BE MY GUEST DEAD

Be My Guest (Northern Dancer--What a Treat, by *Tudor Minstrel) died yesterday morning at Coolmore, Ireland due to infirmities of old age. The 30-year-old stallion brought a European record 127,000gns when

Be My Guest

he sold as a yearling at Goffs in 1975 and he went on to capture the G2 Waterford Crystal Mile, the G3 Blue Riband Trial and the G3 Desmond S. for trainer Vincent O'Brien. Be My Guest began his stud career at Coolmore in

1978 and sired classic winners Assert (Ire) and On the House (Fr) from his first crop. The champion sire of 1982, he is also the sire of Group/Grade I winners Free Guest (GB), Luth Enchantee (Fr), Double Bed (Fr), Go and Go (Ire), Pelder (Ire), Pentire (GB) and Valentine Waltz (Ire). "Be My Guest played a key role in the establishment of Coolmore as a major force in the European stallion business," said Coolmore manager Christy Grassick. "An instant success at stud, he was champion first-season sire in 1981 and champion sire in Europe in 1982--when his first crop were only three. That first crop included Irish and French Derby winner Assert, as well as Irish 1000 Guineas winner On the House, and following their early success, he has never looked back. Numerous champions over a variety of distances have followed, among them Dermot Weld's Belmont S. winner Go and Go and King George winner Pentire. He is also, of course, broodmare sire of our own Rock of Gibraltar (Ire), for whom we have great hopes." In addition to Rock of Gibraltar, Be My Guest is the broodmare sire of Group/Grade I winners Shamshir (GB) (Kris {GB}), Principality (Aus) (Victory Prince {Aus}), Stateway (SAf) (Free State {Ire}), Tomba (GB) (Efisio {GB}), Bachir (Ire) (Desert Style {Ire}), John's Call (Lord at War {Arg}) and Holding Court (GB) (Hernando {Fr}).

Eurosilver Breezes:

One of the top prospects for the Kentucky Derby, **Eurosilver** (Unbridled's Song) breezed five-eighths in 1:02 at Palm Meadows Wednesday. The Buckram Oak colorbearer, a handy winner of his seven-furlong 2003 bow Feb. 4, is being pointed for the Mar. 13 GIII Swale S. at the same distance. "If we get two seven-eighths [races] into him, there will be more in the tank," trainer Nick Zito told *Daily Racing Form*. "We won't have to worry about

Eurosilver Horsephotos

not having enough bottom."

Eurosilver will head to Kentucky following the Swale in order to target the GI Blue Grass S. Apr. 10. The dark bay colt captured the GII Lane's End Breeders' Futurity at a mile and a sixteenth at the Lexington oval last fall.

Halfbridled Breezes:

Champion **Halfbridled** (Unbridled) worked seven furlongs in 1:24.80 on fast track at Santa Anita yesterday morning. The undefeated three-year-old filly, last seen taking the GI Breeders' Cup Juvenile Fillies, makes her 2004 debut in the Mar. 13 GI Santa Anita Oaks. Trainer Richard Mandella's reaction to the move was, "Fabulous. She couldn't look better." Exercise rider Crystal

Brown was aboard for the move. Her regular jockey, Julie Krone, who has been sidelined by back pain since making a one-day comeback Feb. 11, had been expected to be in the saddle, but Mandella explained, "I told Julie I probably wouldn't work Halfbridled until [Friday], but the weatherman on the radio [Thursday] morning said, 'rain tomorrow night but don't trust anybody.' So I figured I'd better work her before it rains again." Mandella also breezed GI Breeders' Cup Juvenile runner-up **Minister Eric** (Old Trieste). Pointing for his turf bow in the Feb. 28 GIII Baldwin S., the colt went six furlongs in 1:12.40.

GULFSTREAM PARK BREEDERS' CUP H.-GI, \$250,000, 3yo/up, 1 3/8mT

Nine-year-old **With Anticipation** (Relaunch) prepped for the Grade I event Thursday morning at Gulfstream Park, going five furlongs in 1:00 3/5 on the dirt with jockey Pat Day aboard. "It was an excellent work, although there was a little miscommunication with the way it turned out," trainer Jonathan Sheppard said. "He was supposed to break off two or three lengths behind a pair of horses and catch them at the wire, but they got away from him a little bit more and he didn't quite catch them. He did catch them galloping out, however, and the time was very good. It's as good as the other times he's had recently, so I'm very, very happy with it." The gray gelding made his 2004 debut in a Gulfstream allowance test Feb. 5, finishing third. "He's very satisfactory and doing well," Sheppard said. "Whether he's still up to [the Grade I] level, we'll have to find out Sunday." The Pennsylvania-bred **With Anticipation** has won 15 of 48 starts, including five Grade I races and has earned \$2,660,543.

STORM FLAG FLYING NEARS RETURN **Storm Flag Flying** (Storm Cat), the champion two-year-old filly of 2002, is ready to make her 2004 debut.

The Phipps-bred filly worked at Palm Beach Downs Tuesday, going a half in :48 4/5. "It was a good work," trainer Shug McGaughey said. A perfect four-for-four at two, Storm Flag Flying capped the campaign with a half-length victory in the GI Breeders' Cup Juvenile Fillies, but was beaten in both starts at three. The dark bay was second in the Gill Comely S., then went to the shelf after running sixth in the June 6 GI Acorn S. "We'll try to find an allowance race now," McGaughey said. "I hope she's back to where she was two years ago. She's worked so well...we'll just have to see."

RECORD TIDE (c, 4, Montbrook--Sennen Cove, by Cox's Ridge) was unsuccessful in two attempts last summer while racing in upper-level claiming events at Saratoga before being sent to the sidelines. NJ Racing Commission Approves OTB Proposal:

The New Jersey Racing Commission Wednesday approved an agreement that could pave the way for as many as 15 off-track betting facilities in the state. The plan still has to get the OK from the state attorney general, and local approval will be needed for each of the individual OTB sites. Greenwood Racing, currently the only licensed OTB operator in New Jersey, hopes to have four facilities up and running within a year, all in the southern half of the state. The New Jersey Sports and Exposition Authority, which awaits licensing, will be able to operate up to nine OTBs in northern Jersey.

NTRA Players' Panel Makes Recommendations:

The National Thoroughbred Racing Association's Players' Panel, headed by author and handicapper James Quinn, yesterday unveiled a position paper that outlined a number of recommendations to the industry. The Panel studied eight areas of concern, including the integrity of pari-mutuel pools, take-out rates, taxation, uniform medication and testing policies and customer service. Among their recommendations was the deregulation of take-out rates, giving the tracks the authority to establish and adjust the rates under the oversight of the racing boards and state commissions; an increase in the federal withholding threshold on racetrack winnings from the current level of \$5,000 to \$25,000; a decrease for federal withholding on winning bets from bets paying off at 300-1 to those that pay off at 750-1; and a short delay in post time when there is a horse scratched at the gate, to give bettors time to cancel or change their wagers. The full report is available at: www.ntra.com/news.asp?type=features&id=11010.

PHOENIX SUFFERS SETBACK Conditioner Andrew Balding yesterday revealed that G1 Canadian International winner **Phoenix Reach** (Ire) (Alhaarth {Ire}) has sustained a setback and will not race until mid-summer. Off the track since taking the Woodbine feature in October, the injury-prone four-year-old has undergone surgery for a minor injury, but connections are still hopeful that he will make the G1 King George VI and Queen Elizabeth Diamond S. at Ascot July 24. "He had a bad pastern fracture and recently we discovered a bit of trouble in the same area that needed a small operation," Balding told *The Times*. "It was only minor surgery and he is back with us now, walking and swimming. It's a disappointment because we'd hoped to run him in the G1 Coronation Cup [at Epsom June 4] and that is now ruled out. His main target is the King George and he's still on course."

TATTERSALLS CATALOGS ON-LINE The catalog for the 2004 Tattersalls Breeze-Up Sale is now available on line at www.tattersalls.com. For the first time this year, the 188 lots will all breeze only once at the Rowley Mile racecourse, beginning at 9 a.m. on Apr. 13. The auction will take place Apr. 14 and 15, with both sessions commencing at 5 p.m. "Both vendors and purchasers were keen to have just the one breeze the day before the sale itself and we feel it will benefit all parties," explained Tattersalls Chairman Edmond Mahony. "For a while the vendors have felt that the first breeze served no obvious purpose, and with the quality of the sale improving all the time, the new format will also allow buyers to have seen all lots breeze before the start of the sale, while also providing more time to inspect and vet prospective purchases." The printed version of the Breeze-Up catalog will be available after Feb. 26.
