BEWITCHING MERIDIANA

The rains that saturated Keeneland's turf course yesterday couldn't dampen the spirits of the connections of **Meridiana (Ger)** (Lomitas), who fought tooth and nail in the in the final stages of the Gill Bewitch S. to gain the narrow victory over **Alternate** (Seattle

Slew). The globe-trotting filly, a winner at the Listed level in Germany in 2002 before triumphing in the G1 Oaks Italia last year, finished out of the money in her first three starts in the United States, but appeared to appreciate the easier company this term. Fourth in a Gulfstream allowance test Feb. 12, the filly won her two latest, including a front-running score in the 12-furlong GII Orchid H. over that track Mar. 21. Settled off the pace in fourth this time, the chestnut momentarily lacked room a quarter mile out and was forced wide, but soon found room and made her way over to the rail. Unyielding in deep stretch, the Meridiana battled closing **Alternate** (Seattle Slew) late and held a nose advantage at the wire. **Click for the [brisnet.com](http://www.brisnet.com) chart.** **Click for the [video race replay.](#)**

Stevens To Remain in France Derby Weekend

Jockey Gary Stevens will remain in France instead of returning to the United States to ride in the GI Kentucky Oaks Apr. 30 and the Kentucky Derby May 1. Originally slated to ride **Preachinathebar** (Silver Charm) in the Derby, who currently ranks 21st with \$159,000 in graded stakes earnings, Stevens opted to remain in Europe to ride for trainer Andre Fabre. A start for Preachinathebar still remains uncertain, however, because only the top 20 ranked horses will make it into the Derby lineup. Trainer Bob Baffert has yet to confirm a replacement for the colt. With the absence of Stevens, the ride on Oaks starter **House of Fortune** (Free House) has also been transferred to a new rider. The Ron McAnally-trained filly, who is scheduled to ship to Louisville Monday, will be partnered by jockey Shane Sellers in the nine-furlong Classic for fillies.

'Footnotes' Impressive in Final Florida Work

Read the Footnotes (Smoke Glacken), winner of the GII Fountain of Youth S. Feb. 14, blazed five furlongs in :59.60 Wednesday morning at Palm Meadows Training Center. The move was the fastest of five works recorded at the distance yesterday. "He went in :59 3/5 and [galloped galloped out [six furlongs] in 1:11 and two or three, depending on whose watch had him," said trainer Rick Violette Jr. The tuneup, which will probably be the last for the bay in South Florida, was the fifth for the Klaravich Stable-owned colt since a fourth-place finish in the Mar. 13 GI Florida Derby. "[Exercise rider Morna McDowall] never asked him to run," noted Violette, who was elated with the work. "He has not missed a step. When everything goes right, it's a little scary." According to Violette, Read the Footnotes is scheduled to leave Palm Meadows for Louisville Friday morning.

Tapit Breezes In Maryland

Ronald Winchell's GI Wood Memorial winner **Tapit** (Pulpit) continued his unorthodox march toward the Kentucky Derby with a five furlong breeze in 1:00.60 over the turf at Tapeta Farm in North East, Maryland. Jockey Ramon Dominguez was in the irons. According to trainer Michael Dickinson, the gray began his work four lengths behind three stablemates before passing those horses late and finishing the move two lengths in front. Dickinson said that Tapit is set to ship to Churchill Downs Apr. 27. Tapit will try to become the first Derby winner in 84 years off of only four previous career starts.

Pastoral Pursuits, Pearl of Love Out of Guineas

While most of the main protagonists stayed in place for the £300,000 G1 2000 Guineas at Newmarket May 1, the most notable withdrawals at yesterday's forfeit stage were the G1 Gran Criterium winner **Pearl of Love (Ire)** (Peintre Celebre) and G3 Sirenia S. scorer **Pastoral Pursuits (GB)** (Bahamian Bounty {GB}). The defection of Pastoral Pursuits, who has been on the shelf since taking the Sirenia at Kempton in September, comes just one day after trainer Hugh Morrison issued an upbeat bulletin outlining his intentions to run. The absence of Pearl of Love leaves trainer Mark Johnston without a runner in the mile Classic.

DISTORTED HUMOR COLT SETS OBS RECORD A chestnut colt by third crop sire Distorted Humor closed out the third day of action at yesterday's Ocala Breeders' Company's Spring Sale of Two-Year-Olds in Training yesterday with a record setting \$975,000 final bid. Consigned by the red hot Niall Brennan, who also consigned the \$3.3-million sale topper at Keeneland's juvenile sale earlier this month, the colt was purchased by John Ferguson. The colt, who posted the co-fastest eighth work of :10 flat, is among the final offerings from the Estate of famed horseman John Franks. The Apr. 7 colt, named Princely Humor, is out of the Zuppardo Prince mare Zuppardo Ardo, winner of the GII Humana Distaff. The record price eclipses the previous mark of \$550,000, realized in 1998 and 2001, paid for a two-year-old at this sale. For the session, 200 horses sold for a total of \$6,501,000, a staggering increase of 95 percent. During last year third session, 172 juveniles brought \$3,337,700. Average price rose 67.5 percent to \$32,505, up from \$19,405 last term, while median jumped to \$20,000, an increase over the \$11,500 figure in 2003. Showing strength from top to bottom, the buyback percentage dropped to 17 percent from 30 percent one year ago. The sale concludes today.

Blazing Count skipped like a stone over a soupy Keeneland track and sustained his speed from start to finish, something the veteran had failed to do in his last few starts. Two back, he made the pace for four panels in a seven-furlong \$20,000 starter allowance at Churchill last November, but tired to be a well-beaten third. The bay was given a nearly six-month rest before his 2004 debut, when he offered a repeat performance, tiring as the pacesetter to be fifth in an \$80,000 optional claimer at Oaklawn Apr. 2. Sent to the fore under jockey Shane Sellers, Blazing Count dueled Cojet into submission through fractions of :22.10 and :45.74, then splashed home well clear.

Kitty Knight, victress of a \$75,000 optional claimer at Gulfstream Jan. 11, faltered badly when tossed into the Feb. 8 Gill Shirley Jones H., finishing seventh, and again found the competition too tough when eighth going two turns on the grass in a high-priced optional claimer Mar. 5. Returned to the main track and to sprinting for her next, she ran a game second at Gulfstream Mar. 20 and was a well-respected second choice in her first start in New York since last summer. Laying just off the pacesetting favorite Literary Light (Ide), Kitty Knight forged to the lead two furlongs out and was never threatened on her way to victory.

The 6-5 chalk gave her backers a few scary moments as she trailed the five-horse field early, but the bay reeled in her rivals in the stretch to get up for a 3/4-length tally over Dreamdreamforme (Sword Dance {Ire}). KON TIKI (c, 4, Grand Slam--Far to Fly, by U. S. Flag), a half to Testafly (Deputed Testamony), MGSW, \$413,116, had faced talented foes in his maiden races, finishing runner-up to subsequent standouts Peace Rules and Stroll as a two-year-old before graduating in his first start at three. The \$130,000 KEESEP yearling was sidelined following a third at Belmont last June and returned to finish fourth in a local allowance Mar. 6. Bet down to 3-5 to turn things around this time, the bay had things his own way on the front end and kept rolling for a 3 1/4-length success. Lifetime Record: 8-2-3-1, \$76,360.

Frisky Spider Sharp at Gulfstream:

Frisky Spider (Frisk Me Now), ninth in the Mar. 13 GI Florida Derby last time out, worked six furlongs in 1:10 4/5 at Gulfstream Park yesterday. The three-year-old will drop back to six furlongs for his next race, the Francis "Jock" LaBelle Memorial S. at Delaware Park May 1, but trainer Bob Durso believes he will be able to handle a route of ground in the future. "He's going short right now, but I just can't believe he can't go two turns," Durso said. "When he works like he did today, I'm sure he can get a distance."

Unfazed by the 18-month layoff, handicappers sent the bay off as the 9-5 pick and saw their faith rewarded. Sandra Clark Passes Away:

Sandra D. Clark, owner of Glen Echo Farm in Cynthiana, Kentucky, died of cancer Tuesday morning. She was 64. A graduate of Pomona College, Clark moved to Lexington in 1963. She went on to breed 11 stakes winners, including Panamanian champion Papa's Bull and MSW Nat's Big Party. She also worked as a bloodstock agent, first for Cromwell Bloodstock and later on her own. A memorial service will be held at the Thoroughbred Club of America in Lexington on the evening of Tuesday, Apr. 27. In lieu of flowers, the family suggests memorial contributions to Ducks Unlimited or the Thoroughbred Retirement Foundation.

Carols Folly, Dam of Unbridled Elaine, Dead:

Carols Folly (Taylor's Falls--No Trespassing, by Bob's Dusty), dam of GI Breeders' Cup Distaff heroine Unbridled Elaine (Unbridled) and GI Ashland S. winner Glitter Woman (Glitterman), died Tuesday after suffering a ruptured intestine, reports the *Thoroughbred Times*. The 17-year-old mare was in foal to Storm Cat at the time of her death. The foal, a colt, was delivered by Caesarean section and remains at Hagyard-Davidson-McGee equine hospital in the Neo-natal Intensive Care Unit. A multiple stakes winner in 12 starts at the track, Carols Folly hit it big as a broodmare when her third foal, a filly by Glitterman named Glitter Woman, won the Ashland on her way to banking over \$1.2 million. In 1998, she delivered Unbridled Elaine, a strapping gray who upset the Breeders' Cup Distaff in 2001 and earned in excess of \$1.7 million.

White Horse Award to be Presented at Lone Star:

The luncheon, set for Oct. 28, features the presentation of the Race Track Chaplaincy's annual White Horse Award, which is given to one backstretch or racing farm worker determined to have performed the most heroic act on behalf of a human or horse. The award, accompanied by a variety of prizes, was instituted by WinStar Farm co-owner Kenny Trout. The RTCA sanctions and oversees 48 chaplains, who serve at 76 tracks and training centers across the nation.

BULL RUN (IRE) (c, 3, Daylami {Ire}--Bulaxie {GB} {GSW-Eng & GSP-Ity, \$113,759}, by Bustino {GB}), a half to Claxon (GB) (Caerleon), GSW-Ity & MSW-Eng, \$151,909, was knocked down to bloodstock agent John Ferguson for 180,000gns at the 2002 TATHOU sale. Successful over a similar trip on his only previous start at Windsor Apr. 5, Bull Run was settled in third for much of the contest and took closer order rounding Tattenham Corner. The 13-8 favorite eased to the front with 2 1/2 furlongs remaining, was safely ahead at the eighth pole and was pushed further clear of his rivals in the closing stages to defeat Bowstring (Ire) (Sadler's Wells) by a handy 15 lengths. "I was very impressed with him," commented trainer David Loder. "I felt this race had come a bit quick for him, as he doesn't eat very well at home and he's a bit of a nervous type. I couldn't be more pleased with the way he did that. He is very well balanced and loves this soft ground, and that's a big help. Since we've had this bit of rain, he's just progressed and progressed. We'll have to go home and talk to Sheikh Mohammed and see what he'd like to do." Lifetime Record: 2-2-0-0, £16,852. O-Sheikh Mohammed bin Rashid al Maktoum; B-Hesmonds Stud Ltd; T-David Loder.

EPSOM UNVEIL SPRINT BONUS

Officials at Epsom racecourse yesterday revealed that they will offer a £200,000 bonus to the connections of any horse who breaks the world record over their five-furlong track. That incentive is expected to counter the recent criticism surrounding the decision to switch the G2 Temple S. from Sandown. "If it is good ground on the day, then there is no reason why a true group-class horse shouldn't beat it," commented Clerk of the Course Andrew Cooper yesterday. Epsom's Managing Director Stephen Wallis added, "From a spectator's point of view, the visual impact of the five-furlong course at Epsom is far more appealing than seeing them in the distance at Sandown. The British Horseracing Board has given the race to us on a two-year experiment and we will be doing our best to make it work. The £200,000 bonus is part of that." The existing world record of 53.60 seconds was set back by Indigenou in 1960.

A # will distinguish first-time stakes-winners, a + will first-time starters, an (S) will be used for state-bred races, a (C) will be used for maiden-claiming races.

POST PLAN IN PLACE

Criquette Head-Maarek yesterday outlined the plan for Juddmonte Farms' **American Post (GB)** (Bering {GB}) as the colt prepares for Sunday's G3 Prix de Fontainebleau at Longchamp. That mile contest will act as the G1 Grand Criterium and G1 Racing Post Trophy winner's prep for the G1 Poule d'Essai des Poulains (French 2000 Guineas) back at that track May 16. His target after that mile Classic will be the G1 Epsom Derby June 5, his conditioner revealed yesterday. "He has won on all types of ground and, if it was very fast on Derby day, I wouldn't put that down as an excuse if he was beaten. We're not there yet, but every time he's had a race he's improved. My father [Alec] won the Derby in 1956 with Lavandin and the horse I wanted to bring here was American Post's sire Bering, but it was decided to keep him in France."
