RECORD EQUALLED AT TATTS THURSDAY

The Tattersalls Autumn Horses In Training Sale record price of 525,000gns was equalled at yesterday's final session of the 2004 auction when progressive handicapper **Kehaar (GB)** (Cadeaux Genereux {GB}) was bought by John Ferguson on behalf of Godolphin. The

Tattersalls

three-year-old, who has won three of his four starts, matched the price paid by Godolphin for Firebreak (GB) at this venue in 2001. Ferguson outbid California agent Emmanuel de Seroux as well as Irishman Hugo Merry for the colt. "Sheikh Mohammed has admired the horse through the course of the year so we were interested when he came up for sale," explained Ferguson. "He

will go out to Dubai and be campaigned in the Godolphin blue next season. Although it's not up to me, I doubt whether he will run in Dubai over the winter." Strong international demand helped the sale's 18.6-million guineas aggregate beat last year's record by 21 percent, while the 21,698gns average and 12,000gns median were up respectively by seven percent and nine percent. Tattersalls chairman Edmond Mahony commented: "Last year's Autumn Horses in Training Sale produced phenomenal figures, with turnover up nearly 30 percent, and the average up 25 percent. This looked to be a tough act to follow, but this has been a very strong sale with record figures across the board for the third consecutive year. Obviously the individual highlight was Mikael Magnusson's smashing colt Kehaar, but we have also had more lots sell for 200,000gns and above than ever before, and fierce competition from start to finish between the huge numbers of overseas buyers and the British and Irish buyers, both Flat and National Hunt. The real feature of the sale has been the consistency of the demand at every level of the market, top, middle and bottom. There have been no holes, and it is encouraging for owners that they can bring their horses in training to this sale and receive such good returns. Owners can have confidence that there is a good solid market for their horses which can only encourage continued participation in the sport." *Stats and Toppers p5*

IN THE GOLD OUT OF THE CUP

In the Gold (Golden Missile) has been withdrawn from the Breeders' Cup Juvenile Fillies after coming down with a fever late Wednesday afternoon. "It's a drag," admitted trainer Nick Zito. "She was doing great." In the Gold was coming off a third-place effort in the Oct. 8 Gil Darley Alcibiades S. at Keeneland. Originally part of the Breeders' Cup Head2Head wager, the filly has been replaced by **Play With Fire** (Boundary). The three-way wager will now consist of **Culinary** (El Amante), **Sharp Lisa** (Dixieland Band) and Play With Fire.

Bowman's Band (Dixieland Band) may be a 50-1 longshot in the Classic, but don't count him out. The hard-knocking six-year-old is trained by "The Giant Killer" Hall of Famer H. Allen Jerkens. "They've accused me of that before," Jerkens said of the moniker. "But I never have been all that comfortable with it. You work hard, try to get your horses in the right spots and try to get lucky." Among his historic upsets: Horse of the Year Kelso was defeated three times by the Jerkens-trained Beau Purple; Handsome Boy upset Buckpasser in the 1963 Widener H.; Secretariat was twice beaten by Jerkens trainees; and 34-1 outsider Wagon Limit defeated champion Skip Away and Gentlemen (Arg) in the 1998 GI Jockey Club Gold Cup. "I look back on all that we've done and I feel good about it," Jerkens said. "But the thing about this game is that there is always something else to accomplish. For us, we've never won a Kentucky Derby or one of these Breeders' Cup races. It would be nice to do that now." Jerkens has a chance to earn that first Cup win with another longshot Saturday. "Bowman's Band is an old pro and he has been training right," he said. "So you're hoping to get a piece of the pie and maybe get lucky, too." *Breeders' Cup cont. p. 2*

Afleet Alex (Northern Afleet) zipped his way to four straight victories, including a gritty win in the GI Hopeful S., but the colt suffered his first loss while tackling this 1 1/16-mile distance in the GI Champagne S. That loss doesn't worry trainer Tim Ritchey. "He can rate; he can show speed; he can come from out of it; he can come off the pace; he's very pliable that way," Ritchey said. "It gives us an advantage." Ritchey admires what his precocious colt has already accomplished. "Any horse who wins by 12 lengths his first time out without any urging and 3/5ths off the track record that stood for about 25 years, it's pretty obvious [that he's special]. I'm lucky and proud to be associated with a horse like Afleet Alex. Horses make trainers."

V05 F/M TURF, \$1,000,000, 3yo/up, f/m, 1 3/8mT

Ouija Board (GB) (Cape Cross {Ire}) was a solid third-place finisher against the boys in the Arc, but will be staying against her own sex for her follow-up in the Breeders' Cup. "We had been hearing how good Kitten's Joy was from you lot [the American press] and Lord Derby and I had a long chat about it and decided on running against her own sex," explained trainer Ed Dunlop. "Next year if she comes back, there's always [the Turf]." Dunlop added that Ouija Board was training well for the Breeders' Cup. "She came out of her race in the Arc better than any race this year because I think she is getting mentally stronger. She put all her weight back on in about eight days. She got a bit far back in the Arc and may have been a little unlucky, but she appears now to be as good as she's been all year."

Six Perfections (Fr) (Celtic Swing {GB}), looking to become the fourth dual winner of the Breeders' Cup Mile, has started only three times since her win in last year's Mile and has yet to win. But trainer Pascal Bary thinks his four-year-old filly has a good shot in Saturday's race. "I'm quite confident she will run well Saturday," Bary said. "She looks very well and she's very happy here, so I'm happy with her. This track is about the same as Santa Anita. She ran well there last year and she should have the same kind of race this year."

Storm Flag Flying (Storm Cat), looking to make Breeders' Cup history by becoming the first horse to win two different Cup races, had trainer Shug McGaughey in a reflective mood yesterday. "When you think about how I started out as a relatively young trainer with Personal Ensign and what it's all led to, it's incredible," McGaughey said. The Kentucky native saddled Personal Ensign to a dramatic win in the 1988 Distaff. Personal Ensign is the dam of My Flag, who McGaughey sent out to a win in the 1995 Juvenile Fillies. Storm Flag Flying provided McGaughey with a third-generation Breeders' Cup triumph in the 2002 Juvenile Fillies. "She ran two years ago as a hyped horse," McGaughey said yesterday at Lone Star Park. "She came here under the radar. I think standing here right now, she's the best horse in the race. What's going to happen, who knows?" The Distaff will be the final start of Storm Flag Flying's career. The four-year-old filly will be bred to A.P. Indy next year.

DARLEY ANNOUNCES STUD FEES Darley Stud, the breeding operation of Sheikh Mohammed bin Rashid al Maktoum, has released its stud fees for 2005, which reflect the current state of the European bloodstock market. John Ferguson, the chief bloodstock advisor to Sheikh Mohammed, wrote a thorough analysis of the current European bloodstock market, which accompanied the release. In his opinion, supported by statistical evidence, to make a blanket statement that the market is down "around 15 percent" is misleading and that it is more accurate to report that the top 30 percent has seen decreases while the rest of the market has remained "largely static" versus 2003. With this in mind, Darley has announced that the stud fees for their "elite-market" stallions--Dubai Destination, Red Ransom and Fantastic Light--will be reduced for the 2005 breeding season. Cape Cross, who has been represented by 11 stakes winners to date, will see his fee increased from €20,000 to €50,000. The majority of the stud fees remain unchanged. Darley is interested in demonstrating that their customer is their chief concern. "Our commitment is to helping breeders maximize their rewards from breeding racehorses--which means providing top-class stallions and minimizing their production costs," Ferguson commented. "The Darley deal starts with our stallion fees. There are all sorts of interesting terms for the right mares. We are always prepared to help with the transport costs of getting mares to our stallions." For a full text of the John Ferguson analysis, please go to www.darleystallions.com.

This race has an open feel to it despite the presence of the G2 Gimcrack S. winner **Tony James**. After relishing York's deep ground when winning the Gimcrack Aug. 18, he may have found the quick surface of Longchamp against him when last of six in the G1 Prix Jean-Luc Lagardere last time Oct. 3. **Centifolia** put in a dismal display when trailing in last in the Listed Criterion du Bequet at La Teste de Buch Aug. 8, but bounced back in impressive fashion when beating subsequent Listed winner Chantilly Beauty (Fr) in a Chantilly conditions event Sept. 28. Her four-length defeat of **Salut Thomas** in the Listed Criterion de Vitesse at this track last time Oct. 15 suggests she has a live shot here. **Campo Bueno** showed improved form on a soft surface when beating the smart Silent Name (Jpn) in the Listed Prix Herod at Deauville last time Oct. 20. Also in with a chance is **Kay Two**, who ran creditably under a penalty when third in the G3 Cornwallis S. at Newmarket last time Oct. 16 and holds **Prince Charming** on that form.

THOROUGHBRED DAILY NEWS

AROUND
THE WORLD

 **NORTH AMERICA** 

SONGANDAPRAYER ON THE MOVE Grade I winner **Songandaprayer** (Unbridled's Song--Alizea, by Premiership) has relocated to Hartley/De Renzo, Walmac South in Ocala, Florida from Marablu Farm for the 2005 breeding season. The six-year-old's first crop is yearlings of 2004. Songandaprayer won the 2001 GI Fountain of Youth S., was second in the GI Toyota Blue Grass S. and third in the GIII Jersey Shore Breeders' Cup S. "We are thrilled to add such a good-looking and well-balanced son of Unbridled's Song to our stallion roster," said Dean DeRenzo of Hartley/DeRenzo, Walmac South. "Being from the family of the leading Florida stallions Halo's Image and Montbrook, we know he is a perfect fit for the Florida mare population." Songandaprayer will stand for \$10,000 live foal and is the property of Bobby Hurley, Marablu Farm and Hartley/DeRenzo, Walmac South.

BERNSTEIN TO CASTLETON LYONS **Bernstein** (Storm Cat--La Affirmed, by Affirmed) will stand the 2005 breeding season at Dr. Tony Ryan's Castleton Lyons in Lexington, Kentucky. The two-time Irish Group 3 winner is a freshman sire this year and has 10 winners from 14 starters, including GIII Astarita S. winner Toll Taker and stakes winner Berbatim, who was second in yesterday's Jessamine County S. at Keeneland. "As a dual group-winning son of Storm Cat, out of the great producing mare La Affirmed, much was expected of Bernstein," said Julian Dollar, general manager of Castleton Lyons. "Now he has sired a graded stakes winner in his first crop and we are very delighted he is moving to Castleton Lyons." La Affirmed is the dam of graded stakes winners Country Cat (Storm Cat), Della Francesca (Danzig) and Caress (Storm Cat), the dam of Sky Mesa (Pulpit). Bernstein, who stood last season at Buck Pond Farm in Versailles, Kentucky, will stand next year for \$15,000, live foal.

The heavy favorite rated off the early pace while racing four wide. She moved into contention approaching the final quarter and wore down 42-1 outsider Berbatim late for the win. "She was kind of into the bit and when we got onto the backstretch, I thought, 'Just get clear and let her do her thing,'" explained winning rider John Velazquez. "We got to the front pretty easily and I was more concerned with the competition that was behind me, mainly [Kristin's Charm], who was stakes placed before. [Berbatim] had more left in her than I thought, and she gave me a good fight to the wire."

Coach Jimi Lee took a June 11 Arlington optional claimer by two lengths before vaning to Prairie Meadows to take the Iowa Sprint H. by a half length July 11. Given a break off that effort, the chestnut disappointed when last of five to Gold Storm in the Arlington Breeders' Cup Sprint H. Aug. 28, but was coming into this off a solid sixth-place finish, beaten 2 3/4 lengths by Champali, in the Gill Phoenix Breeders' Cup S. Oct. 8. The heavy chalk in this softer spot, Da Coach took over midway on the turn and outfought Deer Lake for the victory.

CLEAR FORECAST (c, 3, Sky Classic--Sunshine Holy Cow, by Two Punch) turned in a very promising debut effort over the quirky turf course at Kentucky Downs, finishing a close fifth, but was disregarded at 14-1 while facing winners in this spot. Reserved at the tail of the field over the good going, the dark bay advanced on the far turn, came through an opening between horses five wide into the stretch and rallied determinedly for a neck score over the turf-debuting Saturday Deelites (Afternoon Deelites). Lifetime Record: 2-1-0-0, \$33,022.

GO SILVER (f, 2, Silver Ghost--Ramie, by Fit to Fight) debuted with a second-place finish over a good Turfway Park surface Sept. 8 and was most recently a distant third at that oval Sept. 30. The 7-5 second favorite, the \$17,000 KEESEP yearling purchase put a head in front with three furlongs to race, was engaged by first-time starter Emmy's Storm (Stormy Atlantic) at the eighth pole, but turned back that rival to report home a 2 1/4-length winner. Officials Pleased with Experimental Tracking System:

Officials from Keeneland Race Course and Equibase are pleased with initial results from an experimental tracking system that has been tested at the current meeting. The system uses a radio-frequency transmitter placed in a horse's saddle towel and multiple antennas around the track to compute the horse's speed at different points on the track and how far a horse actually travels in a race. The information was collected by TurfTrax, a British data collection company. "We believe it's Keeneland's responsibility to cooperate with our partners such as Equibase to test technology that ultimately will provide racing's customers with more complete precise information," said Keeneland president Nick Nicholson. Races were tracked on four different dates before an actual demonstration took place on Oct. 22. Data sets from the demonstration were received after the races were tracked Oct. 22 and analysis will take place over the next few weeks. "Equibase is determined to find a system that is not only capable of accurately capturing the positional data, but also is economically feasible for industry deployment," said Equibase President Phil O'Hara. "We will continue to study automated tracking and we will continue to keep the industry informed as we do."

Fifth in a Saratoga allowance test Sept. 6, he was a well-beaten sixth in the Oct. 2 GI Hawthorne Gold Cup. Third through the opening six furlongs of this event, Kissin Saint came wide for the drive, was overtaken briefly by Trapped Again in deep stretch, but dug in gamely for the win.

Humoristic took a turf sprint at Colonial Downs by 1 1/2 lengths June 12 and tacked on a 1 3/4-length success in a one-mile event over that lawn June 29 before getting a break. In her most recent effort, the sophomore filly outran her odds when sixth at 46-1 in the GIII Martha Washington Breeders' Cup S. at Pimlico Sept. 25. The longest shot in this septet, the bay saved all the ground early, gained ground from that position into the stretch, came out for the drive and was going away late. Odds-on Torrestrella, off since finishing sixth as the favorite in the GI Garden City Breeders' Cup S. Sept. 11, was a disappointing fifth.

GINGER N SUGAR (f, 3, Gold Token--Northern Nation {MSP}, by Northrop) had made each of her three previous starts against state-breds over the inner track, breaking her maiden by three lengths at first asking Dec. 4 before posting a runner-up finish in a first-level allowance Jan. 21. Making her first appearance since registering a 9 1/2-length tally Feb. 25, the dark bay was made the 9-10 chalk despite the lengthy layoff. On the pace from the inside, the \$5,000 KEENOV weanling and \$40,000 FTMMAY juvenile kicked clear into the stretch and proved 2 1/4 lengths better than Neveah (Honor Grades). A €125,000 Goffs Orby yearling purchase, the bay colt showed promise at two, finishing a close third in the G3 Somerville S. and fourth in the G1 Dewhurst S. In his second start this season, Bachelor Duke earned his first career victory in the G1 Irish 2000 Guineas. He made just one more trip to the post, finishing seventh to Azamour (Ire) in the G1 St. James's Palace S. at Royal Ascot. "Bachelor Duke is just the sort of colt we are looking for as a sire--a very good-looking horse, with top class two-year-old form and a Classic winner over a mile at three," O'Connor told *Racing Post*. "He's by one of Mr. Prospector's best sire sons, and he comes from the immediate family of Nureyev, Sadler's Wells and Fairy King. All in all, it's a package that doesn't come up too often and we are delighted to get him."

DANIEL THOMAS (IRE) (c, 2, **Dansili** {GB}--Last Look {GB}, by Rainbow Quest) had placed in all four previous starts, most recently when runner-up at Doncaster Oct. 22, and went postward for this as the well-backed 4-6 pick. Moving into second at halfway after tracking the early lead, he was pushed to the front at the top of the short stretch and was ridden out in the closing stages to account for Chief Exec (GB) (Zafonic) by 2 1/2 lengths. The bay colt is the 14th winner from the first crop of his sire (by Danehill). Lifetime Record: 5-1-3-1, £9,930.

MORE ARRESTS IN RACE-FIXING CASE

Six more individuals have been arrested in the last week as the City of London Police continue their investigation into allegations of race fixing. While none of the new arrests involve trainers and jockeys, Detective Chief Superintendent Steve Wilmott yesterday stated that more arrests are imminent and that those on bail would return to the police next April. They include jockeys Kieren Fallon, Fergal Lynch and Darren Williams, as well as trainer Karl Burke. "We have made a large number of arrests, and we expect to carry out more over the next few months," Wilmott said yesterday. "This has grown into a huge investigation and will require more time and resources to fully investigate. For this reason we have taken the decision to extend their bail to early next year."

ON TO KILDARE

After the four-day bonanza at Newmarket, the relentless sale action switches to Co. Kildare today as Goffs host their one-day Horses in Training Sale. While the main emphasis will be on national hunt prospects, the 189-strong catalogue features a host of interesting types from Jon Oxx's Curragbeg Stables. Chief among them is hip 118, Darley's four-year-old **Sea Dart** (Diesis {GB}), whose form has tailed off after winning last year's G2 International S. at The Curragh. As ever, Moyglare Stud are represented and they offer hip 122, the recent Listowel-winning two-year-old colt **Set in Motion (Ire)** (Grand Lodge) from the family of **Be My Guest**. Ballydoyle offer hip 110, last year's Deauville August Sales topper **Winter Palace (Ire)** (Sadler's Wells), who is a half-brother to **Dehere**. Selling starts at noon. The full catalogue and updates can be found on www.goffs.com.
