LEADING OFF AND BATTING FIRST

For a second consecutive year, Fasig-Tipton throws out the first pitch for the summer sales season as it kicks off its annual July Kentucky Yearling sale this morning at 10 a.m. at the Newtown Paddocks. A total of 495 horses have been catalogued for the two-day run, representing prominent and well-established sires such as Awesome Again, Belong to Me, Carson City, Dynaformer, Distorted Humor, El Prado (Ire), Elusive Quality, Forestry, Forest Wildcat, Gone West, Grand Slam, Hennessy, Langfuhr, Mr. Greeley, Quiet American, Salt Lake, Silver Deputy, Smart Strike, Smoke Glacken, Tale of the Cat, Thunder Gulch, Valid Expectations and Wild Rush. The number catalogued represents a seven-percent increase over last year's sale, conducted amidst great uncertainty generated by the Mare Reproductive Loss Syndrome of 2001.

Clearer Skies Ahead...

All in all, officials at Fasig-Tipton were overwhelmed with the way the market held up in 2003 despite the trying circumstances and despite having an important pool of horses from which to draw snatched out from underneath them. Despite the leaner catalogue, the average declined by just 4.8 percent while the median also held its own, dropping by 4.3 percent from 2002. Boyd Browning, executive vice president and chief operating officer of Fasig-Tipton, is confident of a forward move this year. "We are very enthusiastic and optimistic about the sale," he commented. "We've seen a very good two-year-old sales market so far this year and I think there's really no reason why it shouldn't carry over to the yearling marketplace. The activity has really started to pick up, and there's a lot of interested buyers out here. We're extremely optimistic."

MAKE IT A DOUBLE

Lord Derby's **Ouija Board (GB)** (Cape Cross {Ire}) swooped by Godolphin's **Punctilious (GB)** (Danehill) and on to a length success to reward the confidence of the Curragh punters who sent her off at 4-7 to complete the English-Irish Oaks double yesterday. Despite the success being less emphatic than her seven-length romp in the Epsom equivalent last time June 4, it was as sweet for her connections. "I thought the others would get closer than at Epsom, but she has proved herself to be a real champion today," commented trainer Ed Dunlop, who took this race in 2001 with Lailani (GB). "Her great attribute is her temperament and that has helped her, too."

New Sire Showcase Gets Things Rolling...

Fasig-Tipton's hugely popular "New Sire Showcase" comprises the first 224 hips and provided four of the top five sellers last year, including the sales-topping \$800,000 son of Fusaichi Pegasus purchased by Stan Fulton. The Kentucky Derby winner of 2000, who already has five winners from his first crop, is represented in this catalogue by two colts and one filly. Sires which will have their first yearlings sell today include Albert the Great (Go for Gin), Behrens (Pleasant Colony), Black Minnaloushe (Storm Cat), Brahms (Danzig), Broken Vow (Unbridled), City Zip (Carson City), Delaware Township (Notebook), Ecton Park (Forty Niner), El Corredor (Mr. Greeley), Exchange Rate (Danzig), Five Star Day (Carson City), Flame Thrower (Saint Ballado), King Cugat (Kingmambo), Kentucky Derby winner Monarchos (Maria's Mon), dual Classic winner and Horse of the Year Point Given (Thunder Gulch), Snuck In (Montbrook), Songandaprayer (Unbridled's Song), Talk Is Money (Deputy Minister), two-time Breeders' Cup Classic winner Tiznow (Cee's Tizzy), Trippi (End Sweep), Unbridled Jet (Unbridled) and Vision and Verse (Storm Cat). Other young stallions featured in the catalogue include Cat Thief, Chief Seattle, Deputy Commander, Dixie Union, More Than Ready, leading freshman and juvenile sire Successful Appeal, Tiger Ridge, Victory Gallop and Yes It's True. *Coverage cont. p3*

Promising Portents...

Ouija Board showed promise at two when finishing third in the Listed Montrose S. at Newmarket in November and quickly delivered when beating her rivals senseless in the Listed Pretty Polly S. on her return back at that track May 2. She turned the Epsom Classic into a procession with a seven-length defeat of Susan Magnier and Michael Tabor's **All Too Beautiful (Ire)** (Sadler's Wells) and arrived here with expectations to satisfy. Breaking slowly from the gate, she was settled in fifth by Kieren Fallon, who was content to track Punctilious and Frankie Dettori. That proved the right decision as that duo ground past the tearaway early leader **Danelissima (Ire)** (Danehill) approaching the quarter pole. Her lead was short lived, as Ouija Board arrived wide to take command within a matter of strides before asserting under a drive. "It would be interesting to drop her back to 10 furlongs, but the G1 Nassau S. [at Goodwood] is only 13 days away and may come too soon. She's in the G1 Yorkshire Oaks [at York Aug. 18], the G1 International S. [at York Aug. 17] and the G1 Prix de l'Arc de Triomphe [at Longchamp Oct. 3]. She'll make a much better four-year-old as she's weak, so there is still a lot to look forward to with her." Relying on Past Success...

Already in 2004, a total of 24 graduates of Fasig-Tipton sales have won 31 graded stakes events in this country, including the Grade I winners A.P. Adventure, Friendly Michelle, a \$77,000 graduate of this particular sale in 2002, and Stellar Jayne. A pair of prominent graded-stakes winning three-year-olds of this year, Fire Slam and St. Averil, were purchased by Stanley Fulton here in 2002, and it is performers like these that keeps people coming back for more, according to Browning. "That's the best advertisement you can get and assure customer satisfaction is to sell them good horses," he explains. "If they consistently get good horses from a sale, they tend to come back and support it." Fasig-Tipton is well aware of the founding of the Alliance for Industry Reform and the decision by Satish Sanan to not attend yearling sales this season. But Browning remains focused on the task at hand. "We regret the decision that [Mr. Sanan] made and all I can do is worry about the people that are going to be active and participating in the market," Browning says. "I wish he was here, but the market is very, very strong, there are a number of major players that will be active and I can't dwell on the negative." *Fasig-Tipton Coverage cont. p4*

FRANKS' LEGACY LIVES ON

When prominent owner and breeder John Franks passed away last Dec. 31, his place in the annals of Thoroughbred racing had already been well established: four times an Eclipse Award winner, six times this country's leading owner by number of wins and six times the leading breeder by number of races won. With his passing came the decision by his estate to reduce the family's bloodstock holdings, which began earlier this year at Fasig-Tipton and continues today in the capable hands of John Sikura's Hill 'n' Dale Sales Agency.

Franks bred hip 73, a colt from the first crop of two-time GI Breeders' Cup Classic hero Tiznow (Cee's Tizzy) from one of his very best racemares, the Louisiana-bred Zuppardo Ardo (Zuppardo's Prince). A winner every year from two to six, the bay recorded eight victories in stakes company, including a half-length success in the 1999 GII Humana Distaff H. at Churchill Downs, on her way to bankrolling \$667,886. The dam of a Gold Legend filly in 2001, Zuppardo Ardo dropped a colt by Distorted Humor the following year, who has since gone on to make big news. A \$90,000 graduate of this sale in 2003, the colt topped this year's OBS April Sale of two-year-olds in training when John Ferguson went to \$975,000 on behalf of Sheikh Mohammed. Sikura did not consign that colt on that occasion, but has similarly high hopes for today's consignee.

"He's very representative of Tiznow; he's a big, long, well-made horse," he commented. "He's got plenty of bone and he's a different type than the two-year-old in that he doesn't look like one of those precocious horses. He looks more like a two-turn horse, but he's got ample muscle and depth and quality where it looks like he's going to be a good, athletic horse."

Sikura has had good success thus far with horses he has consigned on behalf of the Franks estate and is humbled and honored by the responsibility given him by Franks' widow, Alta.

"I feel very fortunate to have been given the mission to do this," Sikura explains. "They have been wholeheartedly supportive and they've let me make the decisions that I feel are the right ones to achieve their goal. We've sold \$10 million of horses so far and hopefully it'll be twice that by year's end."

Zuppardo Ardo, barren for 2004, is scheduled to sell in November carrying a foal by Fusaichi Pegasus.

☆ HIP HAPPENINGS ☆

Hip 11, f, Cat Thief--Profit System (Copelan)
 Consigned by Eaton Sales, agent
B-Shashura and Sequel 2001 (Ky)

Cat Thief yearlings were especially popular at this sale last year, with horses selling for \$600,000 and \$450,000. Overall, his 35 yearlings sold for an average of better than \$172,000, nearly five times his stud fee. This bay filly has a license to do well in the ring, as her three-parts sibling, a colt by High Yield, was knocked down for \$525,000 at last year's Fasig-Tipton Saratoga sale.

Hip 128, c, Dixie Union--Emerging Glory (Smarten)
 Consigned by Denali Stud (Craig Bandoroff), agent
B-Wind Hill Farm (Ky)

Dixie Union is off to a promising start as a sire, with three individual winners to date, as well as a stakes-placed performer. This dark bay colt, foaled Mar. 21, is out of a half sister to MGISW Starrer as well as Stellar Jayne, who turned in a game effort to win the GI Mother Goose S. in New York June 26. *(also see hip 181)*

Hip 138, c, Albert the Great--Fat City (Carson City)
 Consigned by Three Chimneys Sales, agent
B-J D Squires (KY)

From the first crop of Jockey Club Gold Cup winner Albert the Great, this Feb. 13 foal is the first produce of an unraced half sister to Vicarage (Vicar), a \$125,000 graduate of this sale last year, who broke his maiden at first asking at Belmont Park for Dogwood Stable and trainer Todd Pletcher July 5.

Hip 180, f, Fusaichi Pegasus--La Barberina (Nijinsky II)
 Consigned by Bluewater Sales LLC, agent
B-Barnett Enterprises (Ky)

The lone female representative for her sire in the sale, the dark bay filly is bred on the Mr. Prospector/Nijinsky II cross which has produced a whopping 45 stakes winners, including European star Russian Rhythm and champions Rubiano and Heavenly Prize. Under her second dam, Designed For Luck is now a Grade I winner following his win in the Shoemaker BC Mile in May and Fantastic Ways is now the dam of Miss Fortunate, recent winner of the H.B.P.A. H. at Ellis Park.

Hip 181, f, Golden Missile--Lady Caveat (Caveat)
 Consigned by True North Farm, agent
B-Clay & Mena Neel (Ky)

Golden Missile's first crop of yearlings proved very popular last year, his 34 offspring selling for an average of nearly \$125,000. He is represented at the track this season by first-out winner Inspiring, who broke her maiden in :57 at Hollywood Park July 5. This May 20 foal hails from the female family of Stellar Jayne, upset winner of the GI Mother Goose S. in her latest effort.

Hip 248, c, Forestry--Rare Bird (Rahy)
 Consigned by Taylor Made Sales Agency
B-Freedom Stable (Ky)

Forestry is having another good season at the race-track, with 10 stakes performers and three new stakes winners, headed by Forest Danger, impressive winner of the GIII Bay Shore S. in New York Apr. 10. This bay colt is a three-parts brother to Host (Tabasco Cat), who since the catalogue finished second by a neck in the \$100,000 Greenwood Cup H. at Philadelphia Park. His earnings now stand at \$136,350.

What They're Saying At The Sales...

Peter Bradley, bloodstock agent
"As a pinhooker, I disagree with the 'good feeling' from the two-year-old market. I think the very top of the market was as strong as it's ever been, but the rest of the market faltered badly. When you see 50 or 60 percent of the horses not selling, either because they're scratched or they RNA, I think it's actually a pretty unhealthy market. There's a handful of top-end buyers which seek out that top 10 percent, but the mid-range buyer is a dying breed. I think there's a better middle in the yearling market. It's gotten a little more polarized, but it's not as accentuated as in the two-year-old market. The criteria for yearlings is a little different for yearlings. I think it'll be a solid sale. It should be similar to last year. It looks like a pretty good turnout here."

What They're Saying at the Sales cont.

Pat Costello, Paramount Sales

"We haven't had two seconds to spare--we've been run off our feet with the amount of people checking out our horses. It's been an incredible two or three days. I think our shows are up 80 to 100 percent from last year and we've had a lot of second looks. If that translates into sales, then I think it will be a strong sale. We are hoping that the momentum continues from the two-year-old sales, plus racing has been fun with Smarty Jones. It's all positive. Of the freshman sires, we have a couple of Tiznows that have been really popular."

Becky Thomas, Sequel Bloodstock, pinhooker

"I think they have a larger number of really nice horses this year. I think there are definitely some horses, from my perspective, they could have left some of the numbers off, but in terms of more quality horses, I think that they are here. I think it's the consignors seeing a sale that has done well. As you get more buyers, you get more horses. But I do think there is a higher number of quality horses in the sale, which will make it tougher for the pinhookers. For me, I can see us having to pay more than we did last year for the kind of horse I'm looking for. But it's the same thing at every sale in every state: with good horses, you don't have to worry about the reserve. With the horses that are light, those are the ones that people become more realistic on and those don't sell as well. I think the good horses will bring even more this year, and the light horses still aren't going to bring anything. It doesn't matter if 10 people don't want them or five people don't want them--they still don't want 'em."

7	7	Scott's View (GB)	Selkirk	Johnston	128
8	8	Kelucia (Ire)	Grand Lodge	Goldie	115

Kalaman will be a warm order to record a career-best in this renewal boosted by the recent pattern upgrades. He had looked one of the brightest sophomore prospects last May when beating **Ikhtyar** in the Listed Heron S. at Kempton and confirmed his potential when an unlucky runner-up to Zafeen (Fr) in the G1 St James's Palace S. at Royal Ascot the following month. The wheels came off with an unexplicably poor effort when down the field in the G1 International S. at York in August and he rounded off his campaign with another below-par second in the G3 Joel S. at Newmarket in October. He may have needed the outing when finishing a length runner-up to **Gateman** in the G3 Earl of Sefton S. back at that venue Apr. 14 and returned to winning ways in the Listed On the House S. at Goodwood May 26. He suffered a troubled trip when third behind Refuse to Bend (Ire) in the G1 Eclipse S. at Sandown last time July 3 and has an ideal opportunity to stage the revival of his fortunes here. Old rival **Ikhtyar** will be no push-over based on his fine performances when a neck runner-up to Bandari (Ire) in the G3 Brigadier Gerard S. at Sandown June 1 and third placing behind Rakti (GB) in the G1 Prince of Wales's S. at Royal Ascot last time June 16. The rain-softened ground may have been the reason for his disappointing effort when sixth in the Eclipse last time and he is fitted with a visor to sharpen him up here. Of Mark Johnston's pair, **Scott's View** may prove more effective at this trip, having finished third in the G1 Queen Elizabeth II Cup over 10 furlongs at Sha Tin Apr. 25 and fifth in the Prince of Wales's S. last time.

Summer Wind Dancer continues to blossom under the care of trainer Jeff Mullins, taking her second graded event in as many starts. Sixth by 3 3/4 lengths in the Sunshine Millions Filly and Mare Turf at Santa Anita Jan. 24 while trained by Jenine Sahadi, the gray four-year-old was switched to the Mullins barn and returned to run second by a head in the restricted Santa Lucia H. on the dirt at Santa Anita Apr. 4. She ran out of real estate when second by a head once again, this time in the seven-furlong B. Thoughtful S. for Cal-breds at Hollywood Apr. 24, then handled the switch to open company with a rousing victory in the June 6 GIII Hawthorne H. at Hollywood. Made the public's choice here, Summer Wind Dancer was content to let Roar Emotion set an uncontested pace. It looked like that rival would take it gate-to-wire, opening up by four lengths two furlongs from home, but Summer Wind Dancer dug deep and scampered past with the wire drawing near. **Click for the [brisnet.com chart](#) or the [free brisnet.com catalogue-style pedigree](#).**

Star Over the Bay treated the Hollywood faithful to a display of guts and determination in the stakes finale of the track's spring/summer meet. Campaigned primarily in mid-level claimers on the East Coast in 2003, Star Over the Bay shipped west over the winter and found a new lease of life in sunny California. An easy winner against \$62,500 claimers going nine panels over Santa Anita's sod in early March, he missed the board in a main-track starter allowance Mar. 27, then bounced back to wire a field of \$80,000 claimers on the grass May 16. Haltered in a savvy move out of that effort, the gray traveled to Lone Star Park for his next and just failed to last when second in the Dallas Turf Cup H. June 19. Star Over the Bay was sent to the fore here under Tyler Baze and carved out honest, if uncontested, fractions of 24.49, 47.93, 1:11.74 and 1:36.95. Favored Continuously, well off the pace early, commenced a rail-skimming move on the turn and looked like he'd blow past crowd's second pick with a furlong left to run, but Star Over the Bay refused to let his rival go past and held on for the narrow triumph. **Click for the [brisnet.com chart](#) or the [free brisnet.com catalogue-style pedigree](#).**

Pollard's Vision, a solid third in the GII Louisiana Derby in March, took the field wire-to-wire in the GII Illinois Derby while earning a 107 Beyer figure. The effort earned him a trip to Churchill for the May 1 GI Kentucky Derby, but the one-eyed colt struggled over the off track and finished next to last. He started down the road to redemption when clearly second best to Brass Hat in the June 12 GII Ohio Derby and was the crowd's pick to notch his second graded tally this time. Smartly placed in third as a free-wheeling Britt's Jules sped out to set fractions of 22.88, 46.57 and 1:11.19, Pollard's Vision ranged up leaving the far turn and set his sights on the pacesetter. Britt's Jules was surprisingly resolute coming down the late, but a hard-ridden Pollard's Vision made up ground with each stride, hit the front a sixteenth from home and surged clear for the daylight score. The race likely was of some solace to trainer Todd Pletcher, who minutes earlier saw his Icy Atlantic disqualified from first to second in the GIII Lexington S. [Click for the brisnet.com chart.](#)

*Icy Atlantic finished first, but was DQ'd and placed second.

Shadwell homebred Mustanfar needed a bit of help from the stewards, but walked away with the hardware when Icy Atlantic was demoted from first to second due to interference in the stretch. Mustanfar, from the family of Unfuwain, Nashwan and Nayef, missed the board in his turf debut, the Feb. 21 GIII Palm Beach S. at Gulfstream Park. A return to the main track witnessed a game neck defeat to Limehouse in the Mar. 14 Tampa Bay Derby, but the colt's Triple Crown hopes were quickly dashed when he finished a non-threatening fourth in the GI Blue Grass S. Third to Offlee Wild in a Belmont allowance in mid-May, he lacked a late bid when fourth in the nine-panel Mac Diarmida S. over Belmont's lawn June 27. Proving he was capable of a top grass effort, he made steady progress on pacesetter Icy Atlantic, bumped with that foe in mid-stretch and just missed with a late surge in the shadow of the wire. Stewards reviewed the stretch run and ruled that Icy Atlantic had bore out leaving the eighth pole. [Click for the brisnet.com chart.](#)

Trade Fair bounced back to his best with an authoritative success in a time just outside the track record.

After displaying abundant promise when winning the G3 Criterion S. at Newmarket last July, he had been found wanting in his two major tests when off the board in the G1 Sussex S. at Goodwood the following month and G2 Challenge S. at Newmarket in October. Dropped to six furlongs for his return in the G2 Duke of York S. at York May 11, he finished down the field on testing ground before finishing third back at seven in this year's renewal of the G3 Criterion S. at Newmarket last time June 26. Breaking sharply in this contest, he traveled strongly under cover in third before quickening impressively to lead at the eighth pole. Pressed by One More Round soon after, he soon had matters under control and was comfortably on top at the line. "He's taken time to find his form, but he's been working well recently," commented conditioner Roger Charlton. "I shouldn't have run him on the soft at York and he wasn't at his best last time, so hopefully he'll go on to better things now. I have him entered for the G2 Lennox S. [at Goodwood July 27] and he'll probably go there." Click for the [Racing Post chart](#).

Aidan O'Brien continued his domination of this contest as Oratorio lead home his better-fancied stable companion Cougar Cat to provide a sixth Ballydoyle success in the last nine years. Oratorio had taken a maiden at this venue on his debut May 23 before disappointing when only seventh in the G2 Coventry S. at Royal Ascot last time June 15. Bouncing back under an enterprising ride from Seamus Heffernan, he stalked the pace in a close second before asserting inside the final quarter and rallied gamely when threatened by his stable companion in the closing stages. "At home they have both improved since Ascot, where they were very green," explained O'Brien. "Oratorio is a good mover and a hardy sort and Jamie [Spencer] was pleased with Cougar Cat. They will both come back here for the G1 Phoenix S. [Aug. 8]." Click for the [Racing Post chart](#).

Off the track through injury subsequently, he returned to finish fourth in the G3 Grosser Preis der Bremer Wirtschaft at Bremen Apr. 4 and after two disappointing efforts shaped better when runner-up to Aubonne (Ger) in the G3 La Coupe at Longchamp last time June 17. Always in the front rank here, he quickened clear inside the final quarter for a convincing success. [Click for the Racing Post chart.](#)

Sightseek, Storm Flag Flying on Worktab:

GI Ogden Phipps H. scorer **Sightseek** (Distant View) was on the track Sunday morning at Belmont, earning the bullet with a smart five-panel breeze in :59.08. The move was a full second faster than the next best work-out at the distance. The five-year-old Juddmonte homebred will likely defend her title in the GI Go For Wand H. at Saratoga Aug. 1. That race is also on tap for **Storm Flag Flying** (Storm Cat), whose five-furlong breeze in 1:01.28 at Belmont Sunday was the 11th fastest of 31 works at the distance. The 2002 champion two-year-old filly completed the exacta in the June 19 Ogden Phipps.

Back on the dirt, the 11-1 shot angled out for the stretch run and closed well to just catch Provincial (Pulpit) by a nose. Lifetime Record: 9-2-1-2, \$75,933. POLO GROUNDS (c, 3, Parade Ground--Coastal Breeze, by Coastal) had not been seen since running second over the Meadowlands turf in his debut last October for trainer Michael Dickinson. Never far back off tepid early fractions, the 5-1 shot found an opening along the hedge turning for home and outbattled Rectory Hill (Sky Classic) to the wire to win by a head. Polo Grounds, a \$35,000 KESEP yearling, is a half brother to Heroisbreezin' (Hero's Honor, SW-stp, \$157,198) and Coast of Mane (Mane Minister, SP, \$194,511). Lifetime Record: 2-1-1-0, \$30,800. Ginger Gold, Canada's champion juvenile filly of 2001, romped home by 8 1/4 lengths in a track-and-trip allowance in her most recent trip to the post June 15. A prohibitive favorite in this short field of four, the gray mare was content to track the early leaders, took over as she pleased nearing the stretch and came home the easiest of winners.

Final Round, winner of the GIII La Troienne S. at Churchill Downs and third in Belmont's GI Acorn S. and GI Mother Goose S. last year, won her third start of 2004 at the allowance level going seven furlongs at Keeneland Apr. 8 before finishing far back in fourth next time out in the mile GII Shuvee H. at Belmont May 15. A much-improved third when stretched to 8 1/2 furlongs in her latest try over this track in the Monmouth Beach H. June 13, the bay went off the second choice for her return to the sprinting ranks. Allowed to settle off the early pace, Final Round raced four wide into the turn and showed plenty of run late to eke out a narrow victory over favored Whoop's Ah Daisy.

Foolish Pleasure S. heroine Super Frolic, who placed on the Calder lawn last year in the GIII Calder Derby, finished a game fourth despite being forced to steady early on in the GIII Memorial Day H. over course and distance May 31 and returned to make amends in her latest start, scoring by a length in an \$80,000 optional claimer over a similar trip June 15. Well supported here, the chestnut was reserved in fifth through an opening quarter in :23.92, advanced on the front rank on the far turn, rallied to catch front-runner Island Skipper approaching the sixteenth pole and drew clear of that rival late to record a comfortable win.
