## DETTORI, COCHRANE SURVIVE PLANE CRASH

Jockeys Frankie Dettori and Ray Cochrane were the survivors of a light airplane crash which yesterday claimed the life of the pilot as it crashed on the Rowley Mile course at Newmarket, England. Although the jockeys were taken to Addenbrookes Hospital in Cambridge, with Dettori suffering from a fractured ankle and injured thumb, and Cochrane from burns to his face and hair, the officer who attended the fire commented that it was a 'miracle' that they had survived the wreckage. The twin-propeller Piper Seneca plane nosedived in Devil's Dyke, the area between the July and Rowley Mile courses, just after taking off on its way to Goodwood racecourse. Five firecrews and 20 firemen engaged to control the fire. Peter Burrell, Dettori's business agent, said, "This is the first accident of this type for a long time--the planes are well-maintained and the pilots are very professional. From what I'm hearing they're both okay, and I'm sure they will bounce back, but all we are thinking about right now is the pilot and his family." Captain Nick Lees, Clerk Of The Course for Newmarket, was at the scene. "I found the jockeys fifty yards from the scene. They were hugging each other, and protecting each other from the smoke. I spoke to them at length and both were conscious. Ray had a burnt face and hair--he was complaining of pain to his head and left hand." Fireman Peter Ludford said, "It's astonishing that anyone has got out of it alive, let alone with apparently fairly minor injuries."

## "MILLENNIUM" TOPS ARLINGTON MILLION

Godolphin's Dubai Millennium (GB) (Seeking the Gold), winner of the G1 Dubai World Cup in March, heads a list of 91 international runners nominated to the \$2 million G1 Arlington Million, to be run Aug. 19. The powerful Godolphin stable has a total of 11 in the race, including the May 20 G1 Juddmonte Lockinge S. winner **Aljabr** (Storm Cat) and G3 Dubai Duty Free H. winner **Rhythm Band** (Cozzene). World traveler **Jim and Tonic (Fr)** (Double Bed {Fr}), a Group winner in Hong Kong and France and stakes-placed in Canada, England and Singapore; and Japanese stakes winner **Matikane Kinnohosi** (Seattle Slew) are also on the list. American trainers are represented by turf stars such as **Dark Moondancer (GB)** (Anshan {GB}), who was a Group 1 winner in France and Italy before shipping to California to win a pair of Grade II races this year; G1 Woodford Reserve Turf Classic winner **Manndar (Ire)** (Doyoun {Ire}); Canadian **Quiet Resolve** (Affirmed), winner of the 1999 G1 Atto Mile and 2000 GII Dixie S.; and last Monday's G1 Charlie Whittingham H. winner **White Heart (GB)** (Green Desert).

## EXCELLER FARM OPENS

The Thoroughbred Retirement Foundation has opened the TRF Exceller Rehabilitation and Retraining Farm in Poughquag, N.Y., where retired racing Thoroughbreds will be rehabilitated from racetrack injuries and retrained for adoption as pleasure horses by qualifying applicants. The TRF is able to use the farm through the generosity of New York horseman John Hettinger. It comprises 72 acres of picturesque pastures, a farmhouse, and an indoor arena. "This is the first time in 10 years of owning the farm in Poughquag that I feel happy about it," said Hettinger, a New York owner and breeder who operates nearby Akindale Farm. He is the chairman of Grayson-Jockey Club Research Foundation and, with his family, is the principal shareholder of the Fasig-Tipton Corporation. "This is a timely step for TRF, which has begun a concerted effort on track backsides to rescue horses at risk of going to the slaughterhouse," said TRF executive director Diana Pikulski. "At the Exceller Farm, they will be evaluated and treated in preparation for successful second careers." The farm is named for the 1978 Jockey Club Gold Cup winner who was killed in a Swedish slaughterhouse.

### Pegasus Eyes Belmont:

Fusao Sekiguchi's Fusaichi Pegasus (Mr. Prospector) continued his preparation for next Saturday's G1 Belmont S., galloping 1 1/4 miles at Aqueduct yesterday. Trainer Neil Drysdale was scheduled to fly in from California last night to evaluate his charge. "We are prepared to run him in the Belmont," Drysdale said of the Derby winner. "That's why he's there. I still want to see the horse before deciding on a training schedule or anything like that."

## BEHRENS OFFICIALLY OUT OF MASSCAP

Trainer H. James Bond confirmed yesterday that handicapper star Behrens (Pleasant Colony) will be scratched from Saturday's MassCap due to a stone bruise in his left front foot. "Basically, he galloped a mile and a half and I was just not pleased enough to work him," Bond said. "Unfortunately...there was just too much tenderness there to send him out for his workout. He's just too good, too classy, to take a chance." The bay horse last raced in March, when he finished second in the G1 Dubai World Cup, and may be headed for Saratoga's Whitney (Aug. 6). "We'll regroup and go forward now," Bond added. "The Breeders' Cup is foremost. The Whitney is also very important. Behrens was beaten a nose twice at Saratoga and we'd very much like to win that race. Races with historic significance are important to me."

**MARIANA MAKAROVA FUND** Exercise rider Mariana Makarova, who suffered a severe spinal injury during a spill at Belmont Park while working for trainer John Kimmel this spring, was released from the hospital Wednesday. A fund to help defray her medical expenses has been started. To make a donation, contact the New York Thoroughbred Horsemen's Association at Belmont, (516) 488-6000, ext. 314, or send contributions to the Mariana Makarova Fund, P.O. **Jersey Joe Bravo Returns Home:**

Joe Bravo, a seven-time leading jockey at Monmouth Park, will return to Monmouth in quest of riding title number eight. Bravo, 29, had been riding the southern California circuit for the last couple of months with mixed success, going six for 69 at Hollywood Park. Matt Muzikar, who booked mounts for Eddie King before King was injured in a car accident last fall and was agent for Canadian champion Patrick Husbands at Aqueduct this winter, will handle Bravo's book. "He'll be back Friday evening and start riding Saturday," Muzikar, said. Bravo was the top jock on the Jersey Shore from 1991-1996, and after a New York sojourn led the standings at Monmouth once again last summer. "I guess he's homesick," Muzikar said. "He did OK at Hollywood, but he wasn't riding eight a day like he does here. With the Monmouth meet just getting started, it really ignited his desire to come home."

**The Deputy's Comeback Plans:**

Unraced since his 14th-place finish in the Kentucky Derby, **The Deputy (Ire)** (Petardia {GB}) is being pointed toward the July 23 GI Swaps S. at Hollywood Park and will likely remain on the dirt, reports Barry Irwin, the president of the Team Valor syndicate which owns the horse along with Gary Garber. After the Derby, trainer Jenine Sahadi said The Deputy might come back later this year in grass races. "He went back into training May 24," Irwin said. "We were going to wait a few more days, but he was so full of himself that he got loose one morning. We figured it was time to get back into the swing of things. He's at Santa Anita now, but we'll take him over to Hollywood to see how he handles that surface. If he handles it okay, we'll run him in the Swaps. From there, we'll look at the (Aug. 26) Pacific Classic. We're more inclined to stay on the dirt because that's where the money is." Irwin added that The Deputy was dehydrated a few days before the Kentucky Derby. "We loaded him up on electrolytes, but it didn't do him enough good," he said. "The weather did him in. Then the morning after the Derby he had pretty bad skin disease. It's a race we're just going to have to throw out."

Having beaten Kallisto (Ger) when breaking his maiden at Dusseldorf last October, Subiaco went to winter quarters with the tag of a horse of some potential. He reappeared at Frankfurt Apr. 23, finishing fourth to Kallisto in the G3 Fruhjahrspreis des Bankhaus Metzler-Stadtrat Albert von Metzler-Rennen. That form looked even better when Kallisto went on to win the G1 Derby Italiano last weekend and Subiaco further franked it with a comfortable first stakes win. King's Boy was sent straight to the lead and set a good pace from Sweet Brief (Ger) (Brief Truce {USA}) and Sixtino (Ger) (Linamix {Fr}). King's Boy increased the tempo once in to the straight as Sixtino began to fade with Subiaco making his move. Subiaco's strong run carried him into the lead just inside the final furlong and he kept on good style for the score. King's Boy battled on gamely for second and safely held the late bid of Alpha Noble.

### FRENCH DERBY DOINGS

As expected, Michael Jarvis supplemented **Holding Court (GB)** (Hernando {Fr}) for Sunday's G1 Prix du Jockey-Club (French Derby) at Chantilly yesterday, at a cost of FF250,000. The colt impressed with an all-the-way, three-length success in the G3 Prix La Force at Longchamp May 18, and his trainer is hopeful of a bold show. "He won well last time, and we felt that the French race, and Chantilly, would be more suitable for him than Epsom, as he's a long-striding horse," Jarvis said. He needs a strong gallop, and tactics depend on how the race is run, and if the pace is faster than we think, we'll take a lead. The ground may even have been on the fast side of good last time, but he's fairly adaptable, and he can go on soft ground, so if it wasn't any faster than it is now it wouldn't be a concern." Paul Cole has confirmed Glasgow S. fourth-place finisher **Mastermind (Ire)** (Dolphin Street {Fr}) as a definite runner. Tim Jones, spokesman for Highclere Thoroughbred Racing, said yesterday, "He has improved quite dramatically, physically, since York. He's harder, fitter and his coat has come. Strictly on form its a big ask, but we hope he shows enough improvement to get competitive."

### PETRUSHKA BACK IN OAKS PICTURE

**Petrushka (Ire)** (Unfuwain {USA}), third in the G1 1000 Guineas S. at Newmarket May 7, heads for the G1 Epsom Oaks S. June 9 after pleasing connections in her homework since. She is currently 5-1 with William Hill for the mile-and-a-half Classic behind market leader **Love Divine (GB)** (Diesis {GB}) and **Kalypso Katie (Ire)** (Fairy King {USA}). Tim Jones, spokesman for owning syndicate Highclere Thoroughbred Racing, spoke of her yesterday, "She did a very nice piece of work on Wednesday, and has done very well in the last fortnight since Sir Stoute started stepping her up again. All the tests are well and we can't ask for more, but we feel she could do with a week's sunshine, which just might help her blossom further. She is totally relaxed at the moment, and is taking everything in her stride. She is progressing nicely and will just have routine work next week, as her serious work is done. From a blood point of view she looks like a mile-and-a-half filly, but it would be foolhardy not to be concerned about the trip at Epsom."

**FAVOURITES HARDEN FOR CLASSICS**

Both King's Best (USA) (Kingmambo {USA}) and Love Divine (GB) (Diesis {GB}), favourites for the G1 Epsom Derby and Oaks June 9 and 10, yesterday hardened in the betting for their respective Classics. While Sir Michael Stoute's G1 2000 Guineas S. winner was shortened to 11-4 from 10-3, Henry Cecil's filly was trimmed to 2-1 from 9-4 with William Hill. Cecil's Derby hope Beat Hollow (GB) (Sadler's Wells {USA}), who worked well at Yarmouth racecourse Wednesday, was also cut into 4-1 clear second favouritism, from 5-1, by the same firm.

**CRACOW CONFIRMED**

There are just nine days to go until the 2000 renewal of the G1 Epsom Derby S., and running plans are now being finalised. An outsider who has been confirmed to take his chance is Cracow (Ire) (Polish Precedent {USA}), who won a maiden at Brighton last Friday. Cracow hails from the Lambourn stable of John Hills, who feels that the Polish Precedent colt will run better than his three-figure odds suggest. "He won very easily the other day at Brighton on terrible ground," said Hills. "He's in good form, will get the trip and will handle the track."

**AND THE GOING IS...**

Andrew Cooper, Clerk of the Course at Epsom Racecourse, reports the course to be in good shape despite the recent heavy rainfall. He said on Wednesday, "The ground is no worse than good to soft at the moment and not far from good. We have had a lot of rain, but the course has taken it very well. The next 48 hours are forecast to be potentially showery but after that we are due to have a warmer, drier period and some sunshine. Our intention remains to produce ground no faster than good for the meeting."

**£100,000 BONUS ON OFFER**

The Listed Vodafone 'Dash' S. Epsom June 10, run over five furlongs, worth £50,000, will carry an additional bonus of £100,000 if the winner breaks the world record for this trip of 53.60s, which was set by Indigenus in 1960. The bonus has been doubled since last year and will be split £50,000 to the winning owner, £25,000 to the successful trainer, £10,000 to the jockey, £10,000 to the winning stable and £5,000 will be paid to the Animal Health Trust. Andrew Cooper, Epsom's Clerk of the Course said, "Epsom's five-furlong course is one of the fastest in the world and the Vodafone Dash should provide a great spectacle immediately after the Vodafone Derby."

Fergal Lynch was quite happy tracking the leaders until they turned into the straight, at which point he was looking for a gap between the new leader Littlepacepaddocks (Ire) (Accordion {Ire}) and Out Of Reach (GB) (Warning {GB}), which did not come. Switching his mount to the outside, he lost ground, but it did not matter as he shot to the front inside the final furlong before being eased to win by one-and-a-half-lengths. He holds an entry in the G1 St James' Palace S. at Royal Ascot June 20, and he may head there now. Lifetime Record: 3-2-0-1, £14,855.

The 1/2 to French Fellow (Ire) (Suave Dancer {USA}), SW-GB, \$105,849, progressed through the field to challenge at the quarter-mile marker, was ridden to lead approaching the final furlong and ran on well to hold the late bid of 11-10 favourite Flight Lieutenant (GB) (Cadeaux Genereux {GB}) by a length. Eased considerably near the line, the 1/2 to Border Arrow (GB) (Selkirk {USA}), SW & MG1SP-GB, \$300,932, scored by one-and-three-quarter lengths. Lifetime Record: 3-1-0-0, £4,231.

She was angled off the rail past halfway, and although she took a while to get going, when she did she picked off the favourite easily enough with a furlong remaining, before running on strongly to hold Distinctly Chic (Ire) (Distinctly North {USA}) by three-quarters-of-a-length. **LEVY BOARD TO SUBSIDIZE RESEARCH GROUP**

The Horserace Betting Levy Board's Veterinary Advisory Committee (VAC) yesterday announced the setting up of the Thoroughbred Research Consultative Group (TRCG), channelling investment into research to benefit racehorses and breeding stock. The TRCG will enhance opportunities for identifying research priorities for Thoroughbreds and feed back the outcomes to the racing and breeding industries. Professor Hugh Miller, the VAC Chairman, said, "The Levy Board's funding of an active research base and specialist training of equine veterinarians in clinical skills makes a unique contribution to improving the health and welfare of horses racing and breeding in Britain. The new consultative group will further ensure that the Levy Board's investment stays focused on the Thoroughbred's needs."

Lightly raced considering his age, Copper Carnival has made up for lost time this season with four starts prior to this. Unraced as a juvenile, he recorded two victories last year, but his best showing to date was when finishing a four length fourth to Indian Danehill (Ire) in the G2 Prix d'Harcourt at Longchamp Apr. 2. He came with a relentless run in the straight to take his first stake in workmanlike fashion. Racing in fourth as Las Americas (Fr) (Linamix {Fr}) led, he was ridden entering the straight, but ran with determination to grab the lead at the distance and kept on well for the score. Milford Track, in rear early, finished well to take second in the closing stages with Res Judicata employing the same tactics to make the show.
