## LOVE-LESS OAKS STILL DIVINE

Although G1 Epsom Oaks winner Love Divine (GB) has been forced to miss this chance of an Oaks double, the strength-in-depth of today's G1 Kildangan Stud Irish Oaks at The Curragh is still evident. While foreign invaders (mainly English) had the edge to start the last decade, three back-to-back Irish winners arrested that trend from 1996-1998. The Brits were back on top last season, with dual Oaks heroine Ramruma winning both the English and Irish versions. There is no doubt that solid form at Epsom stands any challenger in good stead here, with three fillies in the 1990s having succeeded here after taking prizemoney in the English Classic. Both Knight's Baroness (GB) and Pure Grain (GB) were third at Epsom before winning this, which brings in Godolphin's **Melikah (Ire)** (Lammtarra). A daughter of the brilliant middle-distance performer, she showed his characteristic style of running when staying on stronger than most of the field at Epsom, showing dramatic improvement from her debut success in the Listed Pretty Polly S. at Newmarket May 7. She must get past **Kalypso Katie (Ire)** (Fairy King), who followed her win in the May 16 G2 Musidora S. at York with a fine second at Epsom, where she was unable to catch the impressive winner. She is another lightly raced filly who has answered the questions put to her in the highest class so far. The fourth that day, **Petrushka (Ire)** (Unfuwain), completes the picture, having been shuffled back early before staying on well in the straight last time out. She has plenty of speed, as she showed when winning the G3 Nell Gwyn S. in impressive fashion at Newmarket Apr. 18 and again when third behind Lahan (GB) in the G1 1000 Guineas S. at Newmarket May 7. **Miletrian (Ire)** (Marju {Ire}) was last at Epsom, but bounced back to take the June 22 G2 Ribblesdale S. during the Royal Ascot meeting. She beat Godolphin's other Irish Oaks runner, **Teggiano (Ire)** (Mujtahid), in that test, and bids to follow in the footsteps of Bolas (GB), who in 1994 became the last filly to complete the Ribblesdale-Irish Oaks double. **Preseli (Ire)** (Caerleon) looks to have the strongest claims of the home defense, having narrowly failed to catch Lady Upstage (Ire) in the G2 Pretty Polly S. here July 1. Her juvenile form, which saw her rated the joint-top filly in Europe in the International Classifications, stand up to the closest inspection. (*Irish Oaks field, p2*)

## OFF THE SCALE

Maybe it was the nasal strip. **Richter Scale** (Habitony {GB}), getting a change of equipment for yesterday's G1 Frank J. DeFrancis Dash at Laurel Park, did indeed dash down the stretch to win by 1 3/4 lengths in the time of 1:07.95, breaking the track record by a tick in the process. "He's the best pure sprinter I've ever been around," jockey Richie Migliore said. "I had a lot of confidence in him and I thought 1:07 4/5 or 1:08 was really within his grasp." The six-year-old battled **Falkenburg** (Storm Bird) through a half in :44.46, opened up on his three rivals as they came into the stretch and easily held **Just Call Me Carl** (Strawberry Road {Aus}) safe to the wire. The bay, who was tried on the turf last summer with limited success, had won four straight stakes since returning to sprint races. The streak started with the Oct. 16 Phoenix Breeders' Cup S. and the Nov. 25 GII Fall Highweight H.--both at six furlongs--last season and continued in the Mar. 10 GII Gulfstream Park Breeders' Cup Championship H. and the Apr. 16 GII Commonwealth Breeders' Cup S., both at seven furlongs, but ended with a sixth-place finish in the May 29 GI Met Mile. Dropping back to six furlongs, the Cal-bred returned to the winner's circle and pushed his career earnings over the \$1 million mark. Future plans are up in the air, but Richter Scale will be pointed to the GI Breeders' Cup Sprint at Churchill in November.

Canadian invader Milwaukee Brew arrived in Ohio looking for his fourth straight. Nominated to the Triple Crown, the bay didn't break his maiden until posting a 10-length score in his first two-turn try at Gulfstream Mar. 25, then came back a month later to win a Woodbine allowance by eight lengths. Looking to go three-for-three since stretching out, the colt captured the 1 1/16-mile GIII Marine S. in his latest try May 21. Adding a bit of ground with a return to the U.S., he settled near the back of the pack through honest early splits, swept six wide around the far turn and kept coming down the lane to catch Brave Quest at the wire for a narrow score. The runner-up suffered his first loss in his stakes debut.

Sixth in the inaugural GI Breeders' Cup "Distaff Turf" to end last year's campaign, Perfect Sting took the winter off and has lived up to her name this season. The bay returned after a six-month layoff to take the May 7 Gill Beaugay H. at Aqueduct and got up for a nose score in the June 10 Gill Just A Game Breeders' Cup H. last time out. The crowd's choice to make it three in a row, she sat sixth for a half, moved up as they raced around the far turn and rallied down the lane to catch front-running Snow Polina in the final strides. "In the last eighth of a mile, she showed how good she really is," trainer Joe Orseno said. "She dug in and she knew where the wire was. She has a lot of heart." Added jockey Jerry Bailey, "The real great ones always find a way to win." As for the future, Orseno said, "We're going to give her a short breather and get ready for the Diana [GII, \$500,000 at Saratoga Sept. 4]."

Giving owner Frank Stronach his third graded-stakes win of the afternoon, Euchre dueled on the front end from the start and held off Sultry Substitute down the lane to land his first graded-stakes score. The bay, third in two-thirds of Canada's Triple Crown--the Queen's Plate and the Prince Of Wales S.--last year, ended 1999 with a seventh-place allowance finish trying turf for the first time. He came back in a Santa Anita allowance on the main track Mar. 12 and ran second, then put together back-to-back wins Mar. 29 and May 11, besting Sultry Substitute by a head in his latest try. Returning to the stakes ranks as an outsider, the gelding engineered a repeat of his latest effort, but this time adding to the margin of victory. "This is a nice horse, but we've had some problems with quarter cracks," Humberto Ascanio, assistant to trainer Bobby Frankel, said. "That's why you see all of the gaps between his races. But we've always liked him a lot and he showed today how tough he is. This horse, he's good enough to be a contender with some really good horses." The 13-10 favorite River Keen, who also suffers from foot problems and was making his first start since an 11th-place finish in last year's GI Breeders' Cup Classic, closed to be third. "He lost a lot of ground when he stumbled at the start," trainer Bob Baffert said. "And I lost some time--we just have to keep battling his quarter cracks. But I thought he ran well. It was a good start."

The winner by a nose in the Gill First Lady H. at Gulfstream in January, Hurricane Bertie picked up checks in a couple more Florida stakes before getting back to the winner's circle after the Mar. 25 Queen S. at Turfway Park. She tried turf in her next outing, the Apr. 22 Stravinsky S. at Keeneland, and finished fourth, then went to the bench for a couple of months. The chestnut returned to be second after setting the pace in the June 17 Gill Vagrancy H. at Belmont Park. Back in the Sunshine State, she stalked favored Show Me The Stage (Slew the Surgeon) through solid fractions, rallied to take the lead at the eighth pole and drew clear. "We know she'll come from behind--she's done it before," trainer Bernie Flint, who also saddled Swept Away to win the Gill Azalea Breeders' Cup S. earlier on the card, said. As for what's next, he said, "She ran good in the Ballerina [GI, Aug. 20] at Saratoga last year and we'll consider that race."

Trainer Bill Perry thought about leaving North East Bound in the barn when this race was switched from the grass to the sloppy main track, but decided to give the gelding a shot and the call proved to be correct as the 4-1 shot led every step en route to a decisive win. "I had run North East Bound on a sloppy track once before and he didn't run well," Perry said. "But sloppy tracks can be very different. I talked it over with [jockey Jose Velez Jr.] and we decided to leave him in, but if he hadn't handled the going, Jose wasn't going to get after him." As it turned out, Velez didn't have to push his horse. The dark bay went right to the front, turned back a challenge after a half mile, then opened up on the field and cruised home an easy winner. "He felt great," Velez said. "He handled the track well. He was just galloping along and, when I asked him at the quarter pole, he was full of run. Everything worked out very well." Off the board in the Nov. 7 Steinlen S. at Gulfstream Park in his 1999 finale, the dark bay came back to win the Charlie Eckman Mile S. at Pimlico May 7, but tired to be seventh in the Gill Red Bank H. over this course last time out May 29. He bounced back to pick up his fifth stakes victory here, but his first on the dirt. Will he try the main track again in his next start? "No, we'll put him back on the turf," Perry said. "He's nominated for the Bernard Baruch H. [at Saratoga July 28]. But at least we know he can run on the dirt if he has to."

Although Mayaro finished unplaced in the G3 Prix d'Hedouville at Longchamp Apr. 27, he had looked formidable when destroying his field with a front-running display previously in the Listed Prix Lord Seymour at the same course Mar. 30. If he reproduces that effort here, he will be hard to catch. One that could trouble him is Lucky Dream, who won this last year when Ben Ewar was a close fourth. Fifth in both the G2 Vicomtesse Vigier at Longchamp May 21 and the G2 Grand Prix de Chantilly June 11, Lucky Dream returned to winning ways in the Listed Prix Moskowa at Chantilly June 30, taking that race for the second time. Ben Ewar finished in front of Lucky Dream when third in the Grand Prix de Chantilly last time out and must be respected. Andre Fabre's lightly raced War Game was second in the G3 Prix Corrida at Saint-Cloud May 17 last time and, if she has progressed, could go close.

Last out, he finished second in allowance company June 10. The 6-5 favorite showed his fondness for a wet track again here. He raced close to the pace while in hand, rallied three-wide on the turn and responded when roused to surge past Valiant Halory (Valiant Nature) by a half-length at the wire. Bet down to the 4-5 favorite, the bay filly ran close to the lead, taking command on the turn and gradually pulling away to a 4 1/2-length success. GI Mother Goose runner-up **Jostle** (Brocco), prepping for Saturday's 1 1/2-mile GI Coaching Club American Oaks, went five furlongs in :58 4/5 in the mud at Philly Park yesterday. "I've actually been looking forward to running her at this distance," trainer John Servis said of the speedy filly. "The distance doesn't suit a come-from-behind horse unless they get a blistering pace, because everybody takes a hold from the start."

The bay won the Apr. 12 Gill Lafayette S. at Keeneland, then stretched out to a mile in the Gill Derby Trial Apr. 29 and tired to finish fifth. Last out he won the May 29 Lazaro Barrera Memorial S. at Hollywood over Dixie Union. The heavy favorite took the lead from the start in his first outing over a wet track and dueled briefly before widening his lead to the wire. "He ran pretty awesome," said jockey Corey Nakatani. "I was impressed because the track was off and I didn't know how he would handle it. I think we have the best sprinter in the country." GI Florida Derby hero Hal's Hope (Jolie's Halo), the second favorite after finishing off the board in the Kentucky Derby and Preakness S., ran a dull seventh in his first start since the Classics.

License Fee's last trip to the winner's circle was following a Keeneland allowance race victory Apr. 13, where she won by three lengths. The Elliott Walden-trained chestnut mare ran second in her next race, the Gill Beaugay H. at Aqueduct May 7, but didn't fare as well in her most recent trip to the post, tiring to be fifth in the Winstar Distaff H. at Lone Star three weeks later. Making her fifth start on turf in this race, the five-year-old took a quick lead on the field, but was pressed for the first half mile before opening up and holding sway to win comfortably. "She's very versatile and doesn't need the lead to be effective, but when the others didn't go, I took advantage," jockey Larry Melancon said. "The course was pretty soft out there, but she handled it well."

In a virtual repeat of the June 24 Gill Jersey Shore Breeders' Cup S., Disco Rico cut fast fractions before digging down to defeat a closing Max's Pal. The time was just one-fifth of a second slower than the GI Frank J. DeFrancis Memorial Dash, run a race earlier. Disco Rico opened his three-year-old campaign with an easy win in an optional claiming race at Pimlico May 12. He was beaten 3/4 of a length by Max's Pal in the June 3 Legal Light S. at Delaware, but has now has beaten him two straight. The winner drifted out in the drive, but survived a claim of foul by the rider of the runner-up.

Malvern Rose won a Penn National maiden special weight in her first outing back in December by an impressive 8 3/4 lengths on a sloppy track. She ran third the following month, but came back for two back-to-back allowance wins. Stepped up to restricted-stakes company, the bay filly finished second in the Wonder Delite S. Apr. 23, then returned to the winner's circle after another allowance June 14. Pressing the pace early here, she took a slight advantage on the field with a half mile left, was 3 1/2 lengths in front entering the stretch and opened it up under a strong ride.

**7th-DEL**, \$43,000, Alw, Opt. Clm. (\$75-65,000), 3yo/up, 5f (off turf), :57 2/5, ft.

**CAT BE NIMBLE (g, 8, Afleet--Frisky Kitten {MSW, \$188,963})**, by Isopach, third in a Delaware allowance Apr. 15, was off the board in his next start, finishing fifth in the slop May 20. Making his fourth attempt on the grass in his last outing, the chestnut eight-year-old ran well, but wound up second after being chased down in the stretch. Returning to old form, the Candy Stable gelding went off as the 3-5 bettors' choice and didn't disappoint. Taking command right from the gate, he slowly opened up on the field, which had been reduced to three horses following the switch to dirt, and increased his margin to win by an easy 3 1/4 lengths. Lifetime Record: MGSW, 54-15-8-10, \$681,062.

**Lifeisawhirl Ties World Record at Calder:**

When Lifeisawhirl (Island Whirl) won the quarter mile Rocket S. at Calder in :20 4/5 yesterday, he equaled the world record for the distance by a Thoroughbred, according to statistics in the *Daily Racing Form's* 1998 Stakes Yearbook. The Yearbook lists Big Racket, who set the mark in 1945 at Hipodromo de las Americas in Mexico City, and Onion Roll, who tied it in 1993 at Thistledown, as co-world record holders.

**Homeister OK After Spill:**

Jockey Rosemary Homeister, Jr., who was in a spill during Friday's 10th race at Calder, was not seriously hurt in the accident. Homeister did take off her mounts yesterday due to body soreness, but expects to be back in the saddle in a couple of days. "I want all my horses to win today," she said. "I'm just happy that I'm all right and that I'll be back in a few days and not a few months."

A # will distinguish first-time stakes-winners, a @ will indicate first-time graded stakes-winners, a ▲ will denote a first-time Grade/Group 1 winner, a + will denote winners who are first-time starters, an (S) will be used for state-bred races, a (C) will be used for maiden-claiming races and an (R) will be used for other restricted races. Sugarfoot has become used to a higher level of racing in his latter years, having been fifth behind Aljabr (USA) in the G1 Juddmonte Lockinge S. at Newbury May 20 and again behind Kalanisi (Ire) in the G2 Queen Anne S. at Royal Ascot June 20. He found this a lot easier, but was made to fight to hold off some progressive rivals for his fourth stakes success. Ridden in mid-division early as Duck Row set out to make it a test, he was angled out as they rounded the turn into the straight to deliver his run. As the leader struck for home with three furlongs remaining, Sugarfoot looked booked for second place, but he responded well to Ryan's urgings to collar Duck Row with a furlong left to race, before going away for a comfortable win. Trainer Nigel Tinkler summed up his feelings for his stable star: "Sugarfoot is a lovely horse. Out of this world. He's the best I've trained."

### Jani City Wall S. Result cont.

Indian Spark is another sprint handicapper who has now made the transition to stakes class, putting behind a disappointing run last time when seventh in the Listed Chipchase S. at Newmarket July 1 with his first stakes success here. Although he missed the kick slightly, that was a blessing, as Repertory (GB) (Anshan {GB}) and Rosselli took each other on in front at breakneck speed. As they rounded the turn into the short straight, jockey Tony Culhane was threading Indian Spark through on the rail. Switched to the outside, the six-year-old had plenty left to grab the lead with 150 yards remaining, before going away to win impressively in the end. Connections are now eyeing the G1 Prix de l'Abbaye de Longchamp Oct 1. "We were confident he would run into a place today," Culhane said. "As silly as it sounds, he's only got to improve that one more step, and in the Prix de l'Abbaye, there'll be soft ground, and they'll go flat out, and he'll come through at the end."

**FOSTER'S SILVER CUP S.-Listed, £32,610, York, 7-15, 4yo/up, 13f 194ydsT, 2:58.80, gd.**

- Also ran: Mowbray (USA), Seek (GB), Prairie Falcon (Ire), Sinon (Ire), Fantasy Hill (Ire), Raise A Prince (Fr).
- Eminence Grise has so far failed to win at this level, having put in some fair efforts in handicaps, but he found the opportunity to win his first stakes race. Settled in fourth on the rail, he was always travelling easily under jockey Richard Quinn. As they entered the home straight, he was asked for his effort, and responded well to close on the leader, but they had unwelcome attention from Musician, Bay Of Islands and Mowbray (USA) (Opening Verse {USA}) on the far side. As these four dived toward the line, the blanket finish could only be deciphered by a photograph, but in the end it was Eminence Grise's last plunge 50 yards from the finish which proved decisive. Quinn was relieved: "They went a nice pace, and he was relaxed--I had the run of the race, so I didn't have to take a pull or anything, and in the end he's won well. I thought I'd won--it's an instinct."

Sobriety, from stall eight--a crucial low draw in this race--was ridden at the start to get a position in the middle of the field by jockey John Reid as Komistar (GB) (Komaite {USA}) took them along. Reid never let them get too far away, and urged Sobriety on after the turn into the straight. With three lengths to make up on Man O'Mystery as that horse swooped into the lead with a quarter mile to race, Sobriety gradually wore him down to win the race in the final strides. The draw determined the outcome of this race yet again, with the first eight home drawn from one to eleven.

**LADY STAYS WITH GIBSON**

After the sale by John Martin of Lady Of Chad (Ire) (Last Tycoon {Ire}), winner of last year's G1 Prix Marcel Boussac at Longchamp, to Teruya Yoshida, it was announced yesterday that she will remain in training with Richard Gibson and be targeted next at the G2 Prix d'Astarte at Deauville July 30. Her new owner has also sent a "sparring partner" over from Japan, Princess Carla (USA) (Caerleon {USA}), a five year old half-sister to Grazalema (USA), to train towards the same race. "Mr Yoshida plans to keep Lady Of Chad in training with Richard Gibson until the end of the season, when the situation will be reassessed," said Patrick Barbe, racing manager to Yoshida. "Princess Carla arrived safely yesterday to Richard Gibson's yard and will also be pointed towards the G2 Prix d'Astarte, where she will run on her own merit. She is trained by Futoshi Kogimi from Japan and will continue to race under his name."

### 'POWER' STILL MIGHTY

"It's like trying to hold a train," Brett Grant, regular trackrider of **Might and Power (NZ)** (Zabeel {NZ}), said after an exhibition canter at Rosehill yesterday almost turned into a full scale gallop. "He knows what he wants to do. He's a racehorse." The dual Horse of the Year has not raced since November 1998, when he was found to have a tendon injury after he won the Queen Elizabeth Stakes at Flemington. Owner Nick Moraitis said although the injury appeared to have completely healed, no risks would be taken with the seven-time Group 1 winner. "The Cox Plate is the race we are aiming at with him, but if anything goes wrong he will be retired immediately," Moraitis said. "He is a day-by-day proposition. There is no set program and we still haven't decided when he will have his first start back." Might and Power's Group 1 wins include the 1997 Caulfield-Melbourne Cups double and 1998 Cox Plate, and he is currently the fourth highest stakes earner in Australasia behind Octagonal (NZ), Super Impose (NZ) and Tie The Knot (Aus). Moraitis confirmed that Jim Cassidy would be returning to Australia from Singapore to ride Might and Power throughout his campaign.
