INDIAN BLESSING HOLDS ON

Heavily favored **Indian Blessing** (Indian Charlie) had to fight hard for it, but bravely held on for a narrow victory in yesterday's GII Santa Ynez S. at Santa Anita. The likely two-year-old champion, making her sophomore bow, had not been out since winning the GI Breeders' Cup Juvenile Fillies last October at Monmouth Park, but looked much the best on paper and was sent off the 1-10 crowd's choice. Pressed on the early lead by **Peisinoe** (Yes It's True), Indian Blessing began inching clear after a half over the lightning fast

Benoit

Cushion Track in :43.76. She completed six furlongs in 1:07.14 and was clearly tiring in the final furlong as 12-1 longshot **Golden Doc A** (Unusual Heat) closed stoutly to come up just a head short of catching the champ, who completed the seven furlongs in a track record 1:19 4/5. "She was a little fresh today," admitted winning rider Garrett Gomez. "Alex [Solis, aboard Peisinoe] put quite a bit more pressure on us than I expected and I wasn't able to get her to settle like I wanted. I knew with the pressure we got somebody might be coming at us and at the sixteenth pole, I could feel that filly coming. At that point I had to get after her a little bit. She's a very honest filly." **Cont. p2** [Click for brisnet.com chart](http://www.brisnet.com/chart) or [brisnet.com catalogue-style pedigree](http://www.brisnet.com/catalogue-style/pedigree). ZENYATTA WON FOR THE MOSSES

The lightly raced **Zenyatta** (Street Cry {Ire}) stormed to the lead in deep stretch to secure a 1 3/4-length win in yesterday's GII El Encino S. at Santa Anita. Racing for Jerry and Ann Moss and trained by John Shireffs, the imposing dark bay was making just her third start and tackling a field of well-seasoned rivals, but ran like a pro, trailing early before unleashing a powerful stretch rally and rolling past **Tough Tiz's Sis** (Tiznow) late for an easy score. "I really don't remember riding any other horse that covers so much ground," said winning rider

David Flores. "She has such a long stride and she does it easy." **Cont. p2**

FINAL FLING TAKES SANTA YSABEL

Final Fling (Bertrando), a 10-1 outsider, powered past **Grace Anatomy** (Aldebaran) in the final strides to win yesterday's GIII Santa Ysabel S. at Santa Anita by a widening 1 1/4 lengths. Coming off a maiden win versus state-bred company at Hollywood Dec. 21, the bay filly was trying two turns for the first time. "My filly is everything a jockey would want in a horse," confirmed winning rider Joe Talamo. "She settled real nice. Coming out of those sprints, she laid close but she was relaxed. When I asked her turning for home, she just exploded." **Cont. p3**

Indian Blessing Wins Santa Ynez (cont. from p1)

The Santa Ynez was the fourth start and fourth win for **Indian Blessing** (Indian Charlie), who was a first-out winner at Saratoga in August before a 4 1/2-length win in the GI Frizette S. and a 3 1/2-length tally in the Breeders' Cup. "It was supposed to be an easy out, but those are the hardest ones to win," admitted winning trainer Bob Baffert. "She ran her heart out today. It's exciting to have a filly like that. She keeps winning, that's all she does." Baffert added that Indian Blessing's next start is still up in the air. "I don't know what I'm going to do with her," the trainer, celebrating his 55th birthday yesterday, commented. "She ran pretty hard today, so I'll let her dictate where she wants to run next, but we're not in a hurry with her."

Dawn After Dawn (Successful Appeal) pulled Garrett Gomez to the lead as the jockey struggled with a slipping saddle. Tough Tiz's Sis moved to the lead in upper stretch, but was forced to steady as the pacesetter began to tire. Zenyatta, meanwhile, uncorked a powerful stretch run to win all the marbles. "It was a slow pace, but I just wanted to keep her in behind," explained winning rider David Flores. "At the middle of the [far] turn, I asked her and she took off." Zenyatta employed her late-running tactics to win her 6 1/2-furlong debut at Hollywood Nov. 22 and added a 3 1/2-length win in a 1 1/16-miles allowance at that track last time out Dec. 15. "We'll go race by race, but we'll look at the [Feb. 10 GII] La Canada, absolutely," said winning trainer John Shirreffs. "That's why she ran long at Hollywood, so she'd have a route race for this race. She hasn't uncorked her big stride yet, so we're still waiting for that." Added winning owner Jerry Moss, "We think the world of her. She could be anything, I mean really anything." Final Fling, who debuted with a fourth-place effort Oct. 28 at Santa Anita, was second Nov. 24 at Hollywood before breaking through last time out. "[Trainer] Jeff [Mullins] has been very patient with her and he's turned her around from being a sprint filly to what you saw today," winning jockey Joe Talamo said. Final Fling stalked the pace from fourth and angled to the outside at midstretch. Grace Anatomy began inching clear at midstretch, but couldn't hold off the late rush of Final Fling. Last weekend's cancelled card at Santa Anita helped Final Fling, according to Mullins. "Actually, the timing for this race when it came up was a little too quick, but with the cancellation of races, it gave her a little more time and we got another work in her at Hollywood," Mullins said. "I don't know what might be next for her. For us, it's champagne." Favored Turn Away (Empire Maker) was eased and was vanned off after the race. She was reported slightly off in her right hind.

LATENCY WORLD CUP BOUND South American champion **Latency (Arg)** (Slew Gin Fizz) is slated to arrive in Dubai at the end of the week in preparation for a tilt at the \$6-million G1 Dubai World Cup Mar. 29 at Nad al Sheba, the Dubai Racing Club announced yesterday.

Marcelo Sarachi photo

The six-year-old will depart Buenos Aires Tuesday. Racing on behalf of Dardo Fernandez Aramburu and family's Stud El Bobo, Latency posted a three-length score last out in the G1 Gran Premio Carlos Pellegrini Dec. 15 at San Isidro, his seventh top-level success and 10th overall from 22 career

starts. "It is a great adventure to take him to Dubai, and he will be accompanied by all of our team, to ensure he is in the best of form, and Julio Cesar Mendez will ride him as normal," said the owner's son, Nicolas Fernandez Aramburu. "The Dubai World Cup field is definitely top-class, and with horses like Curlin, Daaher, Student Council, Awesome Gem, Asiatic Boy (Arg), Vermilion (Jpn), Ramonti (Ity) and Premium Tap, it's going to be a mouth-watering prospect taking them all on." He added, "For me, the meaning of Latency winning the Dubai World Cup translates into experiencing heaven while being alive. To our family there are really no words that can describe what we feel for him." The dark bay, hero of the 2005 G1 Estrellas Classic, was honored as Argentina's champion older horse and miler last season. He is expected to race once at the Carnival before the World Cup, possibly in the G2 Maktoum Challenge-Round 3 Mar. 6.

Shades of Invasor?

The Maktoum Family has privately purchased South American three-year-old **Cafe Silver (Uru)** (Cafetin {Arg}) and will point the colt to the G2 UAE Derby Mar. 29 at Nad al Sheba. The grey colt, winner of three of his five career outings at Uruguay's Maronas race course, is coming off a 2 1/4-length triumph in the Gran Premio Nacional (Uruguayan Derby) Nov. 11.

PATTERN UPGRADES ANNOUNCED Horse Racing Ireland has revealed that a further two races will receive upgrades to Group 3 status in 2008. After consultations with the European Pattern Committee, Ireland's ruling body announced that both The Curragh's June 29 Richard H Faught Memorial S. and Leopardstown's July 16 Silver Flash S. will be boosted from their former listed status. The latest upgrades to the five-furlong sprint and seven-furlong juvenile fillies' contest, respectively, brings the total of domestic group races to 59. HRI Chief Jason Morris said, "In 2007, every Irish group race achieved a pattern-race rating above its required parameter, which we believe to be the first time that this has ever been achieved by any EPC country. It is testimony to the growing strength of our flat horse population, and reflects the success of HRI's key strategic policy to encourage the production and retention of high-quality horses in Ireland under both codes."

KEENELAND ☆ JANUARY

KEENELAND JANUARY CONCLUDES Keeneland realized a gross of \$70,446,000 as the seven-day January Horses of All Ages Sale concluded yesterday in Lexington. "We are very pleased with the results, given the variability of January sales," said Keeneland's Director of Sales, Geoffrey Russell. "The sale unfolded as anticipated; buyers were very discriminating in their purchases in a continuation of what we saw in November." The sale's highest price was achieved at last Monday's opening session, when Southern Equine signed a \$2.7-million ticket for **Irish Cherry** (Irish Open), in foal to Ghostzapper and the dam of Grade I winners Daaher and Spun Sugar. The 14-year-old mare was one of four offerings to break the seven-figure barrier.

By the Numbers...

Last year's January Sale was held over eight sessions, and Russell pointed out major increases in the overall number of sale days offered by the auction company. Keeneland conducted 27 days of selling in 2002, versus 39 in 2007; the September Yearling catalogue has increased by 1,200 in the last five years, and Russell echoed widespread industry concerns of overproduction. "Our sales have expanded dramatically over the past five years, yet the size of the North American foal crop (37,900 in 2001 versus 37,300 in 2006) has remained virtually the same," he said. "That shows there are too many non-commercial horses being offered. We get questions about the number of days and number of horses we now catalog, but as Keeneland is the marketing arm of the industry, it is our role to catalog what we are offered. We raise the issue of overproduction out of concern for the long-term profitability of our commercial breeder clients." In 2007, Keeneland's four sales (January, April, September and November) realized a record cumulative gross of more than \$814 million, with buyers representing nearly all 50 states and 45 countries, up from 42 the previous year. However, Russell cautioned that success was attributable to the global economy rather than market strength. "Make no mistake; record sales last year were built on the weakness of the U.S. dollar, which drove foreign spending," he explained. "If not for that, we would have experienced a major market correction. One only need look at the recent downturn in European sales, which did not have the benefit of the favorable exchange rate. It will happen here too, unless breeders make some hard decisions." *Cont. p6*

The five-year-old mare has not been out since running second behind Precious Kitten in the Nov. 25 GI Matriarch H. **Sohgol** went wire-to-wire to capture the Dec. 5 Hermosa Beach H. over 1 1/2 miles at Hollywood Park. **Lavender Sky** closed to be third behind Citronnade in the Dec. 16 GII Dahlia H. in her last trip to the post.

MAKAAN (c, 4, [Swain {Ire}](#)--Khasseh {GB} {G1SP}, by Green Desert), winner of the 2006 G3 Prix Thomas Bryon, ran fifth in his European farewell--also his final start for trainer Freddy Head--in the Listed Prix de Tourgeville at Deauville Aug. 5. Given a 5-1 chance for his U.S. bow, the bay stalked the early pace, rallied to take control a sixteenth out and was full tilt to hold off Bullara (Holy Bull) by a head. [Video, sponsored by Taylor Made.](#) Lifetime Record: GSW-Fr, 9-3-0-1, \$108,838. O-Shadwell Stable. B-Shadwell Farm LLC (KY). T-Kiaran P McLaughlin.

PARADING (h, 5, [Pulpit--On Parade {GSP}](#), by Storm Cat) relished the soggy going when winning two back in a Keeneland allowance Oct. 25. Despite mounting a gallant rally in the late stages for his most recent try, the chestnut could only finish fourth in a \$25,000 optional claimer at Calder Dec. 13. Sent off the 7-2 second choice in this one, the five-year-old lingered near the back early and swung out four wide on the far turn to take on leader Frost Giant (Giant's Causeway) in the stretch. To the outside of Frost Giant, who drifted out despite left-handed pressure, Parading was one length behind at the wire, but was promoted to first following the disqualification of that rival. Lifetime Record: 10-3-3-1, \$124,556. O/B-Phipps Stable (KY). T-Claude R McGaughey III.

AUNT HENNY (Hennessy), winner the nine-furlong GIII Herecomesthebride S. over this turf course in 2006, added the Virginia Oaks in her final start of that season. She was winless in four starts last year, with her best effort a runner-up finish to Vacare in the Magna Distaff here Apr. 1. **La Dolce Vita (Quiet American)** is five for eight on the Gulfstream sod, including a score in last season's restricted City of Hollywood S. The mare added a victory in Calder's Hollywood Wildcat BC H., but failed to hit the board in five subsequent starts in graded company. The six-year-old should appreciate this drop back to easier company. [brisnet.com pps](#)

4:30p HRTV 8th-GPX, \$44K, \$62K, Opt. Cl., 4yo/up, 6f
SOARING BY (Deputy Minister) graduated with ease at Belmont at first asking and looked like he might be a force to be reckoned with early in his career, while under the tutelage of Todd Pletcher. Following a pair of out-of-the-money finishes in graded stakes company last spring, the dark bay concluded his tenure with the Pletcher barn--and the 2007 season--with a ninth in a \$50K opt. claimer at the Spa July 30. The Dogwood stable runner, who looks to get back on track while returning to the sprinting ranks, makes his debut for trainer Mark Hennig. [brisnet.com pps](#)

7:15p HRTV PASEANA H., (8th-SAX, f/m, 4yo/up, 1 1/16m)
FOXYSOX (GB) (Foxhound) certainly seems to be the class of the field, having made her last nine starts in graded stakes company. Winner of the GIII Providencia S. and GIII Seniorita S. on the grass in 2006, the chestnut rounded out that campaign with a score on the Cushion Track in the GII Bayakoa H. The mare was well beaten in both her starts last term, including a ninth in the GII Dahlia H. over the Hollywood turf Dec. 16, but returns here to arguably her favorite surface. [brisnet.com pps](#)

Paint Me Red kicked off her career the right way, scoring by 2 1/2 lengths in a Calder sprint Oct. 21. Second next time against state-breds in the J. O'Farrell Juvenile Nov. 10, the chestnut was comfortably back in third in her route debut in the Three Ring S. at Calder Dec. 1. Well back in fifth in the early going, the Florida-bred filly was forced to steady on the first turn before advancing along the inside to make up ground on the leaders. Angled out for the stretch drive, the filly was all out to prevail by a neck. "Horses either go one way or another coming up from Florida," said winning trainer Gary Contessa. "Sometimes, they fall apart in the cold, other times, they excel. Obviously, she excelled. She has improved since the day we got here, and I just don't think she was a Florida horse." Sent off the 6-5 choice, the \$85,000 FTKJUL yearling was narrowly in front from the start, opened up her advantage turning for home and had enough left to post a 2 1/2-length win over Smokin Sarah (Smokin Mel). Lifetime Record: 10-5-0-1, \$140,622. O-Maggi Moss. B-Donald R Dizney (KY). T-Steven M Asmussen.

ROUGH WATER (f, 3, [Stormin Fever](#)--Panama Canal {GSW, \$192,130}, by Gulch) was runner-up in her two latest, including a head defeat behind La Porta going a mile over this track Dec. 9. The 2-1 second choice to go one better here, the dark bay pressed the early pace, rallied wide to take control on the second turn and remained clear to win by 1 3/4 lengths over Little Belle (A.P. Indy). Lifetime Record: 5-1-2-0, \$50,700. O/B-Edward P Evans (VA). T-Anthony W Dutrow.

SUTRA (f, 4, Meadowlake--Desert Liaison, by Woodman) won at first asking at Arlington in the summer of 2006 before coming up a nose short in a sloppy edition of the GIII Arlington Washington Lassie BC S. A longshot winner in that year's GI Frizette S. at Belmont, the dark bay came unhinged in the GI Breeders' Cup Juvenile Fillies, finishing ninth. A good second in her 2007 debut in a six-furlong, \$50,000 optional claimer at Oaklawn Mar. 2, the dark bay had not been out since finishing a well-beaten seventh over the Polytrack in the GII Beaumont S. at Keeneland last Apr. 12. Sent off the 2-1 second choice, the four-year-old stalked the early pace, rallied to the front at midstretch and was all out late to score by a nose over Graeme Six (Graeme Hall). Settled in a tracking third through the opening half, the dark bay lost some position on the second turn, but came on again down the lane to graduate by a 1/2 length over Clouds in the Sky (Straight Man).
