MONTJEU IN SEARCH OF REPEAT TRIOMPHE

Turning the clock back twelve months, it was **Montjeu** (Sadler's Wells) who was the horse looking to seal his reputation in the 1999 Arc de Triomphe. Having taken the G1 French and Irish Derbies, he showed there was real substance to him as he ruthlessly reeled in **El Condor Pasa** up the straight to record the victory. It is fair to say that today's Longchamp feature is awaited with the same mixture of expectation and trepidation that is always felt when the greats enter their real test. If the Michael Tabor colorbearer was good last year, this year he has been almost impossible to stop; he has become increasingly merciless in his disposing of rivals without ever having to draw on all his reserves. First there was his 1 1/2-length success in the G1 Tattersalls Gold Cup at The Curragh May 28, followed by a five-length score in the G1 Grand Prix de Saint-Cloud July 2. The bay followed with an imperious display in the G1 King George VI and Queen Elizabeth Diamond S. at Ascot July 29, never coming out of a canter to win by 1 3/4 lengths, and in his most recent effort made light work of the G2 Prix Foy here Sept. 10, winning by 1 1/2 lengths. In all, he has left eight Group 1 winners trailing in his wake so far this year, and he comes into this with a suitably dominant attitude. **Sinndar** (Grand Lodge), on the other hand, is more or less at the same stage his chief rival was last year, having taken his own two Derbies, at Epsom June 10, and The Curragh July 16. He was a nine-length winner of the latter, and returned to show the benefit of a summer breather by beating **Crimson Quest** (Ire) by eight lengths without turning a hair in the G2 Prix Niel at Longchamp Sept. 10. **Montjeu** did not have an older antagonist of his own caliber to deal with last October, despite the merit of **El Condor Pasa**, something **Sinndar's** connections will be all too aware of. However, that is the fascination of watching these two go head-to-head here. Nevertheless, that is to take nothing away from the excitement that the presence of the German-trained **Samum** will generate. He has stormed his way through the G1 BMW Deutsches Derby at Hamburg July 2, and the G1 Grosser Preis von Baden at Baden-Baden Sept. 3, defeating, among others, **Catella** (Ger), **Fruits Of Love**, **Daliapour** (Ire), and **Holding Court** (GB). Fillies do not have a strong record in this race, but few have entered with the potential of **Volvoreta**. Last time she returned to form with a six-length victory in the G1 Prix Vermeille here Sept. 10. (Arc Field p2)

HIS TIME TIZ NOW

Tiznow (Cee's Tizzy) drew off impressively in the G1 Super Derby at Louisiana Downs yesterday, setting a new track record of 1:59 4/5 and affirming himself as one of the nation's top three-year-olds in the process. Favored off a second in the G1 Pacific Classic, the Calbred hopped slightly at the start, but settled smoothly into stride and led the field into the first turn on a long rein from jockey **Chris McCarron**. Heading into the backstretch, **Commendable** (Gone West) ranged up alongside, and the pair raced in tandem through three-quarters in 1:10 3/5. At that point, **Tiznow** lengthened his stride, quickly opened daylight on his rivals and was ridden out to the line by **McCarron** for the victory. After breaking his maiden by 8 1/2 lengths May 31, **Tiznow** tried stakes company and came away with a victory over **Dixie Union** in the GIII Affirmed H. at Hollywood Park July 1. Second to **Captain Steve** in the G1 Swaps preceded a tilt at his elders in the G1 Pacific Classic at Del Mar Aug. 26, where he finished second to **Skimming**. "He's got a good, natural turn of foot to him, so he was able to get his position very easily," **McCarron** analyzed. "Once he made the lead, he started pricking his ears. Once he relaxed the way he did, I felt very confident." **Tiznow** is not nominated to the Breeders' Cup and trainer **Jay Robbins** said any decision to supplement to the Cup would be left up to the owners.

Prix Marcel Boussac cont.

Trainer Mick Channon has produced an array of serious juvenile talent all year, picking up prizes on these shores, and in Ireland, as well as on his home ground. It was this kind of fearless opportunism that saw Ascension take the G3 Prix du Calvados at Deauville Aug. 27. The way she quickened that day to put the race beyond doubt was unforgettable, and the unbeaten filly has been prepared with this race in mind since. She has to cope with Sir Michael Stoute's Karasta, who followed up an impressive success in a Newmarket maiden to take the G3 May Hill S. at Doncaster Sept. 7. After that effort, she was quoted as low as 6-1 favourite for next year's G1 1000 Guineas at Newmarket, the impression being that as she is a large filly, she can only improve on her efforts this year. There was a lot to like about the way Green Minstrel won the G3 Prix d'Aumale at Chantilly Sept. 11, having taken a Deauville conditions race the previous month when well backed. She was a comfortable winner from Winter Solstice by three-quarters-of-a-length last time, and any improvement from that will see her go close here. Prove created quite an impression when winning her maiden here earlier in the month and she is pitched in at the deep end here, but she may have the quality to cope.

Prix de l'Opera cont.

The Highclere Thoroughbred Syndicate have decided to route their star filly **Petrushka** here, and the decision can pay dividends. The relative disappointment of her runs when third in the G1 1000 Guineas S. at Newmarket May 7, and fourth in the G1 Epsom Oaks June 9 were put behind her with two impressive displays in mid-summer. The first of those, in the G1 Irish Oaks at The Curragh July 16, saw her bounce back to winning ways and the sort of form that connections always belived she was capable of. The second was a resounding success over **Love Divine**, her Oaks conqueror, in the G1 Yorkshire Oaks at York Aug. 23. That performance put her up with some of the best middle-distance performers around. **Love Divine** followed that performance with a fourth in the G1 Prix Vermeille here Aug. 10, unable to hold off the late rattle of **Volvoretta** (GB) and **Reve D'Oscar**, who was second that day. She must hold the greatest danger to Sir Michael Stoute's filly and she has already won at this level in the G1 Prix Saint-Alary here May 21. **Timi** has raced at the highest level in her country this year, tallying the G1 Oaks d'Italia at Milan May 21, and was a half-length second to **Xua** when second in the G2 Premio Regina Elena (Italian 1000 Guineas). It will be interesting to see how she figures in this company.

Prix de l'Abbaye cont.

Although two-year-olds are allowed to take on the older horses here, not many have been chanced, understandably, in this supremely tough five-furlong test. **Magic Ring** (Ire) tried in 1991, and was a highly creditable third, but he was a particularly precocious type. Two juveniles step forward this year in a bold bid, and both are extremely fast and forward. **Criquette Head's Iron Mask** followed up success in the Listed Prix de la Vallee d'Auge at Deauville Aug. 15 with the G3 Prix d'Arenberg at Chantilly Aug. 30. He has never been out of the first two, including when he was second in the G2 Prix Robert Papin at Maisons-Laffitte July 29. Joining him in the challenge is **William Haggas' Superstar Leo**, who was impressive when winning the G2 Flying Childers S. at Doncaster Sept. 9. Previously she had chased home subsequent G1 Middle Park S. winner **Minardi** in the G1 Independent Heinz 57 Pheonix S. at Leopardstown Aug. 13. **John Oxx's Namid** has progressed all season, putting in his best performance when winning the G3 Flying Five at Leopardstown Sept. 9, where **Watching** was fifth. Previous to that, he had hinted at his capability of winning a race like this when fourth in the G1 Nunthorpe S. at York Aug. 24. That day **Pipalong** finished a head in front of **Richard Hannon's** horse in third before going on to win the G1 Sprint Cup at Haydock Sept. 2 from **Sampower Star**. That was a desrved first Group 1 success, and she will be suited by the return to five furlongs here, although she would prefer it softer.

Prix du Cadran cont.

Last October **Tajoun** took this race, crowning an impressive season of consistency at the highest level, where he was in the first two in six stakes races. His return this year in the Listed Prix Right Royal at Maisons-Laffitte Apr. 11 was successful, but he has failed to win in his next two starts. Fourth to Amilynx (Fr) in the G3 Prix Barbeville here Apr. 30, he then overcame a substantial absence to finish a length third to Orchestra Stall (GB) in the G3 Prix Gladiateur here Sept. 5. Although he will need to improve on those efforts, he is back on his favoured stomping ground here and must be respected. **Enzeli** regained the winning thread last time in the G3 Doncaster Cup Sept. 7, giving seven pounds and a neck beating to Churlish Charm (GB). **Royal Rebel** is a consistent, tough colt, and he has taken the G2 Goodwood Cup Aug. 3 and G3 Lonsdale S. at York Aug. 22 this year, enduring two tough battles in the process. If he is in the van at the finish here, he will be extremely hard to beat.

Penny's Gold is a progressive filly, and her latest success, in the G3 Prix Quincey at Deauville Aug. 25, where she beat Island Sands (Ire) by a length-and-a-half, showed she is going the right way. Her last run previous to that was in the G3 Prix Sandringham at Chantilly June 4, where she found only Zarkiya (Ire) a head too good. **Kingsalsa** put in a career-best effort when second to Indian Lodge (Ire) in the G1 Prix du Moulin de Longchamp Sept. 3, and if he reproduces that form he must figure. **Sugarfoot** was second in this last year, and he has put up some fine efforts at the highest level so far this season, including when fifth, beaten under two-and-a-half lengths, in the Prix du Moulin.

Third behind Alshakr in the G2 Falmouth S. July 12, Danceabout has been an admirably consistent filly all year. The winner of the Oak Tree S. at Goodwood Aug. 3, she was a short head second to Ifiraas (GB) in the G3 Matron S. at The Curragh Sept. 3 since. Here she was held up by jockey Darryl Holland early as Lady Of Chad (Ire) (Last Tycoon {Ire}) ploughed a lone path in the centre of the track. As Lady Of Chad was gradually brought over to join the others, she was at a disadvantage, which jockey Richard Hills exploited by pushing Alshakr out with quarter of a mile remaining. As May Ball went with that filly, Holland was weaving his way through to challenge, and despite having to go out of her way to pass May Ball, she was finishing with a flourish, took over from Alshakr with 100 yards to race, and although she drifted right and took that horse steadily wide, she had enough reserves to hold her off. Holland said, "I was always going to be the winner. They went a very, very good pace and I was able to drop her in and then come there with a smooth run. She just idled in front." Owner Lady Tavistock added, "Geoff (Wragg) said the other day that she was just a big baby. We'll definitely keep her in training next year."

This race was Mouramara's first try at stakes company, having taken a Roscommon maiden, before landing a valuable handicap at The Curragh 13 days previously. Nevertheless, she emanates from the stable of John Oxx, which this year is steeped in three-year-old talent, housing Sinndar (Ire), and therefore anything seems possible. She improved on her previous form dramatically to win this competitive Group 2 event, ridden confidently by jockey Gerald Mosse. Held up early in the last four runners as Pearlmix (Fr) (Linamix {Fr}) took them along, she was moved up stealthily on the outer along the 'false straight', so that by the time they had turned into the straight, she was ready to deliver a perfectly timed run. Quickening impressively, she passed Limelighting (Alleged) and Inaaq (GB) (Lammtarra) with one and a half furlongs remaining, before stretching clear for a convincing success. His Highness The Aga Khan said, "She is a very nice filly, and John has succeeded in getting her to improve all year--she has just gone up and up and up. She has had a few problems, but John always had confidence in her ability, and she hasn't had a smooth three-year-old career, unfortunately. She will probably run again, but I will have to discuss it first with Mr. Oxx. The G1 Prix Royal-Oak here (Oct. 22) is a possibility and also the Breeders' Cup race restricted to fillies and mares on the grass." Winning jockey Gerald Mosse was equally impressed. "She gave me a great feel and she quickened beautifully when I asked her to do so. She can certainly improve more."

Slickly put behind him a poor effort when last in the G1 Arlington Million Aug. 19 with a bold display here to take this contest. Trained by Andre Fabre last year, he was successful in the G1 Grand Prix de Paris here in June, before running Dubai Millennium (GB) to two-and-a-half lengths in heavy ground in the G1 Prix Jacques le Marois at Deauville in August. He won this year on his return in the G3 Prix La Coupe here June 15, beating Agol Lack by two lengths. Here he was taken to the front early by Frankie Dettori where he quickly established a two length advantage over Albarahin as Adilabad and Sobieski (Ire) (Polish Precedent) waited in behind. He was always travelling well in front, settled and happy with his rhythm. As Adilabad failed to give jockey Gerald Mosse the necessary response as they entered the straight, Slickly was still in command and it was only jockey Willie Supple on Albarahin who looked likely to get to the leader. Jockey Frankie Dettori was not to be denied, however, and with some strong riding and determined driving, he was able to hold that horse's spirited challenge. Simon Crisford said, "Slickly was not the right horse to take to the Arlington Million. He didn't adapt at all to American racing." Trainer Saeed bin Suroor added, "When he ran last time we were disappointed with him, but it was the ground--he just didn't handle it. Today everything was right for him--the distance, the ground, and I thought beforehand that today was his day and this was his race. We're happy with him, and now we'll decide whether he goes for the G1 Champion S. (Newmarket Oct. 14), or whether he'll wait until next season."

Epitre continued his rise on the staying division ladder here, taking his most important success to date and giving trainer and jockey their second consecutive renewal after Amilynx (Fr) last year. He has progressed all year, winning the Listed Prix de Reux at Deauville Aug. 6, and the G3 Prix Lutece here Sept. 3 on his last two outings. He raced in third early as Talaash (Ire) (Darshaan {GB}) led them along. Jockey Olivier Peslier waited with his challenge until the turn into the straight, where Talaash was fighting hard to keep his advantage. As Peslier took command with over two furlongs remaining, his mount responded to his urgings to steal an advantage that King O'The Mana (Ire) (Turtle Island {Ire}) and Rostropovich tried in vain to whittle in the closing stages. Despite Riddlesdown's late effort, Epitre had the race in safe keeping. Epitre's winning owner Baron Edouard de Rothschild said, "This is win number seven in a Group race this season, and with a small stable like mine, it is quite remarkable. Epitre is a late-maturing horse, who had shown quality in the spring when fourth in the G1 Prix Lupin (May 14), but has come on a lot since and will improve more. He will not run in the G1 Prix Royal-Oak here (Oct. 22). He will be rested until next year and campaigned over a mile and a half."

Critical Eye, fresh from a narrow score in the GI Gazelle H., made it look easier here with this handy victory. After taking two straight allowances, the New York-bred bay tried graded foes in the GI Alabama at Saratoga, finishing a respectable fourth. Back at Belmont Sept. 9 for the Gazelle, she benefited from a sharp early pace to run down Plenty of Light in the shadow of the wire, winning by a nose. Never far back, she cruised up on the outside turning for home and drew off under a hand ride.

Bay Meadows Breeders' Cup Derby cont.

Walkslikeaduck made the transition to the infield a successful one, winning a July 15 Hollywood allowance by three lengths. Third in his next start in a Del Mar optional claiming event Aug. 18, the dark bay rolled to an impressive win in the Gil Del Mar Derby in his most recent trip postward Sept. 10. The prohibitive favorite to make it back-to-back graded stakes was third for the opening six furlongs, always in close contact with the front runners. Jockey Eddie Delahoussaye hit the accelerator circling the far turn and Walkslikeaduck went to the front within 100 yards, got clear and was under light urging down the lane. "As soon as I eased him out, he started to roll," the winning rider commented. "He's a nice little horse and he's got every right to improve." Any further improvement could earn the colt a berth on racing's championship day. "We'd like to take a chance in the Breeders' Cup Mile," said co-owner Chuck Winner, "but it's up to [trainer] Paddy [Gallagher] and how he thinks the horse came out of it."

Second in the Churchill slop to begin her career, Thunder Bertie improved to be runner up beneath the Twin Spires July 2. She made a successful return to the races in her latest start, a two-length victory at Turfway Park Sept. 16 with blinkers added for the first time. The chestnut was away well from the two hole and set solid fractions, pursued by Caressing and Godolphin's Zahwah to the far turn. The latter turned up the heat on the front runner with a strong move entering the stretch, but Thunder Bertie answered the call and drew clear, improving on her dam's third-place finish in the same race in 1994. Caressing outfinished Zahwah for the place spot.

Mount Lemon rallied up the center of the track to record this graded success. A winner for a \$50,000 tag at Keeneland earlier this season, the bay gelding had picked up a check in nine of 10 previous starts this season, including a victory over this track in the restricted Kentucky Cup Starter H. Sept. 16. Forwardly placed as Kimberlite Pipe (Take Me Out) and Phil the Grip contested the pace, he shifted out four wide for the drive and closed well to get up in time for the win. "I was comfortable sitting right off of them [Kimberlite Pipe and Phil the Grip]," said winning jockey Robby Albarado. "Unloosened was coming, but I wasn't ready to make my move. I had to be patient where I was and wait to take my turn. Then, I finally got him on the outside and he made his patented run. He's solid, so solid."

Panis has mixed it with the better class of two-year-olds so far, having been fourth to Crystal Castle in the G3 Prix de Cabourg at Deauville Aug. 3 and third last time to Equerry in the G3 Prix des Chenes here Spet. 10. Here his connections found the ideal opportunity for him to collect his first stakes success. Held up in last place early as Glowing Beam (GB) (Anabaa) made his way to the front, he was travelling well, covered up, until jockey Thierry Thulliez decided to make his move in the straight. As Bermuda Grass (Danehill) took to the front inside the final quarter of a mile, Panis was following him through with a strong challenge. Dayglow Dancer re-asserted inside the final furlong, but Panis had enough to deny that horse in the final strides to score. Owned by Jean Louis Bouchard, who bought him as a yearling at the 1999 Deauville August Yearling sale, he is trained by Pascal Bary, the team who won this in 1994 with Celtic Arms, who went on to win the G1 Prix du Jockey Club (French Derby) the following season. Bary said, "This is a nice colt who, for the first time, could wait in a truly run race and he accelerated nicely. I like him a lot and if he stays healthy and in a good condition he could very well return in the G1 Criterium De Saint-Cloud Oct. 29. He might be better than Celtic Arms."

The winner of the Listed John Musker S. at Yarmouth last October, Gino's Spirits was second in the G2 Sun Chariot S. and 12th in listed company, before being purchased by American interests at last year's Tattersalls Autumn Horses In Training Sale in October. The chestnut came into her first U.S. graded stakes appearance with two wins from three starts in the States, including a wire-to-wire, three-length success in Saratoga allowance company Sept. 10. Restrained off the early pace while saving ground, jockey Edgar Prado aboard Gino's Spirits found room along the inside at the top of the stretch, got through and drove clear to a perfect-trip victory. La Ville Rouge closed stoutly for second while her stablemate Storm Dream (Catrail), with the pace early, faltered to finish eighth and last. "The plan was just to sit off the speed and get a good spot on the inside," Prado said. "I knew they were flying up front and my filly relaxed perfectly. Once the hole opened, she just took off. I thought she won easily." Of the last-place finisher, jockey Jean-Luc Samyn said, "She just wasn't herself today. She galloped out fine and came back sound. I don't know what happened."

Now that Imagine is a stakes scorer, she has added further weight to the reputation of her already formidable family, being a half-sister to Generous (Ire). She has also boosted her own reputation with each race, following a fine fourth in the G1 Fillies' Mile at Ascot Sept. 23 with success here in this competitive Group 3 contest. She also capped a memorable week for her trainer, who has saddled Minardi, Mozart (Ire) and King Charlemagne to land three valuable juvenile contests at Newmarket. Imagine was ridden with confidence from the outset by jockey Paul Scallan here, setting off in front and opening up a comfortable margin by the three-furlong marker. From there she had to be ridden for all she was worth to hold on to her advantage, which was slimmed all the time inside the final quarter mile by Katherine Seymour, who was finishing best of all. Not to be denied, she showed gameness to hold on for her most important success to date. "She is probably only fully fit now," trainer Aidan O'Brien said. "The run at Ascot sharpened her up and I think she will be an Oaks filly next season."

BARON CHIEF AT ARC SALE Three-year-old Chief Baron (Ire) (Wolfhound) brought a final bid of FF2 million to top the Goffs (France) Arc Sale following yesterday's racing action at Longchamp in Paris, France. Consigned to the sale by trainer Alain de Royer-Dupre, the winning bidder for the multiple listed stakes-placed performer was the MAB Agency. The second highest priced lot of the session was hip number 37, the three-year-old filly Bright Halo, who went for a final bid of FF1.8 million to the Kern/Livingston Association. The half sister to G1 Prix Saint Alary winner Cerulean Sky (Ire) (Darshaan {GB}) was prepared for the Arc sale by trainer Robert Collet. Goffs reported 48 horses sold for gross receipts of FF29,625,000 and an average of FF617,188, a figure which represented an 8.5-percent increase from the 1999 sale.

On the Belmont Worktab:

GI Woodward H. winner **Lemon Drop Kid** (Kingmambo) worked four furlongs yesterday morning at Belmont Park in :48 4/5 as he continues towards his next start likely to come in Belmont's GI Jockey Club Gold Cup Oct. 14. "It was a nice little work for him," commented trainer Scotty Schulhofer. "He'll work again Thursday or Friday and then blow out before the race." Another Grade I winner likely to appear on the Oct. 14 undercard is Sept. 2 Hopeful dead-heat winner **Yonaguska** (Cherokee Run), who drilled a half mile yesterday in :49 1/5 for trainer D. Wayne Lukas in preparation for the GI Champagne. "We couldn't be any happier with him," said assistant trainer Mike Harlow. "That was a hard race at Saratoga. We thought it was not in the best interest of the horse to squeeze in two races before the Breeders' Cup."

Currency Arbitrage ended a drought of over two years with this game victory. With his last win coming in the August 1998 West Point H. against state bred, the chestnut gelding had acquitted himself well since, finishing second to Rize in a Monmouth allowance and third to Altibr in a Saratoga allowance July 23. In his last start, he caught a sloppy track in the off-the-turf West Point H. Aug. 23 and wound up eighth. Back on the green here, he raced within striking distance early, collared stablemate Pebo's Guy at the top of the stretch and finished strongly for the score. "He ran hard every step of the way and wouldn't let anybody by," said winning jockey John Velazquez. "It's nice to come back and ride a horse like this."

Left Bank won three straight seven-furlong allowances before stepping up in class in the GI King's Bishop at Saratoga Aug. 26. Caught up in a speed duel, the chestnut tired to finish fourth. Stretching out for his return, he controlled the pace through six furlongs in 1:09 4/5 and widened his advantage down the lane.

MANDARIN MARSH (c, 3, Sea Hero--Looking for a Win {SW & GSP, \$126,164}, by Crafty Prospector) returned from a six-month absence to be eighth over the Saratoga turf Aug. 26 and was most recently a much improved third over the local lawn Sept. 10. The 10-1 chance was ridden along early, circled four wide for home and pulled clear late to score by 1 1/2 lengths. Lifetime Record: 13-3-2-1, \$99,148.

Away smartly from the two hole, the chestnut filly battled throughout with favored Latour (French Deputy) and prevailed by three-quarters of a length. The pair finished 13 3/4 lengths clear of the rest. Lifetime Record: 1-1-0-0, \$24,600.

 stretched out for the Gil Summer S. Sept. 10, finishing
 sixth. Getting Lasix for his return to sprinting, the
 crowd's choice overcame a bump at the start to get
 himself into contention nearing the stretch and drew

The lightly-raced Misty Mission, making her stakes
 debut, outfinished her more accomplished stablemate
 Catch the Ring to lead home a Sam-Son exacta, denying
 that filly the Canadian Triple Tiara and a C\$350,000
 bonus. Second in her Aug. 3 debut on the lawn, the
 chestnut filly stormed home by 7 1/4 lengths to break
 her maiden in an off-the-turf event Sept. 14 and was
 entered here to ensure a lively pace for Catch the Ring.
 Away smoothly, she went up to contest the pace from
 the inside with Katsumi (Williamstown), put that rival
 away with a half mile remaining and maintained a clear
 advantage to the wire. "Misty Mission is a special filly
 herself and there's a lot of sentimental attachment to
 her from everybody at the barn, so it's special," said
 winning owner Tammy Samuel-Balaz.

ZOMARADAH'S COMEBACK ENDS The comeback attempt of Sheikh Mohammed Obaid's Zomaradah (GB) (Deploy {GB}), who was retired last year after running a close third in the Breeders' Cup Filly and Mare Turf, has ended according to Liam O'Rourke, General Manager of Dalham Hall Stud. It was decided to bring Zomaradah back to competition with trainer Luca Cumani after she lost her Sadler's Wells (USA) foal earlier this summer. Her ultimate goal was to return to the U.S. for another shot at the Breeders' Cup. She had been training well and had run a respectable fourth in the Listed Caffrey's Premium Ale Foundation S. at Goodwood Sept. 20, but after reassessing the situation, her connections decided to abort the comeback. O'Rourke said, "She had a slight mishap after her last race and, although she has seemingly recovered from it, she is unlikely to race again. She will be returned to the broodmare band at Dalham Hall Stud." No decision has been made on who Zomaradah will be bred to. She finishes her career with six wins from her 13 starts and earnings of \$658,827.

Oh So Sharp S. cont.

Lilium is beautifully bred, but there is more to her than impressive parentage. She scored at the first time of asking in a Warwick maiden, showing a strong finish despite lack of market confidence that day. Here she stepped up to stakes level to score with a similar first-time response. Held up in mid-division early as Nasmatt (GB) (Danehill {USA}) was sent to the fore, she looked a bit tapped for speed as they picked up at halfway. Nafisah went to the front with a furlong and a half remaining, but Lilium was gradually closing the gap. As they drove towards the line, it was jockey Jimmy Fortune who had the call, edging her ahead in the final strides.

Katy Nowaitee was heavily backed from an opening 10-1 into 6-1 and ran in the middle of the group taken along by Bomb Alaska (GB) (Polar Falcon {USA}). She made smooth progress to hit the front with a furlong and a half remaining. From there she was unstoppable, powering away up the rising ground to go clear and win by 1 3/4 lengths from Nooshman, who had 3 1/2 lengths to spare over the rest of the group.

He started as the 6-4 favourite in a field of 23 and was positioned in the front rank as Petongski (GB) (Petong {GB}) led, but grabbed the lead soon after halfway. The bay gelding held a commanding advantage at the quarter-mile marker and ran on strongly under pressure in the closing stages for a comfortable 2 1/2-length win from Zietunzeen (Ire) (Zieten {USA}). She had to be niggled throughout the first half of the race to get closer to the leader Maniatis (GB) (Slip Anchor {GB}). When she picked up, she arrived there easily and jockey Richard Quinn was ideally placed in third up the straight as the leader kept on in front. When he needed to challenge, Quinn was short of room, but he switched her around the leader to deliver a winning run under hands and heels riding to win by a comfortable half-length. Dolydille has made rapid improvement to turn into a stakes performer, having won the Listed Oyster S. at Galway Sept. 5 and ran a fine second to Muakaad (GB) in the Listed Foxrock S. at Leopardstown four days later. Here she progressed again to run away with this contest and in so doing, recorded her second stakes success. She was fourth early as Tobaranama led and jockey Kevin Manning waited until there were two furlongs remaining, where she was asked to get competitive. She grabbed the lead soon after, and, staying on strongly at the finish, went away from her rivals to score.

She belied such inexperience to give His Highness The Aga Khan a double on the opening day of Arc weekend. Held up at the back early as Salee (Ire) (Caerleon {USA}) and Slow Down (USA) (Seattle Slew {USA}) dictated a steady pace up front, she was given the perfect waiting ride by jockey Gerald Mosse. As push came to shove in the straight, the front two were battling it out and hanging on to their lead, but Mosse was bringing her late and fast. She swooped to deny Ghyraan, who had looked the winner throughout the last 100 yards, in the last stride to claim her first stakes success.
