**GOLDEN GIRLS**

GSW **Mini Sermon** (Pulpit) took most of early betting action in this small five-horse affair, but it was the dynamic duo of **Golden Velvet** (Seeking the Gold) and **Lady Marlboro** (Smoke Glacken) who stole the show with a gutsy battle to the wire that resulted in a dead heat in Sunday's GIII Sabin H. at Gulfstream. "I really thought when [Golden Velvet] got around them that she was going to win easy, but [Lady Marlboro] is really game and my filly never really exploded," explained

**Golden Velvet** (outside), **Lady Marlboro** (rail) *A. Coglianese*

Golden Velvet's rider Eibar Coa. "She just sort of floated out there. She did enough to get by them, but not enough to get away from them. When we got back I saw it was taking so long, and I started thinking 'I'll take a dead-heat right now.' I thought we had lost for sure." Also pleased with his mount's performance, Javier Castellano added, "She was in a tough position on the rail and did not like it there, but I had no chance to move. She has a big heart. She gave me 110 percent today." [Click for the brisnet.com chart.](#)

**CURLIN RETURNS TO WORKTAB**

Leading Horse of the Year candidate **Curlin** (Smart Strike) made his first move toward a four-year-old campaign with a half-mile work in :53 2/5 at the Fair

**Curlin** *Lou Hodges Jr.*

Grounds Sunday morning. With regular rider Carmen Rosas aboard, the powerful chestnut jogged to the half-mile pole before beginning his four-furlong move. It was Curlin's first workout since his impressive victory

in the GI Breeders' Cup Classic at Monmouth Park Oct. 27. "We're progressing nicely," said trainer Steve Asmussen, adding, "He galloped out in 1:06 and change." According to Asmussen, the four-year-old colt will return to the worktab Saturday, joining stablemate **Pyro** (Pulpit), who was runner-up to War Pass in the GI Breeders' Cup Juvenile. An Eclipse award finalist in the two-year-old male division, Pyro is scheduled to have four more works before a start in the Feb. 9 GIII Risen Star S.

**Double the Fun...**

The second and third choices, respectively, behind favored Mini Sermon, Golden Velvet and Lady Marlboro rated behind that rival through opening splits of :23.62, :46.10 and 1:11.04. Golden Velvet made the first move, steering wide on the turn, but encountering the heels of Mini Sermon in the process. Forced outside of that foe, the Darley homebred forged to the front and looked like the winner with a furlong left to negotiate. However, Lady Marlboro had something left, and countered with a rail-skimming run that brought the bays to the wire in tandem. Mini Sermon rounded out the trifecta. "Right after the finish, I was on the phone to Jimmy Bell [Darley racing manager in Kentucky] and I frankly thought we got beat, so we'll be glad to settle for the dead-heat," said Kiaran McLaughlin, trainer of Golden Velvet. "Her next race will probably be the [GII] Rampart H. Mar. 9."

Golden Velvet, a half sister to Grade I winner Sky Mesa, had raced with modest success in France and Dubai in 2006 and 2007, but started to turn things around with an eye-catching score going a mile at Belmont in a \$75,000 optional claimer Oct. 18. Favored in her latest start in the GII Top Flight H. Nov. 23, the dark bay had to settle for third behind winner Mini Sermon and Lady Marlboro. The latter, who is a full to the useful stakes winner Two Down Automatic, also put in a career-best performance heading into the Top Flight, winning the Lifes Magic S. by five lengths at Belmont Oct. 12. "I really thought she [Lady Marlboro] got in front near the finish," explained Lady Marlboro's trainer Jimmy Jerkens. "She's really come around in her last three starts now. I'm not sure where we go from here, except that she's better going oneturn rather than two."

☆ NEWS TODAY ☆

**SANTA ANITA KO'D AGAIN SUNDAY** After rain continued to plague Southern California, Santa Anita Park officials decided to cancel racing Sunday due to the slippery condition of the new synthetic surface. Following 48 hours of heavy rainfall, the Cushion Track failed to drain properly, which has caused the surface to be inconsistent in spots. Track officials met with several riders and horsemen Sunday morning to ascertain whether the track would be safe for racing, however, further rain late Sunday morning forced the cancellation of the second consecutive day of racing at the Arcadia oval. The California Horse Racing Board will conduct a special meeting by teleconference Tuesday to consider allowing Santa Anita to move some or all of its racing dates to Hollywood Park if the drainage problems are not quickly resolved. Santa Anita's training track will remain open, and the track will be open to the public for simulcast wagering, with free General Admission offered to all attendees. Live racing is scheduled to resume today, with first post time at 1 p.m.

**CLOSING ARGUMENT**

2008 Fee - \$12,500 LF

**THE VERDICT IS IN...**

Closing Argument's first foals make the case for an outstanding sire in the making.

*"I've had a lot of very good horses and Closing Argument has the traits that I look for in a successful Stallion - great looks and speed with the ability to carry it a distance. I've had over 20 of Closing Argument's babies and they are exceptional. Between the Narlingers, Bill Heiligbrodt and myself, we are breeding 46 mares to him this year because we believe he will be a Leading Sire. I sincerely know of no other young stallion that has as much going for him as Closing Argument does."*

**DAAHER READIES FOR DONN** Daaher (Awesome Again), winner over Midnight Lute in the GI Cigar Mile Nov. 24, recorded his first official work of the year Saturday in preparation for his 2008 debut in the GI Donn H. at Gulfstream Park Feb. 2. After breezing a half mile in :49.30 under regular rider Rob Massey at Palm Meadows Saturday, the four-year-old will follow the same schedule as Shadwell representative and stablemate Invasor (Arg), who used the Donn as a springboard to the G1 Dubai World Cup in March. "He's doing very well," trainer Kieran McLaughlin told *Daily Racing Form*. "He has three more works before the Donn. He's pretty fit. We never really stopped on him after the Cigar Mile, since it's only seven weeks between his last race and the Donn." McLaughlin was upbeat about the upcoming season. "He's really an exciting horse, and I'm really looking forward to racing him this year," he told *DRF*. "He's pretty much a push-button horse; he does everything right. We had a little delay putting the blinkers on him. He wasn't as focused as we'd have wanted before that, but he's done nothing wrong since getting the blinkers."

### CONTINUING 2008 THE SAME WAY HE ENDED 2007!

#### Cowboy Cal clearly the best in Tropical Park Derby

Stonerside Stable's homebred Cowboy Cal stamped himself a possible contender on the road to the **Kentucky Derby (G1)** when he comfortably defeated 11 challengers on Tuesday in the \$100,000 **Tropical Park Derby (G3)** at Calder Race Course...

Cowboy Cal has trained really well on dirt from the beginning, Pletcher said, and will have an opportunity to shine in the major Kentucky Derby prep.

# Keeneland January Horses of All Ages Sale

Monday, Jan. 7-Sunday, Jan. 13

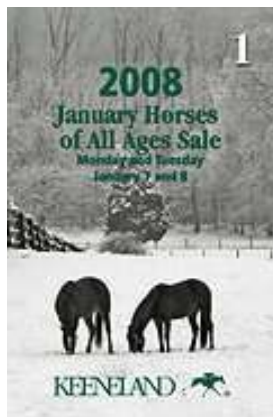

Last year's \$1.8-million topper, GISW Point Ashley

## KEENELAND JANUARY STARTS TODAY

After two years of record-setting entries, the Keeneland January Horses of All Ages Sale gets underway today in Lexington with a slightly smaller catalogue. Last year, 2,933 horses were catalogued during an eight-day sale, while this term 2,548 head will sell over seven sessions. This year's catalogue includes 1,201 broodmares, 862 yearlings, 482 horses of racing age and two stallions. The numbers are not a concern for Keeneland Director of Sales Geoffrey Russell, who views January entries as an extension of the November sale. "[In 2007], the November sale was larger," Russell observed. "Some people just decided to market their horses in November instead of January--that's what the difference in the size really comes down to, I think, anyway. If you combine the two sales, you're about even. It all balances out." The 2006 November and 2007 January catalogues totaled 7,961, while the 2007 November and 2008 January figure is 7,963.

decided to market their horses in November instead of January--that's what the difference in the size really comes down to, I think, anyway. If you combine the two sales, you're about even. It all balances out." The 2006 November and 2007 January catalogues totaled 7,961, while the 2007 November and 2008 January figure is 7,963.

## A Sale Unto Itself...

It's easy to look at the January sale as an extension of Keeneland's November auction, but Russell thinks the January sale has created its own identity. "January is an interesting sale," Russell admitted. "It was developed as an afterthought to the November sale, but it has now established itself in its own niche within the sales season. We've seen that in the last couple of years, where people have planned to sell here. It's a very good spot for broodmare prospects, which we seem to attract a lot of." A broodmare prospect stole the show at last year's January auction, with Grade I winner Point Ashley (Point Given) bringing a sale-topping \$1.8 million. The 2007 auction recorded a record gross of \$72,868,200. This year's offerings include the dispersals of Jaime Carrion and of the late Cynthia Phipps.

## November Trends Likely to Continue...

Results at last year's November sale were buoyed by a strong foreign contingent and Russell thinks that trend will continue in January. "Our dollar is still very weak, so it has a great attraction to our international buyers," he said. "And we're looking forward to a strong regional participation as well. We hope that the trends from November continue." Keeneland first held its January Sale in 1956 and has staged the auction annually since 1961. Among the sale's prominent graduates are Mackie, a half sister to Kentucky Derby winner Sea Hero; champion Escena; Breeders' Cup Sprint winner Desert Stormer; Solar Slew, dam of champion Cigar; and major stakes winners Showing Up and Downthedustyroad. Bidding begins daily at 10 a.m. and the sale runs through Sunday.

**Prominent Bloodlines in Phipps Dispersal...**

Included in this year's Keeneland January catalogue is a 16-horse dispersal of the late Cynthia Phipps. Phipps,

**Cynthia Phipps**

62, died from injuries suffered in a fire at her Manhattan apartment last October. Claiborne Farm is handling the consignment. "It's a sad time," admitted Claiborne's Dell Hancock. "Cynthia was a great sports-woman. She really loved her horses. And she was a great person." A member of the prominent racing family, Phipps entered racing in the 1970s. Among the horses to carry her gold and purple silks to victory were 1982 champion three-

year-old filly Christmas Past; Grade I winners Versailles Treaty; Gold Fever and Singh, as well as graded stakes winners Sugar Plum Time, Saarland, Jackpot, For Kicks, Out of Place and Lead Kindly Light. The January dispersal provides a chance to bid on pedigrees not often on offer at public auction. "This is a unique opportunity," admitted Hancock. "Obviously, it all goes back to that one great mare, Ten Cents a Dance (Buckpasser)." Ten Cents a Dance is the dam of multiple Grade I winner Versailles Treaty (Danzig), the dam of GI Remsen S. winner and GI Met Mile runner-up Saarland. "There are a lot of young mares from that family and this is an opportunity to buy into that family." Versailles Treaty herself, in foal to Unbridled's Song, will be offered as hip 482. The in-utero foal is a three-quarter sibling to Saarland. "She's 20, but she looks good," Hancock said of Versailles Treaty. "And there are some young mares out of her."

**Christmas Past** Coglianese Photo

Daughters of Versailles Treaty on offer are: lot 373, the unraced broodmare prospect Palais Versailles (Pulpit); lot 406, Rhineland (Mr. Prospector), in foal to Giant's Causeway; and lot 450, the broodmare prospect Supreme Council (Rahy). Rhineland's yearling filly by El Prado (Ire) sells as lot 407, while her stakes placed daughter Cologne (Horse Chestnut {SAf}) sells as lot 560 and her three-year-old colt Wotan (Dynaformer) sells as 1876. Also included in the dispersal are three daughters of Lead Kindly Light (Majestic Light), the dam of GI NYRA Mile H. winner Gold Fever. Preservation Hall (Dixieland Band), not mated in 2007, sells as lot 386, followed by her yearling colt by Saarland. The Grade I-stakes placed Emanating (Cox's Ridge), in foal to Strong Hope, is catalogued as lot 589 and she will be followed by her Distorted Humor yearling colt. The 10-year-old mare Mood Music (Kingmambo), in foal to First Samurai, will sell as hip 714, and her Arch filly is offered as 715. Mood Music is also represented by her unraced three-year-old son Allegre (Orientate), who is catalogued as hip 1877. As impressive as the pedigrees are, Hancock admitted the race records may not, at first glance, be quite as impressive. "A lot of them are probably better racehorses than it might seem," she said. "They all raced in New York against the very best competition. So where you see some of those placings, those probably would have been wins if they weren't in New York against the very best."

### HIGHFIELD NORTH & SOUTH OF THE BORDER

By Jessica Martini

Dave and Adrian Munro's Highfield Stock Farm made headlines at last year's Keeneland January sale with the purchase of multiple graded stakes winner **Solvig** (Caerleon) from the dispersal of F. Eugene Dixon, Jr. Highfield purchased the 10-year-old mare, in foal to dual Classic winner **Afleet Alex**, for \$750,000. That was the top price of last year's second session of the January auction. Solvig's **Afleet Alex** foal was foaled last February.

**Afleet Alex--Solvig**

"He is doing very well," Adrian Munro said of the now-yearling. "Our plans are to run him through the September sale at Keeneland."

As for **Solvig**, Munro added, "She is in foal to Seeking the Gold and is being bred back to Smart Strike. We're going to retain her and see what happens."

Highfield's primary focus is commercial breeding.

"For the most part, we breed to sell," Munro commented. "However, if they don't meet the reserve, we're not afraid to run them as well."

The farm does have a small broodmare band in Kentucky, but the majority of its stock is in Alberta, Canada, which is enjoying a spike in its breeding industry.

"In various partnerships in Kentucky, we have six or seven mares now," Munro said. "Here in Alberta we have 26."

Highfield also stands **Captain Bodgit** at their Canadian operation, and recently acquired **Cape Canaveral**.

"We were at the November sale to find more broodmares to bring home here," Munro said. "We just bought **Cape Canaveral** from **Overbrook**, so we bought six more mares to bring home to breed to him."

Among those six mares is **SW and GSP Devil at the Wire** (**Devil His Due**), purchased in November for \$55,000. The breeding industry in Alberta is heating up. In addition to **Cape Canaveral**, American stallions **Gilded Time** and **Kissin Kris** have also moved to the Canadian province. According to Munro, Alberta's burgeoning breeding industry can be traced to its rich incentive program and to construction of a new track.

"Alberta probably has one of the best regional programs that no one knows about, as far as Alberta-breds are concerned," he said. "Our sire bonus last year for Alberta-breds was almost eight percent and our overall breeders bonus was 33 percent for Alberta-breds. They're also working on building a new racetrack in Calgary. Hopefully, we'll have it done for training in January of 2009 and opening in May of 2009."

Highfield Stock Farm does have some horses in training. "Selling is our primary goal, with the mares and stallions that we own now, however, we do have a racing contingent," Munro said. "Our horses are wintering at **Delta Downs** in Louisiana. Training [in Alberta] will pick up in probably another three weeks."

**Hip 22, Premium Red, 14, Thirty Six Red--Phylomina, by Affirmed**

*Consigned by Legacy Bloodstock, Agent CI*

Premium Red's third foal is Premium Tap (Pleasant Tap), the now-expatriated six-year-old who was one of the better handicap runners in the country in 2006 with wins in the GI Woodward S. and GI Clark H. and a third in the GI Breeders' Cup Classic to his credit. In 2007, Premium Tap made Invasor work for the G1 Dubai World Cup, running a game second to that foe in the world's richest race. Premium Red sells in foal to First Samurai.

**Hip 57, Scope, 13, Devil's Bag--Vue, by Mr. Prospector**

*Consigned by Hunter Valley Farm, Agent I*

The 13-year-old Scope sells carrying a foal from the first crop of the Danzig's speedy son War Front, not to be confused with Scope's brilliant half-brother War Pass. The latter ensured himself an Eclipse Award as the nation's premier two-year-old male with a flawless juvenile season, capped with a wire-to-wire victory in the GI Breeders' Cup Juvenile. Scope is also a half to another Grade I-winning juvenile in Oath (Known Fact), heroine of the GI Spinaway S., and to the Grade II-placed Vision of Beauty (Danzig).

**Hip 76, Sky High Flyer (GB), 6, Anabaa--Hylandra, by Bering (GB)**

*Consigned by Denali Stud (Craig and Holly Bandoroff), Agent XXX*

The British-bred Sky High Flyer began her career overseas, where she placed in a pair of Group 3 events before being purchased by Bradley Thoroughbred Brokerage at the 2005 Tattersalls December Sale. After coming stateside, Sky High Flyer added allowance races at Churchill and Belmont this year and was just a head back of Criminologist in a Saratoga allowance in August. She is offered as a racing or broodmare prospect.

**Hip 112, Theater R. N., 8, Theatrical (Ire)--Yokama, by Irish River (Fr)**

*Consigned by Taylor Made Sales Agency, Agent XXV*

Theater R. N. traces back to a South American family, but her dam was a good one in the States. Yokama, by Irish River, banked over a half-million while winning the grassy GII Long Island H. and running third in the GI Matriarch S. Theater R. N. was a talented grass runner, too, having annexed the GII Las Palmas H. at Santa Anita while under the care of trainer Bobby Frankel. She is the lone mare at the January Sale to be carrying a foal by A.P. Indy.

**Hip 123, Two Item Limit, 10, Twining--Spa Warning, by Caveat**

*Consigned by Three Chimneys Sales, agent*

The leading money earner for her sire, Two Item Limit made over \$1 million on the track--\$1,060,585 to be exact--and sported a record that included wins in the GII Demoiselle S. and GIII Tempted S., as well as placings in no fewer than five Grade I events, including the GI Breeders' Cup Distaff. The 10-year-old mare has produced four unraced foals--by Awesome Again, A.P. Indy, Giant's Causeway and Ghostzapper--and is in foal to Bernardini.

Belle Nuit, by Dr. Carter

*Consigned by Taylor Made Sales Agency, Agent XLVIII*

Few were more consistent in 2007 than Octave (Unbridled's Song), the Todd Pletcher-trained filly who won the GI Coaching Club American Oaks and GI Mother Goose S., was second in the GI Kentucky Oaks (to Rags to Riches) and GI Ashland S., and was third in the GI Breeders' Cup Distaff. This three-year-old, Yankee Belle, is a half-sister to Octave, a \$4-million broodmare purchase by John Ferguson last November. Yankee Belle was a \$75,000 Keeneland September yearling in 2006. The unraced chestnut sells as a racing or broodmare prospect.

Hip **152**, Attima (GB), 5, Zafonic--Guarded (GB),  
by Eagle Eyed

*Consigned by Hill 'n' Dale Sales Agency, agent*

Attima, a daughter of the very good but ill-fated sire Zafonic, is yet another talented turfer offered up at Keeneland January. The five-year-old mare, selling as a broodmare prospect, sported a bankroll of over a quarter million and won a pair of Grade II events, the San Clemente H. and Honeymoon Breeders' Cup H. Attima's dam, Guarded, is a 3/4-sibling to stakes winner Kithra (GB) and a half to Group 3 winner Tenuous (GB).

Hip **217**, Dubai Diamond (GB), 8, Octagonal (NZ)--  
Manureva, by Nureyev

*Consigned by Blandford Stud (Padraig Campion), agent*

Dubai Diamond evidently had the looks as a yearling, selling for FF5,000,000 (\$698,500) to Gainsborough Stud at the 2001 Deauville August Sale, and surely had the family to justify the price tag. By the Aussie stallion Octagonal, Dubai Diamond is a daughter of Manureva and thus a half-sister to GI Atto Mile hero Riviera (Fr). Dubai Diamond's second dam is French highweight and Group 1 winner Maximova (Fr) (Green

The unraced filly, a three-year-old broodmare prospect, is a half to GI Breeders' Cup Juvenile upsetter Action This Day, the champion two-year-old colt in 2003. Elusive Natalie was a \$200,000 Keeneland September yearling purchase by Frank Brothers.

Spring Pitch, by Storm Cat**

*Consigned by Legacy Bloodstock, Agent CLI*

Fantastic Spring, a \$400,000 Keeneland September yearling purchase by Allan R. Gilbert in 2004, is a granddaughter of the top producer Annie Edge (Ire). That one was the dam of European champ and very good sire Selkirk, as well as five other stakes winners. Fantastic Spring is half-sibling to multiple group-placed Kid Mambo (Lemon Drop Kid) and sells as a racing or broodmare prospect.

**Hip 284, Irish Cherry, 14, Irish Cherry--Eston,  
by Ancestral (Ire)**

*Consigned by Hill 'n' Dale Sales Agency, agent*

The stakes-winning Irish Cherry has produced a pair of first-rate horses in her first four to make the races. Her second foal was Spun Sugar, a dual Grade I winner of over \$950,000, while foal number four promises to be one of the better handicap horses in the country in 2008, Shadwell's four-year-old Daaher. Both Spun Sugar and Daaher are by Awesome Again, meaning the foal Irish Cherry is carrying by Ghostzapper--a son of Adena's star stallion--will be a three-parts sibling to the pair.

**Hip 343, Miss Norman, 5, Artax--Cajun Cat,  
by Storm Cat**

*Consigned by Burluson Farms LLC, agent*

Hailing from the family of brilliant sprinter Housebuster, Miss Norman was one of her sire's better runners, with runner-up efforts in the GI Matron S. and GII Fantasy S. to her credit. The \$300,000 Fasig-Tipton July yearling was resold as a racing or broodmare prospect for \$585,000 at the 2006 Keeneland November Sale. Returned to training last winter, Miss Norman made her seasonal debut in March, running a fast-closing second in a grassy Santa Anita allowance before shipping east to be seventh, beaten 5 1/2 lengths, in a salty renewal of the GII Vinery Madison S. at Keeneland in April.

Dill Or No Dill followed a third in the July 28 Silver Spur BC S. at Lone Star with a front-running score in the Sept. 3 Clever Trevor S. at Remington Park. The dark bay filly tired badly to be seventh in the Oct. 6 GI Frizette S. going a mile at Belmont, but improved to be second when stepping down in class and shortening up to six panels for the Dec. 6 Xtra Heat S.

at the Big A. She was the slight choice to earn her second stakes victory here. Jockey Ramon Dominguez sent the crowd's choice right to the front and, after turning back a challenge after a half in :45.27, she opened up to win handily. "I fried her brain running her in the Frizette; that was a big mistake," trainer Gary Contessa admitted. "It took me a long time to get her speed back. When you do that to a young filly, you can screw her up. She really trained good going up to this race. This was the right kind of spot for her. We'll keep her sprinting on the inner track." In hand while saving ground early, the Melnyk homebred powered to the front as they raced around the bend, opened up a daylight lead and held even-money Great Emperor (Maria's Mon) at bay for a 2 1/4-length success at 13-10 odds. She improved to be third going 5 1/2 furlongs at this track Dec. 7 and was the 2-1 second favorite to appreciate the added distance this time. Sent right to the lead, she was left alone through a half in :49.48 and had plenty left for the stretch run, pulling away to a four-length triumph. Lifetime Record: 3-1-0-1, \$27,690.
