## HORSE OF THE YEAR TO CHARISMATIC

**Charismatic** (Summer Squall), the hero of the GI Kentucky Derby and GI Preakness who broke down after a gutsy third-place finish in the GI Belmont S., beat out GI Breeders' Cup Turf winner **Daylami (Ire)** (Doyoun {Ire}) to earn the Eclipse Award as the 1999 Horse of the Year. Owned by Bob and Beverly Lewis, bred by William S. Farish and Parrish Hill Farm and trained by D. Wayne Lukas, the flame-colored colt looked anything but an Eclipse winner when he started the season, finishing off the board in his first two starts before dropping into a \$62,500 claiming race and running second. But the Kentucky-bred returned to the graded-stakes ranks to be second by a head in the GIII El Camino Real Derby and fourth in the GI Santa Anita Derby. He really turned it around in his next start, setting a stakes record in the GII Coolmore Lexington S. at Keeneland before heading to Churchill Downs. A 31-1 outsider in the Derby, he closed to take the lead in the middle of the stretch and then dug in at the wire to hold off Menifee by a neck. Charismatic was 8-1 at Pimlico two weeks later, but this time drove to a decisive 1 1/2-length win, and fans finally believed. The 8-5 favorite as he made his bid for the Triple Crown, the champ battled **Silverbulletday** (Silver Deputy), the nearly unanimous choice as champion three-year-old filly, through the early fractions, was steadied as they raced down the stretch and finished third, then pulled up just yards past the finish line with a condylar fracture of the left front leg which ended his career, but not the accolades. "We're absolutely ecstatic and elated," said Bob Lewis. "We went into the drawing guardedly optimistic and...we are thrilled with the recognition that Charismatic has been given. I have to say very frankly that when a horse wins two legs of the Triple Crown and then runs third (in the Belmont) under the kind of conditions he did, he earned it. I don't mean to take anything away from the other owners, but Charismatic did an outstanding job and he has been given recognition of that." Both the *Daily Racing Form* and the members of the National Turf Writers' Association voted Charismatic the top honor, while the National Thoroughbred Racing Association members gave the nod to Daylami, who impressed in his only U.S. start, beating the Gulfstream Park jinx which had foiled all other European contenders through three Breeders' Cup Championships to win the Turf by 2 1/2 lengths.

## CLOSE FINISH FOR OLDER HORSE ECLIPSE

The closest Eclipse Award race was for champion older horse. As he did in the '99 GI Whitney H. at Saratoga, **Victory Gallop** (Cryptoclearance) nosed out **Behrens** (Pleasant Colony), 25 votes to 20. "We thought it would be a toss-up," Victory Gallop's co-owner Art Preston said. "Behrens is a very good horse, but we thought their records were fairly even. We didn't know which way it would go." Victory Gallop started only four times last season, taking an allowance at Gulfstream, running third in the G1 Dubai World Cup and taking the GII Stephen Foster H. in stakes-record time before his Whitney score.

## HAT TRICK FOR BAFFERT

Bob Baffert, who guided **Chilukki** (Cherokee Run) and **Silverbulletday** to '99 Eclipse Awards, himself picked up a third straight Eclipse as top trainer. "I'm getting better with age," he said. "I'm a better trainer now than I was a year ago. It's just experience." Baffert, who beat four-time winner D. Wayne Lukas, added, "I knew it would be close, and Wayne is very deserving. I really didn't expect this. I think that's why I was so emotional. The best wins are the ones you don't expect."

Capital Request broke her maiden for \$25,000 sprinting over the Calder main Aug. 8 and was claimed out of her following start for \$32,000, seemingly with the express intent of grass racing. The bay extended her win streak to three with a facile victory over the Calder lawn Oct. 1 in her first turf try and made it four in a row with her 1 3/4-length victory in the Nov. 7 Miesque S. over the local green during Breeders' Cup weekend. She came into this effort on the heels of back-to-back runner-up finishes in the Nov. 21 Hollywood Wildcat S. and the Jan. 1 Tropical Park Oaks. Bumped at the outset, the Florida-bred was forwardly positioned in a well-bunched pack while saving all the ground as Heavenly Sunshine (West by West) laid down reasonable splits. Leaving the far turn, Davis angled his filly three deep for clear running as Are You Up was making simultaneous progress along the inside. Capital Request continued her advance, struck the front inside the final eighth and held sway while Are You Up, who bobbed at the 3/16ths pole, rallied for the place. "I think she's the claim of the year so far," said winning trainer Julian Canet. "When he (jockey Robbie Davis) opened up, he just took position and went on. He had plenty of horse left." Canet indicated that his filly would make her next start in the GIII Herecomesthebride S. Mar. 1.

All horses in the International TDN were bred in North America unless otherwise indicated.

Margins: 1HF, NO, 1HF. Odds: 5.80, 0.50, 11.20.

Also Ran: Potrizaris (Arg), Rare Charmer.

Scratched: Keeper Hill.

After the defection of morning-line favorite Keeper Hill, the race was expected to be easy pickings for GI Yellow Ribbon S. heroine Spanish Fern. But Lady At Peace never looked at the tote board as she led the field from gate to wire in an impressive effort. First or second in seven of her 10 previous appearances, the bay put in a rare clunker in the Oct. 24 H. C. Ramser Sr. H. over this course, finishing eighth, and was given a two-month break. She came back as the 9-5 favorite in the GII Dahlia H., where she posted a front-running 1 1/4-length score. Allowed to set an easy pace this time, the crowd's third choice had enough left in the drive to keep the favorite at bay. "She was very happy all the way around there," jockey Garrett Gomez said. "I knew I would get away with some easy fractions, so I just dropped her head and let her do her thing and she gave me more each time I asked for it." Added Eddie Gregson, who picked up the four-year-old after the Ramser, "This filly would make any trainer look good. She's absolutely a dream. She loves to train, she's healthy, she's always very cooperative. She's got a lot of scope, a huge stride and she's very sound." As for the future, Gregson said, "We'll probably skip the (Feb. 26, GII) Buena Vista H. and run in the Santa Ana (GII, Mar. 26)."

When Sunday Silence first stormed the Japanese breeding world in 1994 and '95, his escalating success naturally spawned increasing demand from Japan for other sons of Halo, the champion sire of 1983 and 1989.

Saint Ballado appeared to have been sold to Japan in 1997, but instead left Florida for Kentucky; and Lively One, another of Halo's Florida-based sons, was targeted as well, this time successfully at the end of 1997. Arthur I. Appleton, the owner of Jolie's Halo, also found offers flooding in for his homebred son of Halo. Although he resisted long enough for Jolie's Halo to stand a fourth season at his Bridlewood Farm in 1996, an announcement was made in August of that year that the nine-year-old stallion had been sold to Ever Union Shokai in Japan for \$5 million--an enticing amount for a stallion who had commanded a fee of \$10,000.

While the Japanese must now be wishing that the deal to buy Saint Ballado had gone through, they have every reason to be satisfied with the sons of Halo that they did acquire. Lively One justified his purchase by coming up with Answer Lively, winner of the 1998 GI Breeders' Cup Juvenile; and Jolie's Halo has enjoyed graded-stakes success over the last 15 months with Super Nakayama in Japan and with Comeonmom, Cassidy and Hal's Hope in the U.S.

Even though Hal's Hope benefited from a light weight when he led virtually throughout to take Saturday's GIII Holy Bull S., this colt has now won three of his last four starts and clearly has plenty of potential.

Remember, Halo enjoyed his most rewarding season as a five-year-old, and Jolie's Halo did not make his debut until October of his three-year-old season, having bucked his shins at two and again early the following year.

Jolie's Halo set about making up for lost time and he was scoring for the fourth time in as many starts when he took the GIII Appleton H. in January, 1991. Before March was out, he had extended his unbeaten record to six with a pair of Grade I victories. He led throughout to take the Donn H. by eight lengths and again quickly took the lead and came home three lengths clear in the Gulfstream Park H. Unfortunately, Jolie's Halo couldn't maintain this standard during the rest of 1991, but he staged a bit of a revival at five, when he equalled the track record in winning the GI Philip H. Iselin H.

However, his ultimate record of 12 defeats in his last 14 starts represented a disappointing conclusion to a career which had started so spectacularly.

Hal's Hope has every right to be well above average because his dam, Mia's Hope, recorded important successes at around 8 1/2 furlongs in the GII Bonnie Miss S. and the Davona Dale S. It is worth pointing out that she also won a couple of stakes on turf, a surface on which Jolie's Halo won three times, so Hal's Hope has potential off the main track.

Mia's Hope's record underlines how quirky the bloodstock business can be. Although she was foaled when her dam, Pia Mia, was 24, she became the only graded-stakes winner among her dam's 18 foals (two of her predecessors, My Budget and My G.P., won at the Listed stakes level). In addition to being her dam's best runner, Mia's Hope also has claims to being the best horse sired by Rexson's Hope.

An interesting aspect of Hal's Hope's pedigree concerns Rexson's Hope's sire, Rexson. This fast performer was out of Royal Match, a mare by Turn-to out of the mighty broodmare Cosmah. Royal Match was therefore very closely related to Halo, who was by Turn-to's son Hail To Reason out of Cosmah.

**FRAGRANT MIX TO GO HURLING?** The 1998 G1 Grand Prix de Saint-Cloud S. winner **Fragrant Mix (Fr)** (Linamix {Fr}) could be set to embark on a hurdling career. John Hammond's charge, who also finished sixth in the 1998 G1 Prix de l'Arc de Triomphe, was yesterday revealed as an entry for the Smurfit Champion Hurdle at Cheltenham. The highweight older horse in France at 11 to 14 furlongs in '98, the six-year-old has won five of his 19 career starts, including the G2 Prix Noailles in '97 and the G2 Grand Prix de Chantilly in '98. He was most recently third in a Listed stakes at Maisons-Laffitte at the beginning of December. The multiple group-placed **Ela-Aristokrati (Ire)** (Danehill {USA}), who finished fourth in the 1996 G1 Coral-Eclipse S., is another high-class Flat performer engaged in the hurdling championship. The G1 Champion Hurdle, to be run Mar. 14, has attracted a total of 33 entries.

**CAGNES SUR MER OPENS WEDNESDAY** The French flat season begins in earnest tomorrow with the opening of the 13-day meeting at Cagnes-Sur-Mer on the French Riviera, just a few miles from Nice. A full card of seven flat races is scheduled, with the opening event going off at 1:40 p.m. Considering the number of runners on opening day--107--it appears clear that trainers are keen to run their horses throughout the meeting, which ends 27th Feb. The main event, the Grand Prix du Conseil General des Alpes Maritimes (the first Listed race of the French season) will be run 19th Feb. Training conditions have been beautiful in the Southeast of France throughout the winter, which means that all local trainers will come with fit horses. Trainers shipping from from Chantilly and Maisons-Laffitte will be the main threat to the locals. Robert Collet, for years the leading trainer at the meeting, will again be strongly represented. He has been allocated 23 stalls, more than any other trainer. Older horses will start prepping for the Grand Prix on opening day, when 13 older horses, including last year's Grand Prix winner **Irish Holmes (Ire)** (Be My Native {USA}), line up in the Prix de Robert Villeneuve-Bargemon. Irish Holmes is trained by Cedric Boutin and will be ridden by Christophe Soumillon. The apprentice was France's sensation last season and fell one success short of registering his 70th career win that will enable him to become a journeyman. Soumillon hopes to be the leading rider at the meet before returning to Paris, where he is to take up duties as second jockey to André Fabre.

### GRAND NATIONAL WINNER RETIRED:

**Earth Summit (GB)** (Celtic Cone {GB}), winner of the 1998 Aintree Grand National, has been retired. The Nigel Twiston-Davies trained 12-year-old gelding has struggled to regain his form since his famous win and has not won since November, 1998, coincidentally over the large Aintree obstacles. He has been well-beaten on his two starts this season and the discovery of some swelling to his off-fore leg set the seal on the decision to retire him. He will continue to be cared for by his devoted lass Marcella Bayliss. Part-owner Nigel Payne explained: "Nigel rang to tell me the horse had some swelling in his off-fore leg. I felt a sickness in my stomach and I realised that the fairy stories had come to an end. The horse has given so much pleasure to so many people and he is now going to have a long and deserved retirement."

### CHELTENHAM GOLD CUP SOLD OUT:

It is eight weeks until the Tote Cheltenham Gold Cup, but the day is already a sell-out, Cheltenham racecourse yesterday announced. The Gold Cup is set for Thursday, Mar. 16, and the safety limit of 50,000 attendees has been reached; there are no more tickets available for any of the three enclosures. "The demand for tickets across the meeting reflects the very high level of interest in these three great days," commented Cheltenham Managing Director Edward Gillespie.

### SIMULCAST SWAP SET FOR SATURDAY:

Kempton and Haydock racecourses, both part of Racehorse Holdings Trust group, will enter a new age of simulcasting on Saturday. The two tracks will swap the simulcasts of their entire cards, providing racegoers with seven live races and seven simulcast races via the Tote's big screens. One racecard at both tracks will list runners and riders for all 14 contests. Tim Darby, marketing manager for Kempton, said: "We are delighted with this new idea. We would like to pass on our thanks to the Tote for providing this excellent opportunity and Catterick and Lingfield for changing their race times to allow us to put together this exciting package."
