AIRWAVE TOPS TATTERSALLS MONDAY

The 2002 G1 Cheveley Park S. heroine **Airwave (GB)** (Air Express {Ire}--Kangra Valley {GB}, by Indian Ridge {Ire}) was bought for 550,000gns by Coolmore boss John Magnier to top the opening session of the Tattersalls December Mare Sale at Newmarket yesterday. Seamus Burns of Lodge Park Stud in Ireland pushed the bidding for the four-year-old up to 500,000gns before relenting to Katsumi Yoshida of Japan's North Farm. Yoshida's attempt to secure the filly stalled, however, when Adrian Nicoll of BBA Ireland, acting on behalf of Magnier, jumped in at what would be the final price. "She has got

G1SW Airwave *tattersalls.com*

very little pedigree, but she is such a good model, that's what really sold her," said Nicoll. "I thought she would make about that much and there were some very good judges bidding for her." The Kingstone Warren Stables consignee, who finished second in the G2 Diadem S. at Ascot Sept. 25 for trainer and part-owner Henry Candy, cost just 12,000gns as a yearling. Monday's second-highest lot was Alec Wildenstein's four-year-old **Amazon Beauty (Ire)** (Wolfhound), who realized 280,000gns from the bid of agent Anthony Stroud. Stroud was still finalising ownership plans for the Group 3-placed filly. The day's 6.35-million guineas turnover fell by 26 percent from 2003 and was the lowest opening day aggregate since 1995, something attributable to the scarcity of top-quality fillies and mares rather than a downturn in the market. The 38,253gns average fell by 21 percent and the 20,000gns median dipped by 20 percent. **Toppers p2**

PRIVATE ACCOUNT DEAD

Private Account (Damascus--Numbered Account, by Buckpasser), the sire of champion mares Personal Ensign and Inside Information, died last Thursday at Claiborne Farm in Paris, Kentucky due to the infirmities of old age. The 28-year-old stallion, pensioned following the 1995 breeding season, stood his entire stud career at Claiborne for the late Ogden Phipps. Personal Ensign, racing in the Phipps colors, put forward a stellar undefeated career which culminated with a dramatic come-from-behind win in the 1988 GI Breeders' Cup Distaff. As a broodmare, Personal Ensign has produced Grade I winners Miner's Mark, My Flag and Traditionally, as well as multiple Grade I stakes placed Our Emblem. My Flag is the dam of champion juvenile filly Storm Flag Flying. Private Account is also the sire of 1995 GI Breeders' Cup Distaff winner and champion older mare Inside Information and French Oaks and 1000 Guineas winner East of the Moon, as well as Grade I winners Valley Crossing, Personal Flag, Private Terms, Corporate Report, Unaccounted For, Secret Hello, Classy Cathy, Chimes of Freedom, Brunswick, Miserden, Personal Business, Fighter Fox and Pretty Discreet. On the racetrack, Private Account won the 1980 GI Gulfstream Park H. and GI Widener H. He was third in the 1979 GI Travers S.

Daiwa El Cielo's up-and-down season had another high Saturday as she beat the boys in front-running fashion as the only female representative in the 17-strong field. The bay won the G3 Queen Cup in March, but failed to replicate that form when seventh in the G1 Oka Sho in mid-April. She snared a Classic triumph with a victory in the May 23 G1 Japanese Oaks, then went to the sidelines. A seventh-place effort in her return, the Sept. 19 G3 Rose S., left something to be desired, but she made amends here as a 16-1 longshot. Sent to the head of affairs under Yuichi Fukunaga, Daiwa El Cielo made all the pace and left enough in the tank to hold Company at bay by a length and a half. "She was very relaxed today and raced very handily," said the winning rider.

She never produced a group or graded winner, except for the Group 1-winning English hurdler Kerawi. Indeed she was never represented by a first-three finisher at group level. Yet Kerali must rank as one of the most important mares ever to have been a member of Juddmonte Farm's illustrious broodmare band, as the weekend's results highlighted so vividly.

Saturday's GI Citation H. saw victory go to Leroidesanimaux, a Brazilian colt out of Kerali's daughter Dissemble. One and a half lengths back in third, making a highly encouraging American debut, came Juddmonte's Three Valleys, a colt out of Kerali's daughter Skiable.

Twenty-four hours later, the GI Matriarch S. was won for the second time in two years by a daughter of Hasili, who, like Dissemble and Skiable, is out of Kerali. Last year it was Hasili's turbo-charged Green Desert filly Heat Haze who triumphed and this year's contest provided Hasili's Danehill filly Intercontinental with a well-deserved Grade I success. Remarkably, Hasili has been represented in the Matriarch by three different daughters in the last three years, the other being Intercontinental's outstanding sister Banks Hill, who wasn't at her best when fourth in 2002.

Incidentally, the Matriarch is proving a rewarding hunting ground for several different parties. For Bobby Frankel, Intercontinental was his sixth winner in nine years. She also followed Wandesta, Ryafan and Heat Haze as the fourth winner for Juddmonte Farms, who have also been ably represented in this race by Toussaud (a neck second in 1993), Skimble and Spanish Fern. And Intercontinental was the third consecutive Matriarch winner by a European stallion son of [Danzig](#), Danehill's daughter Dress To Thrill having started the sequence in 2002.

Dissemble, Skiable and Hasili were Kerali's first three foals, born in consecutive years. Between them they have produced nine group/graded winners from their first 16 foals of racing age, which represents an extraordinary achievement. There is every chance that this statistic will improve over the next few years, as Hasili's next representative will be her good-looking 2003 Danehill colt, a brother to Dansili, Banks Hill, Intercontinental and Cacique. Dissemble's latest foal is her 2004 [War Chant](#) filly, who drew a bid of \$625,000 from Texan Stewart Armstrong at Keeneland last month, this filly having the attraction of being by a son of Danzig. And Skiable has a yearling filly by [Miswaki](#) and is in foal again to Three Valley's sire, [Diesis](#).

Kerali's next three foals were colts, but she rounded off her broodmare career with four more daughters.

The first of these fillies, Jiving, is by Generous and is therefore bred along similar lines to Hasili, in that both are by grandsons of Nijinsky II. Jiving was sold for 17,000 guineas at the 1999 December Sales after being placed at two. When she next appeared in the sales ring, at Keeneland a year later, she was in foal to Danehill and her price soared to \$700,000. She was no doubt helped by the fine form shown by Hasili's first Danehill foal, Dansili, who was an unlucky third to War Chant in the 2000 Breeders' Cup Mile. Jiving's Danehill filly, La Danielle, won a mile maiden race on turf at Santa Anita in October for Bobby Frankel and her second foal, the \$410,000 [Fusaichi Pegasus](#) colt Excusez Moi, was second on his debut in England in October.

(Pedigree Insights cont. from p4)

Next in line is Arrive, a six-year-old sister to Hasili. This Kahyasi filly was unlucky that the very soft ground was against her on her only venture into group company, when she disappointed in the Prix de Pomone, because she was undoubtedly good enough to win a group race. She had previously lowered Salisbury's track record for a mile and a half under 131 pounds in a valuable handicap in June 2001 and then set another track record in winning the Listed Bahrain Trophy by four lengths at Newmarket. Fair Question, the runner-up in the Bahrain Trophy, later won the G2 German St Leger by 10 lengths.

Arrive's owner was understandably keen to maintain this family's links with Danehill and her first two foals, a yearling colt and a filly foal, are by this outstanding stallion. Arrive is now in foal to Oasis Dream, a very fast son of Green Desert, and will therefore produce a foal with many ancestors in common with Heat Haze.

Juddmonte also retained Kerali's In The Wings filly Kid Gloves, who won in the French Provinces. Kid Gloves is also pursuing the Green Desert route, as her first foal is a good-looking colt by [Desert Prince](#) and she is in foal to Cape Cross.

Last of the line is Kerali's two-year-old daughter Kalima, a sister to Hasili and Arrive. As this filly was born as late as May 25, she was never likely to follow in the footsteps of Hasili, who won half of her eight juvenile starts, including a Listed race over a mile at Nantes. Hopefully, Kalima will become her dam's eighth winner from 10 foals once she has had a chance to mature.

Even if she doesn't win, she will be worth a fortune, as Kerali's previous non-winners were Dissemble, the dam of Leroidesanimaux, and the \$700,000 Jiving. Dissemble was sold for only 3,000 guineas as an unraced three-year-old at Tattersalls' 1992 December Sales.

The Citation H. winner is Dissemble's second Grade I winner, following the Brazilian mile-and-a-half winner Uapybo, and both are by sons of Blushing Groom. This is significant in that Hasili and Arrive are by Kahyasi, a dual Derby winner produced by a daughter of Blushing Groom. It is also interesting that Dansili--this year's most successful British-based freshman sire--is showing promise with mares by Blushing Groom's son Rainbow Quest. Danehill himself sired this year's Derby winner North Light from a Rainbow Quest mare and this year's Yellow Ribbon S. winner Light Jig from a Blushing Groom mare.

Only 72 daughters of Kahyasi have produce of racing age, and only three have racing-age progeny by Danehill. Hasili is responsible for four of their seven foals, namely Dansili, Banks Hill, Intercontinental and Cacique (whose record this year stands at four wins, including two group successes, and two seconds at Group 1 level). Zavaleta has also done well, her pair of Danehill foals being the group-placed Daneleta and the group-winning Danelissima, who comes up as [lot 2203](#) at Tattersalls tomorrow. Is it any wonder that the top-priced weanling at last week's sale was the 510,000-guineas Danehill colt out of a Kahyasi mare?

Danehill's excellent results with Kahyasi mares are part of a wider success story with mares with Nijinsky II blood. Indian Danehill, Jeune King Prawn, Spartacus, Daneskaya, Punctilious and Johan Cruyff are just some of his other group winners with Nijinsky blood.

We can be pretty sure that there will be more good winners bred to this pattern in Danehill's last two crops, which reach the races in 2005 and 2006. One likely candidate is the filly who realised 260,000 guineas, the second-highest price for a weanling filly at last year's December Sales. She is out of Kerali's winning granddaughter Grail, who is inbred 4x3 to Nijinsky II.

Levitski recorded a first stakes victory in the Listed Grand Prix du Nord at Le Croise-Laroche Nov. 8, his latest offering, after a summer spent tackling handicap company. He repeated the dose here to double his black-type tally with a game success over the Dominique Sepulchre-trained pair Pont d'Or and Eubea. Let go at surprisingly high odds of nearly 7-1, the sophomore was reserved off the pace in a mid-field seventh as Irish raider Frosty Wind (Ire) (Forest Wind) set solid fractions. The eventual winner came under pressure with 500 meters remaining and was angled to the inside for his challenge inside the final quarter mile. Taking a slight lead just after passing the eighth pole, he received maximum assistance from Dominique Boeuf in the closing stages to outbattle the persistent runner-up.

MADAME TOPFLIGHT (GB) (f, 2, Komaite--Jamarj {GB} {MSW, \$113,106}, by Tyrnavos {GB}) posted a career-best when dead-heating for second in the Listed Prix de la Vallee d'Auge Aug. 21, but has disappointed since, finishing unplaced in the G3 Firth of Clyde S. and the Listed Rockingham S. at York Oct. 9. Leading from the outset of this one, the 17-5 third choice always maintained control and kept on well throughout the final quarter mile to beat Reine d'Opale (Fr) (Lord of Men {GB}) by an easy four lengths. Lifetime Record: SP-Fr, 8 starts, 2 wins, 3 places, €29,385.
