STARS SHINING AT LONE STAR

Every year, Breeders' Cup day plays host to racing's greatest stars, and this year's edition at Lone Star Park in Grand Prairie, Texas, is no different. **Pleasantly Perfect** (Pleasant Colony) (Classic), **Six Perfections** (Celtic Swing {GB}) (Mile) and **Cajun Beat** (Grand Slam) (Sprint) will try and defend their respective titles, while

Azeri Coady photos

Storm Flag Flying (Storm Cat) and **Azeri** (Jade Hunter) are striking out into uncharted territory. Storm Flag Flying will attempt to become the first horse in Breeders' Cup history to take two different events on the card. and 2002 Horse of the Year Azeri will try and add the Classic to her victory in the Distaff two years ago. Two-time Breeders' Cup

champions are few and far in between, and only a handful of horses have accomplished that feat. Miesque (1987/88) and Lure (1992/93) both won back-to-back Miles, while Da Hoss bagged the race in 1996 and came back two years later to win again for trainer Michael Dickinson. Also responsible for the Breeders' Cup double is Argentine import Bayakoa, who won the Distaff in 1989 and '90, while High Chaparral (Ire) collected a Turf victory in 2002 before dead-heating for first with Johar in 2003. Tiznow, however, holds the distinction for most money earned on Breeders' Cup day, having scored in consecutive Classics in 2000 and 2001.

Second Time's the Charm...

Numerous horses are returning to take another shot at racing's championship day, including **Elloluv** (Gilded Time) and **Ashado** (Saint Ballado), who finished runner-up in last year's Distaff and Juvenile Fillies, respectively. Both entered for this year's Distaff, Ashado is the winner of three of her last five starts, including the nine-furlong GI Kentucky Oaks, while Elloluv's most recent win was recorded in the mile Piedra Foundation H. at Del Mar Sept. 2. A pair of fillies, Life's Magic in 1984 and Lady's Secret in 1985, came back from second-place finishes in the contest for older fillies and mares to score in the race the following year, while no horse has yet to step up from the Juvenile Fillies and follow up with a Distaff win.

With most of the final preparations already completed, most horses and their connections enjoy an uneventful, if not routine, day heading into the main event. And that was the case for most Friday, except for trainer Bobby Frankel and his charge **Ghostzapper** (Awesome Again). Scheduled for a routine 1 1/2-mile gallop, exercise rider Nuno Santos misunderstood Frankel's instructions and only galloped the horse five-eighths. Frankel quickly realized the rider's error and sent the four-year-old back to complete the work, which the colt did with ease. "What are you going to do," said Frankel. "You've got to adapt to how it all happens. He's OK. He came back nice and loose. We got done what we needed to get done." Perhaps reflecting his confidence in the bay, a reserved Frankel quipped, "So what we did [Friday] was interval training. If he wins [today], we'll have to train him like that all the time."

Ghostzapper Horsephotos

Trainer Christophe Clement does not believe Lone Star experience will give his Classic contender Dynever an edge. "He won over the track, so obviously he likes it, but I don't think a race over the track is a big deal," he said. "He didn't ever run below form because of the racetrack--there was always some other explanation." But Clement doesn't believe his colt, third in the 2003 Classic at 15-1, will be looking for excuses after this year's running. "He is training well--I think he is doing at least as well as last year," he said. The majority of this year's contenders have not yet had the chance to test the surface in the afternoon, but there has been widespread praise for the track by the horsemen visiting for the first time.

Flaxman Holdings' **Six Perfections (Fr)** (Celtic Swing {GB}) had her final workout at Lone Star Friday in preparation for today's Mile. The defending champion covered three-eighths of a mile in :43 flat over the yielding turf course. According to trainer Pascal Bary, the move, which was required to satisfy Texas Racing Commission rules, was more of a strong gallop than an actual workout. Off since a second-place finish in the G1 Prix du Haras de Fresnay-le Buffard Jacques Le Marois Aug. 15, Six Perfections needed to record a work in the state of Texas before being given the go-ahead to race today. "It was just a nice blowout for her," said Bary. "I think the turf track has a good enough cushion and the turns are fairly cambered."

☆ NEWS TODAY ☆

SILVER CHARM HEADED TO JAPAN Kentucky Derby winner **Silver Charm** (Silver Buck--Bonnie's Poker, by Poker) has been purchased by the Japanese Racing Association for an undisclosed price, according to syndicate manager Robert Clay Friday. "We received an offer that, at my stage in life, I could not turn down," said Bob Lewis, who campaigned the colt with his wife Beverly and retained a 75% interest in Silver Charm following his retirement. "The contract gives us the right of first refusal to purchase him if he is ever sold, so that we can ensure his well being. It provides that he may return to Three Chimneys upon his retirement [from stud duty]." Agent Rollin Baugh represented the JRA in the purchase of the 10-year-old. From two crops to race, the 10-year-old stallion has sired graded-stakes winner Consecrate and stakes performers Silver Impulse and Silver Indy. Over the course of four seasons on the track, the roan won 11 of 22 starts, including the Kentucky Derby and Preakness S. at three, and came back the following year to score in the G1 Dubai World Cup.

The graded stakes action gets off to an early start at the Big A to accommodate the Breeders' Cup. **Bending Strings** looks to capture consecutive starts for the first time this season, coming off a convincing victory over even-money chalk **Smokey Glacken** in the GIII Safely Kept Breeders' Cup S. at Pimlico Oct. 2. The three-year-old has had reasonable success this season knocking heads with the division's best fillies. She's finished second to Society Selection twice, including the GI Test S. at Saratoga in July. The lightly-raced Smokey Glacken, a half to successful sire Smoke Glacken, returned from a 5 1/2-month break to take a pair of minor stakes events at Monmouth and Saratoga in August, then failed to fend off Bending Strings in her latest going six panels. The bay is likely to be on the engine early and may find the added panel a hindrance as she attempts to turn the tables. The lone Grade I winner in the field, **Passing Shot** is reverting back to a sprint for the first time since June of 2003 while returning from breather. Last year's GI Personal Ensign H. upsetter finished third in the GI Ogden Phipps H. at Belmont June 19 before going to the shelf.

Speed hasn't done especially well in the opening days of the meet, but the fleet **L'Oiseau d'Argent** looms the one to run down this afternoon. The chestnut took a one-mile event over the Saratoga turf in 1:33 2/5 Aug. 5, but found the company in the GII Fourstardave H. too tough, finishing eighth to Nothing to Lose. He bounced back to wire the restricted Elusive Quality S. going a flat mile at Belmont Oct. 6, but must negotiate an extra furlong this afternoon. **Host**, the Chilean Horse of the Year in 2003, has yet to win in four U.S. starts, but most recently returned from a six-month absence to finish a troubled third in the GIII Cliff Hanger H. at the Meadowlands Oct. 15, a race won by **Dr. Kashnikov**. The latter is dangerous, but is unlikely to get the cut in the ground he prefers. **Denon** is the clear class of the field, but needs to improve off his fifth in the GIII Sycamore Breeders' Cup S. Oct. 9 and races today at a distance well short of his optimum.

Centifolia underlined the general quality of this year's European juvenile filly crop by beating the colts under an enterprising ride from loritz Mendizabal here. A mixture of inexperience and keenness was to blame for her sole defeat, when beating no rivals home in the Listed Criterium du Bequet at La Teste de Buch Aug. 8. She got back on track when beating subsequent Listed Premio Ubaldo Pandolfi scorer Chantilly Beauty (Fr) in a Chantilly conditions event Sept. 28 before inflicting a four-length defeat on Salut Thomas in the Listed Criterium de Vitesse over five furlongs at this track last time Oct. 15. Confirming that form over the extra furlong, she broke best of all against the stands' rail and never looked likely to relinquish her lead as she galloped relentlessly to the line. "I've been a racehorse owner for 25 years and this has to be the highlight of my career," commented winning owner Steeve Berland. Trainer Robert Collet, who is in Texas overlooking the preparation of Breeders' Cup Mile contender Whipper, added, "This filly has a lot of talent. We will now put her away for the season and we will bring her back for the Listed Prix Imprudence. That race will tell us if we go up in trip or come back to sprinting."

If there was a front-running bias in the testing ground at this venue, Frederic Spanu exploited it to its fullest when guiding Miss Emma to a shock success in this contest. After a sophomore campaign rattled up a brace of stakes scores in the Listed Woodlands S. at Naas and G3 Greenlands S. at The Curragh last May, she was purchased by Takahira Wada and sent in pursuit of more prizes in France. She was far from disgraced at Deauville when sixth in the G3 Prix de Ris-Orangis July 10 and second in the Listed Prix du Cercle July 31. She held her form when subsequently fourth in the G3 Prix du Petit Couvert at Longchamp Sept. 5 and third in the Listed Prix de Bonneval back at that track last time Oct. 1. Sent to the front in the early stages here, she was the last to be asked for her effort, and despite being pressed by the Roger Charlton-trained duo of and Striking Ambition and Patavellian on either side, she refused to crack in a tough final 50 yards. "She has been very consistent this year and has got stronger as time has gone by," trainer John Hammond said. "She obviously loves this ground and will remain in training for next season." Winner of the Illinois Derby at Hawthorne Apr. 3, Pollard's Vision was a well-beaten 17th in Kentucky's version May 1, but proceeded to finish first or second in four subsequent starts. The dark bay scored by two lengths in the GIII Leonard Richards S. at Delaware Park July 18 before finishing second in both the Aug. 7 GIII West Virginia Derby and Philly Park's GII Pennsylvania Derby Sept. 6. A lackluster sixth in his latest in the GII Indiana Derby at Hoosier Park Oct. 2, the colt was given a 3-1 chance to make amends here. Following a delayed start after longshot Tricky Taboo became cast in the gate and was forced to scratch, Pollard's Vision employed vastly different tactics than usual and came from off the pace to bag his second Derby, and in the process, pushing his bankroll to over the million-dollar mark. Settled well behind early pacesetter Flamethrowintexan, the one-eyed wonder steadily made up ground turning for home and powered to the front late, holding on to win over an energized Cryptograph.

BREEDERS' CUP XXI TDN

Saturday, Oct. 30, 2004

THOROUGHBRED DAILY NEWS

NEW KIDS ON THE BLOCK

There will be a host of new faces in the paddock for this year's Breeders' Cup, including the man who will saddle the shortest-priced favorite on the card. Trainer Dale Romans makes his

World Thoroughbred Championships debut with **Roses in May** (Devil His Due) for the Classic and **Kitten's Joy** (El Prado {Ire}), the even-money favorite on the morning line for the Turf. But he is not exactly an overnight sensation. Born in Louisville, the 38-year-old horseman grew up on the Churchill Downs backstretch, learning the ropes from his dad, trainer Jerry Romans. He took out his license in 1986, saddled his first winner in 1987 and has since earned training titles at Churchill, Keeneland and Turfway Park. His first Breeders' Cup starters were a long time coming, but well worth the wait. "It's very exciting-better than coming in here with my first one with no shot," Romans said, adding, "It wasn't something we were anticipating in January." Back at the beginning of the season, **Roses in May** was still sitting on the sidelines after his sixth-place effort in the GII Jerome H. the previous September and **Kitten's Joy** was just sneaking onto the radar screen after a 4 1/2-length score in the GIII Tropical Park Derby at Calder.

Talk and Action...

Better Talk Now (Talkin Man) was also an unlikely Breeders' Cup candidate at the start of the campaign, finishing off the board in his first two starts of 2004, but he earned his way into the Turf with a 1 1/2-length tally in the GI Sword Dancer Invitational H. at Saratoga, giving trainer Graham Motion his first shot in the Breeders' Cup. Motion will also send out **Film Maker** (Dynaformer) for the F/M Turf and **Dance Away Capote** (Capote) for the Juvenile Fillies. "Obviously, as a trainer, you strive to run a horse in the Breeders' Cup," said the native of England. "I'm fortunate to run three horses in these races, when it's hard enough to get one horse good enough to run in the Breeders' Cup." Two of Motion's starters will have a Breeders' Cup rookie in the saddle as well. Ramon Dominguez gets his first opportunity to shine on racing's championship day. "I have a great deal of confidence in Ramon," Motion said. "We seem to have a rapport. He's a naturally gifted jockey who fits most horses very well." Also breaking into the Breeders' Cup ranks for the first time is trainer Tim Ritchey, who handles top Juvenile contender **Afleet Alex** (Northern Afleet). But the Delaware Park-based conditioner, who once trained with the U.S. Equestrian Team, is taking it all in his stride. "I'm just enjoying the experience," he said.

BREEDERS' CUP CLASSIC Leader of the Pack...

GHOSTZAPPER (Awesome Again)

'04 Record: 3-3-0-0, \$510,000

Won: GI Woodward S., GIII Iselin BC H., GII Tom Fool H.

Last Start: 1st, Sept. 11 GI Woodward S.

Why He'll Win... He is a half to a top sprinter, didn't make his two-turn debut until August and has never been beyond nine furlongs. So how can Ghostzapper win the Classic? It won't hurt that his daddy did it in 1998, that he earned an eye-popping 128 Beyer Speed Figure in the GIII Iselin Breeders' Cup H. and that he has Hall of Famer Bobby Frankel on his side.

True, Frankel is just two-for-57 in Breeders' Cup competition and has gone 0-for-12 in the Classic, but he was second in the last two runnings with Medaglia d'Oro and, in Ghostzapper, he has a colt who can get him off the schneid. The four-year-old knows how to win, as his record attests, and he showed no end of grit with his determined neck victory in the Woodward. He has had seven weeks between races, which means he will be both fresh and fit. The big question: Can jockey Javier Castellano take the heat in his Breeders' Cup bow?

BREEDERS' CUP TURF Leader of the Pack...

KITTEN'S JOY (El Prado {Ire})

'04 Record: 7-6-1-0, \$1,225,796

Grade I Wins: GI Joe Hirsch Turf Classic, GI Secretariat S.

Last Start: 1st, Oct. 2 Joe Hirsch Turf Classic

Why He'll Win...A homebred for Kenneth and Sarah Ramsey, Kitten's Joy has been more impressive in each successive start this season, most recently trouncing Magistretti, et al, going a mile and a half at Belmont. The versatile chestnut, just a head short of being perfect in nine starts on the grass, owns victories over six different turf courses. With his late burst of speed, Kitten's Joy just might be

Lone Star Park

the best three-year-old on grass in the U.S. since Manila, who defeated a stellar field--Theatrical (Ire) was a neck back in second--in this race in 1986.

Trainer Dale Romans had an inkling that he had a potential star on his hands before the colt even ran. "We knew he was a good horse when we started breezing him on the turf, but you never know if they are going to make it to this point," he said.

The Ramseys also have homebred Nothing to Lose (Mile) and Roses in May (Classic) running on Breeders' Cup Day, all with excellent chances, but Kitten's Joy could be the star of the show. "I think my best shot of winning is Kitten's Joy," Ken Ramsey said. "We ran him in the Joe Hirsch, and he ran :22 3/5 for the last quarter after already going a mile and a quarter on a yielding turf course. It almost brought tears to my eyes. That was so exceptional, and a horse to do that in my opinion, it takes a very good horse. So I think Kitten's Joy with his exceptional kick on the [tail end] is my choice if I had to pick one of the three."

Three-year-olds have won five of 20 runnings of the Turf, most recently High Chaparral (Ire) in 2002. And the Ramsey colorbearer is coming out of Turf Classic, a race which has produced five previous Turf winners.

The Classic contenders...

PLEASANTLY PERFECT (Pleasant Colony)
 Last Start: 2nd, Sept. 11 GI Woodward S.

Benoit Photo

Keep an eye on him because... he wouldn't be the first to win back-to-back Classics--Tiznow followed a neck success in 2000 with a stirring nose victory in 2001. The six-year-old has won three of his five 10-furlong tries, and has captured five of his last six starts. But, while the bay

has trained sharply since his one-length win over Perfect Drift in the Aug. 22 GI Pacific Classic, he had just three weeks off going into last year's Classic, but will have been on the bench for nearly 10 weeks this time, 20 days longer than any previous Classic hero. Trainer Richard Mandella already has his title-defending tactics mapped out. "I'll talk to [jockey Jerry Bailey] a day or two before the race, but it won't take long," he said. "It'll be the same strategy we discussed before the Pacific Classic--ease him back and make a run." He added confidently, "We need a little bit of luck on our side, that's all. He couldn't be doing any better."

ROSES IN MAY ([Devil His Due](#))

Last Start: 1st, Sept. 18 GII Kentucky Cup Classic H.

Horsephotos

Keep an eye on him because... while stamina will play a role as this front-running four-year-old stretches out beyond a mile and an eighth for the first time, you can't argue with his perfect five-for-five season, and he looked strong as he galloped out an extra eighth after winning the

nine-furlong Kentucky Cup Classic. He has had no less than five different jocks this year, but his KC Classic partner John Velazquez will be back aboard today.

The wild card...Only two distaffers have taken on the boys in the Classic--Triptych, sixth in '86, and Jolypha, third in '92. Eighth in the GI Met Mile, her only other try against males, **Azeri** (Jade Hunter) is unlikely to become the first of her sex to prevail.

The Turf Contenders...

STAR OVER THE BAY (Cozzene)

Last Start: 1st, Oct. 3 GI Clement L. Hirsch H.

Benoit Photo

Keep an eye on him because...he's gotten the hang of winning, and just might be the lone speed in this race. Claimed for \$80,000 out of a win at Hollywood May 16, Star Over the Bay is the only Turf contestant to have raced over this surface, falling a neck short in the Dallas Turf Cup June 19 in his first start for his new connections. It's been smooth sailing since for the Florida-bred, who didn't see another horse's hindquarters while winning in succession the GII Sunset H. July 18, the GII Del Mar H. Aug. 29 and the Clement L. Hirsch at Oak Tree. The early withdrawal of Balto Star leaves Star Over the Bay as the controlling speed in this race, which might come in handy over a course where the stretch is only 860 feet.

POWERSCOURT (GB) ([Sadler's Wells](#))

Last Start: 3rd Sept. 11 G1 Irish Champion S.

Horsephotos

Keep an eye on him because...on his best day, he's definitely got the talent to win the Turf, and his connections are bidding for a three-peat following High Chaparral (Ire)'s successive wins in 2002-03. Victorious over longer distances at three,

Powerscourt has been campaigned mainly over 10 furlongs this season, winning the G1 Tattersalls Gold Cup at The Curragh in May and getting disqualified from victory in the GI Arlington Million Aug. 14. The bay was beaten just 3/4 of a length at Leopardstown in his most recent outing, but a repeat of his powerful finish at Arlington would put him right in the mix here.

The wild card...Only four horses have been odds-on in the Turf, and three of them were beaten--Dancing Brave (4th at 1-2, '86); Sky Classic (2nd at 9-10, '92); and Paradise Creek (3rd at 4-5, '94). High Chaparral (Ire) broke the losing streak, winning at 9-10 in '02.

BREEDERS' CUP JUVENILE Leader of the Pack...

ROMAN RULER ([Fusaichi Pegasus](#))

'04 Record: 4-3-1-0, \$285,800

Won: GII Best Pal S., GII Norfolk S.

Last Start: 1st, Oct. 3 Norfolk S.

Why He'll Win... It's hard to tell whether Roman Ruler is cut from the same cloth as Vindication, the winner of the 2002 Juvenile who was poised for greatness before injury ended his career, or from that of Officer, a good horse whose hype failed to carry him the distance of the 2001 Juvenile as the prohibitive 3-5 pick. What--or who, rather--links all three is the man that saddled them--trainer Bob Baffert. So can Silverbulletbob take his second Juvenile in three years? Let's see...

First, the positives: he showed poise side-stepping a fallen rival before romping by seven lengths in the Best Pal, and his second in the GII Del Mar Futurity yielded a 106 Beyer that ranks as the field's best. And, with his victory in the Norfolk, he is just one of two stakes winners in the field that has been around two turns.

Now, the negatives: the dark bay had every chance to go by Futurity winner Declan's Moon and didn't, refusing to overtake that foe even as they galloped out. Perhaps that's why Baffert added blinkers in the Norfolk--but jockey Corey Nakatani had trouble coaxing the headstrong colt into settling around the first turn that afternoon. If Roman Ruler can relax early and make one big run here, he should be able to negotiate the distance with no problem; if not, he'll be crying Whywhywhy all the way home. Also, the Norfolk win, which came against just three wildy overmatched rivals, earned Roman Ruler a Beyer of 85--a 21-point plunge from his previous outing. Not exactly what you want to see in a horse's two-turn bow.

Benoit Photo

The verdict: there seem to be a few legitimate chinks in this guy's armor, but at what should be an honest price (5-2, possibly? Remember that Vindication paid \$10.20), it's worth betting that he can get owner Fog City Stable its first Breeders' Cup winner.

BREEDERS' CUP JUVENILE FILLIES Leader of the Pack...

SWEET CATOMINE ([Storm Cat](#))

'04 Record: 3-2-1-0, \$279,800

Won: GI Del Mar Debutante S.; GII Oak Leaf S.

Last Start: 1st, Oct. 2 GII Oak Leaf S.

Why She'll Win...She has done little wrong in her short but sparkling career. After winning the Aug. 28 GI Del Mar Debutante S. while still a maiden and despite an awkward start, the filly came back to take her route debut, the Oct. 2 Oak Leaf. Hello Lucky and No Bull Baby, fifth and seventh, respectively, in the Oak Leaf, came back to run one-two in Sunday's Anoakia S.

The bay has many chips stacked in her favor. Her sire is second only to Sadler's Wells in Breeders' Cup victories--and Storm Cat's three winners include 2002 Juvenile Fillies heroine Storm Flag Flying. Sweet Catomine is one of three Grade I winners in the field and is already successful at the distance. And she appears to be firing all boosters, evidenced by a sharp :58.80 work Sunday, the fastest of 126 at the distance that day. Last year's winner, Halfbridled, prepped with scores in the Oak Leaf and Del Mar Debutante.

The Juvenile Contenders...

AFLEET ALEX (Northern Afleet)

Last Start: 2nd, Oct. 9 GI Champagne S.

Adam Coglianese

Keep an eye on him because... victories in the July 29 GII Sanford S. and Aug. 21 GI Hopeful S., both at Saratoga, proved this Delaware-based fellow was the real deal. He returned from a seven-week break to run a solid, late-closing second to Proud Accolade in the GI Champagne S. last time Oct. 9. The

full to MGSP Unforgettable Max could be primed for a big effort in his second off the respite and, sporting the lowest dosage index of the field, should have no problem with two turns. His last work, a five-furlong bullet in :58 2/5 at Lone Star, was inspired stuff.

PROUD ACCOLADE ([Yes It's True](#))

Last Start: 1st, Oct. 9 GI Champagne S.

Adam Coglianese

Keep an eye on him because... he's undefeated in three starts and has done nothing wrong yet. The Padua colorbearer won his first two at Saratoga with ease, then posted a game half-length victory in the Champagne in his first test beyond 6 1/2 furlongs. "He has really developed," trainer Todd Pletcher said.

Still, his pop was best when sprinting, and a taxing effort in the Champagne might have left the dark bay a bit punch drunk for this one.

The wild card...After a non-threatening third in the Sanford and a really non-threatening fourth in the Hopeful, **Consolidator** ([Storm Cat](#)) came to life in the Oct. 9 GI Lane's End Breeders' Futurity at Keeneland, winning by two. The victory came against an awfully suspect group, however, with the post-time favorite emerging from the GIII MGD Cradle S. and the race's runner-up still a maiden. But can you really root against a horse owned by Bob and Beverly Lewis?

The Juvenile Fillies Contenders...

SENSE OF STYLE ([Thunder Gulch](#))

Last Start: 5th, Oct. 8 GII Darley Alcibiades S.

Adam Coglianese

Keep an eye on her because...the winner of three of four lifetime starts, she faltered to finish fifth in her latest, but had excuses. Never given a clean run in the final eighth of a mile in the Alcibiades, the \$800,000 KEESEP yearling should be closer to the pace this time, which will make her tough to beat. In her final work for the Juvenile Fillies Sunday, the bay breezed five furlongs in :59 4/5, only 2/5 of a second

slower than Distaff challenger Indy Groove, who posted a bullet :59 2/5 for the day. "We accomplished what we wanted," said trainer Patrick Biancone following the move. "You can bring her to her best and hope nobody's better than her. We should be in good shape."

BALLETTO (UAE) (Timber Country)

Last Start: 1st, Oct. 9 GI Frizette S.

Horsephotos

Keep an eye on her because...sent off the 6-5 choice in the GI Frizette S. Oct. 9, the chestnut did manage to get up for a 3/4-length victory, but needed the help of a tiring Sis City, who bumped the UAE-bred in the stretch, thus forcing her to switch leads and overtake the fading leaders.

In a competitive field with plenty of up-and-coming stars, Balletto will have bring her 'A' game and leave her adolescent behavior behind.

The Wild Card...Runway Model (Petionville) consistently gives her backers solid value for their money. The filly showed she had a quick turn of foot with an impressive 9 1/4-length win after setting the pace in a River Downs allowance sprint in August, and demonstrated an added dimension when she came from behind to score in her first try around two turns, the 1 1/16-mile Alcibiades.

BREEDERS' CUP MILE

A Sixth Perfection?...

SIX PERFECTIONS (FR) (Celtic Swing {GB})

'04 Record: 3-0-2-0, \$174,835

Last Start: 2nd, Aug. 15 G1 Prix Jacques le Marois

Why She'll Win...The defending champion in this event, she will be bidding to provide the Niarchos Family with an unprecedented sixth victory in the Mile. Though she hasn't had her picture taken in three 2004 starts, the black filly is coming off a layoff similar to the one she enjoyed ahead of her win at Santa Anita last year. The winner of the Jacques le Marois at Deauville in 2003, she ran second to **Whipper** (Miesque's Son) in this year's edition. But is Six Perfections up to the feat of her famous relation, Miesque?

She was kept in training this season for another tilt at the Mile, and she will be retired following this race.

Texas-born jockey Jerry Bailey, aboard for her victory last year, will be back in the irons today. He is confident of her chances.

"From what I understand, her form is not quite as solid this year as it was then, but the word I get is that her last workout was exactly what they were looking for," Bailey told *Sporting Life*. "Last year they said they would be back, and I know that the trainer and the owners point at certain races, so that's probably more important than what's in the formbook."

Six Perfections bids to give trainer Pascal Bary his third straight Mile; Bary also saddled Domedriver (Ire).

IN EXCESS

BREEDERS' CUP FILLY & MARE TURF Leader of the Pack...

OUIJA BOARD (GB) (Cape Cross {Ire})

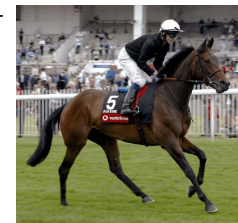

'04 Record: 4-3-0-1, \$926,758

Won: G1 English Oaks, G1 Irish Oaks.

Last Start: 3rd, Oct. 3 G1 Prix de l'Arc de Triomphe

Why She'll Win... Lord Derby's colorbearer became only the 10th filly to complete the prestigious G1 English Oaks and G1 Irish Oaks double this summer, then gave the boys a run for their money when third, beaten only 1 1/2 lengths, in the G1 Prix de l'Arc de Triomphe. Never off the board in seven career starts, the only sophomore of the group will be one of the biggest favorites on the Breeders' Cup card and deserves every penny that is wagered on her. The bay filly would have taken plenty of action at the windows if her connections taken a shot the Turf, but they opted for the easier spot.

"After our filly won in Ireland, we said we'd keep her to her own sex this year and take on the boys next season," Lord Derby told *Racing Post*. "True, we went against that in the Arc with a rewarding result, but it seems sensible to revert to that policy on this occasion." Ouija Board took her first trip to the States in stride, arriving at Lone Star Monday after turning in a seven-furlong workout at Newmarket Saturday. "She traveled really well, drank a lot on the flight and has been eating," said Robin Trevor-Jones, Ed Dunlop's assistant trainer. "I couldn't be happier. She looks a million dollars in there. She really looks very summery."

Horses bred in Europe have taken the last three runnings of the F & M Turf, including lone three-year-old victress Banks Hill (GB) in 2001, Starine (Fr) in 2002 and Islington (Ire) in 2003.

The Mile Contenders...

MUSICAL CHIMES (In Excess {Ire})

Last Start: 1st, Oct. 9 GII Oak Tree Breeders' Cup Mile

Horsephotos

Keep an eye on her because...she's shown some of her best form at a flat mile, and was dead game in defeating males at Oak Tree in a race which has proven to be an excellent springboard to success in the Breeders' Cup. A Classic winner over this distance in France, Musical Chimes ran Heat Haze (GB) to a neck in the one-mile GI Matriarch S. last November. She'll need racing luck in this

full field, but she's more than capable of adding her name to the list of distinguished fillies which have won the Mile.

ARTIE SCHILLER (El Prado {Ire})

Last Start: 1st, Sept. 26 GII Jamaica H.

Adam Coglianese

Keep an eye on him because...his lone loss on the grass this year was to Turf favorite Kittens Joy in the 10-furlong GIII Virginia Derby. The bay earned a trip to Lone Star following a scintillating score in the Jamaica, when he set a new course record of 1:45 2/5 at Belmont in win-

ning by 5 1/4 lengths under a hand ride. Perfect in two starts at a mile, the three-year-old has yet to tackle stakes foes at this distance, but has exhibited a fine turn of foot in each of his five victories this year.

The Wild Card...Trainer Julio Canani has saddled two winners of this race, Silic (Fr) in 1999 and Val Royal (Fr) in 2000. He will bring over a pair of hopefuls this year: **Blackdoun (Fr)** (Verglas {Ire}) and **Special Ring** (Nureyev), but neither has started since the Del Mar meeting. Blackdoun rattled off three straight at the oceanside oval, including the GII Del Mar Derby and the GII La Jolla H., while Special Ring's front-running victory in the GI Eddie Read H. marks his only start since finishing eighth to Six Perfections in last year's Mile.

The F/M Turf Contenders...

LIGHT JIG (GB) (Danehill)

Last Start: 1st, Oct. 2 GI Yellow Ribbon Inv. H.

Benoit Photo

Keep an eye on her because...she has finished first or second in five of six starts this season since shipping to the United States in February. Anyone who doubted her ability after turning in a disappointing sixth as the 7-5 chalk in the GI John C Mabee H. at Del Mar July 24, jumped right back on the bandwagon after her electrifying four-length tally in the GI Yellow Ribbon S. at Santa Anita. Banks Hill, another Juddmonte homebred by Danehill, took this race three years ago.

MOSCOW BURNING (Moscow Ballet)

Last Start: 3rd, Oct. 2 GI Flower Bowl Inv. H.

Horsephotos

Keep an eye on her because...this filly will be all alone on the front end and already owns a wire-to-wire tally at this distance in Belmont's GII Sheepshead Bay H. May 29. Although that victory came over a yielding turf course, her connections are hoping for firmer ground.

"I just hope it doesn't rain anymore," said assistant trainer Jamie Lloyd. "They wouldn't have caught her in the Flower Bowl if the turf had been firm." Moscow Burning led in deep stretch in the Flower Bowl and stayed on gamely for third behind **Riskaverse** (Dynaformer).

The wild card...A starter from the previous year of the F & M Turf has won three of the five previous editions of the race. Perfect Sting finished sixth in the inaugural running in 1999, then got the job done in 2000. Starine (Fr) finished 10th in 2001, but rebounded to win in 2002. Islington (Ire), a troubled third in 2002, delivered as the 5-2 choice in last year's renewal. **Megahertz** (5th), **Riskaverse** (6th) and **Yesterday (Ire)** (3rd) will test the trend this year.

BREEDERS' CUP SPRINT

Leader of the Pack...

CLOCK STOPPER ([Gilded Time](#))

'04 Record: 6-1-3-1, \$259,725

Won: June 9 allowance at Churchill by five lengths.

Second: GI Forego H., GIII Smile Sprint H., GII A.G. Vanderbilt H.

Last Start: 3rd, Oct. 8 GIII Phoenix Breeders' Cup S.

Why He'll Win... By the winner of the 1992 Breeders' Cup Juvenile, who returned off a 371-day absence to be a gallant third in the Sprint the following year, Clock Stopper carries the silks of the late W.T. Young's Overbrook Farm. Forced to miss last year's Sprint with a minor ankle injury, the late-running chestnut has managed just one allowance victory in 2004, but he has fired consistently when tossed in against the nation's best sprinters, with runner-up efforts in the Smile H. in July and in the Vanderbilt the following month.

In his most recent effort, Clock Stopper rallied stoutly into the Keeneland stretch, but had to alter course before leveling off to be beaten less than a length by Champali.

Speightstown and Midas Eyes have also handled Clock Stopper this season, making Clock Stopper a very interesting proposition as the fourth or fifth choice in a competitive field. If they go too fast, too soon on the front end, look for Pat Day to have Clock Stopper in full flight turning for home. "He hesitated just a little [in the stretch] and it cost us [in the Phoenix]," Day said. "I guess next time I'll just take him to the outside, let him get clear and close." Clock Stopper looks to become the first horse since Eillo to win the Sprint without previously having won a graded stakes.

BREEDERS' CUP DISTAFF Leader of the Pack...

ISLAND FASHION (Petionville)

'04 Record: 5-2-1-0, \$525,000

Won: GII Lady's Secret BC H., GI Santa Monica H.

Last Start: 1st, Oct. 3 GII Lady's Secret Breeders' Cup H.

Why She'll Win... Island Fashion earned a four-month break after an unsuccessful tilt at the G1 Yasuda Kinen

Horsephotos

in Tokyo, so she's not only a talented Distaff contender, she's also a fresh one. And her late-closing, determined victory in the Lady's Secret shows she's returned to the form that earned her a runner-up effort against the boys in the GI Santa Anita H. The defection of Azeri leaves the gutsy grey a clear shot at the Distaff. She's been

knocking on the door and this will be her turn to shine.

In her final tune-up for the Distaff, Island Fashion satisfied trainer Marcelo Polanco with a five-furlong drill in 1:00 3/5 at Santa Anita Sunday.

After the work, Polanco said, "I got her galloping out in 1:13 and change. She's not an aggressive work horse, so this kind of move was exactly what I expected. It should set her up just right for the race. I am very happy with her. My vet checked her today and he said she's fine. She came out of the work well and she's feeling good. I'm very pleased."

Polanco is hoping for sunny skies for Breeders' Cup Day. "She doesn't much like it wet," he explained. "Her race in Japan [over a good turf course] told me that. She wants it fast, and so do I."

Polanco has had just one previous Breeders' Cup starter, saddling Mambo Train to an 11th-place finish in the Juvenile last year. He sticks with Breeders' Cup rookie jockey Kerwin John, who rode Island Fashion to victory in the Lady's Secret.

"I talked it over with [owner] Jeffrey [Nielsen] and we decided he should ride," he said. "He's been riding for our stable and doing well and he rode Island Fashion well. He deserves the chance."

Island Fashion could become the fifth Distaff winner to prep in the Lady's Secret. The Spinster has produced the most Distaff winners, with nine.

The Sprint Contenders...

SPEIGHTSTOWN ([Gone West](#))

Last Start: Third, Oct. 2 GI Vosburgh S.

Adam Coglianese

Keep an eye on him because... his 117 Beyer for his 1 1/2-length victory over Clock Stopper in the GII A.G. Vanderbilt H. Aug. 14, is the second highest sprint figure of the year. A victory could go a long way towards securing an Eclipse Award.

KELA (Numerous)

Last Start: First, Aug. 15 GII Pat O'Brien BC H.

Lone Star Park Photo

Keep an eye on him because... his last-to-first sweep in the O'Brien, a race in which he soundly defeated pro-tem divisional leader Pico Central (Brz), was one of the more impressive of the year. Not to be underestimated is his easy victory in Lone Star's GIII Texas Mile in the spring. All in all, a formidable foe.

MIDAS EYES (Touch Gold)

Last Start: 1st, Sept. 4 GI Forego H.

Adam Coglianese

Keep an eye on him because... he ran a hole in the wind this summer, winning a Saratoga allowance and the Forego in the span of 10 days. Trainer Bobby Frankel lost his Breeders' Cup duck when Squirtle Squirt took the 2001 Sprint at Belmont. Forget about his ninth-place effort in this event last year--he's a much better horse these days.

The Wild Card...Gold Storm ([Seeking the Gold](#)) is three-for-four over this main track and will make his presence felt on the front end. In his most recent effort, the four-year-old, ridden by journeyman jockey Larry Taylor, had to be used from the rail in the GIII Phoenix BC and set a fast pace before yielding grudgingly to be second to Champali and ahead of Clock Stopper.

The Distaff Contenders...

ASHADO (Saint Ballado)

Last Start: 1st, Oct. 2 GII Cotillion H.

Adam Coglianese

Keep an eye on her because...

Ashado is the leader of a strong sophomore contingent in the Distaff. She comes from the talent-rich barn of trainer Todd Pletcher and the consistent filly has hit the board in all 13 of her career starts to date.

ELLOLUV ([Gilded Time](#))

Last Start: 3rd, Oct. 3 GII Lady's Secret Breeders' Cup H.

Horsephotos

Keep an eye on her because... Elloluv finished second in last year's Lady's Secret before a runner-up effort in the Distaff as a three-year-old and, a year older, the filly could follow the same pattern this year.

STORM FLAG FLYING ([Storm Cat](#))

Last Start: 3rd Oct. 9 GI Beldame S.

Horsephotos

Keep an eye on her because... The well-bred Phipps filly is looking to become the first horse to win two different Breeders' Cup races. Two years ago, Storm Flag Flying cemented an unbeaten championship season with a determined victory in

the Breeders' Cup Juvenile Fillies. After an injury-plagued sophomore season, she's been on the board in all seven starts this year, including a win over Azeri in the Aug. 27 GI Personal Ensign H.

The Wild Card...Juddmonte Farms' Nebraska Tornado ([Storm Cat](#)) is making her first start on the dirt after finding Group 1 success on the turf in France. If she takes to the main track, last year's G1 French Oaks and G1 Prix du Moulin de Longchamp heroine could earn her first win of the year in dramatic fashion.

Fourth in a sloppy 4 1/2-furlong maiden over this main track Apr. 22, Rey de Cafe posted a similar result racing over the Belmont main track June 6 before breaking through by 5 3/4 lengths in an off-the-turf sprint at Colonial Downs June 28. Rested off that effort, the homebred colt returned to action with a troubled runner-up finish in his turf and two-turn debuts at this venue Oct. 14 and was the second choice in his first stakes attempt. Always within easy striking distance of the pacesetter Dubleo, Rey de Cafe eased out on the second turn, tackled the favorite with a furlong to run and registered a narrow victory. "It's pretty easy when you've got the right horse," commented winning rider Craig Perret. "It's a long stretch here, so we just waited a bit. We collared [Dubleo] inside the eighth pole and ran him down." The winner is out of a half sister to King Cugat (Kingmambo) and is therefore very closely related to the Lane's End stallion.

Between horses early, the \$10,500 KEESEP yearling purchase assumed command entering the turn and sprinted clear down the lane to win by an impressive 7 3/4 lengths at odds of 6-1. Favored to go back-to-back, the Stronach homebred chased pacesetting **Class Above** (Quiet American) from second, overtook that foe leaving the eighth pole and held off a determined late rally from **Childress** (Evansville Slew) to win by a neck at 6-5. **Class Above** was another four lengths back in third. O'RYAN RULES AT GOFFS Bobby O'Ryan stole the show during Goffs' Horses in Training Sale yesterday when securing the top three lots of the one-day auction. Not content with splashing out €300,000 on two consecutive three-year-old colts from John Oxx's consignment earlier in the session, the bloodstock agent capped his spending spree when purchasing hip 124, **Loyal Focus (Ire)** (Definite Article {GB}), for €320,000. From the draft of Moyglare Stud Farm, the sophomore gelding is a half brother to the GII Bay Meadows H. winner Wait Till Monday (Ire) and G3 C L Weld Park S. scorer Token Gesture (Ire), herself the dam of the smart Evolving Tactics (Ire) and Relaxed Gesture (Ire). If the sale was languishing in the mire throughout the early trading, it came alive in style when Oxx's Currabeg Stable's consignment sparked a lively and competitive spell of bidding. That was highlighted by O'Ryan's purchasing of His Highness the Aga Khan's duo of hip 115, the Curragh handicap scorer **Balyan (Ire)** (Bahhare), for €200,000 and **Akilak (Ire)** (Charnwood Forest {Ire}), a half-brother to stakes performer Akshar (Ire), for €100,000. While the average remained at almost an identical level to 2003, the median was up by 20 percent. Full results can be found on www.goffs.com.

RAKTI SHAPES UP

Gary Tanaka's **Rakti (GB)** (Polish Precedent) pleased connections in a seven-furlong spin at Newmarket racecourse yesterday as he prepares for his Far Eastern winter campaign. Partnered by regular rider Philip Robinson, this year's G1 Prince of Wales's S. and G1 Queen Elizabeth II S. scorer left stable companion Fruhlingssturm (GB) in his wake at the end of the exercise. Conditioner Michael Jarvis explained to *PA Sport* that the workout was designed to stop the five-year-old from "getting above himself" and confirmed that he would target the G1 Mile Championship at Kyoto Nov. 21 and G1 Hong Kong Mile at Sha Tin Dec. 12. "Philip said it was much too soft for him and said he was a bit fresh. He goes to Japan a week on Sunday and then has five days in quarantine, so we might give him another spin before he goes. We are going to Japan first and then for the mile race in Hong Kong."

Bahia Breeze scored by seven lengths in a Folkestone maiden Sept. 4 before running better than her eighth placing suggests in the Listed Redcar Two-Year-Old Trophy last time Oct. 2. Reserved in rear by Chris Catlin in the early stages of this contest, she unleashed her acceleration to lead with 150 yards remaining before outgaming Nanabanana in a furious final drive. "She's very tough and put her head down and battled," commented conditioner Rae Guest. "We'll put her away now and she'll definitely get seven furlongs next year, when we'll have a crack at a group race."

Spanish Don made a mockery of his 100-1 odds when winning the Cambridgeshire H. at this track last time Oct. 2 and proved again why that price was unjust when recording his first stakes score here. Taken to the front in the early stages by regular pilot Liam Keniry, his attested bravery was called on as Menokee laid down a serious challenge under Kevin Darley inside the final eighth. Digging deep in the closing stages, he had too many guns for the runner-up, who was making his belated return after finishing runner-up in the G3 Autumn S. at Ascot last October.

NOTA BENE (GB) (c, 2, Zafonic--Dodo {Ire}, by Alzao), successful last time at Windsor Oct. 11, tracked the front rank in a close fourth from the outset here. Ridden into a slight lead at the quarter-mile marker, the 7-1 chance was driven out inside the final furlong to deny fellow juvenile Word Perfect (GB) (Diktat {GB}) by a hard-fought neck. Nota Bene, a 14,000gns TATDEC yearling, is a half brother to Tarjman (GB) (Cadeaux Genereux {GB}), MGSP-Eng, \$106,955. Lifetime Record: 3-2-1-0, €19,204.

+ MAGGIE JORDAN (f, 2, Fusaichi Pegasus--Pharapache, by Lyphard) broke well and was settled in mid division by Jimmy Fortune early. Making smooth progress to challenge entering the dip, she quickened to grab the lead approaching the eighth peg before asserting to beat Puya (GB) (Kris {GB}) by two lengths. "She's a very nice filly who has shown us a lot all year," commented trainer Brian Meehan. "She was very green and was having a look about in front, but she's entitled to on her first day at school. We knew she'd appreciate reasonable ground, but you can get away with this ground at Newmarket and there is an awful lot of improvement in her. She is definitely a potential Guineas filly." The victress, a \$120,000 KEESEP yearling purchase, is a half sister to Lily's Lad (Bertrando), MSP-US, \$262,207; Cliquot (Bertrando), GSW-US, \$638,260; Stockholder (Bertrando), GSP-US, \$137,700.
