BULLET SHOTS DOWN PEGASUS

Though everyone and their mother viewed yesterday's G1 Preakness S. as a foregone conclusion for **Fusaichi Pegasus** (Mr. Prospector), trainer Joe Orseno was confident that his charge, **Red Bullet** (Unbridled), could upend the apple cart for the Derby winner in the middle jewel of the Triple Crown. The lightly raced colt had seen his unbeaten record spoiled by Fusaichi Pegasus in the GII Wood Memorial on a wet Aqueduct track Apr. 15, and the decision was made to forego the Kentucky Derby and instead point for the Preakness. "Give Frank Stronach all the credit you can," Orseno remarked. "It was a tough decision to pass on the Kentucky Derby, but we knew we had a horse with a lot of talent and we knew to pick our spot and point for the three-year-old championship." The homebred colt had blossomed in the past few weeks and recorded a bullet work of :58 4/5 over the Pimlico surface May 13. Jerry Bailey, who had ridden the colt to an allowance score at Gulfstream Feb. 5, was tapped to ride the colt yesterday. Allowed to settle well off the pace, Red Bullet began to advance nearing the far turn, moving in tandem with the favorite. "When he [Fusaichi Pegasus] didn't beat me to the quarter pole, I thought I had a pretty good chance," said Bailey. Splitting horses off the turn, Red Bullet quickened impressively and opened up on his rivals, coming home 3 3/4 lengths in the clear and giving Stronach his first Preakness winner. As for the Belmont, a decision will be made in the next few days. "We'll let the horse tell us," commented Orseno. Fusaichi Pegasus weakened a bit late, but held on for second over the late-running **Impeachment** (Deputy Minister).

No Fun for Fusaichi

Sent off at 1-5 in his quest for the Triple Crown, Fusaichi Pegasus appeared to dislike the sticky going in his runner-up finish. "He couldn't handle the track," said trainer Neil Drysdale. "That's the way I saw it, that's the way Kent [jockey Desormeaux] saw it. It was a greasy kind of track and he just couldn't go with it." Desormeaux knew he was in trouble on the turn. "We were together, the winner and I, we both pushed a button, and he [Red Bullet] opened up on me," said Desormeaux. "He just ran wild." Despite the denied Crown, the Derby winner will point for the Belmont. "If he comes of this race all right, he'll go to New York," said Drysdale. *Preakness chart p.2*

IT'S ALL ALJABR

Aljabr set the pace and made all with relative ease to bring his Group 1 winning tally to three here, and launch a four-year-old campaign which may see his connections experiment with ten furlongs for the first time in the horse's career. In 1999 he returned to England to take the G1 Sussex S. at Goodwood in July, but on either side of that race had the misfortune to cross paths with joint top-rated European miler Sendawar (Ire), in the G1 St James Palace S. at Ascot in June, and the G1 Prix du Moulin de Longchamp in September. Here he broke well and was soon swinging along in front, with the field lining up behind ready to expose any chinks in the favourite's armour. Yet when push came to shove, Indian Lodge (Ire) drifted left under pressure, taking Sugarfoot (GB) (Thatching {Ire}) with him, and Trans Island (GB) did not have the speed to close the gap as Aljabr lengthened to a comfortable two-length win. Trainer Saeed bin Suroor was delighted. "We've had a slow start, but we knew our horses. Aljabr has recovered from his problem last year [when he cracked his knee bone in the Prix du Moulin], and he was very quick and very good today. Mentally and physically he's done very well and he's stronger than last year. We think that maybe he will stay a mile-and-a-quarter this year."

Champion Beautiful Pleasure ended 1999 with three straight stakes wins, taking the Aug. 27 GI Personal Ensign H., Oct. 10 GI Beldame S. and Nov. 6 GI Breeders' Cup Distaff, but things did not go her way in her 2000 debut. Bet down to 4-5 in the Apr. 9 GI Apple Blossom H., the bay was too fresh early and then ran into traffic at the quarter pole en route to a disappointing fifth-place finish. She made amends for that effort here. Going right to the front, she set solid fractions while unchallenged on the lead and dashed away from her rivals down the lane to win as she pleased. "She was well within herself the entire time," Chavez said. "I knew she was the best filly in the race." Added trainer John Ward Jr., "She'll get a lot out of this race. She's not wound down tight by any means. She'll only get fitter and in better racing shape off this race." The five-year-old will return to her home base in Kentucky, returning to Belmont three weeks before her next target, the June 24 GI Hempstead H.

Quiet Resolve closed resolutely in deep stretch to snatch victory from the free-running Haami. The bay gelding "won" the GI Atto Mile at Woodbine when Hawksley Hill was disqualified for interfering with Jim and Tonic, but was a non-threatening seventh over yielding ground at Keeneland and closed out 1999 finishing last of 14 in the GI Breeders' Cup Mile. Given a five-month freshening, he returned with a game score Apr. 27 in a Keeneland allowance. Breaking from post two, he saved ground while stalking the leaders and angled out in deep stretch, getting up just in time.

Abby Girl finished determinedly for her first graded score and in the process remained unbeaten in 2000. A daylight winner of her first two starts at two, both sprints, the chestnut filly was less effective at longer distances, winding up 1999 with a third behind Surfside in the GI Hollywood Starlet in December. Shortened up for her return, she rallied three wide to take the Santa Paula S. at Santa Anita Apr. 16 and breezed twice on the lawn in preparation for this outing. Stalking the pace while saving ground, she split rivals in midstretch before finding room along the fence, getting the nod in the final strides. "The only thing that bothered me was that we drew the rail," remarked trainer Craig Dollase. "But Corey rode her perfectly, and he got her there. She just tries all the way to the wire, and that's what I love about her."

First or second in all four prior wet-track tries, Roza Robata relished the going at Pimlico yesterday afternoon. Winless since taking an allowance at Saratoga last summer, the dark bay had been second in four of her last six starts, including the Apr. 19 Doubledogdare S. at Keeneland and the May 5 GII Louisville Breeders' Cup H. at Churchill Downs last time out. The favorite sat in seventh after bobbling at the start, made her bid while in hand on the far turn and strode past pacesetter Bella Chiara in the final furlong to win going away.

Dr. Max started his career over a muddy Pimlico strip, besting cheap maiden claimers by six lengths last June, and went on to win five of his next six. The gray spoiled the streak after he lost his jockey when swerving during the stretch run of a Laurel allowance in August, but rebounded to take four in a row, the last three in photo finishes. He hadn't visited the winner's circle since taking an optional claimer at Laurel Dec. 9, but came back after a 2 1/2-month layoff to be second in the Apr. 15 Fire Plug S. over this track last time out. The longest shot in this field, the colt trailed for a half, but came flying down the wide outside in the stretch to catch Moon Over Prospect at the wire.

Saiko Kirara was the winner of her first three career starts, including a 1 3/4-length success in the G2 Yonsai Himba Tokubetsu going seven furlongs at Hanshin two back Mar. 12. The 4-5 favorite in the Apr. 8 G1 Oka Sho (Japanese 1000 Guineas) in her most recent effort, the dark bay lacked the needed punch in the stretch and finished fourth, beaten about three lengths. She could make amends at solid odds today. **Cheers Grace**, second to Saiko Kirara at Tokyo in her seasonal debut Feb. 5, was 10th in Group 3 company at Hanshin Mar. 4, but pulled off a 17-1 surprise in the Oka Sho, winning by 1 1/2 lengths. She comes into the race on the heels of a brilliant seven-furlong workout this past Wednesday in 1:21. **Silk Prima Donna** won her first two career outs by 16 lengths combined before finishing second in the Yonsai Himba Tokubetsu. Third, just two lengths behind Cheers Grace in the Oka Sho, the bay looks to rediscover her winning ways this afternoon.

Prix Saint-Alary Preview cont.

Goldamix makes her seasonal debut in this useful guide to the G1 Prix de Diane and will seek to confirm the good impression she created as an unbeaten juvenile. She completed her two-year-old campaign with an excellent win in the G1 Criterium de Saint-Cloud where she beat some highly regarded colts, but will need to perform with credit to justify a bid at the Chantilly Classic. The Wertheimer brothers hold a particularly strong hand, as they are also represented by **America**. She looked a filly of high potential when beating **Hidalguia** in the G3 Prix Vanteaux at this track over an extended nine furlongs. **Hidalguia** herself is well regarded and runs in the yellow and green silks of her owner/breeder Enrique Sarasola. Before her defeat in the Prix Vanteaux, she was a smooth winner of the Listed Prix Finlande at Longchamp Apr. 6. She will bid to avenge her only defeat to date in what looks set to be a keenly contested event.

SC(PP) HORSE	SIRE	TRAINER

3 (3) Double Heart (Fr)	Akarad (Fr)	Jarnet
4 (1) Indian Danehill (Ire)	Danehill	Fabre
5 (4) Diamond White (GB)	Robellino	Reid

All carry 128 pounds bar Diamond White, 125 pounds.

Sendawar, who opted for this rather than yesterday's G1 Lockinge S. at Newbury, makes an eagerly awaited seasonal debut. He was rated joint top miler, along with Dubai Millennium (GB), on the International Classification last season, and justifiably so. He will start at prohibitive odds based on an excellent three-year-old campaign. Beaten on only one occasion, when failing to stay an extended 10 furlongs in unsuitably soft conditions in the G2 Prix Greffulhe at Longchamp, he won his three subsequent starts, the G1 Poule d'Essai des Poulains at Longchamp, G1 St James's Palace S. at Royal Ascot and the G1 Prix du Moulin. Reportedly in top shape in his home work, he can confidently be expected to begin his quest to be European champion miler with a win. **Indian Danehill** is no forlorn hope and has already succeeded in Group 1 company this season as a comfortable winner of the G1 Prix Ganay at Longchamp Apr. 30, confirming the form of the G2 Prix d'Harcourt at the same track Apr. 2. If there are any chinks in **Sendawar's** armor, he has the ability to expose them.

All carry 132 pounds except Muhtathir, 137 pounds.

An overseas victory looks on the cards here, with the foreign invasion led by English raider **Alrassaam** and Godolphin's **Muhtathir**. The latter won the G1 Premio Vittorio di Capua here in October, was fourth in the G2 Hong Kong Mile at Sha-Tin in December and on his only start this term was third in the Godolphin Mile at Nad Al Sheba. **Alrassaam** took the G3 Prix Daphnis at Chantilly last July and was runner-up in the G2 Prix Guillaume d'Ornano at Deauville in August. He looked to find the mile and a quarter of the G3 Gordon Richards S. at Sandown Apr. 29 too far and now reverts to his best trip. **Crisos II Monaco** looks head and shoulders above the Italian-trained runners. Winner of the 1998 G2 Premio Parioli (Italian 2000 Guineas), he won the Listed Premio Signorino over a mile in Rome Mar. 19 and was runner-up in last weekend's G1 Premio Presidente della Repubblica over a mile and a quarter in Rome.

Grosser Muller Brot-Preis preview cont.

This is an important G1 Deutsches Derby trial, but unlike the main event they will be going left-handed. **Samum** remains unbeaten after three starts. On his seasonal reappearance, he was a battling winner in the G3 Preis des Gestuts Wiesenhof at Krefeld Apr. 16. **Well Made** broke his maiden at the second attempt in highly impressive style on the same Krefeld card and is an interesting contender. **Huambo** is another unbeaten candidate and will bid to confirm the form of the Listed Orakel der Dreijahrigen at Mulheim Apr. 2, where he beat **Sinamix** into second. **Sinamix** was on edge that day and is capable of much better if staying calm during the preliminaries.

Having suffered two defeats at distances short of his best, in the G3 Prix Exbury at Saint-Cloud Mar. 11 and the G3 Dubai Sheema Classic at Nad Al Sheba Mar. 25, **Amilynx** was not lacking in stamina when a highly impressive winner of the G3 Prix Barbeville over nearly two miles at Longchamp Apr. 30. He won by an easy five lengths from **Katun** on that occasion and it is hard to reason why placings should be reversed. He will be a worthy favorite and is the one to beat. **Katun** is usually at his best at this time of year and before his second to **Amilynx** he finished fourth in the Listed Prix Right Royal at Maisons-Laffitte Apr. 11. He holds a solid place chance. **Lucky Dream** makes his seasonal debut and attempts to add to a solid 1999. He won twice from three starts, following up his success in the Listed Prix Moskowa at Chantilly in June with a fine win in the G2 Prix Maurice de Nieuil at Maisons-Laffitte in July. He will prove a big danger to the favorite.

A # will distinguish first-time stakes-winners, a @ will indicate first-time graded stakes-winners, a ▲ will denote a first-time Grade/Group 1 winner, a + will denote winners who are first-time starters and an (R) will be used for other restricted races. Winner of the GI Super Derby and GII Jim Dandy S. last year, Ecton Park ended 1999 running 12th in the GI Breeders' Cup Classic and started 2000 with a third-place finish in a Gulfstream allowance Feb. 12. He was third again in the Mar. 5 GIII New Orleans H., then shipped to the Middle East and finished fifth in the Mar. 25 G1 Dubai World Cup. The chestnut needed only a couple of months to recover from that trip, however. Sent right to the front, he was head-and-head under a chilly Pat Day, lengthened his stride to take command on the far turn and left his rivals in his wake late in an impressive performance. "Not that this isn't a nice race, but it was a step down from where he'd been running," trainer Elliott Walden said. "He was coming out of the best race in the world, the Dubai World Cup. But we wanted him to get his confidence." The four-year-old goes next in either the June 17 GII Stephen Foster H. at Churchill or the June 11 GII Brooklyn H. at Belmont.

Hurrahay had captured the GIII Royal Palm H. at Hialeah last May, but had been held winless in his six subsequent starts. Runner-up in both the GIII New Hampshire Sweepstakes H. and the GIII Oceanport H. last season, he ended the campaign with a third in the Oct. 2 Miami Mile Breeders' Cup H. at Calder. The bay faced tough company in his first two tries this term, running fourth in the Mar. 25 GIII Bougainvillea H. at Gulfstream and eighth in the Apr. 14 GII Maker's Mark S. at Keeneland, and fared little better in his latest, finishing sixth at 5-2 in this year's Royal Palm May 6. Favored despite the rocky record, the gelding raced in fifth to the stretch before rallying to get up for a half-length victory.

A stakes winner at Delaware Park, the Meadowlands and Laurel last season, Fiesty Countess was off the board in both the Feb. 19 Gill Davona Dale S. at Fair Grounds and last time out in the Apr. 14 Gill Fantasy S. at Oaklawn, but sandwiched a seven-length win in the Gill Honeybee S. at the Arkansas track between those losses. Del Mar Danny was claimed twice last year, going for \$32,000 after finishing fourth in his debut at Del Mar in July and getting haltered for \$20,000 after a claiming event at Fair Grounds in November. He started the 2000 campaign with a win against \$50,000 claimers at Fair Grounds and, after running third in allowance at that track, shipped to Oaklawn to take a Mar. 20 allowance and the Apr. 14 Northern Spur S. The odds-on choice to make it three in a row, the bay chased fellow former claimer One Upman through moderate splits and ran that one down in the lane for a narrow score.

She came back after a 4 1/2-month vacation to be second, beaten a nose, in a Churchill allowance May 5. and was 2-5 to get the job done this time around. Never far from the front in this six-horse field, she grabbed the lead at the top of the lane and drew away to the popular score.

Dixie's Crown took a 1 1/2-mile allowance test over a yielding course at Keeneland two starts back, then stepped up for the Apr. 26 Gill Elkhorn S. at the same distance and closed to be third. Dropping back three furlongs as the crowd's choice, the chestnut bided his time in fifth for six furlongs, moved to join the leaders as they raced into the stretch and outgamed Grits'n Hard Toast for the victory.

Never worse than third since shipping across the Atlantic, Housekeeper was second in four straight before getting her first U.S. win in an optional claimer going a mile on the turf at Santa Anita Mar. 9. Third in her next try, she was back in the winner's circle once again after her latest, an optional claimer at 5 1/2 furlongs on the Hollywood grass Apr. 28. Odds on to make it two in a row, the bay settled in fourth as Santa Monica cut out honest fractions, drove by the front runner in the final furlong and drew clear.

In his most recent outing, the homebred gelding had finished fourth in the Ack Ack H. for state-breds at Santa Anita Dec. 27. She made it to the track only once last season, missing by just three-quarters of a length in the G3 Prix Vanteaux at Longchamp, and was making her U.S. bow after 12 1/2 months on the bench. Favored at 9-10 despite the lengthy absence, the bay raced near the back of the pack through six furlongs, moved up on the final bend and finished full of run to best Dounine (GB) (Kaldoun {Fr}) by a neck. The runner-up, making her first appearance since running 11th in a Listed stakes at Maisons-Laffitte last December, was 17-1 in her U.S. bow. Despite being unpredictable, and although he has never made his mark at the highest level, Sea Wave has performed creditably internationally, with a close third in the G2 Hong Kong Vase at Sha Tin in December last year, his finest effort since romping away with the G2 Great Voltigeur S. at York in 1998. Here he was settled on the rail early as Lightning Arrow took them along at a steady pace which had a few of the runners pulling for their heads. He made his move after the final turn, and in the straight he was travelling easily, so that when he found the gap he was soon upsides the leader and hit the front with a furlong-and-a-half remaining, before staying on well under hands-and-heels riding. Simon Crisford said, "Sometimes he likes to swing with the chimps, and a little bit more honesty would help, but he's a very good horse, and this was an ideal drop in class."

Settled at the back as the pace was cut out by the favourite Arabesque (GB) (Zafonic {USA}) and Halland Park Girl, she appeared to be struggling past halfway as the field was quickening. Jockey Kevin Darley kept working, however, and she responded in her own time to quicken inside the final furlong and led with a hundred yards remaining, before going away to win easily in the end.

BACHIR TO THE CURRAGH?

Simon Crisford, racing manager to Godolphin, reported yesterday that **Bachir (Ire) (Desert Style {Ire})** may be supplemented Tuesday to the May 27 G1 Irish 2000 Guineas at The Curragh. Second in the UAE Derby in March, the colt came back to win the May 14 G1 Poule d'Essai des Poulains at Longchamp.

MONASHEE MOUNTAIN INJURED

Monashee Mountain (USA) (Danzig {USA}), who suffered his first defeat in the May 14 G1 Poule d'Essai des Poulains, apparently had an excuse for his lackluster showing. Trainer Aidan O'Brian told *PA Sport*, "He was found to have pulled a muscle in his shoulder after running in the French 2000 Guineas last Sunday. He will be on the easy list for the next 10 days, after which he will be re-assessed." The 6-4 favourite at Longchamp, Monashee Mountain was fifth, beaten 4 1/4 lengths.

HATAAB POSSIBLE FOR EPSOM DERBY

Hataab (USA) (Woodman {USA}), winner of the Listed Michael Seely Memorial Glasgow S. at York Thursday, may go next in the G1 Epsom Derby. The colt had been considered for the G2 King Edward VII S. at Royal Ascot, but the *Racing Post* reports that he was not, in fact, entered for that race. "He's also not entered in the Irish Derby, though he's in at Epsom and in the Prix du Jockey Club, and the chances are he'll run in one or the other," Angus Gold, racing manager to Sheikh Hamdan, told *Racing Post*. "The situation has caught us by surprise. Hataab is very lazy at home and the way he was working suggested he hadn't trained on. His win at York was a bit of a shock."

CHAMPION LODGE (IRE) (c, 3, Sri Pekan {USA}--Legit {Ire}, by Runnett {GB}), sent off at odds of 9-4, tracked the early pace set by Elghani (GB) (Lahib {USA}) in last position. As they turned into the straight, the pace was starting to wind up in front, and Whitworth had to switch his mount off the rail to get a clear run. He took a while to get going, but eventually got on top of the leader with 50 yards remaining, winning comfortably in the end by half a length. Lifetime Record: 3-2-1-0, £17,623.

Weaver did not make his move until inside the final furlong, when the others were flat to the boards, but the response was immediate and his spurt took him three-quarters-of-a-length clear of Locharati (GB) (Emarati {USA}) for an easy win.
