WHIPPED!

Whipper (Miesque's Son) had stamina to prove in the deep ground at Deauville, but the 5-1 chance quashed all doubts with a length defeat of **Six Perfections (Fr)** (Celtic Swing {GB}) in the G1 Prix du Haras de Fresnay-

le-Buffard Jacques le Marois yesterday. Just one week after he failed by a neck to beat Somnus (GB) in the G1 Prix Maurice de Gheest, he returned to this venue to gain quick compensation. Always traveling smoothly under cover in midpack, he produced his customary acceleration for jockey Christophe Soumillon to lead at the eighth pole and secure the success under a drive. "I was disappointed he didn't win last Sunday, but looking at him throughout the week he really needed that race," commented conditioner Robert Collet. "I never had a doubt he would stay a mile and I am very proud." *Prix Jacques le Marois cont. p2*

KELA FLIES TO PAT O'BRIEN WIN

Kela (Numerous) proved his win in the July 25 G1 Bing Crosby Breeders' Cup H. was no fluke with a powerful last-to-first victory in yesterday's GII Pat O'Brien Breeders' Cup H. at Del Mar. Sent off the 5-2 second choice in the seven-furlong contest, Kela was allowed to settle well off the pace as heavily favored **Pico Central (Brz)** (Spend a Buck) set a pressured pace through speedy fractions of :21.98, :43.92 and 1:08.37. As Pico Central began to tire, Kela powered to the front and set sail for a 4 1/2-length victory. "The acceleration this horse has is just unbelievable," admitted winning rider Tyler Baze. "I didn't know if [the speed duel] would affect anything. I just knew that my horse has that one devastating run and I knew it would be coming." David Flores, who rode Pico Central to a third-place finish, said, "My horse was just too much in the bridle. I couldn't get him to relax. The race will set him up, though. He'll go better next time."

RULING THE BEST PAL

Roman Ruler (Fusaichi Pegasus), who dashed to an impressive four-length debut win at Hollywood June 19, made the jump to graded stakes company in smashing style with a dominant seven-length triumph in yesterday's GII Best Pal S. at Del Mar. After his maiden win at Hollywood, the Bob Baffert trainee was sidelined by an abscess, but showed he was ready for a return to the races with a bullet five-furlong drill in :57 4/5 at Del Mar Aug. 9. Sent off the 1-2 favorite yesterday, Roman Ruler was out of contention early after a tardy beginning. Forced to steady when longshot **Wetherly** (Expelled) broke down midway on the turn, Roman Ruler inhaled the leaders in upper stretch and pulled away effortlessly. "My horse was just terrific," said winning rider Corey Nakatani. "Bob [Baffert] and I spoke about him before the race and we said we were going to get him some education today. I was just going to sit on him and get him to relax. We weren't so concerned about winning. But he was so much the best that he just went ahead and won real easy anyway." Wetherly suffered a fractured left foreleg and had to be euthanized.

PIONEERING

Mr. Prospector - Terlingua, by Secretariat 2005 Fee: \$5,000 live foal

Denizen of Deauville... (cont. from p.1)

Whipper burst onto the scene at Deauville last August as the shock winner of the G1 Prix Morny and came back to finish fourth in the G1 Middle Park S. at Newmarket before taking the G2 Criterium de Maisons-Laffitte in October. The colt was fifth in the G1 English 2000 Guineas May 1 before his runner-up effort in the Prix Maurice de Gheest. "He could go for the G1 Prix du Moulin de Longchamp [Sept. 5] or the G1 Queen Elizabeth II S. [at Ascot Sept. 25], but his ultimate goal is the GI Breeders' Cup Mile [at Lone Star Park Oct. 30]." Whipper will renew rivalry with runner-up **Six Perfections** there, according to the Niarchos Family's Racing Manager Alan Cooper. "A mile on soft is slightly too far and she cannot quicken," Cooper said. "She will go straight to the Breeders' Cup Mile now." The 6-4 punters' choice **Attraction (GB)** (Efisio {GB}) assumed her customary front-running style, but found little for pressure inside the final quarter and was soundly beaten. "The ground was too dead and that's what beat her," explained trainer Mark Johnston. **Click for the [Racing Post chart](#) or [brisnet.com pedigree](#).**

Albanova continued her ascent toward the elite of the middle-distance division by recording a second Group 1 success in the space of a fortnight. The grey relished the soft ground when winning the G1 Deutschlandpreis at Dusseldorf last time July 25 and was always traveling easily in a stalking third off the fractions set by High Accolade here. Short of room at the eighth pole as that rival veered towards the rail, she was switched by Terence Hellier and quickened to reel in the long-time leader inside the final 50 yards before asserting for a cosy score. Albanova, who has found her ideal conditions in Germany, may return to the country for the G1 Grosser Preis von Baden Sept. 5 before a tilt at the G1 Prix de l'Arc de Triomphe Oct. 3. **Click for [Racing Post chart](#) or the [brisnet.com catalogue-style pedigree](#).**

Margins: 6HF, 3 1/4, NO. Odds: 1.70, 9.90, 16.40. Also Ran: Ender's Sister, Rings and Things, Pilfer.

First out of the starting gate, Capeside Lady was in front at every pole and crossed the finish line an easy winner under jockey Chris DeCarlo. The three-year-old, a winner in three of her four starts at two, returned after a seven-month layoff to be third against fellow New York-breds in the Bouwerie S. at Belmont Park May 16. She came back against open company in the June 12 Funistrada S. and was third again, then shipped to Monmouth for the Little Silver S. Originally scheduled to be run on the grass, the Little Silver was moved to the main track and Capeside Lady capitalized on the surface switch, leading every step en route to an eye-catching 13 1/2-length victory. DeCarlo, who was in the irons for that effort, used the same tactics to take the Oaks. "I didn't know if I would have to use her to make the lead or if they would leave us alone out there," DeCarlo said. "She broke sharp and I let her run out of there, but then I eased her back and she settled beautifully. She was just loping along--she has a high cruising speed. At the quarter pole, I peaked back and saw someone coming. I chirped to her once and she hit a whole new gear." Ender's Sister, the crowd's choice after running second in the July 17 GII Delaware Oaks, tracked the early pace, moved into second after six furlongs, but faded in the final furlong to be fourth. "I was in good position," jockey Cornelio Velasquez said. "At the 5/8ths pole, I started to put pressure on the leader, but [Ender's Sister] just wasn't handling the track. She didn't run very well at all." Ace had been left in tomorrow's G1 Juddmonte International S. until being diverted to this easier task and he showed why he deserved such a lofty entry with a decisive first stakes success here. Successful in a Navan maiden on his belated debut June 11, he followed up in convincing style in a conditions race over course and distance last time July 24 and took this step up in grade in stride. Settled in a stalking second throughout the early stages by Jamie Spencer, he took command approaching the quarter pole and needed only to be kept up to his work as Hamairi stayed on to fill the runner-up spot. "He has a lot of class and is a great mover," trainer Aidan O'Brien said. "The plan was to give him four runs this season and we will now go for G1 Queen Elizabeth II S. [at Ascot Sept. 25]."

Consigned to tonight's sale by River Edge Farm, agent, the dark bay filly by Benchmark is out of Quiet Romance (Bertrando), making her a full sister to the talented Silent Sighs, winner this year of the GI Santa Anita Oaks. [Hip 56](#) may also catch the bidders' eyes when she is in the ring. By popular and successful California stallion Swiss Yodeler, the daughter of Really Rising (For Really) is a 3/4-sibling to 2003 GI Santa Anita Derby winner Buddy Gil (Eastern Echo). The Mar. 2 foal is consigned by Mary Knight, agent for Billingsley Creek Ranch. RACING ROUND TABLE CALLS FOR UNITY

Attendees at Sunday's 52nd annual Jockey Club Round Table Conference on Matters Pertaining to Racing heard a call for the adoption of uniform medication rules; a presentation on the threats to purses imposed by off-shore internet wagering firms and betting exchanges; and a rousing tribute to Tim Smith on the eve of his departure as NTRA Commissioner. Held at the historic Gideon Putnam Hotel in Saratoga Springs, NY, the Round Table traditionally provides a forum for The Jockey Club and NTRA to highlight their achievements of the past year and focus on issues of importance facing the racing industry. In his opening remarks to the large gathering of racing industry leaders in attendance, TJC Chairman Ogden Mills Phipps stated that, "I can't remember when our industry faced so many serious challenges as it does today." John T Ward, Jr, a Kentucky Derby-winning trainer and President of KTA-KTOB, addressed the issues of uniform medication rules and procedures. "The time is now and unity is essential," he proclaimed while calling for all racing jurisdictions to comply with the recommendations of the Uniform Medication Rules and Procedures document. To date, just under half of racing's 38 state regulatory bodies have adopted the standards developed by the NTRA and Jockey Club. William S Farish, Jr, son of the former U.S. Ambassador to the United Kingdom, reported on the efforts of the NTRA's Political Action Committee. To date, over \$360,000 has been raised to support initiatives that positively impact racing. Of the 36 House and Senate committees in Washington, just three control the key legislative issues that most affect the sport: taxation, internet gaming, and agriculture. The Wagering Systems Task Force Report will be published in September, 2004. Greg Avioli, the NTRA's chief operating officer, provided a preview of some key findings. Rebating, piracy of signals, leakage and betting exchanges have become hot topics in racing industry board rooms. After these topics are put in the context of the disturbing 2003 business trend of lower purse distribution from a one-percent increase in national handle, Avioli warned that, "We have come to understand that electronic wagering is both our greatest strategic advantage and our biggest threat."

A Safe Bet...

The Wagering Systems Task Force calls for the racing industry to demand: technology upgrades to totalisator systems; activation of a strong national office of wagering security; and a renewed focus on the source of every wager. Maurits Bruggink from the International Federation of Horseracing Authorities (IFHA) outlined how betting exchanges operate and the potential threat they pose to racing unless an equitable commission can be returned to rights holders. "It is in the best interests of racing to [aggressively] protect its revenue and intellectual property rights," Bruggink maintained. When outlining the IFHA's Good Neighbor Policy that has been adopted by many racing countries, Bruggink explained that, "No one should be able to offer betting without the express permission of the host track and bets should not be offered to citizens of countries where the practice is illegal." The Round Table concluded with Tim Smith delivering a light-hearted look back at his six-year tenure at the NTRA through the cartoons of Pierre Bellocq, well-known artist for *Daily Racing Form*.

FLORIDA DERBY MAY MOVE TO APRIL

Gulfstream Park's GI Florida Derby, a major stop on the Triple Crown trail, may move from its traditional mid-March date to early April, according to *Daily Racing Form*. "I think it will give the Florida Derby more stature going into the Kentucky Derby and it will keep our horsemen there a little longer," Gulfstream Racing Secretary Dave Bailey explained. The Florida track's three-year-old stakes program would likely start with the GIII Holy Bull S. in early January, which would be run at 7 1/2 furlongs or one mile, depending on town approvals for construction of a one-mile chute. After the Holy Bull would be the Aventura S. in early February, the GII Fountain of Youth S. in early March and the Florida Derby on the first weekend of April. The complete Gulfstream stakes schedule will likely be released in September.

Mystery Giver Injured in Million:

Mystery Giver (Dynaformer), who finished 10th in Saturday's GI Arlington Million, came out of the race with an injury to his right hind leg. "There are no chips and no fractures," said principle owner David Block. "We'll wait for the swelling to go down after a couple of days and then we'll do an ultra-sound to see if there's a rupture of the suspensory or something like that, but in the meantime, he's resting comfortably. He's a good patient." The six-year-old gelding was coming off a runner-up effort in the July 24 GIII Arlington H.

Gelded over the winter, Golden Commander captured an Aqueduct allowance Apr. 21 and came back to run third in the Kingston H. at Belmont May 23. He missed by a half-length in an open allowance June 18 and hadn't been out since. Allowed to settle into stride, the dark bay enjoyed a ground-saving trip, came up the fence in the stretch and got by favored Foreverness to earn his first stakes victory. "I was confident with all my fingers crossed," quipped winning trainer Phil Serpe. "He struggled with this kind of turf, but he's just at his best right now. IDEALISTIC (IRE) (f, 3, Unfuwain--L'Ideale, by Alysheba) was third in her last three outs, most recently at Lingfield July 21, and started as the 8-13 pick this time. The choice enjoyed an uncontested lead for most of this one and, pushed along when pressed at the three-furlong pole, she lengthened clear of her rivals inside the final quarter to account for Turn 'N Burn (GB) (Unfuwain) by an eased-down 2 1/2 lengths. Lifetime Record: 5-1-3-0, £7,714.

He did it to Epalo (Ger) a fortnight ago and Foreign Affairs was out claiming more high-profile scalps as he denied Vinnie Roe a third success in this contest. The veteran has found a new lease of life this term, winning the Listed Prix Lord Seymour at Longchamp Mar. 25 and beating the G1 Singapore Airlines International Trophy winner Epalo by a nose in the Listed Globetrotter Trophy at Cologne Aug. 1. Confirming his status as giant killer here, he was taken to the front in the early stages by Jimmy Quinn and dictated his own terms before quickening decisively on the turn into the straight. Despite the steady late progress of Vinnie Roe, he clung to his advantage in game fashion to cause the upset. Winning conditioner Sir Mark Prescott was not at the track, but Vinnie Roe's trainer, Dermot Weld, commented, "[Vinnie Roe]'s not getting any quicker, he was beaten by a better horse on the day. All being well, we'll go back to The Curragh for the [G1] Irish St Leger [Sept. 18]."

Settled in a stalking second throughout the early stages, the full to Blueberry Forest (Ire), GSP-Ger, SP-Ity, \$108,630, challenged inside the final quarter before leading at the eighth pole to comfortably beat High Reef (Fr) (Shareef Dancer) by two lengths. Settled in mid-division throughout the early stages here, the 11-2 second choice quickened impressively approaching the final eighth and cut down the 1-2 pick Mona Lisa (GB) (Giant's Causeway) with 50 yards remaining before holding that rival's rally by a short head.
