MAGNITUDE COMES HOME FIRST

First **Magnitude (Ire)** (Arazi), winner of last season's G2 Prix du Conseil de Paris at Longchamp and the Apr. 27 G3 Prix d'Hedouville, justified favoritism in yesterday's G2 Prix Jean de Chaudenay at Saint-Cloud with a cozy, albeit small, winning margin. The Irish-bred colt was settled in third ahead of **Spendent (GB)** (Generous {Ire}) and **Aubergade (Fr)** (Kaldoun {Fr}) as **Russian Hope (Ire)** (Rock Hopper {GB}) led the field from **Crillon (Fr)** (Saumarez {GB}) in single file. The pace quickened on the run to the home straight and First Magnitude was niggled along to keep his place rounding the final turn. First Magnitude and Crillon made their challenge in tandem approaching the final furlong and the pair went on inside the final 150 yards, with the winner pushed out to assert his superiority and comfortably hold on for the score. Crillon looked dangerous from the quarter-mile marker, but lacked the necessary ammunition to get to the front. Spendent ran on in the closing stages and grabbed third in the dying strides.

ZOFTIG STORMS TO SELENE SUCCESS

Content to trail the field early, even-money favorite **Zoftig** (Cozzene) saved all the ground and slipped past 2-1 **North Lake Jane** (Meadowlake) in the lane to win yesterday's G1 Selene S. at Woodbine by a length. "I was very happy with the way she finished," jockey Marlon St. Julien said. "The rail opened, so I took the opportunity...saving the ground and the kick she had left allowed us to prevail." Beaten a nose in the G1 Ashland S. at Keeneland Apr. 8, the gray was 8-1 in the May 5 G1 Kentucky Oaks and finished a non-threatening fifth behind runaway winner Secret Status. Finding a softer spot this time, she settled near the back of the pack while riding the rail early, moved up on the far turn and drove past the runner-up in the final furlong. As for what's next, trainer Mike Doyle said he would give his charge a two-month break and then try her on the turf, where she started her career with a maiden victory. "She's still learning and maturing, and still has a little growing to do," he said. **Inspired Kiss** (Inspired Prospect), who rallied to be third, will make her next start in the June 10 Canadian Oaks. "She'll be tough," her jockey, Neil Poznansky, said of the Canadian-bred miss.

O-Stronach Stable; B-Frank Stronach (KY); T-Joseph Orseno; J-J D Bailey; \$650,000. Lifetime Record:
5-4-1-0, \$963,800.

Breeders are always quick to clutch at any straw which might help them make the best use of their stallion seasons and Frank Stronach took the hint when Unbridled sired his first major winner, Unbridled's Song, from a daughter of Caro. Stronach promptly sent his Caro mare Cargo to visit Unbridled in 1996, soon after Unbridled's Song's Grade I victories in the Breeders' Cup Juvenile and the Florida Derby.

We now know that lightning can indeed strike twice in the same place, because Cargo has produced a colt every bit as good as Unbridled's Song in the shape of the Preakness hero Red Bullet. For good measure, Unbridled has also done very well with Red Chili Pepper, a leading distaff performer in Japan whom he sired from a mare by Caro's son Dr. Carter.

Clearly this type of mating has a great deal to offer, but I must admit that the idea of sending daughters of Caro to the 16.3-hands Unbridled probably would not have occurred to me, on the score of size. Caro also stood 16.3 hands and his progeny--which have been described as gangling--tended to be big and rangy. A perfect example was his Kentucky Derby-winning daughter Winning Colors, who fortunately had the athleticism to match her big, impressive frame.

Red Bullet's dam, Cargo, will be remembered as a talented and versatile performer in California. Although a stakes victory eluded her, she was good enough as a five-year-old to finish runner-up to Golden Klair in the GII A Gleam H. over seven furlongs and to Corrazona in the GIII Santa Anita Budweiser Breeders' Cup H. over a mile. She appeared to be at home on both dirt and turf.

The longest distance over which Cargo was stakes-placed was 8 1/2 furlongs, which is pretty much what one would expect of a filly of her pedigree. Cargo has a largely European background and all four of her grandparents did their racing in Europe. Her dam Aerturas was imported to the U.S. as a two-year-old in 1983. She justified the move as a five-year-old, when her stakes success over six furlongs at Bay Meadows was sandwiched between third places in the GIII Las Flores H. and the GIII Barbabra Fritchie H. Speed again seemed to be her main asset.

Aerturas was by Manado, a very good performer whose stallion career was a sad anti-climax. He secured the title of champion two-year-old in France in 1975 by taking the Prix de la Salamandre and Grand Criterium, but failed to win again at three, when a mile proved to be his limit. Red Bullet's third dam, Amiel, was a minor winner in Italy, where her dam Alea was a leading juvenile and winner of the Italian 1000 Guineas. Alea is best known as the dam of Noalcoholic, a brother to Amiel who developed into one of Europe's top milers at the ages of five and six. His finest moment came when he won the G1 Sussex S.

Red Bullet's connections have already made one decision--to miss the Kentucky Derby--in the colt's best interests and they must now decide whether to try to add the Belmont S. to his Preakness success. The desire to establish Red Bullet as a champion may well persuade them to let him take his chance. While Caro may help him, Red Bullet is by no means sure to be as effective over 1 1/2 miles as he is over shorter distances. Unbridled could only plod on into fourth place, well behind Go And Go, in the 1990 Belmont and his only major success over 1 1/2 miles as a stallion is the CCA Oaks victory of his daughter Banshee Breeze. Remember too that Unbridled's Song led the Kentucky Derby field into the stretch, only to fade quickly in the closing stages, and never won beyond nine furlongs.

PREAKNESS RATINGS RISE The ABC telecast of Saturday's GI Preakness at Pimlico earned an overnight rating of 4.6 and an 11 share, up 21 percent from the 1999 figures. It was the first time since 1997 that the ratings had shown an increase. The second leg in last year's Triple Crown drew a 3.8 overnight rating and a 10 share. One rating point is equivalent to approximately 1 million viewers. The share represents the percentage of televisions tuned to any given program. The Preakness broadcast aired from 4:30-6 p.m.; the final hour attracted a 5.3 rating and a 12 share, up 26 percent from a year ago. In comparison, the NBA playoff game between the Los Angeles Lakers and the Portland Trailblazers which aired on NBC at the same time as the Preakness programming drew a 6.2 rating and a 15 share, while the Colonial golf tournament on CBS drew a 2.0 rating and a 5 share.

POSITIVE NUMBERS FOR HIALEAH MEET The 58-day Hialeah-at-Gulfstream season closed Monday after showing an increase of 40 percent in live and full-card handle over last year's 60-day stand. Wagering on the live racing was up more than \$4 million, while handle on the track's full-card simulcasting menu increased more than \$12 million. Attendance showed a gain of 62,000 over the course of the season. "Hialeah would like to thank all the horsemen who contributed to the overall success of the meet where purses were at an all-time high. This was an experiment that proved profitable and successful for all parties concerned," Hialeah General Manager Richard W. Sacco said.

Take Note of Me Injured:

GSW Take Note Of Me (Notebook), winner of the GIII National Jockey Club H. at Sportsman's Park Apr. 29, broke down during a workout at Arlington International Sunday morning and has been retired, the *Thoroughbred Times* reports. The six-year-old gelding fractured both sesamoids in his left front ankle, but jockey Ray Sibille was able to pull him up quickly, avoiding further damage. "Fortunately, due in large part to Ray's immediate action, we will be able to save him," trainer Gene Cilio told *Thoroughbred Times*. "We'll keep him here a few days. Then he will probably have surgery to put a plate in there to reduce the risk of infection." He added, "I would think the owners would decide to retire him somewhere nearby so they can visit him from time to time." With a total of seven stakes wins to his credit, the Florida-bred retires with 11 wins, three seconds and four thirds from 22 starts and earnings of \$650,789. He campaigned for Steve Holland and the estate of the late Barry Shipp, who bred him.

All carry 126 pounds.

One of the last trials for the G1 Prix de Diane Hermes (French Oaks) (Chantilly, June 11) sees the main stables in France represented. **Beyond The Waves**, the only filly to have raced in pattern company, was beaten only two-and-a-half lengths by America (Ire) in the G3 Prix Vanteaux (Longchamp Apr. 30), and the runner-up that day, Hidalguia (Ire) was a close third in Sunday's G1 Prix Saint-Alary at the same track. **Pinkai** won last time at Longchamp over this distance and will be a danger, as will the progressive **Vadaza**, who created a favourable impression when cosily winning a conditions race at Longchamp May 4.

TADORNE (FR) (f, 3, Inchinor {GB}--Tambura {Fr}, by Kaldoun {Fr}), the 11-5 second choice, raced a mid-pack sixth as Regal Star (GB) (Sadler's Wells {USA}) set a moderate pace, but moved into a challenging position as the field straightened up. She made her bid from the quarter-mile marker as the favourite Fonage (GB) (Zafonic {USA}) led, was ridden to lead at the distance and was pushed out for a comfortable 1 1/2-length win from Souvenir Souvenir (GB) (Highest Honor {Fr}). CHIEF BARON (IRE) (c, 3, Wolfhound {USA}--Helen's Gamble {Ire}, by Spectacular Bid {USA}) was positioned in a close fourth along the rail as the erratic Jokari (Fr) (Ski Chief {USA}) pulled his way to the front. He made steady progress to be third into the straight, found a split at the quarter-mile marker between Fatal Flaw (USA) (Hansel {USA}) and Jokari, led approaching the final furlong and was ridden with vigour to hold the late charge of Golani (Ire) (Nikos {GB}) by a short neck at odds of 8-1. The winner was a 36,555gns AFAUG yearling and a 21,000gns TADEF weanling. Lifetime Record: 3 starts, 1 win, 1 place, FF117,000.

All carry 120 pounds, except for Merry Merlin at 123.

The Predominate S. is the final recognised trial for the June 10 G1 Epsom Derby, but the last horse to win both races was 1979 winner Troy. Godolphin, who won this race last year with Dubai Millennium (GB), will be represented by **Roscious**. He was a four-length runner-up to stablemate River's Curtain (USA) at Saint-Cloud in a minor event last October, before showing his fitness with a victory in his Dubai trial this spring. He will have a hard task to beat more seasoned performers, including **Bogus Dreams**, who was well beaten in the Listed Easter S. Kempton Apr. 22, but deserves another chance to build on his smart two-year-old form, and Terry Mills' **Norton**. Not seen out yet this season, he looked a useful prospect in his maidens last year, and he is the stable's number one Derby hope at present.

GOODWOOD OPENS WITH RECORD PURSES

Record prize money totalling £364,500--up 11.5 percent from £327,500 in 1999--will be on offer during Goodwood's three-day May Trials meeting which opens today and runs through this Thursday. Highlight of opening day is the 30th running of the £35,000 Listed Compass UK Leisure Predominate S., over 10 furlongs. The race is the last major trial for the G1 Epsom Derby S. June 10. The 1999 winner of the Predominate S. was Dubai Millennium (GB), who despite a ninth-place finish in the Derby, has won three Group 1 races, including this year's Dubai World Cup. Fillies have their chance to stake a claim for the G1 Epsom Oaks S. (June 11) on Wednesday in the £30,000 Listed Victor Chandler Lupe S. over a mile and a quarter. Established in 1972, the race honours the great Lupe, who won the Oaks in 1970 and the G1 Coronation Cup in 1971. Thursday's highlight is the £35,000 Listed Badger Brewery Festival S. over a mile and a quarter for older horses. Rob Fabricius, Goodwood's Clerk of the Course and General Manager, said, "We are looking forward to the opening three-day May meeting. Some welcome rain has eased the going, currently Good in the Straight and Good to Firm (Good in places) on the Round Course. The showery outlook should help the moisture in the ground."

FALLON FACES SUSPENSION

Champion jockey Kieren Fallon was handed a four-day suspension by the stewards at Bath yesterday, after they found him guilty of causing a pile-up in the Levy Board H. Fallon's mount Dorissio (Ire) appeared to cause the fall of Ray Cochrane's mount Tarcoola (GB), who subsequently brought down Mr Bergerac (Ire), the mount of John Stack. Fallon was banned from riding from May 31 to June 3. Cochrane was taken off the racecourse in an ambulance and was forced to miss his rides at Windsor's evening meeting with a sore neck.

2.30 Bath, European Breeders Fund Twobridge Novice S. (Cond.) (Class D), £4,942, 2yo, 5f 11ydsT, 1:03.30, gd/fm.

KACHINA DOLL (IRE) (f, 2, Mujadil {USA}--Betelgeuse {GB}, by Kalaglow {Ire}), the heavily-backed 6-5 favourite, broke well and held her position on the rail early as Nine To Five (GB) (Imp Society {USA}) set a furious gallop. She was angled out past halfway and hit the front with two furlongs remaining, before sprinting clear for an easy six-length success. Lifetime Record: 5-2-0-1, £6,564.

RARE OLD TIMES (IRE) (f, 2, Inzar {USA}-Moona {USA}, by Lear Fan {USA}) was well beaten on her debut at Salisbury May 7 and, having to face three previous winners, was unfancied here at 12-1. After racing in fourth early on, she was switched to the wide outside and raced on her own down the middle of the track, grabbing the lead two furlongs out and ran on well to hold debutant Johnny Reb (GB) (Danehill {USA}) by three-parts of a length. Rare Old Times, an 8,928gns GOOC1 yearling, is the first winner for her freshman sire (by Warning {GB}). Having qualified for the £50,000 "Royal Bonus" offered to juveniles who win at Windsor and score at next month's Royal Ascot meeting, Rare Old Times will probably go for the G3 Queen Mary S. for fillies June 21. Lifetime Record: 2-1-0-0, £7,308. O-Graham Brown; B-Tony O'Callaghan; T-Mrs Nerys Outfield; J-Lee Newman.

6.45 Windsor, European Breeders Fund Maiden Fillies S. (Class D), £6,930, 2yo, f, 5f 10ydsT, 1:00.50, gd/sf.

+ FLYING MILLIE (IRE) (f, 2, Flying Spur {Aus}-Sweet Pleasure {GB}, by Sweet Revenge {GB}) comes from Richard Hannon's powerful juvenile string and was well backed to start 9-2 favourite. After breaking well, she raced behind the leaders until halfway, was switched to the wide outside and quickened well to grab the lead well inside the final furlong to score cleverly by a neck from Superstar Leo (Ire) (College Chapel {GB}) who had looked the probable winner until caught close home. Flying Millie is the second winner for her freshman sire (by Danehill {USA}) and, having qualified for the £50,000 "Royal Bonus" offered to juveniles who win at Windsor and score at next month's Royal Ascot meeting, the filly now targets the G3 Queen Mary S. for fillies June 21. Lifetime Record: 1-1-0-0, £4,505. O/B-John E Guest; T-Richard Hannon; J-Dane O'Neill.

BEAT HOLLOW EYES DERBY

Prince Khalid Abdullah's **Beat Hollow (GB)** (Sadler's Wells {USA}), winner of the Listed Green Ridge Stables Newmarket S. May 5, looks set to go into the G1 Vodafone Derby at Epsom June 10, for which he is the present second favourite at 5-1, without another start. After his Newmarket win, the Henry Cecil-trained colt was sidelined with mucus in his lungs, but he worked encouragingly at Newmarket last Friday. He is now expected to be given a serious racecourse workout prior to the Derby, but no date or venue has been announced.

GIANT'S CAUSEWAY SET FOR IRISH GUINEAS

Giant's Causeway (USA) (Storm Cat {USA}), runner-up to King's Best (USA) in the G1 Sagitta 2000 Guineas at Newmarket May 6, will be trainer Aidan O'Brien's sole representative in Saturday's G1 Entenmann's Irish 2000 Guineas over a mile at The Curragh.

TESTA ROSSA TAKES TRIAL

Jockey Shane Dye rode **Testa Rossa (Aus)** (Perugino {Ire}) for the first time in a barrier trial at Cranbourne yesterday and declared the colt will take beating in Saturday's G1 Treasury Casino 10,000 at Doomben. "He'll win on Saturday," the ever-confident Dye told trainer Dean Lawson as he dismounted. Testa Rossa won the trial by about 2 1/2 lengths, but it could have been more. Dye was content to let the colt, usually a notoriously poor track worker, cruise to the line. "I wouldn't have minded if he'd put six lengths on them, but Shane didn't really let him have his head," Lawson said, adding the colt "wouldn't have blown a candle out" after the gallop. The winner of 10 of his 17 starts and more than A\$2.3 million in prizemoney, Testa Rossa has not raced since his disappointing effort in the G1 Ryder S. at Rosehill Apr. 8.
