PACIFIC PERFECTION

Of all the questions posed before yesterday's GI Pacific Classic at Del Mar--Would **Perfect Drift** (Dynaformer) finally break through this season? Could **Choctaw Nation** (Louis Quatorze) remain unbeaten?--there proved only one correct answer: its name was

Pleasantly Perfect
Benoit photos

Pleasantly Perfect (Pleasant Colony). The bay, who was given a 4 1/2-month vacation following his gritty victory over Medaglia d'Oro in the Mar. 27 Dubai World Cup, ran a forgivable if slightly disappointing runner-up to Choctaw Nation in the GII San Diego H. at Del Mar Aug. 1, but showed once again why he's widely regarded as the top horse in training. Persuaded to settle under Jerry Bailey, the Richard Mandella trainee began picking off rivals entering the far turn,

forged to the lead in upper stretch and kept the game Perfect Drift at bay by a measured length. **Cont. p2**

A WIN OF EPIC PROPORTIONS

Divine Proportions (Kingmambo) came through her biggest test with flying colors to provide the Niarchos family with their fourth renewal of the G1 Prix Morny Casinos Barriere at Deauville yesterday. With the ground riding very soft after days of rainfall, the unbeaten filly was reserved off the pace set by **Layman** (Sunday Silence), but raced keenly in the hands of Christophe-Patrice Lemaire. When he asked her to quicken inside the final quarter, she picked up in impressive style to reel in the long-time leader with 125 yards remaining and assert for a 1 1/2-length success. Divine Proportions had proved her effectiveness on faster surfaces in the G3 Prix du Bois at Chantilly June 28 and the G2 Prix Robert Papin at Maisons-Laffitte July 25. "She is all class," trainer Pascal Bary said. "She is quite exceptional and can quicken on all types of ground. She has such a fluent action that she travels with great ease and that makes it easy for her." The Niarchos family's Racing Manager Alan Cooper confirmed that Divine Proportions will head straight to the G1 Prix Marcel Boussac at Longchamp Oct.3. "We're delighted to win this race again and I notice she clocked the same time as Machiavellian," Cooper said." **Prix Morny cont. p2**

NONETTE VOIDED

Officials at Deauville were forced to declare yesterday's G3 Prix de la Nonette void after three riders raced on despite a false start. **Shapira (Ger)** (Kornado {GB}) led home **Polyfirst (Fr)** (Poliglote {GB}) and **Green Swallow (Fr)** (Green Tune), but, after the race, jockeys Jiri Palik, Olivier Peslier and Jamie Spencer discovered that the remainder of the field had pulled up because one on the stalls had opened slower than the others. The race has been rescheduled for either Friday or Sunday of next week's meeting. France Galop's General Manager Louis Romanet explained, "We had no choice than to cancel, as we had to take into account the betting interests of the public." The three jockeys who continued to race in were suspended for four days and fined €1,000 each.

Back Where He Belongs...

Stepping out onto the national stage in a big way last fall, Pleasantly Perfect built off a victory in the GII Goodwood Breeders' Cup H. to stage the 14-1 upset in the GI Breeders' Cup Classic. A three-month break did nothing to dull his edge and he came back to win the GII San Antonio H. by four lengths in late January, then

Pleasantly Perfect sweeps past Total Impact

shipped to Dubai to win the World Cup in impressive fashion. Off until the Aug. 1 GII San Diego H., he placed second there, a result that didn't sit well with trainer Richard Mandella. "I've been eating my heart out for the last three weeks because he lost the San Diego," revealed Mandella. "I felt responsible for that loss. He shouldn't have that loss on his record. I put too

much speed into him before the race and he was too keen." The towering bay was a bit too eager early on here, according to jockey Jerry Bailey, who explained, "He was a little fresh leaving the gate, but he got the idea before he hit the first turn to settle. He just wanted me to call on him." Mandella didn't name Pleasantly Perfect's next target. [Click for the brisnet.com chart](#) or the [free brisnet.com catalogue-style pedigree](#). Close but No Cigar...Again

For the fourth time in five starts, Stonecrest Farm's Perfect Drift filled out the exacta in stakes competition. In his last two the five-year-old gelding found only Roses in May too strong--first in the July 3 Cornhusker Breeders' Cup H. and then in the Aug. 7 GI Whitney H. With no reprieve expected facing the likes of Pleasantly Perfect, Perfect Drift showed a nice turn of foot through the lane to fill out a 'Perfect' exacta. "Second again, but it took the world's greatest horse to beat him," philosophized trainer Murray Johnson. "If he can finish second in races like this, I don't care if I don't win another race."

The six-year-old veteran Evening Attire proved he still has what it takes to compete at the top level with a compelling five-length victory over the popular Funny Cide in yesterday's feature at Saratoga. The gray, winner of the GI Jockey Club Gold Cup in 2002, finished second to last year's Kentucky Derby winner in the Apr. 3 GIII Excelsior Breeders' Cup H. at the Big A, then was a well-beaten second to Midway Road in the GIII Ben Ali S. at Keeneland 19 days later. A fourth in the May 14 Pimlico Special and a fifth in the June 19 GII Massachusetts H. ensured healthy 7-1 odds this time, but Evening Attire looked the consummate pro winning for the first time since taking a Saratoga allowance last August. The gelding was content to sit off the leaders as crowd's choice Funny Cide pressed the pace wide into the first turn, then swept into contention on the far turn. A dead-game Funny Cide locked horns with Bowman's Band turning for home, but neither could mount a challenge to the hard-charging Evening Attire. "It's been kind of a dry spell with him, but he's always run hard and he's had some trips that have been unbelievable," said winning trainer Pat Kelly. "We won't run in the [Sept. 11, GI] Woodward S. I guess we'll think about the [Oct. 2, GI] Jockey Club Gold Cup again if we can get it cold or rainy or snowy or something." **Click for the [brisnet.com chart](#) or the [free brisnet.com catalogue-style pedigree](#). Whortleberry gained the rewards for all her hard work in competitive fillies' contests when winning the G3 Prix Minerve at this track last August. She finished fifth in the G1 Prix Vermeille at Longchamp the following month before going down by a nose when runner-up in the G2 Prix de Royallieu back at that track in October. She rounded off her campaign by taking the G2 Premio Lydia Tesio in Rome and may have needed her return outing when fourth in the G3 Prix d'Hedouville at Longchamp May 6. She performed with credit under a penalty when fourth in the G2 Prix Corrida at Saint-Cloud May 31 before a disappointing sixth in the G2 Prix de Pomone at this venue last time Aug. 7. A 10-1 shot this time, she was settled in a stalking third throughout the early stages of this contest, quickened through the mud at the top of the straight to head Chorist at the eight pole and asserted in the closing stages. "Last time, she couldn't keep up with the pace, so we worked her in blinkers and she worked well," trainer Francois Rohaut explained. "The softer ground was the key factor. She will go for the G1 Prix Vermeille [at Longchamp Sept. 12]. If she copes with a mile and a half there, she will go for the G1 Prix de l'Arc de Triomphe [at Longchamp Oct. 3], but if she needs to drop back to 10 furlongs, she will go for the G1 Prix de l'Opera." **Click for the [racingpost.co.uk chart](#) or the [free brisnet.com catalogue-style pedigree](#).**

Gold Medallist led from pillar to post to cause a major upset in this staying contest made a severe test in the prevalent deep ground. Last year's Listed Bahrain Trophy scorer was eighth in the G1 St Leger at Doncaster in September and had shown nothing in his three starts this term to suggest he was up to winning at this level. After finishing sixth in the Listed Aston Park S. at Newbury May 15, he trailed in seventh in the Listed Esher S. at Sandown July 3 and fourth in the Shergar Cup Stayers' H. at Ascot last time Aug. 7. But, dictating his own terms throughout this contest under Richard Hughes, he applied the pressure from the front in the straight and ploughed his way to the line as Brian Boru and Cut Quartz failed to find the necessary reserves to make a fist of it. Gold Medallist may be pointed at the G1 Melbourne Cup at Flemington Nov. 2. The late-developing Adreamisborn had raced only twice on the main track entering this race, but had won both efforts in convincing fashion. That was enough for his connections to try him here and the five-year-old gelding--still a maiden as early as February--rewarded them with his first graded tally. Adreamisborn, zero-for-seven in 2003, was switched from the East Coast to the West for his 2004 campaign and promptly broke his maiden by three lengths in the slop at Golden Gates Feb. 26. Moved to the lawn, he won a pair of Bay Meadows allowance races in April and May, then two starts later finished second in the Foster City H. over that course June 20. Given a shot on the dirt in the July 11 Alamedan H. at Pleasanton, he made up 12-length deficit after the first call to win the mile-and-a-sixteenth race by a length for trainer Jerry Hollendorfer. Given a 4-1 chance to take in his graded debut, the big son of the late Kris S. was off slowly and had only one horse beaten after the first quarter. As Metatron (Silver Ghost) continued to zip along on the front end over a sloppy surface, Adreamisborn employed his long stride to move into contention. He overtook the tiring Metatron at the top of the lane and ran on strongly to stave off fellow closer Demon Warlock by a length on the wire. [Click for the brisnet.com chart](#).

GALILEO COLT TOPS DEAUVILLE OPENER A colt from the first crop by Epsom and Irish Derby winner Galileo (Ire) (Sadler's Wells) attracted a bid of €550,000 to top the opening session of the 2004 Deauville Yearling Sale yesterday. Consigned by Patrick Chedeville's Haras du Petit Tellier, the Irish-bred half-brother to dual Group 1 winner Vespone (Ire) and Group 3 winner La Sylphide (Swi) was purchased by Demi O'Byrne, agent for Coolmore. He is from the family of Group 1 winners Vallee Enchantee (Ire), Volga (Ire) and Vin de France. David O'Loughlin, representing Coolmore, said, "He was the big, scopey type of horse we like to buy, with a lovely pedigree, and he should be a nice three-year-old. The fact that he is by Galileo is important to us, as he is one of our most promising young stallions, so we want to buy the best products. It won't be decided until November, but in all probability he'll go to Ireland and will be trained by either Aidan O'Brien or David Wachman." Consignor Chedeville was more than pleased with the sale. "I am very happy," he said. "The horse's owner was very realistic about the reserve price and the colt's quality has made the difference. This was not a foal sharing and it shows how well Coolmore supports its stallions." He added, "The market seems to be very sane, there are buyers with money to spend. It might be that the market will rise again and that is probably good news for the French breeders who make big efforts and deserve it." Galileo was also responsible for the day's co-top selling filly, which brought €400,000. The Coolmore resident had seven go through the ring, bringing an aggregate of €1,395,000 and an average of €199,285.

Sense of Style...

English agent Hubie de Burgh went to €450,000 for the evening's second-best selling yearling, a son of Anabaa--Style for Life (Ire) (Law Society) consigned by Haras de la Reboursiere et de Montaigu. A half-brother to Group 1 winner Night Style (Fr), he is from the family of 2004 G1 Irish Derby winner Grey Swallow (Ire). "First of all, this was a very good looking individual with a sire pedigree from a very active family, and he is by Anabaa, a sire that I rate very highly," de Burgh said. "I bought the horse for Richard Barnes of the Bahamas--he campaigned Group 3 winner Steel Princess (Ire) this year in France with trainer Richard Gibson, who will also handle that colt. Mr Barnes has recently established Grangecon Stud in Ireland and he intends to build an elite broodmare band." Aliette Forien of Haras de La Reboursiere et de Montaigu, remarked, "This was an exceptional animal and I am happy with the price. His sister sold for €420,000 last year at the same sale." Forein added, "The sale has started quite well, there are no holes in the market and it is most encouraging. You can see that the potential buyers are there and that they really want to buy."

Two for the Home Team...

A filly by the great Sadler's Wells out of Sister Dot (Secretariat) was the first to warm up the crowd at Deauville, bringing a bid of €400,000 from French agent Frederique Sauque. Consigned by Haras d'Etream, the bay is a half-sister to American champion Dehere (Deputy Minister). Her full brother, now named Winter Palace (Ire), topped last year's Deauville sale at €900,000. Sauque was back later in the evening, securing a filly by Galileo (Ire) for €400,000. From the Pegasus Farms Ltd consignment, the yearling is out of Altana (Mountain Cat), a half-sister to GI Breeders' Cup Classic winner Arcangues from the family of Aquarelliste (Fr) and Cape Verdi (Ire). "I have bought both for the same man, a Swiss client of mine," Saque said. "Both were bought for the same reasons, a great female family, and both are good individuals. The first one is by Sadler's Wells and there is no risk there, and I believe strongly in Galileo as a sire, he has all the right credentials. Both will race in France and will be bred after their racing career, but it has not yet been decided who will train. At this time, they head to the Haras de Victot to spend six weeks in the paddocks."

A Solid Start...

With the Agence Francaise conducting its traditional August yearling sale under a new four-day format for the first time, it was difficult to compare yesterday's first session with the 2003 opener. The complete results will tell the story when the sale comes to a conclusion on Wednesday. But, with 80 yearlings catalogued yesterday, compared to only 60 on the first day last year, the market looked quite solid. There was a lot of international activity Sunday evening, with active buyers from England, Ireland, Japan, Italy, Germany, Hong Kong and the U.S. But domestic demand was also very strong, with French agents or trainers buying 31 lots, almost half of the horses selling. "It has been a very active and consistent market throughout the evening," said Philippe Augier, president of Agence Francaise de Vente du Pur Sang. "I noticed that a lot of different buyers have been active, foreign and domestic." He added, "It is too early to say what the influence of the new format is. Let's wait until [Monday evening's] session, when the figures will then be comparable to last year's first three days."

GIII Sands Point S. winner **Mambo Slew** was a well-beaten fifth in her debut over Saratoga's main track last August, but returns a year later with a solid resume on the lawn. The three-time stakes winner followed the June 13 Sands Point at Belmont with a tilt in the GI American Oaks Aug. 6 at Del Mar and didn't disgrace herself, finishing sixth of 13. Trainer Patrick Biancone expects improvement from his charge with a return to the East Coast. "She had a tough time out in California," said Biancone. "But she's been working well since that race. Everything shaped up fine so far. We bring her along the best we can, and this was a good spot for her. We just hope she runs well." Her chief rival appears to be **Lucifer's Stone**, who completed the exacta in the Sands Point. The bay finished fifth, beaten 3 1/2 lengths, in the Aug. 2 Lake George S. at the Spa in her most recent.

SOUTH BAY COVE won the \$125,000 Ontario Debutante S.

Philly Park's Cotillion next for Ashado?

Trainer Todd Pletcher, whose **Ashado** (Saint Ballado) was in fine fettle following her third-place effort in Saturday's GI Alabama S., is considering the Oct. 2 GI Cotillion H. at Philadelphia Park for his star sophomore. Though the race, restricted to three-year-old fillies, may not be considered a typical stepping stone toward the GI Breeders' Cup Distaff--Ashado's ultimate target this season--Pletcher likes where the event falls on the calendar. "When you are looking at the Breeders' Cup, you want to put your horse on a nice schedule," explained Pletcher. "For the three-year-old fillies, it leaves you in a bad spot. If you come back in the [Sept. 11, GI] Gazelle H., it's too close to the Alabama and too far away from the Breeders' Cup. The [Sept. 18, GI] Ruffian H. is a week later and you're stuck in the middle, again. If you wait for the [Oct. 9, GI] Beldame S., it's 21 days before the Breeders' Cup and that's not an ideal spot, either. The Cotillion is the only thing I see. It's four weeks before the Breeders' Cup. It's the only race for three-year-old fillies that is in the right spot."

Midas Eyes Returns:

Midas Eyes (Touch Gold) makes his return in the seventh race at Saratoga Wednesday. The four-year-old faces five rivals as the 4-5 morning-line favorite in the \$51,000 allowance test at 6 1/2 furlongs. He captured the GIII Swale S. by 9 1/4 lengths at Gulfstream last March, but has not visited the winner's circle since taking the GIII Derby Trial last May. Eighth in the Oct. 25 GI Breeders' Cup Sprint, the Florida-bred bay finished second in the GI Cigar Mile H. in November and third in the GI Malibu S. in December, but has not been out since running fourth in the Feb. 7 GII Strub S. at Santa Anita.

Sightseek To Skip Personal Ensign:

Trainer Bobby Frankel has decided to skip a possible rematch with Azeri in Friday's GI Personal Ensign H. and instead point **Sightseek** (Distant View) toward Belmont's Fall Championship meet, reports *Daily Racing Form*. Both mares were assigned 122 pounds for the 10-furlong event. In their latest, Azeri soundly beat Sightseek in the GI Go For Wand H. at the Spa. "I'm not running," Frankel told *DRF*. "It's just a combination of things. [NYRA Racing Secretary Mike] Lakow said I wouldn't have beaten her at equal weights, so why isn't he giving me weight?" Still, Frankel said that the deciding factor wasn't weight. "It is not that much of an issue," the Hall of Famer explained. "I'd just rather wait until Belmont." Frankel said the Sept. 18 GI Ruffian will be Sightseek's likely target.

Winter Garden ended her 2003 campaign with three straight victories, but broke her streak in her 2004 debut, finishing second in the Apr. 18 Whimsical S. at Woodbine. The bay started a new skein in her next outing, however, taking the May 16 Gill Hendrie H., and made it two in a row in the June 6 Sweet Briar Too S. in her most recent effort. The odds-on choice to keep the run going, she vied for the lead through fast fractions, shook off one challenge at the top of the stretch, then outgamed El Prado Essence to the wire to take a narrow decision.

5th-WOX, \$57,000, Msw, 2yo, 7fT, 1:23 2/5, fm. **STAG NATION (c, 2, Running Stag--Class {SW & GSP}, by Thunder Gulch)** showed promise in a second-place finish last time in a \$25,000 optional-claiming event over this track Aug. 6, but was given little consideration at 32-1 odds for his turf debut. Far back early, the \$32,000 ADNMAR juvenile closed with determination 1 1/2 furlongs from home, was given a sound bump during the drive for the wire, but was unfazed and came on late to score a nose victory over 7-5 choice Purple Passage (Maria's Mon). Mystery Giver Out For at Least One Year:

It was confirmed yesterday that Team Block's MGSW **Mystery Giver** (Dynaformer), who emerged from the Aug. 14 GI Arlington Million with a leg injury, will be out for at least one year after an ultrasound revealed a ruptured suspensory ligament. Trainer Chris Block indicated that the status of the six-year-old gelding would be reevaluated at that juncture. Mystery Giver, winner of the Gil Mervin H. Muniz Jr. Memorial H. earlier this year, has earned \$1,165,900 with 11 wins in 33 starts.

No Set Plans for Roman Ruler:

Trainer Bob Baffert indicated Sunday that he has no concrete plans for his impressive GII Best Pal S. scorer **Roman Ruler** (Fusaichi Pegasus), but said that a tilt in the Sept. 8 GII Del Mar Futurity was not out of the question. "I don't really know what I'm going to do with him at this time," said Baffert. "I sort of have a plan in my mind, but I'm not talking about it now." Meanwhile, exercise rider Dana Barnes was sore but otherwise all right after being dumped by Roman Ruler while exercising the colt Saturday morning. Baffert's top workout rider has been given a few days off to recuperate. Roman Ruler was uninjured in the incident.

Another promising two-year-old from the Baffert barn, the undefeated filly **Inspiring** (Golden Missile), is likely to make her next start in Saturday's seven-furlong GI Del Mar Debutante S. The Bob and Beverly Lewis colorbearer is coming off a front-running victory in the Aug. 7 GIII Sorrento S. over the Del Mar surface. Baffert is also considering **Excessively Nice** (In Excess {Ire}) and **No Bull Baby** (Indian Charlie) for the race. Both fillies broke their maidens at Del Mar at first asking earlier in the meet.

Del Mar Oaks Top Two Look for Rematch in QEII:

Saturday's GI Del Mar Oaks winner **Amorama (Fr)** (Sri Pekan) and second-place finisher and beaten favorite **Ticker Tape (GB)** (Royal Applause {GB}) are likely to meet up once again in the \$500,000 GI Queen Elizabeth II Challenge Cup at Keeneland Oct. 16. While calling it a rivalry might be premature, the two are certainly familiar with each other: Amorama's victory Saturday followed a series of six straight defeats to Ticker Tape.

Emma Bovary Out for the Year:

MGSW **Emma Bovary (Chi)** (Edgy Diplomat) will miss the rest of the 2004 racing season, according to the *Daily Racing Form*. A winner of four of five starts this term, including the GII Princess Rooney H. at Calder July 10, Emma Bovary was originally slated to contest the GI Ballerina H. at Saratoga Aug. 29, but Golden Gate-based trainer Larry Ross canceled those plans Friday. "Up to this week, we were going to go, but maybe the last two works were too much for her," Ross told *DRF*. "She's just a bit dull. She left a little grain in her feed bucket Wednesday and her blood work's a little off. We probably could have gone, but she's not quite herself. If you go back there, you want to go back there loaded for bear." Ross indicated the five-year-old mare will race again in 2005.

 pointed all his energy in the right direction to fend off a
 competitive field here. Switched off in rear by Davy

 front soon after, he quickened clear in a matter of
 strides to leave Mkuzi trailing in his wake.
