MANDELLA GETS HIS WORLD CUP

In the inaugural running of the Dubai World Cup in 1996, reigning Breeders' Cup Classic hero Cigar outgamed trainer Richard Mandella's Soul of the Matter to win by a half length.

The California conditioner would finish second and third the following year and sent out the runner-up in 1999. But yesterday, the Hall of Fame trainer got the monkey off his back, as defending Breeders' Cup Classic champ **Pleasantly Perfect** (Pleasant Colony) turned back an extremely game

the first in the history of the World Cup meeting. It was Paolini's first trip to the winner's circle since 2001; he had finished second in last year's Duty Free to Ipi Tombe (Zim), who had been trained by Mike de Kock.

That South African conditioner was responsible for the co-winner **Right Approach**, bred in England by The Queen, but now campaigned by a partnership which includes golfer Lee Westwood.

SUMMER TIME

Earning his first Group 1 win at the ripe old age of seven, **Polish Summer** (GB) (Polish Precedent) got up in the shadow of the wire to best **Hard Buck** (Brz) (Spend a Buck) by a half length in the G1 Dubai Sheema Classic at Nad Al Sheba. The Juddmonte Farms homebred proved he could compete at this level last season, running fourth in this event, then getting second in the G1 Grand Prix de Saint-Cloud in June and in the G1 Hong Kong Vase in December. After opening 2004 with a nose victory over Bright Sky (Ire) in the Mar. 6 G3 Prix Exbury, the veteran was sent off the choice of the U.S. bettors yesterday. *Dubai Sheema Classic cont. p3*

A NEW STAR HAS RISEN

It was a race American horses have excelled at, but few expected California raider **Our New Recruit** (Alphabet Soup) to take the 1200-meter G1 Dubai Golden Shaheen. With a late flourish that his rivals couldn't counter, however, the five-year-old John Sadler trainee--still searching for his first stakes win--staged the upset over fellow countryman **Alke** (Grand Slam), powering clear to win the world's richest sprint by two lengths.

Always Well Meant...

Purchased by trainer Richard Mandella for \$725,000 out of the 1999 Keeneland September yearling sale, **Pleasantly Perfect** required plenty of TLC early in his career, the result of an inflamed heart which always kept the bay short on conditioning. While some of his peers were preparing for the Kentucky Derby in 2001, Pleasantly Perfect was just making it to the races, but he started just once before being sidelined yet again, this time with a respiratory illness. He began to show signs of life the following season and posted four wins from eight starts, including the first of his two victories in the GII Goodwood Breeders' Cup H. All systems seemed go for a crack at the Breeders' Cup Classic, but a slight bleeding incident cost him that chance and he was instead put away for the season. Third in the GII San Antonio H. and fourth in the GI Santa Anita H. to kick off his five-year-old campaign, Pleasantly Perfect was beset by a foot injury which cost him his summer, but he returned to double up in the Goodwood before running down **Medaglia d'Oro** and Congaree to win the GI Breeders' Cup Classic Oct. 25. Given three months off, he took this year's GII San Antonio by four lengths Jan. 31 and would have gone favored in the GI Santa Anita H. Mar. 6, but he spiked a fever and was instead trained up to the world's richest horse race. As it turned out, it might have been a blessing in disguise as he attempted to become just the second horse to complete the Breeders' Cup Classic/Dubai World Cup double.

Another Perfect Performance...

Medaglia d'Oro showed his expected speed from the outside, but allowed **Fleetstreet Dancer** (Smart Strike) to set the fractions as Pleasantly Perfect raced unusually close to the early pace while hugging the inside rail. Fleetstreet Dancer still held the call as the field rounded into the three-furlong stretch, but was overtaken by Medaglia d'Oro at the 400-meter marker. Jockey Alex Solis asked Pleasantly Perfect to go with the race favorite and his mount responded in kind, drawing on even terms at the furlong grounds before outstaying his rival to the wire. "It was a dog fight all the way down the stretch," Solis commented. "I wanted to make sure Medaglia d'Oro didn't get away from me. When I cracked [Pleasantly Perfect] 100 meters to the post, he took off again."

Bittersweet Victory for Mandella...

Trainer Richard Mandella had never won the World Cup, but it wasn't for lack of trying, or for lack of success for that matter. He saddled the second and third-place finishers in 1997 (Siphon {Brz} and Sandpit {Brz}) and was runner-up again in 1999 (Malek {Chi}). But the conditioner was informed just after last night's event, that his mentor, trainer Lefty Nickerson, had passed away Friday evening. Mandella dedicated the victory to Nickerson, for whom he worked for one year. Mandella indicated that Pleasantly Perfect would now get a rest, with a long-term goal of the Breeders' Cup Classic in late October.

No Disgrace in Running Second...

Medaglia d'Oro turned in a valiant effort in defeat, with jockey Jerry Bailey offering no excuses. "It was a great race, he ran his heart out tonight," he said. "He set up comfortably, he was very positive, he kicked once and kicked again when I asked him to do so."

Fabre, who has retained

Stevens as his stable rider. The

winner will now await the G1

said. Trainer Ken McPeek, who

has been second in the Kentucky Derby and the Breed-

DEAD HEAT IN THE DUTY FREE (cont. from p1)

It came down to the wire as **Paolini (Ger)** (Lando {Ger}) and **Right Approach (GB)** (Machiavellian) surged together to give the first deadheat in the history of the Dubai World Cup meeting. Paolini, a homebred for Frau Carde Ostermann-Richter, had distinguished himself on the international stage for the last three years without actually visiting the winner's enclosure since 2001, when he captured the G1 Gran Premio di Milano in June. In the meantime, he had picked up valuable placings in Germany, Dubai, Canada, Hong Kong, Singapore and the U.S. After making just five starts in 2002, the chestnut had four outings in 2003, finishing second to Ipi Tombe (Zim) in this event and third in the G1 Queen Elizabeth II Cup at Sha Tin before finishing eighth in the G1 Prince of Wales's S. in June at Royal Ascot. He then went to Chicago for the G1 Arlington Million Aug. 16, when he was bothered severely by the wayward Storming Home (GB) before being placed third via disqualification, and had not started since. Right Approach, meanwhile, failed to blossom as a Classic prospect for The Queen in 2002, finishing third in the G3 Sandown Classic Trial before running eighth to Moon Ballad (Ire) in the G2 Dante S. He didn't race again until 2003, winning the Listed Royal Windsor S. May 12. After crossing the line third to Hawk Wing in the G1 Queen Anne S., he was put up to second when Tillerman was disqualified for a drug positive. In his final start for The Queen, the bay ran eighth in the G3 Darley S. at Newmarket Oct. 18 and was sold at Tattersalls 10 days later. He made his first start for his new connections a winning one, capturing the Listed Al Rashidiya Feb. 21. The 2000 Guineas hero Refuse to Bend (Ire) went up to set the pace as both of the eventual winners settled near the rear. Paolini came up to take over from Nayyir with Crimson Palace (SAf) in tight between horses, but Right Approach came flying up the center of the course to get things dead even at the wire. Said Andreas Wohler, trainer of the German raider, "Normally he is better with a fast race, but at the end he was flying. He really deserved to win."

Fine Effort for Palace...

Crimson Palace (SAf) (Elliodor {Fr}), having her first run for Godolphin, was pinned down on the inside for most of the race, but finished well to be fourth. "I was on the best horse, but we knew there would be no pace," said jockey Frankie Dettori. "That's life."

Firebreak got the program off to a flying start for the home team, coming from just off the pace to win this event for the second consecutive year. Lightly raced for the balance of the 2003 season, the 525,000 guineas two-year-old purchase returned to the turf to finish a well-beaten 11th in the G1 Golden Jubilee S. at Ascot June 21, was 10th in the G2 Lennox S. July 29 and ended the season with a respectable fifth-place effort in the G1 Hong Kong Mile at Sha Tin Dec. 14. Settled in midpack early as jockey Jerry Bailey committed odds-on During (Cherokee Run) to the front end, Firebreak loomed up into contention with 800 meters to run, responded when asked for his best at the quarter-mile marker and pulled away to win easily. During began to weaken with three-eighths of a mile to run and drifted back to finish sixth at odds of 4-5.

Lundy's Liability outlasted his two fellow South American-breds to take an exciting renewal of the UAE Derby. The winner of both of his South African races last year at two, including the G3 Umkhomazi S. last June, the bay was put away for the season and returned to finish fourth to Little Jim in the Feb. 5 UAE 2000 Guineas. Most recently an improved second, this time to Petit Paris, in the Al Bastikiya over track and trip Mar. 6, the Brazilian-bred was the third choice to continue his improvement. A tracking third as Petit Paris and Little Jim disputed the pace, Lundy's Liability made steady progress approaching the final 400 meters, collared the pacesetters inside the final furlong and edged clear late. Petit Paris fought back gamely along the inside to earn the place spot.

Randaroo was a very good horse under conditioner Anthony Dutrow, knocking off the Gill Valley Stream S. in just her second start as a two-year-old, but a trainer switch to Kiaran McLaughlin late last summer has prompted the emergence of one of the country's premiere sprinting fillies. She quickly reeled off three straight for her new barn, including the Oct. 4 Gill Safely Kept BC S., the Oct. 25 Gill First Flight H. and the Nov. 28 Gill Top Flight H. going a mile over this strip. The bay ran into Island Fashion in her next and could do no better than second, sixth lengths off the winner, in the GI La Brea S. at Santa Anita Dec. 27. Back to the East Coast for her next, she romped by 7 1/4 lengths over the classy Harmony Lodge in the Gill Shirley Jones H. at Gulfstream Feb. 8. Returning to the Big A, where she was two-for-two entering the race, Randaroo took most of the action at the windows and showed why, sprinting out to sensible early fractions and edging clear under her own resolve to prevail with something left. "I was just a good passenger," said winning jockey Richard Migliore. "I wasn't going to force her to go fast or slow. I just wanted to be in harmony with her. In the stretch, I just kind of let her out a notch. I never even thought about hitting her." McLaughlin indicated the GI Humana Distaff on Derby Day as the filly's next conquest. Champion Storm Flag Flying tried to keep up with the winner going into the turn, but began to lose ground soon after and wound up a well-beaten third. Diminutive Katdogawn crossed the line second best, but was awarded the victory by the stewards after odds-on Megahertz (GB) (Pivotal {GB}) veered in sharply at midstretch, interfering with a pair of rivals. The winner of last year's GII San Clemente H. at Del Mar, the bay finished seventh in the GI Del Mar Oaks Aug. 24 before getting a breather. Second by a half length in the Audrey Skirball H. at Hollywood Nov. 23, the British-bred took the Dec. 20 GII Dahlia H. by a nose and was coming into this off a runner-up finish behind Fun House in this track's GII Buena Vista H. Feb. 21. The second choice in the wagering, Katdogawn bided her time towards the back of the pack, commenced her rally along the inside on the far turn, was in need of racing room approaching the stretch then shifted to the rail for the drive. In the meantime, Megahertz was gaining momentum and circled wide into the lane, but shifted in abruptly passing the eighth pole, causing Arabic Song and Sweetshew (Theatrical {Ire}) to take up. Megahertz crossed the line one length to the good, but was subsequently disqualified. "The winner ran a dynamite race, but my mare ran a dynamite race too," commented winning rider Mike Smith. "Megahertz is a Grade I mare and she's tough. Anytime you can get within a length of her, you're on a serious horse." Katdogawn is likely to resurface sometime during the upcoming Hollywood meet.

Snorter, who ended 2003 with a turf-to-dirt allowance win at Santa Anita Oct. 18, was freshened after that effort, returning to make it two in a row in Arcadia Feb. 4. The slight choice to keep the streak going with the jump into graded-stakes company, the bay saved ground on the heels of the frontrunners as they clicked off the early fractions and made his bid from the rail as they approached the quarter pole. He had to force his way through a tight opening to join Yougottawanna, but proved he wanted it more in the final sixteenth as he edged away to his third straight victory.

Second to Cajun Beat in the GI Breeders' Cup Sprint last October, the Georgia-bred came from just off the pace to defeat Marino Marini and Dubai Golden Shaheen winner Our New Recruit in the GII Palos Verdes H. Feb. 1. **Watchem Smokey** defeated older horses by a length in the GIII Vernon O. ★ TRIPLE THREATS ★

“LEFTY” NICKERSON PASSES AWAY Trainer Victor Jethro “Lefty” Nickerson, born in Boston on Christmas Day in 1928, died Friday night at his home in Smithtown, Long Island after a lengthy illness. He was 75. Just a few hours later, his protege, Hall of Famer Richard Mandella, saddled Pleasantly Perfect to a 3/4-length score in the G1 Dubai World Cup and dedicated the win to his mentor. Nickerson started his career as a hotwalker at Suffolk Downs in 1945. “I was thrown out of school and, by the time I was in eighth grade, I was certified stupid,” Nickerson once said. “They recommended I go to the racetrack and become a trainer.” After working as a groom for five years, the New England native was drafted into the army and, while stationed in West Germany, bought an 11-year-old racehorse for \$500 and raced him for six months. He took out his trainer’s license shortly after being discharged in 1953 and went on to condition horses for top stables such as Elmendorf Farm, Harbor View Farm and Martin Wygod. The list of races he won includes the Alabama, Coaching Club American Oaks, Jockey Club Gold Cup, Marlboro Cup, Super Derby, Sword Dancer Invitational H. and Whitney H. Nickerson beat the mighty Forego twice with Big Spruce, and he handled John Henry early in his career, winning three of eight starts with the over-achieving gelding in 1979 before sending him to the California barn of Ron McAnally. But he was the trainer of record when the two-time Horse of the Year returned to the East Coast during his Eclipse Award-winning campaigns in 1980 and ‘81. Nickerson retired after suffering a stroke nine years ago, then made a brief comeback in October of 2002, but put away his stopwatch for good shortly thereafter. “Lefty could say one sentence and answer all the things I wondered about all my life,” Mandella, who was as an exercise rider for Nickerson in the early ‘70s, told *The Blood-Horse* after winning the 2003 Breeders’ Cup Classic. “I didn’t even have to ask. He just knew what to say all the time. I wanted to learn so badly, and he’s such an intelligent guy, and not only a horseman. I’d never been around anyone like him. He knew so much.” Nickerson is survived by his daughter, Barbara Smalley, and three grandsons. A memorial service is being planned.

Lion Heart to Head East?

Trainer Patrick Biancone may send **Lion Heart** (Tale of the Cat) to Keeneland for the Apr. 10 GI Toyota Blue Grass S. instead of staying in California for the Apr. 3 GI Santa Anita Derby, *The Blood-Horse* reports. Biancone said the defection of Eurosilver from the Blue Grass made a change of plans a consideration. “As of right now, we’re still on target for the Santa Anita Derby, but we are also considering the Blue Grass,” he told *The Blood-Horse*. “We’ll let him work Monday and then decide.” A perfect three-for-three after winning the GI Hollywood Futurity in December, Lion Heart suffered his first career defeat in his sophomore debut, finishing second in the Mar. 6 GI San Rafael S. He is scheduled to work five furlongs at Santa Anita tomorrow.

Lightly raced Speightstown has hit the sidelines on four separate occasions, but has come out on top in each one of his return races. After running second in the 2001 GII Amsterdam S. behind City Zip, he resurfaced 21 months later to take a Belmont allowance May 9. Last seen finishing second in the off-the-turf Jaipur H. May 26, he was made the tepid choice here. The handsome chestnut bobbled slightly at the start, dueled through a :44 4/5 half and drew off impressively to notch his first stakes victory.

CARROTS ONLY (c, 3, Defrere--Veggie, by Brocco), unplaced in one start at the Meadowlands at two, came back after a four-month layoff to beat \$32,000 maiden claimers as a 16-1 shot at Gulfstream Feb. 12. The Jersey-bred came back to be fourth in a 5 1/2-furlong allowance on the main track Mar. 12, and was trying turf and two turns for the first time as a 19-1 outsider. Jockey Robby Alvarado Jr. took the longshot right to the front, slowed the pace down to a crawl and, after six furlongs in 1:16.20, sprinted home a final quarter in :24.10. He hit the wire a half-length ahead of 16-1 Fairforforest (Forest Wildcat). Lifetime Record: 4-2-0-0, \$30,770.

AWESOME CANNONBALL (c, 4, Awesome Again-- Splash Em Baby, by Bucksplasher), off the board in a pair of turf efforts as a juvenile, made just two starts last year, finishing eighth in a nine-furlong Gulfstream special weight over the dirt in February before an off-the-turf win versus \$62,500 maidens in late March. Disregarded as a 17-1 chance in his first start in nearly a year, he jumped out to an early lead, then eased off the accelerator up the backstretch, lulling the field to sleep through six furlongs in 1:15 1/5. Left with plenty in the tank, the bay opened up a clear advantage two furlongs from home and dug in gamely to account for favored B.A. Way (Lasting Approval) by a half length. The jockey of show horse Dynareign (Dynaformer) lodged an objection against the winner, but stewards disallowed the claim. Awesome Cannonball is a half to Unruled (Notebook), MSW & MGISP, \$638,573; and Boy Genius (Beau Genius), MSW, \$430,300. Lifetime Record: 6-2-1-0, \$42,480.

The 9-2 shot raced with the pace while three wide, assumed command on the turn and pulled away to graduate by 4 1/2 lengths over firster Rectory Hill (Sky Classic). Lifetime Record: 4-1-0-1, \$24,015. O-Veranda Farm Inc. B-Formal Gold LLC Partnership (KY). T-Mario Morales.

Purse Increase at Tampa Bay Downs:

Effective Apr. 3, overnight purses at Tampa Bay Downs will get a 5-percent raise, bringing the daily purse distribution at the track to a record \$133,500. In addition, allowance winners will get a bonus of \$500 per race in Florida Owners' Association awards. The purse hike is due to a 26-percent gain in all-source wagering at the track, which has averaged \$3.1 million daily through the first 75 days of the 94-day meet. The increased handle has brought \$48 million in additional revenue to Tampa this season.

"It is particularly appropriate that we end this banner year on a high note with the purse increase and a new purse contract." Stars Out for Second Race:

Sunday's second race, a money allowance at one mile on the turf, features a stellar five-horse field. The Grade I winner **Dublino** (Lear Fan) makes her 2004 debut, as do French stakes winner **Intercontinental (GB)** (Danehill) and U.S. graded stakes winner **Noches de Rosa (Chi)** (Stagecraft {GB}).

Dublino Benoit Photo

Winner of the GI Del Mar Oaks at three, Dublino captured the GIII Wilshire H. in her first start last year before coming up second best in her next three outings. She has not started for trainer Laura de Seroux since finishing fifth in the GI Beverly D. S. Aug. 16. Jockey Jose Valdivia Jr. has the mount aboard the 5-2 morning-line second choice. Intercontinental, a full sister to champions Banks Hill (GB) and Dansili (GB) and a 3/4-sister to MGISW Heat Haze (GB), makes her U.S. bow for trainer Bobby Frankel. The bay was third to Russian Rhythm and Six Perfections (Fr) in the G1 1000 Guineas and concluded her French campaign with a fourth in the G1 Prix de la Foret Oct. 12. She is the 7-5 favorite on the morning line and will have Victor Espinoza in the irons. Noches de Rosa, winner of the GII Santa Ana H. last March, has not been out since finishing second in the GIII Yerba Buena Breeders' Cup H. May 24. Tyler Baze has the call for trainer Richard Mandella.

Courageous Act finished third beaten a half length behind champion Action This Day last September, then was placed first through disqualification in a maiden special weight Nov. 2. The Triple Crown nominee began his sophomore season with a second-place finish in an \$80,000 optional claimer Jan. 31 and followed that effort up with a third-place finish in a 1 1/16-mile allowance last time Feb. 20. On the cutback in distance here, he trailed the field early, edged closer on the far turn and rallied in the lane to earn his first stakes score. "We always had high hopes for this horse, but all kinds of things would come up," trainer Bob Baffert said. "He had a breathing problem, then I was ready to run him and he popped a little quarter crack. But finally I found this spot and thought it would be a good spot for him. He's won going long and you saw today he was just getting going there, so he's not really a sprinter. His next race I'll run him long."

The bay was given a break after a fourth to Strong Cat Dec. 26 and returned with a vengeance, crushing the opposition by 8 1/2 lengths and earning a 106 Beyer Speed Figure by covering six furlongs 1:08 3/5. Sent off as the 8-5 second choice, Boomzeeboom went lead through moderate fractions before being joined by 6-5 Minister Eric turning for home. Babodana equaled the weight-carrying record in this prestigious "heritage" handicap to defy what looked to be a disadvantageous draw based on past trends. Steadily improving at three, he arrived late on the scene in November when beating Checkit (Ire) by 1 1/2 lengths in the Listed Ben Marshall S. at Newmarket. Subsequently ninth in the Listed Churchill S. on Lingfield's polytrack later that month, he returned in the peak of fitness to scoop this valuable prize. Drawn 23 of 24, he was rushed up to stalk the early pace against the stands' side rail. Making his move passing the three-furlong marker, jockey Philip Robinson's boldness was decisive as the highweight gamely held the customary late charge of Quito in the closing stages. "He's just got a bit tired as he's got a lot of weight and he'll improve for that," Robinson commented. "He's always been a good horse and we've looked after him," added conditioner Mark Tompkins. "He's a group horse really--he's really laid back and we'll look at some group threes now."

DIVINE GIFT (GB) (c, 3, Groom Dancer--Child's Play, by Sharpen Up {GB}), successful in a seven-furlong maiden at this track in November, was sent off at odds of 9-2. Breaking well, the 45,000gns TATOCT yearling disputed the early lead with Gold History (Seeking the Gold), but had shaken off that rival inside the final quarter mile. Let loose from there, he strode clear for a convincing 3 1/2-length success. "He's a nice improving horse and he'd been working very very well," commented jockey Philip Robinson. Conditioner Michael Jarvis may now point him to the G2 Premio Parioli (Italian 2000 Guineas) in Rome May 1. Divine Gift is a half brother to Sharp Play (GB) (Robellino), Hwt. 3yo-Swi at 7-9.5f, SW-Swi & SP-Ire, \$142,232. Lifetime Record: 5-2-2-0, £6,366. Returning for the first time since finishing fourth in the Listed Doncaster S. over course and distance later that month, he was made the 4-9 favorite here.
