HAYWARD NAMED NYRA PRESIDENT/CEO

Charles Hayward, the former president and CEO of *Daily Racing Form*, has been named to the newly consolidated position of president/CEO of the New York Racing Association, it was announced Thursday. Hayward will take up his new duties immediately. "New York racing is clearly the best in the world and it is an important part of the economy of New York state," said Hayward. "I look forward to working with the NYRA management team, state regulators and elected officials to maximize the business benefits of NYRA for the state, our horsemen, and the racing fans of New York." Hayward, 55, fills the position of CEO left vacant by Barry K. Schwartz, who announced he was leaving NYRA in

August. Discussions with Hayward and Steven Duncker, vice chairman of the NYRA Board of Trustees, and co-Chief Operating Officer Peter Karches, began shortly thereafter. As part of Hayward's hiring, Karches and Duncker, who was the other co-chief operating officer, will relinquish those duties. Hayward talked Thursday about his plans for NYRA, an organization plagued by legal and financial problems in recent years. "There are some big challenges we have here at NYRA," commented Hayward. "One of the biggest ones, obviously, is returning NYRA to profitability. I'm going to be very strong in trying to build consensus and work collaboratively with all the stake-holders we have in the state; owners, breeders, regulators, trainers, legislators, OTB and, of course, all the media. And one of my goals will be to improve the on-track racing experience for both the new and, perhaps most importantly, the experienced racing fan." Hayward, a resident of Manhattan and Saratoga Springs, New York, previously served on the NYRA Board of Trustees from 1995 to 1999. His four-year stint as president and CEO of the *Form* ended in August after it was announced that the publication was sold by Alpine Capital to the Wicks Group.

SPEIGHTSTOWN TO STAND FOR \$40,000

Eugene and Laura Melnyk's GI Breeders' Cup Sprint winner **Speightstown** (Gone West--Silken Cat, by Storm Cat) will begin his stud career next season at WinStar Farm in Versailles, Kentucky for a fee of \$40,000, as part of a Taylor Made/WinStar Venture. The six-year-old chestnut capped a stellar season with a dominant victory in the Sprint. He also won this year's GII Churchill Downs H., GII True North Breeders' Cup H. and GII Alfred G. Vanderbilt H. In the Vanderbilt, Speightstown equaled the Saratoga track record for six furlongs in 1:08. "We feel that Speightstown, a track-record holder and Breeders' Cup Sprint winner, represents a significant value at \$40,000," said WinStar President Doug Cauthen. "He was a \$2-million yearling. Combine that with his pedigree, a son of Gone West out of a champion Storm Cat mare and you are looking at an incredible stallion prospect. WinStar will be supporting him with our best mares, along with the Melnyks and Taylor Made." Speightstown is the first foal of Silken Cat, Canada's champion two-year-old filly of 1995. He was purchased by the Melnyks at the 1999 Keeneland July sale. WinStar will be holding a stallion reception Saturday from noon to 3 p.m. and Sunday from 10 a.m. to noon.

ROMAN RULER TO UNDERGO SURGERY

Fog City Stable's **Roman Ruler** (Fusachi Pegasus), fifth as the 2-1 favorite in Saturday's GI Breeders' Cup Juvenile at Lone Star, will undergo surgery to remove an undescended testicle Nov. 7 and will be sidelined for seven to 10 days. "This is something we've been planning on doing for a long while, but we just didn't have time to do it," trainer Bob Baffert told the *Blood-Horse*, adding that the condition had bothered the two-year-old in the past. "His exercise riders have always talked about his hind end and how he swishes his tail," Baffert explained. "It can be painful for some horses and gets worse as you go along. It plays on their mind, too." The bay, winner of the GII Best Pal S. in August, entered the Juvenile off a win in the Oct. 3 GII Norfolk S.

YOUNG GUNS AT ASHFORD Ashford has announced several changes for their 2005 roster. Leading freshman sires **Giant's Causeway** (Storm Cat) and **Fusaichi Pegasus** (Mr. Prospector) will stand for \$135,000 and \$100,000, respectively, in the new year. They will be joined by **Monashee Mountain** (Danzig), a half brother to Horse of the Year Mineshaft who began his stud career in Ireland. Giant's Causeway has had enormous success with his

first crop in England, where he has been represented by unbeaten Group 1 winner Shamardal and MGSW Maids Causeway (Ire). The four stakes winners sired by Fusaichi Pegasus include MGSW Roman Ruler. "Both horses had excellent yearling sale results this year, and, more importantly, both have really impressed with their first starters," said Aisling Duignan, Ashford's director of sales. "Giant's Causeway is Europe's leading freshman sire; he's currently second here in the U.S.A. and remember, his best son Shamardal destroyed Wilko [GI Breeders' Cup Juvenile winner] in the G2 Vintage S. before winning the G1 Dewhurst S." As for his Kentucky Derby-winning barnmate, Duignan said, "Fusaichi Pegasus already has four stakes winners to his credit—including Roman Ruler and Killenaule—along with some very high-class debut winners like Godolphin's Saywaan. His stakes winners/runners percentage is remarkable for a young classic-type sire."

A \$1-million Keeneland July yearling, Monashee Mountain began covering mares with less fanfare than the aforementioned duo, but is second only to Giant's Causeway on the European first-crop sires table. The son of Danzig--Prospectors Delite has been represented by 14 individual winners and four stakes winners to date. The bay will stand for a fee of \$10,000 live foal.

CUVEE RETIRED Grade I winner **Cuvee** (Carson City--Christmas Star, by Star de Naskra) has been retired to Spendthrift Farm following an unplaced effort in the GI Breeders' Cup Sprint at Lone Star Park. The Lexington, Kentucky nursery acquired an interest in Cuvee during his juvenile season. He will begin his stud career at a fee of \$10,000 live foal. Bred in Kentucky by Verne Winchell, the flashy chestnut won four of his six starts last year by wide margins, including the GI Futurity S. by 8

Cuvee Adam Coglianesse

1/4 lengths, the GII Saratoga Special S. by 7 1/2 lengths and the GIII Kentucky Breeders' Cup S. by 8 1/4 lengths. Those victories led to his being the co-top ranked youngster on the Experimental Free Handicap at 126 pounds. He made three starts this year, finishing second to Fire Slam in the Matt Winn S. and second in the GIII Kentucky Cup Sprint before his Breeders' Cup outing. Cuvee heads to the breeding shed with a record of 9-4-2-1 and earnings of \$402,043. Produced by a half sister to MGSWs Olympio and Call Now, the three-year-old is from the immediate family of MGSWs Bien Nicole, Early Flyer and Wild Wonder.

VRC Oaks-G1 cont.

Trainer Lee Freedman's former stable foreman John McCardle emerged as a Group 1 conditioner in his own right less than a year after being granted his trainer license, when A\$10,000 purchase Hollow Bullet suddenly stole Thursday's G1 VRC Crown Oaks at Flemington. While Mango Daiquiri (NZ) (Cape Cross {Ire}) was utterly relaxed in front with a 1 1/2-length break throughout, Hollow Bullet was anything but relaxed, reefing her head and fighting jockey David Taggart in the early stages before being locked away in an Alcatraz-like pocket. Taggart tried to push the filly through the leaders, saw the gap closing in his face and was forced to ease Hollow Bullet and come out very wide. As Mango Daiquiri, Kylikwong and the Freedman-trained Storm Alert looked set to hit the wire with only an eyelash separating them, Hollow Bullet, with her distinctive broken blaze, loomed down the outside to snatch the race by the slimmest margin. "With 100 meters to go, I thought she was gone, they tried to picket her, but when she got out, she just flew, and we always knew she had that turn of foot," said McCardle. "She tried her heart out." McCardle's partner of four years is Melbourne Cup victor Makybe Diva's strapper Bernadette Cordeaux, and McCardle is based at a Mornington Peninsula property he has leased from Freedman, leading to plenty of good-natured bantering on radio this week between the pair. "There was some conjecture when I first came out on my own that I was nothing more than an arm of the Freedman brothers, but I'm a completely separate entity," McArdle said before the race. "People think, 'Oh, is he a lucky idiot with one horse, or can he train?' They look further and see I've trained over 20 winners in 11 months and 30 placegetters." Hollow Bullet, as broad as she is leggy, won the Wakeful S. on Saturday and demonstrated the extra 500 meters was no obstacle in the Oaks.

D'Amico Recovering from Wednesday Spill:

Jockey Tony D'Amico is recovering in a Louisville hospital from injuries suffered in a spill in the 10th race at Churchill Downs Wednesday. D'Amico, who was clipped by a trailing horse after falling off his veering mount, sustained a fractured left collarbone, four fractured ribs and a punctured lung. D'Amico's wife, Mindy, said she fully expects her husband to return to riding. "He love's to ride," she said. "He's up in his hospital room right now, watching the races and he's mad he can't be out there. He had a pretty good Keeneland meet, so he was looking forward to this meet. For Tony, it's never a question of will I go back, but how soon?"

Seize the Day Works Toward Hollywood Prevue:

Seize the Day (Montbrook), an eye-catching 11-length winner in his Oct. 11 debut at Santa Anita, worked six furlongs yesterday at Hollywood Park in 1:14. The two-year-old will likely make his next start in the Nov. 20, seven-furlong GIII Hollywood Prevue S., a race that's also expected to draw GII Del Mar Futurity winner **Declan's Moon** (Malibu Moon). Seize the Day's trainer, Kristin Mulhall, said that she timed yesterday's drill in 1:13 flat.

Mitchell Makes Plans for Kela, Star over the Bay:

Trainer Mike Mitchell, who saddled **Kela** (Numerous) to a runner-up finish in the GI Breeders' Cup Sprint last weekend, said yesterday that the six-year-old would probably appear next in the GI Cigar Mile at Aqueduct Nov. 27. Another Mitchell charge, **Star Over the Bay** (Cozzene), who was last of eight in the GI Breeders' Cup Turf, is on target for a tilt in the \$500,000 Sunshine Millions Turf at Santa Anita in January. "I think he likes the firmer turf courses better," said Mitchell of the Florida-bred, referring to the yielding sod of Lone Star on Breeders' Cup day.

LUCKY IN LOVE (m, 5, Bold Badgett--So Lucky, by Tank's Prospect) hadn't had her picture taken since winning at this distance in a Santa Anita optional claimer Feb. 15. In her most recent start, the Cal-bred ran fourth behind a pair of her rivals here--Gold Player (Seeking the Gold) and Lady Thatcher (Chi) in an allowance at Oak Tree Oct. 8. Never far from the front, the 9-2 shot bided her time in third, hooked up with Woodlass (Woodman) in the stretch and got the better of her to prevail by a neck. It was eight lengths back to Gold Player in third. Lady Thatcher ran fifth. Lifetime Record: SP, 26-5-4-8, \$269,058.

O-Mercedes Stables LLC. B-Old English Rancho (CA). T-Bruce Headley.

6th-HOL, \$40,020, Msw, 2yo, 1mT, 1:39 2/5, fm.

PETRUS (c, 2, Silver Hawk--Princess Miner, by Majestic Light), a \$75,000 KEESEP yearling acquisition, ran a bang-up race in his debut, missing by a nose to the promising Chattahoochee War in a maiden going down the hill at Santa Anita Oct. 15. Bet down to 3-5 off that effort, the bay did not disappoint his backers. He broke alertly, made his move with Beau (Swiss Yodeler) and outfinished that rival to win by a length. Lifetime Record: 2-1-1-0, \$30,000.

O-Browne Dundon & Relatively Stable. B-Brereton C Jones (KY). T-Neil D Drysdale.

Also ran: Best Horse (Fr), Inthemoodforlove (Ire), Filimeala (Ire), Mary Doun (Fr), American Touch (Fr). Sixth in the G2 Prix Robert Papin at Maisons-Laffitte July 27, Sunny Sky subsequently filled the same berth in a valuable conditions event at Deauville Aug. 10. Returning from a break to win at the same track Oct 19, he wired the field in game fashion here for a deserved first black-type win. Breaking smartly from an outside draw, the 42-5 chance seized the initiative from the outset and came under pressure as the field turned for home. Strongly pressed from early stretch, the battling pacesetter would not be denied under a forceful Gaetan Faucon-drive and he possessed the necessary reserves late as the fast-closing Shining Energy ran out of runway.

All horses in the TDN are bred in North America, unless otherwise indicated

GRAND PRIX DE LA VILLE DE NANTES-Listed, €60,000, Nantes, 11-4, 3yo/up, 1 1/2mT, 2:38.20, vsf. 1--#**CYR CRY (FR)**, 127, g, 4, **Freedom Cry (GB)--Cinthiana (Fr), by Saint Cyrien (Fr)**. O/T-C Le Lay; B-C & Mme Le Lay; J-Laurent Huart; €30,000. Lifetime Record: 13-3-1-4, €81,440.

2--**Marend (Fr)**, 121, g, 3, Green Tune--Marende (Fr), by Panoramic (GB). €12,000.

3--**Maredsous (Fr)**, 127, f, 4, Homme de Loi (Ire)--Tutti (Fr), by Rahotep (Fr). €9,000. (FF70,000 yrl '01 DEAOCT).

Margins: 1HF, 3HF, 1. Odds: 4.50, 2.90, 4.60.

Drama preceded this contest as Melody de la Barre (Fr) (Smadoun {Fr}) was scratched after breaking loose from the gate, but that incident did not stop Cyr Cry, who benefitted from an astute Laurent Huart ride and registered a first stakes success in commanding style. Coming off a career-best third in the Listed Grand Prix du Sud-Ouest at Bordeaux-le-Bouscat Sept. 11, the eventual winner was reserved off Marend's steady early pace until making notable headway inside the last half mile. Huart was most alert as he kicked his mount to the front at the top of the stretch and the partnership remained in command inside the final furlong and pushed all the way home by the game runner-up.

TOMPKINS' BABODANA APPEAL FAILS

Newmarket trainer Mark Tompkins failed in his attempt to overturn the disqualification of Babodana (GB) after an appeal was dismissed at the Jockey Club's London headquarters yesterday. The four-year-old was demoted, in favor of short-head runner-up Sleeping Indian (GB), in the Ben Marshall S. at Newmarket Oct. 30 on the grounds he had improved his placing whilst drifting and forcing that rival right and the Club's disciplinary panel upheld that view. "I am very disappointed, we had a good case and we got a fair hearing, but the stewards' decision was upheld," Tompkins told *PA Sport*. "I thought it was a harsh decision and it was a Listed race with a lot of money at stake. It's done now though and there's nothing we can do about it."
