SEVEN GO FOR THE GOLD

It's not the best GI Hollywood Gold Cup field ever assembled, but seven will be in the starting gate for today's 65th renewal. **Even the Score** (Unbridled's Song) raced mainly on the turf last season under trainer Dallas Stewart's care, but has turned around his career since moving into Vladimir Cerin's shedrow. The gray has made only three starts this season, beginning with a third-place finish behind Dynever in the GIII

San Bernardino H. Apr. 3. The six-year-old bounced back with two sharp victories over the Hollywood Park main course, notching the GII Mervyn LeRoy H. May 8 and the GII Californian S. June 12. Lone Star shipper **Yessirgeneralsir** (Patton) steps up in company here after a wire-to-wire victory in the GIII Lone Star Park H. May 31. Twenty-year-old rider Omar Figueroa, who rode the gelding in his last two starts, gets the call. "Omar has a very positive attitude and believes in this horse," trainer Dallas Keen said. **Total Impact** (Stuka) hasn't gotten his picture taken since the 2003 GII Mervyn LeRoy H., but has been right with Even the Score in his last two, finishing third in the Mervyn LeRoy and second in the Californian. Trainer Laura de Seroux thinks he'll love the Gold Cup distance. "He'll love the trip, he stays," de Seroux said. "He almost won the [2002] Dubai Derby at that distance." **Olmodavor** (A.P. Indy) was sharp in victory in the GIII Whirlaway H. earlier in the year, but disappointing fourth-place finishes in the GI Santa Anita H. and the Mervyn LeRoy, led to a two month layoff.

'PRINCESS' SUMMIT OF SPEED FEATURE

Six stakes races totaling \$1.75 million make for another exciting rendition of Calder's Summit of Speed. A stellar field of six line up for the GII Princess Rooney H. headed by **Bear Fan** (Pine Bluff). A sharp five-length winner over **Harmony Lodge** (Hennessy) in the GII Genuine Risk H. May 9, she followed that effort with an eye-opening nine-length success in the GII Vagrancy H. on Belmont Stakes day. If she comes anywhere close to duplicating that 117

Beyer Speed Figure performance, the rest will be running for second. Harmony Lodge started off the year with a smart win in the GIII First Lady H., but has turned in three runner-up efforts since. Last year's GI Ballerina H. victress makes her first start back since the Genuine Risk. After a disappointing seventh in the GI Breeders' Cup Distaff and a sixth-place finish in the Madison S., **Lady Tak** (Mutakddim) has gotten back on track in her last two. The Heiligbrodt colorbearer notched a Churchill allowance Apr. 24, then took the Winning Colors H. last time May 22. Local hero **Mary Murphy** (Coronado's Quest) will take a major class hike after posting wins in the Goldarama S. and the Sugar n Spice S. "This will be exciting seeing her be the local favorite and to see how she stacks up," said Rob Murphy, of M375 Thoroughbreds.

Rock Hard Ten looks to get back on track after finishing a disappointing fifth in the GI Belmont S. June 5. The striking colt received plenty of attention after his maiden win at Santa Anita Feb. 7 and added an allowance over the Arcadia course Mar. 3. He was disqualified from second and placed third for interference in the GI Santa Anita Derby Apr. 3, then finished a very distant second behind Smarty Jones in the GI Preakness S. May 15. His main competition will likely come from **Suave** and **Boomzeeboom**. The former gave a career-best performance taking the GIII Northern Dancer S. in the Churchill slop last time June 12, while the latter notched the GIII Affirmed H. in game fashion over this course June 19.

The question confounding bettors this afternoon surrounds the readiness of MGISW **Elloluv** in her first start since finishing sixth in the GI La Brea S. Dec. 27. Perfect in two starts at Hollywood, the bay was disqualified from second to fourth in the GII Lady's Secret Breeders' Cup H. at Santa Anita Sept. 28 and finished runner-up to Adoration in the GI Breeders' Cup Distaff Oct. 25 prior to her La Brea effort. **Coconut Girl** put an end to Ema Bovary's nine-race winning streak when defeating that rival by 1 1/4 lengths in this track's GIII Desert Stormer H. June 5. **Royally Chosen** crossed the line a nose better than Ema Bovary in the Dec. 31 Kalookan Queen H. at Santa Anita, only to be demoted to second. The bay was last seen when a head winner of the B. Thoughtful S. for Cal-breds over course and distance Apr. 24.

Orientate used this event in 2002 as a springboard to victory in the Breeders' Cup Sprint and this race features a budding superstar in **Clock Stopper**. Second, beaten 3/4 of a length by Cajun Beat in the GIII Kentucky Cup Sprint Sept. 13, the chestnut rolled to an easy win in the Oct. 9 Perryville S. at Keeneland before a "minor" ankle injury quelled any thoughts of a run in the Breeders' Cup Sprint. Fourth in a May 20 optional claimer at Churchill, the gelding turned in a sensational performance in his latest, spotting the field five lengths before registering a five-length win under hand urging in Louisville June 9. Pat Day elects to ride here instead of GIII Aristides H. hero **Champali**. Last year's Carry Back S. winner **Valid Video** went on to take the GI King's Bishop S. six weeks later. He has yet to find his best form this season and was most recently runner-up to Gators N Bears in the James B. Moseley BC H. June 19.

French Village holds the homecourt advantage this afternoon, with four wins from five career starts. She employed pace-pressing tactics to win her first three tries, but was seventh in the My Dear Girl S. in her two-turn bow Oct. 11. Rested off that effort, the chestnut showed a new dimension, coming from off the pace to win the June 14 Vague Memory S. and can sit a similar trip this afternoon. The lone member of the field without stakes experience, **Reforest** was purchased privately purchased off an 11 1/4-length Turfway maiden score Dec. 26. In her first start for new owner Ed Gann, the bay took a seven-furlong Belmont allowance by 5 1/2 lengths June 19 and figures to be a factor.

Carry Back S. cont.

In the absence of morning-line favorite Forest Dancer, Amerman Racing Stables' **Ice Wynnd Fire** could rule a slight choice in a very competitive affair. The gray gelding broke his maiden at this track last October and was second in an optional claimer Nov. 2 before being sold privately. Third, beaten a head in the Sunshine Millions Dash at Santa Anita Jan. 24, he prepped perfectly for this with a five-length score versus his elders at Belmont June 20. **Sir Oscar** puts his undefeated local record on the line. The dark bay won six straight at this track to begin his career, including five stakes races, but has been well beaten in two tries at three, a fifth in the GII Fountain of Youth S. Feb. 14 and eighth in the GI Florida Derby Mar. 13. Unraced since, he has trained well for the return.

Tante Rose won the G3 Fred Darling S. in April 2003, but failed to get her head in front in seven subsequent starts last term. That run ended on her seasonal bow when she defeated Ruby Rocket in the Listed Cecil Frail S. at Haydock June 5 and she continued along her new path here with an improved performance to confirm form with that rival. "She looked good there, didn't she?" said winning handler Roger Charlton. "I have been really pleased with her; she worked really well last week and she had come on from her race at Haydock. She had quite a tough time last year and I just wanted to give her an easy time and pick the right races for her confidence." Confidence was indeed instilled early as jockey Steve Drowne deliberately tucked in from the break and settled the eventual winner under cover in rear as Lochridge set the early fractions. Tante Rose was steered around the field into a challenging position inside the final quarter, quickened into daylight with 150 yards remaining and lengthened well late on to register a second Group 3 success. As for future plans, Charlton continued, "She goes on any ground, which is great, but she's very happy on soft. She won a Group 3 last year, she's now won another one, so we need to win a Group 2 and/or a Group 1, but at least we'll have a crack at a better race. There's the [G1 Prix] Maurice de Gheest [at Deauville Aug. 8], there's the Haydock race [G1 Sprint Cup at Haydock Sept. 4], wherever, whenever, we'll try to win another one...it's nice to have a nice filly."

Felicity was campaigned in France for much of last term to find the soft surface she relishes, managing a third placing in the G3 Prix de la Nonette at Deauville in August. She did not appear at home on fast ground when finishing fourth behind subsequent G2 Lancashire Oaks heroine Pongee (GB) in the Listed Pinnacle S. at Haydock last time May 22, but the rain arrived in time for her finest hour here. Stalking the runaway leader Tidal throughout demanding early fractions, she took over from that game rival with 2 1/2 furlongs remaining before having to contend with Kinnaird soon after. She was headed by that rival passing the quarter pole and looked beaten when a neck down inside the final eighth, but rallied gamely to regain the advantage and assert in the final strides. "I think we'll put her away and bring her back for the easier ground," said winning trainer John Gosden told *PA Sport*. "It suited her getting a lead early on and she was very brave to fight back like she did." [Click for the Racing Post chart](#).

LIMEHOUSE SIDELINED Dogwood Stable's Limehouse (Grand Slam) will have surgery to remove chips from his left front ankle and will be sidelined the remainder of the year. After winning last season's GIII Bashford Manor S., the colt returned as a sophomore to win this year's GIII Tampa Bay Derby and GII Hutcheson S. He was third in the GI Toyota Blue Grass S. In his most recent trip to the post, Limehouse was off the board in the June 12 GII Ohio Derby. "Limehouse took a bad step at the three-eighths pole in the Ohio Derby and finished sixth," explained Dogwood President Cot Campbell. "Now we know the reason. We will re-x-ray in late August to monitor his progress, but we are optimistic that we can plan on a 2005 campaign in Florida. He's won four stakes and is by a popular stallion, so there's been great interest in him as a stud, but we do want to race him next year. On the board in eight of 11 starts to date, Limehouse has won five races and has earned \$627,435.

Conditioned by Clifford Size Jr., Chant For Gold has posted a steady series of works since early April, capped by a leisurely five-furlong move in 1:02 4/5 July 4. BECKERMET (IRE) (g, 2, Second Empire {Ire}--Razida {Ire} {MGSP-Ire}, by Last Tycoon {Ire}) had found only the smart Pike Bishop (Ire) too strong in his last four starts, which included an impressive course-and-distance success last time June 26. Settled in a stalking second throughout the early stages, the 5-4 pick quickened to take command passing the quarter pole before asserting for a comfortable 2 1/2-length success from Amazin (GB) (Primo Dominie {GB}). "He's a very nice horse and a straightforward ride," jockey Royston Ffrench said. "He can quicken up off a fast pace and we don't know how good he is as we haven't got to the bottom of him yet." Connections are considering a tilt at the G2 Gimcrack S. at York Aug. 18 for the Ir£12,500 TATIRE yearling. Lifetime Record: 6-4-1-1, £24,782. INDIANNIE STAR (GB) (f, 2, Fraam {GB}--Ajig Dancer {GB}, by Niniski), fifth behind the smart Divine Proportions in the G3 Prix du Bois at Chantilly last time June 28, broke sharply and disputed the early lead. Gaining a slight advantage at halfway, the 11-4 second choice dug deep to repel the challenge of Kwame (GB) (Kingsinger {GB}) by a neck. Lifetime Record: 6-2-1-0, £14,479. O/B-Timberhill Racing Partnership; T-Mick Channon.

Ascot, 4.25, Mdn, £8,520, 2yo, f, 6fT, 1:18.47, gd/sf. + **VALENTIN (IRE) (f, 2, King of Kings {Ire}--Slip Ashore {Ire}, by Slip Anchor {GB}),** from the family of Japanese champion Taiki Shuttle, was reserved off the pace in rear until making progress under pressure from after halfway. The 10-1 chance quickened to challenge at the eighth pole and was ridden clear in the closing stages to defeat Dance Flower (Ire) (Cape Cross {Ire}) by an easy 3 1/2 lengths. She was a €20,000 GOFORB yearling purchase. Lifetime Record: 1-1-0-0, £5,538. O-Mrs Valerie Hubbard & A J Ilsley; B-Rockhart Trading Ltd; T-Richard Hannon.

CAT'S ALMOST BACK

Susan Magnier's **One Cool Cat** (Storm Cat) will attempt to make amends in the G3 International S. at The Curragh next Saturday. Off the track since his disappointing effort when down the field in the G1 2000 Guineas at Newmarket May 1, the \$3.3-million KEEJUL purchase will revisit the scene of his triumphs in last year's G1 Phoenix S. and G1 National S. "The plan is to definitely run on Saturday," conditioner Aidan O'Brien told *PA Sport*. "The horse is in very good form, pleasing in his training, and we could not be happier with him."

MEDIA PUZZLE NEARING RETURN

Media Puzzle (Theatrical {Ire}), out of action since capturing the G1 Melbourne Cup in 2002, could begin his comeback in the G3 Meld S. at Leopardstown July 24, according to Irish Racing.com. "It looks pretty certain that the Meld will be a start-off point," trainer Dermot Weld told Irish Racing. "He is well, but it is only July and there is no point yet talking about future plans beyond that." The chestnut, a half brother to MG1SW Refuse to Bend (Ire), was injured when training in Dubai in 2003.

ALEXANDER JOINS GOFFS

Galway native Duncan Alexander has been named head of marketing at Goffs, the auction company announced yesterday. Alexander spent four years in the United Arab Emirates before moving to France to set up the export product for the French racing television channel Equidia. Following his stint there, Alexander has spent the last three years as the director of the French Racing and Breeding Committee. "Duncan is a well known figure in the bloodstock world," Matt Mitchell said on behalf of Goffs. "He has a solid knowledge of the bloodstock business at both domestic and international levels and his fluent French and Italian gives him a distinct advantage abroad. He will complement and strengthen the existing team to the benefit of sellers and buyers."

AUSTRALASIA

EXCEED AND EXCEL HEADS TO STUD Darley has announced the retirement of **Exceed and Excel (Aus)** (Danehill--Patrona, by Lomond) following the colt's poor performance in Thursday's G1 July Cup at Newmarket.

An illness had forced the bay to miss Royal Ascot. "[Jockey] Kerrin McEvoy told me after the July Cup that the horse was never going well," said John Ferguson, Sheikh Mohammed's bloodstock advisor. "It was...a case of the horse not having recovered from the blood disorder which prevented him from running at Royal Ascot. These things often take longer to get over than seems likely at the time, so it's now only sensible to let him enjoy a career at stud." Exceed and Excel will enter stud during the upcoming Southern Hemisphere season at Darley Australia's New South Wales location for a fee of A\$55,000 live foal, GST inclusive, and will then shuttle to Darley's Kildangan Stud in Ireland. During his Australian campaign, Exceed and Excel was one of the country's best sprinters, capturing the G1 Dubai Racing Club Cup and the G1 Newmarket H. as well as three additional Group 2 races. "There's no doubt he's one of the most exciting stallion prospects to retire in Australia in many years," said Darley's Oliver Tait. "He's a beautiful-looking horse, he's a son of the great Danehill and he was blindingly fast. What more can you ask for?"

KIDNAPPED HORSE FOUND Forty Mirage (Arg)

(Roar), an Argentinian MG1SW winner which Team Valor was in the process of buying, was found Friday at a nearby military shooting range after being kidnapped from his stall at Tandil racecourse Thursday morning, according to Team Valor President Barry Irwin. "When he was abducted they pulled a van up to the training center and went a short distance, bringing him to an army shooting range," Irwin said. "They were holding him for 300,000 pesos, or about \$100,000. He's safe and sound now and we're sending a vet over to check him out." If the colt gets the O.K. from the vet, Team Valor will purchase and send him to South African Mike De Kock, with the goal being next year's UAE Derby. "I've been following him about three races back when he went 1:07 flat on the grass," Irwin added. "He has a beautiful stride. Hopefully he passes the vet."
