length in yesterday's G1 Budweiser Irish Derby at The Curragh. Grey Swallow could only place in the English and Irish 2000 Guineas and was a 10-1 chance when stepped up in trip for the Irish Derby. Settled in a stalking sixth throughout the early stages by Pat Smullen, he loomed large in the wing mirrors as Kieren Fallon committed North Light passing the quarter pole. He quickened past the 8-11 pick with a furlong remaining and held that rival's game rally to record the fourth fastest time since 1970.

"We've had so much faith in this horse," said Smullen. "I had myself built up to win an English and Irish Guineas, but obviously all he wanted was to go that bit further. He's a champion." (*Irish Derby cont. p2*)

**NIIGON VICTORIOUS IN QUEEN'S PLATE**

**Niigon** (Unbridled) appeared to have a tall order to fill in yesterday's Queen's Plate with only a maiden win under his belt, but he bumped his game up a few notches to outgun favored **A Bit O' Gold** (Gold Fever) in the first jewel in the Canadian Triple Crown. Content to track early pace setter **Silver Ticket** (Silver Ticket) through a half mile in :47.83, Niigon forged ahead of that rival after three quarters in 1:12.94 and drew clear of the field with a quarter mile left to negotiate. Seemingly in control from there, the dark bay started

**Niigon**

to show the effects of his early exertions late as A Bit O' Gold closed the gap, but Niigon had something left in the tank to record the narrow victory. "My whole plan was to try to have a clear trip," said winning jockey Robert Landry. "[Trainer] Eric [Coatrieux] and I spoke throughout the week, and we decided, if we had to make the pace, we would. That is the way it turned out." A professional third in his only start at two in Woodbine's GII Grey Breeders' Cup S., Niigon was unplaced at Gulfstream and Keeneland in his first three outings at three, but started to come around two back when he bounded home an easy 6 3/4-length winner going 8.5 furlongs in the slop over this track May 8. In his latest start, Niigon was beaten 3 1/4 lengths by A Bit O' Gold in the Plate Trial June 6.

**SOUTHERN IMAGE OUT OF GOLD CUP**

Multiple Grade I winner **Southern Image** (Halo's Image), who finished second last time out in the GI Stephen Foster H. at Churchill Downs June 12, will miss the GI Hollywood Gold Cup July 10 because of a foot injury. "He did not work [Sunday] morning," said trainer Mike Machowsky. "There was a touch of heat in his left foot. The pulse is warm, a sign he is going to pop an abscess." Machowsky did not commit to a date for the four-year-old's return. "We've always made it a habit to be very patient with him throughout his career, and we're going to continue with that."

**Grey Day...**

**Grey Swallow** earned his two-year-old rating by winning a Galway maiden in July and the G3 Killavullan S. at Leopardstown in October by a combination of 18 lengths. He was reportedly slow to come to hand this spring, but still managed to give subsequent G3 Gallinule S. scorer Meath (Ire) five pounds when winning the Listed Leopardstown 2000 Guineas Trial on his return Apr. 18. But the colt failed in his first two Classic attempts. Running as if the mile was his minimum, he finished fourth behind Haafhd (GB) in the G1 2000 Guineas at Newmarket May 1 and third behind Bachelor Duke in the Irish equivalent at this track last time May 22. Still, his connections did not give up on him. "This was extra special as he was bred by my mother, who also owns part of him. I've always believed in this horse and he worked superbly the other day," commented conditioner Dermot Weld, who saddled Zagreb to win this in 1996. But Weld admitted, "There were doubts about him staying a mile and a half," and Pat Smullen shared his concerns. "We knew he had the speed, it was just a matter of getting the trip," Smullen said. "He lasted it out really well." Looking ahead, Weld continued, "He will have a break now and be trained for the G1 Prix de l'Arc de Triomphe [at Longchamp Oct. 3]." **No Excuses...**

North Light's trainer Sir Michael Stoute offered "no excuses" for the favourite's second-place effort. He added, "He ran a big race and ran right to the line, so you can't be too disappointed. Kieren didn't say too much afterwards, but I will talk to him on the plane home and we will see where we go from here." **Tycoon (GB)** (Sadler's Wells), making his first start of the season as a 150-1 outsider, was the longest shot of the five from Ballydoyle and the six by his superstar sire, but after biding his time near the back of the pack, came on in the closing stages to catch **Rule of Law** (Kingmambo) for third.

Bago gave Thierry Gillet the instant acceleration that very few horses are capable of producing as he took his record to a perfect six-for-six in this tactical affair. With only four runners in the race, a sprint was inevitable and duly unfolded. His rabbit, Alnitak, failed to set an even tempo and was usurped in those duties by Privy Seal (Ire) (Cape Cross {Ire}) as Bago was reserved in rear throughout the muddling early stages. The winner tracked Cacique and was sent in pursuit when that rival took command at the top of the straight. Despite hitting a brief flat spot, he quickened alongside at the eighth pole before delivering another spurt which carried him to the front 100 yards out and on to a comfortable success. Bago is finally assuming the mantle that appeared destined to him after a juvenile campaign highlighted by easy victories in the G3 Prix des Chenes at this track in September and G1 Criterium International at Saint-Cloud in November. He showed why he topped his generation's tree when returning to beat Cacique by three lengths in the G1 Prix Jean Prat at Chantilly June 6 before adding this vital success to his repertoire. "You are always worried that, with four runners, there will be a false pace," commented Niarchos Family's Racing Manager Alan Cooper. "Especially as our pacemaker could not go on as we expected. Nevertheless, Bago proved he is top class and he was able to quicken to get to Cacique and then quicken again to settle it." Cooper indicated that the G1 International S. at York Aug. 17 or the G1 Irish Champion S. at Leopardstown Sept. 11 are possibilities for Bago's next appearance before being targeted toward the Breeders' Cup at Lone Star Park in October. Tap Dance City earned himself a trip to the G1 Prix de l'Arc de Triomphe in October with this victory. The bay, a nine-length winner of the G1 Japan Cup last November, disappeared after finishing a disappointing eighth in the Dec. 28 G1-JRA Arima Kinen, but successfully defended his title on his return in the May 29 G2-JRA Kinko Sho. The favorite to make it two in a row, he settled in third early, took over before they'd reached the final bend and held Silk Famous at bay.

In the days before Aidan O'Brien began his monopoly on this contest, Jim Bolger exercised a stronghold himself in recording five successes, three of which came at the end of the '80s. Democratic Deficit looked an unlikely sixth when opening his account at first asking in an auction maiden at Leopardstown May 9, but he proved up to this test under a forceful Kevin Manning. Racing prominently as Joyce (Ire) (Danehill Dancer {Ire}) set fast early fractions, he maintained the pressure on that rival inside the final quarter and hit the front as the leader cracked passing the eighth pole. Gaining first run on the 1-2 pick Russian Blue, who had dwelt and had to deliver his challenge widest of all, he held his advantage all the way to the line for a comfortable score. "This is the sixth time I have won this race and he is up there with the best of them," Bolger told *Racing Post*. "He's a good horse. I bred him myself out of a mare I bought a few years ago. He went through the sales ring, but nobody seemed to want him, so I bought him back for €50,000." He added, "He will get a mile and he has the bone to carry his physique." Prospect Park overcame some late drama to provide connections with a measure of consolation for his narrow defeat in the G1 Prix du Jockey-Club at Chantilly June 6. He entered that contest with strong claims, having won the Listed Prix de Courcelles and finished an unlucky runner-up in the G2 Prix Hocquart at this track Apr. 4 and May 13. He looked to have the French Derby won everywhere bar the final two strides, when Blue Canari (Fr) swooped by to record a head success. Reserved off the even early pace by Olivier Peslier in this contest, he was full of run and short of room at the top of the straight, where Lord Darnley was committed by Gary Stevens. He stumbled shortly after, appearing to clip heels, but recovered quickly and had enough in the tank to overwhelm that rival with 150 yards remaining and assert for a comfortable score. "This was important for his future," explained trainer Carlos Laffon-Parias. "He had looked good in his training since the Jockey-Club, but you never know when they come back just three weeks after a hard race like that. In the end he won easily and he'll have a break now before being prepared for an autumn campaign."

Charming Groom has taken a while to show his true colors this spring, but suggested he was running into form when fourth behind Puppeteer (GB) in the G3 Prix du Palais-Royal at this track May 27. He met a smart rival in My Risk (Fr) in the G3 Prix du Chemin de Fer du Nord at Chantilly last time June 13, but was not disgraced when being beaten a head to fill the second spot. Sent to the front by Davy Bonilla in the early stages of this contest, he was hounded by Millennium Force at the top of the straight and was headed by that rival at the quarter pole. He looked booked for the runner's-up spot again, but dug deep to regain the advantage in the final strides and record a deserved first stakes score. "He's a real fighter and is so tough," commented conditioner Freddie Head. "The ground was slightly faster than he likes and the trip a little short, as he likes longer to bowl along before being challenged. I don't know where he'll go next, but I'd like to take him to the States at the end of the year."

Rotteck is a rapidly improving performer at four and he continued his upward progression with a battling success in this competitive renewal. He opened his stakes account in the Listed Etzel-Rennen at Munich Apr. 12 and that form received a major boost on Sunday when Senex (Ger), who had trailed him by seven lengths in third, took the G1 Gran Premio di Milano. He was beaten 3/4 of a length by Touch of Land (Fr) in the G2 Mercedes-Benz-Preis at Baden-Baden last time May 30, where he had the proven group one campaigner Scott's View (GB) back in third. Settled in a stalking second by Jean-Pierre Carvalho off these steady fractions set by Storm Trooper, he was delivered with a strong challenge on the inner to lead at the quarter pole. He was tackled again by the long-time leader and Andreas Suborics with a furlong remaining and was forced to dig deep, but rallied to outgame that rival in the shadow of the post. **Click for the [free brisnet.com](http://free.brisnet.com) catalogue-style pedigree or the [racingpost.co.uk](http://racingpost.co.uk) chart.**

- unseated rider.

Note: Obe Gold finished first but was disqualified and placed second.

Drama unfolded at the end of this contest as the English invader Obe Gold was controversially disqualified after beating Shifting Place. Stalking the furious early tempo, the duo were sent in pursuit of Golden Stravinsky (Stravinsky) as that rival was committed at the quarter pole. As the leader drifted right under pressure and Obe Gold challenged wide, Shifting Place was the meat in their sandwich in the final eighth. Despite the former getting on top in the final 50 yards, the stewards judged that he had leaned into Shifting Place and duly reversed the placings. Shifting Place, who took a Rome maiden June 7 before finishing third behind Aischa (GB) in the Listed Premio Vittorio Crespi at this track last time June 16, is bred on the same cross as her older stable companion Pleasure Place (Ire). She may travel to France for the G3 Prix de Cabourg at Deauville Aug. 1 with a view to improving on that talented filly's third placing in that race in 2002. **Click for the [racingpost.co.uk](http://racingpost.co.uk) chart.**

Second in the GI Atto Mile Sept. 14, Soaring Free finished fourth and fifth against tougher company in his two final starts of the year in the GI Keeneland Turf Mile and the GI Breeders' Cup Mile en route to a champion sprint title for the 2003 Canadian racing season. A winner of two of three starts this term, including the GIII Shakertown H. at Keeneland Apr. 10, Soaring Free recorded his

latest win going six furlongs over the Woodbine sod June 6 and was pounded down to 2-5 favoritism to make it two in a row. Quickly off the mark, the gelding took command early, maintained a comfortable length advantage over Take Achance On Me through fivefurlongs in :56.82, turned back that rival turning for home and remained clear late to score over a mild bid by Open Concert. **Click for the [brisnet.com chart](#).**

### HUGHES ACQUIRES SPENDTHRIFT FARM

Prominent Thoroughbred owner B. Wayne Hughes purchased Spendthrift Farm for an undisclosed amount from a partnership consisting of Bruce Kline, the Nastasi family and the Anderson family Friday, according to *Thoroughbred Times*. Trainer Ron Ellis, who advises Hughes on auction purchases and trains several of his horses in Southern California, assisted in the deal. Although Hughes purchased the Lexington farm outright, Kline will lease a portion of the 700-acre facility, including the stallion operation. Spendthrift currently stands 11 stallions, including leading sire Mr. Greeley. Hughes is expected to house between 50 and 60 of his broodmares at the farm.

Broadway Gold was hammered down to 4-5 favoritism in her career debut and lived up to advanced billing, romping by 11 lengths going five panels over Big Sandy May 12. Adding Lasix here as the crowd's pick, the \$600,000 KEESEP yearling purchase bobbed at the break, but recovered quickly to shadow the pacesetter Chocolate Brown (Lion Hearted) on the turn. Taking control as that foe began to fade, Broadway Gold paraded down the Great Brown Way a geared-down, three-length heroine.

Second Performance was compromised by an awkward start in a grassy, nine-panel Belmont maiden May 22, but still managed third before opening his account by two lengths in a mile-and-a-quarter test June 4. The dark bay was scratched out of Saturday's GIII Kent Breeders' Cup S. at Delaware and proved yesterday that that was the right choice. A stalking second as El Prado Rob (El Prado {Ire}) set sensible fractions, Second Performance dropped his head nearing the quarter pole, opened up by daylight soon after and was full of run late to account for Good Reward and favored Dealer Choice, who was making his first start since finishing second in last November's GIII Generous S.

King's Drama saw the task at hand get a bit easier when L'Oiseau d'Argent (Silver Hawk) flipped in the gate and scratched. After the latter, who appeared to be alright, was backed out of the gate, the race got underway, with King's Drama racing wide into the first turn with Cottage to his inside. Nudged along to take sole command up the backstretch, King's Drama rounded the far turn with ears pricked and was never seriously threatened as he cruised home a much-the-best winner. GSW Saarland, trying the turf for the first time, ranged into contention approaching the half-mile pole, but flattened out through the lane and settled for the place spot.

Returning from a brief freshening as the 2-1 choice, the nicely bred bay settled just off the first flank, ranged up two furlongs out and showed an impressive kick in the closing stages to win going away by 5 1/4 lengths. The pacesetting favorite Morph (Favorite Trick) was clearly second best. Storm Legacy's entymate, Western Territory (Gone West), a full brother to top sire Grand Slam, completed the trifecta.
