HELLO KITTY

Miss Kitty (Storm Cat), an unraced two-year-old sold as a broodmare prospect, brought a bid of \$280,000 to top Tuesday's session of the Keeneland November

Gold Dollar Jim Lisa photo

Breeding Stock Sale in Lexington. Consigned by John Williams, Agent LLC, the chestnut was purchased by Arch Bloodstock LLC. The Overbrook-bred, out of stakes winner Miss Prospector (Crafty Prospector), is a half-sister to SW Gold Dollar (Seattle

Slew), who finished second to Medaglia d'Oro in the 2002 Gil Jim Dandy S. and has earned over \$400,000. It is also the family of MGSW Judge TC. Two hips later, her dam, Miss Prospector, sold for \$190,000 to Tim Thornton. Arch Bloodstock also picked up the day's second-highest priced lot, going to \$235,000 for the racing/broodmare prospect **Unbridled Appeal** (Unbridled). The unraced three-year-old, from the Wimbledon Sales LLC consignment, sold for \$160,000 as a KEESEP yearling. She is a half to stakes winner/ stakes producer Turkappeal (Turkoman), from the family of Canadian champion Silken Cat.

Uncommon Stallion Prospect...

Stallion prospect **Captain Thunder** (Storm Cat--Especially, by Mr. Prospector), a half-brother to the ill-fated sprinter Boston Common (Boston Harbor), MGSW, \$609,317, was hammered down for \$200,000 at Keeneland yesterday. Bred by Overbrook Farm, the four-year-old colt won three times in nine starts, taking a Churchill allowance test this term, and earned \$90,410. He was consigned by Eaton Sales, agent, and purchased by Anucha Kiatkajonklai.

SALES 11-DAY TOTAL HITS \$285-MILLION

Revenues for the first five books and 10 days at Keeneland, combined with Fasig's one-day sale last Sunday, had passed the \$285-million mark by the close of business Monday. Through the first 10 days of Keeneland, 1,944 horses (13 more than last year, under a 1-percent increase) had sold for \$264.6 million and averaged \$136,142. The Keeneland gross was up 16 percent and the average up 15 percent; including Fasig, the November market as a whole--with four days to go--was up 8 percent in number sold (2,145 this year vs. 1,990 at this point last year), up 18 percent in gross (from \$241.2 million to \$285.3 million) and up 10 percent in average (\$121,222 to \$133,028). This should have a familiar ring to it: the major U.S. yearling sales (Fasig July, Saratoga and Keeneland September) were up 18 percent in gross and 5 percent in average. The numbers will change somewhat in the last four days of this sale (which will compare to three days last year), but the general tenor of the American market this year is loud and clear: up about 15 percent.

There have been some wide variations between days and books between this year and last (Monday's session this year, for example, was the second day of Book 4, whereas last year it was the first day of Book 5, which is why we compare the sale's first 10 days, regardless of Book). As I mentioned last week, three of the sale's first four days were nearly dead even on average. But the sale's third day, the first day of Book 2, was an absolute blockbuster: Wednesday's gross was up 57 percent (almost \$15 million) and the average was up a whopping 42 percent. Book 3 was marginally down--by 5 percent in gross and 3 percent in average--while Book 4, on Sunday and Monday, saw an 18-percent increase in gross and a 26-percent jump in average. The most likely explanation for all this is simply that the distribution within the sale was probably naturally different from last year or the year before, and that the really meaningful figures, as quoted above, are that 1,944 horses on Keeneland's first 10 days have brought 16 percent more on gross and 15 percent more on average than 1,931 horses brought on the corresponding first 10 days last year.

Youth is Served

None of the 11 stallions whose first weanlings have averaged over \$50,000 (through the end of Book 4) averaged even as much as leading 2004 European freshman sire [Giant's Causeway](#) will be standing for in Kentucky next year, but they appear to be a very solid bunch of middle-range sires nonetheless. The interesting three-way battle for top spot is about over: [Johannesburg](#) will be the leading first-year weanling sire, with 21 (of 32 offered) averaging \$107,810. Orientate (13 of 19, averaging \$103,077) is currently second, ahead of [Came Home](#) (11 sold of 17 offered, averaging \$99,818). But he had two foals catalogued in Book 5, the final one today, so the race for second is still a toss-up. These three have finished up with foal averages right around \$100,000, and all appear to have made quite promising starts commercially. Street Cry (8-for-14) is a clear fourth, with an \$87,250 average.

The real surprise package these last few days has been [Yonaguska](#). This \$10,000 Vinery stallion, who won the GI Hopeful S. as a two-year-old in the Tabor colors, had foals sell for \$200,000, \$210,000 and \$160,000 on Sunday (Book 4, day 1). He moved into fifth spot among first-year foal sires, with 15-of-20 averaging \$80,867 through the end of Book 4. Most of these sires still had or have foals to sell in Books 5 and 6, so most of their averages are going to fall further; nonetheless, the fact that 11 stallions had averaged \$50,000+ through the end of Book 4 does seem quite notable. Besides Yonaguska, other sires who have sold particularly well in Books 3-4 include Buddha, [Pure Prize](#), and [Jump Start](#).

Horseperson's Christmas List

Daily Racing Form's Kentucky bloodstock and sales correspondent Glenye Cain is one of the rising stars of our profession, and her first book, [The Home Run Horse](#) (DRF Press, 2004) just enhances her reputation. It's a book of stories about top-class horses and the people around them, and particularly how the peoples' lives were changed by the horses' successes. She goes back to Eclipse (and beyond), but many of the stories are quite recent. Not all bloodstock agents on your Christmas list may be thrilled that the book opens with Satish Sanan and Vindication, but that's just an aside. Glenye has an engaging and conversational style as a writer, which suits these stories well. It's a great idea for the horseperson on your list--or for anybody else affected by or addicted to the game--and is available from [drf.com](#) and [amazon.com](#) (I am assured), for \$24.95. Two things in particular that I was quite interested to read: Cecil Seaman saying that Northern Dancer measured very close to the life-size statue of Hyperion in Newmarket (that has really interesting implications for pedigree theory, I think); and Arthur Hancock saying, in the last chapter, about matings, "I always go back twice. If you believe in a cross, try it twice." That has really interesting implications for broodmare management, at least for owner-breeders.

The period immediately following the Breeders' Cup is a quiet one for major racing. At least one championship on the North American continent did get decided this week, however. One for Rose--champion older mare in Canada in 2003--ensured that she would own that title again this year by taking the Maple Leaf at Woodbine by 6½ lengths, with Clouds of Gold second and Raylene, who had beaten her in an allowance contest on her most recent start, third. A five-year-old mare, One for Rose has now won 12 of 22 starts, including four of eight 2004 outings, and earned C\$1,017,183.

One for Rose is one of four stakes winners--all from his first crop--sired by Tejano Run. Tejano Run campaigned from two to five, and was a very classy performer in each of the four seasons he raced. Despite being a May 5 foal, Tejano Run showed excellent form at two, capturing the GIII Kentucky Cup Juvenile S. and GII Breeders' Futurity. He also finished second to Peaks and Valleys in the Miller High Life Cradle S. and third in Timber Country's GI Breeders' Cup Juvenile. The chestnut failed to score in five starts at three, but ran a fine race in the GI Kentucky Derby to take second to [Thunder Gulch](#), with Timber Country, Mecke, Eltish, Afternoon Deelites and Serena's Song among those behind. He was also second in the GII Jim Beam S. and third in the GII Blue Grass S. As a four-year-old, Tejano Run added two more stakes, including a defeat of Sandpit in the grassy GIII Fort H. Back on the dirt at five, he added the GIII Widener H. and GIII Turfway Championship H.

Porter cont.

Tejano Run is a son of the Caro horse Tejano. At one time the holder of the juvenile earnings record, Tejano captured the GI Hollywood Futurity, GI Cowdin S., GI Arlington-Washington Futurity and GI Sapling S. At three, Tejano failed to win in 11 starts, although he did take seconds in the GII Peter Pan S., GII Withers S. and GIII King's Bishop S. At stud he proved disappointing and, apart from Tejano Run, his only other North American graded stakes winner was GIII Tropical Park H. victor Cimarron Secret.

One for Rose is the fourth foal and first stakes winner for her dam Saucyladygaylor. A daughter of Lord Gaylord, Saucyladygaylor made 31 starts in four seasons for seven wins and earnings of \$94,649. This is clearly a tough and hard-working family, as her brother Lord Sauce started 44 times and won nine, and her sister Saucy Gaylord faced the starter 57 times and won eight races and \$220,597. She also ran second in the Park Heights H. and third in the Francis Scott Key H.

Simply Saucy, a daughter of Lord Avie and a 3/4-sister to Saucyladygaylor, got off comparatively lightly with 17 starts, but her first foal is the dam of the stakes-winning Forest Wildcat filly Amber's Way.

Saucyladygaylor is out of the winning Sauce Boat mare Lady Sauce Boat. She has a better known sister in the multiple stakes-placed Barbicue Sauce, the dam of GI Preakness S. and GI Belmont S. winner Tabasco Cat. One for Rose's third dam, Lady Barbizon, won the My Fair Lady H. and was third in the GIII Post Deb S. She was out of Cancelada, a mare imported from Argentina, where the family has been active since the 1890s.

As a minor note, Cancelada is by Nigromante, an Argentine horse who was imported to the U.S. That import also appears in the tail-female line of Cimarron Secret, who we noted as the only other U.S. graded stakes winner for Tejano Run's sire Tejano.

Tejano and Nigromante apart, there is another connection in One for Rose's pedigree that appears to be a very important one. Tejano Run's broodmare sire is Wavering Monarch, a son of Majestic Light. Sauce Boat--the sire of One for Rose's second dam--is by Key to the Mint, a son of Graustark.

Majestic Light and Graustark have very similar backgrounds: Majestic Light is by Majestic Prince, a son of Your Hostess, and his dam is by Ribot. Graustark is by Ribot out of Flower Bowl, a 3/4-sister to Your Hostess.

The combination of Majestic Light with either Graustark or His Majesty (full brothers) in the pedigree seems to be quite a force for upgrading. We can find it in the pedigrees of at least 16 unrestricted stakes winners. In addition to One for Rose, they include champion sprinter Kona Gold (by far the best horse for his sire, Java Gold); GI Kentucky Derby winner [Monarchos](#) and GI Selene S. victress See How She Runs (the first two Grade I winners for Maria's Mon, a son of Tejano Run's broodmare sire Wavering Monarch); four-time Grade I winner Lite Light; and Canadian champion two-year-old filly Wedlock, a daughter of Wavering Monarch.

Shaconage Tunes Up for Cardinal:

Shaconage (El Prado {Ire}), sixth in the GI Breeders' Cup F/M Turf, was back on the work tab yesterday, breezing a half mile in :50.60 over a 'good' Churchill turf course. The four-year-old filly will try to add Saturday's GIII Cardinal H. to her previous Churchill victories in the GIII Locust Grove H. and the GIII Argent Mortgage S. "She likes this turf course," trainer Mitch Shirota said, adding that her performance on Breeders' Cup Day was not her best. "She was too far back and I don't know why," he remarked. "She was a little rough in the paddock that day, so I'm sure that had something to do with it. She's a handful and when she gets that way, she doesn't run her best race." Also working yesterday at Churchill was GISW **Honor in War** (Lord at War {Arg}). The five-year-old, who captured the 2003 GI Woodford Reserve Turf Classic but is winless in six starts this term, went his half in :48.80. He is pointing for the Sunday's GIII River City H. Breezing on the main track, GI Breeders' Cup Juvenile Fillies third **Runway Model** (Petionville) went a half in :48. She is nominated for the Nov. 27 GII Golden Rod S.

Honor Glide Moved to Bridlewood:

MGISW Honor Glide (Honor Grades--Becky Branch {Ire}, by Run the Gantlet), who stood at Cloverleaf Farms II in Florida in 2004, has been moved to Bridlewood Farm in Ocala for the upcoming breeding season. The 10-year-old will stand for \$4,000, live foal. A hard-knocking turf performer, Honor Glide raced from age three to eight, capturing the Turf Triple Crown--the GI Secretariat S., GII American Derby and GII Arlington Classic--as a sophomore and the GI Sword Dancer H. as a five-year-old. The bay retired with 11 wins from 38 starts and earnings of \$1,397,187.

NTRA Puts Together Jockey Medical Insurance Panel:

The National Thoroughbred Racing Association has put together a 32-person panel to study medical coverage for jockeys. A group of jockeys at Churchill Downs brought the issue to the forefront when they staged a protest last week and were ultimately banned from riding at the current meet, and there was speculation that the problems at Hoosier Park that led to the ejection of 15 riders and a member of the Jockeys' Guild also involved a dispute over medical insurance. Included on the NTRA panel are jockeys Jerry Bailey and Pat Day; NTRA members Greg Avioli, Keith Chamblin and Terry Meyocks; and trainers Richard Mandella, Eddie Plesa Jr., Rick Violette Jr. and John Ward. It will hold its first meeting Nov. 22. (*Industry info. cont. p2*)

MENDIZABAL BREAKS RECORD

Ioritz Mendizabal yesterday broke the all-time French record of winners for a season when partnering Viane Rose (Fr) to success at Saint-Cloud. Taking his tally to 208 for the term, he surpassed the previous best set by Christophe Soumillon just 12 months ago. "Just a few years ago it was impossible to think this could happen," he said. "Its hard to believe and a dream come true, and I will need a few days to realise exactly what it means. I have to thank everyone that has helped me to this achievement, especially Jean-Claude Rouget." Mendizabal is set to depart for Japan Dec. 1 to represent France in the World Jockeys' Championship before returning to ride out the rest of the year on Deauville's all-weather.

With ease in the ground, he bounced back to take the Listed Doncaster S. last time Oct. 23 and relished the rain-softened Parisian turf here under a confident Thierry Jarnet. Racing in rear early, he was delivered wide for his challenge in the straight and hit the front approaching the eighth pole before stretching clear for a comfortable success.

In addition to the similarities in pronunciation of the names of Dolma and Dalna, very little separate the pair on the track and this contest turned out to be a straight match between the ladies. Dolma, who had won the Listed Prix Sigy at Chantilly Apr. 30 before returning to that track to finish runner-up in the Listed Prix d'Angerville May 17 and third in the G2 Prix de Sandringham June 6, had Dalna back in fourth when winning the Listed Prix Amandine at Deauville July 8. After a fine third in the G1 Prix Maurice de Gheest there Aug. 8, she trailed Dalna when fifth in the Listed Prix de la Cochere at Chantilly Sept. 8 and when second in the Listed Prix de Saint-Cyr at Maisons-Laffitte last time Oct. 15. Reversing those placings here under Stephane Pasquier, Dolma stalked her nemesis until edging ahead at the quarter pole and asserting for a cosy score.

The winner is the sixth winner for freshman sire (by Priolo). Lifetime Record: 2-1-0-1, €18,200.

Making progress on the inner to challenge approaching the final quarter mile, the 8-5 favorite led with 1 1/2 furlongs remaining and was pushed out from there to safely account for Celere (Fr) (Kabool {GB}) by three lengths. CAPE CROSS COLT LEADS THE WAY AT NZB

A bay colt by promising young sire Cape Cross (Ire) topped all bids during a strong opening session of yesterday's New Zealand Bloodstock Ready to Run Sale. Hip [172](#), the fourth foal out of the unraced Danehill mare Gardenia (NZ), was hammered down for NZ\$270,000 to Paul Beamish Bloodstock. The Phoenix Park consignee is a full brother to the stakes winner and group stakes placed Florilegium (NZ). The first session of the two-day event saw 127 lots sell for NZ\$7,700,500, an average of NZ\$60,868, which represented a healthy jump over the 2003 numbers, when 141 lots grossed NZ\$6,400,000 at an average of NZ\$52,459. "There was definitely a market there today for good quality horses, while demand at the lower end was light at times," commented New Zealand Bloodstock Marketing & PR Manager Petrea Vela. "Overall we were pleased with the increase in total returns to vendors--over a million dollars more than last year for fewer lots sold."
