HOUSE ON FIRE

Leitrim House (Cadeaux Genereux {GB}) wired this contest to book a return journey to this venue for the G1 Irish 2000 Guineas May 22. Always held in high esteem by his connections, he jumped from a Newmarket maiden score in August to the G2 Champagne S. at Doncaster the following month. Not disgraced when sixth behind Lucky Story in that contest, he returned to beat Milk it Mick (GB) by 1 1/4 lengths in the Listed International Trial S. on Lingfield's polytrack last time Apr. 3. Taken to the head of affairs by Mick Kinane here, he was chased all the way up the straight by **Grand Reward** (Storm Cat), but was always firmly in control, needing only to be pushed out to record a facile success. "He had to do all the donkey work, but quickened nicely," commented conditioner Brian Meehan. "The plan is to go for the Irish 2000 Guineas."

Smarty Returns Home Today

Smarty Jones (Elusive Quality), fresh off his victory in Saturday's G1 Kentucky Derby, is set to return to his homebase at Philadelphia Park sometime this evening. The Someday Farm homebred is scheduled to stretch his legs at Churchill Downs before boarding a plane in Louisville Tuesday afternoon. "He'll walk and we'll fly him back and start him back training on Wednesday or Thursday," said trainer John Servis. "[Monday] morning he was playing as he was walking around. It was a nice and cool morning, so he came out on his toes. I couldn't ask him to come out of the race any better."

Limehouse Will Skip Preakness

Dogwood Stable's **Limehouse** (Grand Slam), fourth in Saturday's Kentucky Derby, will likely skip the May 15 G1 Preakness S. at Pimlico. Explaining the decision to keep the chestnut out of the second leg of the Triple Crown, Dogwood President Cot Campbell said, "His trainer, Todd Pletcher, and I felt that he ran his usual game race to be a highly credible fourth in the Derby, with a dream trip under Jose Santos. However, it is hard to arrive at a scenario in which we win the Preakness, with the present cast of characters." Campbell indicated that the seven-furlong GII Riva Ridge BC S. on the Belmont undercard June 5 or the nine-furlong GII Ohio Derby at Thistle-down June 12 were possibilities. Campbell also said that, were there to be any "major defections" from the Preakness, Limehouse would be reconsidered for the race.

Attraction "Fine" After 1000 Guineas Win

Mark Johnston yesterday reported the Duke of Roxburghe's **Attraction (GB)** (Efisio {GB}) to be "fine" after her exertions in Sunday's G1 1000 Guineas at Newmarket. Connections are remaining open minded regarding the next target for the unbeaten filly, who beat Sundrop (Jpn) by a half-length in the fillies' classic. "We've not had chance to discuss plans yet," the conditioner told *PA Sport* yesterday. "Several things have been bandied about, but no plans have been made. She is absolutely fine, no problems."

Plans for Majestic Desert on Hold

Mick Channon has put plans on hold for Jaber Abdullah's **Majestic Desert (GB)** (Fraam {GB}, who finished ninth in the classic. "Majestic Desert didn't travel as well as she normally does and it was her class which got her as close," he told *PA Sport* yesterday. "She seems to have come out of it fine and my feeling is that she may need a good break between her races. She is a generous little filly, but this was quite soon after [winning the G3 Fred Darling S. at] Newbury." He also revealed that he was "thrilled" with the performance of the eighth-placed **Silca's Gift (GB)** (Cadeaux Genereux {GB}). "I was thrilled with Silca's Gift, who didn't get the trip after travelling well, and I am perplexed because she looked certain to stay with her performance [when winning] in the G3 Nell Gwyn S. She probably needs a stiff six or an easy seven and I'll think about a race at Royal Ascot for her."

He came back to be second in the G2-JRA Diolite Kinen in March in his only other start this term and was a rank outsider here. Sent right to the lead, the five-year-old set all the pace and pulled away impressively in the final meters to light up the tote board at 71-1. It was the first Group 1 win for Yoshinami Shimizu, who has been training for 23 years, but the third straight for breeder Shadai Farm, which also took the Oka Sho with Dance in the Modd (Jpn) and the Satsuki Sho with Daiwa Major (Jpn). Shadai Farm also bred Higher Game (Jpn), winner of Saturday's G2 Aoba Sho S.

Golan EBF Mooresbridge S.

Nysaeen endured a stop-start campaign after winning this race last season due to the prevalent fast ground. He disappointed when seventh in the G2 Prix Dollar at Longchamp in October but returned in good heart to finish fifth in the G3 Prix Exbury at Saint-Cloud Mar. 6 and fourth in the G2 Prix d'Harcourt at Longchamp Apr. 4. Gradually running himself into form, he followed a fifth in the Listed Magnolia S. at Kempton Apr. 12 with a fine second to Chancellor (Ire) in the G3 Gordon Richards S. at Sandown last time Apr. 24. On that occasion connections employed a change of tactics from his usual front-running style, holding him up to use his turn of acceleration as a potent late force. Adopting that style again here, he traveled easily in fourth before cruising to the front with 1 1/2 furlongs remaining and quickening clear for a convincing score. Last year's G1 St Leger winner Brian Boru (GB) (Sadler's Wells), sent off the 5-4 favorite, raced prominently but was soon under pressure in the straight before fading tamely. Connections revealed that the G1 Prix de l'Arc de Triomphe at Longchamp Oct. 3 is the long-term target.

When Haafhd lined up as one of the favorites for the 2000 Guineas, this Captain Kirk of the horse world was attempting to boldly go where no member of his immediate family had gone in recent years: the winner's enclosure after an English classic.

His half brother Munir had started third favorite for the 2000 Guineas three years ago, but failed to reproduce the form which had seen him easily beat the Guineas third Frenchmans Bay to win the G3 Greenham S. Munir finished sixth. Haafhd's sire Alhaarth had also tackled the 2000 Guineas in 1996, finishing only a modest fourth as the 2-1 favourite.

Although Alhaarth's stoutly bred sire Unfuwain was never a candidate for the Guineas, he started second favourite for the 1988 Derby, only to turn in the one disappointing effort of his distinguished career in finishing seventh. I should add though that Unfuwain did sire an English classic winner in Lahan, who took the 1000 Guineas, a race also won by Unfuwain's second dam, Highclere.

Haafhd's dam Al Bahathri was also a classic contender. This wonderfully game front-runner started at 11-1 for the 1985 1000 Guineas, following an unexpected defeat in her trial, but showed her true worth at Newmarket. She flashed across the line in a three-way photo which showed her to be a short head behind Oh So Sharp, who went on to complete the Fillies' Triple Crown. Classic success didn't elude Al Bahathri, as she triumphed in the Irish 1000 Guineas three weeks later.

Haafhd's broodmare sire Blushing Groom would no doubt have won the English 2000 Guineas in 1977, but went instead for the French version, in which he easily recorded his fifth Group 1 success. Of course, Blushing Groom proved to be every bit as exceptional at stud, as witnessed by his whopping total of 92 stakes winners from 512 named foals. One of his finest achievements was to sire Unfuwain's brilliant half brother Nashwan, who became the only horse since Nijinsky II to win both the 2000 Guineas and the Derby. Haafhd's owner-breeder, the astute Hamdan Al Maktoum, has wisely decided that there isn't sufficient stamina in his colt's pedigree to attempt to match Nashwan's feat.

The fact that Unfuwain was a half brother to Nashwan played an important part in his stallion career, which was arguably more productive than Nashwan's. Breeders inevitably sent daughters of Blushing Groom to Unfuwain at the Nunnery Stud in Norfolk and were quickly rewarded. This pairing's first good winner, from Unfuwain's second crop, was the two-year-old group winner Mamlakah. The cross enjoyed further stakes success with Arabride, Ghaali, Shamikh, Elmutabaki and Kind Regards. These six stakes winners came from a total of only 19 foals bred this way--an eye-catching 32 percent--and Unfuwain also sired two stakes winners from mares by Blushing Groom's son Crystal Glitters.

Although daughters of Blushing Groom are now a dwindling breed, a few of them have been sent to Alhaarth in his first early years at Sheikh Hamdan's Derrinstown Stud in Ireland. Haafhd is the best of the four foals bred this way, which also include a Listed-placed filly, and Alhaarth has also sired Arabic Song, a graded-placed stakes winner in the U.S., from a mare by Blushing John.

I am delighted to see Alhaarth doing so well as a stallion, as he retired at only IR7,000 guineas after failing to scale the heights which once seemed likely. Alhaarth's original trainer, the late Dick Hern, was happy to race classically bred horses as two-year-olds and he produced Alhaarth as early as July. Starting favourite for a classy maiden race at Newmarket, Alhaarth won by a neck from the future 2000 Guineas winner Mark of Esteem. Alhaarth was kept quite busy by English standards, having a further four races over seven furlongs and he won them all. His victory over the previous Group 1 winners Danehill Dancer and Tagula in the G1 Dewhurst S. was good enough to earn him the title of Europe's champion two-year-old and the position as winter favorite for the 2000 Guineas and the Derby.

Alhaarth was to finish only fourth in the 2000 and fifth in the Derby and he'd suffered six straight defeats by the time he successfully ended his sophomore campaign in the G2 Prix du Rond-Point over a mile. After being switched to Godolphin, he collected Group 2 successes in Ireland and France in 1997, in the process proving that he stayed a mile and a quarter. The fact that he was rated 13 pounds below the best of his age both at three and four took some of the gloss off his shining juvenile record, hence his comparatively modest opening fee.

That fee stayed static for four years, so all of Alhaarth's four crops of racing age were sired at this low fee. In the circumstances he has done extremely well to sire seven group/graded winners from the 184 foals in his first three crops. This is nearly 4 percent group winners, which is very good by today's standards. It is also interesting that he has sired a wide variety of stakes performers. Although Unfuwain is generally an influence for stamina, Alhaarth's dam Irish Valley is a grand-daughter of the very fast Sly Pola. Consequently, it isn't so surprising that he has sired Dominica (G2 King's Stand S. over five furlongs), Misterah (G3 Nell Gwyn S. over seven), Haafhd (a classic winner over a mile) and Hoh Buzzard (a Grade II winner over 8 1/2 furlongs), in addition to Phoenix Reach (G1 Canadian International over 1 1/2 miles), Bandari (G2 Great Voltigeur S. over 1 1/2 miles) and Maharib (G3 Curragh Cup over 1 3/4 miles). It should also interest American readers that Phoenix Reach, Hoh Buzzard, Arabic Song and Cellamare have all scored at stakes level on turf in North America.

With his first crop doing well on the track in 2001, Alhaarth stood the 2002 season at the slightly increased fee of €12,000 (IR9,000 guineas). He was then quickly booked full at a fee of €20,000 in 2003 and it was the same story this year, with his fee raised to €25,000. The size of his book has also increased, rising from around 80 mares in his first four years to 115 in 2002, so there is every reason to think that Alhaarth's record is going to get better and better.

Al Bahathri is visiting Alhaarth again this year at the age of 22. She also has a yearling colt from the second crop by King's Best. She has only a handful of surviving daughters, but one of them, the Zafonic filly Almurooj, produced Judhoor, a Listed winner over six furlongs, to Alhaarth. Another daughter, Alyakkh, is represented in the Shadwell stud book by Nafisah, a very useful middle-distance filly inbred 3x5 to that very good broodmare Generals Sister, the fourth dam of Haafhd. One of the best recent American representatives of this very good family was Spanish Fern, the ill-fated Yellow Ribbon S. winner, who was out of Al Bahathri's sister Chain Fern.

Sujimoto took his record to a perfect three for three in the mud here, sitting in a stalking second before taking command with 1 ½ furlongs remaining and staying on in courageous fashion. "This is a horse I've always liked, but because he was growing a lot at two, he couldn't start earlier," conditioner Jean-Claude Rouget said of the colt, who had registered two easy scores at Bordeaux this spring. "This was tougher for him today, but he showed courage to come through."

Held up in last place by Iloritz Mendizabal off honest early fractions, she found a gap up the inner before quickening to the front inside the final quarter and winning easily. DUKE OF VENICE (c, 3, Theatrical {Ire}-Rihan, by Dayjur) was an impressive 13-length maiden winner for Mark Johnston when carrying Sheikh Mohammed's silks at Sandown last September, but failed to land a blow when 10th in the G1 Dewhurst S. at Newmarket on the final start of his juvenile campaign in October. After finishing second to Snow Ridge (Ire) in a race-course gallop at Nad al Sheba, the \$75,000 KEENOV weanling and \$300,000 KEESEP yearling was sent off the 4-6 pick to take this en route to better things. Settled in second by Frankie Dettori throughout the early stages, he quickened past the long-time leader Happy Crusader (Ire) (Cape Cross {Ire}) passing the quarter pole before being coaxed to a 1 3/4-length score. The winner is a €30,000 GOFORB yearling purchase. Lifetime Record: 2-1-0-0, £5,616.

From there, the 5-2 second choice turned the race into a procession, quickening clear in the testing conditions to record an emphatic 11-length success.
