DONN DAY ESTA!

The GI Donn H. at Gulfstream Park has become a definitive prep race for the G1 Dubai World Cup. Since

Invasor in Dubai

DRC Photo

the World Cup was unveiled in 1996, no less than six Donn winners have traveled to Nad Al Sheba, with Cigar ('96), Captain Steve ('01) and Invasor (Arg) ('07) carrying the day for the U.S., and Harlan's Holiday ('03), Medaglia d'Oro ('04) and Brass Hat ('06) finishing runner-up. Roses in May, second in the

Donn in 2005, followed up with a three-length triumph on World Cup day. While the connections of **Brass Hat** (Prized), who was subsequently disqualified for testing positive in Dubai, are adamant they will not make that trip again, trainer Kieran McLaughlin is hoping that he can pull off an unprecedented double. McLaughlin, who saddled Invasor to his Donn and Dubai World Cup wins, will try to do it again with **Daaher** (Awesome Again) this year. The colt is the 5-2 morning-line favorite and 120-pound highweight in today's Donn off his wins in the GII Jerome H. and GI Hill 'n' Dale Cigar Mile H. Can he follow where Horse of the Year Invasor led? "Obviously, Invasor was a very special horse," McLaughlin told *Daily Racing Form*. "With him it was just a matter of getting him over to the gate and I thought he'd win it. Daaher isn't quite as proven, but I'm almost equally as confident because he's been doing fabulous coming into the race." But, he added, "There are a few question marks to answer, including the extra weight he picks up and getting the distance at this level. He's won going a mile and an eighth, but this company is a lot different. He's got the pedigree, so I'm not really too worried the distance will be a problem." **Cont. p2**

HYSTERICALADY RETURNS AT SANTA ANITA

If a couple of photo finishes had gone her way,

Hystericalady (Distorted Humor) may well have ended up the champion older mare for 2007. First or second in six of her eight starts, she captured the GI Humana Distaff S. and GII Molly Pitcher BC H., and was beaten just a nose by Tough Tiz's Sis in the GI Lady's Secret S.

Hystericalady

Equi-Photo

Let go at 9-1 in the GI Breeders' Cup Distaff, the chestnut had a head in front of Ginger Punch at the eighth pole, but couldn't hold on while drifting late and hit the wire a neck behind the Eclipse winner. Freshened after that effort, Hystericalady has posted a series of steady works for her 2008 bow in today's GI Santa Monica H. at Santa Anita. The seven-furlong test was pushed back a week, but trainer Jerry Hollendorfer is not worried that the delay will affect his horse. "We had her pretty well prepared," Hollendorfer told *Daily Racing Form*. "We thought she was very fit." She takes on last year's Santa Monica heroine **Pussycat Doll** (Real Quiet), who makes her first start since being purchased for \$2.3 million by Lael Stables at the Fasig-Tipton November sale. The six-year-old captured the Oct. 19 Storm Flag Flying S. at Belmont last time out. **Field, p3**

A Smart Move?

Trainer Helen Pitts will switch GISW **Einstein (Brz)** (Spend a Buck) from turf to dirt for the \$500,000

Einstein & Helen Pitts *Horsephotos*

Donn. The six-year-old has tried the main track three times in his career, but always when it was wet. In his latest dirt try, he romped to a seven-length allowance score in the slop at Gulfstream in February of 2006. Pitts made the final decision to take on the Donn field

after Einstein worked a half in :49 2/5 at Gulfstream Monday. "He was awesome," she said after the move. "It's looking like a decent bunch will be in there, but he fits." Also taking on Daaher will be millionaire **A.P. Arrow** (A.P. Indy), who comes off a 3/4-length success over Brass Hat in the Nov. 23 GII Clark H. at Churchill Downs; GIII Tokyo City H. hero **Fairbanks**, a 3 1/2-length allowance winner last January in his only other Gulfstream main-track attempt; and last year's G2 Godolphin Mile victor **Spring At Last** (Silver Deputy), who took an optional claimer on the turf at Santa Anita Dec. 26 in what was his first outing since his Nad Al Sheba score.

POINT GIVEN LEADING NORTH AMERICAN SIRE OF 2008

Point Given is currently the Leading Sire of North America after **GO BETWEEN** (03 c. o/o Mediation (IRE), by Caerleon) won the \$1,000,000 Sunshine Millions Classic going 1-1/8 m. on the all weather track at Santa Anita Jan. 26 by two lengths and set a new track record. Go Between is **undefeated on all weather surfaces and has set two new track records in his all weather starts** - both of which were stakes races. He won the Fayette S. (**G3**) at Keeneland in his polytrack debut last October. He's won or placed in 17 of his 22 career starts and now earned \$1,803,880. Go Between was also the second Sunshine Millions winner of the day for owner/breeder Peter Vegso - who won the Sunshine Millions Turf with Three Chimneys-sired **WAR MONGER** (see below). WAR CHANT TOP TEN NORTH AMERICAN SIRE OF 2008

WAR MONGER (04 c. o/o Carnival Delight, by Half a Year) won the \$500,000 Sunshine Millions Turf going 1-1/8 m. on the turf at Gulfstream by a length and a quarter. Rated off the pace in eighth in the early going, he was steadied in traffic on both turns, rallied to catch the leader at the sixteenth pole and prevailed. It was his second straight stakes win and fourth win in seven starts. He's earned \$430,976 for owner/breeder Peter Vegso. [chart](#) [video](#).

Tiago, winner of the GI Santa Anita Derby and GI Goodwood H. last year, capped off the campaign with a fifth-place finish in the GI Breeders' Cup Classic. The bay couldn't quite get the job done in his seasonal opener, finishing third in the Jan. 12 GII San Fernando S., but the closer gets an added sixteenth to work with here. Trainer Doug O'Neill is hopeful that **Great Hunter** can improve after four straight off-the-board performances. The four-year-old, fifth in the GI Blue Grass S., was sidelined after running 13th in the GI Kentucky Derby. He returned with an 11th-place showing in the Dec. 26 GI Malibu S. and a sixth in the San Fernando. O'Neill blamed the track bias for his latest disappointment. "The track that day wasn't super-conducive to his style," he said. "He kind of wants to come from off the pace, but we're expecting a turnaround, hopefully, come Saturday." **Air Commander** pulled off the 52-1 upset in the San Fernando and has been first or second in five of six Santa Anita starts. Stronach homebred **Giant Gizmo** tries stakes company for the first time after a three-length allowance score going a mile on this oval Dec. 30.

Crown of Thorns, a \$300,000 OBSMAR purchase, climbs the ladder following a seven-length maiden victory going seven panels on New Year's Day. The bay tries a route for the first time in his stakes debut. "It's only one more turn," Hall of Fame trainer Richard Mandella quipped, adding, "I missed a little bit [of training time], but I'm sure everybody did, too." Also stretching out is undefeated **Reflect Times**. The Japanese-bred colt broke his maiden at Del Mar Sept. 1 and came back to post a rallying success in a Hollywood allowance Dec. 28. **Coast Guard** adds blinkers after graduating by 2 1/2-lengths in a mile maiden affair at Santa Anita Dec. 29.

★ **"TDN Rising Star"** ★ Wincat kicked off his career with a 6 3/4-length maiden tally at Philly Park Dec. 28. Kiaran McLaughlin opted to send the West Point Thoroughbreds runner right into the stakes fray off that victory, which earned him an impressive 90 Beyer. "He's a very talented horse and is doing great coming into this race," McLaughlin told *Daily Racing Form*. "We didn't take him to Philadelphia for his first start because we thought he wasn't good enough to win in New York. We brought him there because he's a Pennsylvania-bred and was eligible for a 40-percent bonus if he won an open race there." Wincat wired the field in his career opener, but his conditioner is confident he will take back if necessary. "He's rateable," McLaughlin continued. "It's no problem if someone else wants the lead. But he's pretty fast himself, and although he's the least experienced member of the field, he does everything right and should run a big race." **Silver Edition** had the lead at midstretch in the Jan. 5 GII Hutcheson S., but couldn't hold off Smooth Air and finished second by a length. He drops back a sixteenth. **Eaton's Gift** picked up a maiden win at Keeneland in October and an allowance score at Churchill in November. Sent cross-country for the Dec. 22 GI Hollywood Futurity, he set the pace in what was also his two-turn debut, but faded late to be seventh. The Zayat colorbearer drops back to a sprint.

From Bill Oppenheim:

"Champali was a quality sprinter-miler by the very well-bred and successful Bold Ruler-line horse Glitterman. He won eight stakes races, four of them G3, and placed in five others, in 22 starts. This farm doesn't stand many stallions, and they don't miss very often. This horse is a good bet."

Thoro-Graph Race of the Week
by Jerry Brown

Saturday, Santa Anita, post time: 4:07 p.m. PST

STRUB S.-GII, \$300,000, 4yo, 1 1/8m (AWT)

PP	HORSE	SIRE	JOCKEY	ODDS
1	Great Hunter	Aptitude	V Espinoza	8-1

Got down to a big figure as a juvenile, but hasn't been able to return to that level since, despite trying dirt, Poly and Cushion. That's not a sign of health, and even a return to his top would only make him a borderline contender here. It wouldn't be a bad idea to try this guy on grass--his sire is okay for turf, and there is turf/Poly correlation.

2	Slew's Tizzy	Tiznow	Talamo	15-1
---	---------------------	---------------	--------	------

Ran good figures to win the GII Coolmore Lexington S. and GIII Lone Star Derby. He then tailed off, before returning to his best in a better-than-it-looked performance in the GII Pennsylvania Derby. This colt's form is muddied due to trying grass, and trying to ship into Fair Grounds from the north last time, which no one pulls off. He has been in California long enough to have a very good local work, and we think he's going to jump forward.

Thoro-Graph Race of the Week cont.

3 Tiago [Pleasant Tap](#) Smith 6-5

Got very good last summer, pounding out his best figure four times in a row. At that point it looked like Giacomo's little brother could turn into any kind, but he hasn't improved at all in nine months. His return was OK--he was wide, and spotted weight earning the best figure in the GII San Fernando S. But he should have broken through by now, and note that Shirreffs is much better off layoffs than next time out. Tiago again spots weight today, which draws him level with some others, so he's a contender, but an underlay.

4 Monzante [Maria's Mon](#) Gomez 8-1

Showed moderate ability in England, and not surprisingly improved when Mitchell got his hands on him. He would have to improve a lot more to get involved here.

5 Air Commander [Point Given](#) Gryder 9-2

Was running allowance level figures until last time, when he jumped forward. Even that effort was not really graded stakes quality, and was only good enough to win the San Fernando because he got significant weight from the next two finishers. Today he pays the price and spots serious weight rather than receive it, and he would need another jump just to get into the trifecta.

6 Sahara Heat [A.P. Indy](#) T Baze 20-1

Was a slightly slower version of Air Commander at three, and he too jumped to a new top first-time four-year-old. At the weights he has about the same shot Air Commander does and he'll be about 10 times the price, so he could be used underneath in the exotics.

7 Giant Gizmo [Giant's Causeway](#) Bejarano 8-1

Has moved steadily forward since returning from an extended layoff in August, especially once he got off grass. He's never gone back, his last three are strong, and he's got good timing into this for Frankel. He also gets weight from Tiago, and he has good tactical speed. Strong contender.

8 Warning Zone [Chester House](#) Rosario 20-1

Has only run on grass, and has never run fast enough to get a sniff of this. On the other hand, Sadler horses are jumping out of their skin, so you never know.

9 Monterey Jazz [Thunderello](#) Flores 6-1

Has run some decent grass races, and may be ready for a new top if he handles the Cushion. But at the weights he would need a big jump to be a factor here.

Bottom Line: Tiago and Giant Gizmo are clearly the two most likely winners, and the latter should be a much better price. Slew's Tizzy is live at a price.

ACROSS THE BOARD RECORDS AT KARAKA

The New Zealand Bloodstock Sale at Karaka concluded yesterday with a record average, median and aggregate. The average of NZ\$59,709 was up 20.1 percent from last year and the median of NZ\$48,000 increased by 14.3 percent. The aggregate of NZ\$28,839,500 rose by 33.3 percent. New Zealand Bloodstock Marketing Manager Petrea Vela commented, "There was a clear flow-on effect from the staggering results of the Premier Sale into this session, and we're delighted to have posted another set of record figures. Last year's Select Sale was one of the biggest successes of the entire week, with that session demonstrating the particular strength that our industry has at that level of the market. It was the largest catalogue we have ever had at this session, so to keep up the momentum and exceed the record figures of last year is an extremely pleasing outcome of the week." Leading the way on third day of the Select Sale was a Van Nistelrooy colt out of the Thunder Gulch mare Shades of Silk (Aus). Consigned as hip 971 from the draft of Haunui Farm, he was purchased by Dr. Omie Rangabashyam for NZ\$200,000. Complete results are available on www.nzb.co.nz. BAZE BOOTS HOME 10,000TH WINNER Jockey Russell Baze became the first jockey in North American history to ride 10,000 winners when he piloted Two Step Cat to a nose victory in the third race at Golden Gate Fields yesterday. It wasn't easy--caught in traffic on the backstretch in the one-mile test for \$4,000 claimers, Baze was in tight quarters as he drove his mount between horses in the stretch, then hit the wire in a three-way photo ([video](#)). It took five minutes before the order of finish was announced. "I was surprised they put my number up," the Canadian-born Baze admitted. "I thought Brite Oakie was in front of me. I got a seriously good nod." He added, "Milestones are a way of marking progress, and I think I still have a lot of milestones in front of me." Trainer Armando Lage, who saddled Two Step Cat, remarked, "That's why Russell is so good--he never gives up. And he'll ride a \$4,000 claimer as hard as a stakes horse because he just wants to win races." The 49-year-old Baze started his career in Washington in 1973, and picked up his first win at Yakima in 1974. Honored with a special Eclipse Award in 1995 and inducted into racing's Hall of Fame in 1999, Baze has taken an astonishing 65 riding titles in Northern California, and has led the nation in races won nine times.

WAIT RESIGNS FROM NYRA BOARD Citing his

Charles Wait
adirondacktrustcompany.com

intention to publicly voice his disapproval of the New York Senate's inability to make a final ruling regarding the franchise to run New York racing, Charles Waits yesterday resigned from the board of directors of the New York Racing Association. Wait is the president of Adirondack Trust Company, the leading financial institution in Saratoga County. He stated in his letter of resignation to the NYRA Board that he felt compelled to

speaking out, as the Senate's inaction could be harmful to the Saratoga economy. "I believe that the Senate's inaction may result in the cessation of racing and prolonged litigation," Wait said in the letter. "This is not in Saratoga's best interest. I feel strongly at odds with the Senate's position, or really, their lack of one. I also feel that Saratogians need to know where I stand on this most important issue to our city. Publicly articulating a position of disagreement with a popular and powerful Senator may not be well received. Should there be retribution, I have no desire for NYRA to be the target. In addition, some might regard my support of NYRA as a selfish desire to promote my own interests as a member of the board of trustees. For these reasons I have reluctantly concluded that my proper course of action is to publicly articulate my support of NYRA and resign my position as a member of the board of trustees." NYRA Chairman Steve Duncker accepted the resignation, albeit reluctantly. "The contribution Charles has made to the racing industry and to NYRA throughout his tenure as a NYRA Board member is enormous," Duncker said in a statement. "Charles personifies intelligence, hard work and integrity. The citizens of Saratoga are fortunate to have someone like Charles Wait who possesses the character and integrity to stand up for his beliefs. He has taken decisive action aimed at protecting the interests of his community. Charles' presence on our Board will be sorely missed."

With several sharp drills at Palm Beach Downs in recent weeks, the dark bay went postward as a 5-1 chance. Sleuse pressed Motor Patrol (Cherokee Run) from the start, drew even after a half in :44.68 and pulled away to hand that colt a five-length defeat. tory in the 1998 GI Belmont S., has been sold to the Turkish National Jockey Club. Racing in the colors of Prestonwood Farm, Victory Gallop was also crowned as champion older horse in 1999. The 13-year-old was slated to stand the 2008 breeding season at WinStar Farm in Versailles, Kentucky for \$10,000. "Victory Gallop was a

very special racehorse who has developed into a nice sire," said Doug Cauthen, president of WinStar. "The Turkish National Jockey Club made an attractive offer to our shareholders, which was difficult to turn down. We are sad to lose Victory Gallop from our stallion roster, but at the end of the day our obligations are to our partners and shareholders, and what is best for them is what's best for us. Victory Gallop will always have a home here upon retirement from stud duty." From six crops to race, Victory Gallop has sired no fewer than 23 stakes winners, including this year's GI Kentucky Derby hopeful Anak Nakal.
