**SUN SHINES ON MOTT, VEGSO**

East Coast, West Coast. Turf course, main track. It didn't matter to owner/breeder Peter Vegso and his trainer, Bill Mott. In the span of 17 minutes, the men teamed to win the feature races at both Gulfstream and Santa Anita during yesterday's sixth renewal of the Sunshine Millions. First, the Vegso homebred **War Monger** (War Chant) captured the \$500,000 Sunshine Millions Turf at Gulfstream. Then another homebred, **Go Between**

Vegso's Go Between *Benoit*

(Point Given) took down the big prize, the \$1 million Sunshine Millions Classic at Gulfstream. To top it off, Mott also won the \$500,000 Filly/Mare Turf with **Quite a Bride** (Stormy Atlantic). **Cont. p2**

**Vegso, Go & Go-Go...**

Before his new status as synthetic star, Peter Vegso's homebred Go Between had long been considered a talented turf horse. In 2006, he won the GII Virginia Derby and GIII Palm Beach S., and last year, he ran third to Lava Man in the Sunshine Millions Turf here at Santa Anita. But late in the season, Vegso and Mott experimented with Go Between on a synthetic track in the Oct. 27 GIII Fayette S. at Keeneland and were rewarded with a hard-fought neck win. Go Between came back to

be sixth in the grassy GIII Tropical Park H. at Calder Dec. 1, but Vegso and Mott were encouraged by his Fayette score and decided to roll the dice for the big money in the Sunshine Millions. Under jockey Garrett 'Go-Go' Gomez for the first time, Go Between sat well back as Bilo (Bertrando) and a number of pursuers ensured snappy :22.73, :45.10 and 1:08 fractions over a Cushion Track surface that was playing lightning fast. The closers began to swarm leaving the quarter pole, but it was Go Between who emerged from the pack at the furlong grounds to take command and edge away. "I was concerned about the dirt coming back. I wanted to make sure he got his confidence and was comfortable running into it," Gomez said afterwards. "When I swung him out around the turn, he really cut and went to running." Assistant Leana Willaford, on hand to saddle Go Between for Bill Mott, said she wasn't too surprised. "He ran really well at Keeneland over the Polytrack," she explained. "Obviously, coming all this way [from Florida], we thought he would handle this surface. They were going so fast up front, and he closed well." Asked if she had spoken to Mott, who was at Gulfstream Park, Willaford added, "We've exchanged text messages, but haven't spoken yet. We don't know where he will run next, but it looks like we'll stick with the synthetic surface." **Click for the [brisnet.com chart](#) or the [free brisnet.com catalogue-style pedigree](#).**

**Tale of a Track...**

Wet weather and ongoing problems with Santa Anita's Cushion Track threatened to postpone the West Coast portion of Sunshine Millions day, but the skies cleared and racing went on...and very quickly, too. Times over the Cushion Track were nearly on the absurd side of fast, so much so that **Bob Black Dash** (Stormy Jack) zipped a half-mile in :42.46 . . . and then kept on motoring to set a new world record for a six-furlong non-turf race in the Dash (1:06.53). But at least one jockey was happy with the surface. "It's firm, but it's safe, and the main thing is, it is uniform and very even," said Mike Smith. "The crew did an unbelievable job getting this track ready today."

Quite a Bride is not particular about where she runs. The chestnut mare had already won stakes on the grass at Monmouth, Belmont, Tampa, Churchill, Ellis Park and Gulfstream, and she added Santa Anita to the list with this impressive score. Three-for-six last season, including victories in the GIII Mint Julep H. in June and the Ellis Park BC Turf in August, she capped off the campaign with a third in the Oct. 6 GII First Lady S. at Keeneland. The five-year-old opened 2008 with a romp in the Jan. 3 South Beach S. in Hallandale, but she was the second choice behind Eclipse finalist Nashoba's Key on Sunshine Millions Day. Jockey Garrett Gomez rated Quite a Bride in second for six furlongs and sent her to the front at the top of the lane. Nashoba's Key made headway in the stretch, but never threatened the winner. As for what's next for Quite a Bride, Leana Willaford, assistant to trainer Bill Mott, said, "She's meant to be retired. Her last race was supposed to be her last one, and we talked her owners into running in this one...so now I don't know what they're going to do." Less than a week after being named 2007 champion older mare and making her first start since winning the GI Breeders' Cup Distaff in thrilling style, Ginger Punch was settled into a perfect tracking position under jockey Rafael Bejarano. Two furlongs out, only the pacesetter Peach Flambe, running the race of her life, stood in her way, but that one duly gave way to the champ and Ginger Punch strolled home virtually uncontested. It was a sweet win for the mare's owner and breeder Frank Stronach, who launched the Sunshine Millions six years ago. "I had no anxious moments, but horses aren't machines," he said. "You always pray. You can't take it for granted. She seemed to come out of the race fine, and the jock said he never used the whip." Added Bejarano, "When I came into the far turn, my horse exploded. This horse is very special in my career. She really gives me a special feeling. I've ridden her so many times; [trainer] Bobby [Frankel] doesn't give me any instructions." Peter Vegso's late-starting War Monger announced himself as a possible player in the turf division this year with this break-out win. The handsome bay won in his second start over Belmont's sod last June and came back two starts later to clear the first-level allowance hurdle with style at Saratoga Aug. 20, winning that day by 4 1/4 lengths. Asked to take on the likes of Nobiz Like Shobiz in the GII Jamaica H. at Belmont Oct. 6, he found himself on the front end--tactics theretofore unknown--and failed to see out the nine furlongs of the race, tiring to fourth. He was favored for the Oct. 24 Rutgers S. at Monmouth and didn't disappoint, rallying to win easy, and was put away until this one.

Bet down to 9-5 from his 4-1 morning-line odds, War Monger and jockey Kent Desormeaux were content to give the field some breathing room as they settled in eighth. War Monger began to tire of playing that game and moved into striking distance on the turn as Desormeaux continued to ask his mount for some restraint. The jock gave the green light as they straight-

ened for home and War Monger, once in the clear, quickly assumed command and was going away late. Desormeaux was impressed with his charge's professionalism. "Bill's [trainer Mott] done a great job training

this horse," he said. "When I first rode him, I couldn't get him within two lengths of another horse. To have him come through horses like he did today really impressed me. He's come a long way. He's a very talented animal. He's really matured. He held his ground and didn't let the other horses push him out of the way." Added Mott, "When he switches off [leads], he's got a nice punch. He ran well today. Is he better at a flat mile? I can't tell you. He didn't have a good trip. It's amazing, when those jocks have a lot of horse, they are able to find room. I have nothing picked out [next]." [Click for the brisnet.com chart](#) or the [free brisnet.com catalogue-style pedigree](#). [Video, sponsored by Taylor Made.](#)

and moved to trainer Richard Dutrow. The 'Bull' ran second to Midnight Lute in the GI Forego S. in August in his second start for the stable, then was a good fourth in the GI Breeders' Cup Sprint at Monmouth Park next time. He came flying to win the GI Frank J. de Francis Memorial Dash S. in a stylish seasonal finale and was looking to get 2008 started the right way here. Under jockey Edgar Prado, he settled off the pace as Mach Ride headed the charge through an opening half-mile in :44 2/5. Deftly handled by Prado, Benny the Bull went around a rival on the turn, angled back

toward the rail in upper stretch, found room soon after and scampered clear under a hand ride. The nearly 50-1 bomb Santana Strings completed the exacta, as Mach Ride held for third. Dearest Trickski, a dream claim for Tom Mankiewicz and trainer John Sadler, continued her remarkable run with this facile score. Less than a year ago, in April of 2007, Dearest Trickski was beating \$10,000 claimers at Lone Star Park. After winning an allowance race at that track in June, she traveled west and was haltered by Mankiewicz for \$32,000 when second in a Del Mar claimer in August. Stepped up to face \$50,000 claimers, she won at that level at Del Mar Sept. 1, took two consecutive allowance races at Bay Meadows in October and Hollywood in November, then registered the biggest win of her career in the GI La Brea S. over this strip Dec. 29. Sadler opted to return Dearest Trickski in this spot rather than today's GI Santa Monica H.--where she would have been up against mares like Hystericalady and Pussycat Doll--and was rewarded with a good-looking win. Hammered down to odds-on favoritism, she jumped out and blazed the way through :20 2/5 and :43 1/5 over the speed-crazy Cushion Track surface. She turned for home with a four-length lead and was under only nominal urging down the lane from regular rider Mike Smith. "She's just about the quickest thing I've ever been on," enthused Smith afterwards. "They just don't come any quicker than that. She's like a deer leaving the gate. She runs 'em off their feet, relaxes and then she's got another gear." Added Mankiewicz, "Mike said the most wonderful thing after she won the La Brea. He said, 'She comes out of the gate like she's going 870 yards at Los Alamitos, and then for some reason, she relaxes.' And then when she relaxes and she sees the finish line, it's almost like a re-break. She gets really excited and goes."

**SUNSHINE MILLIONS OAKS cont.**

American County, third in last year's GIII Debutante S. and fourth in the GIII Sorrento S., was second in a pair of Kentucky allowance events in October before a front-running 5 1/2-length victory last time out at Churchill Nov. 24. Second choice in the field of 10, the bay filly set a quick pace through fractions of :21.81, :44.62 and :57.06. She turned back the challenge of Validain in upper stretch, inched clear down the lane and held sway late for her first stakes win. Favored Blitzing, third in last year's GIII Schuylerville S., tired to finish a well-beaten ninth. It was an emotional win for jockey Edgar Prado, who also captured the Sprint on Benny the Bull. "I just got back from my mom's two-year memorial service [in Peru]," he said. "There was a lot of family there. It was bittersweet." Trainer Dale Romans added of the win, "It was easy. She went so fast early, and everybody was trying to keep up, she just put them away. She trained well and we were always pointing for this race. The rail is the place to be today. The fence is two-for-two in big races. Blitzing [the favorite] has beaten us before, but I guess she didn't show up today." Bob Black Jack has come a long way since his humble beginnings. The Cal-bred colt was purchased for just \$4,500 as a BESJAN yearling, but he ran his record to three-for-five while setting a world record here.

Second against state-breds maidens in his first start at Del Mar in July, he came back to break his maiden at that track Aug. 26, then, after a short break, stepped up to the graded-stakes ranks. The dark bay ran fourth at 11-1 in the Nov. 22 GIII Hollywood Prevue S., but was back to the winner's circle after wiring the field in the California Breeders' Championship S. at Santa Anita Dec. 26. Bob Black Jack clicked off six panels in 1:08 flat that afternoon and completed the seven furlongs in 1:20 1/5, but he eclipsed that effort over the suped-up surface yesterday. Sent right to the front in the SM Dash, he was pressured through a half in :42.46 and opened up in the final furlong to win easily and stop the timer in 1:06.53, a world record for a non-grass surface. "We're still exploring with him because he is just developing so much," winning jockey David Flores said. "We just don't know how far he can go. His distance capability is a question right now because he's only been sprinting, but he is a horse that can rate. As long as they don't push, he doesn't go...but he likes to battle." Added trainer James Kasparoff, "We're looking to possibly stretching this horse out in his next race.

There's really not too much for him now going short.

We'll try to find the easiest spot for him going two turns." [Click for the brisnet.com chart](http://www.brisnet.com) or the [free brisnet.com catalogue-style pedigree](http://www.brisnet.com). [Video, sponsored by Taylor Made.](#)

Young Centaur (Aus), an A\$11,000 Magic Millions Adelaide Yearling sale purchase, produced a stunning burst in the stretch to take Saturday's G1 Wellington Cup at Trentham. The colt was comfortably in front of Resolution (NZ) at the wire, with Mirkola (NZ) a half length back in third. Looking for his eighth win from nine starts, post time favorite Pasta Post wound up 10<sup>th</sup>. "I had a handful of horse throughout," said winning rider Michael Walker. "It was just a matter of when I needed to go." Pocket Power had endured only one prior defeat at this track and maintained his excellent record with a second score in the Dec. 29 G1 Queen's Plate last time. He bridged a 29-year gap to become the first horse since Politician (SAf) to secure a second victory in Cape Town's annual highlight with a determined closing effort here. Employing his usual waiting tactics in midfield, Pocket Power was urged closer once into the straight and swamped his rivals with a relentless effort inside the final furlong to claim the huge pot. "What can I say," said jockey Bernard Fayd'Herbe. "He's a true champion."

Stalking the leaders in fourth along the rail from the bell, she scooted clear of the pack with 300 meters remaining and was ridden out in the closing stages to comfortably hold the late rally of Royal Fantasy.

**COWBOY CAL TO HALLANDALE BEACH** Cowboy Cal (Giant's Causeway), winner of the GIII Tropical Park Derby Jan. 1, will likely make his next start on the turf in the Hallandale Beach S. at Gulfstream Park Feb. 16. According to trainer Todd Pletcher, last year's Laurel Futurity winner could be switched to the Polytrack for Keeneland's GI Blue Grass S. Apr. 12. A victory in those two races could set the colt up for a possible tilt at the GI Kentucky Derby May 3. "You see some turf horses run pretty well at Churchill," Pletcher told *Daily Racing Form* yesterday.

Lord Snowdon reeled off three straight victories this summer, sandwiching a win in a Saratoga optional-claiming test in July between Delaware Park tallies in June and September. Second behind Debussy in a starter allowance at Aqueduct Oct. 26, he stepped up to the stakes ranks off a fourth-place finish in an optional-claimer at Philly Park Nov. 26. At the back of the pack for a quarter after getting shuffled back at the break, Lord Snowdon hit the gas at the top of the lane and caught Man of Danger in the waning yards. "If you didn't know him, he seems to be going through the motions the first part of the race," jockey Ramon Dominguez said. Wild Hoots, who began her career with two unsuccessful starts on the dirt for Bill Mott in 2006, resurfaced for Kiaran McLaughlin with five turf outings, including a maiden win over the Belmont lawn last July. Switched back to the main track last time out, the gray filly aired by 14 lengths in a Dec. 28 allowance at Philadelphia Park. Making her stakes debut, Wild Hoots took over soon after the start, carried a five-length advantage into the lane and easily held sway for her first black-type win. "She broke well, moved up nicely and relaxed nicely," jockey Mario Pino said. "Her last race was big and today she ran another big race. There's always a question when you run a big race whether you can repeat. She stepped up against better competition and looks like she's coming into herself right now."

## Jacinto Injured in Spill:

Jockey John Jacinto sustained an apparent shoulder injury when he was thrown from his mount in Saturday's 10th race at Fair Grounds. Jacinto was thrown under the rail when the first-time starter All Boy (Storm Day) broke down just inside the sixteenth pole. Jacinto was taken from the track on a stretcher and transported to Tulane Medical Center for X-rays after complaining of pain in his shoulder. The Peruvian-born Jacinto won his 1,000th career race in September at Louisiana Downs. All Boy was euthanized.

She drifted in nearing the furlong marker, impeding Palanka City, before gamely holding off Kadira. But she lost the race in the steward's room and was demoted to third, with Kadira promoted to the win and third-place finisher Palanka City inheriting the runner-up spot. Kadira was second choice in the wagering off a front-running 8 1/2-length victory in the Dec. 22 Gowell S. last time out. The bay filly rated off the pace after an awkward beginning, rallied four wide into the lane and was gaining on Rated Fiesty late.

Still clear at the eighth pole, she was collared by even-money Honest Pursuit (Storm Cat--Honest Lady {Seattle Slew}) in the final furlong and was 5 1/2 lengths back in second on the line, but Honest Pursuit had caused interference on the far turn and was demoted to fourth.
