### FALLON ARRESTED IN RACE-FIXING SCHEME

Six-time champion jockey Kieren Fallon was one of 16 people arrested yesterday as part of an investigation into alleged race fixing. Fallon, fellow riders Fergal Lynch and Darren Williams and trainer Karl Burke, were the subject of nationwide police raids for alleged conspiracy to defraud, revolving around corruption and fixing races, understood to involve more than 80 races over the last two years. Detective Chief Superintendent Steve Wilmott, representing the City of London Police,

**Kieren Fallon (left)**  
Chris Brown/Action Plus

told the *BBC* yesterday, "We have amassed a large amount of information, including computer records and documentation seized today, and will now commence the detailed task of examining it all." The Jockey Club's Director of Public Relations John Maxse explained that the investigation was passed on to the police earlier this year. Fallon was facing a charge of bringing racing into disrepute as a result of an expose in the Sunday newspaper *News of the World*, which alleged in March that Fallon and John Egan had been involved in fixing races. Jockeys' Association Chief Executive John Blake told the *BBC*, "It appears very serious indeed. The police have amassed a huge amount of evidence which they will now go through. Of course it is very damaging to the reputation of racing, very damaging to the reputation of trainers and jockeys potentially and it's a great concern to us." Blake later told *Sky News* that the Association will offer full support to the three jockeys arrested yesterday. "We represent all the professional jockeys in the country and are offering support to the jockeys as we speak, although I don't actually know where two of them are being held." He revealed that it was a "surprise" that Fallon, who he described as "a very public figure," was involved. He added, "The betting landscape has changed in the last few years in terms of betting exchanges and I think that is the important point to make. But the headlines are not great for racing and we would be the first to admit that."

### FAIR GROUNDS BOUGHT BY CHURCHILL

Churchill Downs Inc. (CDI), which owns racetracks in California, Florida, Illinois, Indiana and Kentucky, has finalized a deal to purchase the New Orleans Fair Grounds. The agreement, struck just minutes before a Tuesday midnight deadline, will allow Churchill to buy the track's assets for a reported \$47 million. On August 16, horse owner Mike Pegram and Fair Grounds struck a deal which was to give the Washington native an 86-percent interest in Fair Grounds, with the Krantz family, current owners of the facility, retaining an 11 percent share. Churchill

Downs had originally expressed an interest in purchasing the track, but withdrew their offer Aug. 14. But late last week, the Louisville company re-entered the fray and extended a new offer to purchase the historic oval. Pegram was

Fair Grounds Horsephotos

given the chance to make a new competitive bid, but declined the offer. "The board had an obligation to consider all offers and to accept the best and highest offer," said Bryan Krantz, president and general manager of the Fair Grounds. "In the end, the Churchill proposal, valued at \$47 million, is most favorable for our unsecured creditors and minority stockholders." Added CDI President and CEO Tom Meeker, "Fair Grounds, with its rich tradition and winter race schedule, is an excellent strategic fit for CDI. We look forward to working with Bryan Krantz and the Louisiana horsemen to deliver an outstanding meet in November and in the years to come. We are eager to become a part of the New Orleans community." The deal with CDI must still be approved by bankruptcy court. Upon closing, Fair Grounds will be required to pay all its debtors in full, including the Louisiana HBPA, which was originally owed \$89 million in purse shortages, but agreed last month to accept \$25 million to settle that debt.

Raffelberger caused a stir when upsetting Swedish Shave (Fr) in the Listed Prix Cor de Chasse at Maisons-Laffitte Apr. 6, before finishing fourth in the Listed Prix Sigy at Chantilly Apr. 30. He disappointed when only seventh in the G3 Holsten-Trophy at Hamburg July 3 before filling the fourth spot in the Listed Prix du Cercle at Deauville last time July 31. Racing in a stalking third early under Andreas Suborics, he tackled the long-time leader Lucky Strike inside the final quarter and had that rival's measure passing the eighth pole. Despite the late rattle of Key to Pleasure, the sophomore had done enough to capture the illustrious prize of the 'golden whip' for his jockey. Raffelberger is from the first crop of the tough sprinter Auenadler, who captured the G3 Grosser Preis von Berlin and G3 Benazet-Rennen and finished runner-up in this race in 1998. Red Bloom was the long-time ante-post favorite for the G1 1000 Guineas based on her defeat of Sundrop (Jpn) and Punctilous (GB) in the G1 Fillies' Mile at Ascot in September. Fourth behind Attraction (GB) in the Newmarket Classic May 5, she was coaxed back to the track for a second crack at that rival, but again failed to land a serious blow when third in the G1 Coronation S. at Ascot June 18. Returning from a break to take on the colts in this contest, Red Bloom raced keenly in the hands of Kevin Darley off the tepid early tempo and looked temporarily flat-footed when wound up for her run at the top of the straight. Responding to her rider's urgings, she hit the front with 1 1/2 furlongs remaining before winning the bunch-finish from Salselon, who Frankie Dettori had failed to urge past the game filly in the closing stages. "She's a special filly," Cheveley Park Stud's Racing Manager Chris Richardson said of Red Bloom. "It was a muddling race today and she'd been off a while, but Kevin gave her a great ride and she enjoyed the ground, so hopefully we can get her back on track. There are options abroad and she might go for the G1 Prix de l'Opera [at Longchamp Oct. 3]." [Click for the Racing Post race chart](#).

**GANDER INJURED, RETIRED** The hard-knocking **Gander** (Cormorant--Lovely Nurse, by Sawbones) sustained a fractured short pastern bone in his left foreleg while breezing at Saratoga yesterday and will be retired from racing. The eight-year-old grey is scheduled to undergo surgery tomorrow at Rood and Riddle in Lexington, Kentucky. "The vet told me this kind of fracture is extremely rare, and it is an unusual bone to break," said John Terranova, who trained the gelding for Gatsas Thorough-

breds. "The horse is in his stall and he's comfortable. Everyone's pretty devastated, but we're thankful that it wasn't worse." Acquired by Theodore Gatsas as a two-year-old for \$50,000 at OBS March, Gander broke his maiden at Saratoga in his second start that season. At three, he captured two of the biggest races for New York-breds--the Albany H. and the Empire Classic H.--before making a name for himself during his four-year-old campaign in 2000 with a second in the GI Jockey Club Gold Cup and thirds in the GI Woodward and the GI Saratoga Breeders' Cup H. He earned over \$500,000 at five, winning the GI Meadowlands Cup and finishing third in both the GI Donn H. and the GI Whitney H. Though the New York-bred had less success in the past two years, he still added scores the Empire Classic in 2002 and King's Point H. earlier this season, and ran fifth in what would be his final start in the Evan Shipman H. July 25. "He had a great career and I'm thankful for having had the opportunity to train him for most of it," Terranova added. Gander heads into retirement with a record of 60-15-10-9 and earnings of \$1,824,011.

Fait Accompli finished her juvenile campaign with a NW1X victory over New York-breds at Aqueduct in late December, then ran a solid third to Island Sand in the Busanda S. a month later. Off since, the bay was pushed along to keep in contact with the front under Aaron Gryder, but finally got rolling as they turned into the lane. Kept on the rail, Fait Accompli reeled in the pacesetter Leedle Dee and was up in time to deny that rival. "She really wasn't aggressive around the far turn, because she hasn't raced in eight months," said Gryder. "Once she switched leads, I thought we would be able to run down the field. [Trainer] Tom Bush really did a great job getting her ready off the layoff." Added Bush, "I was worried about [the layoff] for sure, but she's got a lot of try in her."

Ocean-hopping King's Drama first came to the States last summer, running third in the \$500,000 Virginia Derby and ninth in the GI Secretariat S. before being shelved for the winter. The Gary Tanaka colorbearer reappeared in France this spring and was well beaten in two group events at Saint-Cloud, then returned for another summer campaign in the U.S. He ran a credible fourth in the GI Manhattan H. on the Belmont S. undercard and, in his most recent, wired the field when dropping in to face \$100,000 optional claimers at Belmont June 27. Mirroring that effort, King's Drama lulled the field to sleep through six furlongs in 1:14 2/5, kicked clear despite failing to switch leads in upper stretch and rolled home an easy winner under jockey Jorge Chavez.

The Padua colorbearer, hammered down to 1-10 favoritism, was a menacing presence behind the leaders up the backstretch before collaring the pacesetting Storm Creek Rising (Storm Creek) in upper stretch. That foe did his best to match strides down the lane, but Proud Accolade shook loose leaving the eighth pole and strode clear by 5 1/2 lengths. The 22-1 longshot Storm Creek Rising, a half to Kentucky Oaks winner Ashado, held off Calypso Band (Dixieland Band) for second. Lifetime Record: 2-2-0-0, \$55,200. O-Padua Stables. The dark bay made his local bow Aug. 8 off a two-month break and tired to be fourth after contesting the pace. Sent off at 5-1 this time, Conservationist was in striking position from the start, angled out for running room in the stretch and wore down Forest Rhythm (Forestry) to graduate by a neck. "I don't know what was wrong with him," said Fernando Abreu, assistant to trainer Allen Jerkens. "We checked his mouth, his legs and we scoped him. Everything came back good. He'll be okay."

**Bending Strings (American Chance),** second to Society Selection in the GI Test S. July 31, worked six furlongs in 1:15 1/5 as she readies for a start in the GI Gazelle S. at Belmont Park Sept. 11. "She worked great," said Neil McLaughlin, assistant to his brother Kieran McLaughlin. "She went the five-eighths real good and finished well. Everything looks good so far." The winner of Belmont's seven-furlong GII Nassau Breeders' Cup S. in May, the dark bay was a close fourth in the GI Acorn S. going a one-turn mile June 4 and seventh in the GI Prioress S. prior to her effort in the Test. **RHYTHM MOVING AGAIN** Cheveley Park Stud's **Russian Rhythm** (Kingmambo) is recovering well from the setback that has kept her off the track since her success in the G1 Lockinge S. at Newbury May 15, connections announced yesterday. Last year's G1 1000 Guineas, G1 Coronation S. and G1 Nassau S. winner suffered a strain to her off-fore suspensory ligament soon after that Newbury victory, but Cheveley Park Stud's Racing Manager Chris Richardson yesterday issued an upbeat bulletin. "She's picked up and her work program is moving along now, so touch wood, we're hoping it will continue on," he said. "Her options include the G1 Queen Elizabeth II S. [at Ascot Sept. 25] and later on, if she needs more time, the G1 Sun Chariot S. [at Newmarket Oct. 2]. Every time you have a strain there is concern, but patience has paid off and fortunately recent scans have indicated that has settled." Richardson also revealed that Saturday's G2 Celebration Mile winner **Chic (GB)** (Machiavellian) also has the Sun Chariot S. as an aim. "The Sun Chariot would suit and she may stay in training next year, but that is for Mr. and Mrs. Thompson to decide," he added.

**ATTRACTION HAS MATRON DATE** Trainer Mark Johnston yesterday confirmed that the Duke of Roxburghe's **Attraction (GB)** (Efisio {GB}) is on course for next Saturday's G1 Matron S. at Leopardstown. The English and Irish 1000 Guineas and G1 Coronation S. heroine disappointed when last of 10 on soft ground in the G1 Prix Jacques le Marois at Deauville last time Aug. 15. "She's very very well and had a spin round with Mister Monet this morning," the Middleham conditioner said yesterday. "She's in great shape and should go for the Matron S., but you won't see her again until the word 'firm' appears in the going report."

Taken straight into a clear advantage in the early stages by Frankie Dettori, the G1 St Leger entry was always in complete control in the straight and was eased near the line to beat Secretary General (Ire) (Fasliyev) by a convincing 2 1/2-length margin. "He has always been an improving horse and this trip and ground suited him," commented trainer Saeed bin Suroor. "He won well and is in the St Leger, but you really need to take a group horse to that race and we have Rule of Law also. He is in the race and a decision will be made nearer the time." Subpoena holds an entry in the G1 Middle Park S. at Newmarket Oct. 1, was sent off at generous 10-1 odds and dwelt as the gates opened. Recovering ground quickly on the outside, he showed dash to lay up with the early tempo in third before challenging experienced rivals inside the final quarter. Getting on top at the eighth pole, he was pushed out by Philip Robinson to beat Paper Talk (Unbridled's Song) by two lengths.

"He's always been nice, but I haven't done a lot with him as he's a May foal," trainer Michael Jarvis said.

"He's in the Middle Park, but I wouldn't imagine he'll be stepping down in trip. He'll make a very good three-year-old." Subpoena, the 13th winner for his freshman sire (by Warning {GB}), is a half brother to Three Graces (Ger) (Peintre Celebre, MSP-Eng, \$150,787).
