BREEDERS' CUP BULLETIN

PEGASUS FLIES INTO CHURCHILL

GI Kentucky Derby winner **Fusaichi Pegasus** (Mr. Prospector) returned to the site of his greatest victory yesterday afternoon, arriving at Churchill Downs following his flight from New York. The three-year-old was accompanied on the trip by exercise rider Andy Durnin, who said, "It was great...very uneventful. He was very quiet--almost asleep all the way. He was very relaxed." Durnin added that, while the colt can still be a handful, he is not as tough to ride now as he was during the Triple Crown campaign. "He's a more mature horse," Durnin said, adding, "But you know, I've still got to be hanging on. There's nothing to say that he can't go out jumping and broncing and rearing like he used to. If he's feeling good, he might just go ahead and do it anyway. But, generally, he's not so much of a rebel any more."

TEAM LUKAS UPDATE

Trainer D. Wayne Lukas said yesterday that GI Belmont S. winner **Commendable** (Gone West) would not be heading to the Classic, but instead will be readied for the Strub Series at Santa Anita. Two-year-old **Scorpion** (Seattle Slew), however, will get a shot in the Juvenile despite a disappointing ninth-place finish in the GI Champagne S. Lukas said the colt displaced his soft palate in that race.

SPRINT CANDIDATES WORK

Trippi (End Sweep) and **More Than Ready** (Southern Halo), first and second, respectively, in the GI Vosburgh S. last time out, worked at Belmont Park for trainer Todd Pletcher Sunday morning. Trippi went an easy half in :51 over the Belmont main track, while stablemate More Than Ready went five furlongs in a handy 1:00 1/5 over the same surface.

O-H H The Aga Khan; B-H H The Aga Khan's Studs SC; T-Sir Michael Stoute; J-Johnny Murtagh; £232,000. Lifetime Record: 8-5-3-0, £513,747.

Storm Cat's son Giant's Causeway has broken nearly as many hearts as Warren Beatty, thanks to his combative style of racing: after allowing his rivals to edge ahead, seemingly on their way to glory, he launches a stirring counter-attack which nearly always leaves his rivals' dreams in shatters.

Kalanisi has been doubly unfortunate to have suffered this fate in two Group 1 events, the Coral-Eclipse and Juddmonte International, on both occasions going down by a head after leading in the final furlong. Considering that the four-year-old's rider received suspensions for using his whip with excessive frequency in both these races, Kalanisi's spirit could well have been broken. Fortunately, the colt proved as ready as always to do his very best when he raced for the first time since those defeats in the G1 Dubai Champion S., and he needed all his enthusiasm to get the better of Montjeu.

Kalanisi represents another belated triumph for his sire, the Mill Reef horse Doyoun, who was a member of the Aga Khan's stallion team for 10 years until his sale to Turkey after the 1998 covering season. The Aga had every right to expect a lot of Doyoun when he retired at a fee of IR£20,000. For a start, this winner of the 2000 Guineas had the rare distinction of being a Classic winner produced by a mating between two Classic winners. His sire Mill Reef numbered the Derby among his many major triumphs, while his dam, Dumka, had won the French 1000 Guineas before embarking on a sensational broodmare career which produced six stakes winners.

The fact that Doyoun had proved himself to be one of Mill Reef's faster sons seemed likely to be an asset in his bid to buck a trend which had seen most of Mill Reef's staying sons prove disappointing stallions (with the marked exception of Shirley Heights). I kept faith with Doyoun, often thinking I could see promise in his results, especially when his second crop produced the Group winners Manntari (G1 National S.), Adaiyka and Dalara. Unfortunately, there were no Group winners in either his third or fourth crops and I eventually came to share the widely held belief that his promise was going to go largely unfulfilled.

Doyoun has since thumbed his nose at his critics, starting his redemption by siring the excellent Daylami in his fifth crop. His next crop contained Takarian, a Group 3 winner in Ireland who became a Grade III and Grade II winner in the U.S., and there were three Group winners --Rafayda, Manndar and Kalanisi--in his seventh. As Manndar has already won two Grade I's on turf this year, Kalanisi is the fourth Group 1-winning son for Doyoun. One significant aspect of Doyoun's record is that all eight of his Group winners were bred by the Aga Khan--a fact which both reflects the expertise of His Highness' breeding operation and the lack of support which Doyoun received from other breeders.

The Aga Khan owes some of his success with Doyoun to inbreeding to Nasrullah and the doubling up in Kalanisi's pedigree takes the form of 3x4 inbreeding to Nasrullah's son Never Bend, through Never Bend's best sons Mill Reef and Riverman. This inbreeding can certainly take some of the credit, because Kalanisi is the first foal of a non-winning mare, Kalamba (by Green Dancer). However, Kalanisi's second dam, Riverman's daughter Kareena, was a courageous and tough stakes performer at around a mile and bred Kerita, a very good seven-furlong specialist. This hasn't been one of the Aga Khan's foremost families, but it is in Kalanisi's favour that this is the family which produced Kaldoun, a smart racehorse who developed into a champion stallion.

Kalanisi's racing days aren't over yet, though, and he could run in the Breeders' Cup Turf--a race which ought to suit him, judging by the American successes of Daylami, Manndar and Takarian.

BREEDERS' CUP PREVIEW RATINGS JUMP The overnight rating for the NBC telecast of the Breeders' Cup Preview card from Belmont Park was up 25 percent over last year's figure, *The Blood-Horse* on-line reports. The program, which televised the GI Jockey Club Gold Cup, GI Beldame and GI Champagne from 4:30-6 p.m. EDT, drew a 1.5 rating, representing viewership in approximately 2.7 million households, and a 4-percent share of the viewing market, as compared to a 1.2 rating and a 3-percent share last year, when the telecast was shown from 2:30-4 p.m.

MARE IN FOAL TO TALE OF THE CAT TOPS OBS DAY 2 The seven-year-old broodmare **Binge** (Wild Again--Find {Icecapade}), in foal to Tale of the Cat (Storm Cat), brought a final bid of \$125,000 to top yesterday's second session of the Ocala Breeders' Sales Company's Fall Mixed Sale. Tale of the Cat, whose first foals are weanlings this year, was a graded-stakes winner of \$360,900. Consigned by Journeyman Bloodstock (Brent and Crystal Fernung), agent, Binge was purchased by Jim Wells. Bringing the second-highest price of the day was the 12-year-old broodmare **Raise a Prince** (Raise a Bid--Dynastic Gal {Dynastic}), in foal to top freshman sire Storm Creek (Storm Cat). Consigned by Emerald Pastures Farm, agent, the stakes-winning mare was purchased by Brylynn Farm, Inc. for \$110,000. The top-selling weanling yesterday was a filly from the second crop of graded-stakes winner **Semoran** (Phone Trick) out of **Atillamona** (Honest Pleasure). Consigned by Summerfield, Agent LIII, the February foal was purchased for \$65,000 by Arch Bloodstock, agent. While the gross for the first preferred session was down 35 percent as compared to 1999, when there were nearly 50-percent more horses sold, the average was only off 3 percent and the median held steady. The five-day sale continues with preferred session today and tomorrow, followed by open sessions Thursday and Friday. Bidding begins at 10:30 a.m. daily.

Silverleaf Farm Sold:

David Hutson's 625-acre Silverleaf Farm near Ocala, Florida was sold Saturday via auction. The property was originally offered in three separate parcels, with the high bids coming from three different individuals. Buyers were then given the opportunity to bid on the entire property, which attracted the best price, \$4.9 million, from an investment partnership including former Silverleaf President Bob Cromartie, Becky Thomas and Lewis Lakin. "Having just completed construction on the farm two years ago, I knew that the construction costs and the land acquisitions were nearly double the final bid," Cromartie said. "I had been interested in acquiring one of the parcels, but the combined property was an exceptional value." The partnership will meet this week to decide what to do with the property. Early plans call for the farm to be put back on the market.

EUROPEAN CUP CONTENDERS

Corals has made Saturday's G1 Dubai Champion S winner **Kalanisi (Ire)** (Doyoun {Ire}) the new 4-1 favourite for the Nov. 4 G1 Breeders' Cup Turf at Churchill Downs. Runner-up **Montjeu (Ire)** (Sadler's Wells {USA}), was reported 'fine' by trainer John Hammond after his exertions at Newmarket. "The horse is fine after Newmarket but whether he runs again we'll have to see how he is," Hammond said yesterday. "I'll discuss with the owners over the next few days whether to retire him or aim him at the Breeders' Cup Turf. I would think a decision won't be made until early next week." Meanwhile, **Indian Lodge (Ire)** (Grand Lodge {Ire}), impressive winner of Sunday's G1 Prix de la Foret at Longchamp, may head to Churchill Downs for the Mile. His trainer Amanda Perrett said yesterday, "To be quite honest we hadn't thought about America, but if it looked like there was a chance he was going to get his soft ground--if there was a deluge in Kentucky--then we would consider it. The plan was this weekend and we hadn't looked beyond it. We'll mull the Breeders' Cup option over in the next week or so before we have to make the entry."

SAGAMIX TO FRANCE The 1998 Prix de l'Arc de Triomphe winner **Sagamix (Fr)** (Linamix {Fr}--Saganeca {USA}, by Sagace {Fr}) has been retired and will stand the 2001 season at Haras du Logis in France as a Darley stallion. His fee will be FF25,000. The French-bred grey capped an unbeaten three-year-old campaign with a victory in the G2 Prix Niel and a dramatic half-length triumph in the Arc. Purchased by Godolphin after the Arc, Sagamix ran third behind Montjeu in his final start in the July 2 G1 Gran Prix de Saint-Cloud. "Sagamix was a top-class racehorse, with great talent and determination," said stud manager Julian Ince. "He also has a tremendous pedigree, being the outstanding son of a hugely successful stallion. He is an absolute bargain at his fee and we hope to attract mares from all over Europe."

BERING COLT TOPS DEAUVILLE OPENER A colt by French Derby winner Bering (GB) out of the group placed mare Battle Quest (Fr) (Noblequest {Fr}) brought a final bid of FF620,000 to top yesterday's opening session of the Deauville October Yearling Sale in France. The colt was consigned by Haras de la Reboursiere et de Montaigu and was purchased by the Chantilly Bloodstock Agency. **Snow Gonal (Fr)**, a filly from the first Northern Hemisphere crop of Australian champion Octagonal (NZ), brought the second highest price of the session. The daughter of Snow House (Ire) (Vacarme {USA}) and half sister to Grade I winner **Snow Polina (USA)** (Tremolino {USA}) was purchased by the BBA for FF600,000 from Haras de la Clauzade. The BBA made the purchase on behalf of Queensberry Thoroughbreds, one of its new syndicates. The filly will be trained in France by Englishman Richard Gibson. During the opening session, L'Agence Francaise sold 97 yearlings for a total of FF9,868,000 and an average of FF101,732. The average rose 19 percent over last year's opening session when 68 yearlings grossed FF5,815,000 and averaged FF85,515. Yesterday, 60 horses were reported as not sold. The three-day sale continues today at 10 a.m. and resumes at 5 p.m., after the day's races.

LAST RACE AT DEAUVILLE CANCELLED

The last race at Deauville was cancelled yesterday due to a water-logged section of the track. The stewards decided the first turn would be too dangerous to race over and the event has been rescheduled for Thursday's card at Longchamp. The jockeys were close to refusing to ride after the first race, but racing continued to allow for the Listed Prix de Saint-Cyr.

Yesterday's Results:

PRIX DE SAINT-CYR-Listed, FF260,000, Deauville, France, 10-16, 3yo, f, 7fT, 1:31.30, hy.

 (9,652gns yrl '98 BBAGS). O-E Hilger; B-Gestut Zoppenbroich; T-P Lautner; J-D Bonilla; FF140,000. Lifetime Record: 13 starts, 5 wins, 8 places, FF533,742. *1/2 to **Takin (Ger) (Formidable {USA})**, MSW-Ger, \$179,982.

2--**Castiya (Ire)**, 123, f, 3, **Bluebird (USA)**--**Comme d'Habitude (USA)**, by **Caro (Ire)**. FF48,000.

3--**Western Appeal (USA)**, 123, f, 3, **Gone West (USA)**--**Zaifafon (USA)**, by **The Minstrel (Can)**. FF36,000. Margins: 1HF, SHD, 3/4. Odds: 3.30, 8.50, 8.40.

Also ran: **Ever In Love (Fr)**, **West Dakota (USA)**, **May Ball (GB)**, **Lady Glitters (Fr)**, **Pascarina (Fr)**, **Nuit De Siam (Fr)**, **Regal Star (GB)**, **Remote Romance (USA)**, **My Dream Castles (USA)**, **Tadorne (Fr)**, **Tencarola (Ire)**.

Twin Set made her first overseas foray a successful one. A winner of four of her efforts so far this year in conditions races in Germany, she obviously appreciated the heavy ground encountered yesterday. Held up in last place early as **Ever In Love (Fr) (Neverneyev {USA})** took the field along on the rail, she waited until the pace started to wind up past halfway, at which point she had five lengths to make up on **Western Appeal**. She was brought wide, and quickened well in the ground to get on terms inside the final 200 yards. Under a **Davy Bonilla** drive, she asserted from there to stretch away from her floundering rivals for her first stakes success.

DONCASTER SALE STARTS TODAY

With a catalogue of 270 horses, today's Doncaster Horses in Training Sale will guarantee a healthy interest for both established and first-time buyers. Many of the names inside are instantly recognisable, such as lot 121 **Royal Amaretto (Ire)** (Fairy King {USA}), who was placed at Group level at two, and lot 151, **Hakiki (Ire)** (Ballad Rock {Ire}), champion sprinter in Scandinavia in 1997 and a two-time stakes winner and multiple-stakes placed. Perhaps the biggest surprise of the sale is lot 212 **Sirinndi (Ire)** (Shahrastani {USA}), who is a half brother to **Sinndar (Ire)**. With the likes of **Fairy King (USA)**, **Woodman (USA)**, and **Indian Ridge (Ire)** represented, there is vital strength in depth to the sale.

TROPHY FINALE AT DONCASTER

Saturday's G1 Racing Post Trophy, the last of its kind this year in Britain, is the centrepiece of Doncaster's two-day meeting which opens Friday. With record prize money of £175,000, the one-mile Racing Post Trophy forms the first leg of the Racing Post Million Bonus. The connections of Saturday's winner will scoop £1 million if their two-year-old goes on to take next year's G1 Vodafone Derby at Epsom and G1 Rothmans Royals St Leger S. at Doncaster. Of the 20 left in the contest yesterday, trainer **Aidan O'Brien**, who won last year with **Aristotle (Ire)** and in 1997 with **Saratoga Springs (USA)**, is represented by 12. Chief among them are Listed **Acomb S.** winner **Hemingway (Ire)** (Spectrum {Ire}), G1 **National S.** winner **Beckett (Ire)** (Fairy King {USA}), and G3 **Somerville Tattersalls S.** winner **King Charlemagne (USA)** (Nureyev {USA}). Saturday's supporting card also boasts the Listed **Constant Security Doncaster S.** Friday's action features the **D.B.S. October Yearling S.**, a contest over six furlongs for two-year-olds which were catalogued in last year's Doncaster Bloodstock Sales' **October Yearling Sales**. It is the second running of the race, taken in its inaugural year by the German-trained **Chagall (GB)**.

Also ran: Quink (GB), Northfields Dancer (Ire), Tupgill Tango (GB), Zeloso (GB), Browser (Ire), Baillieston (USA).

Trainer Mick Channon is enjoying his most successful season so far with his two-year-olds, from dual Group 1 winning Tobougg (Ire) to star fillies Ascension (Ire), Lady Lahar (Ire) and Innit (GB). Although Pontefract on a rainy October day is far removed from Rome or Longchamp, it was nevertheless the scene yesterday of more Channon success, as Worthily stepped up to stakes company with success. The colt was last in his first maiden, but soon got to winning ways at Kempton before finishing second in a Sandown conditions race, both on soft ground. Here he was held up at the rear early as Rathkenny made the running, and manoeuvred up the rail as the field swung wide off the final turn. Brought through by jockey John Reid to take it up at the top of the straight, he dug deep to hold off the determined challenge of the runner-up, with Marine finishing well after a luckless final turn. Reid commented, "Mick said he liked this horse, and not to pay any attention to his first race, and he gave me a lovely feel. I told Mick afterwards he was a real nice horse--I like him a lot. It was soft all the way across here, so I took the shortest way round, and he gets through it exceptionally well. He's got great courage and he's certainly got a good future."

PROTEST AT THE CURRAGH

A demonstration is set for this morning at the offices of the Irish Turf Club to protest the body's reluctance to accept a proposal which would channel revenue from off-course betting back into Irish racing. Irish Minister for Finance Charlie McCreevy has offered the Irish racing industry a proposal which could generate a reported Ir£34 million annually and has also put forth the idea of a merger of the Irish Turf Club, the Irish Horseracing Authority and the Association of Irish Racecourses. The 150 members of the Turf Club have been unwilling to undertake discussion on the proposed merger. The protest is expected to attract representatives from all factions of the racing industry, including owners and trainers, breeders, stable lads, jockeys and breeders.
