RISING STAR AT SANTA ANITA

A headliner while racing in France, **Etoile Montante** (Miswaki) proved she could handle tough company on this side of the Atlantic as well with a game half-length victory in the GIII Las Cienegas H. at Santa Anita yesterday afternoon. First in five of her nine starts in France, the four-year-old filly was second to the sublime Six Perfections (Fr) in the G1 Prix Marcel Boussac at two and took the G1 Prix de la Foret in her continental swan song last October, but finished a troubled 11th in her U.S. debut, the Nov. 30 GI Matriarch S. She was freshened after that experience and had been working smartly for her return. Sent off the 6-5 chalk to get back to her winning ways, the chestnut pressed a swift pace, took over from the inside at the eighth pole and fought off the challenge of fellow Prix de la Foret winner **Dedication (Fr)** (Highest Honor {Fr}). "She had a perfect trip," said trainer Bobby Frankel, winning this race for the third straight year. He added that the next stop would be the May 1 GIII Distaff Turf Mile at Churchill. ON THE WARPATH

Bwana Charlie (Indian Charlie) took six starts to break his maiden, but he hasn't looked back since notching that elusive first win. The bay made it three in a row with a handy 3 1/4-length score in the GIII Lafayette S. yesterday at Keeneland. "He was pretty immature as a two-year-old and he took a while to come around physically," Scott Blasi, assistant to trainer Steve Asmussen, said. "We gave him plenty of time between his two- and three-year-old years and he's just come back brilliantly." On the board in all five starts as a juvenile, Bwana Charlie broke through with a half-length tally at Fair Grounds Feb. 8, then added an 11-length allowance score Mar. 6. Making his stakes debut in the Lafayette, he dueled **Quick Action** (Carson City) through fast fractions before pulling away in the final furlong. Favored **Tales of Glory** (Honour and Glory) rushed up to take the lead for the opening quarter, dropped back three furlongs out and raced evenly down the lane to get third. Christophe Soumillon has begun 2004 where he left off in 2003, delivering Vangelis to maintain his record in French group races this season at a healthy 100 percent. Buoyed by his successes in the G3 Prix Exbury and G3 Prix Edmond Blanc, the Belgian maestro settled the grey in mid-division off the honest early tempo set by **Weightless (GB)** (In the Wings {GB}). Asked for his effort inside the final quarter, Vangelis opened up to grab the lead at the eighth pole before turning down the game rally of **Execute** and **Thierry Jarnet**. With his four-year-old campaign highlighted by a defeat of **Labirinto** in the G3 Grand Prix de Vichy in July, Vangelis hinted that big prizes in the States were within his grasp when running a troubled seventh in the G1 Arlington Million in August. He may go for the Million again this summer, according to his owner **Hubert Guy**. "[Trainer Alain de Royer-Dupre] and Soumillon have done great jobs with this horse," commented the bloodstock agent, famed for purchasing eventual G1 Breeders' Cup Mile hero **Silic (Fr)**. "He could maybe go for the G1 Prix Ganay back here [May 2], but will probably go back to the Arlington Million, in which he was unlucky last year. It is too early to say whether he will end up in the States or not."

Monsieur Bond took a while to build on his fast-finishing sixth in the G1 2000 Guineas at Newmarket last May, but eventually found his metier at seven furlongs when winning the Listed Fortune S. at Epsom in September. After finishing runner-up in the G3 Supreme S. at Goodwood later that month, the chestnut failed to land a blow when dropped back to six furlongs, finishing fifth in the G3 Prix de Seine-et-Oise at Maisons-Laffitte in October. He suffered a luckless trip when coming from behind to be fifth in the Listed Cammidge Trophy at Doncaster on his return Mar. 27, and as a result was more prominently placed by Fergal Lynch throughout the opening exchanges of this contest. Taking command at the quarter pole, Monsieur Bond was angled over to the favored stands' rail where he turned the race into a procession, forging clear for a convincing score. Described by conditioner Brian Smart as an "exceptionally good horse with a great turn of foot," the four-year-old will be aimed at the G2 Duke Of York S. over six furlongs at York May 11.

In winning the two-mile G3 Betty Barclay-Rennen at Baden-Baden later that month, he proved that he relishes an extreme test of stamina. Held up towards the rear off the true early gallop in this contest, he quickened through a gap on the rails in the closing stages to collar Flambo and assert for the score. Olaso's dam is the winning Acatenango mare Olaya, who also produced the group-winning Ocaso (Ger). Olaya is a 3/4 sister to last year's G1 Derby Italiano hero Osorio (Ger). The 20th running of this South American championship event drew runners from Argentina, Brazil, Chile, Peru and Uruguay, but it was Peruvian longshot Comando Intimo who ran away with the win. The chestnut colt showed his versatility last season, finishing third in both the Peruvian 2000 Guineas at 1600 meters and the Peruvian Derby at 2400 meters. In his only other Group effort this year, he was a well-beaten second in the 2000-meter G3 Clasico Enrique Meiggs at Peru's Monterrico en la Red Jan. 24. Rated off the pace as an outsider in Chile, Comando Intimo saved ground around the far turn and slipped through an opening along the rail in midstretch before powering away to an impressive victory. His third dam was the champion two-year-old filly in England and Ireland in 1973.

NTRA LEGISLATIVE ACTION CAMPAIGN

Horse owners can support the NTRA's Legislative Action Campaign by checking off a voluntary \$50 NTRA contribution on their foal registration forms. The Campaign supports federal lobbying, including efforts to repeal a 30% withholding tax on wagers by foreign bettors and a 5% surcharge on American horses exported to the EU.

☆ TRIPLE THREATS ☆

Blue Grass Hopefuls on the Work Tab

A quartet of colts pointing for the Apr. 10 GI Toyota Blue Grass S. at Keeneland had their final tune-ups yesterday. **Limehouse** (Grand Slam), who broke his maiden in Lexington last year and most recently took the Mar. 14 GIII Tampa Bay Derby, went five furlongs in 1:01 1/5 at Keeneland. He worked in company with stablemate and Rebel S. runner-up **Purge** (Pulpit), who is preparing for the Apr. 10 GII Arkansas Derby. Tampa Bay Derby second **Mustanfar** (Unbridled) stretched his legs over the track as well, going an easy half in :49. Also on the tab was GI Champagne S. winner **Birdstone** (Grindstone), who went five-eighths in 1:00 4/5 and galloped out six furlongs in 1:14 2/5. The bay comes off a fifth-place finish as the 3-5 favorite in the Mar. 20 GII Lane's End S. at Turfway Park. But Blue Grass hopeful **That's an Outrage** (Quiet American), fourth in the Lane's End, had the bullet for five furlongs yesterday, going the distance in :59 3/5. He galloped out three-quarters in 1:13. "He worked super," trainer Mike Puhich said. "This horse is doing so well right now it's scary." Jockey Mark Guidry will have the call Saturday.

Santa Anita Derby Wrap-up

The colts that finished second, third, fourth and fifth in Saturday's GI Santa Anita Derby are all hoping to head to Churchill Downs for the May 1 GI Kentucky Derby, but the connections of winner, **Castledale (Ire)** (Peintre Celebre), were non-committal yesterday. "We'll know more in a couple of days," trainer Jeff Mullins said. "We have no definite plans at the moment." But Kristin Mulhall, whose **Imperialism** (Langfuhr) was moved from third into second in the race, is making travel plans. "We'll go forward with him," she said. Trainer Jason Orman would like to send **Rock Hard Ten** (Kris S.), placed third for drifting in during the stretch run, but the three-year-old may not have the earnings to get a spot in the gate on the first Saturday in May. "If we have enough money, we'll consider going," Orman said. "The disqualification might really effect us there, so we'll see. We'll probably go and train him [at Churchill] and see how he trains over the track. I'll talk to the owners today and find out more." **Quinton's Gold Rush** (Wild Rush), fourth in the nine-furlong event, will now be pointed for the Apr. 17 GII Coolmore Lexington S. at Keeneland. Trainer Steve Asmussen will take over from Mike Mitchell. "We'll try the Lexington and see how he runs there," Mitchell said. "[Co-owner Satish Sanan] wants to win the Kentucky Derby more than any other race, so if the horse is OK, even though [the Derby] is only two weeks [after the Lexington], that would be the plan." As for having to hand his charge over to a new conditioner, Mitchell said, "I have no problem with that. I'm based at Hollywood and Steve is in Kentucky, so I understand. We're all in this together and want to do what's best for the horse." GII Louisiana Derby winner **Wimbledon** (Wild Rush), fifth Saturday, is also Louisville bound. "He was too close to the pace and got a little tired," trainer Bob Baffert said. "But he's all right. We'll go on."

Tapit Works for Wood

Winchell Thoroughbreds' **Tapit** (Pulpit) breezed on the notoriously slow training track at his home base at Tapeta Farm in North East, Maryland, Saturday, going a mile in 1:47 2/5. He is slated to make his next start in Saturday's GI Wood Memorial at Aqueduct. The grey colt was scheduled to make his three-year-old debut in the GIII Risen Star S. in February, but missed nearly three weeks of training due to sore shins and was forced to pass the Feb. 15 event. He was shipped to Gulfstream Park for the Mar. 13 GI Florida Derby instead, but could do no better than sixth.

UNIFORM DRUG RULES APPROVED They failed to forge an agreement that would have merged the two organizations, but directors of the North American Pari-Mutuel Regulators Association and the Association of Racing Commissioners International voted unanimously Saturday to approve guidelines for a national uniform drug policy. The policy was developed by the Racing Medication and Testing Consortium, which is governed by a board of directors from 26 racing organizations, including the American Association of Equine Practitioners, Breeders' Cup Ltd., the Jockey's Guild, the National Thoroughbred Racing Association, The Jockey Club and the Thoroughbred Horsemen's Association. The RMTTC will now work to get the drug rules implemented in all racing jurisdictions in the U.S. Under the new guidelines, the only medication that can be legally administered on race day will be furosemide (Lasix). It will no longer be necessary for trainers to show evidence that a horse has bled before getting on a Lasix list, however, they need only state that racing on the medication would be in the horse's "best interest." There will also be legal thresholds for three other medications--phenylbutazone, flunixin and ketoprofen--but they cannot be given within 24 hours of a race. It had been hoped that the RCI and the NAPRA might be combined into a single organization during their joint conference, held Apr. 1-3 in New Orleans, but the two sides could not come to an agreement before the conference ended. "It looks like we're back to ground zero," RCI Chairman Frank Zanzuccki told *The Blood-Horse*.

Nonsuch Bay had been keeping top company, but had not visited the winner's circle since taking last year's renewal of the Banshee Breeze H. Her 2003 campaign included a third-place effort behind Sightseek in the GI Go for Wand H., as well as third-place finishes in the GIII Bed o' Roses Breeders' Cup H. and GII Fleur de Lis H. and a runner-up effort in the GIII Turnback the Alarm H. She came into this affair off a second-place finish in the Feb. 15 GIII Sabin H. over track and trip. The chestnut mare grabbed the lead with a five-wide move on the far turn and pulled clear down the lane for an easy win. "They ran away from me the first part of the race, but I just made sure I was going to get in a good position," explained winning rider Eibar Coa. "Then at about the half-mile pole, when I asked her, she just gave me something extra to run away from them and win." Trainer Frank Alexander already has his sights set on the 2005 Banshee Breeze H. "We've got to get her to win it next year," Alexander said. "I saw Azeri could win the Apple Blossom three years in a row. We'll have to keep [Nonsuch Bay] in training one more year to come back and try and win this one three years in a row." [Click here](#) for the RaceReplays.com video.

She returned to the allowance ranks to secure a 5 1/2-length victory at Santa Anita Feb. 6. The dark bay filly sat just off the early pacesetters, moved to the front between foes leaving the backstretch, overtook the tiring Pesci in upper stretch and held off the late-charging Summer Wind Dancer. "This filly's been improving all along," said winning trainer Ron Ellis. "We got a little aggressive with her in some of those La Canada races and she didn't disgrace herself at all. ONE COOL WORK

Aidan O'Brien took the wraps off 2000 Guineas favorite **One Cool Cat** (Storm Cat) after the races at The Curragh yesterday. Last year's G1 Phoenix S. and G1 National S. winner was partnered by Jamie Spencer in a mile spin with his unraced stable companion Napoleon (Ire). After watching One Cool Cat open up lengths at the end of the work, O'Brien commented that he "worked grand," explaining that it was "just a day away again" for the colt, who heads straight to the Newmarket Classic May 1. Also on show was **Grand Reward** (Storm Cat), who worked over the same strip and pulled clear of stable stalwart Shoal Creek (Ire).

STEVENS OFF THE MARK

American jockey Gary Stevens secured his first-ever winner in France at Longchamp yesterday when he successfully guided the Andre Fabre-trained **Grey Lilas (Ire)** (Danahill) to victory in the Prix du Louvre, a one-mile conditions event for three-year-old fillies. The delighted jockey told *PA Sport*: "I'm thrilled to finally land my first victory in France for Andre in front of the Longchamp public. Polish Summer's success [in Dubai] was a great moment, but this means a lot, too."

Prospect Park was a maiden when he finished third behind Lattice (Ire) and subsequent G1 Criterium de Saint-Cloud winner Voix du Nord (Fr) in the G3 Prix de Conde at this track in October. Off the mark in a conditions event at Saint-Cloud last time Mar. 11, the Wertheimer homebred found the tepid early fractions against him in this contest, running freely to halfway. Olivier Peslier contained enough energy to muster a turn of acceleration which took Prospect Park to the front at the eighth pole before holding Millemix and Christophe-Patrice Lemaire in the drive to the line. "He is very keen off a slow pace and it didn't help today," explained conditioner Carlos Laffon-Parias. "He still won nicely and will be better suited to the mile and a half of the G3 Prix la Force [at Saint-Cloud May 5]. We will see from there, but we can dream that we have a horse for the G1 Prix du Jockey-Club [French Derby at Chantilly June 6]."

Newton had a busy fall with his best effort coming in testing conditions when third, before being demoted to fourth on a technicality, in the G1 Prix Jean-Luc Lagardere at Longchamp in October. Later in the month he chased home the smart Grey Swallow (Ire) at what could yet prove a respectful distance of eight lengths in the G3 Killavullan S. at Leopardstown. Settled towards the rear throughout the early stages of this contest, he made steady progress to challenge inside the final quarter as Michael Kinane seized the advantage on Dabiroun. Battling gamely on his favored rain-softened ground, Newton wore down that rival in the final strides to provide the official Aidan O'Brien-Jamie Spencer partnership with their first stakes success.

Challenged by the hot 1-5 pick Lord Nelson (Ire) (Fasliyev) passing halfway, he was always holding that rival in the run to the line to record a 2 1/2-length score as the 9-1 second choice. Struggling to quicken on the soft ground inside the final quarter, he nevertheless showed determination to wear down the 13-8 pick Cairdeas (Ire) (Darshaan {GB}) in the final strides and score by a head. After stalking the early pace under Jamie Spencer, the 5-2 pick made smooth progress to lead with quarter of a mile remaining. IN THE MIST TOPS STRONG LAKEWOOD SALE

The multiple stakes-winning mare **In the Mist (Aus)** (Southern Appeal) attracted the top price of A\$157,500 at the Magic Millions Lakewood Stud Classic Collection Unreserved Dispersal Sale held yesterday in South Australia. The 12-year-old mare, who sold as [lot 103](#), is in foal to Fasliyev and is the dam of the promising juvenile Granma Gertey (Aus) (Danzero {Aus}). Colin McAlpine, from the Queensland nursery Eureka, made the winning bid. "She's as nice a mare as any stud would like to have," McAlpine commented. "She was a good racetrack performer whose progeny are now racing well on the track." In the Mist's weanling filly was the top-priced youngster at the dispersal. Selling as [lot 10](#), the chestnut out of the popular young stallion Encosta de Lago (Aus) was purchased for A\$105,000 by Magic Millions, acting as agent for a local client. In all, 126 lots sold for an aggregate of A\$2,226,500 and an average of A\$17,671.
