## SOARING SOFTLY TO BREEDING SHED?

A shoo-in to be named the champion turf mare of 1999, **Soaring Softly** (Kris S.--Wings Of Grace, by Key to the Mint) may rest on her laurels and head to the breeding shed, *The Blood-Horse* reports. Darby Dan Farm's John Phillips, co-owner and breeder of the five-year-old, told the publication that the likelihood of her retirement was, "as close to 100 percent as we can be without being certain," and added, "If she is retired, we've had a standing agreement with Overbrook Farm that a season to Storm Cat would be reserved for her." Soaring Softly capped a nearly perfect '99 campaign with a three-quarter length victory in the inaugural running of the GI Breeders' Cup Filly and Mare Turf at Gulfstream Park Nov. 6. After breaking her maiden and winning an allowance race on the dirt early in her career, the Kentucky bred was switched to the turf at the beginning of her four-year-old season and promptly won seven of her eight starts, including the GII Sheepshead Bay H., GII New York H. and GI Flower Bowl Invitational H. Overall, she had nine wins, a second and three thirds from 16 starts for earnings of \$1,270,433. Trained by Jimmy Toner, she has been stabled at Payson Park in Florida since her Breeders' Cup score and will remain there until a final decision on her future is made.

## CHIEF SEATTLE TO GODOLPHIN

It has been confirmed that the Godolphin team has purchased the 1999 GI Breeders' Cup Juvenile runner-up **Chief Seattle** (Seattle Slew) from William Betz and Philip Needham for an undisclosed sum. The colt started four times last year for trainer John Kimmel, breaking his maiden by 9 3/4 lengths in his debut at Saratoga before running fourth in the GI Futurity and second in the GI Champagne S. He was beaten 2 1/2 lengths by Anees in the Breeders' Cup Juvenile, increasing his bankroll to \$327,000. Now three, he has gone into quarantine at Payson Park and, while he is nominated to the Triple Crown, will be shipped to Dubai in February to join the rest of the Godolphin stable. Racing Manager Simon Crisford said yesterday, "We will see how he settles in when he reaches Dubai before deciding on a programme for this year."

## SAINT STEALS SHOW FROM THIEF

You couldn't blame the Santa Anita crowd for overlooking **Saint's Honor** (St. Jovite) in yesterday's GII San Fernando Breeders' Cup S. Facing the likes of Grade I winners **Cat Thief** (Storm Cat) and **General Challenge** (General Meeting), the colt was making only his second attempt against graded-stakes foes, and his first foray had produced a 26-length drubbing by the infamous Valhol in the GII Arkansas Derby. But the 24-1 shot ignored the tote board, chasing **Straight Man** (Saint Ballado) through six furlongs in 1:10 1/5 before charging to the front and holding off 15-10 favorite **Cat Thief** for a shocking 1 1/2-length win. "After the Arkansas Derby, this colt had a problem in his left knee," explained winning trainer Craig Dollase. "He had surgery...and he has come back great, obviously." Away for seven months after his Oaklawn disappointment, the dark bay came back to be second in a Nov. 7 Santa Anita turf allowance and followed with a four-length score over Hollywood allowance company Dec. 11. "He's getting good right now and he's getting better with age," Dollase said. "The time off has done him a world of good." **Cat Thief**, in traffic at the three-eighths pole, got through in the final furlong and fought off 36-1 **Mr. Broad Blade** to get second. **General Challenge** was also banged around on the far turn, came wide into the lane and ran out of ground, finishing fourth.

Hal's Hope came to hand late in the fall, breaking his maiden at Calder Nov. 20. After a fifth to Megacles and Painted Pistol (Pistols and Roses) two weeks later in his first two-turn attempt, the dark bay dueled for the lead before drawing off to a 4 1/4-length score in a one-mile Calder allowance Dec. 20, signaling his readiness for his first raid on stakes company. Unfazed by the presence of runners such as Eclipse Award finalist Greenwood Lake (Meadowlake), and ignored at 40-1 by the wagering public, the dark bay colt quickly made the lead and set the pace, with High Note (Notebook) and Personal Hope close behind. Challenged by Personal Hope at the top of the stretch, the leader put that rival away and widened his margin down the lane. "Party time!" exclaimed winning jockey Roger Velez. "The longer he goes, the better he's going to get, so they're in trouble. He came out of the gate real quick... any one that would come to him today, he'd just take off again." Favored Greenwood Lake, winner of the GI Champagne S. and Gil Remsen S. last year, never threatened on his way to sixth-place finish. "He just didn't grab the track," said jockey Jean-Luc Samyn. "He warmed up well, but just couldn't get a hold of the track." His trainer, Nick Zito, said, "I guess he's just a little rusty."

Theresa the Teacha showed a new dimension in collecting her first graded-stakes victory. Last seen winging it on the front end in winning the Montauk H. for state-breds Dec. 5, the chestnut was let go at 17-1 despite never being worse than second in eight inner-track starts. Off alertly, she raced close up in the run down the backstretch, rallied five wide on the far turn and drove clear for the score. "The owner (John D. Stuart) couldn't make it because he was at the sales, but I'm sure he is jumping out of his shoes," said winning trainer Deborah Bodner. "I wish he was here; he would have been so happy. (Theresa the Teacha) loves the inner track. As long as we can stay on the inner track, we can try her anywhere." Winning jockey Herbie Castillo concurred, saying, "She's a horse for the course, and Debbie has done a great job with her. When we got to the front, I hit her once and she pricked her ears. I thought for a second that she was going to hang, but when I left her alone, she went about her business."

Fourth in the GII Norfolk S. after breaking his maiden by 12 lengths at Bay Meadows, New Advantage ended his juvenile campaign finishing second by a head in the Nov. 13 GIII California Juvenile and winning the Dec. 18 Doonesbury H. at Golden Gate. Returning to the graded ranks in his three-year-old bow, the dark bay never let Shake Loose live up to his name, stalking the pacesetter through solid fractions. He was bumped and steadied while trying to get through on the far turn, then checked again in the final furlong as 15-10 Globalize (Summer Squall) gained a brief lead, but drove to the front and held longshot Nurdlinger safe to the wire in a game effort. While Shake Loose continued on well to get third, Globalize, part of the favored entry, weakened at the finish and ended up fifth.

Dixie Dot Com gets his blinkers back on as he looks for his first victory since a 4 1/2-length score in the GII San Fernando Breeders' Cup H. over this track exactly one year ago. The five-year-old was injured after that win and has started just three times since. He was fourth, beaten just two lengths by Big Jag, in the six-furlong Bay Meadows Breeders' Cup Sprint H. last September, then tried turf and finished sixth in the Oct. 16 GIII Oak Tree Breeders' Cup Mile and eighth (with blinkers off) in the Nov. 27 GII Citation H. The bay, never worse than second in four starts at this distance, returns to his optimal surface.

Hollycombe took his time getting to the races, making his debut in May of his five-year-old season, but made up for it by winning four of his first five starts, including the GII Del Mar Breeders' Cup H. The bay then went up against the best of the California handicap division in the GII Goodwood H. at Santa Anita Oct. 16, but could do no better than sixth--but the top three finishers that day were Budroyale, General Challenge and Old Trieste. Favored to resume his winning ways despite the three-month layoff, he stalked the pace, made a three-wide move to reach contention and held on gamely for the narrow score.

Getting first-time Lasix for his American debut, the Juddmonte homebred trailed the field through six furlongs, but found running room on the rail as they raced around the far turn and finished well up the inside to post a rallying one-length win over 2-1 choice Aware (GB) (Kenmare {Fr}) at 5-1 odds. The runner-up, who missed by a nose behind Dr Fong in the 1998 G2 Prix Eugene Adam and was second in his first two U.S. tries in May and then December last year, came on to take the lead in deep stretch, but couldn't hold off the winner. **James Binger Honored with TRF Champion Award:**

James H. Binger, for many years the chairman of Tartan Farms in Ocala, Florida and a retired chairman of Honeywell, Inc. in Minneapolis, has been named the Thoroughbred Retirement Foundation Champion for 2000 in recognition of his role in creating the new Ocala retirement facility of the TRF's Florida division. The facility is located at the Marion County Correctional Institution and will house 50 retired race horses to start. "Jim Binger's donation of more than seven miles of Tartan Farm's fencing, gates, water tanks and a large storage barn now being rebuilt on the TRF's 120-acre facility has taken the property from the planning and development stage to near-readiness to receive the horses," said Richard Hancock, executive director of the Florida Thoroughbred Breeders' and Owners' Association. "His gift has turned the Florida TRF's cherished dream into a working reality." The award will be presented at Gulfstream Park Feb. 6 during a ceremony hosted by ESPN's Chris Lincoln following the feature race in the track's Royal Palm-Terrace Dome.

### ★ AUSTRALASIA ★

#### Beadman Gets First Win:

Jockey Darren Beadman claimed his first winner since making his comeback a week ago, guiding Wamoon (Aus) to victory in the 2000 Golden Slipper Festival H. at Sydney's Rosehill yesterday. "Before she'd even gone 100 metres I felt she was going to win," Beadman told *Australian Associated Press*. "I'm over the moon." He admitted to feeling some pressure before the breakthrough victory. "Some of the horses I've ridden have probably started shorter than they should have because people expect me to win," he said.
