## TALE OF THE CAT TOPS KEENELAND FRIDAY

Point Given (Thunder Gulch) caused quite a stir when he came flying down the stretch at Churchill Downs to miss winning the GI Breeders' Cup Juvenile by a nose, and just six days later his baby sister created some excitement of her own. The filly, a weanling from the first crop of Tale of the Cat (Storm Cat), brought a final bid of \$975,000 to top Friday's session of the Keeneland November Breeding Stock Sale in Lexington. Consigned by Three Chimneys Sales, agent for Ironwood Farm, the chestnut was purchased by John C. Oxley. Her brother, who has never been worse than second in five career starts, captured the GIII Kentucky Cup Juvenile S. and was the runner-up in the GI Champagne before his Breeders' Cup bid. The son of another young sire, G1 English 2000 Guineas hero King of Kings (Ire) (Sadler's Wells), topped the weanling colts, going for a bid of \$210,000 to the McKathan Brothers, as agent. Consigned by Highclere Sales, Agent III, the chestnut is from the family of European and American champion Hatoof, winner of the G1 English 1000 Guineas, G1 Beverly D. S. and G2 Prix de l'Opera. King of Kings' first crop hits the racetrack next year. A 16-year-old mare in foal to Forestry (Storm Cat), whose first crop hits the ground in 2001, brought the highest bid for a broodmare yesterday. **Mother Fletcher** (Fappiano), from the Viking Stud, Inc. consignment, was purchased for \$250,000 by Charles S. Giles, M.D. The mare is the dam of MSW Squirm (Two Davids), as well as graded stakes-placed Hoyle (Dehere) and stakes-placed Sasha Sasha (Two Davids) and Mistress Fletcher (Sovereign Don). The November Sale continues through Saturday, Nov. 18. Bidding begins at 10 a.m. daily.

**WAR CHANT TO HOLLYWOOD DERBY?** GI Breeders' Cup Mile winner War Chant (Danzig) could make his next start in the 1 1/8-mile GI Early Times Hollywood Derby Nov. 26, trainer Neil Drysdale confirmed yesterday. "[Owner Irving Cowan] has not made a decision yet, but War Chant came out of the race good and has galloped well," Drysdale said. He added, "The Eclipse is to be considered in the decision." Already a contender in the male turf horse division, the three-year-old could stake his claim to the championship with a win in the race, which would make him a perfect three-for-three on the grass.

**ENCEPHALITIS UPDATE** Dr. Keith Watkins, the senior veterinary surgeon of the Hong Kong Jockey Club, responded to news reports which suggested that, in addition to Group Fortune (Aus) (Barathea {Ire}), as many as three horses may have had to be put down after showing signs of Japanese encephalitis by saying, "No horse on or off the racecourse in Hong Kong has shown any clinical signs remotely suggestive of any equine encephalo-myelitis and none have died or been euthanased due to the disease, either before or since the Group Fortune case." Remarked Winfried Engelbrecht-Bresges, the Club's executive director of racing, "We are optimistic that the Group Fortune case will be an isolated one. It will be business as usual for the Hong Kong International races in December." The Hong Kong Government Agriculture, Fisheries and Conservation Department also has stated that it believes there was just the one case of the disease, and added that foreign horses traveling to Hong Kong for the International races Dec. 17 will be housed only with horses of equivalent health status in germ-free quarantine stables.

**JOHN'S CALL TO JAPAN CUP** MGISW John's Call (Lord at War {Arg}), a narrowly beaten third in the GI Breeders' Cup Turf, will make his last start of the season in the G1 Japan Cup in Tokyo Nov. 26. Explaining the decision to send the nine-year-old overseas, owner Douglas Joyce said, "We waited for him to tell us what to do. To the best of our assessment, he appears to be in fine shape--he came out of the Breeders' Cup just fine. We have no reason to believe he won't be able to go forward. He's nine, and I don't know how many more chances we will get at something like this. We decided to give it a shot."

**CORRECTION:** In Thursday's TDN, Grand Slam should have been listed as the sixth leading first-year sire of weanlings, with an average of \$142,765 and a top filly at \$535,000. We regret the error.

**CORRECTION:** In Friday's TDN, the consignor of Hip 1498, the second-highest weanling filly, was Denali Stud, Agent XII. We regret the error.

☆ AMERICAN EDITION ☆

**CROWD PLEASER TO NORTHVIEW** Augustin Stable's Crowd Pleaser (A.P. Indy--Creaking Board {GB}, by Night Shift) will enter stud at Northview Stallion Station in Maryland in 2001 for a fee of \$3,500. Winner of the Gill Saranac H. at three, the dark bay captured the Sycamore S. at Keeneland Oct. 22 in his last start, his ninth victory in 24 career starts for \$605,150 in earnings. "Whenever Northview can offer their breeders a graded-stakes winning son of A.P. Indy who has won \$605,000 out of a Grade I-winning mare who won stakes on both turf and dirt, we feel very fortunate," said Northview President Richard Golden. "He is a grand looking horse and we can't wait for our breeders to see him." Out of the GI Hollywood Starlet winner Creaking Board, Crowd Pleaser is entered in today's Gill Laurel Turf Cup. The five-year-old will be available for inspection at Northview later this month.

**ADCAT TO FARNSWORTH GSW Adcat** (Storm Cat --Adorable Micol, by Riverman) will stand stud at Mike Sherman's Farnsworth Farms in Ocala, Florida in 2001. Out of a U.S. graded-stakes and French-stakes winning mare, the New York-bred won the Gill New Hampshire Sweepstakes H. in '99 and recently scored in the Oct. 21 Mohawk H. at Belmont. The five-year-old has five wins, four seconds and three thirds from 26 starts and earnings of \$438,607 to date. He has been entered for today's Gill Laurel Turf Cup S. "He's the only graded-stakes winning son of Storm Cat standing in Florida," Sherman said of the Mark Hennig trainee. "He will stand the property of a partnership with an introductory fee of \$5,000, due when the foal stands and nurses."

**STORM CAT SEASON TOPS STALLION ACCESS SALE** A season to Overbrook Farm's premier sire Storm Cat (Storm Bird) attracted a bid of \$500,000 to top Fasig-Tipton's Stallion Access Inc. Fall Sale of Selected Seasons and Shares, held yesterday in Lexington. The 17-year-old stallion topped last year's auction as well, with two seasons bringing \$430,000 and \$415,000. A season to Claiborne Farm's Danzig (Northern Dancer), sire of GI Breeders' Cup Mile winner War Chant, brought a bid of \$240,000, second-highest price last night. A nomination to Danzig sold for \$290,000 last year. One share in Northview Stallion Station's Two Punch (Mr. Prospector) was purchased for \$44,000, top price of the five shares sold. Overall, 32 no guarantee nominations sold for \$1,796,400, an average of \$56,138. The five shares brought \$99,600 for an average of \$19,920.

**HANDLE RECORD FOR BREEDERS' CUP** Total wagering on the 10-race Breeders' Cup program from Churchill Downs was an all-time North American single-day record of \$108,598,136. That figure marked an 8-percent increase from last year's previous high of \$100,336,230. The handle on the eight Breeders' Cup races broke the \$100-million barrier for the first time, with \$101,283,427 wagered on the championship events, a 5-percent jump from 1999. The simulcast handle on the octet of Breeders' Cup races was also a new record at \$95,018,338, up 10.1 percent from last year. The state of California led all simulcast locations, with more than \$13.5 million bet on the Breeders' Cup races and the Ultra Pick 6. New York was next with a handle of more than \$12.6 million. International handle was a record \$6,705,778. Canada led the way with better than \$4.2 million wagered, followed by France, which topped \$1.5 million. The Ultra Pick 6 pool reached \$5,123,453; 68 winning tickets paid \$45,772 each. On-track, a crowd of 76,043 wagered \$14,363,349 on the Breeders' Cup card, fourth-highest handle ever on the event.

Connected, an allowance winner at Keeneland in April and at Churchill Downs in May, was off the board in his next three starts, including a fourth at Saratoga in allowance company Aug. 20. Off since that try, the colt returned here without the blinkers he's worn in his last seven starts. Unhurried early, he put in a late bid to edge out Apt to Be for the score.

BEDAZZLE (f, 3, Dixieland Band--Majestic Legend {SW, \$200,853}, by His Majesty) came off the shelf 11 months after her career opener to break her maiden in her most recent effort, a Keeneland special weight race Oct. 15. Making it two in a row with this performance, the filly raced in midpack, went four wide on the turn and took the lead in the lane to defeat Cecilia's Crown (Chief's Crown) by a neck as the 6-5 favorite. Lifetime Record: 3-2-1-0, \$65,040.

MY KIND OF TOWN (c, 2, Mr. Greeley--Mane Desire, by Mane Minister), \$70,000 EASSEP yearling, recorded his first win in his last start, beating a pack of maiden claimers at Turfway Sept. 29. Successfully attempting a strong allowance field here, the colt was quick to the fore, led comfortably and went on to win convincingly by five lengths as the longest shot on the board at 16-1. Lifetime Record: 5-2-0-0, \$38,685.

**FIFTY STARS** (c, 2, Quiet American--My Bubbling Belle, by Tsunami Slew), fourth in his six-furlong debut, improved to be second going a mile at Arlington Sept. 29. Adding Lasix this time, the \$70,000 KEESEP yearling was outrun at the beginning, gradually made up ground over the distance and rallied down the stretch to win by a length over Slough Creek (Dynaformer) at 5-2. Lifetime Record: 3-1-1-0, \$33,960.

Stretching out for this event, the 24-1 longshot raced on the lead throughout and galloped home the 7 1/4-length victress. Lifetime Record: 6-1-2-1, \$40,700.

**Baffert Juveniles on the Shelf:**

Two of trainer Bob Baffert's Breeders' Cup runners have been sidelined with knee chips, *The Blood-Horse* on-line reports. Notable Career (Avenue of Flags), fifth in the Juvenile Fillies, is scheduled to undergo surgery today, as is Flame Thrower (Saint Ballado), who was eighth in the Juvenile. Baffert described the colt's chips as just "tiny flakes," and said that both two-year-olds should be back in action early next year.

★ EUROPEAN EDITION ★

Saturday, November 11, 2000

**SAFFRON HEADS EAST** Classic winner **Saffron Walden (Fr)** (Sadler's Wells {USA}--Or Vision {USA}, by Irish River {Fr}) has been sold to Japanese interests as a stallion prospect, the *Thoroughbred Times* reported. Europe's most expensive yearling of 1996 at Ir2,100,000gns, the bay colt captured the G1 Irish 2000 Guineas last season in the colours of Mrs John Magnier. In his only start at four, he finished third in the G3 The Minstrel S. at The Curragh in July. "I can't disclose the price, but, being a classic winner by Sadler's Wells and a half brother to Dolphin Street, Saffron Walden had obvious value," Bert Kerr of Kerr & Co Agency told the *Thoroughbred Times*. "He was flown out to Japan earlier this week and will be under the management of the J S Co. in Hokkaido." Out of the stakes-winning mare Or Vision, Saffron Walden is a half brother to highweight sprinter Dolphin Street (Fr) (Bluebird {USA}) and a full brother to GISW Insight (Fr).

## BBC AND GO RACING AGREE TERMS

In a deal that will go forward if they are awarded media rights to British racing, Go Racing, the consortium of Arena Leisure, BSkyB and Channel 4, yesterday agreed terms to bring Channel 4 and the BBC together to offer integrated coverage of racing in the UK. As part of the agreement, the BBC will continue to broadcast its existing racing, while Channel 4 is planning to launch a new daily lunchtime racing programme. Go Racing promises 4,000 hours of live coverage each year, which would make racing the most televised sport in the UK. David Scott of Go Racing said: "With the BBC formally on board, Go Racing offers a much higher level of continued terrestrial coverage for racing than any other bidder. Allied to our technical ability to deliver the promised new services quickly and the pedigree of the partners involved, we believe this proposal represents the best solution for the future health and prosperity of racing." And Peter Salmon, BBC director of sport, added: "BBC Sport will continue to bring the nation the peak events of British racing under this arrangement. Our commitment to racing remains as high as ever and eventually the racing fan should see a more coherent coverage of their sport." The BBC has also agreed terms with Go Racing's competitor, Carlton, which will ensure continuation of coverage, whichever deal is accepted by the RCA. Mike Hales of BBC Sport said: "Under the Carlton deal, the Derby and Oaks will be back with the BBC and with Go Racing we will be looking at a further division of rights."

## ★ BRITAIN ★

### MEDIA RIGHTS DECISION CLOSE

The battle between Go Racing and Carlton for media rights to British racing will be decided in the next few days, as both parties near the deadline for their proposals to the Racecourse Association. The bids, of £400 million each, put to the RCA yesterday evening in the case of Carlton, and Monday for Go Racing, will have to be considered thoroughly. Yesterday, Stephen Atkin, chief executive of the RCA, issued caution: "It depends on both bidders whether they stay in the race, but it would be very disappointing if one or both did withdraw their offers. It's a risk we have to take. There is a deadline with Carlton's offer of exclusivity, but it is not a contract offer. We have advised our members that both offers are very serious proposals, but it's not in our interests to get involved in a period of exclusivity with either party while there are certain issues outstanding. These issues can be resolved. We are in negotiations with both parties to get some detail on contract. There are two sets of negotiations currently running in parallel. We need contract offers before we can decide which one is the most suitable for our members. The end is in sight, but how close, I've no idea. There is a forum at Haydock and we will make use of the opportunity to bring our members up to speed on the negotiations." That is due for Nov. 21, involving representatives of all 59 racecourses.

### SEVEN POUND PLUM

Sir Mark Prescott's **Perfect Plum (Ire)** (Darshaan {GB}) heads the 10 entries for Tuesday's G3 Prix Saint-Roman at Saint-Cloud. The winner of the G3 Prix des Reservoirs at Deauville Oct. 16 is set to be ridden by George Duffield, but she will have to overcome a seven-pound penalty for that success. She will have to concede that weight to Maurice Zilber's **Prove (GB)** (Danehill {USA}), unplaced when jumped in class last time in the G1 Prix Marcel Boussac at Longchamp Oct. 1, and Jonathan Pease's **Calista (GB)** (Caerleon {USA}), impressive winner of a conditions event at Longchamp last time. Chris Wall will send Listed EBF Montrose S. (Newmarket Oct. 28) winner **La Vita e Bella (Ire)** (Definite Article {Ire}) across, while Jeremy Nosedo's **Blushing Bride (GB)** (Distant Relative {Ire}), and Michael Bell's **Heavenly Whisper (Ire)** (Halling {USA}) are also set to oppose.

**LIMNOS TO STUD**

Limnos (Jpn) (Hector Protector {USA}--Lingerie {GB}, by Shirley Heights {GB}), a full brother to 1999 highweight older mare Shiva (Jpn), is to stand at Haras du Petit Tellier in 2001. Winner of the G2 Prix Foy at Longchamp in 1998 as well as the G2 Prix Jean de Chaudenay at Saint-Cloud, he is out of a daughter of European champion Northern Trick (USA) (Northern Dancer {Can}). His fee is set at FF12,500 Oct. 1 terms.

Also ran: Fire Dome (Ire), Further Outlook (USA), West Dakota (USA), Dananeyev (Fr), Lord Bleu (Fr), Lever To Heaven (Ire), Vision's Flight (Ire), Jokari (Fr), Madame Modjeska (USA), Pinmix (Fr).

\*Further Outlook finished second, but was disqualified and placed fifth.

A first foray into stakes company held no fears for Marweh, who made his black-type debut a winning one. He had previously scored in conditions company at Maisons-Laffitte Oct. 6 and in a handicap at Deauville Aug. 8 on his last two starts. Jockey Freddy Sanchez settled the eventual winner on the outside, tracking Ever In Love as British raider Further Outlook (USA) (Zilzal {USA}) held the overall lead. The complexion of the race changed approaching the final furlong as Further Outlook veered across the course under pressure, hampering a number of likely challengers, most notably fellow British hopeful Fire Dome (Ire) (Salt Dome {USA}). It was at this point Marweh was produced on the outside with a telling bid. He ran on strongly inside the final furlong to assert in the closing stages for a deserved win. Further Outlook was demoted to fifth for his indiscretions, although he originally held on from Ever In Love, who lacked the necessary pace in the closing stages.

★ HONG KONG ★

**EUROPEAN TRAVELLERS**

Jim And Tonic (Fr) (Double Bed {Fr}) is coming along well in his preparations for a third successive tilt at the Hong Kong international races Dec. 17. "He won very easily in desperately heavy going [G3 Prix Perth, Saint-Cloud, 11-4], and he will be far better on the ground at Sha Tin," said trainer Francois Doumen. "He was a bit fat on Saturday and he will improve a lot for the run." Jim And Tonic won the G2 Hong Kong International Bowl in 1998, the G2 Queen Elizabeth II Cup in April 1999 and the G1 Hong Kong International Cup last December. Sheikh Hamdan's Mutamam (GB) (Darshaan {GB}), beaten three-parts of a length when fourth in last week's GI Breeders' Cup Turf, is under consideration for the G1 Hong Kong Vase. "I haven't spoken to his owner, Sheikh Hamdan, yet, but a trip to Hong Kong is a possibility, although he might want to wait until his race in Dubai [G1 Dubai World Cup] next March," said trainer Alec Stewart. "I will not consider doing both, and he will not be going to Japan." The German filly Catella (Ger) (Generous {Ire}), third in the GI Breeders' Cup Filly/Mare Turf, may now secure an invitation for the G1 Hong Kong International Vase. "I know Peter [trainer Schiergen] is very keen to send Catella to Hong Kong for the Vase if she comes back from America all right," said Gisela Schiergen. "She has been a game filly all season and will enjoy the good fast ground in Hong Kong. She loved the going at Churchill Downs."
