**LIFE AND DEATH FOR LION HEART**

**Lion Heart** (Tale of the Cat) was sent off at 1-5 to get back on track in yesterday's GIII Long Branch Breeders' Cup S. at Monmouth, but he had to dig in deep to deny local upstart **My Snookie's Boy** (Crafty Friend) to earn his first victory of 2004.

**Lion Heart (outside)**

But there were some excuses for the Kentucky Derby runner-up. "He lost a shoe when he stumbled at the start," explained winning trainer Patrick Biancone. "I am very happy he won, because I gambled and took it easy on him coming into this race. He

had his head down at the right time, or it could have been a costly gamble." **Cont. p2**

At 2-5, **Yearly Report** (General Meeting) seemed like a mortal lock in the GII Delaware Oaks, but she had to fight off a persistent **Ender's Sister** (A.P. Indy) to take the \$500,900 race. But it was easier than it looked, according to jockey Jerry Bailey.

**TRIED AND TRUE**

**Chandtrue** (Yes It's True) was the only odds-on favorite to live up to the hype Saturday, overcoming three rivals in winning the GIII Hollywood Juvenile Championship S. Unbeaten in three starts heading into the race, the Florida-bred bay circled the field on his way to his initial graded stakes victory. He is the fourth youngster in history to sweep Hollywood's three stakes races for two-year-olds, joining Lucky Mel (1956), Century's Envoy (1973) and Squirtle Squirt (2000). **Cont. p5**

**LION TAMES LONG BRANCH FOES** Lion Heart (Tale of the Cat) capped an unbeaten juvenile campaign with a victory in the GI Hollywood Futurity, but sustained heartbreaking runner-up finishes in his first three outings this year. Second by a neck in the GII San Rafael S. Mar. 6, he was a half-length behind The Cliff's Edge in the GI Blue Grass S. Apr. 10 and was second best to Smarty Jones in the GI Kentucky Derby May 1. But he folded tamely when fourth in the GI Preakness S. two weeks later and earned himself a vacation. With leading Monmouth jockey Joe Bravo in the irons as regular rider Mike Smith stayed in California, Lion Heart raced with the pace while three wide through honest fractions and went up to assume the lead heading into the far turn. But **My Snookie's Boy** (Crafty Friend), a \$50,000 claim Apr. 1, made the favorite work hard the length of the stretch. Lion Heart will be making another journey to the Jersey Shore. "I am 155-percent sure we will be back for the Haskell [GI, 8-8]," said winning trainer Patrick Biancone. "As long is well with him after this race, we will be back."

Apart from a second to Silent Sighs--subsequently a Grade I winner--in December, Yearly Report sports a perfect record. She rebounded from that loss to win the GII Santa Ynez S. Jan. 19, but missed some time after tying up. Returning Apr. 24 in the Cal-bred Melair S., she easily handled the two-turn question in that contest and went on the road, annexing the GII Black-Eyed Susan S. May 14. The bay hadn't raced since, but was a prohibitive favorite in this half-million dollar affair. Jockey Jerry Bailey settled her in second through six furlongs in 1:12 3/5, then asked for a bit more on the far turn. Yearly Report put her head in front and was quickly joined by Ender's Sister at the top of the stretch. The pair battled down the lane, but the Golden Eagle colorbearer kept finding more and finally edged clear in the final strides.

☆ IRISH OAKS ☆

GET ON BOARD

Lord Derby's **Ouija Board (GB)** (Cape Cross {Ire}) put up one of the most visually impressive performances of the season when winning the G1 Epsom Oaks last time June 4 and she bids to become the 10<sup>th</sup> filly to complete the double since 1970 in today's G1 Darley Irish Oaks at The Curragh. Her seven-length defeat of Susan Magnier and Michael Tabor's **All Too Beautiful (Ire)** (Sadler's Wells) will take some reversing here, while Godolphin's **Punctilious (GB)** (Danehill) has even more ground to make up on the favorite. Trainer Ed Dunlop admitted to feeling the pressure earlier this week. "There's an expectancy," he said. "If she doesn't win, it'll be a case of 'why,' whereas at Epsom there was a bit of amazement. I was shocked by how far she won there and the time was very fast, but that's all in the past. I do strongly believe that the runner-up and the third will be more suited by a more galloping track rather than Epsom, so that's obviously a concern." Dunlop, who took the Classic with Lailani (GB) in 2001, believes Ouija Board "has always shown a lot more class" than that filly, adding, "I think she grew after Epsom and in the last two or three weeks we've been very happy with her."

All in the Family

Trainer Aidan O'Brien has yet to win this race, despite finishing runner-up in four of the last six renewals, and will be hoping for rain for the regally bred All Too Beautiful, who stepped up off her score in the Listed Salsabil S. at Navan Apr. 24 to chase home Ouija Board at Epsom. All Too Beautiful, acquired for 1.1-million guineas as a foal, is a full sister to Galileo (Ire)--the 2001 Epsom and Irish Derby hero--and MG1SW Black Sam Bellamy (Ire). "She ran very well, but she was just green," O'Brien told *Racing Post* after the Oaks, which was only her third career start. "She hasn't had a lot of racing." Punctilious disappointed at Epsom, finishing 10 1/2 lengths adrift of the winner in third, but demonstrated her class when capturing the G3 Musidora S. at York May 11 and G2 Ribblesdale S. at Royal Ascot last time June 17. His Highness the Aga Khan's **Hazarista (Ire)** (Barathea {Ire}) represents the John Oxx stable responsible for two winners since 1997, but has to improve on her success in the G3 Blue Wind S. at Cork last time May 14. That also applies to **Danelissima (Ire)** (Danehill), who took the G3 Noblesse S. at Naas June 16 before finishing third behind Pongee (GB) in the G2 Lancashire Oaks at Haydock last time July 3. She hails from the Jim Bolger stable successful twice in this race, including with the 33-1 outsider Margarula (Ire) two years ago.

Sept. 21 prior to a win in the GIII Lawrence Realization H. Oct. 11. A close third in the GI Hollywood Derby Nov. 30, Kicken Kris returned to be third, beaten a half length by Hard Buck (Brz), in the GI Gulfstream Park BC H. Feb. 22. Sixth in the soggy GI Woodford Reserve Turf Classic May 1, he was coming into this off a last-of-nine finish in the 10-furlong GI Manhattan H. at this track June 5. Adding an extra eighth for this, the Brushwood runner chased a strong early pace from fourth, kicked it in three wide on the turn, wrested command in upper stretch and pulled clear for a much-needed win. "He gave me a nice sweeping move outside and just drew off," said winning rider Edgar Prado. "He is a little better than this bunch and proved it today."

Forestier proved himself a stayer out of the top drawer when accounting for Westerner and Clear Thinking in the G2 Prix Vicomtesse Vigier at Longchamp May 23, and further enhanced his reputation here with another classy stamina-laden performance to increase his portfolio of Group 2 wins. "This horse really amazes me as he doesn't stop improving and has now won seven of his 11 starts," enthused winning conditioner Eric Danel. "I felt he had improved even more after he won the Vicomtesse Vigier at Longchamp last time and, if you look at his form, he has beaten [Clear Thinking] again but giving away four pounds. The long-term goal is the G1 Prix du Cadran at Longchamp on Arc day [Oct. 3], but before that he will probably return in the G2 Prix Kergorlay at Deauville [Aug. 22]." The eventual winner led from flagfall and when the hammer was dropped in the stretch, he retained plenty in reserve to safely account for the game German raider Royal Fantasy. The distance of this race was changed when it was moved to the main track (grande piste)--altering it to 3000 meters from 2800 meters--due to unsafe conditions over the middle track (moyenne piste).

His grandsire, Is It True, was never worse than third in six starts at two, including an upset win over Easy Goer in the Breeders' Cup Juvenile. His sire was equally impressive in his first year at the track, counting this event among his five victories in 1998. Chandtrue opened his account with an easy 4 1/2-length tally Apr. 29, stopping the timer in a swift :50 4/5. The hike into stakes company proved to be no obstacle, as the Florida-bred took the May 23 Willard Proctor Memorial S. by four and came from off the pace in his latest to register a seven-length success in the Haggin S. June 20, with Actxecutive a distant fourth at odds-on. Allowed to stalk the that rival and Commandant from third, he responded when asked at the quarter pole and gradually wore down Actxecutive before being taken in hand late. "He didn't look like he was going to open up at the three-eighths pole," said winning trainer Bob Hess Jr. "I knew Actxecutive was going to run much better than he did last time and I was worried about him." Taken to the front in the early stages by Niall McCullagh, she dominated the contest and left her rivals toiling when quickening inside the final quarter. Conditioner Edward Lynam said, "She did it well and got an easy lead and I'm delighted for Lady O'Reilly, who has had some good horses with me." Aidan O'Brien was far from downcast with the performance of the 1-2 favorite, whose challenge proved short-lived and flattened out. "He probably ran well considering it turned into a two-furlong sprint," he said. "I'm not disappointed and we'll have to wait and see about future plans."

After winning on the main track first time out, Sam-Son homebred Silver Ticket found himself on the turf in his third career start and nearly stole the Cup and Saucer S. Oct. 11, settling for second, beaten a half-length. The bay didn't race again until June 5, returning victorious in a one-mile allowance over this course, but was out of his element in the Queen's Plate June 27, backing up to finish a distant eighth in that 10-furlong contest on the dirt. Favored in his return to the lawn, Silver Ticket settled into stride in fourth as GSW Bachelor Blues cruised along on the front end. He was asked to step it up in the stretch and duly obliged, collaring the pacesetter at the eighth pole on the way to his first stakes victory. "He was more relaxed today and sat back off the pace on his own," said winning rider Todd Kabel, who was winning the Toronto Cup for the fourth time in the last five years. "Sometimes he's an anxious horse and drags you up there."

Mona Rose was facing her biggest test thus far, but proved to be up to the challenge versus this short field. The bay filly graduated over the Woodbine turf Sept. 3, but closed out her sophomore campaign with two disappointing performances, finishing fourth in an allowance Sept. 21 and sixth in the Carotene S. Oct. 13. Given some time off following the Carotene, she returned with consecutive allowance wins over this course May 22 and June 26. Sent off as the third-choice here, she stayed close to the leaders while last of four, was angled out in the stretch and rallied to get by the favorite. Heavily favored Inish Glora, last year's GII Canadian H. victress, entered this riding a two race winning streak, including the GIII Nassau S. last time, led by two lengths in the stretch, but couldn't hold off the winner. **Savedbythelight** is the lone entrant with a win at this 10-furlong distance, posting a victory in the GIII Ladies H. at Aqueduct Dec. 20. Her subsequent three outings have been in turf marathons. Fifth in the 11-furlong GIII The Very One H. Feb. 28, she was second in the 12-furlong Orchid H. Mar. 21 and most recently finished seventh over a yielding course going a mile and three-eighths in the GII Sheepshead Bay H. May 29. Flying the flag for the local contingent is **Misty Sixes**, who has rattled off three straight victories over this surface, capped by a front-running score in the Obeah H. at nine furlongs June 19.

Argentine star **Freddy** makes his first start north of the Equator here. The chestnut went five-for-six in his native land, capturing the G1 Gran Premio Nacional and the G1 Gran Premio Carlos Pellegrini, but hasn't raced since winning the latter event Dec. 14, 2002. "I bought him for Mr. Tanaka before the Pellegrini," said trainer Don Burke. "He hurt his knee at Santa Anita last August when I had him ready to run. We had to give him some time off and brought him back." **Runaway Dancer** will be the sentimental choice. The stretch-running grey hails from the barn of Dan Hendricks, who sustained paralysis in a motorcycle accident last week. Winner of the GIII Carleton F. Burke H. Oct. 24, the five-year-old hasn't started since a seventh in the Jim Murray Memorial H. May 8 over course and distance. "That would be the greatest thing if he could win the Sunset," said assistant trainer Francisco Alvarado.

Adding Lasix here, the 3-2 chalk stalked Higher Ground's (Silver Deputy) early pace, took over in the lane and shook clear from that rival to win by 1 1/4 lengths. **Niigon** and **A Bit O'gold**, separated by 3/4 of a length in the first jewel of the Canadian Triple Crown, the June 27 Queen's Plate at Woodbine, renew acquaintances this afternoon. The two favorites look to have the rest of the field over a barrel, but **One To Celebrate**, while unlikely to win, could fill out the triactor. The chestnut has won two of his last three starts, including a 5 1/4-length victory in his two-turn bow at Woodbine July 1.

Seeking her first win of the season here, she rated while placed on the inside, made the lead in the stretch and held on for the victory.

Most recently fourth, beaten nine lengths in the GII Brooklyn H. June 12 he was sent off as the second-choice here while coupled with Loving (Brz) (Thundering Force). Cryptograph, winner of the mile Grand Prairie Turf Challenge in the slop at Lone Star Apr. 24, came up an empty eighth two back going a furlong longer over that track's turf course May 31 before finishing a much improved third in his latest, the 1 1/16-mile Iowa Derby at Prairie Meadows July 2. Settled off the pace early, the bay was forced wide on the first turn and continued to hold that position until the stretch. Up to third with only a furlong left to negotiate, Cryptograph forged to the front and inched clear late to gain the narrow score. "We didn't have the best of trips," said winning jockey Don Pettinger. "We didn't have anyone in our way, but we were kind of wide." He added, "He was kind of pricking his ears on me late and having fun. It wasn't work for him."

Knox took an entry-level turf allowance in his seasonal debut Apr. 3, but could do no better than eighth to divisional heavy Kitten's Joy in the GIII Crown Royal American Turf at Churchill Apr. 30. Second in an off-the-turf allowance in Louisville May 26, the chestnut was fourth over the Churchill lawn June 20. The second choice in this off-the-turfer, Knox rallied stoutly on the turn, was angled out four wide for the drive and blew right by favored Big City Spender for the win.

Reserved in rear by Richard Hills off the furious fractions cut out by Vespone and Frankie Dettori, he was asked to close inside the final three furlongs and joined the game front runner passing the eighth pole. Asserting from there, he was firmly in command as Vespone ran out of steam in the closing stages. "I think he just appreciates the flat track here and a fast pace," commented trainer John Dunlop. Siena Gold took a Newmarket maiden in impressive fashion on her debut Apr. 14 before following up in workmanlike style in a course-and-distance conditions event May 14. She was reported to have disliked the fast surface when eighth in the G2 Queen Mary S. at Royal Ascot last time June 16, but bounced back to winning ways on this easier ground to take this hotly-contested renewal. Always in the firing line, she was committed by Frankie MacDonald at halfway and battled in determined fashion to withstand the persistent challenge of Don't Tell Mum, despite drifting left under pressure in the drive to the line. "The ground was too quick at Ascot and I knew she was better than that," explained conditioner Brian Meehan. "I thought Frankie [MacDonald] had gone too soon, but they stayed on very well." MacDonald added, "She loves it out in front all on her own and I think she could be an even better horse with a little more cut in the ground."
