### EYES ON THE PRIZE

**Midas Eyes**  
Adam Coglianesi

**Midas Eyes** (Touch Gold) earned his first Grade I score with a decisive 1 3/4-length victory over the late-running **Clock Stopper** (Gilded Time) in yesterday's GI Forego H. at Saratoga Race Course. The four-year-old was making his second start since running fourth in the Feb. 7 GII Strub S., but it was also his second in just 11 days. He returned from the lengthy layoff to take a Saratoga allowance test Aug. 25 and used that effort as a final prep for the Forego. "I was guessing, just like everyone else, how he would react," trainer Bobby Frankel admitted. "I was concerned about the 10 days between races, but, obviously, he is a good horse." **Forego cont. p2**

### RETURNING TO THE SCENE OF THE CRIME

**American Post** (GB) (Bering {GB}) and **Antonius Pius** (Danzig) return to the scene of this year's bizarre running of the May 16 G1 Poule d'Essai des Poulains for today's G1 Netjets Prix du Moulin de Longchamp. American Post started as the confident punters' choice on that occasion, but the support looked misplaced as Antonius Pius swamped him in the closing stages, only to stumble into the rail before the line. In the process, Aidan O'Brien's raider not only lost all chance, but also interfered with **Diamond Green** (Fr) (Green Desert), who did well to hold on for second. All three have been held winless since. Diamond Green was second in both the G1 St James' Palace S. at Royal Ascot June 15 and the G3 Prix Messidor at Deauville July 11, but Antonius Pius, third in the St James's, has been off the board in his two subsequent starts, including a fifth in the July 28 G1 Sussex S. last time out. American Post failed to see out the extra half mile when sixth in the June 5 G1 Epsom Derby and makes his first appearance in nearly three months. Explaining the triple Group 1 winner's layoff, trainer Criquelette Head-Maarek said, "He needed the break after the Derby. He had a hard race at Epsom and you can't run a horse when he's not at his best." The trio take on a field of top older milers. **Prix du Moulin de Longchamp cont. p5**

### ROSE TINTED

Bjorn Nielsen acquired **Tante Rose** (Ire) (Barathea {Ire}) from the dispersal of Wafic Said, and that proved yesterday to be an astute purchase as the filly flew late to deny **Somnus** (GB) (Pivotal {GB}) back-to-back successes in the G1 Stanleybet Sprint Cup at Haydock. Trained by Barry Hills during her sophomore campaign, Tante Rose was two-for-two for new conditioner Roger Charlton and arrived at Haydock off an impressive score in the G3 Summer S. at York July 9. "I had a vivid dream last night that she won," Charlton said after yesterday's score. **Stanleybet Sprint Cup cont. p2**

**Making Good on the Promise...**

**Midas Eyes** was pegged as one to watch after posting a 9 1/4-length score in the GIII Swale S. at Gulfstream Park in March of 2003 and came back to take the GIII Derby Trial in front-running fashion. But he went to the shelf after finishing second by a nose in the GII Riva Ridge Breeders' Cup S. in June and did not fare well in his comeback, finishing eighth in the GI Breeders' Cup Sprint. He ended the year with a

**Midas Eyes** Adam Coglianesse

second in the GI Cigar Mile H. in November and a third in the GI Malibu S. in December, but was shelved again after his fourth-place effort in the Strub. Bobby Frankel had him primed for his return, however, and the eye-catching bay responded with a 5 3/4-length allowance victory, stopping the timer for the 6 1/2 furlongs in 1:14 4/5, just two ticks off the track record. Let go at 7-2 in the Forego, Midas Eyes settled in third as first longshot **Yessirgeneralsir** (Patton) and then 9-5 favorite **Strong Hope** (Grand Slam) cut out fast fractions, but took over in the stretch and drew clear. "I bided my time, but at the same time I didn't want to give Strong Hope a little breather [because] every time he goes to the lead, he keeps on going," jockey Edgar Prado said. "My horse responded very well."

**The Favorite Falters...**

**Strong Hope** was also looking for his first Grade I success, but could not hang on. The four-year-old, winner of the GII Jim Dandy S. over this track last year, was coming off a third-place finish in the May 31 GI Met Mile. He was in front after a half in :44.91, but weakened in the final furlong and finished fourth. "It was a disappointment," trainer Todd Pletcher said. "He didn't run as well as I expected. It looked like he was going to put up a fight until the eighth pole, when he took a funny step. [Jockey John Velazquez] didn't know why he did it." Added Velazquez, "I don't know what he saw. I thought he was going to hold on for second, but then he just lost his momentum."

Proving that her trademark acceleration was effective at the highest level, 10-1 Tante Rose swooped from rear to claim the prize in the final stride. "She came to me late and we've given her plenty of time as she had a few problems, but these are the days that make that make the difficult ones worthwhile," trainer Roger Charlton said. Campaigned strictly at six furlongs this term while avoiding fast ground, the filly rewarded her connections' patience with successes in the June 5 Listed Cecil Frail S. over this course and in the Summer S. last time out. As for what the future holds for the winners, Charlton said, "I guess the G1 Prix de la Foret [at Longchamp Oct. 9] is the obvious race to try." He added that his third-place finisher Patavellian could bid for a repeat success in the G1 Prix de l'Abbaye de Longchamp Oct. 3. The 6-4 pick One Cool Cat (Storm Cat) had "every chance," according to jockey Jamie Spencer, but "simply did not pick up as I thought he would." He ran sixth. Juddmonte homebred Etoile Montante gave trainer Bobby Frankel his second graded-stakes win of the day --and his sixth victory in this event--with a determined score here. The winner of the G1 Prix de la Foret in her French finale last October, the chestnut filly started off her U.S. career with an eventful 11th-place finish in the GI Matriarch S. in November. She opened 2004 with a win in the Apr. 4 GIII Las Cienagas H. at Santa Anita, but disappointed in her next three tries, missing by a nose when second as the 7-10 chalk in the May 1 GII Argent Mortgage S. at Churchill and third behind stablemate Intercontinental (GB) at 7-10 in the June 5 GII Just a Game Breeders' Cup H. at Belmont. Freshened after that effort, she came back to be fourth as the 3-5 chalk in the Aug. 11 Osunitas H. at Del Mar, but was tighter for that run. The four-year-old, favored once again yesterday, stalked the pace from second as an over-eager Notting Hill (Jules) led them along. Etoile Montante cut into the pacesetter's lead as they raced around the far turn, got on even terms at the top of the stretch and drove clear, holding off the late charge of Katdogawn to the wire. The even-money favorite Adoration took her career bankroll over the \$2-million mark with this wire-to-wire effort. After surprising nearly everyone with her front-running victory in the GI Breeders' Cup Distaff in October, the bay lost her next two starts, but rebounded to take the GI Santa Margarita H. at Santa Anita Mar. 14. She came up second best in the GI Vanity H. at Hollywood before coasting over a sloppy Churchill strip to land the GII Fleur de Lis H. June 12. With Victor Espinoza in from Del Mar for the ride, Adoration broke alertly and set out in front, striding along through fractions of :48 3/5 and 1:12 3/5 while chased by a valiant Tamweel. Espinoza asked the favorite for more in the stretch and the five-year-old responded, stretching her advantage to two lengths under the wire. "I knew I had the best horse in the race and that made it easier for me," said Espinoza. "It was just a hand ride."

After taking the G2 Yorkshire Cup, G1 Grosser Preis von Baden and G1 Preis von Europa, Mamool was injured in the G1 Melbourne Cup at Flemington in November. He only made it back to the track for the G3 Prix Gontaut-Biron at Deauville Aug. 14, where he finished a creditable third on easier ground than ideal. Keen in a stalking second throughout the early stages of this contest, he quickened to pass the long-time leader Bandari at the quarter pole and had too many guns for Alkaased in the closing stages. "I love this fellow and he's a proper Group 1 horse," jockey Frankie Dettori said. "The team have done a great job to get him back after 10 months and he's a brave horse. The first run took him to 95 percent and he'll improve again for this." Dettori confirmed the five-year-old on course for a repeat bid in the Australian showpiece Nov. 2. "We had a bad time there last year, but he's the right horse for the race so we have to go again," he said.

He handled the step up to seven furlongs on easy ground when winning a competitive nursery at Newmarket last time July 8. Returned to six on this lively surface by his new trainer Clive Brittain, he proved he had adequate speed for this test by traveling smoothly just off the pace set by Council Member and Frankie Dettori. He joined that rival approaching the eighth pole and was driven out by Kieren Fallon to assert in the closing stages.

**Mubtaker**, on the board in every one of his 18 starts, tackles only his second race at this level, but proved he could hack it with the best when second to Dalakhani (Ire) in the G1 Prix de l'Arc de Triomphe at Longchamp last October. He returned to capture the G2 Geoffrey Freer S. for the third time at Newbury Aug. 14. Conditioner Marcus Tregoning explained the decision to take in this contest. "He had an easy race at Newbury and we need to think about his future in terms of stud and winning a Group 1 race and this could be a good opportunity," he told *PA Sport*. "I have had enough time to get him back and hopefully he should run well."

**Warrsan** and **Gamut** complete an overseas contingent that is among the finest ever assembled for this race. The former took his second consecutive renewal of the G1 Coronation Cup at Epsom June 4 before finishing second to Refuse to Bend (Ire) in the G1 Eclipse S. at Sandown July 3. He is on a recovery mission after disappointing when ninth in the G1 King George VI & Queen Elizabeth Diamond S. at Ascot July 24. Gamut, who finished fourth on that occasion, represents the Sir Michael Stoute stable responsible for the 1996 winner Pilsudski (Ire). He had previously shown a liking for an easy surface when winning the G1 Grand Prix de Saint-Cloud July 4, so conditions could be key here.

**Moyglare Stud S. cont.**

Aidan O'Brien always has a major say in the outcome of the domestic juvenile contests and it is no surprise that he has captured three of the last four renewals of this race. **Silk and Scarlet** carries Ballydoyle's main hopes this time, having won the hotly contested Listed Silver Flash S. at Leopardstown July 14 before beating Luas Line (Ire) and **Chelsea Rose** in the G2 Debutante S. over course and distance Aug. 8. She is opposed by the speedy **Jewel in the Sand**, who stretches out an extra panel after impressive scores in the Listed Albany S. at Royal Ascot June 18 and the G2 Cherry Hinton S. at Newmarket last time July 6. Conditioner Richard Hannon, who took this in 1993 with Lemon Souffle (GB), told *PA Sport*, "She's done very well since the July meeting and it is just a question now of whether she will get the trip." Of the more unexposed types, **Pictavia** and **Saoire** are interesting contenders. The former represents the Jim Bolger stable responsible for two previous winners and she had **Umniya** and **Slip Dance** behind her when finding the top-class Damson (Ire) two lengths too strong in the Listed Swordlestown Stud Sprint S. at Naas last time June 7. Saoire upset the highly regarded Mona Lisa (GB) in a Leopardstown maiden last time Aug. 15 and warrants respect, having been supplemented earlier in the week.

**Prix du Moulin de Longchamp cont.**

**Lucky Story** is a fascinating contender, having spent almost 12 months off the track after winning the G2 Champagne S. at Doncaster last September. He bustled up subsequent G1 International S. runner-up Norse Dancer (Ire) on his return before going down by a short head to that rival in the G3 Sovereign S. at Salisbury last time Aug. 12. With two also-rans going onto group success in the last week, that form is looking strong and he may at last be ready to justify his trainer's lofty opinion of him. **Whipper** adds further lustre to a strong cast of milers and he proved he stays this far when beating Six Perfections (Fr) in the G1 Prix Jacques le Marois at Deauville last time Aug. 15. Of the older generation, last year's G1 Premio Vittorio di Capua winner **Le Vie dei Colori** shaped well on his debut for his new yard when third in the G1 Sussex S. at Goodwood last time July 28. "He has been pleasing us and he seems to be a horse that is improving," commented trainer Luca Cumani.

**Domestic Dispute** headed to Nad Al Sheba after taking the Feb. 7 GII Strub S. by a neck over **During**, but failed to factor in the Mar. 27 G1 Dubai World Cup, finishing sixth. The four-year-old was freshened after that intercontinental adventure, returning to rally for second in the seven-furlong GII Pat O'Brien Breeders' Cup H. over this track Aug. 15. He should appreciate the extra furlong here. **During** started the year with a game win in the Jan. 10 GII San Fernando Breeders' Cup S. and also shipped to Dubai after the Strub, but fared little better than Domestic Dispute, running sixth in the G2 Godolphin Mile. The dark bay made his comeback in the Aug. 1 GII San Diego H. at Del Mar and held on for third, but faded in the final drive of the Aug. 22 G1 Pacific Classic to be fifth. He shortens up off that 10-furlong test. **Supah Blitz** makes his West Coast debut. The Florida-bred four-year-old, second in five of nine starts this year but still winless on the season, was sold privately after finishing a neck runner-up in a Delaware Park allowance Aug. 9. He also filled the place spot in the GIII Skip Away H. at Gulfstream Park in March and the GIII Texas Mile at Lone Star in April.

**TIM SMITH SAYS NO TO NYRA** Tim Smith, who was expected to assume the role of CEO of the New York Racing Association after stepping down as commissioner of the National Thoroughbred Racing Association, has decided to turn down the job, it was announced yesterday. Explaining the decision, Smith said in a prepared statement, "I have the highest regard for the NYRA, the New York Thoroughbred horsemen and breeders and all those connected with the game in the state. After nearly a month of consideration, however, I have reached the conclusion that I can make a bigger contribution to racing in New York by working on a new business model for the industry than in racetrack operations." Added NYRA Chairman and CEO Barry K. Schwartz, "We respect Tim's decision and wish him the best in his new endeavors. We are very pleased that Tim remains interested in the ongoing efforts to preserve and enhance Thoroughbred racing."

Swither had shown good speed in each of her two previous outings in New York-bred company, finishing third at Belmont June 10 and filling the same position at Saratoga Aug. 13. Making her first venture outside of the Empire State, the bay went up to set the pace as heavily favored Elke kept tabs on her. But Swither said sayonara at the quarter pole, lengthened her stride and was kept busy on her way to a 10-length triumph. "I think after her last race that just really tightened her up," said winning trainer Tom Albertrani. "She got a little tired in her last start at Saratoga and she just seemed a lot more aggressive since that race and a little more on her game today. With two races, she had some experience under her and she just seemed after her last race to put her mind more on business. Right now, there are no plans for her. She is a New York-bred. We could wait for something later on at Belmont in the fall."

Queens Plaza went straight to the front and never looked back to capture the Sorority S., a race marred by the fatal breakdown of Paragon Queen (Lord Carson). Following an educational seventh-place finish in her July 1 career opener at Belmont, Queens Plaza wired an off-the-turf contest at the Elmont oval July 25, but was the longest shot on the board in this short field. Breaking from the inside, the dark bay had the lead by a length after a quarter in :22.10 and was well clear of the

Queens Plaza Equi-Photo

stricken Paragon Queen, who broke down on the backstretch. Queens Plaza kept on going on the front end and earned her first stakes victory. "We had confidence in her coming into this race," said winning trainer Tom Bush. "I'm really delighted to win this race for her owners, who bred her. It's nice to get some black-type in her. She's a small filly; she doesn't carry much flesh, so we'll give her some time before her next start." Bush acknowledged that his joy was tempered. "It was really a shame to see that other filly go down," he said. "It really takes a lot away from it."

Sir Mark Prescott means business when he targets these contests and his enterprise paid off again as Hypnotic overcame a strong domestic defence to record his first stakes success. Racing in fourth early under Jean-Bernard Eyquem, he was wound up for his challenge on the turn into the straight, responded gamely to lead with 100 yards remaining and comfortably held the fast-finishing River Bride.
