INJURY WON'T DERAIL ACTION THIS DAY

Two-year-old champion **Action This Day** (Kris S.) remains on course for the May 1 GI Kentucky Derby after suffering a minor injury when seventh in the GII San Felipe S. Sunday at Santa Anita, trainer Richard Mandella reports. During the running of the race, Action

Action This Day Benoit photo

This Day was struck by the toe grab of **Laditude** (Lil's Lad), who threw jockey Mike Smith out of the gate. The Eclipse winner suffered a gash in the area above the ankle on his right hind leg that required stitches. "His skin was sliced," Mandella said. "We're just lucky it didn't go into his tendon. He took some

stitches, but it looks like he will be fine. This won't be too much of a setback." Mandella believes the incident caused Action This Day's disappointing performance, his second out-of-the-money finish since winning the GI Breeders' Cup Juvenile. "I'm sure that's what happened," he said. "The other horse's toe grab went right through his skin and that had to cause him problems." Mandella said he would still like to make the Apr. 3 GI Santa Anita Derby, but added it's possible the colt will instead run a week later in one of the Derby preps offered Apr. 10 due to the incident. "We might need an extra week now," he said. "It depends on how quickly he bounces back."

SUNDAY REVUE

Classics hopeful **Move of Sunday** (Jpn) (Sunday Silence) forged to the head of the sophomore filly division with a workmanlike win in Sunday's G2 Hochi Hai Fillies Revue at Hanshin. Move of Sunday kicked off her career with a facile maiden score in January before taking the Moegi Sho one month later in her most recent start. Sent off the second choice for her graded stakes debut, the filly did not disappoint. Held in a tracking third early, she took over midstretch and remained game in the final strides to win by a comfortable margin over a closing **Maltese Heat** (Old Trieste). "She is a very powerful filly," said winning jockey Katsumi Ando. "She wanted to go faster early, but she relaxed turning for home." The filly will be pointed toward the G1 Japanese 1000 Guineas Apr. 11.

American Contingent Arrives in Dubai:

The 12-horse American contingent for the Mar. 27 G1 Dubai World Cup card landed in Dubai Sunday evening. On the flight from California were G1 Dubai World Cup contenders **Pleasantly Perfect** (Pleasant Colony), **Medaglia d'Oro** (El Prado {Ire}), **Fleetstreet Dancer** (Smart Strike) and **Domestic Dispute** (Unbridled's Song). They were accompanied by G1 Dubai Duty Free H. hopeful **Sarafan** (Lear Fan), G1 Dubai Golden Shaheen runner **Tsigane (Fr)** (Anabaa) and G2 Godolphin Mile competitors **During** (Cherokee Run) and **Excessivepleasure** (In Excess {Ire}). Multidandy Gets Shaheen Call-Up:

Hong Kong-based sprinter **Multidandy (Aus)** (Danehill) has received an invitation to contest the G1 Dubai Golden Shaheen Mar. 27 and will depart for the Middle East Mar. 20. The five-year-old gelding most recently finished fourth, beaten 4 3/4 lengths by stablemate Silent Witness (Aus), in the G1-HK Centenary Sprint Cup Mar. 13, but in his previous outing led from gate to wire to win a six-furlong event over the Sha Tin all-weather track by nearly 10 lengths. "I'm very pleased the Dubai Racing Club has invited us to run," commented trainer Tony Cruz. "Multidandy is a very good sprinter, but he saves his best for the dirt. I believe he will run a very creditable race in Dubai." Multidandy is a half brother to Knowledge (Aus) (Last Tycoon {Ire}), winner of the 1997 G1 Blue Diamond S.

A # will distinguish first-time stakes-winners, a @ will indicate first-time graded stakes-winners, a ▲ will denote a first-time Grade/Group 1 winner, a + will first-time starters, an (S) will be used for state-bred races, a (C) will be used for maiden-claiming races.

Sent off at generous odds this time, the mare settled in midpack early, rallied wide in the final stages and made it to the fore late to record the narrow score. The mare will make her next start in the G3 Fukushima Himba S. Apr. 25.

The story goes that last October, on the day after the Breeders' Cup, Bob Baffert predicted that "a son of Silver Charm is going to win the [2004 Kentucky] Derby; I just don't know who he is." Over four months later, Baffert ran Odds On and Preachinathebar--two of his four Triple Crown entries by his former star--in Sunday's San Felipe S., with the latter keeping his handler's hopes alive with a game win over the rather unlucky St Averil.

Silver Charm, of course, failed by only three-parts of a length to complete the Triple Crown in 1997 and eventually retired with earnings amounting to the staggering sum of nearly \$7 million. In the process, he had shown himself to be a model of class and consistency, finishing either first or second in 18 of his 19 starts at the ages of two, three and four (before losing a bit of his zest at five).

Notwithstanding his outstanding record on the track, it was impossible to overlook the fact that Silver Charm had changed hands for only \$16,500 as a yearling.

ASHFORD STUD

Consequently, his fee on his retirement to Three Chimneys Farm was set no higher than \$25,000--only half the amount asked for the services of Forestry, that year's highest-priced freshman sire. Whereas the Grade I-winning Forestry is by Storm Cat out of a Grade I winner from the family of Mr. Prospector, Silver Charm is one of only three Grade I winners among the sizeable number of foals sired by the Florida-based Silver Buck. What's more, none of the sires of his first three dams--Poker, Wise Margin and Faultless--had excelled as stallions (although Poker will always be remembered as the broodmare sire of Seattle Slew).

I have commented before that stallions with this type of background--where the horse's performance outshines his pedigree--tend to be less prolific sources of top performers than their blue-blooded rivals. Fortunately, there are occasional exceptions to this rule, which prompts the question of whether Silver Charm will prove to be one of them.

I think it's fair to say that buyers didn't give him the benefit of the doubt when his first yearlings came on the market in 2002. With a median no higher than \$48,500, Silver Charm had only one youngster sold for \$300,000 or more. Forestry, on the other hand, achieved a median of \$160,000, with 10 individuals selling for prices between \$300,000 and \$800,000.

Although Silver Charm failed to come up with a stakes winner with his first runners last year, there was still plenty of cause for optimism. As many as 16 of his 31 runners were successful, with Deb's Charm, Charming Jim and Consecrate all proving worthy of inclusion in the Experimental Free Handicap, while High Silver was also stakes placed.

The total of winners is continuing to rise this year, as has his number of stakes performers, most notably thanks to Consecrate and Preachinatthebar. Consecrate has twice finished a creditable third behind Imperialism in graded company, running like a horse with a future over longer distances in the GII San Rafael S. Preachinatthebar then showed the benefit of his recent third in the Sham S. by becoming his sire's first stakes winner in the San Felipe.

The chances are that there will be plenty more to come. Buyers showed Silver Charm more respect at last year's yearling sales, paying a median price of \$68,500, with four colts selling for sums between \$300,000 and \$675,000. No wonder his 2004 book filled quickly.

All horses in the *TDN* are bred in North America, unless otherwise indicated

Sixteen juvenile winners was an impressive total for a horse like Silver Charm. Admittedly, he matured quickly enough to race three times during August and September of his juvenile season, notably landing a head win in the GII Del Mar Futurity over seven furlongs, but he was rated eight pounds inferior to Boston Harbor. He clearly improved between the ages of two and three, as might be expected of a horse of his imposing physique. He stands 16.2 hands, as did his sire Silver Buck, and his grandsire Buckpasser was taller still, at 16.3.

Silver Charm, while possessing the speed to run very well over seven furlongs as a three-year-old, was ideally suited by a mile and a quarter, as he showed with his victories in the Kentucky Derby and Dubai World Cup and his close second in the Breeders' Cup Classic. It's going to be interesting to see whether Preachinatthebar can follow suit, especially as he is out of a mare by Silver Deputy. Even though Silver Deputy enjoyed mile-and-a-quarter success with Silverbulletday and Archers Bay, I tend to associate his name more with speed than stamina.

Preachinatthebar's dam, Holy Nola, inherited Silver Deputy's speed and precocity, but her tough sister Bare Necessities has done very well at around a mile and an eighth, scoring twice at the Grade III level. It is also encouraging that, as a daughter of Spectacular Bid and Theia, his second dam Shrewd Vixen was bred to stay at least a mile and a quarter. Theia was France's champion juvenile filly of 1975, when she won the G1 Criterium des Pouliches, and she was also very effective at three, when she scored at group level at up to 1 5/16 miles and ran creditably in Group 1 company over a mile and a half.

OBS KICKS OFF TWO-DAY SELECT SALE The year's fourth major sale of two-year-olds in training kicks off this morning at the Ocala Breeders' Sales Complex in Ocala, Florida, with the first of two sessions of the OBS Selected Two-Year-Olds in Training getting underway at 11:00 a.m. Officials are hoping to ride the wave of success that was set in motion by a trio of sales earlier this year--OBS February, Fasig-Tipton Calder and Barretts March--all of which enjoyed impressive gains and record-setting bids by some of the industry's most prominent buyers. Among those on offer at OBS are juveniles by top sires Awesome Again, Cape Town, Capote, Carson City, Cherokee Run, Cozzene, Deputy Commander, Deputy Minister, Distant View, Distorted Humor, Dixieland Band, Doneraile Court, Elusive Quality, Forest Wildcat, Gilded Time, Grand Slam, Gulch, Langfuhr, Mazel Trick, Meadowlake, Mr. Greeley, Petionville, Rahy, Red Ransom, Saint Ballado, Smart Strike, Smoke Glacken, Stravinsky, Tale of the Cat, Thunder Gulch, Victory Gallop and Wild Rush. BERTRANDO'S STUD CAREER IN JEOPARDY Leading California sire and Grade I winner **Bertrando** (Skywalker--Gentle Hands, by Buffalo Lark), who has been suffering from a chronic liver condition over the past five years, may be pensioned from stud duty at the end of this season. The 15-year-old stallion, who stands at River Edge Farm near Buellton, California for \$12,500, underwent surgery to remove gallstones at the Alamo Pintado Equine Clinic in December. The dark bay, who is the sire of Grade I winner Officer, covered 86 mares in 2003 and is likely to be bred to 50 mares this season. During a racing career that spanned five seasons, Bertrando won nine of 24 starts, earning \$3,185,610. Victorious in the GI Norfolk S. and second to eventual champion juvenile Arazi in the GI Breeders' Cup Juvenile in 1991, Bertrando won the GII San Felipe S. at three. At four, he accounted for a pair of Grade I wins--Pacific Classic and Woodward S.--en route to an older male championship.

Fab Freshmans Make Waves...

Freshman sires have been all the rage in recent years at the two-year-old sales, with Stormy Atlantic and Sea of Secrets each siring a world-record juvenile in their first crops. Lane's End's Stephen Got Even (A.P. Indy), whose first foals hit the track this year, bested Sea of Secrets' previous world record when a handsome gray son was knocked down for \$3.1 million at the Fasig-Tipton Calder sale last month, but that distinction lasted only two hours before another freshman, Kentucky Derby hero Fusaichi Pegasus (Mr. Prospector), was responsible for the \$4.5 million colt that went to Fusao Sekiguchi. Buyers will have plenty of options if they're hoping to snag a youngster from a very solid group of freshman sires. In addition to the seven representatives of the aforementioned Stephen Got Even, there are juveniles by Anees (Unbridled), Behrens (Pleasant Colony), Cape Canaveral (Mr. Prospector), Cat Thief (Storm Cat), Chief Seattle (Seattle Slew), Commendable (Gone West), Dixie Union (Dixieland Band), Greenwood Lake (Meadowlake), More Than Ready (Southern Halo), Precise End (End Sweep), Richter Scale (*Habitony), Tiger Ridge (Storm Cat), Yankee Victor (Saint Ballado) and Yes It's True (Is It True) in the sale.

☆ HIP HAPPENINGS ☆

Hip 76, filly, by **Greenwood Lake**--Champagne Sweep, by End Sweep

Consigned by Robert N. Scanlon, agent

Out of a full sister to GISW Dark Ending, the Feb. 20 foal posted the fastest quarter-mile time of Saturday's under tack preview, zipping the distance in :21 flat. The Florida-bred sold for \$80,000 as an OBSAUG yearling and is from the first crop of Greenwood Lake, who won the 1999 renewal of the GI Champagne S.

Hip 144, filly, by **Gilded Time**--Excellence, by Cozzene

Consigned by Sequel Bloodstock (Becky Thomas), agent

A registered New York-bred, the gray sped through a furlong in :10 1/5 in Saturday's penultimate session, the co-fastest for an eighth. Her unraced dam, Excellence, is out of the stakes-winning mare Supreme Excellence (Providential {Ire}) and is a half to graded performer Glenbarra (Vice Regent).

Hip 191, colt, by Chief Seattle--Helen's Pick, by Ruthie's Native

Consigned by Paul Sharp, Agent II

A stiff headwind didn't prevent this son of freshman sire Chief Seattle (Seattle Slew)--who made a splash at the OBS February sale with the highest-priced filly--from impressing buyers with the co-fastest work of :21 4/5 at the Mar. 6 under tack preview. Named Pete's Chief, the \$32,000 FTMSEP yearling is out of the unraced mare Helen's Pick, also the dam of Blue Marlin (Strawberry Road {Aus}), a graded winner in Peru.

Hip 300, filly, by **Tale of the Cat**--My Pride N Joy, by Taylor Road

Consigned by Hartley/DeRenzo Thoroughbreds LLC, agent

The Texas-bred bay, originally an \$82,000 TEXAUG yearling acquisition, is out of My Pride N Joy, a multiple stakes winner of \$224,787. The Feb. 7 foal was one of three juveniles who shared the bullet when she worked an eighth in :10 1/5 at the second session of the under tack preview.

Hip 414, colt, by **Precise End**--Since Time Began, by Rubiano

Consigned by Ricky Leppala, agent

From the first crop of Lakland Farm's Grade III winner Precise End (End Sweep), the \$25,000 OBSAUG yearling rocketed three furlongs in :33 4/5, the fastest move at the distance this past Sunday. The Mar. 1 foal is out of the winning Rubiano mare Since Time Began, a half to a pair of stakes winners, including GIII El Camino Real Derby winner Remember Sheikh (Sheikh Albadou {GB}).

Hip 362, colt, by **Yes It's True**--Proud Ciel, by Septieme Ciel

Consigned by Eisaman Equine, agent

Freshman sire Yes It's True (Is It True) has enjoyed a very good spring at the juvenile sales, with eight youngsters through the ring, averaging over \$170,000. Not bad for a horse who had a \$7,500 fee in his first year at stud. This colt, a \$47,000 OBSAUG yearling, is out of a three-parts sister to Grade III stakes winner Mr. Impatience (Slewpy). The Apr. 3 colt's time of :21 flat was the co-fastest at two furlongs in Sunday's under tack finale.

Notonetoquit Tops Evangeline Sale:

Notonetoquit (Toolighttoquit--Lively Rene, by Lively One), one of the 111-horse consignment of Carousel Bloodstock, as agent for the Estate of John Franks, brought a final bid of \$70,000 to top Sunday's Evangeline Downs Two-Year-Olds in Training and Pad-dock Sale in Carencro, Louisiana. The three-year-old colt, a maiden winner at Fair Grounds last December, was purchased by Dustin Vaughn and L&D Farm. Also in the Franks dispersal, multiple stakes placed **Sonofawac** (Alfaari--Illustrious Wac, by Son of Briartic) sold for \$52,000 to Layne Giliforte. The highest-priced juvenile at the sale was **Grande Diablo** (Bag--Fine Tassles, by Tasso). Consigned by Greg Champagne, with Dale Angelle as agent, the chestnut colt sold for \$42,000 to Angelle. A total of 140 horses sold for \$1,514,900 and an average of \$10,820.

TOBA and Thoroughbred Charities Unite for Charity:

The Thoroughbred Owners and Breeders Association (TOBA) and Thoroughbred Charities of America (TCA) have agreed to a strategic alliance aimed at expanding TCA's charitable programs on behalf of the racing industry. "We are excited about an expanded affiliation with TOBA," said TCA President and founder Herb Moelis. "We believe that the resources and outreach of our national owners and breeders organization will help TCA increase its awareness level and carry out its mission to the many organizations that count on our support." Founded in 1990, TCA has granted over \$8.5 million to more than 100 equine-related charities. TOBA and TCA are presently collaborating on Thoroughbred Charities' first annual charity golf tournament on Aug. 17 at Saratoga National Golf Course in Saratoga Springs, New York, which will include a live auction and raffle following the tournament.
