GB) (Galileo {Ire}) earned ★ **"TDN Rising Star"**

★ status on debut over a mile at Newmarket last month and is kept out of pattern company by Henry Cecil for the time being. Khalid Abdullah's three-parts brother to this year's G3 Lingfield Derby Trial winner Bullet Train (GB) (Sadler's Wells) from the immediate family of Powerscourt (GB) had Nathaniel (Ire) (Galileo {Ire}) and Genius Beast (Kingmambo) behind on his first start, and intriguingly that pair were also beaten by his stable companion Picture Editor (GB) (Dansili {GB}) here yesterday. This is no soft option for the homebred, as he meets an exciting prospect in Godolphin's **Farhh (GB) (Pivotal {GB})**, a Saeed bin Suroor-trained son of the operation's dual Group 1 heroine Gonbarda (Ger) (Lando {Ger}) who made a lasting impression himself when score by six lengths in a seven-furlong Newmarket maiden on debut in July. His position within the Godolphin ranks could be high, as they have used this race as a stepping stone for the top-class performers Librettist and Al Zir (Medaglia d'Oro) recently.

Moonlight Cloud broke through with a 2 1/2-length debut win from Putyball (Silver Deputy) at Deauville's all-weather track last time Aug. 15, and justified odds-on favoritism to take this return in highly impressive fashion.
