LOOKING FOR A SWEEP IN INTERNATIONAL

Horses have won the G1 Eclipse S. and the G1 Juddmonte International S., to be run this afternoon at York, in the same year. They have also combined the G1 St. James' Palace S. and G1 Sussex S. But no horse has ever won all four. This year's renewal of the International will allow **Giant's Causeway** (Storm Cat) not only the chance to do so, but to do so in the space of two months. Those two months have been nothing short of remarkable for Aidan O'Brien's colt, who clinched success at Royal Ascot June 20, at Sandown July 8 and at Goodwood Aug. 2. Victory here will see him surpass the unique achievements of Henry Cecil's Wollow (Ire) in 1976, who took this race, the Sussex and the Eclipse as a three-year-old. Three of the International favorite's rivals have failed to get past him so far this year, while another is in the race strictly to aid him in his bid for immortality. Of those Giant's Causeway has beaten so far, only Sir Michael Stoute's **Kalanisi (Ire)** (Douyoum {Ire}) has come close to outbattling him; at Sandown, he was marginally in front yards before the line only to lose out to the last thrust of the winner. He has not raced since, but as that was his first try at Group 1 company he could be progressing fast. At Royal Ascot, on the day that Giant's Causeway was plundering his first Group 1 event of the year, he was taking the G2 Queen Anne S. by a half-length from Dansili (GB). The runner-up went on to run Giant's Causeway to three-quarters of a length at Goodwood, which must mean they are practically inseparable. The Knavesmire will provide a level playing ground for a fascinating rematch. If there is to be a fly in the ointment here, it could be David Elsworth's **Lear Spear** (Lear Fan), who has been off the track since finishing a disappointing ninth to Dubai Millennium (GB) in the G1 Dubai World Cup Mar. 25. Nevertheless, he got within 4 1/2 lengths of that horse on the dirt in Round Three of the Listed Sheikh Maktoum bin Rashid Al Maktoum Challenge Mar. 2, and that has to be respected. Despite a switch to Mick Channon's stable, **Barathea Guest (GB)** (Barathea {Ire}) looks up against it on form, having followed the favourite home in both the English and Irish 2000 Guineas. (*International field, p2*)

GRAPE TREE ROAD TOPS DEAUVILLE DAY 3

Monday's third session of the Deauville August Sale saw a colt by first-year sire **Grape Tree Road (GB)** (Caerleon), winner of the G1 Grand Prix de Paris, top the day with a bid of FF3,800,000. From the consignment of Haras d'Etream, the yearling was purchased by John Ferguson, agent for Sheikh Mohammed. It was a very solid session overall, with 84 percent of those offered selling, including 10 which brought more than FF\$1 million, compared with just four seven-figure yearlings at last year's third session. Thirty others brought between FF500,000 and FF\$1 million yesterday, demonstrating the strength of the middle market. The gross was up 60 percent and the average rose 25 percent. International buyers continued to be active, with 14 different countries represented by purchases yesterday afternoon. Philippe Augier, president of the Agence Française, was thrilled, saying "This session has confirmed that the third day is now every bit as international as the weekend. The selection and the quality of the horses for sale is such that all buyers now stay to follow the sale and buy on Monday. It is particularly satisfying that despite the greater number of horses presented, the percentage sold is also well up." (*Top yearlings, stats, p3*)

GAVIOLA STREAKS TO SARATOGA WIN

Looking for her fifth straight victory, **Gaviola** (Cozzene) was sent off the 9-10 choice in yesterday's GII Lake Placid H. at Saratoga and, after setting all the pace, drew away to extend her streak with a 2 1/4-length tally over 20-1 **Good Game** (Fly Till Dawn). "This filly just keeps getting better and better every time she runs," winning trainer Billy Turner said. "[Jockey Jerry Bailey] really did a fantastic job with her today, he let her run at her own pace and she finished great." The gray started her skein with a Gulfstream allowance win in February, then took the GIII Herecomesthebride S. over that course Mar. 1. She came came to notch an Aqueduct allowance score May 4 before adding the GIII Sands Point S. at Belmont Park June 18 to her resume. As for what's next. Turner said, "I'll probably go in the Garden City Breeders' Cup (GI, Sept. 10) at Belmont next time out." (*Lake Placid chart, p2*)

Taking command right from the gate here, the seven-year-old was never threatened, setting the pace on an easy lead before coming home the two-length victor.  Dixie Union (Dixieland Band), winner of the GI Haskell Invitational H. last time out, had his final Travers prep yesterday morning, going five furlongs in 1:01 over the Saratoga main track. "I was looking to make sure he's not exhausted and his enthusiasm is good," trainer Dick Mandella said. "For him to work by himself in 1:01 is good. He'd go five-eighths in 1:10 if you didn't make him do something." Also getting ready for the Travers, **Unshaded** (Unbridled) went five-eighths in 1:02 3/5 on the main track yesterday.

\$1,944,314. *1/2 to Honest Lady (Seattle Slew),
GISW, \$679,168.

Times have changed enormously since the champion
sire Lexington recorded the last of his 16 titles in 1878,
28 years after his birth, and since Bonny Scot became
champion sire for a second time in 1882, 29 years after
he was born. Even so, the extraordinary Mr. Prospector
still has a chance of bettering their achievements in
today's much more competitive world of racing.

The prospect of his once again becoming champion
sire by North American earnings, some 30 years after
his birth, became an enticing possibility after Chester
House's win in the Arlington Million added another
\$1,200,000 to his sire's bankroll, already significantly
bolstered by Fusaichi Pegasus' Kentucky Derby triumph
and by Scatter The Gold's wins in the first two legs of
the Canadian Triple Crown.

With Chester House now seemingly well positioned to
win more of the top turf events and Fusaichi Pegasus
expected to contest the Breeders' Cup Classic, Mr.
Prospector may yet prove more than a match on the
domestic scene for his son Seeking The Gold and for
such as A.P. Indy and Storm Cat.

Of course, Mr. Prospector was bred for longevity. His
sire Raise A Native successfully covered a sizeable book
at the age of 26 in 1987 and his broodmare sire Nashua
was 29 years old when the last of his 77 stakes win-
ners was conceived.

By my reckoning, Chester House's latest win makes
him no less than the 43rd Grade I winner for his sire. A
breakdown of this total provides food for thought. If you
divide Mr. Prospector's career into three decades, you
find that the five stud seasons he spent up to and in-
cluding the age of nine produced six Grade I winners;
the 10 years from 10 to 19 produced 29; and that, from
the age of 20, he has so far come up with another eight
(plus Scatter The Gold). Only two of these last eight
were conceived after Mr. Prospector reached the age of
22. While there may well be more to come from the
Claiborne champion's last three crops, doesn't his re-
cord suggest that even the very best stallions struggle
to maintain full effectiveness in their veteran years?

Of course, Mr. Prospector's impressive Grade I tally
includes quite a few which shone on Europe's turf
tracks, such as Kingmambo, Machiavellian, Distant
View, Miswaki, Jade Robbery, Lycius, Ravinella, Coup
de Genie and Ta Rib. But I believe that Chester House
has the distinction of being only his sire's second Grade
I winner on turf in the U.S. His record suggests that he
is happier competing on turf than dirt, but there is no
doubting his ability to handle a dirt track. With 1 1/4
miles established as his best trip in England, he was
pointed to the Breeders' Cup Classic instead of the Mile
or the Turf when he made his debut for Bobby Frankel.
Chester House finished a fine fourth behind Cat Thief,
Budroyale and Golden Missile and might well have done
even better had he not stumbled at the start.

It isn't too surprising that Chester House's major wins
have come on turf, even though he is a half-brother to
the excellent Honest Lady, whose four graded victories
--including her Grade I success in the Santa Monica H.--
have all been gained on dirt. Their dam, Toussaud, is by
the exceptional Irish colt El Gran Senor, which makes
her a granddaughter of Northern Dancer. Toussaud did
all her racing on turf, notably winning the GI Gamely H.
and finishing fourth to Lure in the Breeders' Cup Mile.

Kingmambo and the Japanese-based Jade Robbery
are consistently successful Mr Prospector stallions
whose dams were high-class racemares by sons of
Northern Dancer. No doubt this will reflect well on
Chester House when the time eventually comes for him
too to retire to stud.

Indy--Possible Mate {MGSW, \$675,999}, by King's Bishop) ran second in her first two career starts before breaking her maiden June 28, winning by 6 1/2 lengths in a Belmont maiden special weight event. Taking on allowance company in her latest outing, the Kentucky homebred raced on the pace throughout and had enough left to pull out a win July 28 at Saratoga. Stalking the lead right out of the gate this time, the filly waited until the stretch to take command and drew clear under a drive to take it by 3 1/2 lengths as the 15-10 favorite. The winner is a 1/2 to King's Mate (Kris S.), SW, \$105,738; and Fairy Garden (Lyphard), MGSW, \$555,037. Lifetime Record: 5-3-2-0, \$95,200.

Stephen Got Even Works:

Stephen Got Even (A.P. Indy), unraced since a 3/4-length victory over Golden Missile in the Feb. 5 GI Donn H. at Gulfstream Park, worked four furlongs over the Saratoga main track yesterday morning in :49 4/5 as he continues to progress towards a return to the races. The four-year-old has recovered completely from a quarter crack problem which cut short his spring campaign and trainer Nick Zito is hopeful to have the Stephen Hilbert-owned colt ready for the fall. The GI Jockey Club Gold Cup at Belmont Park Oct. 14 and the GI Breeders' Cup Classic at Churchill Nov. 4 are the long-term goals, according to Zito.

Filly Dies in Staring Gate Accident:

A two-year-old filly suffered fatal injuries before the start of yesterday's third race at Saratoga when she reared and subsequently fell in the starting gate. **Outrage** (Slew City Slew) reared in the gate and kicked the filly to her outside, Nice Weather, who suffered abrasions to her left hind leg and was subsequently scratched. Outrage, trained by Allen Iwinski, fell in the gate and suffered a fractured pelvis. A bone fragment severed an artery, which caused her death. "We tried to treat her for shock, hoping that wasn't what happened and she was just traumatized," said New York Racing Association Veterinarian Dr. Celeste Kunz. "But the injury was very apparent."

Getting blinkers on for her second attempt, the \$63,000 FTKJUL yearling and \$75,000 FTMMAY juvenile went right to the front and never looked back, winning by 1 1/2 lengths over even-money chalk Above The Harbor (Petionville) at 3-1 odds. Lifetime Record: 2-1-0-0, \$19,800.

Ardoin Reaches 5,000 Wins:

Jockey Ron Ardoin, a pillar on the Louisiana circuit for many years, reached the 5,000-win plateau with three consecutive victories at Louisiana Downs Sunday, the 16th rider in North American racing history to reach that level. After finishing third in the second race, Ardoin guided home the winners of races five through seven. "Reaching 5,000 here at Louisiana Downs is special," he said. Jockey Laffit Pincay Jr. is first on the all-time win list with a total of 8,956. Ardoin ranks just behind Jacinto Vasquez, who retired with 5,231 victories.

7th-DMR, \$53,000, Alw, 3yo/up, 6 1/2f, 1:16 3/5, ft. **REMOTE CONTROLLER** (c, 4, Line in the Sand--Impelling, by Shelter Half), claimed for \$32,000 last October, had a pair of seconds and a third vs. allowance foes on both turf and dirt to begin 2000, but had not been out since finishing seventh in a Bay Meadows turf allowance Mar. 18. Ignored at 22-1 in his return, the chestnut longshot trailed for a quarter, but moved up steadily to join the leaders at the top of the lane and prevailed in the drive to upset the field with a 1 1/2-length tally. Lifetime Record: 22-4-4-6, \$131,760.

Defending champ **General Meeting** (General Challenge) went five-eighths in :59 1/5, while fellow Bob Baffert trainee **River Keen (Ire)** (Keen {GB}) went the same distance in a bullet :58 4/5. Trainer Bobby Frankel sent out GIII San Diego H. winner **Skimming** (Nureyev) to go five furlongs in 1:01 4/5, while stablemate **Euchre** (Personal Flag) went six furlongs in 1:14 3/5. **Forty One Carats** (Tactical Advantage) got his five-furlong breeze in 1:00 3/5.

KHULAN PUTS HER REPUTATION ON THE LINE

John Dunlop was in a reflective mood yesterday over the chances of his two-year-old filly, **Khulan (USA)** (Bahri {USA}), in Thursday's G2 Peugeot Lowther S. at York. The filly, who won a Newmarket maiden on her only start so far, is quoted at 14-1 for next year's G1 1000 Guineas at Newmarket with William Hill. She takes on Sir Michael Stoute's **Enthusied (USA)** (Seeking the Gold {USA}) and **Romantic Myth (GB)** (Mind Games {GB}), and Dunlop is looking forward to it. Dunlop said, "She's done everything right since Newmarket, and we decided not to run her again before York. She's a lovely looking filly, is beautifully-bred, and works well, so she's a real stand-out. She's only had one run so she's very inexperienced compared to some of the fillies in that race. As for the future, I would think Thursday's race, and then the G1 Cheveley Park S. at Newmarket Sept. 26, and that will probably be it for the year, but you've got to question whether she will stay further than six furlongs, as she is out of a mare by Dayjur. Of the fast two-year-old fillies, she's pretty high among those I've had in the past."

SKY HEIGHTS BACK ON TRACK

G1 Caulfield Cup winner **Sky Heights (NZ)** (Zabeel {NZ}), unraced since injuring his back in a severe buffet-ing in last year's Melbourne Cup, is likely to clash with **Sunline (NZ)** (Desert Sun {GB}) when he defends his title in next month's Craiglee S. at Flemington. Trainer Colin Alderson was pleased with the five-year-old's 3 1/2-length trial win at Cranbourne yesterday. "We wanted him to have a fair dinkum trial and while he was pumped out to the line he was powering away," said Alderson. Sky Heights ran the 1000 metres in 1:01.7. Sky Heights clashed with Sunline for the first and only time when third to the champion mare in last year's Cox Plate a week after he won the Caulfield Cup. Sunline, who resumed with a stunning win in last Saturday's Manikato at Moonee Valley, will either have her next run in the Memsie S. at Caulfield Sept. 3 or the Craiglee six days later.
