SETTING THE STANDARD

GI Breeders' Cup Sprint runner-up **Bluesthstandard** (American Standard), first or second in 10 of his 12 previous Santa Anita starts, is the horse to beat in today's GII Palos Verdes H. in Arcadia. Claimed for \$50,000 at the end of 2002, the veteran gelding won a pair of optional claimers for new owner Jeffrey Sengara before moving up to the graded-stakes ranks and making it three in a row in the Mar. 29 GIII Potrero Grande Breeders' Cup H. He added a fourth straight victory in the Apr. 26 GIII Texas Mile, but his winning streak ended when he was stretched out to 1 1/16 miles for the May 26 GIII Lone Star Park H. and ran second. The seven-year-old has been kept to sprints since, finishing on the board in three of his next four (although he was demoted from third to sixth after drifting in during the stretch drive of the July 5 GI Triple Bend Breeders' Cup H.) before ending the season with a bang-up effort at 13-1 on Breeders' Cup Day. He has been working sharply for his 2004 debut, going five furlongs in :59 flat in his final prep Jan. 25. "He's pretty consistent in his workouts--this was just typical for him," trainer Ted West said. "He's doing great." He will not have it easy, however. He faces GIII El Conejo H. winner **Boston Common** (Boston Harbor) and runner-up **Summer Service** (Siberian Summer); **Tough Game** (Mr. Greeley), who goes for his third straight after taking a pair of optional claimers in eye-catching fashion; and **Marino Marini** (Storm Cat), second by a head in the GI Malibu S. last time out.

A PERFECT WAY TO START THE YEAR

Picking up right where he left off, **Pleasantly Perfect** (Pleasant Colony) opened his 2004 campaign with a dominating four-length score in the GII San Antonio H. at Santa Anita yesterday afternoon. It was the third straight graded-stakes success for the six-year-old, who came back after a seven-month layoff to take the Oct. 4 GII Goodwood Breeders' Cup H. for the second consecutive year, then belied odds of 14-1 to score a 1 1/2-length victory over Medaglia d'Oro in the Oct. 25 GI Breeders' Cup Classic. Back after the brief freshening, the powerful bay gave trainer Richard Mandella his fifth San Antonio score in the last 10 years, following in the hoofsteps of Best Pal (1995), Gentlemen (Arg) ('97-'98) and Redattore (Brz) ('02). "He's as good as any of them," Mandella said. "There's no limit yet [to what he can do]." **San Antonio H. cont. p2**

A Perfect Set-up...

Everyone expected 2-5 favorite **Congaree** (Arazi) to go to the lead early in the San Antonio, but the chestnut found himself in third as first **Fleetstreet Dancer** (Smart Strike) and then **Star Cross (Arg)** (Southern Halo) took them along. **Pleasantly Perfect** was last, but only two lengths off the pace and under stout restraint. He went to the front under his own power at the quarter pole and lengthened stride late to win with ease. "I just let him come out of the gate on his own to see how the race would unfold," winning jockey Alex Solis said. "The other three horses wanted to go to the lead, so I decided to take back and save ground on the first turn. He was real strong at the eighth pole, but I stayed relaxed to the quarter pole. From there, it was history." Added Mandella, "I was worried that Congaree would open up three or four lengths...and that my horse might be like he used to be, galloping along behind. But this is a different horse. He's getting smarter and stronger all the time and he put himself right into the race and that was the difference." As for what's next, the trainer said, "We've got the idea of the [Mar. 6 GI Santa Anita H.] and Dubai [G1 World Cup, Mar. 27]. Whether we'll do one or both, we'll discuss next week. It will depend a lot on how he comes out of the race, how much it took out of him."

No Excuse for Congaree...

The crowd's choice ranged up to race with the leaders after a half, but had no response when Pleasantly Perfect strode past him and faded to finish last. "I never had any horse under me," jockey Jerry Bailey said. "He didn't have any spunk in the post parade. He certainly didn't act like the old Congaree today."

Third in the G2 Ribblesdale S. at Royal Ascot in 2002, Red Rioja could do no better than fifth in the G1 Irish Oaks next time out, then ran into last year's GI Breeders' Cup F/M Turf heroine Islington (Ire) in the G1 Nassau S. and finished ninth. The homebred bay ended her European stint with a pair of fifth-place finishes in Group company before disappearing for the better part of a year. She resurfaced in a one-mile optional claimer at Del Mar Sept. 6, winning by a half length, but did not threaten winner **Tates Creek** when fifth in the 10-furlong GI Yellow Ribbon Invitational S. at Santa Anita. The Irish-bred improved to be second when dropped back to a mile in an allowance test last time out Oct. 15. Favored by the crowd in her return after the 3 1/2-month vacation, Red Rioja settled in seventh down the backstretch. She moved closer on the far turn, edging toward the leaders from between horses, but got caught in traffic as they neared the eighth pole before finally switching to the outside to get up for the victory. *Race was automatically downgraded from its original Grade III status when it was taken off the turf.

Entered for main-track only, Newfoundland made good when this race was forced off the turf by heavy rains in the Sunshine State. The chestnut had taken advantage of an off-the-grass situation last spring, winning a Belmont allowance test by a neck June 14. He did not fare as well next time, running sixth in the GIII Long Branch Breeders' Cup S. at Monmouth Park July 12, then missed by a neck when second in a Saratoga allowance before returning to the winner's circle at Belmont Sept. 12. The \$3.3 million KEESEP yearling made it two in a row in the Oct. 9 Coronado's Quest S. in Elmont, but showed little in his latest, finishing fifth over a muddy strip in the Oct. 29 GIII Discovery H. at Aqueduct. Relishing the wet going this time, he stalked pacesetter Millennium Dragon through moderate fractions, was carried out into the middle of the track as he went after that rival at the top of the lane, but battled past in the final strides for the narrow score. Twice a winner in four prior wet-track tries, Wishful Splendor showed an affinity for the slop once again as the longest shot on the board here. The chestnut mare started 2003 with a second-place finish in the GIII Affectionately H. at Aqueduct, but went to the bench after finishing a distant third in the Feb. 19 Rare Treat H. She returned to be sixth in a pair of allowance races, first at Saratoga and then at Belmont, in September, but improved to be second in an optional claimer at the Meadowlands Oct. 17. Wishful Splendor switched to the turf for her two most recent outings, running second in an Aqueduct allowance Nov. 26 and winning at that level at Calder Dec. 28, but wasn't expected to make it two in a row with a return to the main track. Confounding the fans, she tracked favored May Gator as they approached the stretch, slipped through along the inside to take the lead as they straightened for home and outfinished the game pacesetter for the win. Silent Witness looks to retain his unblemished record in the first leg of the Hong Kong Champion Sprint Series. A perfect five out of five to start his campaign, the bay got the new season off on the right foot with a narrow win in the G3 Sha Tin Sprint Trophy Oct. 11. The easy winner of the G2 International Sprint Trial Nov. 22, the A\$55,000 yearling comes off a one-length victory in the Dec. 14 G1 Hong Kong Sprint. He figures to be the odds-on favorite for the seventh straight time. **Century Star**, winner of four of his last five starts, is making his first appearance in 11 months, but the seven-year-old has fired fresh in the past.

El Ruller, a \$5,500 FTKOCT yearling who is now a graded stakes-placed earner of \$197,903, should add to his bankroll here. The bay was second to Canadian Horse of the Year Wando in his first try at a route, the May 17 GIII Marine S., and came back to take an overnight handicap going 1 1/8 miles at Arlington Park by three lengths July 5. Sidelined after that performance, the four-year-old comes off a rallying third-place finish in the six-furlong Col. Power S. at Fair Grounds Jan. 11 and gets blinkers added in his second start back.

Making his route debut off the two-month freshening, the Seltzer colorbearer kept close tabs on the pacesetters while settled along the rail, then slipped through an opening leaving the far turn to put himself in command. Confronted by a fast-closing Kuch (Unbridled) in the final sixteenth, the 7-2 chance responded to an Edgar Prado drive and asserted for the 1 1/4-length victory. Frisky Spider to Fountain of Youth:

Three-year-old **Frisky Spider** (Frisk Me Now), who made it three-for-three in a Gulfstream allowance test Jan. 25, will make his stakes and two-turn debut in the Feb. 14 GI Fountain of Youth S. Trainer Bob Durso had been considering the seven-furlong GII Hutcheson S. on the same day, a race won by the colt's sire in 1997, but said yesterday, "If we want to go to the Florida Derby, we've got to send him around two turns. He's going to have to do it sooner or later, so we'll go in the Fountain of Youth and see how he handles it."

Storm Flag Flying Nears Return:

Champion **Storm Flag Flying** (Storm Cat), out since finishing off the board in the June 6 GI Acorn S. due to a hairline fracture in a hind leg, is nearing her four-year-old debut. Trainer Shug McGaughey said the filly is two to three weeks from her return. "She's close and she's doing excellent," he remarked. "She's working well. I sent her from the gate last week. I wouldn't mind finding an allowance race for her. Hopefully I can get her right again." Undeclared as a two-year-old, including wins in the GI Matron S., GI Frizette S. and GI Breeders' Cup Juvenile Fillies, Storm Flag Flying started just twice last year, running second in the GIII Comely S. and sixth in the Acorn. She has been working steadily, most recently going five furlongs in 1:01 4/5 at Palm Beach Downs Jan. 26.

She's Zealous kept stablemate Fit Performer at bay and gave the red-hot Richard Dutrow Jr. barn yet victory at the Big A. Returning to the allowance ranks after an unsuccessful try on the grass in the restricted Trampoli S. at Aqueduct in early November, She's Zealous knocked off a NW2X allowance in convincing fashion in her first test over the inner surface Dec. 3. The dark bay went off the heavy 2-5 pick in her next, but was forced to take up on the turn and had to settled for the place spot after re-rallying. Carrying 10 fewer pounds this time out, she sped out from the inside post and led the field through sensible :22 3/5 and :45 4/5 fractions. Fit Performer, emerging between rivals turning for home, gave it her best effort through the lane, but couldn't reel in a resolute She's Zealous.

Looking to turn the tables with an extra furlong to navigate this time, the dark bay once again went right to the front, but was allowed to set comfortable fractions and was not threatened late, winning handily.

Looking to win this for the third straight year, Mystery Giver almost left it too late, but came on in the final strides to take the photo. The bay scored by 3 1/4 lengths in last year's edition, but was winless in his next seven starts. He did manage a second in the Aug. 17 John Henry S. at Arlington Park and in a Keeneland allowance test Oct. 12 before getting back in the win column with a half-length tally in the Nov. 1 Gill Carey Memorial H. at Hawthorne. He ended 2003 on a losing note, finishing sixth in an optional claimer over a yielding Churchill turf Nov. 29, but came back a fresh horse for his 2004 opener here. Tucked in along the rail while rating off a slow pace over the soft turf, Mystery Giver angled outside for the final drive and finished full of run to catch Skate Away at the wire. Warleigh (Lord at War {Arg}), the 7-5 chalk, had the lead for six furlongs, but faltered late to be sixth.
