BRAVE NEW WORLD IN 2000 FOR BRAVE ACT

Brave Act (GB) (Persian Bold {Ire}) defeated both **Native Desert** (Desert Classic) and **Bouccaneer** (Fr) (Hero's Honor) in the GII Citation H. Nov. 27 at Hollywood, the last race for all, but was still second choice to Bouccaneer. At this time last year, Brave Act was winning every Southern California turf event in sight, taking four straight over a 3 1/2-month period, including a win in this race. But he won just two of his next eight, although running well in all, and the new six-year-old had something to prove. Jockey Alex Solis and Brave Act were content to sit at the back of this six-horse field, as **Manndar (Ire)** (Doyoun {Ire}) set a comfortable pace up front. He was challenged by Bouccaneer into the final turn, put him away, but couldn't hold off the late charge of Native Desert or Brave Act. Those two had both come wide off the turn and closed together, with Brave Act just getting up at the wire in a typically game performance. "He's a very special horse," said Solis. "The last 25 yards, he wanted to win it bad. He just kept putting his head lower and lower to get in front of that other horse."

MAKING THE GRADE

Seeking the Sky (Storm Cat) picked up her first black-type win in the Ruthless S. over the Aqueduct inner track Jan. 2, 1999 and added her first graded success nearly one year later in the first division of yesterday's GIII Interborough H. at Aqueduct. The bay had finished off the board in the Mar. 27 GIII Cicada S. and again in the May 12 GIII Nassau County S. and was given seven months off. She tuned up for her return to stakes competition with a third-place finish in an Aqueduct allowance Dec. 16 and was the second choice in her second start back. The regally pedigreed New York-bred shad-owed pacesetter **Flamingo Way** (High Gold) through five furlongs in :58, came with her challenge in the final furlong and prevailed over a game runner-up despite drifting out during the drive. "The plan was to go for the early lead, but Flamingo Way jumped out so quickly and there was no opportunity," trainer Mike Hushion said. "What's good about her is that she doesn't have to be on the lead to win. There were some anxious moments the last 70 yards--when you're on the lead the stretch seems to go on forever, but when you're coming from off the pace, the wire seems to come up very quickly." Added jockey Mike Luzzi, "One of the other horses forced her to drift out a little in the stretch, but this filly has guts. She dug in and got the win."

Go Again Valid reaffirmed her fondness for Aqueduct's winterized inner track and avoided a troubled start in collecting her first added-money event. Never out of the money in five starts on the inner track, with two wins and three seconds, she was made the second choice to Jena Jena off a 3 3/4-length score in a money allowance over this surface Dec. 19. Breaking third from the rail, the bay was clear of the chain-reaction bumping involving the five starters to her right. Unhurried early while saving ground, she came wide for the drive and just got up over Jena Jena. "I wanted to take back and get her to relax," said jockey Mike Luzzi, who captured both ends of the Interborough. "She does her best running when you keep her on the outside. She gave me that final surge when I needed it." Trainer John Kimmel's assistant Loretta Lusteg said, "She loves the inner track, so I'm hoping she'll stay up here for the rest of the winter. She has more confidence on the outside, so that's where I told Mike (Luzzi) to keep her."

The third choice stepping up to the allowance ranks, the chestnut pressed the pace from the outside, took control as they swung into the stretch and pulled away to a decisive win.

Favorably drawn in the four hole, the 7-2 shot raced forwardly, shifted into gear after a half in :47 3/5 and cruised home for a 7 1/2-length success. Lifetime Record: 7-1-1-1, \$42,020.

 Solvig finished fourth in her debut over the Ellis Park turf in August, but has not put a hoof wrong since. The dark bay broke her maiden at Kentucky Downs Sept. 20, added the Green River S. at Keeneland Oct. 28 and most recently was a one-length winner of the Hollywood Wildcat S. over this course Nov. 21. Starting the new year as she ended the last, the crowd's choice rated in the middle of the pack while trapped down on the hedge early, changed lanes at the top of the stretch and charged down the outside to get up for a half-length score. "It was an eventful trip," winning jockey Pat Day said. "We were in traffic all the way, hunting for a place to run. Turning for home we found a spot. She was very professional...and got the job done." Owner Bentley Smith purchased Incha, while she was carrying Solvig, after the broodmare failed to reach her reserve of \$300,000 at the 1996 Keeneland November Sale. As for future plans for Solvig, trainer Carl Nafzger said, "She might need a little break now."

He came back after nearly 11 months on the sidelines to finish off the board in his turf debut at Churchill Downs last August, but has won three of five since, including the July 17 Don Bernhardt S. at Ellis Park, the Oct. 2 Marfa H. at Turfway and a Churchill allowance in his latest Nov. 26. The odds-on choice here, he trailed his four rivals while never far back through a quarter, took the lead as they came out of the turn and outgamed Victor Avenue after a dogged stretch duel. His next start will be in either the King Cotton S. at Oaklawn Feb. 19 or the GI General George H. at Laurel Feb. 21.

Given some time to acclimate by Ron McAnally, trainer of star Southern Hemisphere mares Bayakoa (Arg) and Paseana (Arg), she returned in fine fashion. Squeezed at the start, she trailed the field as A. P. Assay led the field through a half in :45 3/5. Urged on by jockey Chris McCarron, she split rivals turning for home and put in a sustained run for the score.

Kona Gold Back in Action:

Kona Gold (Java Gold) will make his first start since a second in the Breeders' Cup Sprint in today's \$100,000 El Conejo H. at Santa Anita. A half-length behind Artax at Gulfstream, the six-year-old's last win was the 1999 El Conejo, and he has four straight seconds since. He is coupled with Son of a Pistol (Big Pistol) as the 3-5 choice to break his streak. The El Conejo also marks the return of MGSW Old Topper (Gilded Time), who hasn't been out since taking a Santa Anita allowance last February.

TRAMORE SCORES NEW YEAR SUCCESS

The only racing to take place in Britain and Ireland yesterday was at Tramore in the south-east of Ireland, and proved very successful. Tramore's director Karl Casey said yesterday, "We've had around 11,000 people through the turnstiles and they are still coming in for tonight's firework display. The most we normally get is about 8,000 at our August meeting. Today has been a great success, everybody is having a ball. We have had a record Tote turnover of over Ir£125,000, Ir£127,011, compared with Ir£50,239 at last year's meeting. We had to fight to put this fixture on, but we put forward a strong case and we've finished up having one of the most successful days in this part of Ireland."
