BIRDSTONE TO GAINESWAY

Classic winner **Birdstone** (Grindstone--Dear Birdie, by Proud Birdie), retired after suffering a chip in his left front ankle, will go to stud at Gainesway Farm in Lexington, it was announced yesterday. The three-year-old will stand as the property of his owner/breeder, Marylou Whitney. "With his tremendous victory over Kentucky Derby and Preakness winner Smarty Jones in the Belmont, Birdstone solidified his status as a great racehorse," said Gainesway President Antony Beck. "We are thrilled to add him to the Gainesway roster of stallions." Added Whitney, "The horse gave us so much pleasure. We are delighted to have him coming home where we can still see him on a regular basis." Birdstone will stand for a fee of \$10,000 in 2005. "We are committed to Birdstone's stallion career long term," Whitney said. "That's why we priced him so attractively."

ONE COOL CAT RETIRED

Two-time Group 1 winner **One Cool Cat** (Storm Cat--Tacha, by Mr. Prospector) has been retired and will head to Coolmore Stud in Ireland for the 2005 breeding season. A \$3.1 million KEEJUL yearling, the dark bay colt enjoyed a stellar juvenile season, capped by wins in the G1 National S. and G1 Phoenix S. He added a victory in the G3 Anglesey S. this year, and was rated the top sophomore sprinter after running third in the G1 Nunthorpe S. at York in August. The three-year-old retires with five wins and a third from 10 career starts for earnings of \$564,798. "We're delighted that One Cool Cat will remain in Ireland, as our American base was also very keen to have him," said Coolmore's Christy Grassick. A stud fee has not yet been set, but Grassick added, "He'll be competitively priced and should prove popular with breeders."

HALFBRIDLED RETIRED

Halfbridled (Unbridled--Half Queen, by Deputy Minister), champion juvenile filly of 2003, has been retired. On the shelf since finishing second in the Apr. 8 GII Beaumont S., the three-year-old had returned to the track and was galloping when she suffered a recurrence of the cannon bone injury that sidelined her in the spring. The Wertheimer homebred was undefeated in four starts at two, taking the GII Oak Leaf S., GI Del Mar Debutante and GI Breeders' Cup Juvenile Fillies. She started just twice this year, running second in the GI Santa Anita Oaks and the Beaumont. She earned \$959,400. A 2005 mating has not yet been decided.

SWASHBUCKLER

It may be a juvenile contest, but the G1 Criterium de Saint-Cloud usually separates the men from the boys. **Musketier (Ger)** (Acatenango {Ger}) should relish this stamina fest today. After taking a conditions event at Deauville Aug. 24, he went down by a short neck to subsequent G1 Criterium International winner Helios Quercus (Fr) in the G3 Prix des Chenes at Longchamp Sept. 18 before recording a convincing six-length success in the G3 Prix de Conde Oct. 17. He re-opposes **Vatori (Fr)** (Vettori {Ire}), who followed a third in the Prix des Chenes with a hard-fought score in the G3 Prix Thomas Bryon over a mile at this track last time Oct. 7. Trainer Aidan O'Brien, who saddled Ballingarry (Ire) and Alberto Giacometti (Ire) to win in 2001 and 2002, is represented by **Yehudi (Ire)** (Sadler's Wells), who went gate to wire to win Sunday's Listed Eyrefield S.

High winds could help dry out the grass course, but there is still likely to be some give in the ground at Aqueduct this afternoon. That's good news for **Eleusis**, who makes her U.S. debut in the 12-furlong test. Experienced on soft turf, the three-year-old filly has been beaten just once and ended her European campaign with her fourth consecutive victory in the Oct. 1 Prix Joubert at Chantilly. She is a perfect two-for-two at the Long Island distance. The morning-line favorite, **Arvada**, is a question mark both for the condition of the track and the trip. Third in the G1 Prix Saint-Alary at three, the bay four-year-old was off the board in four straight at the end of her sophomore season and was sent to the States. She kicked off her American stint with a fourth at Santa Anita in March, then lost out on two photos when second at Hollywood in April and at Belmont in June. The British-bred earned her first U.S. score in a Saratoga allowance test Aug. 11 and made it two in a row with a front-running tally over Spice Island and subsequent GI Breeders' Cup F/M Turf runner-up Film Maker in the second division of the Sept. 5 GIII Glens Falls H. But that effort did not earn her a trip to Lone Star. "I didn't think she was good enough to run with the best fillies and mares," trainer Bobby Frankel explained. "Even though she beat Film Maker, she was getting a lot of weight from her." Second in her only other try at 12 panels, **Savedbythelight** set the pace in the first division of the Glens Falls before tiring to third.

Street Cry. About as good as a horse can be. And that's not just us saying it — those are Jerry Bailey's words.

And **E Dubai**, absolutely and definitively the fastest son of Mr Prospector over six furlongs, a mile and a mile-and-a-quarter.

Two fine young stallions, each born to win, both bred to excel. **Seek out their foals at Keeneland November**: they're the proof that both stallions also have a very bright future...

BATES MOTEL DEAD Bates Motel (Sir Ivor), the champion older horse of 1983 after winning the GI Santa Anita H., GI Monmouth H. and GI San Antonio H., was euthanized Oct. 12 at Gainesway Farm in Lexington due to the infirmities of old age. He was 25. Bred and raced by Jacqueline Getty Phillips, the bay won nine of 19 starts and earned \$851,050. He entered stud at Gainesway in 1984 and sired 38 stakes winners, including Private School, Rare Blend and Canadian Classic winner Blondeinamotel. His progeny have earned more than \$24 million. Bates Motel was pensioned in August of 2003. "[Bates Motel] was a fixture at Gainesway for more than 20 years and we are saddened by the loss of this great champion," said Gainesway President Antony Beck.

GIANT'S CAUSEWAY FULL BRO TO WALMAC Tumblebrutus (Storm Cat--Mariah's Storm, by Rahy), a full brother to second-leading freshman sire Giant's Causeway, will stand his first season in 2005 at Walmac Stud Management LLC in Lexington. Trained by Aidan O'Brien, the dark bay ran first or second in three of four European starts at two, including a runner-up finish in the G2 Futurity S. at The Curragh. The three-year-old is being syndicated and will stand for \$6,000 live foal. He is now available for inspection at Walmac. European Horse of the Year Giant's Causeway has sired 17 winners and four stakes winners from his first crop for progeny earnings of \$1,075,560.

A # will distinguish first-time stakes-winners, a @ will indicate first-time graded stakes-winners, a ▲ will denote a first-time Grade/Group 1 winner, a + will first-time starters, an (S) will be used for state-bred races, a (C) will be used for maiden-claiming races and an (R) will be used for other restricted races. Purses for Canadian races are in Canadian dollars.

Read the Footnotes Back on Track:

Read the Footnotes (Smoke Glacken), sidelined since undergoing surgery to remove a chip from his right knee, is back on track and could make his return before the end of the year. The eye-catching bay, winner of the GII Fountain of Youth S., has not started since running seventh in the May 1 GI Kentucky Derby. "We gave him a lot of big gallops and he did it like breaking sticks," trainer Rick Violette Jr. said. "He is probably fitter than I had anticipated. Now he is back breezing and he is doing great. There aren't any concrete plans yet, but we hope he will be back later in the year." The New York-bred colt had his first workout since April at Aqueduct Oct. 29, going a half in :48 4/5. He has won five of his eight career starts.

Mr. Whitestone was haltered for \$50,000 out of a winning effort at Aqueduct last December and has proven a very solid claim since, running off the board only once in eight starts. Freshened off a sixth-place finish in a \$65,000 optional claimer at Monmouth Sept. 5, he ran with a \$100,000 price tag attached here. Mr. Whitestone raced in third as All Hail Stormy cut out the early fractions. Asked for run by Cornelio Velasquez at the top of the stretch, the bay responded and bounded home a clear-cut winner.

YORK RETURN FOR OUIJA BOARD

Lord Derby's **Ouija Board (GB)** (Cape Cross {Ire}) won't make her 2005 debut until late spring, trainer Ed Dunlop revealed yesterday. Dunlop will give his dual Oaks winner an extended vacation after her exploits in the GI Breeders' Cup Filly and Mare Turf at Lone Star Park Oct. 30. "Ouija Board will have a long-deserved rest," the conditioner told the *Daily Mail*. "She won't be out until next June, when the Prince of Wales's S. at the Royal fixture is a possible comeback target." The Royal Ascot races will be staged at York next year due to the redevelopment of Ascot.

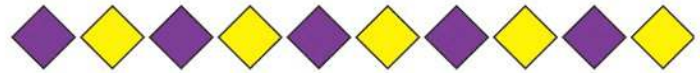

ALL-WEATHER SEASON READY FOR KICK OFF

Officials at Arena Leisure were yesterday looking forward to the official start of the all-weather season on the fibresand at Southwell on Monday. The organisation, which is also responsible for the polytrack venues Lingfield and Wolverhampton, will offer prize money of almost £5 million in the period through to mid-March 2005. Southwell has undergone a redevelopment as part of a £10 million program of refurbishment and relaying of surfaces. "We are about to start a very exciting all-weather season, having invested heavily into our three all-weather racecourses," commented Arena's Racing Director Ian Renton. "I am delighted we were able to go ahead with replacing the surface at Southwell and am confident we now have three all-weather tracks built to a high standard."
