GIVE HIM FIVE!

Trainer Christophe Clement had his picture taken yesterday with his fifth consecutive GIII Suwannee River H. heroine. This time, it was **Green Girl (Fr)** (Lord of Men {GB}) who obliged her conditioner in her final career start. The six-year-old will now head to Kentucky for a date with Kingmambo. "I was disappointed in the way she was behaving before the race [when she unseated jockey Rene Douglas in post parade]," Clement admitted, "but she got the job done. Rene rode a

great race and now she goes home to be bred. She's six years old, and it's time." Winner of the Listed Prix La Camargo and third in the G3 Prix Cleopatre at three for trainer Philippe Demercastel, the bay won once in seven starts for John Hammond in 2006-07. She finished fourth in the GIII Long Island H. Nov. 11 in her first outing for Clement and came into this contest off a 3/4-length second in the GII La Prevoyante H. at Calder Dec. 15. Unhurried early, the French-bred was forced to steady several times, but kept coming and got her head down to prevail in a photo finish. **Click for the [brisnet.com](http://www.brisnet.com) chart. 448 NOMINATED TO TRIPLE CROWN

Headed by unbeaten champion **War Pass** (Cherokee Run), a total of 448 three-year-olds have been nominated to the 2008 Triple Crown. Of these nominees, 20 are based overseas. "We are pleased once again with the spectacular response from horsemen from around the world," said Edward P. Seigenfeld, executive vice president of Triple Crown Productions in Louisville, Ky. "We are hopeful each year that there will be broad participation in the search for the next Triple Crown winner, and our hopes have been rewarded once again by the remarkable enthusiasm for these great moments in the sport of horse racing." He added, "Our Triple Crown racetracks are immensely grateful for the participation in this greatest of all athletic tests and are proud to be a part of that test. As the road to the Triple Crown progresses, we wish again the best of luck and safe racing to all those connected to the wonderful three-year-old equine athletes who grace the various racing venues along that road." Early nominations closed Jan. 19.

TRACK WOES CONTINUE AT SANTA ANITA

Santa Anita Park announced the cancellation of Sunday's races, including the GII San Antonio H. due to wet weather conditions. The Super Bowl Sunday card had a scheduled first post of 11 a.m. PST, but, with rain forecast for most of the day, officials conferred with jockeys, trainers and track maintenance officials, and decided to pull the plug on the nine-race card at 8:45 a.m. The San Antonio, featuring a nine-horse field including Student Council and Awesome Gem, has been rescheduled for Feb. 9. "This decision was really made for the safety of the horses and riders," Santa Anita President Ron Charles said. "We also want

to get the track done...If you weigh everything, it was an easy call. As a racing fan, we really would have liked to race today...We're still shooting for [racing] next Friday. I have a feeling we're going to know pretty well where we're going to be either by Monday afternoon or Tuesday morning as to how good Friday looks." Charles added, "It might have been possible to get one or two races in, but with the safety issue, and too much water accumulating in certain areas, this is not a dirt track where we can manipulate a lot of it...hopefully, this is the last day we're going to have to do this." Santa Anita had already cancelled the Monday and Thursday cards this week in order to allow the Cushion Track surface to be amended with Pro-Ride synthetic polymer and binder. Live racing is slated to resume Friday at 1 p.m. with Pick Six carryover of \$181,514.

SPRING AT LAST EXITS DONN IN FINE SHAPE

Spring at Last (Silver Deputy) was in fine fettle Sunday morning, a day after winning the GI Donn H. at Gulfstream Park. "He's great this morning," said Umberto Gomez, exercise rider for trainer Doug O'Neill. "He wants to go back to the track already." Spring at Last, winner of last year's G2 Godolphin Mile at Nad Al Sheba, could be heading for a return trip to Dubai after his half-length win over A.P. Arrow Saturday. O'Neill, who watched the race from his California base, said that Spring at Last was scheduled to return home Tuesday. "We'll go over him good, we'll talk to the Reddam family and the WinStar people and figure out a game plan, but I would think the [G1] Dubai World Cup [March 29] is where we'd be heading if we're all on the same page."

‘GRACE’ LOOKING AT LAS VIRGENES If the weather and the polymers oblige, **Grace Anatomy** (Aldebaran) will make her next start in Saturday’s GI Las Virgenes S. going a mile at Santa Anita. Knock on wood, we’re ready to roll,” said trainer Doug O’Neill.

Sarah K Andrew photo

Third to Country Star in the GI Darley Alcibiades S., the bay filly didn’t handle the slop when seventh in the GI Breeders’ Cup Juvenile Fillies, and closed out her season with a lackluster eighth in the GI Hollywood Starlet S. Dec. 15. “Frankie Dettori [her jockey in the Breeders’ Cup] said she never got a hold of the track from the word go,” O’Neill explained. “The race at Hollywood, we loved her. She trained on the track good, but she was horsing on us leading into the

race, and she had her mind on other things, if you know what I mean.” Grace Anatomy returned to form with a sharp second in the GIII Santa Ysabel S. Jan. 13, and will be tough to handle in the one-mile Las Virgenes, a race that launched Rags to Riches to fame a year ago.

INFORMED DECISION TO DAVONA DALE **Informed Decision** (Monarchos) will make her next start in the Mar. 2 GII Davona Dale S. at Gulfstream. The three-year-old filly, a 6 1/2-length maiden winner at Gulfstream Jan. 3, remained unbeaten when she inherited the victory over J Z Warrior in a Hallandale allowance Saturday (video). John Velazquez, aboard Informed Decision Saturday, lodged a claim of foul against J Z Warrior and jockey Kent Desormeaux after his mount was hit across the face by Desormeaux’s whip inside the final sixteenth of the 6 1/2-furlong race. “Regardless of the DQ, I think it was a great effort,” said trainer Jonathan Sheppard. “We wanted to see what would happen and it’s pretty clear she’s getting better as we gradually add distance. The Davona Dale is coming up in a month’s time. I think we will definitely look at that.”

GOLDEN SPIKES COULD BE FOUNTAIN BOUND

Golden Spikes (Seeking the Gold) may have earned a return trip to the graded-stakes ranks after a determined runner-up effort behind Cool Coal Man in a Jan. 26 allowance at Gulfstream Park (video). “We haven’t decided for sure what’s next,” trainer Marty Wolfson said Sunday morning. “Right now I’m leaning toward the [Feb. 24 GII] Fountain of Youth because that gives him four weeks rather than three if we went to Tampa Bay [for the Feb. 16 Sam Davis S.]. Those are the two options we’re looking at.” Golden Spikes was fourth in his sophomore debut in the Jan. 5 GII Hutcheson S. Owned by M375 Thoroughbreds Inc. and Suarez Racing Stable, the bay colt was produced by a half-sister to Grade I winners Cash Run and Forestry.

Gulfstream Establishes Scholarship Program:

Gulfstream Park has established the Florida Resident Scholarship, a program to benefit state residents who are pursuing an equine-related degree. Beginning in 2008, the track will provide the scholarship winner \$10,000 each year over a four-year term. The scholarship program will be administered by the Race for Education. Applications for the grants are due by Feb. 28, and winners will be announced in May. "Magna Entertainment Corp. and Gulfstream Park recognize that the survival and success of this great sport rests with this country's youth," said Gulfstream Park President and General Manager Bill Murphy. "Thoroughbred racing and Gulfstream Park have a long tradition of involvement with scholarship programs, and we are pleased to make this donation." Millennium Wind Added to Millennium Rewards Program:

Millennium Wind (Cryptoclearance) has been added to the Millennium Rewards program launched Jan. 1 by Millennium Farms owner Ro Parra. Millennium Wind, owned by Millennium Stallions, stands at Suzie and Dr. Linwood O'Cain's Highcliff Farms in Delanson, New York. The 10-year-old stallion's fee is \$5,000. "Millennium Farms' frequent breeder rewards program is the most innovative and forward-thinking plan to ever be introduced into the Thoroughbred breeding industry," said Suzie O'Cain. "Millennium Farms should be congratulated for developing this concept, which supports breeders--whether they breed to sell or to race. This is a huge benefit, which helps to offset some of the expenses incurred by broodmare owners. Highcliff Farm is excited about being able to offer this program to New York breeders who have bred to Millennium Wind in the past or are considering breeding to him in 2008." Parra added, "We are pleased to welcome Millennium Wind to our rewards program. This gives breeders in New York and throughout the Mid-Atlantic region an opportunity to participate in the program, thus earnings points that can ultimately be redeemed to breed to a Millennium stallion." For more information on the program, which awards points based on stud fees, auction prices and racetrack performance, visit www.millenniumfarms.com.
