## WHO'S THE BEST MILER OF THEM ALL?

Eight horses, eight furlongs. Who will come out on top in today's GI Met Mile at Belmont Park? Sir Bear (Sir Leon), winner of the '99 Met, boasts a perfect four-for-four record at a mile. The seven-year-old had finished off the board in three straight, but rebounded to take the Apr. 22 Gill Texas Mile by a head in his latest. "His best game is a flat mile, especially a one-turn mile," trainer Ralph Ziadie said. "A mile and an eighth is too long and seven furlongs is too short." If the gelding gets his second Met Mile trophy, he will be the third to take back-to-back runnings, following in the footsteps of Gulch and the mighty Forego. The late-running Sir Bear will have plenty of pace in front of him. Likely to be on the lead are Gill Westchester H. winner Yankee Victor (Saint Ballado) and Richter Scale (\*Habitony), who goes for his fifth consecutive stakes win. Yankee Victor has blossomed since having surgery in January. The four-year-old had one of his testicles removed, then came back to win an allowance at that track Feb. 5. Second in the Mar. 11 Gill Creme Fraiche H., he then handed subsequent GI Pimlico Special winner Golden Missile a 3 3/4-length defeat in the Westchester and added an Aqueduct allowance win May 6, speeding the mile in 1:33 2/5 that afternoon. "Since [the surgery], we've had a new horse," trainer Carlos Morales said, adding, "He always runs on the lead. I don't think it's a good idea to change that." He could have company in Richter Scale, who was fourth after setting the pace in the 1997 Met Mile, but didn't compete in the last two editions. The six-year-old jumps up in class after taking the Apr. 16 Gil Commonwealth Breeders' Cup S. at Keeneland. "This is obviously going to be his toughest test yet," said trainer Mary Jo Lohmeier. "He's doing well and now's the time to try. This is a race the owners have pointed for because this race makes stallions." That's not a factor for Big Jag (Kleven). The seven-year-old gelding makes his Belmont debut after winning the Mar. 25 Dubai Golden Shaheen S.; he was also third in the Dec. 12 Hong Kong Sprint, sandwiching a second in the Gil Palos Verdes H. between the two international outings. "We've always felt more confident at seven furlongs than at six," trainer Tim Pinfield said. "I don't know if he will get the mile, but the way he runs, it looks like he should." (*Met Field*, p. 5)

## CRIMPLENE COMPLETES GUINEAS DOUBLE

Clive Brittain's Crimplene (Ire) (Lion Cavern) made virtually all the running at 16-1 to take yesterday's Irish 1000 Guineas at the Curragh from 7-1 shot Amethyst (Ire) (Sadler's Wells) and earn her second Guineas success. She is fast gaining a reputation as a globe-trotter, having wintered and run in Dubai before racing in Britain, Italy, Germany and now Ireland. Her time in Dubai was well-spent, as she ran sixth in the UAE Derby at Nad Al Sheba Mar. 25, form which is looking very solid. On her return to Britain, she was third behind Ifтираас (GB) in the G3 Dubai Duty Free S. Newbury Apr. 14, and the decision was made by her owner to go to Italy. She finished a creditable third to Xua (Ire) in the G2 Premio Regina Elena (Italian 1000 Guineas) at Rome Apr. 30, before winning the G2 Henkel-Rennen (German 1000 Guineas) at Dusseldorf May 7 in a time just over a second faster than the English version. Here, she broke well and took to the front and was only headed briefly before the turn by Bells Are Ringing (Sadler's Wells). The rest of the race was hers and jockey Philip Robinson's. Amethyst looked as though she might go past with two furlongs remaining, as the favourites Meiosis (Danzig) and Preseli (Ire) (Caerleon) made no headway, but the winner found more as she ran towards the rail. This helped straighten her for a powerful finish which took her safely to her second Classic success. Trainer Clive Brittain was ecstatic after the win, but also mulled over what might have been. "I'm absolutely delighted to come here and have another winner," said Brittain. "I thought we should have run in the (English) 1000 Guineas, but Sheikh Marwan said to go to Italy, where she was third, and then we won in Germany, but I think if we'd have gone for the English and then the German, we would have won both. I'll have to speak to the owner, but I'd have thought we'll go for the G1 Coronation S. at Royal Ascot (June 23), and then let them all come."

The winner of two of five starts since being transferred to trainer Eduardo Inda's barn, Riboletta had announced herself a presence to be reckoned with in the older filly and mare division on the West Coast with a win in the GI Santa Margarita H. and the GII Hawthorne H. in her last start May 7. The latter was an awesome display--a front-running seven-length win over Excellent Meeting, among others. Second choice to that rival in their last meeting, she was accorded more respect here as the even-money choice to Excellent Meeting's 5-2. Breaking from the inside, she dueled for the lead down the backstretch under a snug hold from jockey Chris McCarron with Spanish Fern (El Gran Senor), Bordelaise and Smooth Player (Bertrando) to her outside. The group laid down quick early fractions of :23 and 45 4/5. "I was surprised we were pressed that early and that forcefully," said McCarron, who let her out just a notch on the turn and she inched away, turning for home with the lead and drawing clear through the stretch with one crack of the whip and a strong hand ride. Excellent Meeting saved ground in fourth early, tried to slip through on the rail at the top of the stretch but found no room and was switched to the outside, but could not get close to the winner. Riboletta ran down on her right hind, but Inda did not appear overly concerned. "It happens to a lot of horses," he said. "A couple days and it should be okay." He said that the June 25 GI Vanity H. at nine furlongs would be next.

Montjeu returned with a vengeance to win this Group 1 contest unextended, his performance matched only by the nerves of steel displayed by his jockey to squeeze through horses with 100 yards remaining. After a three-year-old season which included wins in the G1 Prix du Jockey-Club, Irish Derby and Prix de l'Arc de Triomphe, his connections might have been excused for rushing him off to stud, but the decision was made to allow racegoers to enjoy him for another year. The winner of last year's Irish Derby may have been more impressive on his return to the Curragh here despite some pre-race antics; he refused to go into the parade ring, forcing his handlers to bring him in through a side entrance. Once the race was underway, though, all was smooth; he was kept in fourth on the rail early as Urban Ocean (Fr) (Bering {GB}) set a fair pace. His jockey held on to him for as long as it took, as first Mutafaweq, and then Greek Dance (Ire) arrived at the front of affairs with a furlong remaining. It looked as if he may not find room, but a confident Kinane saw enough daylight to bring the huge horse through and swept between the leaders for the win. "There was just a little worry, as it looked difficult for Mick to come through," said owner Michael Tabor, "but he won very easily in the end, and I'm very happy. It's very exciting for the races ahead this year. He'll race at a mile-and-a-quarter, and at the end of the year at a mile-and-a-half, with the Prix de l'Arc de Triomphe and Breeders' Cup Turf as targets."

Although Kallisto did not get off the mark in two races last year, he has progressed into an impressive individual in 2000 and came into this race undefeated in two starts in the new year. The winner of a conditions race at Frankfurt Mar. 26, Kallisto also accounted for the G3 Fruhjahrspreis at the same course Apr. 23. The latter success was a commanding one and marked him down as a serious contender for this test, which he passed with flying colours. Prominent early in third as a fast pace was set by Quality Team (Diesis {GB}), he was moved up to challenge with three furlongs remaining, before quickening clear, leaving Windsor Boy, who had stayed with him until then, for dead. The runner-up stayed on well to hold the fast-finishing Paolini, while Davide Umbro (Ity) (In The Wings {GB}), the winner of the G2 Premio Parioli here Apr. 30, ran on well to be fourth. The winner recorded a time over two seconds faster than that set by the older horses in the G2 Premio Carlo d'Alessio and will be feared when he returns for the G1 Deutsches Derby at Hamburg July 2.

Germany proudly boasts if ever there was a consistent horse, it is Kalatos. The eight-year-old won last year's Fruhjahrs Meile at Cologne in April and was placed in a further four Group or Listed races. Picking up where he left off last year, he reappeared with a second-place finish in the G3 Buchmacher Lindner Trophy at Gelsenkirchen Apr. 9, and followed up by winning the Listed Excelsior Hotel Ernst-Meile at Cologne Apr. 30 in his only other start this year. He had to dig deep into his reserves to fend off the challenge of Bernardon to add this race to his portfolio. Nobody seemed willing to make the running but Alabama Jacks (Ire) (Magical Wonder) took the initiative with Faberger prominent. As the field entered the straight, Alabama Jacks began to fade and Kalatos began to make his move. It was Kalatos and Bernardon who went in the last furlong or so and the pair hooked up for a driving battle to the line with the former just prevailing. Faberger kept on well in the closing stages and held on safely for third as Jashin (Ire) (Soviet Star) finished in good style.

A multiple Group 1 winner in France, **Dark Moondancer** was never a factor in his first U.S. start when ninth in the Breeders' Cup Turf, but has rebounded with three strong efforts since. The bay was second by a head in the GII San Marcos H. at Santa Anita Jan. 22 at today's trip before scoring a 2 1/2-length victory in bog-like conditions in the GII San Luis Obispo two back. Unraced since holding Single Empire by a nose to win the Mar. 18 San Luis Rey, a sparkling one-mile turf work May 21 in 1:36 1/5 should have the Ron McAnally charge ready to run. **Senure** managed only two wins from nine European starts in moderate company, but has been a different animal since his arrival in the States. The two-length winner of a Santa Anita allowance event Jan. 2, the Juddmonte homebred was rested for the Apr. 29 GIII Fastness H. locally Apr. 29 and benefitted from a rail trip to win that afternoon by 1 1/2 lengths. Corey Nakatani picks up the mount for trainer Bobby Frankel, who seeks his second consecutive Whittingham score (River Bay--1999). **White Heart** accounted for GII Dixie S. runner up Haami when winning the G3 Oettingen Rennen in his penultimate European start and impressed when coming from well back to win a one-mile prep over the local turf May 10.

This race has been chosen by Peter Makin to re-introduce his talented sprinter **Imperial Beauty**, who improved throughout last year, ending her campaign with a short-head second to Agnes World in the G1 Prix de l'Abbaye de Longchamp in October. Before that, she had shown a liking for the minimum trip with successes in the Listed Dubai Airport World Trophy S. at Newbury in September, and a second to Rudi's Pet (Ire) in the G3 King George S. at Royal Ascot in July. She may be given most to do by Godolphin's **Sampower Star**, an acquisition from Richard Hannon's yard, who last time took the G3 Prix de Saint-Georges Longchamp May 14 for his new connections. He has just under two lengths to make up from his Prix de l'Abbaye running, where he just failed to hold third place, but he may have progressed since then. Hannon himself runs **Bold Edge**, who has conquered the G2 Cork & Orrery S. at Royal Ascot last June, and the G2 Diadem S. at the same course in September, with his bold front-running style, but his best form is over an extra furlong.

**RED BULLET TO SKIP BELMONT:**

Trainer Joe Orseno has announced that Preakness winner **Red Bullet** (Unbridled) will skip the June 10 GI Belmont S. "We don't want to squeeze the lemon dry," Orseno explained after conferring with owner Frank Stronach. "We already won the Preakness with a horse that didn't race as a two-year-old and we think it's best to give him more time in between his races right now." Red Bullet will now be pointed to the Aug. 6 GI Haskell Invitational at Monmouth Park with the Aug. 26 GI Travers S. as his major goal. "It comes down to knowing your horse," explained Orseno. "Neil Drysdale (trainer of Derby winner Fusaichi Pegasus) knows his horses and sometimes gets a little flack for the things he does. But we know our horse too, and this is the right thing to do," concluded Orseno.

**PETER PAN POSTLUDE**

Saturday's GI Peter Pan winner **Postponed** (Summer Squall) will, indeed, head to the June 10 GI Belmont S., confirmed trainer Scotty Schulhofer yesterday. "He's bred to run forever," he said. "Red Bullet skipping the race opens things up a bit more." The Belmont status of runner-up **Unshaded** (Unbridled) won't be decided for several days, said trainer Carl Nafzger, who seemed to be leaning against it. "He's got a shot to be a real nice horse," he said. "My inclination right now is that he's not ready for the bears yet." Fourth-place finisher **Tahkodha Hills** (Prospector's Halo) will also likely point to the Belmont. "I thought there were some pretty nice horses in the Peter Pan and he didn't disgrace himself," said trainer Ralph Ziadie. "He'll stay here at Belmont and train up to the race." In other Belmont S. news, **Aptitude** (A.P. Indy) worked six furlongs Sunday morning at Hollywood Park under jockey Alex Solis in 1:14 1/5.

### Prado Wins 4000th:

A day after his rail-skimming win aboard Postponed (Summer Squall) in the Gil Peter Pan, Edgar Prado was once again all the talk of Belmont Park, winning his 4,000th race aboard Thunder Breeze (Robyn Dancer) in yesterday's second race. "This is a big accomplishment," said Prado. "Throughout the years, I've had a lot of support from owners and trainers. I'd like to thank John Tammaro and Manny Azpurua, who gave me my first mount in the United States." Based in Maryland for several years, the 32-year old Peruvian native was summoned to New York by trainer John Kimmel last summer when Kimmel needed a replacement for injured jockey Richard Migliore at Saratoga. Prado went on to lead the nation in wins for the third straight year. He becomes the 41st jockey to win 4,000 or more races.

### Bevo To Riva Ridge

Bevo (Prospectors Gamble), the winner of last year's GI Futurity and Gil Saratoga Special, worked a handy five furlongs over the Belmont main track yesterday and may now point to the June 10 Gil Riva Ridge at seven furlongs on the Belmont undercard. A bone chip was discovered in Bevo's left knee after his Futurity win. He made his post-surgery return with a six-and-a-half furlong allowance win May 12. "He came out of his last race real well," said trainer Billy Badgett. "Seven-eighths falls right into place. It's perfect because we hope to stretch him out."

The filly stalked the pace before drawing off through the lane to post an easy score. "It was a pretty easy trip," said jockey Kaymarie Kreidel, who was winning her first stakes. Also ran: Takali (Ire), Dance Of Love (Ire), Raypour (Ire), Promising Lady (GB), Apollo Victoria (Fr).

Jammaal has run well this year in defeat over shorter trips, when second to Monashee Mountain (USA) in the Listed Loughbrown S. here Mar. 26, and again when second to Anzari (Ire) in the Listed Amethyst S. Leopardstown Apr. 14, but he clearly relished the chance to let his stamina come into play here. Last year he was third in Group 1 company behind Sinndar (Ire) in the National S. here in September, showing he had the class to win a race like this, and he did so with gusto in the ever-softening conditions. Held up early in mid-division as Takali (Ire) (Kris {GB}) pushed clear in a bid to make it a true test, Smullen waited until the straight to bring his horse wide of Island Sound, who had raced in a clear second throughout the early stages. As the pressure was applied, Jammaal lengthened clear from one-and-a-half furlongs out, staying on gamely to comfortably avoid a clash with the late-finishing favourite Korasoun. The winner now goes for the G2 International S. at The Curragh July 2.

Second in last season's G2 Raab Karcher Baustoffe-Cup at Baden-Baden in September, Arc Royal was noted as being one of Germany's better two-year-olds. Third and fourth in two subsequent starts, he at last posted a first stakes win by claiming the spoils in a tight finish. Chagall (GB) (Fraam {GB}) was quickly away along with Vision's Flight, as the field stayed closely bunched right into the straight. Vision's Flight kept on well once given the office, and was soon overhauled by the strong run of Sunderland but the pair looked vulnerable as Arc Royal made his bid, who came with a strong late run to wear down Sunderland and Vision's Flight in the closing stages for a last gasp win.

**SALMAN CHANGES FOCUS**

Prince Fahd Salman will shift his focus from racing to Thoroughbred sales, according to a report on *Thoroughbred Times Online*. Salman, who raced the 1991 Epsom Derby winner Generous (Ire), cited his disappointment over the low purses in England and increased commitments in his native Saudi Arabia as reasons for his decision. According to a statement released by Newgate Stud, the Prince intends to disperse most of his yearlings at auction, but will keep and race a few fillies as broodmare prospects. "I'm not really surprised," Salman's trainer Paul Cole told the *London Times*. "If Prince Fahd has very important things to tend to at home, obviously racing is going to suffer. From my point of view, it's a shame because he has been a super owner and we've had some fantastic times together."

**GUINEAS WRAP-UP**

**Giant's Causeway (USA)** (Storm Cat {USA}) has twice been the runner-up in a Guineas this year, and a change of tactics may be the order of the day in a bid to get the colt back into the winner's enclosure this season. Ridden prominently in both the G1 2000 Guineas S. Newmarket May 6, and Saturday's G1 Irish 2000 Guineas S. at The Curragh, he was outbattled in the latter in the closing stages, in an affair dominated by Frankie Dettori's control of the pace from the front on Bachir (Ire) (Desert Style {Ire}). Speaking from the course yesterday, trainer Aidan O'Brien said, "There is no rush to step him up in trip, as we can do that at any time. We'll look at the G1 St James' Palace S. Royal Ascot (June 20). The tactics are always left to Michael (Kinane), and I wouldn't be surprised if he went out to make it there."

Past halfway, Kinane asked him to quicken and he did so immediately, and put the race to sleep inside the final two furlongs, stretching effortlessly clear for a hugely impressive debut win by seven lengths. Trainer Aidan O'Brien said, "He has serious ability, and we'll have a look at Royal Ascot." Mick Kinane said of the 500,000gns Tattersalls December foal, "When he gets to know his job, what'll he be like?" Lifetime Record: 1-1-0-0, Ir£6,900.
