

## THREE MILLIONAIRES HEAD CHAIRMAN'S SALE

The A\$1.2-million Chairman's Sale topper **Provocative** | *Inglis*

By Kelsey Riley

Sydney, AUSTRALIA--The inaugural Chairman's Sale - Elite Breeding Prospects session carried on the buoyant market seen throughout the week at Newmarket in Sydney at the Easter yearling sale. The select catalogue of 85 returned a clearance rate of 86%, a gross of A\$23,085,000, an average of A\$329,786 and a median of A\$265,000. Three lots sold for seven figures, with a high price of A\$1.2-million for the Group 1-winning mare **Provocative (NZ)** (Zabeel {NZ}), and 11 more sold for A\$500,000-plus.

"You can't progress without innovation and it's been proven with both the Elite Racing Prospects last week and now tonight's Elite Breeding Prospects session that this type of sale absolutely belongs in the Australian market," said Inglis Managing Director Mark Webster. "It's impossible to do new things well without the support of the core players, so a big thank you to all the vendors who supported this concept with us and I'm thrilled the results have been there for them with this new initiative."

The Liston family's Victoria-based Three Bridges Thoroughbreds sold the evening's first seven-figure lot in the form of the A\$1.1-million **Don't Doubt Mamma (Aus)** (Not A Single Doubt {Aus}), and the operation was in the buyers seat a short time later when going to a sale-topping A\$1.2-million for Group 1 winner **Provocative** (lot 74). ## PARISLONGCHAMP, THE BRAND OF A NEW RACECOURSE

By Emmanuel Roussel

PARIS, France - One year and a day ahead of the reopening of Longchamp racecourse, the course has received a new name, ParisLongchamp, as announced on Friday at the construction site of what will become the most modern major racecourse in Europe.

By the time of its completion, the project of architectural firm Perrault will require 15,000 cubic metres of concrete, 550 tons of steel, 50km of technical wiring and the work of up to 700 people on the site. The addition of 150 trees and more lawns will make for more shaded green space, thus returning to an environment closer to the original Longchamp.

Commenting during the site visit, Olivier Delloye, Managing Director of France Galop, said, "The building is to be delivered in early November. Then we will have a lot more to do for the opening, including installing the technical equipment of the site. The new Longchamp is a huge opportunity because you do not often have the chance to experience the creation of a brand new course. Obviously, Longchamp has existed for a long time, but we are now talking about a completely different site. It is an opportunity but also an obligation to succeed. ParisLongchamp will be a success if it attracts more racegoers and moreover new audiences: young people, families, young Parisian executives who will come from the nearby La Defense to enjoy the show and maybe come back to learn more, get to know our world and maybe become new owners."

The public will be divided among the first three floors of the grandstand, with horsemen and owners on the fourth, and VIPs on the top floor, where a 250-seat panoramic restaurant and terrace will be situated along with 16 suites. Fifty boxes with four or six seats have been installed on the third floor.

Differentiated watering of the tracks will allow a better selectivity according to the activity, and the drainage between the false straight line and the elbow leading to the last stretch has been reworked. [Cont. p6](#)

### Listons Bridge The Gap...

The first mare committed to this inaugural sale by Newgate Farm, the 4-year-old winner of the G1 Queensland Oaks is offered carrying her first foal, by exciting young New Zealand sire Tavistock (NZ). Three Bridges' Peter Liston said the dark bay had been bought for a partnership after being selected and signed for by Paul Willetts.

"We've got two other clients in it," Liston noted. "Paul Willetts identified the mare and we really loved her. It's where we want to go in the business; we want to have top-quality mares and good clients. We thought she was the mare of the sale so we're very pleased to get her."

Listed added, "Everything matched: the pedigree, the type--you can't buy a young Zabeel mare who is a Group 1 winner anymore. Once we identified this mare we weren't going to leave without her, so we're really happy."

### A Mamma For Maurice...

Arrowfield Stud has backed its belief in Japanese bloodlines, with plans to shuttle a trio of Shadai sires to Australia later this year. Among those is Japanese Horse of the Year and champion sprinter-miler Maurice (Jpn) (Screen Hero {Jpn}), and he had another quality mare added to his book on Friday night when Arrowfield's Jon Freyer went to A\$1.1-million for triple group winner Don't Doubt Mamma on behalf of Northern Farm's Katsumi Yoshida.

Don't Doubt Mamma | Inglis

Consigned by Three Bridges Thoroughbreds as lot 49, Don't Doubt Mamma is a full-sister to the stakes-winning Risen From Doubt (Aus). Her third dam is the G1 Queensland Oaks winner Joie Denise (Aus) (Danehill), whose dynasty includes Group 1 winners Tuesday Joy (Aus) (Carnegie {Ire}), Sunday Joy (Aus) (Sunday Silence), More Joyous (NZ) (More Than Ready) and Fenway (Aus) (High Chaparral {Ire}).

Trained by Tony McEvoy for a partnership, Don't Doubt Mamma won last spring's G2 Let's Elope S. and G2 Stocks S. before finishing 12th in the G1 Myer Classic, and she heads straight to the Arrowfield paddocks.

"It's a family we love and she's by Not A Single Doubt, who has started out great as a broodmare sire," Freyer said. "It's a tremendous family that's so hard to buy fillies from, let alone group winners. We thought she was an outstanding physical and she was a filly that was unlucky in a few of the bigger races. We think she's probably even slightly better than her race record reflects."

Freyer noted Yoshida already has a "substantial number of broodmares" at Arrowfield. Horses bred by Arrowfield in partnership with Yoshida include Horse of the Year Weekend Hussler (Aus) (Hussonet).

Liston added, "It's a great result for our clients. They've been great clients of ours for many years and we're very grateful that they've entrusted us with the mare and we're over the moon to give them a good result."

"The longer we've been here the more confident we've become that she might make the million dollars, so to make over it is fantastic," he added. "All the best to the Arrowfield joint venture with Mr. Yoshida. We went to Japan last year and saw the fantastic setup, and the attention to detail is fascinating. I would encourage everyone to go to Japan and see what they're up to over there."

### New Partnership To Support Newgate Sires...

Newgate Farm's Henry Field was busy buying up quality mares throughout the evening, and he signed them to Newstar Partnership, which comprises Newgate Farm, Matthew Sandblom's Kingstar Farm and WinStar Farm. The mares, of which there were eight bought, are intended to support Newgate's four new stallions for 2017: G1 Golden Slipper winner Capitalist (Aus), group-winning sprinter Winning Rupert (Aus), G1 Blue Diamond S. winner Extreme Choice (Aus) and G1 Coolmore Stud S. winner Flying Artie (Aus). Newstar's buying list included the A\$1-million **Flame Of Sydney (Aus)** (Encosta de Lago {Aus}) (lot 51), the dam of last weekend's G1 Sires' Produce S. winner Invader (Aus) (Snitzel {Aus}) in foal to Medaglia d'Oro; **Harlem River (Aus)** (Fastnet Rock {Aus}) (lot 53), a stakes-winning mare in foal to Vancouver (Aus) for A\$550,000; and **Members Joy (Aus)** (Hussonet) (lot 65), a stakes-winning mare in foal to Toronado (Ire) for A\$500,000.

"I feel we bought eight absolute jewel mares today," said Field. "They'll go to some of the most commercial stallions in Australia, which are the new horses we're retiring this year."

### Inglis Chairman's Sale cont.

“We’re delighted to be growing our relationship between Newgate and WinStar,” he added. “WinStar have made a strong commitment to Australia. Matthew Sandblom, myself and Gavin Murphy of SF Bloodstock have been working hard over the last five years, and these will join the beautiful mares we bought at Keeneland November last year to give us an absolute warchest of mares to create and mold some of our young stallions. We feel we have an extraordinary group of stallions and they’re going to cover some extraordinary mares.”

Henry Field | Jon Siegel

Also among the mares purchased by the Newstar Partnership was **Lady Sniper (Aus)** (Snippetson {Aus}) (lot 61), who provided an excellent return for her owners. Initially a A\$1,500 weanling, Lady Sniper was picked up by Boomer Bloodstock’s Craig Rounsefell on spec for A\$20,000 at the Inglis Classic sale at this venue in 2014, and was picked up by Newstar for A\$350,000 on Friday.

“At the time I was still building my business, I didn’t have a lot of clients,” Rounsefell explained. “I bought her on spec and couldn’t sell her. So my wife and my parents got involved. We also got some first-time owners; we had a baker in Brisbane who is from Vietnam, a builder, we had very good people; all these first-time owners, and we got them together and bought the filly for 20,000 in the end.”

Starting out in Brisbane, Lady Sniper broke her maiden at third asking and was subsequently sent to trainer Bjorn Baker in Sydney. She won or hit the board in her first four outings in Sydney before winning the Inglis Sprint. She recorded a black-type win in the Listed Gosford Guineas last March and was last seen finishing third in the G3 Carr S. last April. She earned A\$323,275. [Cont. p4](#)

"She's been special to us; she showed a huge amount of ability and then tonight, selling for A\$350,000 after winning A\$320,000 out on the track; these first time owners are all ready to go again," Rounsefell said. "They've since invested in more horses and got their friends involved too. As a yearling I purchased her off Widden and we decided to give her back to them for this sale and they did a great job with her. It was great to see [wife] McCall get emotional when she went through the ring. And it was great to see a good farm like Newgate buy her as well."

Rounsefell was also active as a buyer on Friday night, purchasing the young stakes-placed mare **Calming Influence (Aus)** (Commands {Aus}) (lot 45) for Yarraman Park Stud for A\$570,000. Calming Influence is in foal to Sebring (Aus) and will be covered this year by Yarraman's flagship sire I Am Invincible (Aus).

The session also saw strong trade for some well-credentialed foals, with Newgate's first-year foal sires making a strong impression. Topping the table was a colt by G1 Australian Guineas winner Wandjina (Aus) (lot 11), who was bought by China Horse Club for A\$335,000. Newgate's group-winning sprinter Deep Field (Aus) had a pair of good results, with colts fetching A\$250,000 and A\$180,000, while the farm's former Horse of the Year Dissident (Aus) also had one sell for

A\$180,000. A son of Medaglia d'Oro made A\$240,000, while Fastnet Rock had a pair sell for A\$200,000.

Shares in four stallions were also auctioned, with a pair of shares in I Am Invincible (Aus) bringing A\$465,000 and A\$450,000. Two shares in Sebring (Aus) were the next dearest offerings of that section at A\$330,000 and A\$310,000 apiece.

Along with an increase in stabling from 80 boxes to 116 and the addition of a third pre-parade ring, the paddock has been moved 25 metres to the north so in future the horses will now leave for the track at one end.

Delloye added, "Our audience must feel ParisLongchamp is not just about beautiful galleries and a beautiful work of art. They must see a real difference in what is offered to them, in their experience. It will also show our ability to develop more revenue around our core business, which is horseracing. We must seize that opportunity to make our great events more appealing and monetise them. Finally, to make Longchamp successful, it will be necessary to set up a model of operation that will also apply to our other racecourses, because they must in turn benefit from what can be done here. ParisLongchamp will be a flagship for our whole institution."

## THOMPSON FAMILY INCREASE NATIONAL PORTFOLIO

Cheveley Park Stud owners David and Patricia Thompson have raised their team for today's Randox Health Grand National up to three following the purchase of **Just A Par (Ire)** (Island House {Ire}) at the Goffs Aintree Sale on Thursday evening.

Though more readily associated with Flat racing, the Thompsons won Britain's most famous jumps race in 1992 with

Patricia Thompson | Emma Berry

a late bid for Party Politics and it emerged that the family had acquired the 10-year-old Just A Par after trainer Paul Nicholls bid £100,000 for him at the auction.

"He is going to run in the name of

Richard C Thompson, the son of Patricia and David," said Nicholls.

Patricia Thompson has several other horses in the yard of the champion trainer and last week it emerged that the family had taken over the ownership of Just A Par's stablemate and National runner **Le Mercurey (Fr)** (Nickname {Fr}) from Chris Giles and Colm Donlon.

The same purple and pink National Hunt colours will also be carried by the Jimmy Moffatt-trained course specialist **Highland Lodge (Ire)** (Flemensfirth), another late transfer to the Thompson operation.

Chris Richardson, Cheveley Park's managing director, said: "The Thompsons are passionate about all racing and they do enjoy the jump racing. They have had some luck in the National with Party Politics and were keen to have another runner. Mumbles Head (Ire) ran a few years ago, although he didn't take a starring role, and they bought the two before Richard bought Just A Par on Thursday. We had a good year last year and the jump racing is something for them to look forward to during the winter."

This was the second time the Goffs event had taken place in the Aintree paddock after racing, and business was strong once again.

Of 23 offered, 18 were sold and while the aggregate was down 16% at £1,813,000, the median increased 17% to £82,000.

The top lot was the unusually coloured speckled roan gelding **Madison To Monroe (Ire)** Presenting (GB), an easy winner of an Irish point-to-point last month. The 4-year-old was bought for £300,000 by bloodstock agent Tom Malone on behalf of Alan and Ann Potts, owners of last month's Cheltenham Gold Cup hero Sizing John (GB).

Goffs UK managing director Tony Williams said: "To achieve a top price in the £300,000 bracket once again this year is very pleasing and it shows that the Aintree Sale, now in its second year, is the measure of the market for this category."

Despite the presence of **Taj Mahal**, who is the choice of Ryan Moore, Aidan O'Brien may have a more interesting Guineas contender on show in **Orderofthegarter**, who scored by 11 lengths on his 3-year-old bow over a mile at Naas Mar. 26. He was second to his G2 Vintage S.-winning stablemate War Decree (War Front) on debut here in June and to another well-regarded Ballydoyle intern in Cliffs of Moher (Ire) (Galileo {Ire}) again here in October. Taj Mahal was last seen finishing fifth in the G1 Criterium de Saint-Cloud over 10 furlongs in October, where his Ballysax-bound barnmates Capri (Ire) (Galileo {Ire}) and Douglas Macarthur (Ire) (Galileo {Ire}) were third and fourth respectively. "Taj Mahal is in good form and he's just ready to start," O'Brien commented. "We've been happy with him since last year and happy with the way he has done over the winter. Orderofthegarter won his maiden very nicely first time out. Obviously it's a step up in grade, but he's been in good form since." Jim Bolger puts up Godolphin's impressive Roscommon maiden winner **Zorion** and the operation's Jimmy Hyland said, "Zorion won his maiden very well last year and then had a minor setback. He has been training very well and we are expecting a big run."

## WORLDWIDE NEWS

**RYAN HAS ANOTHER AMERICAN DREAM**

Gerry Ryan is aiming for further big-race glory with American after the star stayer's daughter **American Woman (Fr)** made a winning reappearance in France this week.

The Australian business tycoon was a joint-owner of the G1 2010 Melbourne Cup winner, who claimed several more Group 2 victories and has been standing at Swettenham Stud in Victoria as well as Calumet Farm in Kentucky.

Ryan bred American Woman out of the Rock Hard Ten mare Sister Rocks, a half-sister to the dam of another useful import for the owner, multiple Australian Group winner Puissance De Lune (Ire) (Shamardal).

**American | Emma Berry**

He has sent the filly to young French-based trainer Stephanie Nigge, who has branched out on her own but used to work for Alain de Royer-Dupre and was instrumental in preparing American for his Melbourne travels.

After what can only be considered a disappointing debut at Deauville in December, where she finished last, American Woman had clearly turned the corner at Argentan on Wednesday as she came home half a length in front in an extended mile and a quarter maiden.

"[Sister Rocks] was based in England and I flew her over to the States [to visit American] and then sent her back to Ireland, where she went this year to Shamardal, who is the sire of Puissance De Lune," Ryan told racing.com.

**Gerry Ryan cont.**

"They are now talking the [G1] French Oaks with her. It's very exciting. I'm excited for Stephanie as she loves the horse [Americain] and was very responsible for his success."

**NEW CHAIR AND DEPUTY FOR RACING AUSTRALIA**

Frances Nelson QC has been elected the new chair of Racing Australia following the retirement of John Messara.

Currently heading Thoroughbred Racing South Australia, Nelson has long been involved within the racing industry and has been a director of Racing Australia for 6 and a half years, as well as deputy chair since 2015. She is the first woman, as well as the first South Australian, to be elected to the position on the board.

"I feel very privileged to contribute in this way in an industry I have been involved in for a lifetime." Nelson said.

Messara resigned from the board of the administrator late last year, having served for five years. The chairman and owner of the powerful Arrowfield Stud is credited in establishing The Championships, the valuable meeting which concludes today. He was succeeded as chairman of Racing New South Wales by Russell Balding, an experienced operator from the business and financial industries. Balding has been elected deputy chair of Racing Australia.

**FARMER GOES SOLO AT FERNRIGG FARM**

Former Widden Stud yearling manager Rae-Louise Farmer is setting up a solo venture in the Hunter Valley known as Fernrigg Farm.

After a five-year stint at Widden, Farmer has taken a long-term lease on a 70-acre farm and plans to specialise in the development of young stock and sales preparation of yearlings as well as managing breeding stock for clients.

"I'm very excited to be starting this new chapter of my career," said Farmer. "I'm extremely grateful to everyone who has influenced me along the way and feel

**Rae-Louise Farmer**

fortunate to have learned from some of the best in the industry--Terry Doherty during my time at Watership Down, Mike Cline at Lane's End in Kentucky and most recently Antony Thompson who has given me the privilege of growing out and selling horses of the calibre of Dissident, Takedown, Stratum Star and Star Turn to name but a few."

Farmer bought two weanlings under the Fernrigg Farm banner at the Inglis Chairman's Sale on Friday.

She added, "I hope to continue the success Martin Byrne has had with this beautiful property. In a short period of time, the farm has produced top-quality racehorses such as dual Group 1-winning filly Yankee Rose, last Saturday's Group 3 winner Acatour, as well as stakes winners Tawteen and Well Sprung."

**DATE SET FOR SUMMERHILL DISPERSAL**

Summerhill Stud has announced that it will be holding a dispersal of breeding stock at the farm's School Of Excellence on May 14.

The historic operation in Kwa-Zulu-Natal has been a regular winner of the South African Breeders' Championship in recent years but it has been decided that numbers would be reduced. The stud's 11 stallions include Golden Sword (GB), Willow Magic (Aus), Brave Tin Soldier and Lingari (Ire).

In a statement, business manager Ferdi Heinen said that in his recollection, there had not been a sale of this depth and quality in 20 years, when the two G1 Durban July winners Devon Air (SAf) and Tecla Bluff (SAf), as well as the dams of Jet Master (SAf), Royal Chalice (SAf), Promisefrommyheart (SAf) and Covenant (SAf) were sold.

"The timing of the sale represents a convergence between the maturation of our old partnerships, which in some cases date back 30 years, and the owner's intention to make space for their other projects," Heinen said. "Clearly in this day and age, it is a rare opportunity to acquire the stock of a farm that has been at the head of the national breeding scene for much of the first two decades of the new century."

According to bloodstock manager Tarryn Liebenberg, the catalogue of 106 mares includes 40 black-type winners, performers or stakes producers and 74 siblings to stakes horses. For the first time in years, there is a weanling entry of 80.

"Out of respect to our good friends at Backworth Stud, the catalogue will only be published online after their sale next week," Heinen added. "We'll keep the public informed in that regard."

## PLENTY OF CONTENDERS IN SA DERBY

by Brian DiDonato

With 13 entrants and almost as many true contenders, Saturday's GI Santa Anita Derby will probably be the most

competitive GI Kentucky Derby prep contested so far this spring. **Iliad** (Ghostzapper) is as good a place to start as any, as he finished second--albeit beaten

**Iliad** | Benoit Photo

6 3/4 lengths--in the local Mar. 11 GII San Felipe S. to unbeaten **'TDN Rising Star'** Mastery (Candy Ride {Arg}), who likely would've scared many of these off if not for pulling up from his romp with an injury. Iliad bested **Kimbear** (Temple City) in a Los Al maiden in December when still in the care of Bob Baffert, and defeated a group that included **'Rising Star'** Battle of Midway (Smart Strike) when an easy winner of the seven-panel GII San Vicente S. Feb. 12. That was his first try for Doug O'Neill. **Cont. p3**

## CRUNCH TIME BEGINS IN BLUE GRASS

by Joe Bianca

It may have been downgraded to a Grade II event for this year, but you wouldn't know it by looking at the field for the Toyota Blue Grass S., as four top GI Kentucky Derby contenders take their final major steps toward the May 6 Run for the Roses in the featured race of a blockbuster Saturday card at Keeneland.

Whitham Thoroughbreds' **'TDN Rising Star'** McCracken (Ghostzapper) has piqued the interest of many Triple Crown fans since a well-bet professional debut victory last October at Churchill. The bay colt remained unbeaten through three subsequent stakes forays, most recently annexing the GIII Sam F. Davis S. Feb. 11 at Tampa in his sophomore bow. **Cont. p4**

## RISING STARS TRY TO REBOUND IN WOOD

by Joe Bianca

Less than two months ago, it appeared as though **Mo Town** (Uncle Mo) and **Irish War Cry** (Curlin) had asserted themselves as leaders on the road to the GI Kentucky Derby. Their current position is illustrative of how rocky that trail can be, as the two colts will each try to overcome uncharacteristically dull efforts and stamp their Derby ticket in the Grade II Wood Memorial S. Presented by NYRA Bets.

Mo Town, dubbed a **'TDN Rising Star'** and bought into by Coolmore after a dominant maiden score for Team D last September at Belmont, looked an imposing prospect for 2017 after a convincing win in the GII Remsen S. Nov. 26 at Aqueduct. That race has turned out to be unproductive, however, and Mo Town disappointed most out of any of its runners with a non-threatening fifth in the GII Risen Star S. Feb. 25 at Fair Grounds. Trainer Tony Dutrow has chalked that effort up to a dislike for the New Orleans surface. **Cont. p5**

## Plenty of Contenders in SA Derby (cont. from p1)

Highly regarded **American Anthem** (Bodemeister) looks to bounce back from a surprising 10th-place finish after being hung wide and losing a shoe at 8-5 in Oaklawn's GII Rebel S. Mar. 18. The \$435,000 OBS March acquisition defeated a strong Del Mar field first up Dec. 3 that included **So Conflated** (Eskendereya) and Iliad, and set a solid pace before coming up a head short to last year's GI FrontRunner S. upsetter **Gormley** (Malibu Moon) in the sloppy GIII Sham S. here Jan. 7. Gormley was fourth in the San Felipe last time--one spot ahead of **Term of Art** (Tiznow).

In addition to American Anthem, Hall of Famer Baffert--who also conditions Mastery--

has two additional chances to add to his already record seven victories in this race. **Reach the World** (Tapit) broke his maiden by daylight going a sixteenth shorter here Feb. 4, and fell by a neck to Battle of Midway in a stakes-level allowance Mar. 9. **Irish Freedom** (Pioneerof the Nile) was a distant fifth in that same heat, but Baffert called an audible and entered him here after he turned in a strong work over the strip Apr. 2 (6f in 1:12.20 {1/10}). Irish Freedom's lone prior start was a six-panel debut win at Del Mar Aug. 21 over **Royal Mo** (Uncle Mo), who annexed the GIII Robert B. Lewis S. Feb. 4 before checking in ninth in the Rebel.

## Crunch Time Begins in the Blue Grass

(cont. from p1)

McCraken had to miss a bit of training and an expected start in the Mar. 11 GII Tampa Bay Derby with a minor ankle injury, but has returned to the worktab four times in the past month, with three of his breezes coming over the Lexington main track. The late-running homebred, who has remained on top of the *TDN* Derby 12/20 lists for most of its editions, capped off preparations with an easy half-mile spin in :49 2/5 (14/35) Sunday.

“He is feeling good and his attitude is great. He is enjoying it here,” trainer Ian Wilkes told the Keeneland notes team. “He has gotten bigger and stronger since he has been here and maybe missing that race was a blessing.

Things happen for a reason and we will find out in the long run.”

Second in the Sam Davis was **Tapwrit** (Tapit), who, in McCraken's absence, romped in the Tampa Bay

Derby. The progressive gray, purchased for \$1.2 million as a Fasig-Tipton Saratoga yearling by Bridlewood Farm, Eclipse Thoroughbreds Partners and Bob LaPenta, has resided at #2 in *TDN* Derby lists since his Oldsmar heroics. He will look to become the fourth Blue Grass winner for trainer Todd Pletcher, who also got the money in 2005, 2008 and 2015. **Cont. p5**

Albaugh Family Stable's **J Boys Echo** (Mineshaft) earned **'TDN Rising Star'** honors with a dominant maiden-breaking victory last fall at Keeneland, and after not seriously threatening in two stakes tries, the \$485,000 Keeneland September grad broke out with an open-lengths tally in the GIII Gotham S. Mar. 4 at Aqueduct. Trainer Dale Romans captured the Blue Grass last year with Brody's Cause (Giant's Causeway).

Filling out the heavyweight quartet is the only Grade I winner in the field, Klaravich Stables and Bill Lawrence's **Practical Joke** (Into Mischief). The \$240,000 KEESSEP buy started his career three-for-three, including game victories in the GI Hopeful S. and GI Champagne S. The Chad Brown pupil was third with a difficult trip in the GI Sentient Jet Breeders' Cup Juvenile and opened his 3-year-old account with a runner-up finish in the GII Xpressbet Fountain of Youth S. Mar. 4 at Gulfstream.

If there is to be an upsetter outside of the big four, it's likely to be **It's Your Nickel** (Dialed In), a blowout victor of the John Battaglia Memorial S. last out Mar. 4 at Turfway. The dark bay colt boasts victories on all three surfaces and is trained by Ken McPeck, who hoisted the Blue Grass trophy in 2002 and 2013. He shows three local breezes leading up to this acid test.

"We have some bears to run against, but if he can't run third or better against this group, then he really, legitimately doesn't belong in the Kentucky Derby," McPeck said. "He's had everything set up for him; he's had plenty of time between races. He's been here the whole time. The question is, 'Is he good enough?'"

## Rising Stars Try to Rebound in Wood

*(cont. from p1)*

A \$200,000 Keeneland September buy, Mo Town has only 10 Derby qualifying

points, currently tied for 29th on the leaderboard. "Is he a contender for the Kentucky Derby? He has everything to prove," trainer Tony Dutrow told the NYRA notes team. "I thought he was well accomplished as a 2-year-old, both

physically and mentally. I felt he was very intelligent and professional. I still do. He still got something out of the Risen Star. If he improves and runs well in the Wood Memorial, he has a chance of improving into the Kentucky Derby."

**(see Graded Stakes Entries)**

One of those tied with him is Irish War Cry, who earned **'TDN Rising Star'** status after a sensational debut romp Nov. 11 at Laurel. The Isabelle de Tomaso homebred looked to be on the precipice of stardom after a dominant victory in the GII Lambholm South Holy Bull S. Feb. 4 at Gulfstream, but threw in a clunker when fading to seventh after chasing the pace in the GII Xpressbet Fountain of Youth S. Mar. 4. The chestnut returned to trainer Graham Motion's Fair Hill base to record a six-furlong breeze in 1:13 2/5 (1/3) Sunday in preparation for this test.

"My theory is he probably bounced a little off the Holy Bull," Motion said. "That track was a little cuppy and drying out a little. That's the only explanation I've come up with. I didn't see anything wrong with him. He seemed like himself and he hasn't missed anything since." **Cont. p6**

Even if the two headliners return to their top form, that won't guarantee anything against a pair of talented, lightly raced sophomores also needing big performances to secure their spot in the Churchill starting gate.

Klaravich Stables and Bill Lawrence's **Cloud Computing** (Maclean's Music) was bet heavily in his local debut Feb. 11 and came through with a professional success after a troubled start. The \$200,000 KEESEP grad stretched out to two turns and stepped into stakes company with aplomb Mar. 4, running a strong second after chasing a fast pace in the GIII Gotham S. Conditioned by Chad Brown, the dark bay has drilled sharply over the Belmont training track in the interim, including a five-furlong bullet breeze in 1:00 2/5 (1/38) Mar. 25.

St. Elias Stable's **Battalion Runner** (Unbridled's Song) is an intriguing prospect for the Todd Pletcher barn. Bought for \$700,000 as a KEESEP yearling, the handsome gray romped by 8 3/4 lengths Dec. 31 at Gulfstream to become a **'TDN Rising Star'** and followed that up with a more workmanlike tally going two turns there Feb. 3. Battalion Runner would be the fifth Wood winner for trainer Todd Pletcher, who captured the race in 2010, 2012, 2013 and 2016.

*Ed DeRosa of TwinSpires.com takes on TDN's Steve Sherack and Brian DiDonato as they handicap each prep race leading up to the GI Kentucky Derby. The three will make \$100 Win/Place bets--highest bankroll after the Lexington S. wins.*

**DeROSA - Bankroll \$2,720.**

**Last Week - State of Honor** cashes more checks than 7-11, and his generous place prices have allowed me to tread water in the Triple Crown Throwdown. Unfortunately, I got off the Pletcher train last weekend, allowing Sherack to pad his lead with Always Dreaming. My Louisiana Derby pick, **Local Hero**, ran OK for third but was no match for winner Girvin, who is the only horse I'm remotely excited about from a Kentucky Derby perspective among those who ran last week.

As for this week and catching Steve with only five races left I have to decide whether I'm going for a bomb to catch up or try to grind away at him, and it'll be the latter approach this week, as I'm having a difficult time getting creative.

**GII Blue Grass S.** - The Blue Grass has the shortest field of this weekend's races but is certainly the deepest on talent with current Derby favorite McCracken taking on Grade I winner **Practical Joke**, and 50-point race winners Tapwrit and J Boys Echo. I'll lay the favorite in this spot, and from a wagering standpoint hope to get live to both Tapwrit and Practical Joke in the multis, but for the purpose of the Throwdown I'm throwing down on Practical Joke, who should prefer this trip better whereas Tapwrit might be more a "go" next out (in the Kentucky Derby). If both are 5-2 or higher, though, there are worse duos to dutch in the win pool. **Selection: #7 Practical Joke (7-2).**

**GII Wood Memorial S.** - This week's races come down to your tolerance to forgive poor efforts and/or lean on consistency. Of all the horses running this weekend, though, I'm most excited to bet **Irish War Cry**. I'd hate him trying to rebound in the Kentucky Derby, but the Wood Memorial is a different animal: 12 fewer horses, a furlong shorter distance, and just overall less pressure than the First Saturday in May. We may never see this price on Irish War Cry again (outside the Triple Crown races). **Selection: #8 Irish War Cry (7-2).**

**GI Santa Anita Derby - Iliad** has flashed the most talent of anyone in the Santa Anita Derby, and I'll play that to continue. I'm less concerned with the stretchout as others considering his sire, and if Mastery weren't in the last race Iliad would probably be even money here. **Selection: #9 Iliad (7-2).**

**DiDONATO - Bankroll: \$1570.**

**Last Week** - Sherack's just running up the score at this point. . . very poor sportsmanship. **State of Honor** ran a decent race to be second in the Florida Derby after being very keen early. **Senior Investment** seemed sort of lost out there for most of the Louisiana Derby, but put in a decent run late. Not sure what to make of that effort.

**GII Blue Grass S.** - There are really only so many ways I can go in this short, solid field, but at least I can make a legitimate case for a longshot, even though I fear Steve might end up on him too. **Wild Shot** was a good third behind Classic Empire after setting a strong pace in the GI Breeders' Futurity here last October, and checked in second to McCracken in the GII Kentucky Jockey Club after again racing close to solid splits. **Cont. p7**

He found himself farther back, but made an eye-catching wide move in the GIII Sam Davis before fading to fourth, and was way more out of it before again filling out the Tapwrit-topped trifecta in the GII Tampa Bay. Wild Shot's only chance here is to return to his old running style. He probably won't be able to hold off the bigger names despite how slow the splits are, but at his expected price, he's worth a flyer. **Selection: #5 Wild Shot (15-1).**

**GII Wood Memorial S.** - I went back and forth between taking Battalion Runner and **Irish War Cry**--I'm high on both of them, but eventually decided to go with the expected better price. Irish War Cry closed slightly shorter in the final future pool, but Battalion Runner has the Pletcher hype behind him, so I think he might get bet a bit more--he's much shorter on the morning line. I have no idea what to make of Irish War Cry's last race, but since he's coming back for this, I'm willing to give him a pass--maybe it was the hot pace or just an off day. I'd still like to see the Curlin colt relax a bit more like he did in his debut, and hopefully he will with a new rider this time. **Selection: #8 Irish War Cry (7-2).**

**GI Santa Anita Derby** - Good to see a nice, big, competitive field for this race. **Battle of Midway** gave the impression of a horse who wanted more ground when breaking his maiden first out by daylight here, and he just seemed sort of run off his feet in the GII San Vicente S. He was hung wide throughout in a salty allowance last time, and outkicked return rival Reach the World, who also ran very well. The son of Grade I winner Rigoletta seems to still have plenty of upside, and I'm hoping for a few ticks above his morning line quote. **Selection: #3 Battle of Midway (5-1).**

Wild Shot schools at Keeneland | Coady Photography

**SHERACK - Bankroll: \$5210.**

**Last Week** - My GI Florida Derby selection **Always Dreaming** turned in the kind of performance that wins on the First Saturday in May and his Todd Pletcher-trained stablemate **Patch** (can I get a future wager on him for the Belmont anywhere?) ran a good one in defeat to complete the exacta in the GII Louisiana Derby... Does DeRosa really think he still has a chance to catch me?

**GII Blue Grass S.** - Even with a pace scenario that will likely work against him in a small field, it's still awfully difficult to side against the unbeaten **McCraken**. The stretch-running Whitham homebred appears to be thriving since arriving in Lexington after suffering a minor setback following his impressive win in Tampa's GIII Sam F. Davis S. Feb. 11 and should only continue to improve as the distances further increase this spring on the road to Louisville. **Selection: #2 McCraken (7-5).**

**GII Wood Memorial S.** - I'm willing to give **Mo Town** another chance (especially if he's anywhere near his morning-line quote) to show what he's got after an extremely disappointing run as the heavy favorite in his sophomore debut in the GII Risen Star S. at Fair Grounds. The best race of his young career came right here in South Ozone Park in last November's GII Remsen S. and getting re-united with leading rider Javier Castellano can't exactly be a bad thing, either. Draws well inside and could sit a perfect trip just behind the speed if he's good enough. **Selection: #2 Mo Town (6-1).**

**GI Santa Anita Derby** - Like my two opponents, made my case for **Kimbear** in the GIII Sunland Derby, and will stick with him as he shows up in this much tougher spot instead. Turned in a very visually impressive maiden win over my boy Sonneteer going seven furlongs in his sixth career start in Arcadia and ran well in defeat behind morning-line favorite Iliad in his only other attempt sprinting on dirt at Los Al back in December. The price will be beyond generous to see if he can stay the distance versus this deep group. Will tie him in the gimmicks to Reach the World and Battle of Midway. **Selection: #7 Kimbear (12-1).**

## WIDE-OPEN FEEL TO ASHLAND

**'TDN Rising Star' Elate** (Medaglia d'Oro) looks primed for a breakout performance in Saturday's GI Central Bank Ashland S. at Keeneland. The runaway debut winner has hit the board in a pair of stakes attempts since, including a rallying third after racing far back early in the GIII Honeybee S. at Oaklawn Mar. 11.

"I just hope we get out of the gate good," Claiborne's Walker Hancock said. "We kind of got slammed leaving the gate in Arkansas and threw her off her game. She didn't really get into the race until the end when it was too late. I hope she breaks well and we'll be in a good spot."

**Daddys Lil Darling** (Scat Daddy), runner-up in Keeneland's GI Darley Alcibiades S. last fall, gets the morning-line nod at 5-2. The 2016 GII Pocahontas S. heroine prepped for this with a sixth-place finish in the grassy GIII Florida Oaks at Tampa Mar. 11.

Trainer Mark Casse will be represented by last summer's dead-heat GI Spinaway S. heroine **Pretty City Dancer** (Tapit) and GII Davona Dale S. third **Summer Luck** (Lookin At Lucky).

## NEW TWO FOR BROWN IN MADISON

by Brian DiDonato

Trainer Chad Brown saddles a pair of 5-year-old mares making their first starts for him and their owners in Saturday's GI Madison S. at Keeneland. MGSW millionaire **Paulassilverlining** (Ghostzapper) was last seen annexing Aqueduct's Garland of Roses S. for owner/breeder Vince Scuderi and conditioner Michelle Nevin Dec.

10. She resurfaces in the Juddmonte pink and green, but will still be piloted by Jose Ortiz, who has ridden her for more of her 18 career starts than anybody else. The bay was third in the

GI Breeders' Cup F/M Sprint two back,

and was a finalist for 2016 champion female sprinter. **Paid Up Subscriber** (Candy Ride {Arg}), meanwhile, was a \$1.1-million Fasig-Tipton November purchase last year on behalf of Peter Brant and Joseph Allen, LLC. Formerly trained by Al Stall, Jr. on behalf of Klaravich Stables and William H. Lawrence--major clients of Brown's--the chestnut annexed last June's GII Fleur de Lis H. going nine panels at Churchill and was a distant second to I'm a Chatterbox (Munnings) at the same distance in this venue's GI Juddmonte Spinster S. Oct. 9. Brown won the fall meet equivalent of this race--the GII Thoroughbred Club of America S.--with Irish Jasper (First Defence) in October. **'TDN Rising Star' Constellation** (Bellamy Road) was transferred from Steve Asmussen to Jerry Hollendorfer ahead of a tune-up victory in the Phoenix S. at Turf Paradise Nov. 12. She belied 12-1 odds when annexing Santa Anita's GI La Brea S. Dec. 26, but was upended at odds-on when settling for second in the GIII Las Flores S. at Santa Anita Mar. 5. **High Ridge Road** (Quality Road) was beaten a nose in Aqueduct's GIII Go For Wand H. Dec. 3, but bounced back with a victory over Paulassilverlining's Grade I-winning former stablemate By the Moon (Indian Charlie) in Laurel's Thirty Eight Go Go S. on New Year's Day. She defeated that foe--and next-out Correction S. winner **Clothes Fall Off** (Daaher)--in the GII Barbara Fritchie S. back in Maryland Feb. 18. Trainer Linda Rice took the Madison two years ago with Princess Violet (Officer).

## UNIFIED GOES FOR GRADE I IN CARTER

by Brian DiDonato

Flashy **'TDN Rising Star'** **Unified** (Candy Ride {Arg}) seeks his first win at the highest level in Saturday's GI Carter H. at Aqueduct. The Centennial Farms colorbearer bested **King Kranz** (Munnings) by three lengths in the GIII Bay Shore S. over track and trip and on the 2016 version of this card before stretching out successfully to take Belmont's GII Peter Pan S. in May. He was a puzzling fifth at 3-10 in Monmouth's GIII Pegasus S. June 19, but returned to winning ways back at an abbreviated trip when holding on by a neck from Mind Your Biscuits (Posse) in the GIII Gulfstream Park Sprint S. Feb. 25. That runner flattered Unified, of course, when he headed to Meydan for a smashing score in the G1 Dubai Golden Shaheen a couple of weeks ago. **Tommy Macho** (Macho Uno) is one-for-one in Ozone Park with a clear victory in the nine-panel GIII Discovery H. in

**Unified (inside)** | *Kenny Martin*

2015, but his best races have come around one turn like today's. He looked to be in deep water after stumbling turning for home in Gulfstream's GIII Hal's Hope S. Jan. 14, but rallied resolutely to air by 5 3/4 lengths, good for a 105 Beyer and -3 Thoro-Graph--both faster than Unified's top. Tommy Macho settled for third behind G2 Godolphin Mile show horse Sharp Azteca (Freud) in the GII Gulfstream Park H. Feb. 11, but Hal's Hope runner-up Bird Song (Unbridled's Song) was a convincing winner of the GIII Fred Hooper S. last month. **Spartiatis** (Scat Daddy) looks to continue his ascent up the class ladder--he snapped a four-race losing streak in a Jan. 21 optional claimer in which he was dangled for a \$62,500 tag, and defeated four returning rivals in the GIII Tom Fool H. last out Mar. 11.

## 'ABEL' HEADLINES SANTA ANITA OAKS

Even with division heavyweight and **'TDN Rising Star'** Unique Bella (Tapit) currently on the sidelines with a sore shin, there will still be plenty of talent on display in Saturday's GI Santa Anita Oaks.

**Abel Tasman** (Quality Road), heroine of last December's GI Starlet S. at Los Alamitos, makes her first attempt for Hall of Famer Bob Baffert here. She finished a strong second behind the aforementioned Unique Bella while making her sophomore bow for trainer Simon Callaghan in the GIII Santa Ysabel S. most recently Mar. 4.

**'TDN Rising Star'** **It Tiz Well** (Arch), a well-beaten second behind stablemate

Unique Bella in the GII Santa Ynez S. Jan. 8, has been perfect in two subsequent attempts, including while making her two-turn bow in Oaklawn's GIII Honeybee S. Mar. 11.

**'TDN Rising Star'** and Triple Crown nominee **Paradise Woods** (Union Rags) heads right to the deep end following an eye-catching 5 1/2-furlong maiden win at second asking on the GI Big 'Cap undercard. "It's a step up," Hall of Fame trainer Richard Mandella said, "but I think she's a really good filly. I'm excited to see what happens."

## THEORY RETURNS IN BAY SHORE

**Theory** | Sarah Andrew

'TDN Rising Star' **Theory** (Gemologist) makes his much-anticipated sophomore debut in the seven-furlong GIII Bay Shore S. against five rivals on Saturday's GII Wood Memorial S. undercard.

Last term's GIII Futurity S. winner spiked a fever immediately following a well-beaten 10th-place finish in the GI Breeders' Cup Juvenile at Santa

Anita, his first try around two turns, and was turned out at WinStar before joining Todd Pletcher's Palm Beach string in late December.

"He's been very well and training

really good," Pletcher said. "He's probably been ready to run for a couple of weeks now. It's just that the [Spectacular Bid at Gulfstream] didn't fill and we had to go to a backup plan, but he seems like he's been happy and training well.

Pletcher continued of the 7-5 morning-line favorite, "We feel like he's well-suited for one-turn races. We're not ruling out stretching him out down the road, we just felt like this was sort of the logical distance to get him started."

The New York-bred **Long Haul Bay** (Quality Road), a narrow local debut winner Feb. 18 with a field-high 90 Beyer Speed Figure, is the 5-2 second choice on the morning line.

Those of us who have made horse racing our lives can certainly understand the fascination with it. One of the remarkable things about the sport is its ability to continually draw in new devotees, and to have it quickly become one of the most important things in their life. This month, we delve into the story of just such a person, Jaime Roth, one of racing's most successful new owners, who, along with her parents, operates LNJ Foxwoods. Also, if you love going to the races on days when the crowd gives you the feeling that something special is happening there, you'll love our off-the-beaten path story about racing in Sonoma's Wine Country, one of the sport's most enjoyable venues. In the Southern Hemisphere, if you're getting ready to go racing at the Sydney Carnival, we know just the woman to make sure you're properly outfitted. Back in Kentucky, spring means Keeneland, and we'll clue you in to Keeneland's hottest ticket—the annual Maker's Mark bottle signing, which has raised millions for charity, and has helped to keep the long bond between two Kentucky institutions strong. And finally, our popular TDN feature, This or That, makes its TDN Weekend debut in video form, just in time for OBS April.

## A.P. INDIAN RETURNS IN COMMONWEALTH

by Brian DiDonato

**A. P. Indian** (Indian Charlie), the leading sprinter in the country for much of last year, makes his seasonal debut in Keeneland's GIII Commonwealth

S. Saturday having last been seen finishing fourth--later promoted to third--in the GI Breeders' Cup Sprint Nov. 5. The Green Lantern colorbearer strung together five wins last season, including scores in Saratoga's

GI Alfred G. Vanderbilt and GI Forego S. before besting **Limousine Liberal** (Successful Appeal) by a nose in the local GII Phoenix S. in October. Limousine Liberal finished one spot behind A. P. Indian in the Breeders' Cup, but seems to have an affinity for Keeneland--he broke the 6 1/2-furlong track record here for an optional-claiming romp on seasonal debut on this card 12 months ago. **Ami's Flatter** (Flatter) annexed this race convincingly on the cutback last year, and was third in the Phoenix. Off the board and sluggish in Belmont's GIII Bold Ruler H. in late October and the GIII Hal's Hope S. at Gulstream Jan.

14, the Ivan Dalos homebred seemed to wake up a bit with blinkers added when second to MGSW Stanford (Malibu Moon) in Tampa's 8 1/2-furlong Challenger S. Mar. 11. Two up-and-coming types make their first graded

stakes appearances. **Yockey's Warrior** (Warrior's Reward) kicked off a three-race winning skein with a victory here last October, and added wins in the Thanksgiving H. at Fair Grounds Nov. 24 and an Oaklawn optional claimer Feb. 17. Well-bred Brendan Walsh trainee **Redesdale** (Speightstown) is three-for-three to date, having paired up wins in New Orleans Jan. 20 and Feb. 24 after a sharp Churchill debut last May.

George Krikorian's homebred Big Score overtook pacesetter Holiday Stone in the dying strides to take the GIII Transylvania S. by 3/4 lengths on the opening-day card at Keeneland Friday. Holiday Stone set the pace through fractions of :23.92 and :48.48 as favored Oscar Performance (Kitten's Joy) was a close-up third while racing along the rail. Oscar Performance had room to rally as Holiday Stone came off the rail in upper stretch, but the favorite couldn't muster a challenge and Holiday Stone opened a clear advantage. His lead was short-lived as Big Score, who had raced just off the early pace, found a seam to run through at midstretch and surged past the longtime leader to win going away.

"I had a wonderful trip," reported winning jockey Javier Castellano. "I really like the way he did it today--very relaxed, very comfortable, good rhythm all the way through the race. I kept track of the pace. The way he did it was phenomenal."

The result wasn't a surprise to winning trainer Tim Yakteen.

"We were expecting a strong effort, but until you run you never know," Yakteen said. "He's a good horse. I'm really happy for George. He stands Mr. Big, and this is a big start for him."

[Share this story](#)

**Cont. p12**

As for what is next for Big Score, Yakteen added, “We’re going to look at Churchill [the May 6 GII American Turf] most likely next. First we’re going to digest this and then come up with our next move.”

Oscar Performance, making his first start since winning the Breeders’ Cup Juvenile Turf, faded to fifth.

“No real excuses,” trainer Bryan Lynch said of the beaten favorite. “He settled in nicely behind. The pace was not real quick and the rail opened up when it needed to but he just did not quicken. He could have gotten tired. He was working on a much faster turf course at Palm Meadows. Maybe he was not as tight as I thought he would be.”

Big Score, a first-out maiden winner over the Del Mar turf last July, was second in the Sept. 3 Del Mar Juvenile Turf before annexing the Oct. 10 Zuma Beach S. He was making his first start since finishing fifth in the Nov. 4 GI Breeders’ Cup Juvenile Turf.

**Pedigree Notes:**

George Krikorian purchased Big Score’s dam Not Unusual for \$67,000 at the 2007 Barretts October Yearling Sale. Big Score is her third foal and third of four straight by Mr. Big. The mare produced a filly by Mucho Macho Man last year and was bred back to Mr. Big. Krikorian campaigned Mr. Big and stood the stallion at his farm in Kentucky before he was relocated to E.A. Ranches in Ramona, California for the 2016 breeding season. From just 16 foals of racing age, Mr. Big is also the sire of the ill-fated graded stakes placed Big Book. Out of graded stakes placed Fashion Delight (Fappiano), the stallion is a half to graded stakes winner Magnificience (Stormy Atlantic).

**ECLIPSE AWARDS SHIFTED TO THURSDAY**

The Eclipse Award ceremony, held in recent years on Saturday evening, will be held Thursday, Jan. 25 next year, two days before the \$16-million GI Pegasus World Cup. The ceremony will be held at Gulfstream Park for the sixth consecutive year in 2018.

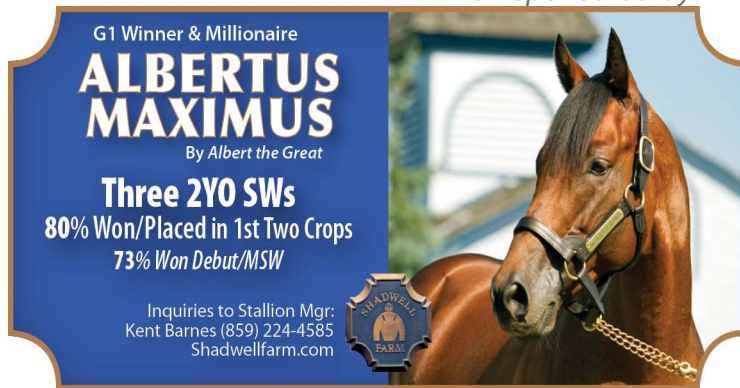

“The Stronach Group is honored to host the 47th Eclipse Awards at Gulfstream Park and delighted that it will coincide with the second running of the Pegasus World Cup Invitational,” said Belinda Stronach, Chairman and CEO of The Stronach Group. “We are anticipating record crowds with this newly combined effort, bringing together the best in this industry who will be awarded and rived in the same week. These two events will help in our efforts to elevate the sport with world-class entertainment, unparalleled amenities and exciting events. The Stronach Group has become synonymous with world-class racing and world-class events. This week will raise the bar to new heights.”

Earlier this week, The Stronach Group announced the second Pegasus World Cup would be held at Gulfstream Jan. 27 and its purse has been increased from the inaugural \$12 million.

“Syncing the Eclipse Awards with the Pegasus World Cup Invitational will only enhance two of American racing’s most prestigious events,” said NTRA President and CEO Alex Waldrop. “The Stronach Group has created an important, world-class race that will regularly attract Eclipse Awards finalists, including Horse of the Year candidates. Together we are building a multi-day celebration of champions that will make South Florida the only place to be for racing fans and industry players during the last week of January.”

**DECEMBER SEVEN (c, 4, Street Sense--Date to Remember, by Bernardini)** concluded his sophomore campaign with back-to-back wins, including an optional claimer at Fair Grounds Dec. 29. He had made only one other start since, a fifth-place finish as the 3-1 favorite in the GIII Mineshaft H. Feb. 25. Off at 2-1 here, he kept the early leader company through an opening quarter in :24.78 and a half in :48.83. December Seven gained a narrow advantage on the turn for home, began to let it out a notch in the stretch and had just enough left in the tank to hold off the fast-finishing Money Flows (Malibu Moon) by a neck. **CHUBBY STAR (f, 3, Malibu Moon--Salsa Star {SP-Eng}, by Giant's Causeway)** hit the board in her most recent two tries in optional claimers over the Gulfstream turf, including a runner-up finish behind the very promising subsequent GIII Herecomesthebride S. heroine Dream Dancing (Tapit) last out Jan. 28. Off at 5-1 while removing the blinkers here, she settled in fifth for most of the way. Chubby Star was crying out for racing room on the far turn, shot through an inviting opening along the rail in the stretch and outkicked Sweeping Paddy (Paddy O'Prado) home to take it by a half-length. The winner's dam is also represented by a 2-year-old filly by Blame; a yearling colt by More Than Ready; and was bred back to Super Saver. **NOELLE'S MISCHIEF (f, 3, Into Mischief--Lady Belsara {GSW, \$248.854}, by Boundary)**, a \$230,000 KEENOV weanling purchase, showed speed and faded to seventh at odds of 3-1 in her Feb. 25 Fair Grounds debut behind next-out winner Astrollinthepark (Divine Park). A bit chilly on the board here at 9-1, she waited in a perfect spot behind all the speed in fifth through solid opening fractions of :22.07 and :45.09. She made a flashy sweeping move on the far turn and wasn't for catching in the stretch. It was 1 3/4 lengths back to 59-1 chance Conquest Classic (Warrior's Reward) in second. The chestnut was hustled to the front from her outside slot, showed the way through an opening quarter in :22.60 and kept on finding in the stretch to graduate by 3 1/4 lengths. Baytown Lex (Girolamo) and Waki Patriot (Awesome Patriot) dead-heated for second. ### 1st-AQU, \$60K, Msw, 3yo, 7f, 12:45 p.m. ET

Bobby Flay's **BRITAIN (Tiznow)** is a gelded son of SP Lacadena (Nureyev), making him a half-brother to Flay's GSW & MGISP America (A.P. Indy). Lacadena is a granddaughter of Blush With Pride (Blushing Groom {Fr}) and therefore from the wildly productive family of GI Belmont S. winners Rags to Riches (A.P. Indy) and Jazil (Seeking the Gold); and European standouts Peeping Fawn (Danehill) and Thewayouare (Kingmambo). Flay offered the mare shortly after Rags to Riches's Belmont score at the 2007 FTKNOV sale, but bought her back on a bid of \$1.4 million. Lacadena was subsequently sold to Heider Family Stable for \$1.3 million in foal to Bernardini at KEENOV in 2015.

### 4th-KEE, \$70K, Msw, 3yo, 6 1/2f, 2:45 p.m. ET

Woodford Racing was represented Thursday by 'TDN Rising Star' Timeline (Hard Spun) and looks to have another promising sort in **SWITZERLAND (Speightstown)**. The \$175K KEESEP yearling turned \$500K FTMMAY breezer was smashed into 2-5 favoritism for his Feb. 15 bow at Gulfstream, but finished a pace-pressing second. Dam Czechers (Indian Charlie) won a pair of stakes in Arizona and was MGSP in Southern California. **Marshall Plan (Speightstown)**, a \$375K KEENOV weanling acquisition by Stonestreet Farm, is a maternal grandson of Versailles Treaty (Danzig), dam of GI BC Juvenile Turf winner George Vancouver (Ire) (Henrythenavigator) and GSW & GISP Saarland (Unbridled). **TJCS PPs**

### 2nd-SA, \$54K, 3yo, f, 6f, 3:30 p.m. ET

Spendthrift Farm went to \$225K for **CHAMPAGNE GIRL (Into Mischief)** at KEESEP in 2015 and the May foal has some works to recommend her, including a swift four-furlong move from the gate in :47 flat (3/44) Apr. 3. Leading rider Flavien Prat has the call on the bay, a half-sister to 2015 GI Las Virgenes S. third Light the City (Street Sense). Champagne Girl's sire is, of course, a half-brother to Spendthrift's four-time champion and 11-time Grade I winner Beholder (Henny Hughes). **Hot Blooded Girl (Tapit)** is a daughter of MSW Taste the Passion (Wild Again), the dam of three black-type winners, including the once-beaten Stopshoppingdebbie (Curlin). **TJCS PPs**

**11th-KEE, \$70K, Msw, 3yo, f, 1 1/8mT, 6:50 p.m. ET**

**BOULE (Exchange Rate)** looms one of the day's price plays from a pedigree standpoint, as the bottom side features two of breeder Juddmonte Farms best turf mares. The filly's second dam is **Tates Creek (Rahy)**, a dual Grade I winner and victorious in the **Jenny Wiley S.**, then a Grade III, over the **Keeneland turf** some 15 years ago. **Boule's dam Routine** is a daughter of **Empire Maker**, whose dam **Toussaud (El Gran Senor)** was a Grade I winner on the grass and has produced the likes of **GISWs Chester House (Mr. Prospector)** and **Chiselling (Woodman)** in addition to the classy dirt mare **Honest Lady (Seattle Slew)**. Additionally, **Boule** is kin to **Module (Harlan's Holiday)**, a close third in the grassy **Ginger Brew S.** in 2016. **TJCS PPs --ALC**
