LION HEART HEADS TO ASHFORD

Lion Heart *Horsephotos*

GI Haskell Invitational H. hero **Lion Heart** (Tale of the Cat), retired after being injured in Saturday's GI Travers S., will ship from Saratoga to his new home at Ashford Stud early next week. The three-year-old will stand the 2005 season at the Versailles, Kentucky farm, but a stud fee has not yet been announced. "Lion Heart is in great spirits and will leave the barn next week to go to Ashford Stud," trainer Patrick Biancone confirmed yesterday, adding, "He's a highly intelligent and incredibly brave horse who has always been a pleasure to train. We'll miss him a lot. For sure, though, we are very happy he has come out of this with four legs and that he is going to the farm, where he will enjoy his life."

PLETCHER SHIFTS INTO OVERDRIVE

Trainer Todd Pletcher and jockey John Velazquez teamed up to take five races at Saratoga Monday, capping it off with a smart 1 1/4-length victory with **Ocean Drive** (Belong to Me) in the Gill Ballston Spa Breeders' Cup H. The ultra-game dark bay hadn't missed the board in seven 2004 starts, including a 2 3/4-length tally in the Gill Eatontown H. at Monmouth July 10 and a third to Wonder Again in the GI Diana H. over this course July 31. Well placed in second here as **Sand Springs** (Dynaformer) took her customary lead several lengths in front of the pack, Ocean Drive began to make up ground with an inside run on the turn, shifted into the two path while overtaking the pacesetter in upper stretch, then lengthened clear to prevail with something left. "After the Diana, we focused on this [race]," said Pletcher. "She's a terrifically consistent filly and, when spotted properly, she's very good. A mile and a sixteenth is probably her best distance." Of his first five-win day, Pletcher added, "The way our Travers Day went (0-for-10), nothing went right. Then, a couple of days later, everything goes right. Five wins is pretty special." *Ballston Spa chart, p2*

If you were looking for two stallions at opposite ends of the physical spectrum, you could hardly find a pair as different as Rahy and Pleasant Colony. Whereas Rahy is small and short-legged and stands just over 15 hands, Pleasant Colony was a very tall and leggy individual who pushed the measuring stick to almost 17 hands.

As Storm Cat has major winners out of daughters of each of these stallions, namely Giant's Causeway and Forestry, he clearly doesn't need one particular type of mare to bring out the best in him. After all, this remarkable stallion--at 16 hands--is a medium-sized individual who should suit either extreme.

But I have always had a sneaking suspicion that Storm Cat is particularly well suited to mares by big, rangy stallions.

Scan down the list of the broodmare sires responsible for Storm Cat's many graded winners and you will find that Pleasant Colony was by no means the only one that stood 16.2 hands or over. Among the others are Affirmed (16.2), Deputy Minister (16.2 1/2), Grey Dawn II (16.3), Saratoga Six (16.3), Lycius (16.2 1/2), Caro (16.3), Fappiano (16.3) and Graustark (16.3). There are also several others, such as Alydar, Hawaii and Private Account, who stood just under 16.2 hands. *Cont. p4*

"He didn't like getting dirt in his face, but once I switched him to the outside, he ran sharply and finished in a good time."

Andrew Caulfield cont. from p1

Now the name of another big horse has been added to the list, thanks to the victory of Sweet Catomine in the GI Del Mar Debutante S. on only her second start. She is out of a daughter of Kris S., a 16.3-hand Goliath. She has inherited a good measure of Kris S.'s size, judging by the post-race comments of winning trainer Julio Canani.

"I haven't trained this winner very hard because she's so big," he related.

Sweet Catomine is also the latest reminder that Storm Cat is well suited by mares whose pedigrees include another massive individual, Hail To Reason. Giant's Causeway's second dam is by Hail To Reason's son Roberto, while Roberto's sons Lear Fan and Kris S. both rank among the broodmare sires of Storm Cat's graded-stakes winners. Lear Fan's daughters have produced Dessert (GI Del Mar Oaks) and this year's English Group-3 winner Phantom Wind.

Moving on to Halo, another of Hail To Reason's sons, he is the broodmare sire of Harlan and Van Nistelrooy and also sired the second dams of the Group 1-winning French filly Denebola and the Grade I-placed Marino Marini. Hail To Reason himself figures as the sire of the second dam of the Grade I-winning Catinca.

Breeders are inevitably also trying this type of cross with Storm Cat's stallion sons and have so far been rewarded with those top-class performers Habibt (by Tabasco Cat) and Lion Heart (by Tale of the Cat).

When I wrote about Kris S. in connection with Kicken Kris a few weeks ago, I mentioned a comment made by Doug Cauthen after Kris S.'s death two years ago.

"His biggest influence might be as a broodmare sire...his colts are popular, but long term, his fillies will be jewels," he said.

Sweet Catomine follows Gradepoint (by A.P. Indy), Senor Swinger (by El Prado) and Royal Place (by Out of Place) as the fourth graded winner this year out of a Kris S. mare. I suspect that we will see many more once Kris S.'s best daughters are in full production. Remember, his fee didn't rise above \$5,000 until his ninth season at stud, in 1990, and he didn't move to Kentucky until 1994.

I certainly don't want to denigrate the mares which provided Kris S. with so many good performers, including three Breeders' Cup winners, during his time in Florida. Kris S.'s Florida-bred daughters have gone on to supply such good winners as War Chant and Ladies Din. That said, there must be every chance that his Kentucky-bred daughters--all sired at fees of \$40,000 or more--will do markedly better. The eldest of these Kentucky-bred daughters of Kris S. are now nine years old.

Sweet Catomine's dam, Sweet Life, is an eight-year-old from Kris S.'s second Prestonwood crop. She was a good racemare, winner of the Providencia S. on turf as a three-year-old and runner-up to Happyanunoit in the GI Beverly Hills H. at four.

Sweet Life was the first Kentucky-conceived foal of her dam Symbolically, who had previously been a regular visitor to Pirate's Bounty at River Edge Farm in California. Three of Symbolically's five foals by Pirate's Bounty became stakes winners and it was no doubt the promise shown by her daughter Pirate's Revenge, who was to win the GI Milady H. in 1995, which encouraged Mr. and Mrs. Wygod to seek wider opportunities for Symbolically in Kentucky. That decision is now paying off handsomely and Julio Canani predicts that Sweet Catomine will be a very nice filly as a three-year-old. I wouldn't disagree with him.

Saratoga Seat Lottery Set for October:

The New York Racing Association will move the lottery for seats for the 2005 Saratoga season to Oct. 31, 2004. Explaining the decision to push the lottery ahead 3 1/2 months, NYRA Vice President of Customer Service Cathy Marino said, "In recent years, people did not receive confirmation of their ticket orders until spring. Because of the time factor, Belmont S. tickets were going on sale shortly afterwards. That created a delay handling ticket requests. By starting at an earlier date and creating better separation between the deadlines for our major events, we expect people will know sometime in January how they fared in the seat lottery." The applications for reserved seats at Saratoga must be postmarked by Oct. 31 to be included in the lottery. Orders postmarked after that date will be processed in chronological order. First priority will be given to those requesting the same number of seats for the same location for every day of the meet. There are also VIP packages available, which offer four clubhouse seats, four clubhouse admissions, four programs and a preferred parking space for the entire 36-day meet for \$5,000, or two seats, admissions, programs and a parking space for \$2,750. Prices for reserved seats on weekends have been raised \$1 in the grandstand and \$3 in the clubhouse. The prices on weekends are now: \$15, \$13 and \$12 for the clubhouse and \$7 and \$8 for the grandstand. Weekday prices are: \$12, \$10 and \$9 in the clubhouse and \$6 and \$7 in the grandstand. Seats on Travers Day are \$25, \$23 and \$22 for the clubhouse and \$17 and \$18 for the grandstand. For more information, call (800) 814-7846.

Purge Exits Travers with Slight Bruise:

Starlight Stable's **Purge** (Pulpit) came out of his fourth-place effort in Saturday's GI Travers S. with a slight foot bruise, according to trainer Todd Pletcher. "He was a little bit lame after the race, but now he's fine," explained Pletcher. "He bruised an inside quarter. It seems like it was a rough track on feet." Pletcher, currently the leading trainer at Saratoga, indicated the injury won't force the colt to miss significant training time. "At this point, he'd be ready to go back to the track now if I wanted to take him," he said. Another runner from the Pletcher barn, Eugene and Laura Melyk's MGSW **Strong Hope** (Grand Slam), worked five panels at Saratoga yesterday in :59 1/5 in preparation for Saturday's GI Forego H. It was the second-fastest of 29 works at the distance.

Lady Tak in Fine Shape After Ballerina Win:

Lady Tak (Mutakddim) came out of her scintillating victory in Sunday's GI Ballerina H. at Saratoga in good order, according to Scott Blasi, assistant to trainer Steve Asmussen. "She looks excellent," said Blasi. "It was a grueling race. She ran every step of the way. She'll be rewarded for her effort. This was the race we've been pointing for all year." Blasi, who will appear as the trainer of record this week for the barn as Asmussen serves a suspension, said the diminutive four-year-old will likely get some time off before making her next start.

[Hip 99](#), consigned to the sale by Gabriel Thoroughbreds, agent, is a half brother to Crawfish King (Just a Cat), who won the July 10 Pioneer S. by 7 1/2 lengths. Elloluv Tries Get Back on Track in Minor Stakes:

Elloluv (Gilded Time), a major player in the three-year-old filly division last year, but off the board in her last three, all versus graded company, will try to get reacquainted with the winner's circle when she drops in class in Thursday's \$75,000-added Piedra Foundation H. at Del Mar. Highweighted at 122 pounds, Elloluv will be giving from five to nine pounds to a field of seven. The bay, winner of the GI Ashland S. at Keeneland in April of 2003, came off a runner-up finish in the GI Breeders' Cup Distaff to be sixth by 12 lengths in the Dec. 27 GI LaBrea S. at Santa Anita. Following a seven-month respite, she struggled home sixth in the July 10 GII A Gleam H. and again hit that spot in the Aug. 8 GII Clement L. Hirsch H. at Del Mar.

VALLEYS SET FOR CUP RETURN Juddmonte Farms' **Three Valleys** (Diesis {GB}) looks likely to renew rivalry with his G1 Phoenix S. conqueror **One Cool Cat** (Storm Cat) in Saturday's G1 Haydock Sprint Cup. Off the track since finishing down the field in the G1 2000 Guineas at Newmarket May 4, last year's G2 Coventry S. scorer will revert to sprinting for the six-furlong contest if the ground continues to dry. Trainer Roger Charlton told *PA Sport* that Three Valleys "prefers fast ground, but if it was good that would be okay." Susan Magnier's One Cool Cat, who had Three Valleys back in third when they met in the Phoenix S. last term, headed the 24 remaining at the five-day declaration stage. Last year's winner **Somnus** (GB) (Pivotal {GB}) will be partnered by Michael Kinane after it was announced earlier in the week that Gary Stevens, who had partnered the four-year-old to success in the G1 Prix Maurice de Gheest at Deauville last time Aug. 8, was returning to the United States. Other notables: John Deer's G1 Prix de l'Abbaye winner **Patavellian** (Ire) (Machiavellian), who his trainer Roger Charlton stated "doesn't want fast ground," Lucayan Stud's G1 Nunthorpe S. winner **Bahamian Pirate** (Housebuster) and Jan Hopper and Elizabeth Grundy's G1 July Cup heroine **Frizzante** (GB) (Efisio {GB}). Conditioner Henry Candy is keeping one eye on the weather for **Airwave** (GB) (Air Express {Ire}), who disappointed when sixth on similar conditions in the Nunthorpe last time. "The problem for her is that the others don't go fast enough when it is heavy and she is too keen. She fights her jockey and doesn't finish."

VICTORY MOON INJURED Victory Moon (SAf) (Al Mufti--Dancing Flower {SAf}, by Dancing Champ), off since finishing third in the G1 Dubai World Cup in March, will miss the remainder of the racing season with injury and may be retired from racing, according to *Racing Post*. The five-year-old captured last year's G3 UAE 2000 Guineas and G3 UAE Derby, as well as this season's G3 Maktoum Challenge-Round 2 and G2 Maktoum Challenge-Round 3. After the World Cup, he was transferred from South African trainer Mike De Kock to Andrew Balding. "He's had an injury and won't run again this year," confirmed Balding. "A decision still has to be taken about whether he will race again." Victory Moon has won six of 12 starts and earned \$2,412,816.

Space Shuttle boasted solid form before gaining a deserved nursery success at the York Ebor meeting last time Aug. 17. Sent off at odds of 12-1 making his first step into stakes company here, he put his experience to maximum use to outbattle a select group of rivals. Settled in a stalking third throughout the early stages, he raced wide of his rivals who became bunched off the moderate early fractions set by Abraxas Antelope. Ridden passing the halfway mark, he responded by striking the front with quarter of a mile remaining and maintained his advantage all the way to the line despite the game rally of that rival.

NIGHT OF JOY (IRE) (f, 2, King's Best--Gilah {Ire}, by Saddlers' Hall {Ire}), successful in her previous out at Nottingham Aug. 18, raced a shade keenly behind the leading pair in the opening stages until finding a rhythm before halfway. Angled to the inside with 2 1/2 furlongs remaining, the 9-2 chance eased to the front soon after, was safely clear at the eighth pole and ran on well thereafter to hold the late thrust of Lady Misha (GB) (Mister Baileys {GB}) by 1 1/4 lengths. The winner was a 70,000gns TATOCT yearling. Lifetime Record: 4-2-0-0, £16,205. O-Saif Ali; B-Roundhill Stud & A Stroud; T-M Jarvis.

Keen in the early stages in third, the even-money pick quickened to lead at the eighth pole and had enough in hand to hold the late flourish of Battle Chant (Coronado's Quest) to score by 3/4 of a length. The winner is a half brother to Simple Exchange (Danehill, SW-Ire & GSW-US, \$248,980). Lifetime Record: SW-Ire, GSW-Eng & GSP-UAE, 15-5-5-2, £176,446.
