### RACKING THEM UP

Described as a bully by trainer Michael Jarvis, Gary Tanaka's **Rakti (GB)** (Polish Precedent) threw his considerable weight in the right direction at Royal Ascot yesterday as he powered to a two-length success in a strong G1 Prince of Wales's S. He was 50-1 when beaten 2½ lengths by Nayef in this 12 months ago, and though punters had to settle for a skinny 3-1 this time, those odds looked generous by the time Philip Robinson eased

him to the front at the quarter pole. "He's got this most wonderful burst of speed on fast ground," Jarvis explained. "He was a good horse when he came to me and as he's got older, he's got stronger." **Cont. p2**

### CAN DINOS DOUBLE DOWN?

**Mr Dinos (Ire)** (Desert King {Ire}) will be treading familiar territory this afternoon as he bids to win a second renewal of the G1 Ascot Gold Cup at the Royal meeting. With an emphatic victory in his first attempt at this marathon last year, he has history on his side as no fewer than eight horses have won multiple Gold Cups since 1975. He had shaped like a stayer in his sophomore year when finishing runner-up in the G3 Queen's Vase over two miles at the 2002 Royal meeting, but found the extended 14 fur-

longs of the G1 St Leger too sharp when fifth in that Doncaster Classic. Relishing the near two-mile trip of the G1 Prix Royal-Oak at Longchamp in October of that year, he hit the target and began where he had left off when returning to take the G2 Henry II S. at Sandown last May. His record suggested he would improve for this trip, and jockey Kieren Fallon was in no doubt as to his stamina 12 months ago, committing early before winning by six lengths. "He's back to his best trip," explained jockey Kieren Fallon. "His two previous starts [this year] were over distances that were much too short for him, and it felt to me as if he's just starting to peak at the right time. I'll be very confident going to Ascot with this horse." **Ascot Gold Cup cont. p4**

### DAMSON DELIGHTS IN QUEEN MARY

Susan Magnier and Michael Tabor's **Damson (Ire)**

**Damson Frank McCann**

(Entrepreneur {GB}) maintained her unbeaten record with a stylish display in the G2 Queen Mary S. yesterday at Royal Ascot. The decision to run the filly in this contest came just late last week. "From day one she showed plenty," said winning trainer David Wachman.

"It was only Friday evening when I noticed she was five pounds clear on the Racing Post ratings that I decided to give it a go." **Cont. p2**

## DONERAILE COURT IS THE CO-LEADING SOPHOMORE SIRE OF STAKES WINNERS

**SHE'S A MUGS** wins the Funistrada Stakes at Belmont on June 12th  
becoming the newest Stakes winner for Doneraile Court

Prince of Wales's S. cont.

**PRINCE OF THE CITY Rakti (Ire)** (Polish Precedent) had sufficient stamina to beat subsequent GI Canadian International hero Ballingarry (Ire) in the G1 Derby Italiano in May 2002 for trainer Bruno Grizzetti, but his natural speed has come to the fore since he joined Michael Jarvis in Newmarket early last summer. After injuring himself when second here last June, he was nursed back to his brilliant best to win the G1 Champion S. at Newmarket in October before finding only Falbrav (Ire) too strong in the G1 Hong Kong Cup on his last start at Sha Tin in December. Making his first start of the season, the five-year-old raced freely up with the pace in the early stages, but surged to the front at the quarter pole and was able to quicken all the way to the line to bulge his earnings over £1.5 million while **Powerscourt (GB)** (Sadler's Wells) won his private duel for second with **Ikhtyar (Ire)** (Unfuwain). "He's a very, very strong horse who is never off the bridle at any time," explained winning rider Philip Robinson. "They went fast enough there for his first run, but he floats on fast ground and he'll definitely improve." Jarvis credited his team for Rakti's success. "Yarmy Dibble and his lad Bob McDonald have done a fantastic job as he's not straightforward and is a bully," he said. "His stalls work this spring has been wonderful, but he hasn't been working with his usual freedom this spring, and I put that down to him being a year older as he knows what's going on now. I think he's certainly the best 10-furlong horse I've had and I think he could win a good mile race. Hong Kong is definitely on the agenda later in the year, but there's some big ones to come before that." Conditioner John Gosden was delighted with Ikhtyar, who ran a "stunning race" against a winner "doing handstands." He added, "He beat us hands down. We'll go for the Eclipse now, but chasing Rakti could prove frustrating." Godolphin's Racing Manager Simon Crisford was disappointed by the performance of the 11-4 pick **Sulamani (Ire)** (Hernando {Fr}), who finished fourth. "He is very good and you can't write him off on his first run of the season, but Frankie [Dettori] thought he was hanging on the ground," he explained. "His best runs have been on soft ground and we know Sulamani is better than that."

This race was not on conditioner David Wachman's mind until Friday evening, but he must be counting his lucky stars that he decided to steer Damson here after the unbeaten filly posted a brilliant victory. The Irish-bred had been tabbed as one to watch following her debut score in a five-furlong Cork maiden Apr. 12 and an impressive success in the Listed Swordlestown Stud Sprint S. at Naas last time June 7. Settled in rear here in a typical show of bravado by Jamie Spencer, she was angled wide for her run around the blocked stands' side rail and showed electric acceleration inside the final quarter. Hitting the front with 150 yards remaining, she surged clear of Soar in the closing stages. "Jamie said he'd take his time and let her find her feet," Wachman said. "They went fast and we knew she'd get home as she's out of a Darshaan mare." Cheveley Park Stud's Managing Director Chris Richardson said of Soar, "She is just like her mother [Splice], as you need to sit, but this one is much more relaxed." Sir Michael Stoute took a major blow when stable

star Russian Rhythm was scratched from Tuesday's G1

Queen Anne S., but the talented Favourable Terms

went a long way towards lifting the spirits of the Free-

mason Lodge team with this victory. Runner-up in the

G3 Golden Daffodil S. at Chepstow last July, she fol-

lowed a smooth score in the G2 Matron S. at

Leopardstown in September with a disappointing fifth

in the G2 Sun Chariot S. at Newmarket the following

month and hadn't raced since. Settled in mid pack by

Kieren Fallon throughout the early stages, she swooped

wide to take command with 1 1/2 furlongs remaining

before stretching clear to record a convincing score.

"She was very impressive in the Matron and, although

the form didn't work out well, she won so easily,"

commented Sir Michael Stoute, who was celebrating

his 47th Royal winner. "The Sun Chariot came late in

the year, and they can run a bad one. She also didn't

jump off well, so everything went wrong that day.

She's taken a long time to come to herself this year and

we had this mapped out for a while."

**FAVORITE FALTERS IN WINDSOR FOREST**

**Crimson Palace (SAf)** (Elliodor {Fr}), who was heavily supported into 6-5 favoritism, traveled strongly before failing to pick up inside the final quarter. "She didn't work particularly well 10 days ago and, as she had a hard race in Dubai, perhaps this was a race too many," explained Frankie Dettori. "She was a bit flat today and didn't pick up like she can." The race was not short of drama as **Chic (GB)** (Machiavellian) clipped heels and was almost brought down before staging a remarkable recovery under Gary Stevens. "She is an athletic filly and she saved me," that rider explained. "I was looking for a place to land and fortunately she grabbed a heel and came up underneath me."

Frankie Dettori had labeled Kheleyf "the best two-year-old I have ridden" after his debut score at York last May, and the hysteria had reached fever pitch by the time he lined up in the G3 Norfolk S. at Royal Ascot the following month. In the event, the bubble was burst by Russian Valour (Ire) there and Kheleyf was largely forgotten by the time he returned after a break to win a decent conditions event at Doncaster in September. He disappointed when 10th in the G1 Middle Park S. at Newmarket the following month before being taken to Dubai for some restoration work over the winter. Making smooth progress from the rear on his belated return here, he was temporarily short of room inside the final quarter, but his rider had decided to track the right horse as Fokine cleared the way soon after by striking the front. Fokine's lead was short lived as Kheleyf quickened impressively to cut him down at the eighth pole before surging clear under a hand ride. "He's a great horse with loads of class and ability," commented Racing Manager Simon Crisford. "It's a great achievement for the team, who persevered with him, as he's had his problems--nothing serious--but enough to give him plenty of time. During the winter we took the decision not to run him in the Guineas because we knew he was a horse with potential. We were intending to build his confidence by opting to come here rather than anything stiffer, but this was a proper race anyway and it was an outstanding effort." For Dettori, it was late vindication of his earlier faith. "It was a big statement last year and he lost his way later in the season," he said. "He's beginning to come good now and we have high hopes for him. They are talking about the G1 Sussex S. [at Goodwood July 28] and the quick mile there should suit him."

**Royal Rebel** is on the distinguished list of dual winners of this race, and he has given the impression that he reserves his best for this extreme test. After an epic battle with Persian Punch in 2001, he reemerged the following year by proving a neck too strong for the granite tough Vinnie Roe (Ire). He missed last season, but shaped better than the bare result suggests when seventh in the May 31 G2 Henry II S. at Sandown--won by **Papineau** with **Mr Dinos** second and **New South Wales** third--and is poised for another tussle here. "His preparation this year has been as good as ever, so it's fingers crossed," commented conditioner Mark Johnston, who is looking for his fourth win since 1995. Westerner followed his easy success in the G1 Prix du Cadran with a 2 1/2-length defeat of **Alcazar**, with Vinnie Roe fourth, in the G1 Prix Royal-Oak at Longchamp in October. His neck defeat in the G2 Prix Vicomtesse Vigier at Longchamp May 23 suggests he may be vulnerable on a faster surface, but he is the strongest French-trained challenger since Sagaro (GB) ruled this race in the 1970s.

Since this race comes hard on the heels of the G1 Epsom Oaks, it is not surprising that fillies who ran in that Classic have a mixed record here. Epsom placegetters Summitville (GB) and Shadow Dancing (GB) are just two high-profile names who failed to capitalise in the last two seasons. Nevertheless, Miletrian (Ire), last in the Oaks, staged a remarkable turnaround to win this in 2000, while other Ribblesdale heroines Yashmak and Bahr (GB) had finished fourth and second, respectively, at Epsom in 1997 and 1998. The latter emerged from the Godolphin stable and that operation is seeking quick compensation for the defeat of **Punctilious** in that Classic this time. Purchased by Sheikh Mohammed bin Rashid Al Maktoum before her run in the G1 Fillies' Mile at this track in September, she stamped herself as one of the country's leading fillies with a fine third behind Red Bloom (GB) and Sundrop (Jpn). She booked her ticket to Epsom with an impressive score in testing conditions in the G3 Musidora S. at York May 11, but proved no match for the outstanding winner Ouija Board (GB) when third in the Oaks June 4. If that effort tells, there are a host of unexposed types in line to expose any flaws, but trainer Saeed bin Suroor described himself as "really happy" with her condition, adding, "She is tough and always tries hard. She is training well." Among the four winners that John Dunlop has saddled since 1983 are High Hawk (GB), Gull Nook (GB) and Thawakib (Ire), the dams of the equine celebrities In the Wings (GB), Pentire (GB) and Sakhee, respectively. He is responsible for **Rave Reviews**, who also trailed in the wake of Ouija Board in the Listed Pretty Polly S. at Newmarket May 2. She bounced back to reverse placings with **Sahool**, who had finished second at Newmarket, in the Listed Swettenham Stud Fillies' Trial S. at Newbury May 14. Sir Michael Stoute has won this three times and saddles **Quiff**, who needs to improve on the bare form of her maiden success at Salisbury May 13.

These five furlongs have proved the undoing of many seemingly unbeatable juveniles in recent times, but supporters of **Blue Dakota** have every reason to expect this contest to prove his coronation. After destroying Tuesday's G2 Coventry S. fifth Turnkey (GB) by five lengths on his debut in a Newmarket maiden Apr. 15, he reaffirmed his authority when taking two conditions events with ridiculous ease at Windsor in the space of seven days early last month. "Physically, Blue Dakota appears to have filled out and is carrying more muscle than he was at any time during the spring," trainer Jeremy Noseda commented. "I'm extremely happy with him and his last two pieces of work lead me to believe that he has improved." That is bad news for his rivals, which include **Cougar Cat** from the Aidan O'Brien stable, successful with Johannesburg in 2001. He showed dash when beating subsequent winner Spring of Pearls (Ire) by a length on his debut in a Tipperary maiden May 20 and offers another intriguing insight to the strength of the Ballydoyle juveniles. **Joseph Henry**, who outclassed his opponents in a Musselburgh maiden Apr. 11 and Nottingham conditions event last time Apr. 30, is worthy of respect from the Mark Johnston stable, which won with Russian Valour (Ire) 12 months ago. **Skywards** impressed when winning a Newmarket maiden last time May 30, while Doncaster conditions victor **Mystical Land** represents John Gosden, who collected this with Warm Heart in 1999.

Danelissima did not have the form to win this, but she had a soft lead and that was all she needed to beat Summitville and cause an upset here. Still a maiden entering this contest, she had nevertheless been pitched into stakes company on each start this term. After finishing fifth in the Listed Leopardstown 1000 Guineas Trial S. Apr. 18, she filled fourth spot in both the G3 Gallinule S. at The Curragh May 23 and Listed Victor McCalmont Memorial S. at Gowran Park last time June 6. She was allowed to dictate her own easy fractions under Kevin Manning here and quickened on the turn into the straight before being joined and briefly headed by both Tarakala and Summitville. Battling gamely to regain the advantage approaching the final eighth, she was driven out to hold the heavy favorite in the closing stages. The three-year-old filly will now point to the G1 Irish Oaks at The Curragh July 18.

**THROAT SURGERY FOR PERFECT DRIFT**

Stonecrest Farm's **Perfect Drift** (Dynaformer), third in Saturday's GI Stephen Foster H. at Churchill Downs, suffered an entrapped epiglottis in the race and underwent throat surgery to correct the condition Tuesday. Dr. Robert Hunt performed the operation at the Hagyard-Davidson-McGee equine clinic in Lexington. "That explains a little bit why he ran the way he did," trainer Murray

Johnson said yesterday, adding that the five-year-old gelding has returned to his barn at Trackside Louisville. "He probably wasn't getting his air 100 percent and it's tough to run with those horses when you're not. Hopefully we'll get that rectified and we'll be back with the big boys." Johnson said that his charge should be back to the track this weekend. Perfect Drift has won nine of his 21 career starts, including the 2003 Foster, and has earned \$2,325,163.

Mine proved a consistent and genuine handicapper when finishing third in the seven-furlong Buckingham Palace S. at this meeting 12 months ago and second in the Bunbury Cup at Newmarket the following month. He finally grabbed his own share of the spoils when winning the prestigious Victoria Cup over seven furlongs at this track May 22 and was in the right place again to come out best of the blanket finish that thrilled the Ascot spectators. Held up in rear early by a confident Richard Quinn, he made smooth progress through the pack before being asked to quicken as they approached the quarter pole. He responded in game fashion to battle to the front with 50 yards to race and held his slim advantage over Able Baker Charlie in the duel to the line. "I had a good tow throughout and, after the furlong pole, I knew I had the race won," Quinn said. "He gets the mile well and he's a versatile and very genuine horse. He travels well and you can put him where you want." The July 10 G3 Michael Page International Silver Trophy could be next for the winner.

Celtic Heroine capped a memorable afternoon for conditioner Michael Jarvis, who also saddled Rakti (GB) to take the G1 Prince of Wales's S. earlier on the card. Having plied her trade in nurseries and handicaps so far, she had shown ability when recording an authoritative success in a Hamilton handicap May 7, before showing she could handle fast ground when runner-up in a conditions race at Ayr last time May 27. Settled in mid division by Kevin Darley throughout the early stages of this contest, she traveled strongly to join Coy at the head of affairs at the quarter pole before quickening to the front with 300 yards remaining. Driven out to assert from there, she showed determination to hold that game rival as the luckless Zosima closed late, having been denied a run until the final eighth.

**Lord Mayor** finished a fine third behind the smart Frank Sonata (GB) on testing ground in a York handicap May 11 before taking a similar event on Epsom Derby day last time June 5. He was helped by the quicker conditions on that occasion and will relish this fast surface. He faces no easy task stepping up from handicap company against proven stakes performers such as **Privy Seal**, who finished third in the G1 Derby Italiano in Rome last time May 30. That rival may be anchored by his five-pound penalty, as may **Simple Exchange**, who looked a colt with a bright future when taking the Listed El Gran Senor S. at Cork in September.

In doing so, she extended her unbeaten record, having won a five-furlong debutantes event in Roma May 1 and a conditions race over six furlongs back at that track last time May 18, where subsequent Listed Alessandro Perone winner Tenderlit was back in third. Held up in last by a confident Maurizio Pasquale throughout these early stages, she was asked to quicken approaching the quarter pole and challenged wide soon after. Heading the game long-time leader Shifting Place with 100 yards remaining, she quickened to assert in the closing stages for a comfortable score in a faster time than that recorded by the two-year-olds colts in the previous race.

**RECORDS FALL AT MAGIC MILLIONS** The first session of the Magic Millions National Broodmare sale got off to an impressive start yesterday, with the previous record price for a mare being broken twice. Pace Invader (NZ) (Westminster {NZ}--Grey Invader {NZ}, by Brilliant Invader), a multiple Group 1 winner in New Zealand, was the first mare to surpass the previous record when Deborah Ho went to A\$775,000 for the Segenhoe consignee. Pace Invader is believed to be in foal to European champion Rock of Gibraltar (Ire). That mark lasted only moments before another multiple Group 1 winner, Victory Vein (Aus) (Mr Henrysee) elicited a bid of A\$810,000 from Strawberry Hill Stud. Victory Vein, out of the Opera Prince (Aus) mare Protective (Aus), was also consigned to the sale by Seganhoe. The four-year-old was sold not in foal. "It's been an outstanding day of selling," said David Chester, managing director of Magic Millions. "We're over the moon with the way today's sale went. The quality mares were hot property and made high prices accordingly." The Broodmare sale continues today at 10:30 a.m.
