PLEASANTLY PERFECT RETIRED

Diamond A Racing Corporation's **Pleasantly Perfect** (Pleasant Colony--Regal State, by Affirmed) has been retired from racing after suffering a minor ankle injury during his third-place finish in last Saturday's GI Breeders' Cup Classic. The six-year-old stallion, who was tentatively scheduled to make his final racetrack appearance in the G1 Japan Cup Dirt in Tokyo Nov. 28, will instead ship to Lane's End Farm in Versailles, Kentucky, where he will commence stud duties next winter. Bred by Clovelly Farms, the strapping bay was purchased as a yearling for \$725,000 at the 1999 Keeneland September sale, but was diagnosed

with inflammation of the heart and didn't make the races until May of 2001. Off for eight months thereafter with a respiratory illness, Pleasantly Perfect began to put things together the following season, taking four of his eight trips to the post, capped by the first of his two wins in the GII Goodwood Breeders' Cup H. After successfully defending his Goodwood title last October, he closed the year with a come-from-behind victory in the GI Breeders' Cup Classic at his Santa Anita base, then resurfaced to win his first two starts of this year, including a thrilling 3/4-length victory in a memorable showdown with Medaglia d'Oro in the \$6-million G1 Dubai World Cup. Given ample time to recover, he raced just twice more prior to the Breeders' Cup, posting a runner-up finish in the GII San Diego H. before a one-length victory in the GI Pacific Classic Aug. 22. "I'd say he was one of the really great ones, to have gone through the virus as a two-year-old and end up as good as he was," trainer Richard Mandella told *Daily Racing Form*. "How great do you have to be to overcome that?" Pleasantly Perfect, who will stand for \$40,000 at Lane's End, retires with a career record of 18-9-3-2 and earnings of \$7,789,880. He ranks fourth on the all-time North American earnings list behind Cigar, Skip Away and Fantastic Light. (*Career stats p4*)

BIRDSTONE RETIRED

Marylou Whitney's homebred **Birdstone** (Grindstone--Dear Birdie, by Storm Bird) emerged from the GI Breeders' Cup Classic with a chip in his left front ankle and will be retired, according to *The Blood-Horse*. No stud plans have been announced as of yet for the three-year-old, who had been scheduled to race next year. "There really wasn't any sign that there was something wrong," veterinarian Joe Migliacci told *The Blood-Horse*. "We surveyed him just as we did after the Belmont and Travers, and it came as a surprise to us. Everyone is really going to miss him. He was so great to have around the barn and work with. One of the reasons I recommended retirement is that, although he could have

made it back, there was a question whether he'd be able to compete at that same level." Winner of the GI Champagne S. last year, the bay rebounded from an unplaced effort in the GI Kentucky Derby to deny Smarty Jones the GI Belmont S. He later added the GI Travers S. to his laurels before facing his elders in the Classic at Lone Star. A half brother to Eclipse champion three-year-old filly Bird Town, Birdstone retires with a record of 9-5-0-0 and earnings of \$1,575,600. Though offers have been made from overseas, the colt will begin his stud career in Kentucky, according to Whitney's husband John Hendrickson. "She's committed to keeping the horse in America, and we'll price him reasonably so he will be attractive to people," he told *The Blood-Horse*.

WEEKEND PEDIGREE PERSPECTIVES

by Alan Porter

BREEDERS' CUP IN REVIEW

With the 21st Breeders' Cup in the record books, it's clear that from a pedigree standpoint, the big winner was Awesome Again. With the GI Breeders' Cup Classic winner Ghostzapper and Wilko, who took the GI Breeders' Cup Juvenile, the Adena Springs stallion has a certain Horse of the Year as well a strong candidate

Awesome Again
adestallions.com

for champion two-year-old honors. Awesome Again is a son of Deputy Minister and a member of Northern Dancer male line. On the day Northern Dancer-line horses took half of the eight races, the other victories coming through Sweet Catomine ([Storm Cat](#)) in the GI Juvenile Fillies and Ouija Board (Cape Cross) in the GI Filly/Mare Turf. Two of the day's winners

were from branches of the Turn-to line: Ashado (Saint Ballado)--from Halo's branch--took the GI Distaff; and Singletary (Sultry Song), who descends via Cox's Ridge and Best Turn, captured the GI Mile. The Mr. Prospector line was surprisingly limited to one victory, which came courtesy of Speightstown ([Gone West](#)) in the GI Sprint. The other male line to score was that of Caro, who appears as great-grandsire of GI Turf winner Better Talk Now.

Ghostzapper is a member of the first crop sired by Awesome Again, as is the multiple Grade I winning juvenile Toccet. In going through an undefeated four-year-old season, Ghostzapper emulated the achievement of his sire, who was also perfect at four and ended his career with a win in the GI Breeders' Cup Classic, over a field which included Silver Charm, [Swain](#), [Victory Gallop](#), Touch Gold, [Skip Away](#), Coronado's Quest and [Gentlemen](#).

Ghostzapper is out of Baby Zip, a precocious and speedy daughter of Relaunch. She was a stakes winner at two and is also dam of City Zip ([Carson City](#)), a Grade I-winning juvenile and a good sprinter at three. It's worth noting here that Carson City is by Mr. Prospector out of a Blushing Groom mare, and that Awesome Again's dam is by Blushing Groom out of a mare by Mr. Prospector. The Blushing Groom factor may be a particularly important one in the pedigree of Ghostzapper, as Blushing Groom's sire Red God is out of the mare Spring Run, a product of the Menow/Bull Dog cross. We often see Blushing Groom successfully combine with another Menow/Bull Dog cross, Tom Fool, who appears in Ghostzapper's pedigree in the male of his second dam (as grandsire of Tri Jet).

The pedigree of the Juvenile victor Wilko is a more unusual one. He is out of the Irish-bred mare Native Roots, a minor winner by Indian Ridge. The granddam Phazania is a half sister to the speedy stakes winner Muffity's. That mare is the granddam of Taiki Shuttle, Japanese Horse of the Year and winner of the G1 Prix Jacques le Marois in France. This pedigree is a complete outcross at five generations, with the only American blood close-up in the dam being Swing Easy, a high-class sprinter who appears as broodmare sire of Indian Ridge. Native Roots also has Relic tucked away in the pedigree. Relic appears in Awesome Again's pedigree through his son Olden Times, who is responsible for Awesome Again's third dam Square Generation. It's interesting to note that Relic or his sire War Relic appear in all three of Awesome Again's Grade I winners, as well as his only other graded winners, Snorter and Pink Champagne.

The runner-up in last year's GI Juvenile Fillies, Ashado returned to defeat her elders in the Distaff, nailing down the champion three-year-old filly title in the process. Ashado is a daughter of the deceased Halo stallion Saint Ballado, a brother to champions Devil's Bag and Glorious Song (dam of Rahy and Singspiel). Ashado is the third foal to be produced by her dam, the stakes-winning Goulash, and follows the stakes-placed filly Ballado's Halo, and the graded stakes placed colt, Saint Stephen. Looking at Ashado's pedigree, it's not hard to see why Goulash struck up such a fruitful relationship with Saint Ballado. Goulash's sire, Mari's Book is by Northern Dancer out of a mare by Maribeau, a half-brother to Halo. Since Cosmah, the dam of Maribeau and Halo, is out of Almahmoud, also the granddam of Northern Dancer, Ashado not only has Cosmah 3 x 5, but also Almahmoud 4x5x6. This is not the first time that a similar pattern has worked for Saint Ballado, as he's also the sire of stakes winner I'm in Heaven (out of a mare by L'Emigrant, who is by son of Northern Dancer out of a granddaughter of Cosmah) and Grade I winner Sister Act (second dam by Circle Home, who is out of a half-sister to Halo). Ashado's second dam is by Blushing Groom, the sire of Rahy.

Storm Cat locked up a seventh two-year-old title when his daughter Sweet Catomine took the GI Breeders' Cup Juvenile Fillies. This is a female line which seems to be particularly adept at producing high quality fillies. Sweet Catomine's dam Sweet Life--a daughter of Kris S.--was a stakes winner who finished second in the GI Beverly Hills H. The second dam, stakes-placed Symbolically, produced three other stakes winners--all by Pirate's Bounty--of which the best was the filly Pi-

rate's Revenge, heroine of the GI Milady H. The cross of Storm Cat over Roberto-line mares in general has now achieved a strike rate which is better than Storm Cat's overall percentage of stakes winners to foals. Sweet Catomine follows Dessert (out of a mare by Lear Fan) as the second Grade I winner bred on a Storm Cat/Roberto cross. However, since the only graded stakes winners bred on the cross are Sweet Catomine (dam, stakes winner and Grade I placed); Dessert (dam, champion Windsharp) and Phantom Wind (dam, champion Ryafan), one would have to still recommend caution when considering breeding Roberto-line mares to Storm Cat.

Storm Cat also appears in the pedigree of Sprint victor Speightstown, who is out of the champion Canadian two-year-old filly Silken Cat. Speightstown is the first stakes winner bred on a Gone West/Storm Cat cross, although Gone West had previously sired three other stakes winners, including graded scorer and very useful Florida sire Double Honor, out of mares by Storm Bird. The Gone West/Storm Cat mating gives a 3x4 inbreeding to Secretariat, who appears as broodmare sire of both principals. The reverse cross, which gives Secretariat in the same positions, came up with the very good graded stakes winning filly Saudi Poetry. Speightstown's second dam, the stakes winning Silken Doll, is by Chieftain out of a mare by Buckpasser and is therefore a product of a similar Bold Ruler/Tom Fool cross to Secrettame, the dam of Gone West. This duplication of Bold Ruler and Tom Fool is one which is working very well for Gone West and his sons, the most notable other recent example being Smarty Jones.

In the Filly/Mare Turf, the G1 English and G1 Irish Oaks winner Ouija Board scored as expected. Ouija Board is by Cape Cross, a high-class miler son of the Danzig stallion Green Desert. Cape Cross has proved to be something of a sensation, as Ouija Board is one of no fewer than 10 individual stakes winners to emerge from his first crop. There is an historical precedent for Ouija Board's victory on North American soil, as her dam, the Welsh Pageant mare Selection Board, is a sister to the tough gelding Teleprompter, hero of the 1985 renewal of the G1 Budweiser-Arlington Million. The granddam Ouija is by Paul Mellon's good campaigner Silly Season. Ouija is also the granddam of Ibn Bey, a multiple Group 1 winner who also finished second in the Breeders' Cup Classic on his only dirt try; and third dam of the champion English two-year-old filly Red Camellia. Ouija is also half-sister to Sam's Song, the third dam of Owington. He was by Cape Cross's sire Green Desert and therefore bred on similar lines to Ouija Board, but was a pure sprinter, winning the G1 July Cup. Ouija Board's third dam Samantha is a half-sister to the G1 Prix de Diane winner Tahiti, and to Almah, the granddam of the great Australian champion Kingston Town.

The two other turf events resulted in upsets with the Mile going to Singletary and the G1 Turf to Better Talk Now, who upset favored Kitten's Joy. Singletary is by the Cox's Ridge horse Sultry Song, whose previous best included the Canadian champion three-year-old filly Kirby's Song, and the GII San Felipe S. victor Prime Timber. Singletary's dam Joiski's Star is an unraced daughter of Star de Naskra. Singletary is the first stakes winner for a Cox's Ridge/Naskra cross. Joiski's Star is a half sister to the stakes winning Joi'ski Too, and the fourth dam is champion two-year-old Leallah. The family has produced another recent top U.S. turf horse in millionaire Voodoo Dancer whose granddam Visibly Different, is a half-sister to the granddam of Singletary.

Singletary doesn't really have a background which particularly indicates performance on turf but that can't be said of Better Talk Now. His sire, Canadian two-year-old champion Talkin Man, won the GIII Gotham S. and GII Wood Memorial at three, but never started on the grass. He is by With Approval, a son of Caro and an outstanding turf runner, out of a mare by Miswaki. The dam, Bendita, a stakes-placed daughter of Baldski, has also produced Better Talk Now's year younger 3/4

brother, B. A. Way (by With Approval's son, Lasting Approval), who on his most recent two outings finished second in the GII Belmont Breeders' Cup H., and won the Ceasar Rodney H., both on turf. Better Talk Now's granddam, Bonne Note, has a decidedly grassy background, as she is by the Prix de l'Arc de Triomphe victor Bon Mot out of Mandolina, winner in France of the Prix de Minerve. The fourth dam, Folle Nuit, won the Prix Vermeille, one of France's premier contests for three-year-old fillies. She later founded a powerful family which includes champion three-year-old Stage Door Johnny, himself an exceptional turf sire.

DETTORI HIT WITH ONE-MONTH BAN Britain's champion jockey-elect Frankie Dettori has been handed a one-month ban by Racing Victoria's stewards after pleading guilty to a charge of careless riding during Tuesday's G1 Emirates Melbourne Cup at Flemington. He was judged to have moved to the outside of the field, aboard **Mamool (Ire)** (In The Wings {GB}), preventing **Distinction (Ire)** (Danehill) from moving forward, a maneuver he accepted hampered the eventual sixth-placegetter. The ban starts at midnight this Saturday which will allow the Italian to ride at Britain's final turf meeting at Doncaster earlier that day. "It's just one of those things," agent Ray Cochrane told *PA Sport*, adding, "That's what happens in Australia, you just have to get on with it. There's no racing on, with the [British Flat] season finishing this weekend, so I suppose it isn't that important." Dettori may have expected an even longer ban but for his "previous good record and guilty plea."

Brass Hat Sidelined With Ankle Fracture:

Brass Hat (Prized), a distant ninth as the 2-1 favorite in last Friday's GII Walmac Lone Star Derby, emerged from the race with a fractured right front ankle and will miss at least six months of training, *Daily Racing Form* reports. The bay gelding rounded into a force among the second tier of three-year-olds over the summer, winning the GII Ohio Derby in June and the GII Indiana Derby off a four-month absence Oct. 2. "I'm disappointed," trainer William Bradley told the *Form*. "I'm just glad he didn't hurt himself further." Brass Hat is unlikely to return to the races until next summer at the earliest.

Wilko, Declan's Moon on Futurity Crash Course:

J. Paul Reddam's **Wilko** (Awesome Again), upset winner of the GI Breeders' Cup Juvenile last Saturday, may be pointed for the GI Hollywood Futurity Dec. 18, a race in which he could meet GII Del Mar Futurity hero **Declan's Moon** (Malibu Moon). Wilko, who arrived in the barn of Craig Dollase the day after his Juvenile score, is adjusting well to his new environs, his conditioner reports. "He's acclimated well so far," Dollase commented. "We'll take him to the track in a few days. He's got a real good demeanor about him." Dollase is well aware that a win in the Futurity, combined with the Juvenile, could earn Wilko an Eclipse. "Just winning the Breeders' Cup might not be good enough [to win the Eclipse]," he added. "That's a big reason for running in the Futurity." Should he make the gate, he'd become the first Breeders' Cup winner to run in the Futurity since Brocco in 1993. Declan's Moon will prep for the Futurity in the seven-furlong GIII Hollywood Prevue S. Nov. 20. "He's doing really good," commented trainer Ron Ellis. "He just worked six furlongs in 1:13 and change breezing the other day and will work again the next two Saturdays. He's right on target."

Rewarding those who sent her postward as the 9-5 pick in this stakes-caliber allowance, Belleski improved her career batting average to over .500 with an impressive late run. The five-year-old captured last term's GIII Senator Ken Maddy H. at Santa Anita in October, then was shelved off a poor effort in the GI Matriarch S. at the end of November. She ran a troubled fourth in her return, the July 30, five-furlong Daiseycutter H. at Del Mar, but was a convincing allowance winner at that track Aug. 26, when she screamed eight furlongs in 1:33 2/5. She successfully defended her title in the Sept. 29 Ken Maddy H. last out and made it three in a row here. The bay was content to track in fifth as the leaders set lackadaisical fractions of :48.45 and 1:11.98. Set down for the drive under Corey Nakatani, Belleski split rivals at the top of the lane and was quickly up by daylight as Quero Quero outfinished Betty's Wish and Acago (Royal Academy) in a three-way photo for the place spot.

OCEANUS (BRZ) (h, 5, Rainbow Corner {GB}--By Flower, by Blew By Em) had raced with some success in his native Brazil, running third in the G1 Gran Premio Association B.C.P.C. De Corrida. Off since a fifth-place effort in a Group 3 event at Gavea in mid-June, he went off the longest shot on the board here at 30-1 odds, but showed good late foot to get the victory. Last of six through a half in a quick :44.59, Oceanus rallied four wide down the lane and sailed past a trio of dueling rivals in the final eighth. Montbretia (Meadowlake) got a nose down for place honors over Melanyhasthepapers (Game Plan). The winner is a half to Senhor Fanatico (Brz) (Spring Halo {Arg}), MSP-Brz. Lifetime Record: G1SP-Brz, 22-5-5-1, \$22,200. O-L-Bo Racing or Pyle Paseta. B-Haras Campestre (BRZ). T-A C Avila.

Atticus to Magali Farms:

World-record setter **Atticus** (Nureyev--Athyka, by Secretariat) has been purchased by Suarez Racing Inc. and will stand in 2005 at Magali Farms in Santa Ynez, California. The 12-year-old stallion's fee will be \$4,000 live foal. During his unbeaten 1997 campaign, the chestnut won the GI Arcadia H. on the turf at Santa Anita, covering the mile in a world record 1:31 4/5. He also captured the GI Oaklawn H. "We think Atticus is going to be very well received in California," said Magali Farms manager Tom Hudson. "He's a Grade I winner on dirt and a Grade II world record holder on turf, who's out of the Northern Dancer--Secretariat line. He's got everything you would want in a stallion." From three crops to race, Atticus has sired stakes winners Attico, Petite Speciale and Politics. For more information, go to www.magalifarms.com.

Ball Four Tops Horses of Racing Age Sale:

Three-year-old **Ball Four** (Grand Slam), who kept Magistretti company in breezes over the Lone Star turf course last week, brought a final bid of \$110,000 to top yesterday's Fasig-Tipton New York's Horses of Racing Age Sale yesterday at Belmont Park. Previously trained by Patrick Biancone for Andrew Farm and Suren Hovsepian, the bay is a two-time winner from eight career starts, including a 3/4-length victory over the Belmont turf course Sept. 22. He was most recently fourth, beaten three lengths in the Texas Turf S. on the Breeders' Cup undercard last Saturday. Overall, 38 horses sold for \$362,400 for an average of \$9,537. Last year saw 55 horses sell for \$449,400, an average of \$8,171.

After breaking her maiden at Longchamp May 6, Amie de Mix had failed to win in her next five starts, but came back to form with a last-out second in the Listed Prix Coronation at Maisons-Laffitte Sept. 29. Making virtually all here, she rewarded shrewd punters, who knocked her down to 17-10 favoritism, by securing a first stakes success at the fourth attempt in such company. The Lagardere Family colorbearer soon held sway in advance of the penalized Banksia (GB) (Marju {Ire}) and had that rival on the retreat at the top of the stretch run. Pushed along as the remainder closed approaching the final furlong, the market pick responded to Christophe Soumillon's tender encouragement in the closing stages to hold the running-on Polyfirst with ease.

JOHNSTON ON ICE

Mark Johnston has won this season's Newmarket trainers' challenge and received his weight (54 bottles) in champagne as his prize. The Ruinart Champagne Champions' Challenge is based on a points system covering all 28 group races staged at Newmarket this year and Johnston's main points contributor was the dual Classic-winning filly **Attraction (GB)** (Efisio {GB}). She won both the G1 1000 Guineas and the G1 Sun Chariot S. at Headquarters, whilst stablemate **Shamardal** (Giant's Causeway) added to the track tally by landing the G1 Dewhurst S. last month. The Middleham-based conditioner finished ahead of Barry Hills and joins previous winners Saeed bin Suroor (2002) and Jeremy Nosedo (2003) on the roll of honor. Ruinart UK's George Atkinson-Clark commented, "Mark has had an exceptional season, and is a worthy winner of his weight in Ruinart. I'm looking forward to my invitation to his yard's Christmas party."

Alcazar, allowed to go postward at generous odds, found an easy spot here to garner a fifth stakes win in decisive fashion. After a seasonal debut success in the Listed Further Flight S. at Nottingham in March, he was a gallant runner-up in the G2 Yorkshire Cup in May but disappointed next time, albeit on unsuitably fast ground, in the G1 Gold Cup at Royal Ascot June 17. However, he proved he remains in the higher echelon of European stayers in his last two starts, finishing a close fifth to Vinnie Roe (Ire) in the G1 Irish St Leger at the Curragh Sept. 18 and a closer third behind Westerner (GB) in the French equivalent, the G1 Prix Royal-Oak, at Longchamp Oct. 24. Tackling lesser opposition and stalking the lead throughout in this one, the nine-year-old eased to the front with three furlongs remaining and was tenderly handled inside the final quarter-mile marker to easily dispose of Winged d'Argent's vain bid.

SPECTRUM SOLD TO SOUTH AFRICA Spectrum (Ire) (Rainbow Quest--River Dancer {Ire}, by Irish River {Fr}) has been sold to Graham Beck's Highland Farms in South Africa's Western Cape, according to *thoroughbredinternet.com*. Blandford Bloodstock brokered the deal to sell the 12-year-old stallion, who had previously stood at Coolmore Stud in Ireland. His new stud fee has not yet been announced. A multiple Group 1 winner at three, Spectrum entered stud in 1997. From his first crop came Golan (Ire), hero of the G1 2000 Guineas in 2001 and of the G1 King George VI and Queen Elizabeth S. in 2002. This year, the bay has been represented by French Group 1 winner Gamut (Ire) as well as G1 Australian Oaks victress Wild Irish (Aus).

King Kamehameha (Jpn) (Kingmambo--Manfath {Ire}, by Last Tycoon {Ire}), winner in new stakes record time of this year's G1 Tokyo Yushun (Japanese Derby), has been retired to stud at Shadai Stallion Station after bowing a tendon in his right leg. The half to 2000 GI Santa Anita Derby winner The Deputy (Ire) is being syndicated for ¥2.1 billion (about \$19 million), the largest valuation ever for a Japanese horse. Team Valor and Margaux Farm were partners in the mare Manfath, who they purchased privately carrying a foal by Titus Livius (Ire) in 1999. Bred the following year to Kingmambo, the 13-year-old was sold at Keeneland November and elicited a final bid of \$650,000 from Katsumi Yoshida. Trained by Kunihide Matsuda for owner Makoto Kaneko, King Kamehameha retires with a record of 8-7-0-1 and earnings of \$3,904,136.
