CLEVER TRICK DEAD AT 28

Leading sire **Clever Trick** (Icecapade-Kankakee Miss, by Better Bee) was euthanized June 5 at Glencrest Farm after he suffered massive kidney failure. The 28-year-old stallion, who stood his entire stud career at Glencrest, was found on the ground Saturday, and after

it was determined that he was suffering from renal failure, he was humanely put down. Clever Trick will be buried at the farm alongside Glencrest stallions Full Out and Booklet. "It's like losing a member of the family," said David Greathouse, co-owner of Glencrest. "He was such a great stallion, a real icon." A winner of five stakes races at two, including the Marlboro Nursery S. and Sugar Bowl H. as well as a third in the GI Laurel

Futurity, Clever Trick scored in the Bachelor S. and Thomas D. Nash Memorial H. at three. Clever Trick came back the following season to take the Gravesend H. Retired to Glencrest Farm in 1981 with 18 wins from 29 starts and earnings of \$419,787, Clever Trick was leading freshman sire with 18 juvenile winners in his first crop, which included Phone Trick. Track record setter Phone Trick sired Horse of the Year Favorite Trick and champions Phone Chatter and Caller One. In total, Clever Trick produced 67 stakes winners, 63 stakes placed horses, 622 winners and his progeny amassed \$43.5 in earnings. To date, his daughters have produced 75 stakes winners, led by America's #2 freshman sire Yes It's True. At the conclusion of 2003, he was ranked fourth, only behind Sadler's Wells, Mr. Prospector and Mr. Leader, by lifetime winners.

ARC TOP OF NORTH LIGHT'S AGENDA

Connections of **North Light (Ire)** (Danehill) are aiming their G1 Epsom Derby hero at the G1 Prix de l'Arc de Triomphe at Longchamp Oct. 3, which may preclude a visit to Doncaster for the G1 St Leger Sept. 11. After the Weinstock Family's colorbearer took Saturday's Classic by 1½ lengths from Rule of Law, the G1 Irish Derby at The Curragh June 27 was named as his next target. Ballymacoll Stud's Manager Peter Reynolds was looking further ahead as he revealed to the *Racing Post* that although "he is bred to get a Leger," that race may take the edge off the colt for the Arc. Recalling the defeat of Sun Princess (GB) in the Arc after that filly had won the St Leger in 1983, he said, "Sun Princess won the St Leger, but Lord Weinstock always reckoned it cost her the Arc. That's another reason why you might just not go for it. As far as I'm concerned, the Arc has always been the race. It would be nice to get there, but it's so far away." (*news cont. p4*)

Top of World was top of the heap Saturday afternoon at Tokyo, earning his first graded success in this event. The colt, a maiden winner in his second start last July, took a Listed contest in March, then followed that with a third and a second in the Listed Tango S. and Listed Shoryo S., respectively. Settled just off a modest pace here, Top of World hit the accelerator in mid-stretch and sped off to find the wire 1 3/4 lengths to the good of Daiwa Bandit. "I thought the pace would be faster than it actually was, so I settled him in a forward position," explained winning jockey Hirofumi Shii. "He was bearing in through the race, but he did good job, never giving up until the line. If he runs earnestly, he'll be competitive in higher classes."

In the context of last weekend's highly poignant 60th anniversary of D-Day, horse-racing is, as my old boss Phil Bill once said, "only a piddling little pond." But it was our piddling little pond's own D-Day--Derby Day--on Saturday and the Epsom classic provided further D-Day celebration when Danzig's grandson North Light triumphed in style, just a day after Danzig's great-granddaughter Ouija Board had run away with the Oaks.

This classic double is a reminder of the exceptional contribution that the Claiborne veteran has made to European racing. Although Danzig (still impregnating mares at the advanced age of 27) hasn't been directly responsible for a winner of the Derby, his male line has now provided three winners in the space of 11 years. North Light's predecessors were Erhaab, the 1994 winner by Danzig's son Chief's Crown, and Sinndar, the 2000 hero, who is by Chief's Crown's son Grand Lodge.

North Light, of course, is by the much-missed Danehill, who was also responsible for the Oaks third Punctilious (as well as for Saturday's Grade II winner Intercontinental and for Intercontinental's brother Ca-cique, who underlined his potential with his second in the G1 Prix Jean Prat).

Danehill's Legacy...

North Light is one of seven Group/Graded winners for Danehill in Britain, France or the U.S. this year and the colt's exploits raise the possibility of Danehill finally ending Sadler's Wells' incredibly long reign as champion sire in Britain and Ireland. If Danehill does, his championship will validate his status as one of the most remarkable stallions of recent times. After all, he has already been champion sire on two occasions in France, as well as heading the Australian table numerous times, and it was by less than £10,000 that Danehill failed to beat his stud companion to the championship in 1997, when his son Desert King took the Irish 2000 Guineas and Irish Derby.

Danehill, like Danzig before him, inherited Northern Dancer's rare ability to sire major winners over a wide range of distances, ranging from the spectacular sprinter Mozart to France's top long-distance horse Westerner. North Light is his sire's fourth major mile-and-a-half winner in Europe, following Desert King, Aquarelliste and Tiger Hill (sire of four stakes-winning three-year-olds in his very pleasing first crop). As a sprinter/miler, Danehill required help from his mares if he was to get a mile-and-a-half horse in Europe. Interestingly, North Light is out of a stamina-packed grand-daughter of Blushing Groom, whereas Antonius Pius, who was so unlucky not to win this year's French 2000 Guineas, is by Danzig out of a Group 1 mile-and-a-half winner by a grandson of Blushing Groom.

The signs are that Ouija Board's highly promising sire Cape Cross is also going to be blessed with this ability to sire a wide variety of quality winners, even though he was a specialist miler with the pedigree of a sprinter/miler. Cape Cross, who had two representatives in the Derby in addition to Ouija Board in the Oaks, has no less than eight stakes winners among his 99 first-crop foals. Among the others are the speedsters Millbag, Nights Cross, Mokabra and Madid, as well as Hazyview, a dual Listed winner over a mile and a quarter, and Privy Seal, third in the Derby Italiano over a mile and a half.

Coolmore Stud introduces history-making son of Sadler's Wells

There was a time, not so many years ago, when the thought of an English Derby winner standing at stud in Australia was the stuff of fairy tales. **HIGH CHAPARRAL** stands on his own merits. An English Derby winner he is, but he is also much more than that. He is one of those rare individuals...turning in exemplary statistics that would make him a welcome addition to any stud on the face of the earth. Six of his wins were at Group 1 level, from 1600 metres to 2400 metres, and he won at least one Group 1 each season at two, three and four years.

PEACE RULES PRIMED FOR STEPHEN FOSTER

Peace Rules (Jules), winner of last season's GI Haskell Invitational and GI Blue Grass S., worked four furlongs in :47.57 Monday at Belmont Park as trainer Bobby Frankel readies the colt for Saturday's GI Stephen Foster H. at Churchill Downs. The move was the fastest of 83 works at the distance yesterday. According to Frankel, the chestnut will be shipped to Louisville today. Peace Rules won his two most recent starts, including the GII Oaklawn H. Apr. 3.

(Caulfield Discusses North Light cont.)

To return to North Light, he is the second consecutive Derby winner out of a mare by Rainbow Quest. Last year's victory by Kris Kin, together with the Group wins of Rakti, Powerscourt, Spanish Sun and France, helped Rainbow Quest run out a decisive winner of the broodmare sires' championship in Britain and Ireland. Remarkably, with second place going to Darshaan and third to Sadler's Wells, the table was dominated by the horses which filled the first three places in the Prix du Jockey-Club 19 years earlier.

Rainbow Quest is again having an excellent time as a broodmare sire this year. The Banstead Manor Stud veteran has enjoyed Group 1 success through North Light, Meteor Storm (Saturday's Manhattan H.), Polish Summer and Powerscourt. Another of Rainbow Quest's daughters produced Day Flight, who finished a very creditable fourth as favorite for the Prix du Jockey-Club. It is worth pointing out that the Group 1 winners Rakti and Polish Summer were both sired by Polish Precedent, a son of Danzig.

It is hardly surprising that Rainbow Quest is doing so well as a broodmare sire. He is, after all, the most successful British-based stallion since the introduction of the Group race system and his very long list of stakes winners features plenty of very talented fillies, such as the Group 1 winners Fiji, Edabiya, Bright Generation, Knight's Baroness and Sought Out.

North Light is Sought Out's sixth foal and her second by Danehill. The first visit resulted in Researched, a smart gelding, who developed into a Listed winner over a mile and a half last year. Another of Sought Out's sons, the Machiavellian gelding Cover Up, also did well last year, earning a Timeform rating of 114 in the process of winning the two-and-three-quarter-mile Queen Alexandra S. for a second time.

(Caulfield cont.)

Sought Out, who gained her four Group victories over distances between 1 7/8 miles and two and a half miles, is a member of the comparatively small broodmare band developed by the Weinstock family's Ballymacoll Stud. This extremely successful venture has done so well with Rainbow Quest that he has been chosen as the first mate for Islington, the stud's 2003 Breeders' Cup winner Islington.

Spectrum (Irish 2000 Guineas and Dubai Champion S.), Sought Out (G1 Prix du Cadran) and Multicoloured (G2 Geoffrey Freer S.) were all sired by Rainbow Quest from Ballymacoll mares and Spectrum in turn provided Ballymacoll with Golan, the 2001 Guineas winner and Derby second, who won the 2002 King George; and Gamut, runner-up in the 2003 Irish St Leger.

It is no coincidence that Sought Out, Multicoloured, Gamut and Golan are all members of the same family, which traces to Country House, the fifth dam of Islington. North Light's second dam, the Group-winning Edinburgh, is the dam of Sought Out, the second dam of Multicoloured and Gamut, and the third dam of Golan.

Edinburgh's half sister City Fortress is known in the U.S. as the dam of the dual Eddie Read H. winner Fastness and she also produced the top Hong Kong performer Oriental Express. The latter, who was demoted from a Group 2 win in France, while racing under the name of Desert Boy in Europe, provided another example of the stamina rife in this family. He stayed a mile and a half well even though he was by Danzig's fast son Green Desert, who has an average winning distance of 7.7 furlongs, compared to Danehill's 8.9.

North Light would almost certainly stay the extra 2.6 furlongs of Britain's final classic, the St Leger, but victory in this race almost carries a stigma these days. A more relevant question is whether he can reproduce his Derby form when he is eventually dropped back to a mile and a quarter--a distance much more in favor with breeders. As Danehill's other European mile-and-a-half Group 1 winners were all Group 1 winners over shorter distances, I'm sure North Light will also cope well.

"She'll be retired. She won't need surgery and she'll be a broodmare." Lead Story ended 2003 with back-to-back wins in the GII Churchill Downs Distaff H. and GII Falls City H. After finishing third in the Mar. 14 GII Rampart H., the five-year-old chestnut made her final trip to the post a winning one, taking the Apr. 30 GII Louisville Breeders' Cup H. by 3/4 lengths. On the board in 17 of 32 starts, Lead Story retires with eight wins and earnings of \$842,031.

BOARD MAY TRAIN ON

Lord Derby's **Ouija Board (GB)** (Cape Cross {Ire}) may remain in training as a four-year-old, the *Racing Post* revealed yesterday. Friday's impressive seven-length scorer in the G1 Epsom Oaks is likely to be supplemented for the Irish equivalent July 18 and conditioner Ed Dunlop announced that "there is a possibility that we could keep her in training." He added, "The Irish Oaks is the obvious race and we would have to supplement her for that, so we can monitor the situation up to the five-day stage, which is miles away. What's more important is that she has taken the race and the whole occasion really well."

BOEUF LOSES WILDENSTEIN RETAINER

Alec Wildenstein has officially concluded his retainer with jockey Dominique Boeuf after a disagreement about the ride given to **Vallee Enchantee (Ire)** (Peintre Celebre) in Friday's G1 Coronation Cup at Epsom. After initially announcing that the former champion jockey would not ride the filly again, Wildenstein revealed after the second race on Chantilly's Sunday card that he would not be using Boeuf on any of his string in future. Boeuf was philosophical about the news, which came just 24 hours after he had learnt that Voix du Nord (Fr), his mount in the G1 Prix du Jockey-Club, would miss Sunday's race through injury. "Sunday was my 36th birthday and I have to say I have had better birthdays than that," the rider commented. "First of all, Voix du Nord's injury meant he was scratched from the Jockey-Club, a race I have been trying to win for so many years. Then Mr. Wildenstein told me I did not fit the job anymore. I have been through hard times before in my career, but I cannot complain as not everyone has the chance to earn a good living whilst doing something they love. There are more important things in the world. I will keep doing what I do best, which is to work hard and to ride to the best of my ability. Hopefully that will turn things around for me."

WORLD CHAMPION RACEHORSE OF 2003 & A GR.1 WINNER AT 2, 3 & 4 YEARS OVER 1400, 1600 & 2000 METRES.

He is by one of the best sire sons of **MR. PROSPECTOR** & his dam was a champion & classic winner in Canada, which makes him the perfect out-cross for many Australian mares.

Damson belied her pedigree by showing she had the speed for five furlongs on her debut when winning a Cork maiden Apr. 12. More at home over the six furlongs here, she stalked Pictavia's early fractions before cruising to join her approaching the quarter pole. Quickening clear soon after in a matter of strides, she only needed keeping up to her work by Jamie Spencer to register the second juvenile stakes success for Entrepreneur (GB) in the space of three days, after Screwdriver (GB) took Saturday's Listed Woodcote S. at Epsom.

NAAS SPRINT S. result cont.

This contest was shaped by the duel of speed between Osterhase and Benbaun from gate to wire, with the former overcoming his determined rival to record his second stakes score. Osterhase is accustomed to baring his fists, having plied his trade in the toughest of the domestic sprint handicaps over the past two seasons. Since winning the Listed Belgrave S. at Leopardstown in August 2002, he has also proved himself a hardy campaigner at this level, with the pick of his efforts last term coming when third in this race and runner-up in the Listed Richard H Faught Memorial S. at The Curragh later in the month. His early speed was not enough when sixth upped in grade last time in the G3 Greenlands S. at The Curragh May 22, but he found extra here to overhaul the English invader and regain his early advantage in the final strides.

Naas, 6.00, Cond, €22,172, 3yo/up, 7fT, 1:23.40, fm.

SOLSKJAER (IRE) (c, 4, **Danehill**--**Lyndonville {Ire}**), by **Top Ville {Ire}**), who debuted in the G1 Irish 2000 Guineas at The Curragh last May and finished 13th, was making his belated return to the track here. Sent off the 9-4 second favorite, he was taken to the front in the early stages and quickened away from Red Feather (Ire) (Marju {Ire}) when pressed inside the final quarter to record a convincing 2½-length score. The colt is a half to current Ballydoyle star Yeats (Ire) (Sadler's Wells), MGSW-Ire, \$175,137; and is a full to Tsukuba Symphony (GB), SW-Jpn, \$2,513,443. Lifetime Record: 2-1-0-0, €14,973.

SILVER SILENCE (JPN) (c, 3, **Sunday Silence**--**Island of Silver {SW-Eng}**), by **Forty Niner**), 10th on his debut in the hot Curragh maiden won by Book of Kings, was sent off at odds of 9-1. Stalking the early pace, he challenged inside the final quarter and wore down Floscula (Theatrical {Ire}) in the final 150 yards before asserting to score by 2½ lengths. Lifetime Record: 2-1-0-0, €8,983.

O-Sheikh Maktoum bin Rashid Al Maktoum; B-Chikara Takahashi; T-Jim Bolger.

Also ran: Cote Quest, Scotland The Brave (GB), Enchanted Princess (GB), Transcendantale (Fr). Scratched: Starbeck (Ire).

Chorist came of age last term when mixing it with smart company, including the Sir Micahel Stoute duo of Zee Zee Top (GB) and Favourable Terms (GB). While she was second to the former in the Listed Middleton S. at York in May, she had the latter back in second when winning the G3 Golden Daffodil S. at Chepstow in July. During a highly profitable campaign, she also took the Listed Hoppings S. at Newcastle in June and G3 Blandford S. at The Curragh in September, before finishing third on her final start in the G3 Princess Royal S. on unsuitably soft ground at Ascot the following month. Dropped back to a mile on her seasonal bow here, she was asked to race from the front by Kieren Fallon early and she had enough speed to stretch her rivals by the time she called on her stamina to finish them off in taking style. "It was nice to see her back on the track and nice to see her have a pretty easy win," said Maureen Haggas, wife of winning trainer William Haggas. "I think she'll come a bit for that even though she was ready to run. She's been a long time off the track and this will have sharpened her up and get her back in competitive mood. The [G1] Pretty Polly S. [at The Curragh June 26] is one of the options, but William will have to discuss that with Cheveley Park. She won the [G3] Blandford S. last year and was second the year before and seems to run well at the track."

Pontefract, 6.45, Mdn, £6,600, 2yo, f, 6fT, 1:17.47, gd/fm.

EXTREME BEAUTY (f, 2, Rahy--Mediation {Ire} {SW & MGSP-Ire, GSP-US, \$194,746}, by Caerleon), sixth on her only previous start at Lingfield May 29, started this same-trip contest as the well-backed 4-1 favorite.

Tracking the front rank in fifth early, she joined the leader at the top of the stretch, was ridden to the front approaching the final furlong and was driven out in the latter stages to account for Canary Dancer (GB) (Groom Dancer) by three lengths. Lifetime Record: 2-1-0-0, £4,290.

O-Dr Ali Ridha; B-Peter Vegso Racing Stable; T-Clive Brittain.

Windsor, 6.30, Mdn, £5,495, 2yo, 6fT, 1:13.61, gd/fm.

+ **HAPPY EVENT (GB) (c, 2, Makbul {GB}--La Belle Vie {Ire}, by Indian King)**, sent off at odds of 20-1, was settled in mid division throughout the early stages before making steady progress passing the halfway mark. Quickening to hit the front with 100 yards remaining, he was pushed out to beat Bridge Place (GB) (Polar Falcon) by 3/4 of a length. Lifetime Record: 1-1-0-0, £3,572.

O/B-Robin Lawson; T-Rod Millman.

STEVENS BAN DELAYED

As expected, the Italian racing authorities have delayed the 20-day suspension handed to Gary Stevens until his appeal is heard June 24. The ban, which was handed out after the rider got off Sopran Foldan (Ire) before the start of the G3 Premio Tudini in Rome May 30, would have ruled him out of Sunday's G1 Prix de Diane Hermes (French Oaks) at Chantilly and the Royal Ascot meeting. Stevens claims he was unable to ride when he injured his back on the way to the start and received a doctor's certificate.

MEDAALY, SECOND EMPIRE MOVE TO

OAKLANDS European Group 1 winners **Medaaly (GB)** (Highest Honor {Fr})--Dance of Leaves {GB}, by Sadler's Wells) and **Second Empire (Ire)** (Fairy King--Welsh Love {Ire}, by Ela-Mana-Mou {Ire}) have been purchased by the Stellenbosch operation and will stand the 2004 South African stud season at its Oakland Stud. Each stallion will stand for R45,000. "Oaklands Stud is entering an exciting new era and this is just the beginning," said Blandford Bloodstock's Tom Goff, who purchased the two stallions. "Both are Group-1 winning juveniles and both have made a very good start with their three-year-olds this year. We are hoping Medaaly particularly will attract quality mares, as he is closely related to champion South African sire Fort Wood."
