A LION IN THE TALL BLUE GRASS

As expected, Michael Tabor and Derrick Smith's **Lion Heart** (Tale of the Cat) will skip Saturday's GI Santa Anita Derby and instead target the Apr. 10 GI Toyota Blue Grass S. at Keenland. Trainer Patrick Biancone's decision followed the striking chestnut's work at Santa Anita yesterday, where he moved five panels in 1:01 2/5 under exercise rider Jean Claude. Lion Heart, winner of the GI Hollywood Futurity, was a game runner-up to Imperialism in his sophomore bow, the Mar. 6 San Rafael S. "He ran a very hard race in his first start

this year," Biancone explained to *The Blood-Horse*. "The Blue Grass is a better option for him right now because it gives us an extra week to have him ready to run. We don't want to worry about a bounce or anything like that. But he worked good this morning; nice and relaxed. I'm much more happy when he doesn't work too fast. We know he can go fast."

Rock, Meet Hard Place

The promising but untested **Rock Hard Ten** (Kris S.), two-for-two in Southern California, made a case for himself as a candidate for this weekend's Santa Anita Derby, ripping through five furlongs in :58 2/5 under Corey Black, jockey-turned-TVG-personality-and-sometimes-exercise-rider. It was the co-second-fastest work of 42 at the distance. Providing the Jason Orman-trained colt comes out of the work in fine fettle, he'll tackle a more seasoned field in Saturday's featured event. "That's the plan," Orman told *The Blood-Horse*. "It was a real good work and I'm happy with how he's doing. If he's good [Tuesday] and good through the week, we're all set for Saturday." *Triple Threats cont. p3*

SANGSTER HOSPITALIZED

Prominent Thoroughbred owner and breeder Robert Sangster has been hospitalized in London and is battling cancer, according to published reports. The 67-year-old inherited the Vernons Soccer Pools fortune from his father and registered his now-famous blue and green silks in Britain in 1967. Sangster has bred and raced more than 100 individual Group 1 winners. His 27 European Classic wins include two Epsom Derbys, three Prix l'Arc de Triomphe and four Irish Derbys. He co-bred and raced preeminent sire Sadler's Wells and campaigned champions El Gran Senor, The Minstrel, Assert (Ire), Golden Fleece, Alleged and Detroit (Fr). In 1975, Sangster teamed with John Magnier and trainer Vincent O'Brien for the beginnings of racing superpower Coolmore. Sangster pioneered the practice of shuttling stallions between hemispheres and his three sons, Guy, Ben and Adam, run Australia's Swettenham and Collingrove operations, as well as England's Manton.

Perugia Wells, victress of last year's G1 Seleccion (Argentine Oaks), made a winning return to the races in her first start since a disappointing finish in the G1 Copa de Plata last December. Ridden confidently by jockey Damian Ramella, the filly set a comfortable pace, with favored Luna Local (Arg) (Equalize) a tracking second. The top two distanced themselves from the rest of the field down the backstretch and Perugia Wells set sail for home and an easy 2 1/2-length victory as Luna Local tired to a well-beaten fourth. Perugia Wells was winning her second Group 1 race and stamped herself as a major contender for the upcoming long-distance events.

Nothing Halfway About Halfbridled's Work

Trainer Richard Mandella's **Halfbridled** (Unbridled) earned the bullet at Santa Anita yesterday morning when she nailed four furlongs in :47 1/5. Last year's juvenile filly champ is tightening the screws for Saturday's GI Ashland S. at Keeneland, a race expected to draw an all-star cast that could include **Ashado** (Saint Ballado), **La Reina** (A.P. Indy), and the exciting **Madcap Escapade** (Hennessy). La Reina also was on the track Monday, working a best-of-18 four furlongs in :48 2/5 over Keeneland's strip. Clockers caught the Shug McGaughey trainee galloping out five furlongs in a shade over a minute. Winner of the GIII Tempted S. at Aqueduct last fall, La Reina will be making her second start of the year after running a non-threatening runner-up to speedball Madcap Escapade in the GII Forward Gal S. at Gulfstream Mar. 13.

Birdstone Stretches Wings at Keeneland

Looking to rebound off a poor showing in the Mar. 20 GII Lane's End S., Marylou Whitney's homebred **Birdstone** (Grindstone) took a positive step Monday toward the Apr. 10 GI Blue Grass S., working six furlongs at Keeneland in a comfortable 1:15 2/5. The compact bay is being considered for the Blue Grass after the defection of stablemate **Eurosilver** (Unbridled's Song), whose training was interrupted last week when he came down with a temperature. "He's not a big horse, but his stride was incredible this morning," said Zito of Birdstone. "I was really happy with the way he went. If he works good next week, we'll stay here and run in the Blue Grass."

Pletcher, Back From Dubai, Sends Out 3YOs

Trainer Todd Pletcher, who was back in the States after saddling Alke to a runner-up finish in the G1 Golden Shaheen Saturday, sent out a trio of sophomores to their morning drills at Palm Meadows Monday. **Value Plus** (Unbridled's Song), second to Friend's Lake in the GI Florida Derby, sped through five panels in :59 flat in preparation for a tilt in the Apr. 10 GI Wood Memorial at Aqueduct. It was the co-fastest work at the distance, matched by stablemate **West Virginia** (Tomorrows Cat). GII Sanford S. winner **Chapel Royal** (Montbrook), a disappointing fourth in the GIII Swale S. in his seasonal bow, breezed four furlongs in :49 4/5.

11 Probable For Illinois Derby

The last two renewals of the GII Illinois Derby have produced Kentucky Derby winner War Emblem and top prospect Ten Most Wanted, and 11 three-year-olds are lined up to contest Saturday's running, all trying to establish themselves as legitimate Triple Crown candidates. Undefeated **Song of the Sword** (Unbridled's Song) beat GII Lane's End S. winner Sinister G in an Aqueduct allowance/optional claimer in early March and will attempt stakes company for the first time this weekend. He'll be joined by **Pollard's Vision** (Carson City), a solid third in the Mar. 7 GII Louisiana Derby, and **Suave** (A.P. Indy), whose winning time in a nine-furlong Gulfstream allowance on the Florida Derby undercard was two ticks faster than the feature. Also probable are **Farnum Alley** (Distorted Humor), **Kilgowan** (Smoke Glacken), **O.K. Mikie** (Michael's Flyer), **Skipaslew** (Skip Away), **White Mountain Boy** (Meadowlake), **Pure American** (Quiet American), **Chrome Soldier** (Demidoff) and **Dancefortyniner** (Roar).

Tiger Hunt Remains on the Shelf

Gauging the Illinois Derby as too much too soon, the connections of **Tiger Hunt** (Kris S.) will keep their charge on the shelf for the time being and wait for a more appropriate spot, reports the *Daily Racing Form*. "He's not ready to ship and run a mile and an eighth in that kind of company," explained Tiger Hunt's trainer Ralph Nicks. "We want to do what's right by the horse." Nicks noted the Apr. 10 Northern Spur Breeders' Cup S. at Oaklawn or the Apr. 17 GII Coolmore Lexington S. at Keeneland as possible comeback races for Tiger Hunt, who won the MGD Cradle S. last summer on his way to a fourth-place finish in the GI Breeders' Cup Juvenile.

When Gerald Ford and Richard Mandella paid \$725,000 for a well-bred colt at Keeneland's 1999 September Sale, they surely had every right to think that their buy had all the makings of a Triple Crown contender. After all, the colt's sire Pleasant Colony had won the Kentucky Derby and Preakness in 1981 and his broodmare sire was Affirmed, who earned immortality by taking the 1978 Crown in a series of epic encounters with Alydar.

Stamina clearly wasn't going to be a problem for the youngster, and neither should he be found wanting for speed or precocity. His dam, Regal State, had become a Group 1 winner in August of her two-year-old season by taking the six-furlong Prix Morny--a race also won by her half-sister Seven Springs. For good measure, Regal State already had a two-year-old group winner to her credit in the shape of her Miswaki colt Hurricane State, whose win came over 6 ½ furlongs.

★ Watch Out for "TDN Rising Stars" ★

Stars of tomorrow grabbing the spotlight today...

The colt--Pleasantly Perfect--has since been described by Gary Mandella as "massive," but even his size didn't rule out his developing in time to make a Derby horse. Pleasant Colony was a tall, leggy individual who stood nearly 17 hands, yet he was precocious enough to rank among the top 12 juvenile males of 1980, when he won the GII Remsen S. It was a similar story with Pleasant Colony's substantial son Pleasant Tap, who also enjoyed stakes success at two. Affirmed, too, was fairly sizeable at 16.2 hands, but he packed nine starts into his juvenile season, which yielded the first of his championships.

So much for theory. In reality, physical problems hindered Pleasantly Perfect's development, starting with inflammation of the heart as a two-year-old. Consequently, instead of becoming a Triple Crown candidate, Pleasantly Perfect had managed only one start by the end of his three-year-old days.

Fortunately for Ford and Mandella, the record of some of Pleasant Colony's previous high-class performers underlined that Pleasantly Perfect was by no means a lost cause. Now, in winning major Grade I contests at five and now six, the Diamond A colorbearer has followed in the footsteps of such as Behrens, a Grade I winner and runner-up in the Dubai World Cup at the age of six; Forbidden Apple, winner of the GI Manhattan H. at six, after gaining his first graded success at five; and Pleasant Tap, who earned his champion older horse title as a five-year-old. Other examples include Sir Beaufort, winner of the Santa Anita H. at six; Denon, who maintained his Grade I-winning form to the age of five; and Pleasant Variety, who was seven when he took the San Luis Rey S. Even Pleasant Colony's good daughter Shared Interest didn't achieve Grade I-winner status until she was five.

Sadly, there won't be too many more names to add to this list. Although Pleasant Colony died as recently as December 2002, his stud career had effectively ended a few years earlier. Having sired 35 live foals from 54 mares in 1999, he failed to get any mares in foal in 2000 and was retired at the age of 22. In other words, his youngest offspring--including the talented Spanish Empire--are now four years old. *Cont. p5*

"HIGH YIELD was a \$1-Million-plus yearling, won three G1's at two and three and hails from an ever-improving family. He'd be our pick as Leading Freshman Sire of 2004."

www.coolmore.com

Pleasant Colony is one of the Kentucky Derby winners whose stallion careers are assessed by John Sparkman in the latest issue of *Pacemaker*, the British magazine. A table of winners dating back to the 1925 hero Flying Ebony shows that only four Kentucky Derby winners have bettered Pleasant Colony's total of 75 stakes winners, these being Northern Dancer (147), Seattle Slew (108), Sunday Silence (104 and rising) and Affirmed (85).

Whereas Seattle Slew and Sunday Silence were each responsible for well over a thousand foals, Pleasant Colony achieved his admirable total with only 640 foals, which represents nearly 12 percent stakes winners. In his early years at Buckland Farm, Pleasant Colony covered books of only 40 mares until the limit was raised to 50 in the 1990 season. Had his book been larger, he would surely have become champion sire at least once—he was the only one among the top four stallions with fewer than 100 runners when he was runner-up to Danzig in 1992. Even so, Pleasant Colony struggled for respect in the sales ring, his cumulative yearling average standing at around \$185,000 to the end of 2001, whereas Danzig's figure stood at over \$450,000 over pretty much the same period. No wonder Sparkman concludes that Pleasant Colony's legacy isn't secure.

Pleasantly Perfect is presumably destined for Ford's Diamond A Farms, where he will have plenty of options thanks to a pedigree which has Raise A Native and Northern Dancer no closer than the fourth generation. He comes from the same female line as Sightseek's sire, the champion miler Distant View, whose dam is a half-sister to Regal State.

Although Pleasantly Perfect's dam is by Affirmed, his second dam La Trinite was by Lyphard, a neat, blocky son of Northern Dancer of the type which provided Pleasant Colony with plenty of success. He sired St. Jovite, Denon and Forbidden Apple from daughters of Northfields, plus the Grade II winner Colonial Minstrel from a daughter of The Minstrel and Behrens from a daughter of Mari's Book. But it wasn't just the smaller Northern Dancer-line horses which suited him, as he showed by siring the Belmont S. hero Colonial Affair and the Grade I winner Cherokee Colony from daughters of Nijinsky II.

La Trinite, while not as good a racemare as her Grade 1-winning daughters, was still good enough to finish fourth in the G1 Criterium des Pouliches. Pleasantly Perfect's third dam, the 10-furlong winner Promessa, was a sister to an unusually versatile English filly called Pia. As a two-year-old, Pia began winning in June and went on to take the Cherry Hinton S. over six furlongs and the Lowther S. over five, yet her exploits as a three-year-old included a win in the Oaks over a mile and a half and a dead-heat in the Park Hill Stakes over a mile and three-quarters.

Pleasantly Perfect and Distant View aren't the only outstanding performers from this family, as Pia became the second dam of a remarkable English colt called Chief Singer. Although very big by British standards, Chief Singer made an explosive start to his career by winning the G2 Coventry S. on his two-year-old debut and only the brilliant El Gran Senor was rated above him at three, when he showed rare versatility.

With a background like this, who is to say that Pleasantly Perfect won't eventually secure Pleasant Colony's legacy as a stallion, provided breeders treat him with the respect he deserves following his magnificent victories over Medaglia d'Oro.

BUMPY START FOR STEVENS Gary Stevens got off to an inauspicious start as retained jockey for trainer Andre Fabre at Maisons-Laffitte yesterday when he fell from **Mountain Top (GB)** (Zafonic) in the first race. Stevens, who had earlier spoken of his excitement about riding for "the greatest trainer in the world in my eyes," slipped from the full brother to Xaar (GB) exiting the stalls. Describing himself as "just embarrassed," he bounced back half an hour later to finish runner-up on **Russian Beauty** (Diesis {GB}) in the second division. However, to add to the Hall of Famer's frustration, the winner **Linguist (Ire)** (Linamix {Fr}) also hailed from the Andre Fabre stable. "I said this morning when riding out for Andre I felt like an apprentice having his first day at the races," explained Stevens. "With what happened coming out of the stalls, I looked like an apprentice! It's new and fresh and exciting and I'm looking forward to learning the language--I'll be more comfortable when I can speak French."

Le Carre graduated from handicap company to open his stakes tally at the first time of asking in the Listed Prix Scaramouche at Saint-Cloud in October. He followed up in the Listed Prix Denisy at Fontainebleau the next month and returned to finish runner-up to Forestier (Fr) in a conditions event at Saint-Cloud last time Mar. 11. Settled in a stalking fourth by Christophe Soumillon this time, the grey was angled wide for his run with Risk Seeker in the final quarter mile. As Foreign Affairs won his private battle with Grey Glitters (Fr) (Grey Risk {Fr}) on the rail, the duo in the centre of the track swooped to the front with 100 yards remaining and it was Le Carre who held the upper hand in the drive to the line.

M M PREMIER CONCLUDES ON HIGH NOTE

Following a sluggish start Sunday, Monday's second and final session of the Magic Millions Gold Coast Premier Yearling Sale showed across the board increases in average and aggregate, which helped boost overall final figures to record heights. Gross revenue during the second day increased to A\$3,059,750 for 178 lots sold, while the average rose to A\$17,190. Topping yesterday's action was hip 556, a bay colt by Belong To Me out of the Diesis (GB) mare Magical Wand. Consigned by Strathden Stud, the bay colt brought A\$72,500 from the account of K. Tinsley of Queensland. "Overall, the interest in this sale has been very strong and the support of so many interstate and international buyers has ensured the successful outcome of this sale," said Magic Millions Managing Director David Chester.
