READY FOR REDEMPTION?

More Than Ready (Southern Halo) spent much of 1999 at the top of every poll, but two sub-par efforts at the end of the season left him off the list of Eclipse Award candidates. A 9 3/4-length romp in the GII Sanford S. at Saratoga left racing writers scrambling for adjectives. He returned with a game third in the GI Futurity at Belmont in September and closed out his juvenile year with a fifth in the GI Champagne S. in October. Given a freshening, the seal brown colt has been working bullets at Hialeah Park and enters the Hutcheson off a five-furlong drill in 1:00, the second-fastest time of the day. Giving away three to 10 pounds to the rest of the field, he has drawn the rail against some talented rivals, including **B L's Appeal** (Valid Appeal) and **American Bullet** (Jolie's Halo). This duo fought it out in the six-furlong GIII Spectacular Bid S. over this strip Jan. 5, with B L's Appeal holding off the late charge of American Bullet by a head. **Advanced Edition** (Bertrando), second in the Hawthorne Juvenile S. in November, cuts back to seven furlongs after placing second in a two-turn Gulfstream allowance Jan. 15. The Kentucky-bred has done his best running on the front end, a definite advantage on the speed-favoring Gulfstream surface. **Summer Note** (Notebook), unchallenged in two starts at Hawthorne as a juvenile, including a 5 3/4-length allowance score Dec. 12, gets Lasix for his stakes debut.

JAG VS. GOLD: ROUND FIVE

With the retirement of 1999 champion sprinter Artax and the uncertain status of 1998 champion sprinter Reraise, the fifth meeting between **Big Jag** (Kleven) and **Kona Gold** (Java Gold) takes on added significance. A victory by either runner will give him first crack at being leading sprinter. The two geldings have met four times in their careers, splitting the decisions. In their most recent encounter, they chased home Artax in the GI Breeders' Cup Sprint when that runner equaled the track record at Gulfstream. Kona Gold finished 2 3/4 lengths ahead of Big Jag that day and returns for the first time since that effort. In the first round of their rivalry, he was beaten a head by Big Jag in last year's renewal of the Palos Verdes. Kona Gold, second in four of his five 1999 starts, was scheduled to make his 2000 debut in the El Conejo H. Jan. 2 at Santa Anita, but scratched out due to an unfavorable weight assignment. Big Jag closed out his season with a trip to Hong Kong, finishing third in the listed Hong Kong Sprint at Sha Tin Dec. 12, a race which marked his turf debut. "It's going to be some kind of horse race," said Bruce Headley, trainer of Kona Gold. "It's great to see this horse and Big Jag hold their form for so long. It's a great rivalry, and they're the best sprinters anywhere." The late-closing Big Jag should have a fast pace to run at, with the speedy **Freespool** (Geiger Counter) and **Kona Gold** up front. Freespool led every step when capturing the El Conejo H., but will have to outgun Kona Gold from his rail post. **Old Topper** (Gilded Time) returned from nearly a year off to finish third in the El Conejo, and shows two strong works since that outing. The five-year-old landed the GIII Pat O'Brien H. at Del Mar as a sophomore.

Highweight **Captain Steve** zipped five furlongs in 1:00 4/5 over a good main track Wednesday at Santa Anita. He was originally scheduled to work Tuesday, but rain forced the change of plans. "I didn't want to move the work up to Monday, because it was too close to his last work," said trainer Bob Baffert. "So we waited until Wednesday, and it went fine. He's ready." **High Yield**, hero of the GI Hopeful at Saratoga and second last out to **Captain Steve** in the GI Hollywood Futurity, will sport blinkers for the first time. **The Deputy**, winner last out of the Hill Rise S. on the Santa Anita lawn, will make his first start on dirt in the Santa Catalina. **Hasty Kris** may still scratch out of this 1 1/16-mile test, according to trainer John Sadler.

FRUITS OF LOVE DOUBTFUL FOR DUBAI

Trainer Mark Johnston yesterday all but ruled his stable star **Fruits of Love (USA)** (Hansel {USA}) out of the G1 Dubai World Cup, to be run at Nad Al Sheba March 25. The five-year-old missed the Hong Kong Vase in December when it was discovered that he had sustained suspensory ligament damage. "I would have to say that it's extremely doubtful that he'll be ready in time for Dubai," said Johnston. "He hasn't been ridden since he came back from Hong Kong, although he's progressing well and doing 55 laps a day in the swimming pool. But he's due for re-assessment on Wednesday, and if by some chance we can start riding him by Friday, then we might give it a go."

BOOKMAKERS SHOW REDUCED TAX WORTH BILLIONS

British bookmakers yesterday reiterated their calls for the government to rapidly reduce the rate of betting duty, claiming that there will be job losses unless there is a cut from 6.75 to three percent because of the growth in off-shore tax-free betting. They have sent the Treasury independently commissioned reports that show that a three percent rate of duty could generate between £5 billion and £15 billion in additional turnover for UK bookmakers.

The German Champion Older Mare of 1999, **Elle Danzig (Ger)** (Roi Danzig {USA}), and the smart **Euryanthe (Ire)** (Royal Academy {USA}), were entered for the Singapore Airlines International Cup at the new track at Kranji March 4 at the second closing stage. TOXIC INCINERATOR IN KILCOCK PROTESTED

Representatives of the Thoroughbred industry in Co Kildare, Ireland's principal equestrian county, have made a submission to the Bord Pleanala Oral Hearing to protest against a proposed toxic waste incinerator in Kilcock, close to several stud farms. Shane Dolan, representing the Kildare Horse Development Company, told the hearing, "The proposed site, like almost every other part of Kildare, is close to stud farms of major international importance. The incinerator is an issue, not simply for its immediate environs, but one of countrywide importance. If even one breeding establishment in the vicinity of the incinerator site had to close or relocate because of the proposed development, there would be a 'domino effect' on the other establishments in the county."

DYHIM DIAMOND (IRE) (h, 6, Night Shift {USA}--Happy Landing {Fr}, by Homing {GB}) was always outrun after breaking slowly in his dirt debut. The 4.90-1 chance, who had flashed speed in almost every European start, had been running in Group company without a win since taking the G3 Benazet-Rennen at Baden-Baden May 22, 1998. He had some good runs, though, including a fourth to Seeking the Pearl (USA) in the G1 Prix Maurice de Gheest Aug. 9, 1998 and three Group 3 seconds. Dropped into allowance company by Carlos Laffon-Parias for his last Sept. 27, 1999, he showed his usual early foot and was a gritty winner at Le Bouscat. O-Gainsborough Farm; B-Knocklong House Stud; T-Bill Mott; J-Jerry Bailey.
